

Piedmont Office Realty Trust Reports Third Quarter 2017 Results

November 1, 2017

ATLANTA, November 1, 2017 - Piedmont Office Realty Trust, Inc. ("Piedmont" or the "Company") (NYSE:[PDM](#)), an owner of Class A office properties in select sub-markets located primarily within eight major Eastern U.S. office markets, today announced its results for the quarter ended September 30, 2017.

Highlights for the Three Months Ended September 30, 2017:

- Reported Net Income Applicable to Common Stockholders of \$0.87 per diluted share;
- Achieved Core Funds From Operations ("Core FFO") of \$0.42 per diluted share;
- Reported a 5.2% increase in Same Store NOI- Cash Basis;
- Completed approximately 450,000 square feet of leasing during the third quarter, approximately 45% of which related to new leases;
- Sold Two Independence Square, an approximately 606,000 square foot office building located in Washington, D.C., for an approximately \$110 million gain, which is included in the Company's results for the quarter;
- Sold 8560 Upland Drive, the Company's last asset located in the Denver, CO market; and
- With the pay down of debt using disposition proceeds, decreased leverage levels and substantially improved debt metrics.

Donald A. Miller, CFA, President and Chief Executive Officer, commented, "We saw a continued modest leasing environment during the third quarter, but feel optimistic regarding expected leasing volume headed into the last quarter of the year. The completion of the sale of Two Independence Square allowed us to capture a significant gain for our stockholders while reducing our total exposure to the Washington, D.C. market and strengthening our balance sheet by using the proceeds to pay down debt."

Results for the Quarter ended September 30, 2017

Piedmont recognized net income applicable to common stockholders for the three months ended September 30, 2017 of \$126.1 million, or \$0.87 per diluted share, as compared with a loss of \$13.1 million, or \$(0.09) per diluted share, for the three months ended September 30, 2016. The current quarter included approximately \$113.2 million, or \$0.78 per diluted share, of gains related to the sales of real estate assets, whereas the prior quarter included an approximately \$23.0 million, or \$(0.16) per diluted share, impairment loss.

Funds From Operations ("FFO"), which removes the impact of the gains on sales and impairment loss mentioned above, as well as depreciation and amortization, and Core FFO, which further removes the

impact of acquisition expenses, were both \$0.42 per diluted share for the three months ended September 30, 2017, compared to \$0.41 and \$0.42 per diluted share in FFO and Core FFO, respectively, for the three months ended September 30, 2016.

Revenues and property operating costs were \$137.6 million and \$54.1 million, respectively, for the three months ended September 30, 2017, both comparable with the third quarter of 2016, as increases in these items associated with new leases commencing and properties acquired over the last twelve months substantially offset decreases associated with the sale of eight properties since July 1, 2016.

General and administrative expense was \$6.6 million for the three months ended September 30, 2017, compared to \$7.4 million for the same period in 2016, primarily as a result of decreased accruals for potential stock-based compensation expense during the current period.

Equity in income of unconsolidated joint ventures was approximately \$3.8 million for the three months ended September 30, 2017, reflecting an approximate \$3.7 million gain associated with the sale of the Company's proportionate share of 8560 Upland Drive during the quarter.

Gain on sale of real estate assets was \$109.5 million for the three months ended September 30, 2017, reflecting the gain on sale of our Two Independence Square building, located in Washington, D.C. mentioned above.

Leasing Update

The Company's leasing volume for the quarter ended September 30, 2017 totaled approximately 447,000 square feet, with approximately 203,000 square feet of that volume related to new leases. Leasing highlights for the quarter included the following:

Detroit, MI - FCA US, LLC (Fiat Chrysler) renewed its 210,000 square foot lease for five years at 1075 West Entrance in Auburn Hills, MI;

Orlando, FL - WithumSmith+Brown PC signed an approximately 20,000 square foot, 12-year new lease at SunTrust Center, in downtown Orlando, FL; and Robinhood Markets, Inc. signed a new approximately 14,000 square foot, 7+ year lease at 500 TownPark, in Lake Mary, FL.

Also in Florida, the law firm of Phelan Hallinan Diamond & Jones completed an approximately 19,000 square foot, 10+ year new lease at 2001 NW 64th Street in Ft. Lauderdale, FL.

Washington, D.C. - A business analytics software company signed an approximately 15,000 square foot, 10+ year new lease at 4250 North Fairfax Drive in Arlington, VA.

Also in the Washington, D.C. area, Federal Advisory Partners completed an approximately 12,000 square foot, 11+ year new lease at 3100 Clarendon Boulevard Arlington, VA.

The Company's leased percentage was 89.2%, and weighted average lease term was approximately 6.5 years as of September 30, 2017, both down from the second quarter of 2017 primarily due to the expiration of two leases in our Washington, D.C. portfolio as well as the sale of the 100% leased Two Independence Square building during the quarter. Same Store NOI increased 5.2% and 1.1% on a cash and accrual basis, respectively, compared to the third quarter of the prior year, primarily reflecting the expiration of abatement periods and the commencement of leases over the last twelve months. Details outlining Piedmont's significant upcoming lease expirations, the status of current leasing activity, and a schedule of significant lease abatement periods can be found in the Company's quarterly supplemental information package available at www.piedmontreit.com.

Transactional and Financing Activity

During the third quarter, the Company successfully completed two sales:

- Two Independence Square, located at 300 E Street, S.W. in Washington D.C for approximately \$360 million, or \$593 per square foot. The 606,000 square foot, 9-story, office building is 100% leased and has served as the headquarters for the National Aeronautics and Space Administration (NASA) since its construction.
- 8560 Upland Drive, an approximately 149,000 square foot office/warehouse building, which was Piedmont's last asset in the Denver, CO market, as well as the last asset held through an unconsolidated joint venture for approximately \$17.6 million.

The net sales proceeds of the above dispositions were used to repay the balance outstanding on the Company's \$500 million line of credit and a \$140 million maturing mortgage, thereby improving leverage ratios and debt metrics and providing capacity for strategic acquisition opportunities should they arise.

During the third quarter of 2017, the Company repurchased almost 200,000 shares of common stock under its share repurchase program at an average price of \$19.92 per share, or approximately \$3.9 million. As of quarter end, Board-approved capacity remaining for additional repurchases totaled approximately \$246.1 million under the stock repurchase plan.

Fourth Quarter 2017 Dividend Declaration

On October 31, 2017, the board of directors of Piedmont declared dividends for the fourth quarter of 2017 in the amount of \$0.21 per share on its common stock to stockholders of record as of the close of business on November 24, 2017, payable on January 4, 2018.

Guidance for 2017

Based on management's expectations for the remainder of the year, the Company is narrowing its previously issued guidance for full-year 2017 as follows:

(in millions, except per share data)	Low	High
Net Income	\$176	\$178
Add:		
Depreciation	121	124
Amortization	75	76
Less: Gain on Sale of Real Estate Assets	(119)	(121)
NAREIT FFO and Core FFO applicable to Common Stock	\$253	\$257
NAREIT FFO and Core FFO per diluted share	\$1.74	\$1.76

These estimates reflect the Company disposing of more assets (net of acquisitions) during calendar 2017 than originally anticipated and management's view of current market conditions and incorporate certain economic and operational assumptions and projections. Actual results could differ materially from these estimates based on a variety of factors, including acquisitions and dispositions, as well as those factors discussed under "Forward Looking Statements" below.

Note that individual quarters may fluctuate on both a cash basis and an accrual basis due to lease commencements and expirations, abatement periods, the timing of repairs and maintenance, capital expenditures, capital markets activities, seasonal general and administrative expenses, and one-time revenue or expense events. In addition, the Company's guidance is based on information available to management as of the date of this release.

Non-GAAP Financial Measures

To supplement the presentation of the Company's financial results prepared in accordance with U.S. generally accepted accounting principles ("GAAP"), this release and the accompanying quarterly supplemental information as of and for the period ended September 30, 2017 contain certain financial measures that are not prepared in accordance with GAAP, including FFO, Core FFO, AFFO, Same Store NOI (cash basis), Property NOI (cash basis), EBITDAre, and Core EBITDA. Definitions and reconciliations of each of these non-GAAP measures to their most comparable GAAP metrics are included below and in the accompanying quarterly supplemental information.

Each of the non-GAAP measures included in this release and the accompanying quarterly supplemental financial information has limitations as an analytical tool and should not be considered in isolation or as a substitute for an analysis of the Company's results calculated in accordance with GAAP. The Company may also change the calculation of any of the non-GAAP measures included in this news release and the accompanying supplemental financial information from time to time in light of its then existing operations to include other adjustments that may affect its operations.
