The transactions were weighted towards new lease commitments, but also included a solid blend of lease renewals and expansions," said C.A. "Bo" Reddic, IV, Executive Vice-President of Real Estate Operations for Piedmont. "Looking ahead to the fourth quarter, we are optimistic about our anticipated year end numbers and improved occupancy levels, given the leasing activity we are currently seeing in our pipeline," added Reddic.

Additionally, Piedmont continued to advance its objective of aggregating high-quality assets in specific submarkets at substantial discounts to replacement cost. The following capital markets transaction, which reflected this objective, was completed during the third quarter:

Atlanta, GA - 1155 Perimeter Center West, a Class-A property located in the desirable Central Perimeter submarket of Atlanta. The 376,674 square foot property is 100% leased to three tenants, and includes a 12-story office building and an adjoining Trading Floor and Data Center, as well as an 8-level parking structure. This transaction, together with the Company's existing assets, brings its Atlanta area portfolio to approximately 1.5 million square feet.

Approximately 90% of the Company's annualized lease revenues are now derived from its nine target markets with approximately two-thirds coming from central business district or urban infill properties.
