TENDER OFFER

This Tender Offer Statement on Schedule TO relates to the offer (the "Offer") by Madison Investment Trust Series 79 (collectively the "Purchaser") to purchase up to 24,630,000 shares of common stock (the "Shares") in Piedmont Office Realty Trust, Inc. (the "Corporation"), the subject company, at a purchase price equal to \$7.50 per Share, less the amount of any dividends declared or made with respect to the Shares between October 24, 2007 (the "Offer Date") and December 5, 2007 or such other date to which this Offer may be extended (the "Expiration Date"), upon the terms and subject to the conditions set forth in the Offer to Purchase dated October 24, 2007 (the "Offer to Purchase") and the related Letter of Transmittal, copies of which are attached hereto as Exhibits (a)(1) and (a)(2), respectively. The Offer price may be reduced for dividends made or declared prior to the Expiration Date. Any dividends made or declared after the Expiration Date, pursuant to the terms of the Offer and as set forth in the Letter of Transmittal, are assigned by tendering Shareholders to the Purchaser. Purchaser is entitled to all proceeds that are paid on or after October 24, 2007 from or as a result of any claim, litigation, class or derivative action brought by or for the benefit of the shareholders with respect to the transferred Shares, regardless of when the claims asserted and such action accrued. Madison Liquidity Investors, LLC, and Madison Capital Management, LLC are named as bidders herein because they control or are affiliated with the Purchaser, but are otherwise not participating in the offer described in this schedule.

In the event of a price reduction resulting from a Corporation dividend declared or made after the Offer Date and before the Expiration Date, as described above, the Purchaser will file an amendment to this Schedule TO reflecting such reduction and will, to the extent necessary, extend the Expiration Date to assure there is a minimum ten business day period following the amendment before the Offer expires. Tender of Shares will include the tender of any and all securities into which the Shares may be converted and any securities distributed with respect to the Shares from and after the Offer Date.

The Corporation had 116,000 holders of record owning an aggregate of 492,570,566 Shares as of October 2, 2007, according to its Proxy Statement on Schedule 14A filed October 16, 2007. The Purchaser and its affiliates own or have the right to acquire 1,683,379.24 Shares or 0.34% of the outstanding Shares. The 24,630,000 Shares subject to the Offer constitute 5.0% of the outstanding Shares. Consummation of the Offer, if all Shares sought are tendered, would require payment by the Purchaser of up to \$184,725,000 in aggregate purchase price. The Purchaser has sufficient current working capital and binding capital commitments from its members to fund the purchase price and pay all expenses of the offer.

The address of the Corporation's principal executive offices is 6200 The Corners Parkway, Norcross, Georgia 30092, and its phone number is (770) 449-7800.

OFFER TO PURCHASE FOR CASH 24,630,000
SHARES OF COMMON STOCK
OF
PIEDMONT OFFICE REALTY TRUST, INC.
AT
\$7.50 PER SHARE
by:
MADISON INVESTMENT TRUST SERIES 79
(the "Purchaser")

THE OFFER, WITHDRAWAL RIGHTS, AND PRORATION PERIOD WILL EXPIRE AT
11:59 P.M., PACIFIC TIME, ON DECEMBER 5, 2007, UNLESS THE OFFER IS EXTENDED.

The Purchaser hereby seeks to acquire 24,630,000 Shares of common stock (the "Shares") in Piedmont Office Realty Trust, Inc. (the "Corporation"). The Purchaser is not affiliated with the Corporation or its management. The Purchaser hereby offers to purchase 24,630,000 Shares at a purchase price equal to **\$7.50 per Share**, less the amount of any dividends declared or made with respect to the Shares on or between October 24, 2007 and December 5, 2007, or such other date to which this offer may be extended (the "Expiration Date"), in cash, without interest, upon the terms and subject to the conditions set forth in this offer to purchase (the "Offer to Purchase") and in the related Letter of Transmittal, as each may be supplemented or amended from time to time (which together constitute the "Offer"). As noted above, the Offer price would be subject to reduction for dividends made or declared prior to the Expiration Date. Any dividends made or declared after the Expiration Date would, by the terms of the Offer and as set forth in the Letter of Transmittal, be assigned by tendering Shareholders to the Purchaser. Purchaser is entitled to all proceeds that are paid on or after October 24, 2007 from or as a result of any claim, litigation, class or derivative action brought by or for the benefit of the shareholders with respect to the transferred Shares, regardless of when the claims asserted and such action accrued.

Tender of Shares will include the tender of any and all securities into which the Shares may be converted and any securities distributed with respect to the Shares from and after the Offer Date.

The Corporation had 116,000 holders of record owning an aggregate of 492,570,566 shares as of October 2, 2007, according to its Proxy Statement on Schedule 14A filed October 16, 2007. The Purchaser and its affiliates own or have the right to acquire 1,683,379.24 Shares or 0.34% of the outstanding Shares. The 24,630,000 Shares subject to the Offer constitute 5.0% of the outstanding Shares. Consummation of the Offer, if all Shares sought are tendered, would require payment by the Purchaser of up to \$184,725,000 in aggregate purchase price, which the Purchaser intends to fund out of its current working capital and binding capital commitments from its members. Each of the members has more than sufficient capital to fund its capital commitments.

Holders of Shares ("Shareholders") are urged to consider the following factors:

- The Offer will provide Shareholders with an opportunity to **liquidate their investment** without the usual transaction costs associated with market sales. Shareholders may have a more immediate need to use the cash now tied up in an investment in the Shares and may wish to sell them to the Purchaser.
- The Corporation is seeking shareholder approval to **extend its required liquidation date to July 30, 2009** with an additional option that would allow the Board of Directors to further **extend the liquidation date to January 30, 2011**. The Corporation's existing Articles require it to begin an orderly liquidation of assets if it has not listed the Shares by January 30, 2008 (See Proxy Statement on Schedule 14A filed October 16, 2007). While the **Purchaser is strongly against this proposed amendment** and will vote against it (including any tendered Shares accepted in this Offer), **Shareholders may wish to sell their Shares in order to obtain liquidity now** and not take the risk that the amendment is passed. Shareholders who tender their Shares will give up the opportunity to participate in any future benefits from the ownership of Shares, including potential future dividends by the Corporation from property operations or dispositions or the potential to sell the Shares on a national securities exchange or NASDAQ if the Shares are eventually listed thereon, and the purchase price per Share payable to a tendering Shareholder by the Purchaser may be less than the total amount which might otherwise be received by the Shareholder with respect to the Share from the Corporation or from the sale of such Shares on a national securities exchange or NASDAQ, if the Shares are so listed in the future.

- Shareholders may wish to *eliminate the uncertainty regarding the liquidation value* of the shares. The Corporation has stated the following about the current market conditions for the shares, "*In late July, the credit markets continued to deteriorate, and we observed a steep decline in valuations of public REIT stocks. During the week of July 23, 2007, the MSCI US REIT Index dropped 8.9%, bringing the decline in the MSCI US REIT Index in the period from Internalization on April 16, 2007 to August 3, 2007 to 19.1%.*" The Corporation cites the decline in value of publicly traded REIT shares as a reason not to pursue a public listing of the shares in the near future. There is no guarantee that public REIT share prices will recoup their lost value, and furthermore, REITs may continue to be pressured if the broader market conditions cited above worsen and/or conditions within the real estate environment deteriorate further.
- Shareholders may wish to liquidate their holdings during a suspension of the Corporation's Share Redemption Program. Effective April 20, 2007, the Corporation suspended the Share Redemption Program. The Corporation has not cited a specific reason for the suspension. Historically the Corporation has redeemed shares at \$8.38 per share subject to a maximum amount of shares that can be redeemed each year. The Corporation has stated that it intends to reinstate the program during the 4th quarter of 2007. It repeated this contention in its recent Proxy Statement on Schedule 14A filed October 16, 2007.
- The Purchaser is making the Offer for investment purposes and with the intention of making a profit from the ownership of the Shares. In establishing the purchase price of \$7.50 per Share, the Purchaser is motivated to establish the lowest price that might be acceptable to Shareholders consistent with the Purchaser's objectives. There is no public market for the Shares, and neither the Shareholders nor the Purchaser has any accurate means for determining the actual present value of the Shares. Although there can be no certainty as to the actual present value of the Shares, the Corporation has estimated that the Corporation could have an estimated net asset value of approximately \$8.93 per Share. (See Annual Report on Form 10-K filed March 27, 2007 and Establishment of the Offer Price on page 10) There can be no assurance as to the timing or amount of any future Corporation dividends, and there cannot be any assurance that the Corporation's estimate accurately reflects an approximate value of the Shares or that the actual amounts that may be realized by holders for the Shares may not vary substantially from this estimate.
- The Depositary, Madison Liquidity Investors, LLC, is an affiliate of the Purchaser. No independent party will hold securities tendered until the offer closes and payment is made. Because there is no independent intermediary to hold the Purchaser's funds and tendered securities, the Purchaser may have access to the securities before all conditions to the Offer have been satisfied and selling Shareholders have been paid; however, neither the Depositary nor the Purchaser has any rights with respect to the Shares prior to the Expiration Date and acceptance by the Purchaser for payment. Further, by tendering your Shares, you are agreeing to arbitrate any disputes that may arise between you and the Purchaser or the Depositary, to subject yourself to personal jurisdiction in New York, and that the prevailing party in any such action will be entitled to recover attorney fees and costs.
- The Offer allows Shareholders the option to sell 'All or None' of their Shares, thereby allowing Shareholders the option to avoid proration if more than 24,630,000 Shares are tendered. See Section 2—Acceptance for Payment and Payment for Shares; Proration and Section 4—Withdrawal Rights; Automatic Withdrawal Option. The Purchasers may accept only a portion of the Shares tendered by a Shareholder if a total of more than 24,630,000 Shares are tendered and the Shareholder does not select the 'All or None' option.

THE OFFER TO PURCHASE IS NOT CONDITIONED UPON ANY MINIMUM NUMBER OF SHARES BEING TENDERED. IF MORE THAN 24,630,000 SHARES ARE VALIDLY TENDERED AND NOT WITHDRAWN, THE PURCHASER WILL ACCEPT FOR PURCHASE 24,630,000 SHARES FROM TENDERING SHAREHOLDERS (WHO DO NOT ELECT THE 'ALL OR NONE' OPTION) ON A PRO RATA BASIS, SUBJECT TO THE TERMS AND CONDITIONS HEREIN. A SHAREHOLDER MAY TENDER ANY OR ALL SHARES OWNED BY SUCH SHAREHOLDER.

The Purchaser expressly reserves the right, in its sole discretion, at any time and from time to time, (i) to extend the period of time during which the Offer is open and thereby delay acceptance for payment of, and the payment for, any Shares, subject to the restriction below, (ii) upon the occurrence of any of the conditions specified in Section 13 of this Offer to Purchase and prior to the

Expiration Date, to terminate the Offer and not accept for payment any Shares, and (iii) to amend the Offer in any respect prior to the expiration date. Notice of any such extension, termination, or amendment will promptly be disseminated to Shareholders in a manner reasonably designed to inform Shareholders of such change in compliance with Rule 14d-4(c) under the Securities Exchange Act of 1934 (the "Exchange Act"). In the case of an extension of the Offer, such extension will be followed by a press release or public announcement which will be issued no later than 9:00 a.m., Pacific Time, on the next business day after the scheduled Expiration Date, in accordance with Rule 14e-1(d) under the Exchange Act.

SUMMARY TERM SHEET

The Purchaser is offering to purchase up to 24,630,000 Shares for \$7.50 per Share in cash. The following are some of the questions that you, as a Shareholder of the Corporation, may have and answers to those questions. The information in this summary is not complete, and we urge you to carefully read the remainder of this Offer to Purchase and the accompanying Letter of Transmittal.

WHO IS OFFERING TO BUY MY SECURITIES?

The offer to purchase your Shares is being made by Madison Investment Trust Series 79. The Purchaser is affiliated with Madison Liquidity Investors, LLC, the Depository, a specialty financial services firm providing holders of illiquid financial assets with liquidity opportunities. Both entities are managed or advised by Madison Capital Management, LLC, a principal that acquires and manages illiquid investments for its affiliates. None of these entities is affiliated with the Corporation or its management.

WHAT ARE THE CLASSES AND AMOUNTS OF SECURITIES SOUGHT IN THE OFFER?

We are seeking to purchase up to 24,630,000 Shares of common stock, which are the "Shares" issued to investors.

HOW MUCH ARE YOU OFFERING TO PAY AND WHAT IS THE FORM OF PAYMENT?

We are offering to pay \$7.50 per Share, net to you in cash, less the amount of any dividends declared or made with respect to the Shares between October 24, 2007 and the date the Offer expires. The Offer price would be reduced by the amount of dividends made or declared prior to the Expiration Date. Any dividends made or declared after the Expiration Date would, by the terms of the Offer and as set forth in the Letter of Transmittal, be assigned by tendering Shareholders to the Purchaser. If you hold your Shares directly as the registered owner and you tender your Shares in the Offer, you will not have to pay brokerage fees or similar expenses. If you own your Shares through a broker, dealer, commercial bank, trust company or other nominee, and the holder of your Shares tenders them on your behalf, your broker, dealer, commercial bank, trust company or other nominee may charge you a fee for doing so. You should consult the broker, dealer, commercial bank, trust company or other nominee that holds your Shares to determine whether any charges will apply.

DO YOU HAVE THE FINANCIAL RESOURCES TO MAKE PAYMENT?

If the total amount of Shares sought is purchased, the Purchaser's capital commitment will be approximately \$184,725,000. The Purchaser currently has sufficient funded capital and/or binding capital commitments from its members to fund all of its commitments under this Offer, and each of its members has more than sufficient assets to fund their commitments.

IS THE FINANCIAL CONDITION OF THE BIDDER RELEVANT TO MY DECISION ON WHETHER TO TENDER IN THE OFFER?

Because this is a cash offer that is not conditioned on financing being available, and the Purchaser has more than adequate resources and no intention to take control of the Corporation, other information concerning the Purchaser's financial condition would seem to have little relevance to your decision.

HOW LONG DO I HAVE TO DECIDE WHETHER TO TENDER IN THE OFFER?

You will have at least until 11:59 p.m., Pacific Time, on December 5, 2007, to decide whether to tender your Shares in the Offer.

WILL ALL OF THE SHARES I TENDER BE ACCEPTED BY THE PURCHASER?

The Purchaser desires to purchase up to 24,630,000 Shares. If the number of Shares validly tendered and not properly withdrawn on or prior to the Expiration Date is less than or equal to 24,630,000, we will purchase all Shares so tendered and not withdrawn, upon the terms and subject to the conditions of the Offer. However, if more than 24,630,000 Shares are so tendered and not withdrawn, we will accept for payment and pay for 24,630,000 Shares so tendered, pro rata according to the number of Shares so tendered, adjusted by rounding down to the nearest whole number of Shares tendered by each Shareholder to avoid purchases of fractional Shares, as

appropriate. However, you have the option to sell 'All or None' of your Shares by checking the appropriate box on the Letter of Transmittal. If you check that box, we will only purchase your Shares if we can purchase all of your Shares; otherwise, you will be deemed to automatically withdraw your tender. See Section 2. Acceptance for Payment and Payment for Shares; Proration and Section 4. Withdrawal Rights.

CAN THE OFFER BE EXTENDED AND UNDER WHAT CIRCUMSTANCES?

The Offer can be extended in our discretion.

HOW WILL I BE NOTIFIED IF THE OFFER IS EXTENDED?

If we extend the offer, we will make a public announcement of the extension, not later than 9:00 a.m., Pacific Time, on the day after the day on which the Offer was scheduled to expire. You can check our website at www.madisonliquidity.com to see if it has been extended.

WHAT ARE THE MOST SIGNIFICANT CONDITIONS TO THE OFFER?

There are no conditions to the offer based on a minimum number of Shares tendered, the availability of financing, or the success of the offer. However, we may not be obligated to purchase any Shares if certain conditions occur, such as legal or government actions which would prohibit the purchase. Furthermore, we are not obligated to purchase any Shares which are validly tendered if, among other things, there is a material adverse change in the Corporation or its business (which does not include the proposed amendment to the Corporation's articles; the passage or failure of such proposal is not a condition to this Offer). Please see the discussion in Section 13, Conditions of the Offer, for a description of all conditions. Further, by tendering your Shares, you are agreeing to arbitrate any disputes that may arise between you and the Purchaser or the Depositary, to subject yourself to personal jurisdiction in New York, and that the prevailing party in any such action will be entitled to recover attorney fees and costs.

WHEN WILL YOU PAY ME FOR THE SHARES I TENDER?

Upon the Expiration of the Offer and our acceptance of the Shares you tender, we will pay you upon the confirmation from the Corporation that the Shares will be transferred to the Purchaser.

HOW DO I TENDER MY SHARES?

To tender your Shares, you must deliver a completed Letter of Transmittal (printed on yellow paper), to the Depositary at: Madison Liquidity Investors, LLC 6310 Lamar Ave, Suite 120, Overland Park, KS 66202 (Telephone: (800) 896-8913; Facsimile Transmission: (913) 982-5039), no later than the time the Offer expires.

UNTIL WHAT TIME CAN I WITHDRAW PREVIOUSLY TENDERED SHARES?

You can withdraw previously tendered Shares at any time until the Offer has expired and, if we have not agreed to accept your Shares for payment by December 23, 2007, you can withdraw them at any time after such time until we do accept your Shares for payment.

HOW DO I WITHDRAW PREVIOUSLY TENDERED SHARES?

To withdraw Shares, you must deliver a written notice of withdrawal, or a facsimile of one, with the required information to the Depositary while you still have the right to withdraw the Shares.

WHAT DOES THE CORPORATION THINK OF THE OFFER?

The Purchaser has not sought the approval or disapproval of the Corporation. The Corporation may be expected to respond with the Corporation's position on the offer in the next two weeks.

WILL THE CORPORATION CONTINUE AS A PUBLIC COMPANY?

The Corporation reported 116,000 holders of its outstanding Shares as of the date of its most recent annual report. If the total number

of Shareholders is below 300, the Corporation can elect to discontinue its status as a public reporting company. Accordingly, it is theoretically possible, although exceedingly unlikely, that the Offer could result in the total number of Shareholders falling below the 300 holder level. A change in the Corporation's status as a public company could reduce the information available to Shareholders about the Corporation in the event the information provided to Shareholders by the Corporation is not as extensive as that provided in reports required to be filed by public companies under applicable rules of the SEC. Further, such potential deregistration would result in the loss of the other protections afforded by registration.

IF I DECIDE NOT TO TENDER, HOW WILL THE OFFER AFFECT MY SHARES?

The Purchaser does not anticipate that Shares held by non-tendering Shareholders will be affected by the offer.

WHAT ARE THE PURCHASERS' FUTURE INTENTIONS CONCERNING THE CORPORATION?

The Purchaser has no present intention to seek control of the Corporation or to change the management or operations of the Corporation. The Purchaser does not have any present intention to take action in connection with the liquidation of the Corporation or with any extraordinary transaction concerning the Corporation or its assets. Although the Purchaser does not have any present intention to take any action with respect to management or control of the Corporation, the Purchaser reserves the right, at an appropriate time, to exercise its rights as shareholders to vote on matters subject to a shareholder vote. In that regard, the Purchaser intends to vote against the proposed amendment to the Corporation's articles to extend the "list or liquidate" deadline by up to 3 years, will withhold consent for the election of directors, and will vote against the proposal to allow the Corporation to adjourn or postpone the Annual Meeting. Purchaser currently owns 0.34% of the outstanding Shares and plans to vote tendered Shares that are accepted in this Offer pursuant to the proxy granted by tendering Shareholders with respect to each tendered Share. See Page 14 "Other Requirements."

WHAT IS THE MARKET VALUE OF MY SHARES?

The Shares do not have a readily ascertainable market value, and neither the Shareholders nor the Purchaser has any accurate means for determining the actual present value of the Shares. According to the Corporation, "As our stock is currently not listed on a national exchange, there is no significant public trading market for our stock. Consequently, there is the risk that a stockholder may not be able to sell our stock at a time or price acceptable to the stockholder" (Proxy Statement on Schedule 14A filed October 16, 2007). The Purchaser's review of independent secondary market reporting publications such as The Direct Investments Spectrum (formerly The Partnership Spectrum), reported sales of Shares on secondary markets at \$7.50-\$10.24 during the 12 month period ending July 31, 2007. The American Partnership Board, another independent, third-party source, reported sales of Shares at \$8.36-\$9.21 per Share in 2007. Further, the Shares trade occasionally on the "Pink Sheets," where the annual low and high price was \$6.00 and \$11.25, respectively. The information published by these independent sources is believed to be the product of their private market research and does not constitute the comprehensive transaction reporting of a securities exchange. Accordingly, the Purchaser does not know whether the foregoing information is accurate or complete. The Purchaser recently completed a registered tender offer at a price of \$8.50 (less the amount of any dividends declared or made with respect to the Shares within that offer period) and purchased 0.22% of the outstanding Shares pursuant to that offer. Another party recently completed a tender offer pursuant to which it offered to purchase shares at \$9.30 per Share. The Purchaser is unaware of any other recent trading prices. The Corporation previously had a share redemption program in place that redeemed Shares at \$8.38 per Share, but that program has been temporarily suspended by the Corporation (see Form 8-K filed on April 23, 2007). The Corporation has stated that it intends to reinstate the program during the 4th quarter of 2007. It repeated this contention in its recent Proxy Statement on Schedule 14A filed October 16, 2007. Although there can be no certainty as to the actual present value of the Shares, the Corporation has estimated that the Corporation could have an estimated net asset value of approximately \$8.93 per Share. It should be noted that the Purchaser has not made an independent appraisal of the Shares or the Corporation's properties, and is not qualified to appraise real estate. Furthermore, there can be no assurance that the Corporation's estimate accurately reflects an approximate value of the Shares or that the actual amounts that may be realized by Shareholders for the may not vary substantially from this estimate.

TO WHOM CAN I TALK IF I HAVE QUESTIONS ABOUT THE TENDER OFFER?

INTRODUCTION

The Purchaser hereby offers to purchase 24,630,000 Shares at a purchase price of \$7.50 per Share ("Offer Price"), less the amount of any dividends declared or paid with respect to the Shares between October 24, 2007, and the Expiration Date, in cash, without interest, upon the terms and subject to the conditions set forth in the Offer. The Purchaser is unaware of any dividends declared or paid since October 24, 2007. Shareholders who tender their Shares will not be obligated to pay any Corporation transfer fees, or any other fees, expenses or commissions in connection with the tender of Shares, unless such a fee or commission is charged by the tendering Shareholder's broker, dealer, commercial bank, trust company or other nominee. The Purchaser will pay all such costs and all charges and expenses of the Depositary, an affiliate of the Purchaser, as depositary in connection with the Offer.

For further information concerning the Purchaser, see Section 11 below and Schedule I. Neither the Purchaser nor the Depositary is affiliated with the Corporation or the Corporation's management. The address of the Corporation's principal executive offices is 6200 The Corners Parkway, Norcross, Georgia 30092, and its phone number is (770) 449-7800

Shareholders are urged to consider the following factors:

- The Offer will provide Shareholders with an opportunity to liquidate their investment without the usual transaction costs associated with market sales. Shareholders may have a more immediate need to use the cash now tied up in an investment in the Shares and may wish to sell them to the Purchaser.
- The Corporation is seeking shareholder approval to extend its required liquidation date to July 30, 2009 with an additional option that would allow the Board of Directors to further extend the liquidation date of January 30, 2011. The Corporation's existing Articles require it to begin an orderly liquidation of assets if it has not listed the Shares by January 30, 2008 (See Proxy Statement on Schedule 14A filed October 16, 2007). While the Purchaser is strongly against this proposed amendment and will vote against it, Shareholders may wish to sell their Shares in order to obtain liquidity now and not take the risk that the amendment is passed. Shareholders who tender their Shares will give up the opportunity to participate in any future benefits from the ownership of Shares, including potential future dividends by the Corporation from property operations or dispositions or the potential to sell the Shares on a national securities exchange or NASDAQ if the Shares are eventually listed thereon, and the purchase price per Share payable to a tendering Shareholder by the Purchaser may be less than the total amount which might otherwise be received by the Shareholder with respect to the Share from the Corporation or from the sale of such Shares on a national securities exchange or NASDAQ, if the Shares are so listed in the future.
- Shareholders may wish to eliminate the uncertainty regarding the liquidation value of the shares. The Corporation has stated the following about the current market conditions for the shares, "In late July, the credit markets continued to deteriorate, and we observed a steep decline in valuations of public REIT stocks. During the week of July 23, 2007, the MSCI US REIT Index dropped 8.9%, bringing the decline in the MSCI US REIT Index in the period from Internalization on April 16, 2007 to August 3, 2007 to 19.1%." The Corporation cites the decline in value of publicly traded REIT shares as a reason not to pursue a public listing of the shares in the near future. There is no guarantee that public REIT share prices will recoup their lost value, and furthermore, REITs may continue to be pressured if the broader market conditions cited above worsen and/or conditions within the real estate environment deteriorate further.
- Shareholders may wish to liquidate their holdings during a suspension of the Corporation's Share Redemption Program. Effective April 20, 2007, the Corporation suspended the Share Redemption Program. The Corporation has not cited a specific reason for the suspension. Historically the Corporation has redeemed shares at \$8.38 per share subject to a maximum amount of shares that can be redeemed each year. The Corporation has stated that it intends to reinstate the program during the 4th quarter of 2007. It repeated this contention in its recent Proxy Statement on Schedule 14A filed October 16, 2007.
- The Purchaser is making the Offer for investment purposes and with the intention of making a profit from the ownership of the Shares. In establishing the purchase price of \$7.50 per Share, the Purchaser is motivated to establish the lowest price that might

be acceptable to Shareholders consistent with the Purchaser's objectives (See Establishment of the Offer Price below). There is no public market for the Shares, and neither the Shareholders nor the Purchaser has any accurate means for determining the actual present value of the Shares. Although there can be no certainty as to the actual present value of the Shares, the Corporation has estimated that the Corporation could have an estimated net asset value of approximately \$8.93 per Share. (See Annual Report on Form 10-K filed March 27, 2007.) There can be no assurance as to the timing or amount of any future Corporation dividends, and there cannot be any assurance that the Corporation's estimate accurately reflects an approximate value of the Shares or that the actual amounts that may be realized by holders for the Shares may not vary substantially from this estimate.

- The Depositary, Madison Liquidity Investors, LLC, is an affiliate of the Purchaser. No independent party will hold securities tendered until the offer closes and payment is made. Because there is no independent intermediary to hold the Purchaser's funds and tendered securities, the Purchaser may have access to the securities before all conditions to the Offer have been satisfied and selling Shareholders have been paid; however, neither the Depositary nor the Purchaser has any rights with respect to the Shares prior to the Expiration Date and acceptance by the Purchaser for payment. Further, by tendering your Shares, you are agreeing to arbitrate any disputes that may arise between you and the Purchaser or the Depositary, to subject yourself to personal jurisdiction in New York, and that the prevailing party in any such action will be entitled to recover attorney fees and costs.
- The Offer allows Shareholders the option to sell 'All or None' of their Shares, thereby allowing Shareholders the option to avoid proration if more than 24,630,000 Shares are tendered. See Section 2—Acceptance for Payment and Payment for Shares; Proration and Section 4—Withdrawal Rights; Automatic Withdrawal Option. The Purchaser may accept only a portion of the Shares tendered by a Shareholder if a total of more than 24,630,000 Shares are tendered and the Shareholder does not select the 'All or None' option.

Establishment of the Offer Price

The Purchaser has set the Offer Price at \$7.50 per Share, less the amount of any dividends declared or made with respect to the Shares between October 24, 2007 and the Expiration Date. In determining the Offer Price, the Purchaser analyzed a number of quantitative and qualitative factors, including: (i) the lack of a secondary market for resales of the Shares and the resulting lack of liquidity of an investment in the Corporation; (ii) the estimated value of the Corporation's real estate assets; (iii) recent material events reported by the Corporation, and (iv) the costs to the Purchaser associated with acquiring the Shares.

The Corporation made the following statements in its Proxy Statement on Schedule 14A filed October 16, 2007: "As our stock is currently not listed on a national exchange, there is no significant public trading market for our stock. Consequently, there is the risk that a stockholder may not be able to sell our stock at a time or price acceptable to the stockholder." The lack of any public market for the sale of Shares means that Shareholders have limited alternatives if they seek to sell their Shares. As a result of such limited alternatives for Shareholders, the Purchaser may not need to offer as high a price for the Shares as it would otherwise. On the other hand, the Purchaser takes a greater risk in establishing a purchase price as there is no prevailing market price to be used for reference and the Purchaser themselves will have limited liquidity for the Shares upon consummation of the purchase. The Purchaser's review of independent secondary market reporting publications such as The Direct Investments Spectrum (formerly The Partnership Spectrum), reported sales of Shares on secondary markets at \$7.50-\$10.24 during the 12 month period ending July 31, 2007. The American Partnership Board, another independent, third-party source, reported sales of Shares at \$8.36-\$9.21 per Share in 2007. Further, the Shares trade occasionally on the "Pink Sheets," where the annual low and high price was \$6.00 and \$11.25, respectively. The information published by these independent sources is believed to be the product of their private market research and does not constitute the comprehensive transaction reporting of a securities exchange. Accordingly, the Purchaser does not know whether the foregoing information is accurate or complete. The Purchaser recently completed a registered tender offer at a price of \$8.50 (less the amount of any dividends declared or made with respect to the Shares within that offer period) and purchased 0.22% of the outstanding Shares pursuant to that offer. Another party recently completed a tender offer pursuant to which it offered to purchase shares at \$9.30 per Share. The Purchaser is unaware of any other recent trading prices. The Corporation previously had a share redemption program in place that redeemed Shares at \$8.38 per Share, but that program has been temporarily suspended by the Corporation (see Form 8-K filed on April 23, 2007). The Corporation has stated that it intends to reinstate the program during the 4th quarter. It repeated this contention in its recent Proxy Statement on Schedule 14A filed October 16, 2007.

The Purchaser is offering to purchase Shares which are an illiquid investment and is not offering to purchase the Corporation's underlying assets. The Corporation is seeking shareholder approval to extend its required liquidation date to July 30, 2009 with additional options that would allow the Board of Directors to further extend the liquidation date of January 30, 2011. The Corporation's existing Articles require it to begin an orderly liquidation of assets if it has not listed the Shares by January 30, 2008. Accordingly, the underlying asset value of the Corporation is only one factor used by the Purchaser in arriving at the Offer Price. However, in the absence of trading price information, the Corporation's estimate of the net asset value of the Corporation may be relevant to Shareholders' review of the Offer Price. See Annual Report on Form 10-K filed March 27, 2007. The Corporation estimated that the Shares are worth approximately \$8.93, based upon the estimated net asset value per share resulting from a valuation recently performed on its properties as of September 30, 2006, subject to the adjustments described in the Annual Report on Form 10-K filed March 27, 2007 (the "Estimated Net Asset Value").

The Corporation has recently disclosed several material events, including: (i) Shareholder approval of the acquisition of the Corporation's advisor companies; (ii) that the Corporation is seeking shareholder approval to extend the liquidation date to July 30, 2009 with an additional option that would allow the Board of Directors to further extend the liquidation date to January 30, 2011; and (iii) that the Corporation has temporarily suspended its share redemption program. The Purchaser believes that these events will likely lead to a decrease in liquidity for the Shares.

The Offer Price represents the price at which the Purchaser is willing to purchase Shares. The Purchaser arrived at the \$7.50 Offer Price by applying an approximate 16% liquidity discount to the Estimated Net Asset Value of the Corporation's assets. The Purchaser used a 16% discount because such a discount would meet the return targets based on the estimated time frame to potentially reach the Estimated Net Asset Value but nevertheless result in a significant number of shareholders choosing to sell. The Purchaser applies such a discount with the intention of making a profit by holding on to the Shares until the Corporation is liquidated, sold, or listed on a national securities exchange or NASDAQ, at a per-share price that is hopefully at close to the full Estimated Net Asset Value. No independent person has been retained to evaluate or render any opinion with respect to the fairness of the Offer Price and no representation is made by the Purchaser or any affiliate of the Purchaser as to such fairness. Other measures of the value of the Shares may be relevant to Shareholders. Shareholders are urged to consider carefully all of the information contained herein and consult with their own advisers, tax, financial or otherwise, in evaluating the terms of the Offer before deciding whether to tender Shares.

The Offer is not made with any current view toward or plan or purpose of acquiring Shares in a series of successive and periodic offers. Nevertheless, the Purchaser reserves the right to gauge the response to this solicitation, and, if not successful in purchasing 24,630,000 Shares pursuant to this Offer, may consider future offers. Factors affecting the Purchaser's future interest in acquiring additional Shares include, but are not limited to, the relative success of the current Offer, the development of any public market in the Shares or actions by unrelated parties to tender for or purchase Shares, the status of and changes and trends in the Corporation's operations, announcement of pending property sales and the proposed terms of sales, and local and national real estate and financial market developments and trends.

General Background Information

Certain information contained in this Offer to Purchase which relates to, or represents, statements made by the Corporation or its management, has been derived from information provided in reports filed by the Corporation with the Securities and Exchange Commission.

Tendering Shareholders will not be obligated to pay transfer fees, brokerage fees, or commissions on the sale of the Shares to the Purchaser pursuant to the Offer. The Purchaser will pay all charges and expenses incurred by Purchaser in connection with the Offer. Tendering Shareholders should contact their broker, dealer, commercial bank, trust company or other nominee to determine if a fee or commission will be charged by such nominee for tendering on behalf of the Shareholder. The Purchaser desires to purchase up to 24,630,000 Shares. If the number of Shares validly tendered and not properly withdrawn on or prior to the Expiration Date is less than or equal to 24,630,000, we will purchase all Shares so tendered and not withdrawn, upon the terms and subject to the conditions of the Offer. However, if more than 24,630,000 Shares are so tendered and not withdrawn, we will accept for payment and

pay for 24,630,000 Shares so tendered, pro rata according to the number of Shares so tendered, adjusted by rounding down to the nearest whole number of Shares tendered by each Shareholder to avoid purchases of fractional Shares, as appropriate. However, you have the option to sell 'All or None' of your Shares by checking the appropriate box on the Letter of Transmittal. If you check that box, we will only purchase your Shares if we can purchase all of your Shares; otherwise, you will be deemed to automatically withdraw your tender. See Section 2. Acceptance for Payment and Payment for Shares; Proration and Section 4. Withdrawal Rights.

If, prior to the Expiration Date, the Purchaser increases the consideration offered to Shareholders pursuant to the Offer, such increased consideration will be paid with respect to all Shares that are purchased pursuant to the Offer, whether or not such Shares were tendered prior to such increase in consideration.

Shareholders are urged to read this Offer to Purchase and the accompanying Letter of Transmittal carefully before deciding whether to tender their Shares.

TENDER OFFER

Section 1. Terms of the Offer. Upon the terms and subject to the conditions of the Offer, the Purchaser will accept for payment and pay for Shares validly tendered on or prior to the Expiration Date and not withdrawn in accordance with Section 4 of this Offer to Purchase. The term "Expiration Date" shall mean 11:59 p.m., Pacific Time, on December 5, 2007, unless and until the Purchaser shall have extended the period of time for which the Offer is open, in which event the term "Expiration Date" shall mean the latest time and date on which the Offer, as so extended by the Purchaser, shall expire.

The Offer is conditioned on satisfaction of certain conditions. See Section 13, which sets forth in full the conditions of the Offer. The Purchaser reserves the right (but shall not be obligated), in its sole discretion and for any reason, to waive any or all of such conditions. If, by the Expiration Date, any or all of such conditions have not been satisfied or waived, the Purchaser reserves the right (but shall not be obligated) to (i) decline to purchase any of the Shares tendered, terminate the Offer and return all tendered Shares to tendering Shareholders, (ii) waive all the unsatisfied conditions and, subject to complying with applicable rules and regulations of the Commission, purchase all Shares validly tendered, (iii) extend the Offer and, subject to the right of Shareholders to withdraw Shares until the Expiration Date, retain the Shares that have been tendered during the period or periods for which the Offer is extended or (iv) to amend the Offer. Notwithstanding the foregoing, upon the expiration of the Offer, if all conditions are either satisfied or waived, the Purchaser will promptly pay for all validly tendered Shares upon confirmation from the Corporation that the Shares will be transferred to the Purchaser, and the Purchaser does not intend to imply that the foregoing rights of the Purchaser would permit the Purchaser to delay payment for validly tendered Shares following expiration.

The Purchaser does not anticipate and has no reason to believe that any condition or event will occur that would prevent the Purchaser from purchasing tendered Shares as offered herein.

Further, by tendering your Shares, you are agreeing to arbitrate any disputes that may arise between you and the Purchaser or the Depository, to subject yourself to personal jurisdiction in New York, and that the prevailing party in any such action will be entitled to recover attorney fees and costs. However, by so doing, you are not waiving any of your rights under the federal securities laws or any rule or regulation thereunder.

Section 2. Acceptance for Payment and Payment for Shares; Proration. Upon the terms and subject to the conditions of the Offer (including, if the Offer is extended or amended, the terms and conditions of any extension or amendment), the Purchaser will accept for payment, and will pay for, Shares validly tendered and not withdrawn in accordance with Section 4, promptly following the Expiration Date and upon confirmation from the Corporation that the Shares will be transferred to the Purchaser. In all cases, payment for Shares purchased pursuant to the Offer will be made only after timely receipt by the Depository of a properly completed and duly executed Letter of Transmittal (or facsimile thereof) and any other documents required by the Letter of Transmittal. Based upon the Purchaser's experience, confirmation will generally occur approximately 10 days after the transfer agent's receipt of the documentation described in the instructions provided with the Letter of Transmittal.

The Purchaser desires to purchase up to 24,630,000 Shares. If the number of Shares validly tendered and not properly withdrawn

on or prior to the Expiration Date is less than or equal to 24,630,000, we will purchase all Shares so tendered and not withdrawn, upon the terms and subject to the conditions of the Offer. However, if more than 24,630,000 Shares are so tendered and not withdrawn, we will accept for payment and pay for 24,630,000 Shares so tendered, pro rata according to the number of Shares so tendered, adjusted by rounding down to the nearest whole number of Shares tendered by each Shareholder to avoid purchases of fractional Shares, as appropriate.

In the event that proration is required, because of the difficulty of immediately determining the precise number of Shares to be accepted, the Purchaser will announce the final results of proration as soon as practicable, but in no event later than five business days following the Expiration Date. The Purchaser will not pay for any Shares tendered until after the final proration factor has been determined.

Shareholders may indicate, by checking a box on the Letter of Transmittal (the 'All or None' Box), that they only wish to sell their Shares if they will be able to sell all of their Shares, without any proration. See Section 4—Withdrawal Rights. If more than 24,630,000 Shares have been properly tendered without checking the All or None Box, then the above description of proration will apply only to tenders of such Shares that do not have the All or None Box checked.

For purposes of the Offer, the Purchaser shall be deemed to have accepted for payment (and thereby purchased) tendered Shares when, as and if the Purchaser gives oral or written notice to the Depository of the Purchaser's acceptance for payment of such Shares pursuant to the Offer. Upon the terms and subject to the conditions of the Offer, payment for Shares purchased pursuant to the Offer will in all cases be made by deposit of the Offer Price with the Depository, which will act as agent for the tendering Shareholders for the purpose of receiving payment from the Purchaser and transmitting payment to tendering Shareholders.

Under no circumstances will interest be paid on the Offer Price by reason of any delay in making such payment.

If any tendered Shares are not purchased for any reason (other than due to proration as described above), the Letter of Transmittal with respect to such Shares not purchased will be of no force or effect. If, for any reason whatsoever, acceptance for payment of, or payment for, any Shares tendered pursuant to the Offer is delayed or the Purchaser is unable to accept for payment, purchase or pay for Shares tendered pursuant to the Offer, then, without prejudice to the Purchaser's rights under Section 13, the Depository may, nevertheless, on behalf of the Purchaser, retain tendered Shares and such Shares may not be withdrawn (but subject to compliance with Rule 14e-1(c) under the Exchange Act, which requires that the Purchaser pay the consideration offered or return the Shares deposited by or on behalf of the Shareholder promptly after the termination or withdrawal of a tender offer), except to the extent that the tendering Shareholders are entitled to withdrawal rights as described in Section 4.

If, prior to the Expiration Date, the Purchaser shall increase the consideration offered to Shareholders pursuant to the Offer, such increased consideration shall be paid for all Shares accepted for payment pursuant to the Offer, whether or not such Shares were tendered prior to such increase.

Section 3. Procedures for Tendering Shares.

Valid Tender. For Shares to be validly tendered pursuant to the Offer, a properly completed and duly executed Letter of Transmittal (a copy of which is enclosed with this Offer to Purchase, printed on yellow paper) with any other documents required by the Letter of Transmittal must be received by the Depository at its address set forth on the back cover of this Offer to Purchase on or prior to the Expiration Date. A Shareholder may tender any or all Shares owned by such Shareholder.

In order for a tendering Shareholder to participate in the Offer, Shares must be validly tendered and not withdrawn prior to the Expiration Date, which is 11:59 p.m., Pacific Time, on December 5, 2007, or such date to which the Offer may be extended.

The method of delivery of the Letter of Transmittal and all other required documents is at the option and risk of the tendering Shareholder and delivery will be deemed made only when actually received by the Depository.

Backup Federal Income Tax Withholding. To prevent the possible application of 31% backup federal income tax withholding with respect to payment of the Offer Price for Shares purchased pursuant to the Offer, a tendering Shareholder must provide the Depository with such Shareholder's correct taxpayer identification number and make certain certifications that such Shareholder is not subject to backup federal income tax withholding. Each tendering Shareholder must insert in the Letter of Transmittal the Shareholder's taxpayer identification number or social security number in the space provided on the front of the Letter of Transmittal. The Letter of Transmittal also includes a substitute Form W-9, which contains the certifications referred to above. (See the Instructions to the Letter of Transmittal.)

Other Requirements. By executing a Letter of Transmittal as set forth above, a tendering Shareholder irrevocably appoints the designees of the Purchaser as such Shareholder's proxies, in the manner set forth in the Letter of Transmittal, each with full power of substitution, to the full extent of such Shareholder's rights with respect to the Shares tendered by such Shareholder and accepted for payment by the Purchaser. Such appointment will be effective when, and only to the extent that, the Purchaser accepts such Shares for payment. Upon such acceptance for payment, all prior proxies given by such Shareholder with respect to such Shares will, without further action, be revoked, and no subsequent proxies may be given (and if given will not be effective). Purchaser intends to vote tendered and accepted Shares pursuant to the proxy at the meeting schedule for December 13, 2007, and at any adjournment thereof. The designees of the Purchaser will, with respect to such Shares, be empowered to exercise all voting and other rights of such Shareholder as they in their sole discretion may deem proper at any meeting of Shareholders, by written consent or otherwise. In addition, by executing a Letter of Transmittal, a Shareholder also assigns to the Purchaser all of the Shareholder's rights to receive dividends from the Corporation with respect to Shares which are accepted for payment and purchased pursuant to the Offer, other than those dividends declared or paid during the period commencing on the Offer Date and terminating on the Expiration Date.

Determination of Validity; Rejection of Shares; Waiver of Defects; No Obligation to Give Notice of Defects. All questions as to the validity, form, eligibility (including time of receipt), and acceptance for payment of any tender of Shares pursuant to the procedures described above will be determined by the Purchaser, in its sole discretion, which determination shall be final and binding, subject to the Tendering Shareholder's right to seek arbitration of any such dispute. See Section 8. The Purchaser reserves the absolute right to reject any or all tenders if not in proper form or if the acceptance of, or payment for, the absolute right to reject any or all tenders if not in proper form or if the acceptance of, or payment for, the Shares tendered may, in the opinion of the Purchaser's counsel, be unlawful. The Purchaser also reserves the right to waive any defect or irregularity in any tender with respect to any particular Shares of any particular Shareholder, and the Purchaser's interpretation of the terms and conditions of the Offer (including the Letter of Transmittal and the Instructions thereto) will be final and binding. Neither the Purchaser, the Depository, nor any other person will be under any duty to give notification of any defects or irregularities in the tender of any Shares or will incur any liability for failure to give any such notification.

A tender of Shares pursuant to any of the procedures described above will constitute a binding agreement between the tendering Shareholder and the Purchaser upon the terms and subject to the conditions of the Offer, including the tendering Shareholder's representation and warranty that (i) such Shareholder owns the Shares being tendered within the meaning of Rule 14e-4 under the Exchange Act and (ii) the tender of such Share complies with Rule 14e-4. Rule 14e-4 requires, in general, that a tendering security holder actually be able to deliver the security subject to the tender offer, and is of concern particularly to any Shareholders who have granted options to sell or purchase the Shares, hold option rights to acquire such securities, maintain "short" positions in the Shares (*i.e.*, have borrowed the Shares) or have loaned the Shares to a short seller. A Shareholder will be deemed to tender Shares in compliance with Rule 14e-4 and the Offer if the holder is the record owner of the Shares and the holder (i) delivers the Shares pursuant to the terms of the Offer, (ii) causes such delivery to be made, (iii) guarantees such delivery, (iv) causes a guaranty of such delivery, or (v) uses any other method permitted in the Offer (such as facsimile delivery of the Transmittal Letter).

Section 4. Withdrawal Rights. Except as otherwise provided in this Section 4, all tenders of Shares pursuant to the Offer are irrevocable, provided that Shares tendered pursuant to the Offer may be withdrawn at any time prior to the Expiration Date and, unless theretofore accepted for payment as provided in this Offer to Purchase, may also be withdrawn at any time on or after December 23, 2007.

For withdrawal to be effective a written or facsimile transmission notice of withdrawal must be timely received by the Depository at the address or the facsimile number set forth in the attached Letter of Transmittal. Any such notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn and must be signed by the person(s) who signed the Letter of Transmittal in the same manner as the Letter of Transmittal was signed.

If purchase of, or payment for, Shares is delayed for any reason or if the Purchaser is unable to purchase or pay for Shares for any reason, then, without prejudice to the Purchaser's rights under the Offer, tendered Shares may be retained by the Depository on behalf of the Purchaser and may not be withdrawn except to the extent that tendering Shareholders are entitled to withdrawal rights as set forth in this Section 4, subject to Rule 14e-1(c) under the Exchange Act, which provides that no person who makes a tender offer shall fail to pay the consideration offered or return the securities deposited by or on behalf of security holders promptly after the termination or withdrawal of the tender offer.

All questions as to the form and validity (including time of receipt) of notices of withdrawal will be determined by the Purchaser, in its sole discretion, which determination shall be final and binding. Neither the Purchaser, nor the Depository, nor any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal or will incur any liability for failure to give any such notification.

Any Shares properly withdrawn will be deemed not to be validly tendered for purposes of the Offer. Withdrawn Shares may be re-tendered, however, by following the procedures described in Section 3 at any time prior to the Expiration Date.

Automatic Withdrawal Option. Shareholders may indicate, by checking a box on the Letter of Transmittal (the 'All or None Box'), that they only wish to sell their Shares if they will be able to sell all of their Shares, without any proration. If at any time during the day of the Expiration Date more than 24,630,000 Shares have been properly tendered, unless the Purchaser amends the Offer to increase the number of Shares to be purchased, the Purchaser will deem all Shares from Shareholders that checked the All or None Box to be withdrawn and not validly tendered for purposes of the Offer. Neither the Purchaser nor any other person will be under any duty to give any notice that such automatic withdrawal will occur. Shareholders may change their election whether or not to check the All or None Box at any time on or prior to the Expiration Date by submitting a new Letter of Transmittal with their preferred election, in the manner described in Section 3 herein.

Section 5. Extension of Tender Period; Termination; Amendment. The Purchaser expressly reserves the right, in its sole discretion, at any time and from time to time, (i) to extend the period of time during which the Offer is open and thereby delay acceptance for payment of, and the payment for, any Shares by giving oral or written notice of such extension to the Depository, (ii) upon the occurrence or failure to occur of any of the conditions specified in Section 13, to terminate the Offer and not accept for payment any Shares by giving oral or written notice of such termination to the Depository, and (iii) to amend the Offer in any respect (including, without limitation, by increasing or decreasing the consideration offered or the number of Shares being sought in the Offer or both or changing the type of consideration) by giving oral or written notice of such amendment to the Depository prior to the Expiration Date. Any extension, termination, or amendment will be followed as promptly as practicable by public announcement, the announcement in the case of an extension to be issued no later than 9:00 a.m., Pacific Time, on the next business day after the previously scheduled Expiration Date, in accordance with the public announcement requirement of Rule 14d-4(c) under the Exchange Act. Without limiting the manner in which the Purchaser may choose to make any public announcement, except as provided by applicable law (including Rule 14d-4(c) under the Exchange Act), the Purchaser will have no obligation to publish, advertise, or otherwise communicate any such public announcement, other than by issuing a press release. The Purchaser may also be required by applicable law to disseminate to Shareholders certain information concerning the extensions of the Offer and any material changes in the terms of the Offer. The Purchaser will not provide a subsequent offering period following the Expiration Date.

If the Purchaser extends the Offer, or if the Purchaser (whether before or after its acceptance for payment of Shares) is delayed in its payment for Shares or are unable to pay for Shares pursuant to the Offer for any reason, then, without prejudice to the Purchaser's rights under the Offer, the Depository may retain tendered Shares on behalf of the Purchaser, and such Shares may be withdrawn to the extent tendering Shareholders are entitled to withdrawal rights as described in Section 4 (generally, if notice of withdrawal is given to the Depository prior to the Expiration Date). However, the ability of the Purchaser to delay payment for Shares that the Purchaser has accepted for payment is limited by Rule 14e-1 under the Exchange Act, which requires that the Purchaser pay the consideration offered or return the securities deposited by or on behalf of holders of securities promptly after the termination or withdrawal of the Offer, except that the Purchaser may delay payment until it receives confirmation from the Corporation that the Shares will be transferred to the Purchaser.

If the Purchaser makes a material change in the terms of the Offer or the information concerning the Offer or waive a material condition of the Offer, the Purchaser will extend the Offer to the extent required by Rules 14d-4(c), 14d-6(d) and 14e-1 under the Exchange Act. The minimum period during which an offer must remain open following a material change in the terms of the offer or information concerning the offer, other than a change in price or a change in percentage of securities sought, will depend upon the facts and circumstances, including the relative materiality of the change in the terms or information. With respect to a change in price or a change in percentage of securities sought (other than an increase of not more than 2% of the securities sought), however, a minimum ten business day period is generally required to allow for adequate dissemination to security holders and for investor response. As used in this Offer to Purchase, “business day” means any day other than a Saturday, Sunday or a federal holiday, and consists of the time period from 12:01 a.m. through midnight, Pacific Time. Any material change in the terms of the Offer will be published, sent, or given to you in a manner reasonably designed to inform you of such change; in most cases we will mail you supplemental materials.

Section 6. Material Federal Income Tax Consequences. THE FEDERAL INCOME TAX DISCUSSION SET FORTH BELOW DOES NOT PURPORT TO ADDRESS ALL ASPECTS OF TAXATION THAT MAY BE RELEVANT TO A PARTICULAR SHAREHOLDER. For example, this discussion does not address the effect of any applicable foreign, state, local or other tax laws other than federal income tax laws. Certain Shareholders (including trusts, foreign persons, tax-exempt organizations or corporations subject to special rules, such as life insurance companies or S corporations) may be subject to special rules not discussed below. This discussion is based on the Internal Revenue Code of 1986, as amended (the “Code”), existing regulations, court decisions and Internal Revenue Service (“IRS”) rulings and other pronouncements. **EACH SHAREHOLDER TENDERING SHARES SHOULD CONSULT SUCH SHAREHOLDER’S OWN TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES TO SUCH SHAREHOLDER OF ACCEPTING THE OFFER, INCLUDING THE APPLICATION OF THE ALTERNATIVE MINIMUM TAX AND FEDERAL, FOREIGN, STATE, LOCAL AND OTHER TAX LAWS.**

Gain or Loss. A taxable Shareholder will recognize a gain or loss on the sale of such Shareholder’s Shares in an amount equal to the difference between (i) the amount realized by such Shareholder on the sale and (ii) such Shareholder’s tax basis in the Shares sold. If the Shareholder reports a loss on the sale, such loss generally could not be currently deducted by such Shareholder except against such Shareholder’s capital gains from other investments.

The tax basis in the Shares of a Shareholder will depend upon individual circumstances. Each Shareholder who plans to tender hereunder should consult with the Shareholder’s own tax advisor as to the Shareholder’s tax basis in the Shareholder’s Shares and the resulting tax consequences of a sale.

A tax-exempt Shareholder (other than an organization described in Code Section 501(c)(7) (social club), 501(c)(9) (voluntary employee benefit association), 501(c)(17) (supplementary unemployment benefit trust), or 501(c)(20) (qualified group legal services plan)) should not be required to recognize unrelated trade or business income upon the sale of its Shares pursuant to the Offer, assuming that such Shareholder does not hold its Shares as a “dealer” and has not acquired such Shares with debt financed proceeds.

Section 7. Effects of the Offer.

Limitations on Resales. The Purchaser does not believe the provisions of the Corporation’s Articles of Incorporation should restrict transfers of Shares pursuant to the Offer.

Effect on Trading Market. If a substantial number of Shares are purchased pursuant to the Offer the result would be a reduction in the number of Shareholders. Reducing the number of security holders in certain kinds of equity securities might be expected to result in a reduction in the liquidity and volume of activity in the trading market for the security. However, there is no established public trading market for the Shares. Therefore, the Purchaser does not believe a reduction in the number of Shareholders will materially further restrict the Shareholders’ ability to find purchasers for their Shares through secondary market transactions.

Voting Power of Purchaser. The Purchaser is seeking a maximum of approximately 5% of the Shares of the Corporation hereunder, so the Purchaser will not obtain a controlling voting interest in matters subject to a shareholder vote. The Corporation holds annual meetings to elect directors and conduct other business. Votes of Shareholders might also be solicited for matters affecting the

fundamental structure of the Corporation, such as the pending proposal to extend the “list or liquidate” deadline as much as 3 years. A Shareholder who tenders Shares to the Purchaser grants a proxy to the Purchaser as of the date of acceptance of the tender, granting the Purchaser the right to vote such Shares in its sole discretion as to any matters for which the Corporation has established a record date prior to the time such. Shares are transferred by the Corporation to the Purchaser. The Purchaser reserves the right to exercise any and all rights it might hold in the event that any vote is called by the Corporation, or if, in the future, changes in circumstances would dictate that it or other shareholders exercise their right to vote. Thus, if the Purchaser purchases a significant number of the outstanding Shares of the Corporation pursuant to this and any other tender offers and other purchases, it could be in a position to have some influence the Corporation by virtue of being able to vote in Board of Directors elections and other matters requiring shareholder consent. The Purchaser intends to vote against the pending proposal to extend the “list or liquidate” deadline and intends to withhold its consent for the current directors. (See Definitive Proxy Statement on Schedule 14A filed October 16, 2007 for a summary of the proposals and their reasons and consequences, along with beneficial security ownership of management and others, market for Shares, and dividends.) The record date set by the Corporation for that vote is October 2, 2007.

Other Potential Effects. The Shares are registered under the Exchange Act, which requires, among other things that the Corporation furnish certain information to its Shareholders and to the Commission and comply with the Commission’s proxy rules in connection with meetings of, and solicitation of consents from, Shareholders. Registration and reporting requirements could be terminated by the Corporation if the number of record holders falls below 300, or below 500 if the Corporation’s total assets are below \$10 million for three consecutive preceding fiscal years. The Corporation reported a total of 116,000 shareholders as of its most recent fiscal year end, but the Purchaser is offering to purchase up to 24,630,000 Shares. Accordingly, it is possible, but highly unlikely, that the Offer could result in the total number of Shareholders falling below the foregoing 300 holder level. As disclosed by the Corporation in its public reports, however, there has never been a public trading market for the Shares, so the Corporation’s status as a public company will not affect a trading market in the Shares. A change in the Corporation’s status as a public company could reduce the information available to Shareholders about the Corporation if the information required to be provided to Shareholders by the Corporation’s Articles and Bylaws is not as extensive as that provided in reports required to be filed by public companies under applicable rules of the Securities and Exchange Commission.

Section 8. Future Plans. Following the completion of the Offer, the Purchaser, or its affiliates, may acquire additional Shares. Any such acquisitions may be made through private purchases, one or more future tender offers or by any other means deemed advisable or appropriate. Any such acquisitions may be at a consideration higher or lower than the consideration to be paid for the Shares purchased pursuant to the Offer. The Purchaser is seeking to purchase a total of 24,630,000 Shares. If the Purchaser acquires fewer than 24,630,000 Shares pursuant to the Offer, the Purchaser may seek to make further purchases on the open market at prevailing prices, or solicit Shares pursuant to one or more future tender offers at the same price, a higher price or, if the Corporation’s circumstances change, at a lower price. Alternatively, the Purchaser may discontinue any further purchases of Shares after termination of the Offer, regardless of the number of Shares purchased. The Offer is not made with any current view toward or plan or purpose of acquiring Shares in a series of successive and periodic offers. Nevertheless, as noted above, the Purchaser reserves the right to gauge the response to this solicitation, and, if not successful in purchasing 24,630,000 Shares in this Offer, may consider future offers. Factors affecting the Purchaser’s future interest in acquiring additional Shares include, but are not limited to, the relative success of the current Offer, any increase or decrease in the availability of capital for investment by the Purchaser and its investment fund affiliates, the current diversification and performance of each affiliated fund’s portfolio of real estate interests, the development of any public market in the Shares or actions by unrelated parties to tender for or purchase Shares, the status of and changes and trends in the Corporation’s operations, announcement of pending property sales and the proposed terms of sales, and local and national real estate and financial market developments and trends.

The Purchaser is acquiring the Shares pursuant to the Offer solely for investment purposes. The Purchaser has no present intention to seek control of the Corporation or to change the management or operations of the Corporation. The Purchaser does not have any present intention to take any action in connection with the liquidation of the Corporation, except that it intends to vote against the current proposal to extend the “list or liquidate” deadline and intends to withhold its consent for the current directors. (See Definitive Proxy Statement on Schedule 14A filed October 16, 2007.) The Purchaser nevertheless reserves the right, at an appropriate time, to exercise its rights as shareholder to vote on matters subject to a shareholder vote, including, but not limited to, any vote to affecting the sale of the Corporation’s properties and the liquidation and dissolution of the Corporation. Except as expressly set forth herein, the Purchaser has no present intention to seek control of the Corporation, to cause the Corporation to engage in any

extraordinary transaction, to cause any purchase, sale or transfer of a material amount of the assets of any Corporation, to make any change in the dividend policies, indebtedness or capitalization of any Corporation or to change the structure, management or operations of the Corporation, the listing status of the Shares or the reporting requirements of the Corporation.

Section 9. The Business of the Corporation. For information about the Corporation, please refer to the annual report prepared by the Corporation which was sent to you earlier, particularly Item 2 of Form 10-K, the Quarterly Reports on Form 10-Q, the Definitive Proxy on Schedule 14A filed October 16, 2007, announcing recent events, and any other materials sent to you by the Corporation. These documents contain updated information concerning the Corporation, including detailed information regarding the properties owned, including mortgages, rental rates, operations, management, and taxes. In addition, the Corporation is subject to the information and reporting requirements of the Exchange Act and information about the Corporation can be obtained on the Commission's EDGAR system, at its internet web site at www.sec.gov, and are available for inspection at the Commission's principal office in Washington, D.C.

Section 10. Conflicts of Interest. The Depository is affiliated with the Purchaser. Therefore, by virtue of this affiliation, the Depository may have inherent conflicts of interest in acting as Depository for the Offer. The Depository's role is administrative only, however, and any conflict of interest should not be deemed material to Shareholders.

Section 11. Certain Information Concerning the Purchaser. The Purchaser is Madison Investment Trust Series 79 For information concerning the Purchaser and its respective principals, please refer to Schedule I attached hereto. The principal business of the Purchaser is investment in securities, particularly real estate-based securities. The principal business address of each of the Purchaser is 6310 Lamar Ave, Suite 120, Overland Park, KS 66202.

The Purchaser has binding commitments from its members to contribute sufficient amounts of capital necessary to fund the acquisition of all Shares subject to the Offer, the expenses to be incurred in connection with the Offer, and all other anticipated costs of the Purchaser. The Purchaser is not a public company and has not prepared audited financial statements or financial statements prepared in accordance with generally accepted accounting principles. Madison Liquidity Investors, LLC, the Depository and an affiliate of the Purchaser, is a specialty financial services firm providing holders of illiquid financial assets with liquidity opportunities. The Purchaser has aggregate assets and binding capital commitments that are more than sufficient to fund its collective obligation to purchase Shares in this Offer, and each of its members has more than sufficient capital to fund its capital commitments.

Except as otherwise set forth herein, (i) neither the Purchaser nor, to the best knowledge of the Purchaser, the persons listed on Schedule I nor any affiliate of the Purchaser beneficially owns or has a right to acquire any Shares, (ii) neither the Purchaser nor, to the best knowledge of the Purchaser, the persons listed on Schedule I nor any affiliate of the Purchaser, or any director, executive officer or subsidiary of any of the foregoing has effected any transaction in the Shares within the past 60 days, (iii) neither the Purchaser nor, to the best knowledge of the Purchaser, the persons listed on Schedule I nor any affiliate of the Purchaser has any contract, arrangement, understanding or relationship with any other person with respect to any securities of the Corporation, including but not limited to, contracts, arrangements, understandings or relationships concerning the transfer or voting thereof, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or the giving or withholding of proxies, consents or authorizations, (iv) there have been no transactions or business relationships which would be required to be disclosed under the rules and regulations of the Commission between any of the Purchaser or, to the best knowledge of the Purchaser, the persons listed on Schedule I, or any affiliate of the Purchaser on the one hand, and the Corporation or its affiliates, on the other hand, (v) there have been no contracts, negotiations or transactions between the Purchaser, or to the best knowledge of the Purchaser any affiliate of the Purchaser on the one hand, the persons listed on Schedule I, and the Corporation or its affiliates, on the other hand, concerning a merger, consolidation or acquisition, tender offer or other acquisition of securities, an election of directors or a sale or other transfer of a material amount of assets, (vi) no person listed on Schedule I has been convicted in a criminal proceeding during the past five years (excluding traffic violations or similar misdemeanors), and (vii) no person listed on Schedule I has been a party to any judicial or administrative proceeding during the past five years (except for matters dismissed without sanction or settlement) that resulted in a judgment, decree, or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities laws.

The Purchaser reserves the right to transfer or assign to one or more of the Purchaser's affiliates, in whole or from time to time in part, the right to purchase all or any portion of the Shares tendered in the Offer, but any such transfer or assignment will not relieve the Purchaser of its obligations under the Offer or prejudice the rights of tendering stockholders to receive payment for Shares validly tendered and accepted for payment pursuant to the Offer.

Section 12. Source of Funds. The Purchaser expects that approximately \$184,725,000 would be required to purchase 24,630,000 Shares, if tendered, and an additional \$400,000 may be required to pay related fees and expenses. The Purchaser anticipates funding all of the purchase price and related expenses through its existing capital, assets, and binding capital commitments from its members. The cash and liquid securities necessary to complete the entire purchase are readily available and are committed to that purpose. Accordingly, there are no financing arrangements to fall through and no alternative financing plans.

Section 13. Conditions of the Offer. Notwithstanding any other term of the Offer, the Purchaser shall not be required to accept for payment or to pay for any Shares tendered unless all authorizations or approvals of, or expirations of waiting periods imposed by, any court, administrative agency or other governmental authority necessary for the consummation of the transactions contemplated by the Offer shall have been obtained or occurred on or before the Expiration Date. As of the Offer Date, the Purchaser is unaware of any such required authorizations, approvals, or waiting periods relating to this Offer.

The Purchaser shall not be required to accept for payment or pay for any Shares and may terminate or amend the Offer as to such Shares if, at any time on or after the date of the Offer and before the Expiration Date, any of the following conditions exists:

(a) a preliminary or permanent injunction or other order of any federal or state court, government or governmental authority or agency shall have been issued and shall remain in effect which (i) makes illegal, delays or otherwise directly or indirectly restrains or prohibits the making of the Offer or the acceptance for payment of or payment for any Shares by the Purchaser, (ii) imposes or confirms limitations on the ability of the Purchaser effectively to exercise full rights of ownership of any Shares, including, without limitation, the right to vote any Shares acquired by the Purchaser pursuant to the Offer or otherwise on all matters properly presented to the Corporation's Shareholders, (iii) requires divestiture by the Purchaser of any Shares, (iv) causes any material diminution of the benefits to be derived by the Purchaser as a result of the transactions contemplated by the Offer (see the discussion of such benefits in the Summary Term Sheet and Introduction sections of the Offer to Purchase) or (v) materially adversely affect the business, properties, assets, liabilities, financial condition, operations, results of operations or prospects of the Purchaser or the Corporation, in the reasonable judgment of the Purchaser;

(b) there shall be any action taken, or any statute, rule, regulation or order proposed, enacted, enforced, promulgated, issued or deemed applicable to the Offer by any federal or state court, government or governmental authority or agency, other than the application of the waiting period provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which will, directly or indirectly, result in any of the consequences referred to in clauses (i) through (v) of paragraph (a) above;

(c) any change or development shall have occurred or been threatened since the date hereof, in the business, properties, assets, liabilities, financial condition, operations, results of operations or prospects of the Corporation, which, in the reasonable judgment of the Purchaser, is or will be materially adverse to the Corporation, or the Purchaser shall have become aware of any fact that, in the reasonable judgment of the Purchaser, does or will have a material adverse effect on the value of the Shares; provided, however, that the proposed amendments to the Corporation's articles set forth in the Proxy Statement on Schedule 14A filed October 16, 2007 are not such a material change or development and the passage or failure of such proposals are not a condition to this Offer;

(d) there shall have occurred (i) any general suspension of trading in, or limitation on prices for, securities on any national securities exchange or in the over-the-counter market in the United States, (ii) a declaration of a banking moratorium or any suspension of payments in respect of banks in the United States, (iii) any limitation by any governmental authority on, or other event which might affect, the extension of credit by lending institutions or result in any imposition of currency controls in the United States, (iv) a commencement of a war or armed hostilities or other national or international calamity directly or indirectly involving the United States, (v) a material change in United States or other currency exchange rates or a suspension of a limitation on the markets thereof, or (vi) in the case of any of the foregoing existing at the time of the commencement of the Offer, a material acceleration or worsening thereof; or

(e) it shall have been publicly disclosed or the Purchaser shall have otherwise learned that (i) more than fifty percent of the outstanding Shares have been or are proposed to be acquired by another person (including a “group” within the meaning of Section 13(d)(3) of the Exchange Act), or (ii) any person or group that prior to such date had filed a Statement with the Commission pursuant to Sections 13(d) or (g) of the Exchange Act has increased or proposes to increase the number of Shares beneficially owned by such person or group as disclosed in such Statement by two percent or more of the outstanding Shares.

The foregoing conditions are for the sole benefit of the Purchaser and may be asserted by the Purchaser or may be waived by the Purchaser in whole or in part at any time and from time to time prior to the Expiration Date in its sole exercise of reasonable discretion, and the Offer will remain open for a period of at least five business days following any such waiver of a material condition. However, if we waive a certain condition for one tendering Shareholder, we will waive that condition for all Shareholders tendering Shares. Any determination by the Purchaser concerning the events described above will be final and binding upon all parties, subject, of course, to the parties’ ability to seek review of any contested determination by an arbitrator pursuant to Section 16.

Section 14. Certain Legal Matters.

General. Except as set forth in this Section 14, the Purchaser is not aware of any filings, approvals or other actions by any domestic or foreign governmental or administrative agency that would be required prior to the acquisition of Shares by the Purchaser pursuant to the Offer. Should any such approval or other action be required, it is the Purchaser’s present intention that such additional approval or action would be sought. While there is no present intent to delay the purchase of Shares tendered pursuant to the Offer pending receipt of any such additional approval or the taking of any such action, there can be no assurance that any such additional approval or action, if needed, would be obtained without substantial conditions or that adverse consequences might not result to the Corporation’s business, or that certain parts of the Corporation’s business might not have to be disposed of or held separate or other substantial conditions complied with in order to obtain such approval or action, any of which could cause the Purchaser to elect to terminate the Offer without purchasing Shares thereunder. The Purchaser’s obligation to purchase and pay for Shares is subject to certain conditions, including conditions related to the legal matters discussed in this Section 14.

Antitrust. The Purchaser does not believe that the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, is applicable to the acquisition of Shares pursuant to the Offer.

Margin Requirements. The Shares are not “margin securities” under the regulations of the Board of Governors of the Federal Reserve System and, accordingly, such regulations are not applicable to the Offer.

State Takeover Laws. A number of states have adopted anti-takeover laws which purport, to varying degrees, to be applicable to attempts to acquire securities of corporations which are incorporated in such states or which have substantial assets, security holders, principal executive offices or principal places of business therein. The Purchaser is not seeking a controlling block of Shares or such a number of Shares as to fall within these state statutes and, therefore, do not believe that any anti-takeover laws apply to the transactions contemplated by the Offer.

Although the Purchaser has not attempted to comply with any state anti-takeover statutes in connection with the Offer, the Purchaser reserves the right to challenge the validity or applicability of any state law allegedly applicable to the Offer and nothing in this Offer or any action taken in connection herewith is intended as a waiver of such right. If any state anti-takeover statute is applicable to the Offer, the Purchaser might be unable to accept for payment or purchase Shares tendered pursuant to the Offer or be delayed in continuing or consummating the Offer. In such case, the Purchaser may not be obligated to accept for purchase or pay for any Shares tendered.

Section 15. Fees and Expenses. The Purchaser has retained Madison Liquidity Investors, LLC, an affiliate of the Purchaser, to act as Depositary in connection with the Offer. The Purchaser will pay the Depositary reasonable and customary compensation for its services in connection with the Offer, plus reimbursement for out-of-pocket expenses, and will indemnify the Depositary against certain liabilities and expenses in connection therewith, including liabilities under the federal securities laws. The Purchaser will also pay all costs and expenses of printing, publication and mailing of the Offer and all costs of transfer.

Section 16. Miscellaneous. THE OFFER IS NOT BEING MADE TO (NOR WILL TENDERS BE ACCEPTED FROM OR ON BEHALF OF) SHAREHOLDERS IN ANY JURISDICTION IN WHICH THE MAKING OF THE OFFER OR THE ACCEPTANCE THEREOF WOULD NOT BE IN COMPLIANCE WITH THE LAWS OF SUCH JURISDICTION. THE PURCHASERS ARE NOT AWARE OF ANY JURISDICTION WITHIN THE UNITED STATES IN WHICH THE MAKING OF THE OFFER OR THE ACCEPTANCE THEREOF WOULD BE ILLEGAL.

No person has been authorized to give any information or to make any representation on behalf of the Purchaser not contained herein or in the Letter of Transmittal and, if given or made, such information or representation must not be relied upon as having been authorized.

Further, by tendering your Shares, you are agreeing to arbitrate any disputes that may arise between you and the Purchaser or the Depository, to subject yourself to personal jurisdiction in New York, and that the prevailing party in any such action will be entitled to recover attorney fees and costs.

The undersigned hereby tenders to Madison Investment Trust Series 79 (the "Purchaser") all of the Shares of common stock ("Shares") in the Corporation held by the undersigned as set forth above (or, if less than all such Shares, the number set forth below in the signature box), at a purchase price equal to \$7.50 per Share, less the amount of any dividends made or declared with respect to the Shares between October 24, 2007 and the Expiration Date, and upon the other terms and subject to the conditions set forth in the Offer to Purchase, dated October 24, 2007 (the "Offer to Purchase") and in this Letter of Transmittal, as each may be supplemented or amended from time to time (which together constitute the "Offer"). Receipt of the Offer to Purchase is hereby acknowledged. The undersigned recognizes that, if more than 24,630,000 Shares are validly tendered prior to or on the Expiration Date and not properly withdrawn, the Purchaser will, upon the terms of the Offer, accept for payment from among those Shares tendered prior to or on the Expiration Date 24,630,000 Shares on a pro rata basis, with adjustments to avoid purchases of certain fractional Shares, based upon the number of Shares validly tendered prior to the Expiration Date and not withdrawn. Subject to and effective upon acceptance for payment of any of the Shares tendered hereby, the undersigned sells, assigns, and transfers to, Purchaser all right, title, and interest in and to such Shares which are purchased pursuant to the Offer. The undersigned hereby irrevocably constitutes and appoints the Purchaser as the true and lawful agent and attorney-in-fact and proxy of the undersigned with respect to such Shares, with full power of substitution (such power of attorney and proxy being deemed to be an irrevocable power and proxy coupled with an interest), to deliver such Shares and transfer ownership of such Shares, on the books of the Corporation, together with all accompanying evidences of transfer and authenticity, to the Purchaser and, upon acceptance of the tender of such Shares by the Purchaser, to exercise all voting rights and to receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares all in accordance with the terms of the Offer. Upon the purchase of Shares pursuant to the Offer, all prior proxies and consents given by the undersigned with respect to such Shares will be revoked and no subsequent proxies or consents may be given (and if given will not be deemed effective). In addition, by executing this Letter of Transmittal, the undersigned assigns to the Purchaser all of the undersigned's rights to receive dividends from the Corporation with respect to Shares which are purchased pursuant to the Offer, other than dividends declared or paid through the Expiration Date, and all proceeds that are paid on or after October 24, 2007 from or as a result of any claim, litigation, class or derivative action brought by or for the benefit of the shareholders with respect to the transferred Shares, regardless of when the claims brought pursuant to such action accrued. Upon request, the Seller will execute and deliver, and irrevocably directs any custodian to execute and deliver, any additional documents deemed by the Purchaser to be necessary or desirable to complete the assignment, transfer, and purchase of such Shares. The Purchaser reserves the right to transfer or assign to one or more of the Purchaser's affiliates, in whole or from time to time in part, the right to purchase all or any portion of the Shares tendered in the Offer, but any such transfer or assignment will not relieve the Purchaser of its obligations under the Offer or prejudice the rights of tendering stockholders to receive payment for Shares validly tendered and accepted for payment pursuant to the Offer.

The undersigned hereby represents and warrants that the undersigned owns the Shares tendered hereby and has full power and authority to validly tender, sell, assign, and transfer the Shares tendered hereby, and that when any such Shares are purchased by the Purchaser, the Purchaser will acquire good, marketable, and unencumbered title thereto, free and clear of all liens, restrictions, charges, encumbrances, conditional sales agreements, or other obligations relating to the sale or transfer thereof, and such Shares will not be subject to any adverse claim. Upon request, the undersigned will execute and deliver any additional documents deemed by the Purchaser to be necessary or desirable to complete the assignment, transfer, and purchase of Shares tendered hereby. The undersigned understands that a tender of Shares to the Purchaser will constitute a binding agreement between the undersigned and the Purchaser upon the terms and subject to the conditions of the Offer. The undersigned recognizes the right of the Purchaser to effect a change of dividend address to 6310 Lamar Ave, Suite 120, Overland Park, KS 66202. The undersigned recognizes that under certain circumstances set forth in the Offer to Purchase, the Purchaser may not be required to accept for payment any of the Shares tendered hereby. In such event, the undersigned understands that any Letter of Transmittal for Shares not accepted for payment will be destroyed by the Purchaser. All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and any obligations of the undersigned shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Except as stated in the Offer to Purchase, this tender is irrevocable.

Arbitration Agreement: The Purchaser and the undersigned agree that any dispute, claim, or controversy arising out of a purchase of Shares shall be resolved by submission to binding arbitration in New York, NY before the American Arbitration Association, and all parties agree to be subject to jurisdiction in New York. The arbitrator selected must follow applicable Federal securities laws and New York law. The arbitrator's decision will be final and binding upon the parties. A judgment upon any award may be entered in a court of competent jurisdiction. Each party shall be responsible for advancing one-half of the costs of arbitration; provided that the prevailing party shall be entitled to recover expenses including but not limited to attorney fees, arbitrator fees, and filing fees. Neither party is waiving any rights under the federal securities laws, rules, or regulations. All matters relating to this arbitration shall be governed by the Federal Arbitration Act (9 U.S.C. Sections 1 et seq.).

INSTRUCTIONS

Forming Part of the Terms and Conditions of the Offer

1. Tender, Signature Requirements; Delivery. After carefully reading and completing this Letter of Transmittal, in order to tender Shares a Shareholder must sign at the "X" on the bottom of the first page of this Letter of Transmittal and insert the Shareholder's correct Taxpayer Identification Number or Social Security Number ("TIN") in the space provided below the signature. The signature must correspond exactly with the name printed (or corrected) on the front of this Letter of Transmittal without any change whatsoever. If this Letter of Transmittal is signed by the registered Shareholder of the Shares, a Medallion signature guarantee on this Letter of Transmittal is required. Similarly, if Shares are tendered for the account of a member firm of a registered national security exchange, a member firm of the National Association of Securities Dealers, Inc. or a commercial bank, savings bank, credit union, savings and loan association, or trust company having an office, branch or agency in the United States (each an "Eligible Institution"), a Medallion signature guarantee is required. In all other cases, signatures on this Letter of Transmittal must be Medallion guaranteed by an eligible institution, by completing the signature guarantee set forth in BOX A of this Letter of Transmittal. If any tendered Shares are registered in the names of two or more joint holders, all such holders must sign this Letter of Transmittal. If this Letter of Transmittal is signed by trustees, administrators, guardians, attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and must submit proper evidence satisfactory to the Purchaser of its authority to so act. For Shares to be validly tendered, a properly completed and duly executed Letter of Transmittal, together with any required signature guarantees in BOX A, and any other documents required by this Letter of Transmittal, must be received by the Depository prior to or on the Expiration Date at its address or facsimile number set forth on the front of this Letter of Transmittal. No alternative, conditional or contingent tenders will be accepted. All tendering Shareholders by execution of this Letter of Transmittal waive any right to receive any notice of the acceptance of their tender.

2. Transfer Taxes. The Purchaser will pay or cause to be paid all transfer taxes, if any, payable in respect of Shares accepted for payment pursuant to the Offer.

3. U.S. Persons. A Shareholder who or which is a United States citizen or resident alien individual, a domestic corporation, a domestic partnership, a domestic trust, or a domestic estate (collectively "United States persons") as those terms are defined in the Internal Revenue Code and Income Tax Regulations, should complete the following:

Box B - Substitute Form W-9. In order to avoid 31% federal income tax backup withholding, the Shareholder must provide to the Purchaser the Shareholder's correct Taxpayer Identification Number or Social Security Number ("TIN") in the space provided below the signature line and certify, under penalties of perjury, that such Shareholder is not subject to such backup withholding. The TIN that must be provided is that of the registered Shareholder indicated on the front of this Letter of Transmittal. If a correct TIN is not provided, penalties may be imposed by the Internal Revenue Service ("IRS"), in addition to the Shareholder being subject to backup withholding. Certain Shareholders (including, among others, all corporations) are not subject to backup withholding. Backup withholding is not an additional tax. If withholding results in an overpayment of taxes, a refund may be obtained from the IRS.

Box C - FIRPTA Affidavit. To avoid potential withholding of tax pursuant to Section 1445 of the Internal Revenue Code, each Shareholder who or which is a United States Person (as defined Instruction 3 above) must certify, under penalties of perjury, the Shareholder's TIN and address, and that the Shareholder is not a foreign person. Tax withheld under Section 1445 of the Internal Revenue Code is not an additional tax. If withholding results in an overpayment of tax, a refund may be obtained from the IRS.

4. Foreign Persons. In order for a Shareholder who is a foreign person (i.e., not a United States Person as defined in 3 above) to qualify as exempt from 31% backup withholding, such foreign Shareholder must certify, under penalties of perjury, the statement in BOX D of this Letter of Transmittal attesting to that foreign person's status by checking the box preceding such statement. However, such person will be subject to withholding of tax under Section 1445 of the Code.

5. Additional Copies of Offer to Purchase and Letter of Transmittal. Requests for assistance or additional copies of the Offer to Purchase and this Letter of Transmittal may be obtained from the Purchaser by calling (800) 896-8913.

RE: Opportunity to Sell Your Piedmont Office Realty Trust, Inc. (formerly Wells Real Estate Investment Trust, Inc.) Shares for Cash

Dear Fellow Investor:

Since 1996, Madison Liquidity Investors, LLC and its affiliates have provided a dependable liquidity solution for more than 60,000 individuals and companies. Today, the firm is a recognized leader in the direct acquisition of illiquid financial assets.

Madison Liquidity Investors, LLC through its affiliate, Madison Investment Trust Series 79 (the "Purchaser"), is offering to purchase your Shares in Piedmont Office Realty Trust, Inc. (the "Corporation") for:

\$7.50 per Share in cash

The purchase price will be reduced by any distributions made on or after October 24, 2007. If you wish to find out more about this offer please call us toll-free at 1(800) 896-8913. The Purchaser is seeking a maximum of 5.0% of the outstanding Shares pursuant to this Offer. If Shareholders offer us more, we will prorate our purchase ratably to all sellers, unless you indicate that you want to sell "All or None" of your Shares, in which case your Shares will only be purchased if we can purchase all the Shares you tender.

Why should you consider selling your Shares?

- The ability to liquidate your holdings for cash and avoid waiting for a liquidation date that could extend past the current required liquidation date of January 30, 2008. The Corporation is seeking shareholder approval to extend its required liquidation date to July 30, 2009, with an additional option that would allow the Board of Directors to further extend the liquidation date to January 30, 2011.
- The elimination of uncertainty regarding the liquidation value of the shares. The Corporation has stated the following about the current market conditions for the shares, "*In late July, the credit markets continued to deteriorate, and we observed a steep decline in valuations of public REIT stocks. During the week of July 23, 2007, the MSCI US REIT Index dropped 8.9%, bringing the decline in the MSCI US REIT Index in the period from Internalization on April 16, 2007 to August 3, 2007 to 19.1%.*" The Corporation cites the decline in value of publicly traded REIT shares as a reason not to pursue a public listing of the shares in the near future. There is no guarantee that public REIT share prices will recoup their lost value, and furthermore, REITs may continue to be pressured if the broader market conditions cited above worsen and/or conditions within the real estate environment deteriorate further.
- The ability to liquidate your holdings during a suspension of the Corporation's Share Redemption Program. Effective April 20, 2007, the Corporation suspended the Share Redemption Program. The Corporation has not cited a specific reason for the suspension. The Corporation has stated that it intends to reinstate the program during the 4th quarter of 2007. It repeated this contention in its recent Proxy Statement on Schedule 14A filed October 16, 2007. Historically the Corporation has redeemed shares at \$8.38 per share subject to a maximum amount of shares that can be redeemed each year.
- Madison does not charge any broker fees or commissions and will cover all transfer fees associated with this offer. (If your broker or other nominee tenders on your behalf, it may charge a fee or commission for that service.)

What do you need to do if you want to sell your Shares to Madison?

1. **Read and review the enclosed Offer carefully for it contains important information regarding the Offer, the Corporation and the Purchaser.**
2. Complete the enclosed Letter of Transmittal (if not otherwise indicated, please note the number of Shares you wish to sell in the signature area of the Letter of Transmittal), and have it **Medallion Signature Guaranteed** (this can be done by your broker or bank).
3. Complete the enclosed Transfer Forms required by the Corporation's transfer agent, and have them **Medallion Signature Guaranteed** (this can be done by your broker or bank). These forms are required by the Corporation and its transfer agent to effectuate a transfer. Including these forms as required transfer paperwork in no way should suggest that the Corporation is endorsing this offer.
4. Return the completed Letter of Transmittal and Transfer Forms to us in the enclosed pre-paid envelope.
5. Once we receive confirmation that the transfer of Shares has been effectuated to the Purchaser, you will receive payment promptly.

If you have questions or need help completing the documentation, please call us toll-free at 1(800) 896-8913. Our specialists are available to answer any questions and assist you in the process.

This Offer Will Expire (unless extended) at 11:59 p.m. Pacific Time on December 5, 2007. Thank you for considering our offer. We look forward to serving you.

Sincerely,

Madison Liquidity Investors, LLC

Exhibit (a)(4)

This announcement is neither an offer to buy nor a solicitation of an offer to sell Shares. The Offer is being made solely by the formal Offer to Purchase forwarded to Shareholders of record and is not being made to, and tenders will not be accepted from or on behalf of, Shareholders residing in any jurisdiction in which making or accepting the Offer would violate that jurisdiction's laws.

NOTICE OF OFFER TO PURCHASE FOR CASH:

Up to 24,630,000 Shares of common stock of
Piedmont Office Realty Trust, Inc. (the "Corporation") at a price of
\$7.50 per Share
by:
Madison Investment Trust Series 79 (the "Purchaser")

The Purchaser is offering to purchase for cash up to 24,630,000 shares of common stock ("Shares") of the Corporation, at a price of \$7.50 per Share upon the terms and subject to the conditions set forth in Purchaser's Offer to Purchase and in the related Letter of Transmittal for the offer (which together constitute the "Offer" and the "Tender Offer Documents").

THE OFFERS AND WITHDRAWAL RIGHTS EXPIRE AT 11:59 P.M., PACIFIC TIME, ON December 5, 2007, UNLESS AN OFFER IS EXTENDED.

Funding for the purchase of the Shares will be provided through the Purchaser's existing working capital and binding capital commitments from its members. The Offer is not made for the purpose of acquiring or influencing control of the business of the issuer. The Offer will expire at 11:59 p.m., Pacific Time on December 5, 2007, unless and until Purchaser, in its sole discretion, shall have extended the period of time for which the Offer is open (such date and time, as extended the "Expiration Date"). The Purchaser will not provide a subsequent offering period following the Expiration Date. If Purchaser makes a material change in the terms of the Offer, or if it waives a material condition to the Offer, Purchaser will extend the Offer and disseminate additional tender offer materials to the extent required by Rules 14d-4(c) and 14d-6(d) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The minimum period during which the Offer must remain open following any material change in the terms of the Offer, other than a change in price or a change in percentage of securities sought or a change in any dealer's soliciting fee, will depend upon the facts and circumstances including the materiality of the change with respect to a change in price or, subject to certain limitations, a change in the percentage of securities sought or a change in any dealer's soliciting fee. A minimum of ten business days from the date of such change is generally required to allow for adequate dissemination to Shareholders. Accordingly, if prior to the Expiration Date, Purchaser increases (other than increases of not more than two percent of the outstanding Shares) or decrease the number of Shares being sought, or increase or decrease the consideration offered pursuant to the Offer, and if the Offer is scheduled to expire at any time earlier than the period ending on the tenth business day from the date that notice of such increase or decrease is first published, sent or given to Shareholders, the Offer will be extended at least until the expiration of such ten business days. For purposes of the Offer, a "business day" means any day other than a Saturday, Sunday or federal holiday and consists of the time period from 12:01 a.m. through midnight, Pacific Time. In all cases payment for the Shares purchased pursuant to the Offer will be made only after timely receipt of the Letters of Transmittal (or facsimiles thereof), properly completed and duly executed, with any required signature guarantees, and any other documents required by such Letters of Transmittal.

Tenders of Shares made pursuant to the Offer are irrevocable, except that Shareholders who tender their Shares in response to the Offer will have the right to withdraw their tendered Shares at any time prior to the Expiration Date by sending to Madison Liquidity Investors, LLC a written or facsimile transmission notice of withdrawal identifying the name of the person who tendered Shares to be withdrawn, signed by the same persons and in the same manner as the Letter of Transmittal tendering the Shares to be withdrawn. In addition, tendered Shares may be withdrawn at any time on or after December 23, 2007, unless the tender has theretofore been accepted for payment as provided above. If tendering Shareholders tender more than the number of Shares that Purchasers seek to purchase pursuant to the Offer for those Shares, Purchasers will take into account the number of Shares so tendered and take up and pay for as nearly as may be pro rata, disregarding fractions, according to the number of Shares tendered by each tendering Shareholder during the period during which that Offer remains open. The terms of the Offer are more fully set forth in the formal Tender Offer Documents which are available from Purchasers at the Purchasers' expense. The Offer contains terms and conditions and the information required by Rule 14d-6(d)(1) under the Exchange Act which are incorporated herein by reference. The Tender Offer Documents contain important information which should be read carefully before any decision is made with respect to the Offer.

The Tender Offer Documents may be obtained by written request to Purchaser or as set forth below. A request has been made to the Corporation pursuant to Rule 14d-5 under the Exchange Act for the use of its list of Shareholders for the purpose of disseminating the Offer to Shareholders. Upon compliance by the Corporation with such request, the Tender Offer Documents and, if required, other relevant materials will be mailed at the Purchaser's expense to record holders of Shares, brokers, banks and similar persons whose names appear or whose nominee appears on the list of securities holders, or persons who are listed as participants in a clearing agency's security position listing, for subsequent transmittal to beneficial owners of Shares.

For Copies of the Tender Offer Documents, call the Purchaser at 1(800) 896-8913, make a written request addressed to 6310 Lamar Ave, Suite 120, Overland Park, KS 66202, or visit our website at www.madisonliquidity.com.

The Transferee hereby represents and warrants to the Company as follows:

1. Transferee has received and reviewed a copy of the Company's Prospectus dated July 26, 2002, as supplemented (the "Prospectus"), and hereby acknowledges that the Company's annual reports on Form 10-K and quarterly reports on Form 10-Q are available at www.sec.gov.
2. Transferee has (a) a net worth (exclusive of home, home furnishings and automobiles) of \$150,000 or more; or (b) a net worth (as described above) of at least \$45,000 and had during the last tax year or estimate that Transferee will have during the current tax year a minimum of \$45,000 annual gross income; or (c) that Transferee meets the higher suitability requirements imposed by Transferee's state of primary residence as set forth in the Prospectus under "Suitability Standards" and that Transferee otherwise meets the applicable standards set forth in the Prospectus as they pertain to the state of Transferee's primary residence.

Transferee either complies with the applicable suitability standards directly, is purchasing in a fiduciary capacity for a Person meeting such standards, or is purchasing with funds directly or indirectly supplied by a donor who meets such standards.

3. Transferee understands that the assignability and transferability of the Shares will be governed by the articles of incorporation of the Company and all applicable laws as described in the Prospectus, and Transferee has adequate means of providing for his current needs and personal contingencies and has no need for liquidity in this investment.
4. Transferee has not acquired the Shares in violation of the Company's transfer restrictions that prevent a transferee from acquiring any Shares that would cause the transferee to own, directly or indirectly, either: (a) in excess of 9.8% of the Company's outstanding common stock; or (b) a number of Shares that would cause 50% or more of the Company's outstanding common stock to be held by five or fewer persons.
5. Transferor and Transferee understand that (a) no transfer or assignment may be made of a fractional Share and no transfer or assignment may be made if, as a result of such transfer, the Transferor (other than one transferring all of his Shares) or the Transferee will own fewer than the minimum number of Shares required to be purchased under the "Suitability Standards" section on page 28 of the Prospectus, unless such transfer is made on behalf of a Retirement Plan, or such transfer is made by gift, inheritance, intra-family transfer, family dissolution, or to Affiliates; (b) if the Transferee is a California resident or the Person to whom Transferee subsequently proposes

to assign or transfer any Shares is a California resident, Transferee may not consummate a sale or transfer of his Shares, or any interest therein, or receive any consideration therefore, without the prior written consent of the Commissioner of corporations of the State of California, except as permitted in the Commissioner's Rules, and Transferee understands that his Shares, or any document evidencing his Shares, will bear a legend reflecting the substance of the foregoing understanding; and (c) if Transferee's acquisition of Shares would cause Transferee's total investment in the Company to exceed 5% of the total outstanding Shares of the Company, then Transferee will be required to make certain filings with the Securities and Exchange Commission pursuant to Section 13(d) of the Securities Exchange Act of 1934 (the "Exchange Act").

6. Transferee understands that the Shares are subject to transfer restrictions that prevent any future transferee from acquiring any Shares that would cause such future transferee to own, directly or indirectly, either: (a) in excess of 9.8% of the Company's outstanding common stock; or (b) a number of Shares that would cause 50% or more of the Company's outstanding common stock to be held by five or fewer persons.
7. Transferee has reached the age of majority in his state of residence and is experienced in real estate investment and business matters.
8. Transferee is buying the Shares for his own account or for the account or benefit of a member or members of his immediate family or in a fiduciary capacity for the account of another Person or entity and not as an agent for another.
9. Transferee is aware that there is no current public trading market for the Shares, and accordingly, it may not be possible for him to readily liquidate his investment in the Company.
10. If Transferee is acting in a representative capacity for a corporation, partnership, trust, or other entity, or as agent for any person or entity, Transferee has full authority to execute this Transfer and Assignment in such capacity.
11. If Transferee is purchasing the Shares transferred hereby in a fiduciary capacity, the representations and warranties shall be deemed to have been made on behalf of the person or persons for whom Transferee is so purchasing.
12. Transferor hereby represents and warrants to Transferee that any deferred commission obligation or other lien or encumbrance that the Shares are subject to has been fully disclosed to Transferee.
13. Transferor hereby constitutes and appoints Leo F. Wells, III, President of the Company, as Transferor's attorney in fact to transfer the said Shares on the books of the Company to Transferee with full power of substitution. The foregoing grant of authority (a) is a special power of attorney and coupled with an interest, and (b) is irrevocable and shall survive Transferee's death, dissolution or disability.
14. Transferee understands the meaning and legal consequences of the representations and warranties set forth above, and Transferee agrees to indemnify and hold harmless the Company from and against any and all loss, damage, claim, expense or liability (including, without limitation, court costs and attorneys fees and expenses) due to, or arising out of, a breach of representation or warranty of Transferee contained in this Transfer and Assignment. Notwithstanding any of the representations, warranties, acknowledgments or agreements made herein by Transferee, Transferee does not thereby or in any other manner waive any rights granted to him under federal or state securities law.

-
15. Under penalties of perjury, Transferee certifies (a) that the number shown on this Transfer and Assignment is his correct taxpayer identification number and (b) that Transferee is not subject to backup withholding either because he has not been notified that he is subject to backup withholding as a result of a failure to report all interest or dividends, or because the Internal Revenue Service has notified Transferee that he is no longer subject to backup withholding under Section 3406(a)(1)(C).
 16. In the case of purchases of Shares by fiduciary accounts (except in California), the above representations and warranties shall be deemed to have been made by the fiduciary account or by the person who directly or indirectly supplies the funds for the purchase of Shares. In the case of purchases of Shares by fiduciary accounts in California, the above representations and warranties shall be deemed to have been made by the beneficiary of the account or, in those instances where the fiduciary directly or indirectly supplies the funds for the purchase of Shares, by the fiduciary. In addition, if the undersigned Transferee is a partnership, trustee, custodian or joint owner, the undersigned Transferee acknowledges that the aforesaid net worth and income standards apply in the manner set forth in the "Suitability Standards" section of the Prospectus.
