WELLS REAL ESTATE INVESTMENT TRUST, INC. AND SUBSIDIARIES

(A Georgia Public Limited Partnership)

CONDENSED NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 1999

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) General

Wells Real Estate Investment Trust, Inc. (the "Company") is a Maryland corporation formed on July 3, 1997. The Company is the sole general partner of Wells Operating Partnership, L.P. ("Wells OP"), a Delaware limited partnership organized for the purpose of acquiring, developing, owning, operating, improving, leasing, and otherwise managing for investment purposes income-producing commercial properties on behalf of the Company.

On January 30, 1998, the Company commenced a public offering of up to 16,500,000 shares of common stock (\$10 per share) pursuant to a registration statement on Form S-11 filed under the Securities Act of 1933. The Company commenced active operations on June 5, 1998, when it received and accepted subscriptions for 125,000 shares. As of September 30, 1999, the Company had sold 10,846,930 shares for total capital contributions of \$108,469,304. After payment of \$3,796,391 in acquisition and advisory fees and acquisition expenses, payment of \$13,558,538 in selling commissions and organization and offering expenses, and investment by Wells OP of \$89,919,734 in property acquisitions, as of September 30, 1999, the Company was holding net offering proceeds of \$1,194,641 available for investment in properties.

Wells OP owns interests in properties both directly and through equity ownership in the following joint ventures: (i) the Fund IX-X-XI-REIT Joint Venture, a joint venture among Wells OP and Wells Real Estate Fund IX, L.P., Wells Real Estate Fund X, L.P., and Wells Real Estate Fund XI, L.P. (the "Fund IX-X-XI-REIT Joint Venture"), (ii) Wells/Fremont Associates (the "Fremont Joint Venture"), a joint venture between Wells OP and Fund X and Fund XI Associates, which is a joint venture between Wells Real Estate Fund X, L.P. and Wells Real Estate Fund XI, L.P. (the "Fund X-XI Joint Venture"), (iii) Wells/Orange County Associates (the "Cort Joint Venture"), a joint venture between Wells OP and the Fund X-XI Joint Venture, and (iv) the Fund XI-XII-REIT Joint Venture, a joint venture among Wells OP, Wells Real Estate Fund XI, L.P., and Wells Real Estate Fund XII, L.P. (the "Fund XI-XII-REIT Joint Venture").

As of September 30, 1999, Wells OP owned interests in the following properties: (i) a three story office building in Knoxville, Tennessee (the "ABB Building"), (ii) a two-story office building in Louisville, Colorado (the "Ohmeda Building"), (iii) a three-story office building in Broomfield, Colorado (the "360 Interlocken Building"), (iv) a one-story office building in Oklahoma City, Oklahoma (the "Lucent Technologies Building"), (v) a one-story warehouse and office building in Ogden, Utah (the "Iomega Building"), all five of which

-7-

are owned by the Fund IX-X-XI-REIT Joint Venture, (vi) a two-story warehouse and office building in Fremont, California (the "Fairchild Building"), which is owned by the Fremont Joint Venture, (vii) a one-story warehouse and office building in Fountain Valley, California (the "Cort Building"), which is owned by the Cort Joint Venture, (viii) a four-story office building in Tampa, Florida (the "PWC Building"), (ix) a four-story office building in Harrisburg, Pennsylvania (the "AT&T Building"), which are owned directly by Wells OP, (x) a two-story manufacturing and office building located in Fountain Inn, South Carolina (the "EYBL CarTex Building"), (xi) a three-story office building located in Leawood, Kansas (the "Sprint Building"), (xii) a one-story office building and warehouse in Tredyffrin Township, Pennsylvania (the "Johnson Matthey Building"), (xiii) a two-story office building in Ft. Meyers, Florida (the "Gartner Building"), all four of which are owned by Fund XI-XII-REIT Joint Venture, (xiv) a two-story office building under construction located in Lake Forest, California (the "Matsushita Project"), (xv) a four-story office building under construction in Richmond, Virginia (the "ABB Building"), and (xvi) a two-story office building and warehouse in Wood Dale, Illinois (the "Videojet Building"), all three of which are owned directly by Wells OP.

(b) Employees

The Company has no direct employees. The employees of Wells Capital, Inc., the Company's Advisor (the "Advisor"), perform a full range of real estate services including leasing and property management, accounting, asset management, and investor relations for the Company.

(c) Insurance

Wells Management Company, Inc., an affiliate of the Company and the Advisor,

carries comprehensive liability and extended coverage with respect to all the properties owned directly or indirectly by the Company. In the opinion of management, the properties are adequately insured.

(d) Competition

The Company will experience competition for tenants from owners and managers of competing projects which may include its affiliates. As a result, the Company may be required to provide free rent, reduced charges for tenant improvements, and other inducements, all of which may have an adverse impact on results of operations. At the time the Company elects to dispose of its properties, the Company will also be in competition with sellers of similar properties to locate suitable purchasers for its properties.

(e) Basis of Presentation

Substantially all of the Company's business will be conducted through Wells OP. At December 31, 1997, Wells OP had issued 20,000 limited partner units to Wells Capital Inc., the Advisor, in exchange for a capital contribution of \$200,000. The Company is the sole general partner in Wells OP and possesses full legal control and authority over the operations of Wells OP; consequently, the accompanying consolidated balance sheets of the Company include the amounts of the Company and Wells OP.

-8-

The consolidated financial statements of the Company have been prepared in accordance with instructions to Form 10-Q and do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. These quarterly statements have not been examined by independent accountants, but in the opinion of the board of directors, the statements for the unaudited interim periods presented include all adjustments, which are of a normal and recurring nature, necessary to present a fair presentation of the results for such periods. For further information, refer to the financial statements and footnotes included in the Company's Form 10-K for the year ended December 31, 1998.

(f) Distribution Policy

The Company is required to make distributions each taxable year (not including a return of capital for federal income tax purposes) equal to at least 95% of its real estate investment trust taxable income. The Company intends to make regular quarterly dividend distributions to holders of the shares. Distributions will be made to those shareholders who are shareholders as of the record dates selected by the directors. Distributions will be paid on a quarterly basis.

(g) Income Taxes

The Company has made an election under Section 856(c) of the Internal Revenue Code of 1986, as amended (the "Code"), to be taxed as a real estate investment trust ("REIT") under the Code beginning with its taxable year ended December 31, 1998. As a REIT for federal income tax purposes, the Company generally will not be subject to federal income tax on income that it distributes to its shareholders. If the Company fails to qualify as a REIT in any taxable year, it will then be subject to federal income tax on its taxable income at regular corporate rates and will not be permitted to qualify for treatment as a REIT for federal income tax purposes for four years following the year during which qualification is lost. Such an event could materially adversely affect the Company's net income and net cash available to distribute to shareholders. However, the Company believes that it is organized and operates in such a manner as to qualify for treatment as a REIT and intends to continue to operate in the foreseeable future in such a manner so that the Company will remain qualified as a REIT for federal income tax purposes.

(h) Statements of Cash Flows

For the purpose of the statements of cash flows, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents include cash and short-term investments.

2. INVESTMENTS IN JOINT VENTURES

The Company owns interests in 14 office buildings and 2 office buildings under construction through its ownership in Wells OP which owns properties directly or through its interest in four joint ventures. The Company does not have control over the operations of these joint ventures; however, it does exercise significant influence. Accordingly, investments in joint ventures are recorded using the equity method.

-9-

The following describes additional information about the properties in which the Company owns interests as of September 30, 1999:

The Sprint Building

On July 2, 1999, the Fund XI-XII-REIT Joint Venture acquired a three-story office building with approximately 68,900 rentable square feet on a 7.12-acre tract of land located in Leawood, Johnson County, Kansas (the "Sprint Building") from Bridge Information Systems America, Inc.

The purchase price for the Sprint Building was \$9,500,000. The Fund XI-XII-REIT Joint Venture also incurred additional acquisition expenses in connection with the purchase of the Sprint Building, including attorneys' fees, recording fees, and other closing costs, of approximately \$46,210.

The entire 68,900 rentable square feet of the Sprint Building are currently under a net lease agreement with Sprint Communications, Inc. ("Sprint") dated February 14, 1997 (the "Lease"). The landlord's interest in the Lease was assigned to the Fund XI-XII-REIT Joint Venture at the closing.

The initial term of the Lease is ten years which commenced on May 19, 1997 and expires on May 18, 2007. Sprint has the right to extend the Lease for two additional five-year periods of time.

The monthly base rent payable under the Lease is \$83,254.17 (\$14.50 per square foot) through May 18, 2002 and \$91,866.67 (\$16 per square foot) for the remainder of the lease term. The monthly base rent payable for each extended term of the Lease will be equal to 95% of the then "current market rate" which is calculated as a full-service rental rate less anticipated annual operating expenses on a rentable square foot basis charged for space of comparable location, size, and conditions in comparable office buildings in the suburban south Kansas City, Missouri, and south Johnson County, Kansas, areas.

Under the Lease, Sprint is required to pay as additional rent all real estate taxes, special assessments, utilities, taxes, insurance, and other operating costs with respect to the Sprint Building during the term of the Lease. In addition, Sprint is responsible for all routine maintenance and repairs including the interior mechanical and electrical systems, the HVAC system, the parking lot, and the landscaping to the Sprint Building. The Fund XI-XII-REIT Joint Venture, as landlord, is responsible for repair and replacement of the exterior, roof, foundation, and structure.

The Lease contains a termination option which may be exercised by Sprint effective as of May 18, 2004 provided that Sprint has not exercised either expansion option, as described below. Sprint must provide notice

to the Fund XI-XII-REIT Joint Venture of its intent to exercise its termination option on or before August 21, 2003. If Sprint exercises its termination option, it will be required to pay the Fund XI-XII-REIT Joint Venture a termination payment equal to \$6.53 per square foot, or \$450,199.

-10-

Sprint also has an expansion option for an additional 20,000 square feet of office space which may be exercised in two expansion phases. Sprint's expansion rights involve building on unfinished ground-level space that is currently used as covered parking within the existing building footprint and shell. At each exercise of an expansion option, the remaining lease term will be extended to be a minimum of an additional five years from the date of the completion of such expansion space.

For additional information regarding the Sprint Building, refer to the Form 8-K of Wells Real Estate Investment Trust, Inc. dated July 2, 1999, which was filed with the Commission on July 16, 1999 (Commission File No. 0-25739).

The Johnson Matthey Building

On August 17, 1999, the Fund XI-XII-REIT Joint Venture acquired a research and development office and warehouse building located in Chester County, Pennsylvania, from Alliance Commercial Properties Ltd.

Wells Capital, Inc., as original purchaser under the agreement, assigned its rights under the agreement to the Fund XI-XII-REIT Joint Venture at closing. The purchase price paid for the Johnson Matthey Building was \$8,000,000. The Fund XI-XII-REIT Joint Venture also incurred additional acquisition expenses in connection with the purchase of the Johnson Matthey Building, including attorneys' fees, recording fees, and other closing costs, of approximately \$50,000.

The Johnson Matthey Building is a 130,000 square-foot research and development office and warehouse building that was first constructed in 1973 as a multitenant facility. It was subsequently converted into a single-tenant facility in 1998. The site consists of a ten-acre tract of land located at 434-436 Devon Park Drive in the Tredyffrin Township, Chester County, Pennsylvania.

The entire 130,000 rentable square feet of the Johnson Matthey Building are currently leased to Johnson Matthey. The Johnson Matthey lease was assigned to the Fund XI-XII-REIT Joint Venture at the closing with the result that the joint venture is now the landlord under the lease. The annual base rent payable under the Johnson Matthey lease for the remainder of the lease term is as follows: year three-\$789,750, year four-\$809,250, year five-\$828,750, year six-\$854,750, year seven-\$874,250, year eight-\$897,000, year nine-\$916,500, and year ten-\$939,250.

The current lease term expires in June 2007. Johnson Matthey has the right to extend the lease for two additional three-year periods of time.

Under the lease, Johnson Matthey is required to pay as additional rent all real estate taxes, special assessments, utilities, taxes, insurance, and other operating costs with respect to the Johnson Matthey Building during the term of the lease. In addition, Johnson Matthey is responsible for all routine maintenance and repairs to the Johnson Matthey Building. The Fund XI-XII-REIT Joint Venture, as landlord, is responsible for maintenance of the footings and foundations and the structural steel columns and girders associated with the building.

Johnson Matthey has a right of first refusal to purchase the Johnson Matthey Building in the event that the Fund XI-XII REIT Joint Venture

desires to sell the

-11-

building to an unrelated third party. The joint venture must give Johnson Matthey written notice of its intent to sell the Johnson Matthey Building, and Johnson Matthey will have ten days from the date of such notice to provide written notice of its intent to purchase the building. If Johnson Matthey exercises its right of first refusal, it must purchase the Johnson Matthey Building on the same terms contained in the offer.

For additional information regarding the Johnson Matthey Building, refer to Supplement No. 10 dated October 10, 1999, to the Prospectus of Wells Real Estate Investment Trust, Inc. dated January 30, 1998, contained in Post-Effective Amendment No. 7 to Form S-11 Registration Statement of Wells Real Estate Investment Trust, Inc., which was filed with the Commission on October 14, 1999 (Commission File No. 333-32099).

The Videojet Building

On September 10, 1999, Wells OP acquired an office, assembly, and manufacturing building containing approximately 250,354 rentable square feet on a 15.3-acre tract of land located in Wood Dale, DuPage County, Illinois. Wells OP acquired the Videojet Building from Sun-Pla, a California limited partnership, pursuant to the agreement of purchase and sale (the "Contract"). The rights under the Contract were assigned by Wells Capital, Inc., the original purchaser under the Contract, to Wells OP at closing. The purchase price for the Videojet Building was \$32,630,940. In addition, Wells OP paid brokerage commissions of \$500,000 at closing. Wells OP incurred acquisition expenses in connection with the purchase of the Videojet Building, including attorneys' fees, appraisers' fees, environmental consultants' fees, and other closing costs, of approximately \$27,925.

The Videojet Building is a two-story corporate headquarters facility with 128,247 square feet of office space and 122,107 square feet of assembly and distribution space. The Videojet Building was completed in 1991 and is located at 1500 Mittel Boulevard in the Chancellory Business Park in Wood Dale, Illinois. The site is a 15.3-acre tract of land that is adjacent to the western entrance to O'Hare International Airport.

The entire 250,354 rentable square feet of the Videojet Building are currently under a net lease agreement with Videojet dated May 31, 1991 (the "Videojet Lease"). The landlord's interest in the Videojet Lease was assigned to Wells OP at the closing. The initial term of the Videojet Lease is 20 years which commenced in November 1991 and expires in November 2011. Videojet has the right to extend the Videojet Lease for one additional five-year period of time. The extension option must be exercised by giving notice to the landlord at least 365 days prior to the expiration date of the current lease term.

The base rent payable for the remainder of the Videojet Lease term is as follows:

Lease Year -----	Yearly Base Rent -----	Monthly Base Rent -----
2000-2001	\$2,838,952	\$236,579.33
2002-2011	3,376,746	281,395.50
Extension Term	4,667,439	388,953.25

Under its lease, Videojet is responsible for repairs and maintenance of the roof, walls, structure and foundation landscaping, and the heating, ventilating, air conditioning, mechanical, electrical, plumbing, and other systems, and all other operating costs, including, but not limited to, real estate taxes, special assessments, utilities, and insurance.

For additional information regarding the Videojet Building, refer to the Form 8-K of Wells Real Estate Investment Trust, Inc. dated September 10, 1999, which was filed with the Commission on September 24, 1999 (Commission File No. 0-25739).

The Gartner Building

On September 20, 1999, the Fund XI-XII-REIT Joint Venture acquired a two-story office building with approximately 62,400 rentable square feet on a 4.9-acre tract of land located at 12600 Gateway Boulevard in Fort Myers, Lee County, Florida, from Hogan Triad Ft. Myers I, Ltd., a Florida limited partnership.

The rights under the contract were assigned by Wells Capital, Inc, the original purchaser under the contract, to the Fund XI-XII-REIT Joint Venture at closing. The purchase price for the Gartner Building was \$8,320,000. The Fund XI-XII-REIT Joint Venture also incurred additional acquisition expenses in connection with the purchase of the Gartner Building, including attorneys' fees, recording fees, and other closing costs, of approximately \$27,600.

The entire 62,400 rentable square feet of the Gartner Building are currently under a net lease agreement with Gartner dated July 30, 1997 (the "Gartner Lease"). The landlord's interest in the Gartner Lease was assigned to the Fund XI-XII-REIT Joint Venture at the closing.

The initial term of the Gartner Lease is ten years which commenced on February 1, 1998 and expires on January 31, 2008. Gartner has the right to extend the Gartner Lease for two additional five-year periods of time. The yearly base rent payable for the remainder of the Gartner Lease term is \$642,798 through January 2000, \$790,642 through January 2001, and thereafter will increase by 2.5% through the remainder of the Gartner Lease.

Under the Gartner Lease, Gartner is required to pay as additional rent all real estate taxes, special assessments, utilities, taxes, insurance, and other operating costs with respect to the Gartner Building during the term of the Gartner Lease. In addition, Gartner is responsible for all routine maintenance and repairs to the Gartner Building. The Fund XI-XII-REIT Joint Venture, as landlord, is responsible for repairs and replacement of the roof, structures, and paved parking areas.

Gartner also has two expansion options for additional buildings under the Gartner Lease. The two option plans are described in the Gartner Lease as the "Small Option Building" and the "Large Option Building."

The "Small Option Building" expansion option allows Gartner the ability to expand into a separate, free-standing facility on the property containing between 30,000 and 32,000 rentable square feet to be constructed by the Fund XI-XII-REIT Joint

Venture. Gartner may exercise its expansion right for the "Small Option Building" by providing notice in writing to the Fund XI-XII-REIT Joint Venture on or before February 15, 2002.

The "Large Option Building" expansion option allows Gartner the ability

to expand into a separate, free-standing facility on the property containing between 60,000 and 75,000 rentable square feet to be constructed by the Fund XI-XII-REIT Joint Venture. Gartner may exercise its expansion right for the "Small Option Building" by providing notice in writing to the Fund XI-XII-REIT Joint Venture on or before February 15, 2002.

For additional information regarding the Gartner Building, refer to the Form 8-K of Wells Real Estate Investment Trust, Inc. dated September 20, 1999, which was filed with the Commission on October 5, 1999 (Commission File No. 0-25739).

3. DEFERRED PROJECT COSTS

The Company pays acquisition and advisory fees and acquisition expenses to Wells Capital, Inc., the Advisor, for acquisition and advisory services and as reimbursement for acquisition expenses. These payments may not exceed 3 1/2% of shareholders' capital contributions. Acquisition and advisory fees and acquisition expenses paid as of September 30, 1999 amounted to \$3,796,391 and represented approximately 3 1/2% of shareholders' capital contributions received. These fees are allocated to specific properties as they are purchased.

4. DEFERRED OFFERING COSTS

The Advisor pays all the offering expenses for the Company. The Advisor may be reimbursed by the Company to the extent that such offering expenses do not exceed 3% of shareholders' capital contributions. As of September 30, 1999, the Company had reimbursed the Advisor for \$3,254,048 in offering expenses, which amounted to approximately 3% of shareholders' capital contributions.

5. DUE TO AFFILIATES

Due to Affiliates consists of acquisition and advisory fees, deferred offering costs, and other operating expenses paid by the Advisor on behalf of the Company.

6. NOTES PAYABLE

Wells OP obtained a loan in the amount of \$6,450,000 from Bank of America, N.A. (the "Bank of America"), formerly known as NationsBank, N.A., on February 4, 1999 with an outstanding balance of \$203,504 at September 30, 1999. The Bank of America loan matures on January 4, 2002. The interest rate on the Bank of America loan is a fixed rate equal to the rate appearing on Telerate Page 3750 as the London InterBank Offered Rate plus 200 basis points over a six-month period. The interest rate is fixed for the initial six months of the loan at 7% per annum. Wells OP is required to make quarterly installments of

-14-

principal in an amount to one-ninth of the outstanding principal balance as of October 1, 1999. The Bank of America loan is secured by a first mortgage against the AT&T Building.

Wells OP also obtained a revolving credit facility loan in the amount of \$15,500,000 on December 31, 1998 from SouthTrust Bank with an outstanding balance of \$11,500,000 at September 30, 1999. The SouthTrust Loan matures on December 31, 2000. The interest rate on the SouthTrust Loan is a variable rate per annum equal to the London InterBank Offered Rate for a 30-day period, plus 185 basis points. The SouthTrust Loan is secured by a first mortgage against the PWC Building.

Wells OP obtained a construction loan dated May 10, 1999 from Bank of America, N.A., formerly known as NationsBank, N.A., with a maximum principal amount of \$15,375,000, the proceeds of the loan are being used to

fund the development and construction of the Matsushita Project (the "Matsushita Loan"). At September 30, 1999, the balance on the Matsushita Loan was \$5,222,553. The Matsushita Loan will mature 24 months from the date of the loan closing. The interest rate on the Matsushita Loan will be a variable rate equal to either (1) the Bank of America "prime rate" or (2) at the option of Wells OP, the rate per annum appearing on Telerate Page 3750 as the London InterBank Offered Rate for a 30-day period, plus 200 basis points. Wells OP will make monthly installments of interest, and commencing one year after the date of the loan closing, Wells OP will make monthly installments of principal in the amount of \$10,703 until maturity. On the maturity date, the entire outstanding principal balance plus any accrued but unpaid interest shall be due and payable. At the closing, Wells OP paid a nonrefundable origination fee of \$76,900 to Bank of America. The Matsushita Loan was secured by a first priority mortgage against the Matsushita Project. Leo F. Wells, III (an officer and director of the Company and the Advisor) and the Company will be coguarantors of the Matsushita Loan.

7. COMMITMENTS AND CONTINGENT LIABILITIES

On March 15, 1999, Wells OP purchased an 8.8 tract of land in Lake Forest, Orange County, California, for a purchase price of \$4,450,230. On February 18, 1999, Wells OP entered into an office lease with Matsushita Avionics Systems Corporation ("Matsushita Avionics") for the occupancy of a to be constructed two-story office building containing approximately 150,000 rentable square feet on this tract (the "Matsushita Project"). Matsushita Avionics currently occupies an existing building owned by Fund VIII and IX Joint Venture, a joint venture between Wells Real Estate Fund VIII, L.P. and Wells Real Estate Fund IX, L.P.--related parties to Wells OP.

On February 18, 1999, Wells OP entered into a rental income guaranty agreement with Fund VIII and IX Joint Venture, whereby Wells OP guaranteed the Fund VIII-Fund IX Joint Venture that the joint venture would receive rental income on the existing building at least equal to the rent and building expenses that the Fund VIII-Fund IX Joint Venture would have received over the remaining term of the existing lease. Matsushita Avionics will vacate the existing building in December 1999, with the existing lease term ending in September 2003. Current rental and building expenses are approximately \$90,000 per month.

The Company's maximum liability to Fund VIII-Fund XI Joint Venture for rental income and building expenses for the existing building was included in the economic analysis for developing the Matsushita Project. The Company anticipates that the ultimate liability will

-15-

be less than the maximum liability; however, management cannot determine at this time the ultimate liability under the rental income guaranty agreement. Any payment made to the Fund VIII-Fund IX Joint Venture for rental income and building expenses will be made from the Wells REIT operating cash flow and will reduce cash available for dividends.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with the accompanying financial statements of the Company and notes thereto. This report contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, including discussion and analysis of the financial condition of the Company, anticipated capital expenditures required to complete certain projects, amounts of cash distributions anticipated to be distributed to the shareholders in the future, and certain other matters. Readers of this report should be aware that there are various factors that could cause actual results to differ materially from any forward-looking statements made in this report, which include construction costs which may

exceed estimates, construction delays, financing risks, lease-up risks, inability to obtain new tenants upon the expiration of existing leases, and the potential need to fund tenant improvements or other capital expenditures out of operating cash flow.

Liquidity and Capital Resources

Cash and cash equivalents at September 30, 1999 and 1998 were \$2,850,263 and \$591,122, respectively. The increase in cash and cash equivalents resulted primarily from raising additional capital and represents funds held which are awaiting investment in real property acquisitions.

As of September 30, 1999, the Company had acquired interests in 16 real estate properties. These properties are generating sufficient cash flow to cover the operating expenses of the Company and pay quarterly dividends. Dividends declared for the third quarter of 1999 totaled \$0.175 per share, which were declared on a daily record date basis in the amount of \$0.1902 per share payable to the shareholders of record at the close of business of each day during the third quarter of 1999, commencing on July 1, 1999, and continuing on each day thereafter through and including September 30, 1999.

Upon completion of the initial public offering of the Company's common stock, which will occur on or before January 30, 2000, the Company anticipates offering an additional 20,000,000 shares to the public on a best efforts basis at \$10 per share, plus 2,200,000 shares to be issued pursuant to the Company's dividend reinvestment plan at \$10 per share. The Company filed a registration statement for this offering with the Securities and Exchange Commission on July 28, 1999 (Commission File No. 333-83933).

On February 18, 1999, Wells OP entered into a rental income guaranty agreement with Fund VIII and IX Joint Venture, whereby Wells OP guaranteed the Fund VIII-Fund IX Joint Venture that the joint venture would receive rental income on the existing building at least equal to the rent and building expenses that the Fund VIII-Fund IX Joint Venture would have received over the remaining term of the existing lease. Matsushita Avionics will vacate the existing building in December 1999, with the existing lease term ending in

-16-

September 2003. Current rental and building expenses are approximately \$90,000 per month.

The Company's maximum liability to Fund VIII-Fund XI Joint Venture for rental income and building expenses for the existing Matsushita Avionics building (Note 7) was included in the economic analysis for developing the Matsushita Project. The Company anticipates that the ultimate liability will be less than the maximum liability; however, management cannot determine at this time the ultimate liability under the rental income guaranty agreement. Any payment made to the Fund VIII-Fund IX Joint Venture for rental income and building expenses will be made from the Wells REIT operating cash flow and will reduce cash available for dividends.

Cash Flows From Operating Activities

Net cash provided by operating activities was \$2,273,102 for the nine months ended September 30, 1999 and \$20,007 for the four-month period ended September 30, 1998. The increase in net cash provided by operating activities was due primarily to the purchase of additional properties in 1999 and a full nine months of operations of the properties acquired during 1998.

Cash Flows From Investing Activities

The increase in net cash used in investing activities from \$9,959,917 for the four months ended September 30, 1998 to \$75,420,671 for the nine months

ended September 30, 1999 was due primarily to the raising of additional capital and funds that have been invested in real property acquisitions.

Cash Flows From Financing Activities

The increase in net cash provided by financing activities from \$10,330,032 for the four months ended September 30, 1998 to \$68,018,429 for the nine months ended September 30, 1999 was due primarily to the raising of additional capital. The Company raised \$76,927,944 in offering proceeds for the nine months ended September 30, 1999 as compared to \$11,691,923 for the four months ended September 30, 1998. In addition, the Company received loan proceeds from financing placed on properties of \$25,598,666 and repaid notes payable in the amount of \$22,732,539.

Results of Operations

As of September 30, 1999, the properties owned by the Company were 99.99% occupied. Gross revenues for the four months ended September 30, 1998 and for the nine months ended September 30, 1999 were \$84,209 and \$3,996,290, respectively. This increase was due to the purchase of interests in additional properties during 1999 and 1998 and a full nine months of operations of the properties acquired during 1998. The purchase of interests in additional properties also resulted in an increase in rental income, operating expenses, and depreciation expense.

Year 2000

The Company is presently reviewing the potential impact of Year 2000 compliance issues on its information systems and business operations. A full assessment of Year 2000

-17-

compliance issues was begun in late 1997 and was completed during the first half of 1999. Renovations and replacements of equipment have been and are being made as warranted as the assessment progresses. The costs incurred by the Company and its affiliates thus far for renovations and replacements have been immaterial. As of September 30, 1999, all testing of systems has been completed.

As to the status of the Company's information technology systems, it is presently believed that all major systems and software packages are Year 2000 compliant. At the present time, it is believed that all major noninformation technology systems are Year 2000 compliant. The cost to upgrade any noncompliant systems is believed to be immaterial.

The Company has confirmed with the Company's vendors, including third-party service providers such as banks, that their systems are Year 2000 compliant.

The Company relies on computers and operating systems provided by equipment manufacturers and also on application software designed for use with its accounting, property management, and investment portfolio tracking. The Company has preliminarily determined that any costs, problems, or uncertainties associated with the potential consequences of Year 2000 issues are not expected to have a material impact on the future operations or financial conditions of the Company. The Company will perform due diligence as to the Year 2000 readiness of each property owned by the Company and each property contemplated for purchase by the Company.

The Company's reliance on embedded computer systems (i.e., microcontrollers) is limited to facilities-related matters, such as office security systems and environmental control systems.

The Company is currently formulating contingency plans to cover any areas of concern. Alternate means of operating the business are being developed in the unlikely circumstance that the computer and telephone systems are

rendered inoperable. An off-site facility from which the Company could operate is being sought as well as alternate means of communication with key third-party vendors. A written plan is being developed for testing and dispensed to each staff member of the Advisor of the Company.

Management believes that the Company's risk of Year 2000 problems is minimal. In the unlikely event there is a problem, the worst-case scenarios would include the risks that the elevators or security systems within the Company's properties would fail or the key third-party vendors upon which the Company relies would be unable to provide accurate investor information. In the event that the elevators shut down, the Company has devised a plan for each building whereby the tenants will use the stairs until the elevators are fixed. In the event that the security systems shut down, the Company has devised a plan for each building to hire temporary on-site security guards. In the event that a third-party vendor has Year 2000 problems relating to investor information, the Company intends to perform a full system back-up of all investor information as of December 31, 1999 so that the Company will have accurate hard-copy investor information.

Rental income increased in 1999 over 1998 due primarily to the increased occupancy level of the property. Other operating expenses were negative for the nine-month period ended September 30, 1999 due to an offset of tenant reimbursements in operating costs, as well as management and leasing fee reimbursements. Tenants are billed an estimated amount for current year common-area maintenance which is then reconciled during the following year and the difference billed to the tenants. Total expenses increased for the nine-month period ended September 30, 1999 over the same period for 1998 due to increased depreciation and management and leasing fees as the building was leased up.

Cash distributions and net income allocated to the Company for the quarter and nine-month period increased significantly in 1999 over 1998 amounts. The Company's ownership in the Fund IX-X-XI-REIT Joint Venture decreased in 1999, as compared to 1998, due to additional fundings by Wells Real Estate Fund X, L.P. and Wells Real Estate Fund XI, L.P. to the joint venture in 1999.

One major tenant, the Associates, vacated its leased space in September 1999. A new lease was executed with Center Partners Inc., a division of WPP Group, U.S.A. for 23,992 rentable square feet. The initial term of the lease will be five years commencing January 1, 2000 and will expire on December 31, 2004. Center Partners Inc. has the option to extend the initial term of the lease for two consecutive five-year periods. The annual base rent payable during the initial term is \$299,900 for the first year, \$307,337.52 for the second year, \$315,014.96 for the third year, \$322,932.32 for the fourth year, and \$331,089.60 for the fifth year.

-19-

It is currently anticipated that the total cost to complete the tenant improvements and pay for a leasing commission is estimated to be approximately \$257,490 and will be contributed by the Wells Real Estate Fund IX, L.P. and Wells Real Estate Fund X, L.P.

Rental income remained relatively stable for the three months ended September 30, 1999 as compared to the same period in 1998. The nine month period ended September 30, 1999 cannot be compared to 1998 since the 1998 figures reflect only eight months of activities. Other operating expenses were negative for the nine-month period ended September 30, 1999 due to an offset of tenant reimbursements in operating costs, as well as management and leasing fee reimbursements. Cash distributions and net income allocated to the Company increased for the nine-month period ended September 30, 1999, as compared to the same period in 1998.

On March 20, 1998, the Fund IX-X-XI-REIT Joint Venture acquired a three-story multitenant office building containing approximately 51,974 rentable square feet on a 5.1-acre tract in Broomfield, Boulder County, Colorado, for a purchase price of \$8,275,000, excluding acquisition costs.

The 360 Interlocken Building was completed in December 1996. The first floor has multiple tenants and contains 15,599 rentable square feet, the second floor is leased to ODS Technologies, L.P. and contains 17,146 rentable square feet, and the third floor is leased to Transecon, Inc. and contains 19,229 rentable square feet.

Rental income remained relatively stable for the three-month period ended September 30, 1999 as compared to the same period for 1998. The nine-month period ended September 30, 1999 cannot be compared to 1998 since the 1998 figures reflect only seven months of activities.

Cash distributions and net income allocated to the Company for the nine months ended September 30, 1999 increased as compared to the same period in 1998. Operating expenses increased significantly for the nine-month period ended September 30, 1999, as compared to the same period for 1998, largely attributed to the increase in property taxes, utilities, and security. Other operating expenses are negative for prior periods due to an offset of tenant reimbursements in operating costs, as well as management and leasing fee reimbursements. The Company's ownership interest in the Fund IX-X-XI-REIT Joint Venture decreased in 1999, as compared to 1998, due to additional funding by Wells Real Estate Fund X, L.P. and Wells Real Estate Fund XI, L.P. to the joint venture in 1999.

On June 24, 1998, the Fund IX-X-XI-REIT Joint Venture acquired a one-story office building containing approximately 57,186 rentable square feet on a 5.3-acre tract of land in Oklahoma City, Oklahoma, for a purchase price of \$5,504,276, excluding acquisition costs.

The Lucent Technologies Building was completed in January 1998 with Lucent Technologies occupying the entire building. Under the terms of the lease, the tenant is responsible for all utilities, property taxes, and other operating

expenses.

Since the Lucent Technologies Building was purchased by the Fund IX-X-XI-REIT Joint Venture in June 1998, comparable income and expense figures for the prior year's period ended September 30, 1998 covered only four months. Accordingly, the prior year cannot be compared to the nine months ended September 30, 1999. Rental income increased slightly for the three months ended September 30, 1999 as compared to the same period in 1998. Total expenses decreased for the three-month period ended September 30, 1999 as compared to the same period for 1998, due largely to the decrease in other operating expenses.

Cash distributions and net income allocated to the Company for the three-month period remained relatively stable for the three-month period ended September 30, 1999 and 1998.

The Company's ownership interest in the Fund IX-X-XI-REIT Joint Venture decreased in 1999, as compared to 1998, due to additional funding by Wells Real Estate Fund X, L.P. and Wells Real Estate Fund XI, L.P. to the joint venture.

On April 1, 1998, Wells Real Estate Fund X, L.P. acquired a single-story warehouse and office building containing approximately 108,250 rentable square feet on an 8.03-acre tract of land in Ogden, Weber County, Utah, for a purchase price of \$5,025,000.

On July 1, 1998, Wells Real Estate Fund X, L.P. contributed the Iomega Building to the Fund IX-X-XI-REIT Joint Venture. The Company acquired an interest in the Iomega Building and began participating in income and distribution from this property as of July 1, 1998. The entire Iomega Building is under a net lease with Iomega Corporation until July 31, 2006.

Since the Iomega Building was purchased in April 1998, comparable income and expense figures for the prior year period ended September 30, 1998 covered only six months.

On March 22, 1999, the Fund IX-X-XI-REIT Joint Venture purchased a four-acre tract of vacant land adjacent to the Iomega Building located in Ogden, Utah. This site is being used for additional parking and a loading-dock area, which includes at least 400 new parking stalls and new site work for truck maneuver space, in accordance with the requirements of the tenants and the city of Ogden. The project was completed on July 31, 1999. The tenant, Iomega Corporation, has agreed to extend the term of its lease to April 30, 2009 and will pay an additional base rent, an amount equal to 13% per annum payable in monthly installments of the direct and indirect cost of acquiring the property and construction of improvements. This additional base rent commenced on May 1,

1999.

The land was purchased at a cost of \$212,000, excluding acquisition costs. The funds used to acquire the land and for the improvements are being funded entirely out of capital contributions made by Wells Real Estate Fund XI, L.P. to the Fund IX-X-XI-REIT Joint Venture in the amount of \$874,625. The project was completed at a total cost of \$874,625.
