

Piedmont Office Realty Trust Announces Purchase of Class-A Office Property in Dallas Market -- Announces Sale of Phoenix Asset

January 3, 2014

ATLANTA - January 3, 2014 - Piedmont Office Realty Trust (NYSE: PDM) announced today that it completed two transactions at year end. First, it purchased 161 Corporate Center, a Class-A office building in Irving, TX on December 30, 2013. On the same day, Piedmont closed on the sale of 8700 South Price Road in Tempe, AZ.

The acquisition of the high quality Texas asset closely follows Piedmont's recent purchases of two other properties in the Dallas market, including 6565 MacArthur Boulevard, which is also located in Las Colinas. 161 Corporate Center is adjacent to two other Piedmont-owned properties - Las Colinas Corporate Center I & II and contiguous to its third phase development parcel. Piedmont purchased the 4-story, 104,895 square-foot office building, which was constructed in 1998, for approximately \$150 per square foot and at an initial Core FFO yield of approximately 8%. The property is currently 91% leased.

The sale of 8700 Price Road, a 132,070 square foot office property, was part of the Company's ongoing strategy of recycling capital into its concentration and opportunistic markets. The property is 100% leased to Avnet and is located on a ground lease in the Arizona State University Research Park in Tempe, AZ. The sale price was \$21.5 million (\$163 per square foot).

Raymond L. Owens, Piedmont's Executive Vice-President of Capital Markets noted, "We are advancing our clustering strategy by opportunistically exiting non-core assets and, in the case of 161 Corporate Center, acquiring assets in markets with strong leasing momentum and valuation upside due to the substantial discount to replacement cost. The acquisition of 161 Corporate Center increases our footprint in the Greater Dallas market to 10 properties totaling over 1.9 million square feet."
