4.5 Governmental Contacts. Other than to perform customary title searches, violations searches of databases available to the public and zoning investigations or to obtain a permit necessary for any Purchaser's Work, neither Purchaser nor any member of Purchaser's Group shall contact any governmental authority with respect to any matters relating to the Property without giving Seller's Representative not less than one (1) business day's prior telephonic notice of the date and time proposed by Purchaser for the contact with any governmental authority. Seller shall be entitled to have Seller's Representative present on any telephone or other contact made by Purchaser to any governmental authority. So long as Seller's Representative receives not less than one (1) business day's prior telephonic notice of the date and time proposed by Purchaser for the contact with any governmental authority and such proposed contact is during normal business hours, Seller agrees to cause Seller's Representative to be available for such proposed contact.

4.6 Delivery of Third-Party Reports. Promptly after any termination of this Agreement by Purchaser for any reason other than Seller's default, Purchaser shall deliver to Seller copies of all third-party reports commissioned by Purchaser evidencing the results of tests, studies or inspections of the Property and all documents copied for Purchaser pursuant to Section 4.1; provided, however, that Purchaser makes no representation or warranty whatsoever with respect to any of such third party reports or the results thereof, including, without limitation, the ownership, accuracy or completeness of any such third party reports.

4.7 Confidentiality. Purchaser hereby agrees that the information gained through access to the Property and the Property Documents shall be used solely for the purpose of evaluating the Property and the purchase of the VV City Interest and that such information shall be kept confidential by Purchaser; provided, however, that any of such information may be disclosed to (a) the Purchaser Group and Purchaser's consultants, accountants, attorneys and rating agencies, (b) potential equity and financing sources and (c) as required under applicable law, it being understood that (i) such persons shall be informed by Purchaser of the confidential nature of such information and (ii) Purchaser shall instruct such parties to maintain the confidentiality of such information. If Purchaser is required by applicable law to disclose any such information, it is agreed that Purchaser shall provide Seller with prompt notice of any request or requirement for disclosure so that Seller may seek an appropriate protective order. It is further agreed that, notwithstanding any pursuit of a protective order, if Purchaser is legally obligated to disclose any such information, then Purchaser may disclose such information to the extent so obligated, and Purchaser shall not be liable for such disclosure. It is further understood and agreed that money damages would not be a sufficient remedy for any breach of this paragraph and that Seller shall be entitled to specific performance of Purchaser's confidentiality covenant and injunctive or other equitable relief as a remedy for any such breach, in addition to all other remedies available at law or equity to Seller. The provisions of this paragraph shall survive termination of this Agreement, but shall not survive the Closing.

4.8 Termination of Agreement. Purchaser shall have until 5:00 pm Eastern Time on the Due Diligence Date to determine, in Purchaser's sole opinion and discretion, the suitability of the Property for acquisition by Purchaser. Purchaser shall have the right to terminate this Agreement at any time for any reason or no reason on or before the Due Diligence Date by giving written notice to Seller of such election to terminate. If Purchaser so elects to terminate this Agreement pursuant to this Section 4.8, and if such written notice to Seller is given on or before the Due Diligence Date, the Escrow Agent shall return to Purchaser the Deposit within three (3) business days after receipt of written notice of Purchaser's termination of the Agreement pursuant to this Section 4.8, and thereafter neither Seller nor Purchaser shall have any liability hereunder except for those obligations which expressly survive the termination of this Agreement. If Purchaser fails to terminate this Agreement on or before the Due Diligence Date, Purchaser shall be deemed to have waived its rights to terminate this Agreement in accordance with this Section 4.8. Purchaser and Seller acknowledge that upon the full execution and delivery of this Agreement and the deposit by Purchaser of the Deposit with Escrow Agent, the Due Diligence Date shall have lapsed and, notwithstanding any provision of this Agreement to the contrary, Purchaser shall have waived its right to terminate this Agreement pursuant to this Section 4.8. In particular and without limiting the generality of the foregoing, prior to the execution and delivery of this Agreement, Purchaser raised with Seller certain concerns about the Real Property and Purchaser acknowledges that the Purchase Price is reduced from the purchase price that had been previously discussed between Purchaser and Seller in full satisfaction of such concerns.

4.9 Property "As is".

(a) Purchaser acknowledges and agrees that at the Closing of the purchase of the VV City Interest (i) subject to the terms of this Agreement and except as otherwise herein provided, the condition of the Property shall be "As Is, Where Is, with All Faults" and with all latent and patent defects, with no right of setoff or reduction in the Purchase Price; (ii) except for (a) Seller's representations and warranties set forth in Section 8.2, Section 8.3, and Section 9.2.2, and (b) the warranty of title to be given in the Partnership Interest Assignment (as defined in Section 6.3(a)) (herein collectively called the "Seller's Warranties"), none of Seller, its counsel, Jones Lang LaSalle Americas, Inc. (the "Broker"), the Broker's sales agents, Seller's Asset Manager, Seller's Representative, nor any partner, officer, director, employee, agent or attorney of Seller, its counsel or the Broker, nor any other party related in any way to any of the foregoing (all of which parties are herein collectively called the "Seller Parties") have or shall be deemed to have made any oral or written representations, warranties, promises or guarantees (whether express, implied, statutory or otherwise) to Purchaser with respect to the Property, any matter set forth, contained or addressed in the Property Documents (including, but not limited to, the accuracy and completeness thereof) or the results of the investigations; and (iii) as of the Due Diligence Date, Purchaser shall have had the opportunity to conduct due diligence and inspections and to confirm independently all information that

Purchaser considers material to its purchase of the VV City Interest or the Transaction. Purchaser specifically acknowledges that, except for Seller's Warranties, Purchaser is not relying on (and Seller and each of the other Seller Parties does hereby disclaim and renounce) any representations or warranties of any kind or nature whatsoever, whether oral or written, express, implied, statutory or otherwise, from Seller or any other Seller Parties, as to: (1) the operation of the Property or the income potential, uses, or merchantability or fitness of any portion of the Property for a particular purpose; (2) the physical condition, whether visible or not, of the Property or the condition or safety of the Property or any improvements thereon, including, but not limited to, plumbing, sewer, heating, ventilating and air conditioning, life safety, building management, vertical transportation, and electrical systems, roofing, foundations, soils and geology, including hazardous materials, lot size, or suitability of the Property or any improvements thereon for a particular purpose; (3) the presence or absence, location or scope of any hazardous materials in, at, or under the Property; (4) whether the building equipment, if any, plumbing or utilities are in working order; (5) the habitability or suitability for occupancy of any structure and the quality of its construction; (6) whether the improvements arc structurally sound, in good condition, or in compliance with applicable municipal, county, state or federal statutes, codes or ordinances; (7) the accuracy of any statements, calculations or conditions stated or set forth in Seller's books and records concerning the Property or set forth in any of Seller's offering materials with respect to the Property; (8) the dimensions of the Property or the accuracy of any floor plans, square footage, lease abstracts, sketches, revenue or expense projections related to the Property; (9) the operating performance, the income and expenses of the Property or the economic status of the Property; (10) the ability of Purchaser to obtain any and all necessary governmental approvals or permits for Purchaser's intended use and development of the Property or any of the documents; (11) the leasing status of the Property or the intentions of any parties with respect to the negotiation and/or execution of any lease for any portion of the Property; and (12) Seller's ownership of any portion of the Property. Purchaser further acknowledges and agrees that Seller is under no duty to make any affirmative disclosures or inquiry regarding any matter which may or may not be known to Seller, its officers, directors, contractors, agents or employees.

(b) Purchaser, for Purchaser and Purchaser's successors and assigns, hereby releases Seller from, and waives all claims and liability against Seller for or attributable to any claims or liabilities relating to the presence, discovery or removal of any Hazardous Materials in, at, about or under the Property, or for, connected with or arising out of any and all claims or causes of action based upon, without limitation, (A) the Comprehensive Environmental Response, Compensation and Liability Act (codified in various sections of 26 U.S.C., 33 U.S.C., 42 U.S.C. and 42 U.S.C. Section 9601 et seq.) ("CERCLA"); (B) the Resource Conservation And Recovery Act (42 U.S.C. Section 6901 et seq.); (C) the Hazardous Materials Transportation Act (49 U.S.C. Section 1801 et seq.); (D) the Toxic Substances Control Act (15 U.S.C. Section 2061 et seq.); (B) the Clean Water Act (33 U.S.C. Section 1251 et seq.); (F) the Clean Air Act (42 U.S.C. Section 7401 et seq.); (G) the Safe Drinking Water Act (21 U.S.C. Section 349, 42 U.S.C. Section 201 and Section 300 et seq.); (H) the National Environmental Policy Act (42 U.S.C. Section 4321 et seq.); (I) the Superfund Amendments and Reauthorization Act Of 1986 (codified in various sections of 10 U.S.C., 29 U.S.C., 33 U.S.C. and 42 U.S.C.);

(J) Title III of the Superfund Amendment and Reauthorization Act (40 U.S.C. Section 1101 et seq.); (K) the Uranium Mill Tailings Radiation Control Act (42 U.S.C. Section 7901 et seq.); (L) the Occupational Safety & Health Act (29 U.S.C. Section 655 et seq.); (M) the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. Section 136 et seq.); (N) the Noise Control Act (42 U.S.C. Section 4901 et seq.); (0) the Emergency Planning and Community Right to Know Act (42 U.S.C. Section 1100 et seq.) and any other federal or state based statutory, common law or regulatory causes of action for environmental contamination at, in or under the Real Property; provided, however, that such release and waiver shall be inapplicable to any claim or action arising pursuant to the provisions of this Agreement for breach of Seller's Warranties to the extent Seller's Warranties survive Closing or for which Seller, the Project Partnership or the Investor Partnership shall have acted with willful misconduct or a knowing violation of the law at any time Seller owned an interest, directly or indirectly, in the Project Partnership, the Investor Partnership or the Property.

(c) For purposes of this Agreement, the term "Hazardous Material" shall mean any substance, chemical, waste or material that is or becomes regulated by any federal, state or local governmental authority because of its toxicity, infectiousness, radioactivity, explosiveness, ignitability, corrosiveness or reactivity, including, without limitation, asbestos or any substance containing more than 0.1 percent asbestos, the group of compounds known as polychlorinated biphenyls, flammable explosives, oil, petroleum or any refined petroleum product.

(d) Purchaser acknowledges and agrees that the provisions of this Article 4 were a material factor in Seller's acceptance of the Purchase Price and Seller is unwilling to sell the VV City Interest unless Seller and the other Seller Parties are expressly released as set forth in Section 4.2(b).

(e) Notwithstanding anything to the contrary herein, the provisions of this Section 4.2 shall survive the Closing and shall not be merged therein.

ARTICLE 5

ADJUSTMENTS AND PRORATIONS

5.1 Closing of Books; Cash Distributions. The books, records and accounts of the Project Partnership and Investor Partnership shall be closed as of 11:59 p.m. on the day immediately preceding the Closing Date, with Seller being deemed the owner of the VV City Interest through such time for the purposes of allocating items of income and expense between Seller and Purchaser. Nothing contained herein shall prevent or impair Seller's rights to cause the Project Partnership, and, in turn, the Investor Partnership, to make distributions to the partners of the respective partnerships of "Net Cash Flow" (as such terms are defined in the Project Partnership Agreement and Investor Partnership Agreement, respectively) from and after the date of this Agreement until Closing; provided, however, (i) in no event shall Seller cause the Project Partnership to distribute any security deposits held by the Project Partnership pursuant to the Leases; and (ii) Seller shall receive a credit at Closing in the amount of 94.5124% of any cash reserves of the Project Partnership not distributed to the partners of the Project Partnership with such "Net Cash Flow."

5.2 Prorations and Adjustments. The Purchase Price shall be adjusted for 94.5124% of the following items of income and expense, or as otherwise expressly stated, which shall be prorated as of Closing.

5.2.1 Rents. All rents (including any percentage rent, additional rent and any accrued tax and operating expense reimbursements and escalations), charges, and other revenue of any kind (collectively, "Rents") collected from the tenants under the Leases shall be prorated between Seller and Purchaser as of the day prior to the Closing Date. Seller shall be entitled to all Rents attributable to any period under the Leases to but not including the Closing Date. Purchaser shall be entitled to all Rents attributable to any period under the Leases from and after the Closing Date. With respect to the Rents due landlord under the Leases as of the Closing Date but not collected as of the Closing Date, Purchaser shall make a good faith effort to collect the same on Seller's behalf and to tender the same to Seller upon receipt (which obligation of Purchaser shall survive the Closing and not be merged therein); provided, however, that all Rents due landlord under the Leases collected by Purchaser on or after the Closing Date shall first be applied to all amounts due under the Leases at the time of collection (i.e., current Rents due Purchaser as the current owner and landlord) with the balance (if any) payable to Seller, but only to the extent of amounts delinquent and actually due Seller. To the extent the monthly installments of principal and interest paid by W & S under any of the W & S Promissory Notes are not credited against Rents payable by W & S under the Lease with W & S, such monthly installments of principal and interest shall be prorated between Seller and Purchaser in the same manner as Rents are prorated in this Section 5.2.1 and as though such monthly installments of principal and interest were payments of base rent for the month during which such monthly installments of principal and interest are due and payable.

5.2.2 Real Estate Taxes. Purchaser acknowledges that in Cook County, Illinois, real estate taxes and assessments ("Real Estate Taxes") for calendar year 2002 are payable in calendar year 2003 in two installments, the first of which has been paid. Purchaser further acknowledges that Real Estate Taxes for calendar year 2003 are payable in calendar year 2004. Seller shall pay (or cause the Project Partnership to pay) 100% of both installments of Real Estate Taxes due and payable prior to the Closing Date. In addition, the Real Estate Taxes for 2003 (which are payable in 2004) shall be prorated by Purchaser and Seller as follows: Seller shall have no responsibility for payment of the portion of such Real Estate Taxes for 2003 attributable to the space leased as of the Closing Date by W&S and Leo; the Real Estate Taxes for 2003 attributable to the space not leased by W&S and Leo shall be prorated at Closing by Purchaser and Seller such that Seller shall be responsible (and Purchaser shall receive a credit against the Purchase Price at Closing) only for the prorata portion thereof equal to a fraction, the numerator of which is the number of days from October 1, 2003 through the day preceding the Closing Date and the denominator of which is 365. Seller and Purchaser acknowledge that the amount of the Real Estate Taxes for 2003 will not be known as of the date of Closing, and accordingly, with respect to the 2003 Real Estate Taxes to be prorated between Seller and Purchaser, the 2003 Real Estate Taxes shall be estimated to be 110% of the amount of the 2002 Real Estate Taxes, and such proration shall be adjusted between Seller and Purchaser (and appropriate payments shall be made between Seller and Purchaser) when the actual amount of the 2003 Real Estate Taxes have been billed by the applicable taxing authority. For example, assuming a Closing on October 31, 2003, Real Estate Taxes will be prorated as shown on Exhibit X, attached hereto and by this reference made a part hereof, and Seller and Purchaser approve the methodology set forth on such Exhibit.

5.2.3 Loan Interest. All accrued and unpaid interest due the Lenders under the Loan.

5.2.4 Utility Charges. Utility bills and charges payable with respect to the Property.

5.2.5 Operating Agreements. Charges payable under the Operating Agreements.

5.2.6 Other Tenant Charges. Where the Leases contain Tenant obligations for taxes, common area expenses, operating expenses or additional charges of any nature, and where the Project Partnership shall have collected on an estimated basis any portion thereof in excess of amounts owed by the Project Partnership for such items for the period prior to the date of Closing, then there shall be an adjustment and credit given to Purchaser on the date of Closing for such excess amounts collected. Purchaser shall cause all such excess amounts to be applied by the Project Partnership to the charges owed by the Project Partnership for such items for the period after the date of Closing, and if required by the applicable Leases, shall rebate or credit the Tenants with any remainder. If it is determined subsequent to the Closing that the amounts collected during Seller's period of ownership of the VV City Interest exceeded expenses incurred during the same period by more than the amount previously credited to Purchaser at Closing, then Seller shall promptly pay to the Investor Partnership the deficiency. If it is determined subsequent to Closing that the amount collected during Seller's period of ownership of the VV City Interest exceeded expenses incurred during the same period by less than the amount previously credited to Purchaser at Closing, then Purchaser shall promptly pay (or cause the Investor Partnership to pay) to Seller the overpayment.

5.2.7 Other Operating Expenses. All other operating expenses of the Property, including personal property taxes applicable to the Personal Property.

5.2.8 Deposits. At Closing (A) Seller shall credit to the account of Purchaser any security deposits actually held by Seller (as distinguished from the Project Partnership) pursuant to the Leases (to the extent such security deposits are not applied against delinquent rents or otherwise as provided in the Leases), and (B) Purchaser shall credit to the account of Seller all refundable cash or other deposits posted by the Project Partnership with utility companies serving the Property.

5.2.9 Remedial Indemnification Amount. Purchaser acknowledges that the Project Partnership is obligated to pay Leo certain annual tax liabilities under Section 25 of the Project Partnership Agreement in the amount of $334,264 for 2004. Seller agrees that, as between Seller and Purchaser, Seller is to bear the cost of payment to Leo for an annual tax indemnity payment under the Project Partnership Agreement in the amount of $363,490 for 2003, and Purchaser shall receive a credit against payment of the Purchase Price for 100% of this amount, unless Seller actually pays such amount at or prior to Closing.

5.2.10 Certain Escrows. The Project Partnership is holding an escrow of payments from Leo for Leo's obligation to pay a pro rata portion of the Real Estate Taxes and such escrow shall remain with the Project Partnership after Closing and not be disbursed to Seller. Lenders are holding funds in a tax escrow which funds shall remain with Lender and Seller shall reserve a credit at Closing for 94.5124% of the balance in that tax escrow account as of the date of Closing.

5.3 Post Closing Adjustments. All items of revenue and expense relating to the Property, irrespective of whether such items are prorated at Closing in accordance with Section 5.2 and including but not limited to (i) payments under the Operating Agreements which are not the direct obligation of Tenants pursuant to the Leases, (ii) gas, electricity or other utility charges which are not the direct obligation of Tenants pursuant to the Lease, and (iii) any other operating expenses or other items which are customarily prorated between a purchaser and a seller in the area in which the Property is located, shall be reprorated after completion of the reconciliation of operating expenses with the Tenants of the Property for calendar year 2003, and such reconciliation shall be done a month-to-month basis. Purchaser shall prepare and present to Seller a calculation of any item subject to reproration and shall furnish such statement to Seller for its review.

5.4 Tax Returns. Seller and Purchaser acknowledge and agree that they shall cooperate to cause the Investor Partnership and the Project Partnership to prepare and file in a timely manner all appropriate tax returns and other information for the period prior to Closing in the same manner as such tax returns and other information heretofore have been prepared, except for changes required by changes in applicable laws or changes in fact. To the extent any items are not covered by past practices, such Tax Returns shall be prepared in accordance with reasonable tax accounting practices selected by Purchaser.

5.5 Closing Costs. Purchaser shall pay (i) City of Chicago transfer taxes; (ii) all costs of Purchaser's due diligence; (iii) all costs of its third party consultants; (iv) one-half of all escrow charges, if any, payable to the Escrow Agent; and (v) all fees and expenses of the Lenders for consenting to the Transaction. Seller shall pay (i) all premiums and charges of the Title Company for the title examination and the Owner's Policy of Title Insurance (including any endorsements) to be issued pursuant to the Closing Title Commitment; (ii) the expense incurred in updating the Existing Survey; (iii) all recording and filing charges in connection with the Transaction; (iv) state and county property/deed transfer tax; (v) one-half of all escrow charges, if any, payable to the Escrow Agent; (vi) the cost of obtaining the opinions referred to in Section 6.3(k) hereof; and (vii) any other costs customarily paid by Seller pursuant to local practice. Each party shall pay its own attorneys. In the event that Purchaser elects to prepay the Loan at the Closing, Purchaser agrees to pay all fees and expenses due Lender necessary to make such prepayment, including the prepayment fees specified in the Loan Documents and agrees to pay all indemnity payments due Leo pursuant to the terms of the Project Partnership Agreement which are triggered as a result of such prepayment. The obligation of Seller to pay applicable escrow charges shall survive the termination of this Agreement.

5.6 Apportionment Credit. In the event the apportionments to be made at the Closing result in a credit balance (a) to Purchaser, such sum shall be paid (at Seller's option) at the Closing by wire transfer of immediately available funds to an account designated by Purchaser or by giving Purchaser a credit against the Balance in the amount of such credit balance, or (b) to Seller, Purchaser shall pay the amount thereof to Seller at the Closing by wire transfer of immediately available finds to the account or accounts to be designated by Seller for the payment of the Balance.

5.7 Delayed Adjustment. If at any time following the Closing Date, the amount of an item listed in any section of this Article 5 shall prove to be incorrect (whether as a result of an error in calculation or a lack of complete and accurate information as of the Closing), the party in whose favor the error was made shall promptly pay to the other party the sum necessary to correct such error upon receipt of proof of such error, provided that such proof is delivered to the party from whom payment is requested on or before one (1) year after Closing.

5.8 Survival. The provisions of this Article 5 shall survive the Closing and not be merged therein.

CONDITIONS TO CLOSING

7.1 Seller's Obligations. Seller's obligation to close the Transaction is conditioned on all of the following, any or all of which may be waived by Seller by an express written waiver, at its sole option:

(a) Representations True. All representations and warranties made by Purchaser in this Agreement shall be true and correct in all material respects on and as of the Closing Date, as if made on and as of such date;

(b) Purchaser's Deliveries Complete. Purchaser shall have delivered the funds required hereunder and all of the documents to be executed by Purchaser set forth in Section 6.4 and shall have performed all other covenants, undertakings and obligations, and complied with all conditions required by this Agreement, to be performed or complied with by Purchaser at or prior to the Closing;

The Lenders shall have consented to this Transaction, which consent shall not be subject to any condition or requirement imposed by the Lenders upon Seller or which affects Seller that Seller, in the exercise of its sole discretion, determines to be unacceptable; provided, further such consent of Lenders shall include a written agreement by the Lenders that at Closing, or within fifteen (15) days thereafter, Lenders shall return to Seller the original letter of credit, without having made any draws against such letter of credit, delivered by Seller to Lenders pursuant to the Agreement Regarding Indemnity. Seller agrees to provide written notice to Purchaser of any specific conditions or requirements imposed by the Lenders that Seller determines to be unacceptable. If Seller shall determine that any such conditions or requirements imposed by the Lenders are unacceptable to Seller, upon Purchaser's request, Seller and

Purchaser shall in good faith seek to obtain the elimination of or changes to such conditions or requirements imposed by the Lenders in a manner acceptable to Seller in its sole discretion;

Seller agrees to use commercially reasonable efforts to obtain such waiver from Leo; and

(f) Seller Guaranty. Seller shall have obtained from Leo a written agreement pursuant to which Leo shall release Seller from all claims Leo may have under that certain Guaranty executed by Seller in favor of Leo dated April 27, 2000 that are based upon or arise from facts or circumstances that occur on or after the Closing Date.

7.2 Purchaser's Obligations. Purchaser's obligation to close the Transaction is conditioned on all of the following, any or all of which may be expressly waived by Purchaser in writing, at its sole option:

(a) Representations True. All representations and warranties made by Seller in this Agreement shall be true and correct in all material respects on and as of the Closing Date, as if made on and as of such date except to the extent that they expressly relate to an earlier date; provided, however, that for purposes of determining whether this condition has been satisfied, such representations and warranties shall not be deemed to be qualified or modified by what Purchaser knows or is deemed to know;

(b) Title Conditions Satisfied. At Closing, the Title Company shall issue to the Project Partnership, at Seller's sole cost and expense, the Title Commitment (as updated by any Updates through the Closing Date and including such of the endorsements listed on Exhibit D attached hereto), “marked” to effect insurance coverage (or at Purchaser’s option, a policy of title insurance) subject only to the Permitted Exceptions (the “Closing Title Commitment”), in the amount of $283,000,000, committing to insure or insuring that, upon payment of the applicable premium and costs and compliance with any requirements related to Purchaser, fee simple title to the Real Property is vested in the Project Partnership subject only to the Permitted Exceptions. Purchaser shall be entitled to request that the Title Company provide, at Purchaser’s sole cost and expense, such endorsements (or amendments) to the Closing Title Commitment (in addition to these listed on Exhibit D) as Purchaser may reasonably require, provided that (i) such additional endorsements (or amendments) shall be at no cost or additional liability to Seller, (ii) Purchaser’s obligations under this Agreement shall not be conditioned upon Purchaser’s ability to obtain such additional endorsements and, if Purchaser is unable to obtain such additional endorsements, Purchaser shall nevertheless be obligated to proceed to close the Transaction without reduction of or set off against the Purchase Price, and (iii) the Closing shall not be delayed as a result of Purchaser’s request; notwithstanding any provision of this Agreement to the contrary, if the Title Company issues a policy of title insurance to the Project Partnership that is the same as the pro-forma policy attached hereto as Exhibit Z hereto, this condition shall be deemed fully satisfied;

(c) Seller’s Deliveries Complete. Seller shall have delivered all of the documents and other items required pursuant to Section 6.3 and shall have performed all other covenants, undertakings and obligations, and complied with all conditions required by this Agreement, to be performed or complied with by Seller at or prior to the Closing;

(d) Tenant Estoppel Certificates. Seller shall have received and delivered to Purchaser, tenant estoppel certificates executed by Leo and W&S in the forms of Exhibit H and I, respectively, in each case without material modification and dated within thirty (30) days prior to the initial Closing Date (October 31, 2003). In addition, if Seller shall have received a tenant estoppel certificate from any Tenant other than Leo and W&S, such tenant estoppel certificate shall not disclose or allege (i) any material default or breach of the applicable lease by either the landlord or the Tenant thereunder, (ii) the non-performance by the landlord thereunder of any material obligation of the landlord (which has not been performed by the Project Partnership prior to Closing), or (iii) a material claim by the Tenant against the landlord (which has not been satisfied or resolved by the Project Partnership prior to the Closing). If at any time prior to Closing Seller shall receive a tenant estoppel certificate from a Tenant which shall disclose or allege any of the matters set forth in items (i), (ii) or (iii) above, then Seller shall, at its option, have a period of up to fifteen (15) days (and the Closing shall be extended accordingly if necessary) within which to resolve any such allegation, claim or default and obtain an updated tenant estoppel certificate from such Tenant reflecting the elimination of all such allegations, claims or defaults; provided, however, if the allegation, claim or default is of a nature that it can be resolved by the payment or expenditure of an agreed-upon fixed or liquidated amount of money, Seller shall be deemed to have satisfied the condition set forth in the preceding sentence if Seller shall (which right shall be at Seller’s option) deposit into escrow with the Title Company at Closing an amount equal to such fixed or liquidated amount pursuant to an escrow agreement among Seller, Purchaser and the Title Company, which escrow agreement shall provide that the Title Company shall hold such escrowed amount for the purposes of assuring the availability of funds for the resolution by Seller of the particular allegation, claim or default, and which escrow agreement shall otherwise be in such form as shall be approved by Seller, Purchaser and the Title Company within such fifteen (15) day period, each acting reasonably and in good faith. In such escrow agreement, Seller shall indemnify and hold Purchaser harmless from any losses, damages, claims, actions, liabilities, and expenses, including reasonable attorneys' fees, incurred by Purchaser relating to or arising out of the applicable allegation, claim or default, and such indemnity shall not be subject to any liability limitation set forth in Section 13.2(a) hereof;

(e) Material Adverse Change in Tenants. As of the Closing Date, there shall have been no Material Adverse Change in the financial condition of Leo or W&S from their respective financial conditions as of the date of this Agreement. For the purposes of this Section 7.2(e), a Material Adverse Change in Leo or W&S shall be defined as a change which a reasonable Person, with specific applicable industry and Tenant knowledge, would believe adversely impacts the financial strength of the Tenant in a material fashion. Examples of such a change for Leo could include (without being limited to): the loss of a significant number of clients in a short period of time; a significant lawsuit or claim filed against the firm; the loss of a large number of executives within a short period of time; or a scandal disclosed in the news which causes the management of the firm to be reasonably questioned. Examples for W&S could include (without being limited to): the loss of a significant number of clients in a short period of time; a significant lawsuit or claim filed against the firm; the loss of a large number of attorneys within a short period of time; or a scandal disclosed in the news which causes the management of the firm to be reasonably questioned;

(f) Leo. Leo shall have entered into a third amendment to (and/or restatement of) the Project Partnership Agreement (the "Restated Project Partnership Agreement") and an amendment to its Lease, and shall have caused Publicis Groupe S.A. to guarantee such Lease, each in form and content acceptable to Purchaser addressing those matters set forth on Exhibit K attached hereto. Any and all costs and expenses attributable to such amendments and such guaranty shall be paid by Purchaser outside Closing. Leo shall have waived in writing its right of first offer under Paragraph 35 of Leo's Lease with respect to the Transaction and shall have consented in writing to this Transaction, which consent shall not be subject to any condition or requirement imposed by Leo that Purchaser, in the exercise of its sole discretion, determines to be unacceptable;

(g) Buck. Buck shall have entered into an amendment to (or an amendment to and restatement of) the Investor Partnership Agreement in form and content acceptable to Purchaser addressing those matters set forth in the letter dated June 18, 2003, from Purchaser to Buck, attached hereto as Exhibit L. Any and all costs and expenses attributable to such amendments shall be paid by Purchaser outside Closing. Buck shall have consented in writing to this Transaction, which consent shall not be subject to any condition or requirement imposed by Buck that Purchaser, in the exercise of its sole discretion, determines to be unacceptable;

Any and all costs and expenses attributable to such amendments shall be paid by Purchaser outside Closing;

(i) Loan. Seller and Purchaser shall have obtained mortgage estoppel letters executed by the Lenders, addressed to the Project Partnership, and dated within thirty (30) days prior to the Closing Date (or within sixty (60) days prior to the Closing Date if Purchaser extends the Closing Date as provided in Section 6.1 hereof), which mortgage estoppel letters shall be similar in form to the Mortgage Estoppel Letters obtained from the Lenders dated April 27, 2000, except that the factual information set forth therein shall be updated to the date of such newly obtained mortgage estoppel letters, and Purchaser shall have reached an agreement with the Lenders with respect to modifications to the Loan and the documents evidencing and securing the Loan. Any and all cost and expenses attributable to such modifications to the Loan and the documents evidencing and securing the Loan shall be paid by Purchaser outside Closing. The Lenders shall have consented in writing to this Transaction, which consent shall not be subject to any condition or requirement imposed by the Lenders that Purchaser, in the exercise of its sole discretion, determines to be unacceptable. The aggregate amount of fees and expenses of the Lenders payable by Purchaser in order to obtain the consent of the Lenders to this Transaction shall not exceed 1.25% of the principal balance of the Loan as of the date of Closing;

(j) Shareholder Loan Extension Letters. Seller shall have delivered to Purchaser letters from the holders of the Shareholder Loans confirming the extensions of the maturity dates as required under Section 13.2(c) hereof;

(k) Waiver of Tax Opinion. Leo shall have waived in writing its right under the Project Partnership Agreement to require a legal opinion from Mayer Brown & Platt (or other counsel reasonably acceptable to Leo) as a condition to the transfer by Seller to Purchaser of the VV City Interest. Seller agrees to use commercially reasonable efforts to obtain such waiver from Leo;

(l) Leo Tax Agreement. Seller shall have obtained from Leo and delivered to Purchaser a written agreement in form and content acceptable to Purchaser in the exercise of its commercially reasonable judgment, which provides that, with respect to any claim Leo may have against the Project Partnership, the Investor Partnership and its general partner arising out of or resulting from any breach of the “Debt Maintenance Requirement” under Section 24 of the Project Partnership Agreement, or arising out of or resulting from the amended tax returns being filed as provided in Section 9.1.15 hereof, or arising out of or resulting from the circumstances giving rise to the need to file such amended tax returns, in each case with respect to any transaction, act or omission occurring prior to the Closing Date, Leo will not look to any of, and shall release each of, the Project Partnership, the Investor Partnership and Purchaser, as the successor general partner of the Investor Partnership or otherwise, from any liability with respect to any such claims or payments, and Leo will look solely to Seller for satisfaction of any such claims or payments and will agree that Seller's liability for any such claims or payments will be limited to transactions, acts or omissions occurring during the period between April 27, 2000 and the day preceding the Closing Date. Seller agrees to use commercially reasonable efforts to obtain such waiver from Leo; and

(m) Amended Tax Returns. Seller shall have caused to be filed prior to the Closing Date the amended tax returns for the taxable years ended December 31, 2000, 2001, and 2002 which are more particularly described on Exhibit Y attached hereto.

At any time or times on or before the date specified for the satisfaction of any condition, Purchaser or Seller may elect in writing to waive the benefit of any such condition set forth in Section 7.1 or Section 7.2, respectively. In the event any of the conditions set forth in Section 7.1 or 7.2 are neither waived in writing nor fulfilled, Purchaser or Seller (as appropriate) may terminate their obligations to perform at the Closing and otherwise under this Agreement in accordance with the provisions of Article 10.

No action, suit, claim, investigation or proceeding, whether legal or administrative or in mediation or arbitration, is pending against Purchaser before or by any court or federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality which would prevent Purchaser from performing its obligations pursuant to this Agreement.

8.2 Seller's Entity Representations. Seller represents and warrants to Purchaser the following (collectively, the "Seller's Entity Representations"):

8.2.1 Organization and Authority. Each of Seller, the General Partner, the Project Partnership and the Investor Partnership is a limited partnership, and, in the case of the General Partner, a limited liability company, duly organized, validly existing and in good standing under the laws of the State of Delaware. No consent or approval of any individual, partnership, limited liability company, corporation, firm, trust, unincorporated association or other entity ("Person") is required that has not been obtained in order for Seller, the General Partner, the Project Partnership or the Investor Partnership to enter into this Agreement or any documents contemplated hereunder, and no consent or approval of any Person or government entity is required that has not been obtained in order for Seller, the General Partner, the Project Partnership or the Investor Partnership to perform any obligation under this Agreement or any of the documents contemplated hereunder or to consummate the Transactions, other than the consent of Buck, Leo and the Lenders.

8.2.3 No Violation. Neither the execution and delivery of this Agreement and all of the documents contemplated hereunder to be executed by Seller, the General Partner, the Project Partnership or the Investor Partnership, nor the performance of obligations by such parties hereunder or thereunder will result in: (a) a violation of any law, rule or regulation; (b) a violation of or a conflict with any provision of the organization documents or limited partnership agreement of Seller, the Project Partnership or the Investor Partnership or the limited liability company operating agreement of the General Partner; (c) subject to obtaining the consent of the Lenders under the Loan, a breach of, or a default under, or the creation of any right of any party to accelerate, terminate or cancel, any contract, permit, license, lease, authorization or concession to which Seller, the General Partner, the Project Partnership or the Investor Partnership is a party or by which the Property is bound (including, without limitation, any indenture, deed to secure debt, mortgage, deed of trust, note or other evidence of indebtedness); (d) will conflict with any order or decree of any court or governmental instrumentality of any nature by which Seller, the General Partner, the Project Partnership or the Investor Partnership are bound; or (e) an imposition of any Encumbrance, restriction or charge on the VV City Interest, the Project Partnership Interest, the Property, the Project Partnership or the Investor Partnership.

In addition, there are no judgments, decrees or orders entered in a suit or proceeding against Seller, the General Partner, the Project Partnership, the Investor Partnership or the Property, an adverse decision in which might, or which judgment, decree or order does, adversely affect Seller's, the General Partner's, the Project Partnership's or the Investor Partnership's ability to perform its obligations pursuant to, or Purchaser's rights under, this Agreement, or which seeks to restrain, prohibit, invalidate, set aside, rescind, prevent or make unlawful this Agreement or the carrying out of this Agreement or the transactions contemplated hereby. 8.3.3 Leases Default. (i) The Project Partnership has not received any written notice of termination or default under any of the Leases, (ii) to Seller's knowledge there are no existing or uncured defaults in the performance of monetary obligations or in the performance of any other material obligations by the Project Partnership, by any predecessor landlord, or by any Tenant under the Leases (except that Fromex One Hour Photo System, Inc., and Deutsch Luggage are delinquent in the payment of rent), (iii) to the Seller's knowledge, there are no events which with passage of time or notice, or both, would constitute a payment default or other material default by the Project Partnership or by any Tenant, and (iv) to Seller's knowledge, no Tenant has asserted in writing any defense, set-off, or counterclaim with respect to its tenancy or its obligation to pay rent, additional rent, or other charges pursuant to its Lease. If any tenant estoppel certificate delivered to Purchaser prior to Closing contains statements confirming, without qualification as to best knowledge of Tenant, any of Seller's representations or warranties set forth in Section 8.3.2(b) or this Section 8.3.3, the Seller shall be deemed not to have made the applicable representations or warranties as to the Lease for which such statement is provided.

8.3.4 Lease Brokerage. There are no lease brokerage agreements, leasing commission agreements or other agreements providing for payments of any amounts for leasing activities or procuring tenants with respect to the Property other than as disclosed in Exhibit N. To Seller's knowledge, there are no existing or uncured defaults by W & S under the W & S Promissory Notes, and W & S has not asserted any defense, setoff, or counterclaim with respect to its obligations under the W & S Promissory Notes. W & S has not made, and the Project Partnership has not accepted, any prepayments of principal and interest under any of the W & S Promissory Notes.

8.3.7 Real Estate Tax Bills. To Seller's knowledge, true and complete copies of the most recent real estate tax bills for the Property have been delivered to Purchaser.

8.3.8 Condemnation. No condemnation or eminent domain proceedings relating to the Property or any part thereof are pending or, to Seller's knowledge, threatened.

8.3.9 Insurance. The Project Partnership has not received any written notice from any insurance company or board of fire underwriters of any defects or inadequacies in or on the Property or any part or component thereof that would materially and adversely affect the insurability of the Property or cause any material increase in the premiums for insurance for the Property that have not been cured or repaired.

8.3.10 Environmental Matters. Except as set forth in any environmental assessment reports in Seller's or the Project Partnership's possession and disclosed to Purchaser or as otherwise disclosed to Purchaser in writing, including, without limitation, that certain report prepared by STS Consultants Ltd., dated February 10, 1988, that certain report prepared by Law Engineering and Environmental Services, Inc., dated October 3, 1997, and Property Solutions, dated May 3, 2002, the Project Partnership has received no written notification that any governmental or quasi-governmental authority has determined that there are any violations or suspected violations of any Laws relating to Hazardous Materials at the Property (collectively, "Environmental Laws").

8.3.11 Operating Agreements. The Operating Agreement Schedule attached hereto as Exhibit O is a true, correct and accurate listing of all management agreements, service agreements, leasing agreements, maintenance agreements and all other written agreements with respect to the use, operation, management, maintenance and repair or all or any portion of the Property (collectively, the "Operating Agreements"), and Seller has furnished and made available to Purchaser for its review and inspection in the office of the Buck Management true, correct and complete copies of each of the Operating Agreements, including any amendments thereto. Except for the Buck Services Agreements, Seller will cause the Project Partnership to cancel, effective as of the Closing, any agreement in the nature of a management agreement or service contract between the Project Partnership and any partner or member of the Project Partnership or Investor Partnership or any party affiliated with or related to Seller or any partner or member of Seller, the Project Partnership or the Investor Partnership.

8.3.13 Foreign Person. Seller is not a "foreign person" which would subject Purchaser to the withholding tax provisions of Section 1445 of the Internal Revenue Code of 1986, as amended.

8.3.14 No Other Agreements. Other than the Leases, the Operating Agreements, and the Permitted Exceptions, there are no leases, service contracts, management agreements, or other agreements or instruments in force and effect, written or, to Seller's knowledge, oral, that grant to any person whomsoever or any entity whatsoever any right, title, interest or benefit in or to all or any part of the Property, any rights to acquire all or any part of the Property or any rights relating to the use, operation, management, maintenance, or repair of all or any part of the Property.

8.3.15 Designated Persons. The Designated Persons are persons within the organization of Seller and Seller's asset manager who have primary responsibility within their respective organizations for the operation, management and oversight of the Property.

8.3.16 Warranties and Guaranties. To Seller's knowledge, attached hereto as Exhibit P is an accurate and complete list and description of all of the warranties and guaranties of contractors, vendors, manufacturers and other parties in effect and related to the Property. Seller has furnished or made available to Purchaser true, correct and complete copies of all such warranties and guarantees listed on Exhibit P attached hereto.

8.3.17 Existing Title Policy. No claims have been made by Seller, the General Partner, the Project Partnership or the Investor Partnership under the Existing Title

Policy. To Seller's knowledge, the Existing Title Policy is in full force and effect and neither Seller, the General Partner, the Project Partnership nor the Investor Partnership has acted or failed to act in any manner that would impair the coverage under the Existing Title Policy.

Attached hereto as Exhibit U and by reference made a part hereof is a complete list of all documents and instruments evidencing or securing the Loan, including all modifications and amendments thereto, and Seller has provided to Purchaser true, correct and complete copies of all such documents and instruments. The Investor Partnership has not assumed or guaranteed any of the Project Partnership's obligations under the Loan (except in its capacity as general partner of the Project Partnership). Neither Seller nor the Project Partnership has received any written notice from the Lenders asserting a default under the Loan.

8.4 General Provisions.

8.4.1 Definition of "Seller's Knowledge". All references in this Agreement to "Seller's knowledge" or words of similar import shall mean the actual knowledge of Jeffrey J. Perpich and John C. Schoser of Lend Lease Real Estate Investments, Inc., advisor to Seller, (collectively, the "Designated Persons") after reasonably inquiry of Kent Swanson, Angelo Saccameno, Betsy Traczek and Theresa Mancuso of Buck Management, but without any duty on the part of such Designated Persons to conduct any independent investigation or make any inquiry of any other Person.

8.4.2 Notice of Breach: Seller's Right to Cure. If prior to the Closing, Purchaser obtains actual knowledge that any of the representations or warranties made herein by Seller are untrue, inaccurate or incorrect in any material respect, Purchaser shall give Seller written notice thereof within five (5) business days of obtaining such knowledge (but, in any event, prior to the Closing). If at or prior to the Closing, Seller obtains actual knowledge that any of the representations or warranties made herein by Seller are untrue, inaccurate or incorrect in any material respect, Seller shall give Purchaser written notice thereof within five (5) business days of obtaining such knowledge (but, in any event, prior to the Closing). In either such event, Seller shall have the right to cure such misrepresentation or breach and shall be entitled to a reasonable adjournment of the Closing [not to exceed fifteen (15) days] for the purpose of such cure. The untruth, inaccuracy or incorrectness of a representation or warranty shall be deemed material only if Purchaser's aggregate damages resulting from the untruth, inaccuracy or incorrectness of any of the representations or warranties are reasonably estimated by Purchaser to exceed $50,000 or relate to a claim for injunctive or other equitable relief.

8.4.3 Survival of Seller's Representations. The Seller's Entity Representations shall survive the Closing for a period of three (3) years following the Closing Date; provided, however, the Seller's Entity Representations contained in Section 8.2.7 (Ownership of Partnership Interests) and Section 8.2.14 (Taxes) shall survive the Closing until the expiration of the applicable statute of limitations (after giving effect to any waiver or extension thereof). The Seller's Property Representations shall survive Closing for a period of twelve (12) months following the Closing Date. Notwithstanding the foregoing, any representation or warranty in respect of which indemnity may be sought under this Agreement shall survive the time at which it would otherwise terminate as set forth above, if notice of claim of breach thereof giving rise to such right of indemnity shall have been given to Seller prior to the applicable survival date. Notwithstanding the foregoing, however, if the Closing occurs, Purchaser hereby expressly waives, relinquishes and releases any right or remedy available to it at Law, in equity or under this Agreement to make a claim against Seller for damages that Purchaser may incur, or to rescind this Agreement and the Transaction, as the result of any of Seller's representations or warranties under this Agreement being untrue, inaccurate or incorrect if (a) Purchaser's representatives, L. Clay Adams, Spencer Patton, Christy Kirkland or Michael Holmes, had actual knowledge of facts or circumstances that caused such representation or warranty to be untrue, inaccurate or incorrect at the time of the Closing, or (b) Purchaser's aggregate damages as a result of such representations or warranties being untrue, inaccurate or incorrect (in each case determined without regard to any qualifications therein referencing "materiality" or other words of similar effect) are reasonably estimated to be less than (i) with respect to all such representations and warranties of Seller other than those in Sections 8.3.2(b) and 8.3.3, $50,000, and (ii) with respect to the representations and warranties of Seller in Sections 8.3.2(b) and 8.3.3, $200,000.

8.4.4 Survival of Purchaser's Representations. The representations and warranties made by Purchaser in Section 8.1 shall survive the Closing for a period of twelve (12) months. Purchaser shall only be liable to Seller hereunder for a breach of a representation and warranty made herein or in any of the documents executed by Purchaser at the Closing with respect to which Seller shall have commenced a legal proceeding against Purchaser prior to that survival date alleging that Purchaser has breached such representation or warranty and that Seller suffered actual damages as a result thereof.

ARTICLE 9

COVENANTS

9.1 Seller's Covenants. Seller hereby covenants as follows:

9.1.1 Amendments to Agreements. Without the Purchaser's prior written consent (which consent may be withheld in Purchaser's sole discretion) between the date hereof and the Closing Date and except as expressly contemplated under this Agreement, Seller shall not and shall cause the Investor Partnership and the Project Partnership not to permit any amendment or modification of, any supplement to, or any termination or surrender, or any waiver or any rights of Seller, the Investor Partnership or the Project Partnership under the Certificates, the Project Partnership Agreement, the Investor Partnership Agreement, the Existing Title Policy, or the Loan.

9.1.2 Rent. Neither Seller, the Project Partnership nor the Investor Partnership shall accept any payment of rent under the Leases more than thirty (30) days in advance of the due date for such rent or accept any prepayment of the installments of principal and interest under the W & S Promissory Notes in advance of the due date for such installments.

9.1.3 Service Contracts. Without Purchaser's prior consent, which consent shall not be unreasonably withheld, between the date hereof and the Closing Date, Seller shall not and shall cause the Project Partnership and the Investor Partnership not to enter into any management, service, leasing, supply, maintenance or similar agreement affecting the Property or modify, amend, renew or extend any existing Operating Agreement unless such agreement is for Seller to perform repairs to the Property in the ordinary course of business and such agreement can be terminated by the owner of the Property without penalty on not more than thirty (30) days' notice.

9.1.4 Leases and Permitted Exceptions. Without Purchaser's prior written consent, which consent shall not be unreasonably withheld, between the date hereof and the Closing Date, Seller shall not and shall cause the Project Partnership and the Investor Partnership not (i) to enter into any new leases or any amendments, modifications or terminations of any Leases, or (ii) to modify or amend the W & S Promissory Notes or grant any release or indulgence to the obligor under the W & S Promissory Notes, or (iii) to modify, amend or terminate any of the Permitted Exceptions.

9.1.5 Litigation. Seller shall advise Purchaser promptly of any litigation, arbitration, proceeding or administrative hearing (including condemnation) which affects the Property, the VV City Interest, the Project Partnership Interest, the Project Partnership or the Investor Partnership in any respect, which is instituted by service of process after the date of this Agreement.

9.1.6 Insurance. Seller shall cause the Project Partnership to keep the Improvements insured against fire and other hazards in such amounts and under such terms, coverage and limits of liability at least equal to insurance currently in force as of the date of this Agreement.

9.1.7 Taxes. Seller acknowledges and agrees that Seller shall be responsible for (i) the payment of 97.9396% of all Taxes of the Investor Partnership attributable to Seller's period of ownership of the VV City Interest, and (ii) the payment of 94.5124% of all Taxes of the Project Partnership attributable to the Investor Partnership's period of ownership of the Project Partnership Interest (other than property Taxes that are the responsibility of Tenants under the Leases.)

9.1.8 Notices of Sale to Tenants. At Closing, Seller will and shall cause the Project Partnership to join with Purchaser in executing a notice, in a form and content reasonably satisfactory to Seller and Purchaser, which Purchaser may send to the Tenants informing such Tenants of the sale of the VV City Interest and directing that all rent and other sums payable for periods after Closing under such Leases shall be paid as set forth in such notices.

9.1.9 Notices to Sale to Service Contractors. At Closing, Seller will and shall cause the Project Partnership to join with Purchaser in executing notices, in form and content reasonably satisfactory to Seller and Purchaser, which Purchaser shall send to each service provider under the Operating Agreements informing such service provider of the sale of the VV City Interest and directing that all future statements or invoices for services under such Operating Agreements for periods after the Closing Date be directed as set forth in such notices.

9.1.10 Estoppel Certificates. Prior to the Closing Date Seller shall use and shall cause the Project Partnership and the Investor Partnership to use commercially reasonable efforts to obtain estoppel certificates from Leo, W&S and the other Tenants as set forth on Exhibits H, I and J attached hereto, respectively; provided, however, Seller shall not be in default under this Agreement if it is unable to obtain such estoppel certificates and, in any event, Seller shall be under no obligation to pay money or exercise any remedies under the relevant Leases to obtain such estoppel certificates.

9.1.11 Ordinary Course of Business. Between the date hereof and the Closing Date, Seller shall and shall cause the Investor Partnership and the Project Partnership to operate the Property, the Project Partnership and the Investor Partnership in the ordinary course of business consistent with past practice and shall use its commercially reasonable efforts to preserve intact the Property, the Project Partnership and the Investor Partnership and their business relationships. Seller shall not permit and shall cause the Investor Partnership and the Project Partnership not to permit the Project Partnership or the Investor Partnership to undertake any business activity other than the ownership of the Property, in the case of the Project Partnership, and the Project Partnership Interest, in the case of the Investor Partnership. Seller shall and shall cause the Project Partnership and the Investor Partnership to perform and discharge all the duties and obligations and comply with the covenants and agreement of the landlord or lessor under the Leases in the manner and within the time limited required thereunder. In addition, between the date hereof and the Closing Date, Seller shall not permit and shall not cause the Project Partnership and the Investor Partnership or any of their respective officers, managers, directors, representatives or agents to (i) issue or agree to issue any partnership or other equity interests in the Project Partnership or the Investor Partnership, (ii) merge or consolidate with any other Person or acquire any assets outside the ordinary course of business, (iii) sell, lease, license, assign or otherwise dispose of any assets or property, (iv) cancel any debts or waive any claims or rights, (v) make or agree to make any capital expenditure in excess of $10,000, (vi) fail to continue to properly maintain, insure and protect the Property consistent with past practice, (vii) subject to Section 9.1.15 and Exhibit Y hereto, make any material Tax election for the Project Partnership or the Investor Partnership, or settle or compromise any Tax liability that could create or otherwise cause any material liability of the Project Partnership or the Investor Partnership (or the partners thereof) that will exist or become due on or after the Closing Date, or (viii) agree or commit to do any of the foregoing. Prior to the Closing Date, Seller shall and shall cause the Project Partnership, the Investor Partnership and Buck Management to continue to operate, repair and maintain the Property in good businesslike fashion consistent with past practices.

9.1.12 Indebtedness: Encumbrances. Seller shall not and shall cause the Project Partnership and the Investor Partnership not to assume, guarantee or incur any additional obligations for borrowed money or any indebtedness other than accounts payable arising in the ordinary course of business of the ownership and operation of the Property. Except with Purchaser's prior written consent, neither Seller, the Project Partnership or the Investor Partnership shall grant or otherwise create or consent to the creation of any easement, restriction, lien, assessment or encumbrance with respect to the Property, the VV City Interest or the Project Partnership Interest.

9.1.13 Cooperation with Purchaser's Auditors and SEC Filing Requirements. Seller shall provide to Purchaser (at Purchaser's expense) copies of, or shall provide Purchaser access to, such factual information as may be reasonably requested by Purchaser, and in the possession or control of Seller, the Project Partnership or the Investor Partnership or Seller's asset manager and the Project Partnership's property manager or accountants, to enable Purchaser (and/or Wells Real Estate Investment Trust, Inc.) to file its or their Form 8-K, if, as and when such filing may be required by the Securities and Exchange Commission ("SEC"). At Purchaser's sole cost and expense, Seller shall allow Purchaser's auditor (Ernst & Young LLP or any successor auditor selected by Purchaser) to conduct an audit of the income statements of the Property (and the Project Partnership and Investor Partnership) for 2000, 2001, 2002 and 2003 (to the date of Closing), and shall cooperate (at no cost to Seller) with Purchaser's auditor in the conduct of such audit. In addition, Seller agrees to provide to Purchaser's auditor a letter of representation in the form attached hereto as Exhibit T, and, if requested by such auditor, historical financial statements for the Property, including income and balance sheet data for the Property, whether required before or after Closing. Without limiting the foregoing, (i) Purchaser or its designated independent or other auditor may audit Seller's operating statements of the Property at Purchaser's expense; and Seller shall provide such documentation as Purchaser or its auditor may reasonably request in order to complete such audit, and (ii) Seller shall furnish to Purchaser such financial and other information as may be reasonably required by Purchaser to make any required filings with the SEC or other governmental authority; provided, however, that the foregoing obligations of Seller shall be limited to providing such information or documentation as may be in the possession of, or reasonably obtainable by, Seller, its property manager or accountants, at no cost to Seller, and in the format that Seller (or its property manager or accountants) have maintained such information.

9.1.14 No Action. Neither Seller, the General Partner, the Project Partnership nor the Investor Partnership will knowingly take, or agree or commit to take, any action that would make any representation or warranty of Seller hereunder inaccurate in any respect at or prior to the Closing Date.

9.1.15 Amended Tax Returns. Seller, the Investor Partnership and the Project Partnership are currently in the process of making certain corrections to the Tax Returns of the Investor Partnership and the Project Partnership for the taxable years ended December 31, 2000, 2001, and 2002. The corrections are more particularly described in Exhibit Y hereto. Seller shall use all commercially reasonable efforts necessary to have the amended tax returns (and other documentation necessary to make such corrections) prepared and filed prior to the Closing Date.

9.2 Mutual Covenants.

9.2.1 Publicity. Seller and Purchaser each hereby covenant that prior to the Closing neither Seller nor Purchaser shall issue any press release or public statement (a "Release") with respect to the Transaction without the prior consent of the other, except to the extent required by law. If either Seller or Purchaser is required by law to issue a Release, such party shall, at least two (2) business days prior to the issuance of the same, deliver a copy of the proposed Release to the other party for its review. Neither Seller nor Purchaser shall permit any of its advisors, brokers or other representatives to issue a Release prior to the Closing without the prior written consent of the other in accordance with the terms hereof; including any "tombstone" ads. No Release issued by Purchaser or any of its advisors, brokers or other representatives shall identify Seller or any of its affiliates by name (unless required by law).

9.2.2 Broker. (a) Seller has been represented by the Broker in connection with the Transaction, and Seller shall be responsible for all compensation due the Broker in respect of the Transaction. In addition, Seller has engaged Lend Lease as its asset manager with respect to the Property and with respect to certain matters related to the Transaction. Seller represents and warrants to Purchaser that neither Seller, the General Partner, the Project Partnership nor the Investor Partnership has dealt or negotiated with or engaged on its own behalf or for its benefit any agent, advisor, broker or finder in connection with this Agreement, the Property or the transactions contemplated hereby other than the Broker and Lend Lease. Seller hereby agrees to indemnify, defend and hold Purchaser harmless from and against any and all claims, demands, causes of action, losses, costs and expenses (including reasonable attorneys' fees and disbursements) arising from any claim for commission, fees or other compensation or reimbursement for expenses made by any agent, advisor, broker or finder engaged by or claiming by, through or under Seller, the General Partner, the Project Partnership or the Investor Partnership in connection with this Agreement, the Property or the transactions contemplated hereby, including, without limitation, the Broker and Lend Lease.

(b) Purchaser represents and warrants to Seller that it has not dealt or negotiated with, or engaged on its own behalf or for its benefit, any agent, advisor, broker or finder in connection with this Agreement or the transactions contemplated hereby, other than the Broker and Lend Lease. Purchaser hereby agrees to indemnify, defend and hold Seller and the other Seller Related Parties harmless from and against any and all claims, demands, causes of action, losses, costs and expenses (including reasonable attorneys' fees and disbursements) arising from any claim for commission, fees or other compensation or reimbursement for expenses made by any agent, advisor, broker or finder engaged by or claiming by, through or under Purchaser in connection with this Agreement or the transactions contemplated hereby (other than the Broker and Lend Lease).

(c) The provisions of this Section 9.2.2 shall survive the termination of this Agreement or the Closing.

9.2.3 Further Assurances. Each party shall upon reasonable request do such further acts as may be reasonably necessary or appropriate to consummate the Transaction. From and after Closing, Seller shall do, execute, acknowledge and deliver all such further acts, assurances, deeds, assignments, transfers, conveyances, powers of attorney and other instruments and papers as may be reasonably required to consummate the Transaction and vest ownership of the VV City Interest in Purchaser. Whenever in this Agreement a party agrees to use "commercially reasonable efforts" or words of similar effect, such party shall be obligated to act in good faith and the undertaking by such party shall be deemed to include, without limitation, the writing of letters, the attendance at meetings (including incurring travel expenses relating thereto), and incurring fees of consultants and advisors, but such undertaking shall not include the obligation to initiate or prosecute any litigation or to make any substantial inducement payment.

ARTICLE 10

FAILURE OF CONDITIONS

10.1 Seller's Obligations. If, on the Closing Date, (i) Purchaser is in default of any of its obligations hereunder, or (ii) any of Purchaser's representations or warranties are untrue in any material respect, or (iii) the Closing otherwise fails to occur by reason of Purchaser's failure or refusal to perform its obligations hereunder in a prompt and timely manner, then Seller may elect to terminate this Agreement by written notice to Purchaser. If this Agreement is so terminated, then Seller shall be entitled, as Seller's sole and exclusive remedy, to the Deposit as liquidated damages, and thereafter neither party to this Agreement shall have any further rights or obligations hereunder other than any arising under any section herein which expressly provides that it survives the termination of this Agreement. Purchaser and Seller acknowledge that it would be extremely impractical and difficult to ascertain the actual damages which would be suffered by Seller if Purchaser fails to consummate the purchase and sale contemplated in this Agreement for any reason other than Seller's default hereunder or the failure of any condition precedent to Purchaser's obligation to close hereunder. Purchaser and Seller have considered carefully the loss to Seller occasioned by taking the VV City Interest off the market as a consequence of the negotiation and execution of this Agreement, the expenses of Seller incurred in connection with the preparation of this Agreement and Seller's performance hereunder, and the other damages, general and special, which Purchaser and Seller realize and recognize Seller will sustain, but which Seller cannot at this time calculate with absolute certainty. Based on all the foregoing considerations, Purchaser and Seller have agreed that the damage to Seller in such event would reasonably be expected to be equal to the sum of the Deposit. Accordingly, if Purchaser fails to consummate the purchase of the Property in accordance with the terms of this Agreement for any reason other than Seller's default hereunder or the failure of any condition precedent to Purchaser's obligation to close hereunder, then Seller shall have the right to receive the Deposit as full and complete liquidated damages and as Seller's sole and exclusive remedy hereunder.

10.2 Purchaser's Obligations. If, on the Closing Date, (i) Seller is in default of any of its obligations hereunder, or (ii) any of Seller's representations or warranties are untrue in any material respect, or (iii) the Seller is unable to deliver title in accordance with the provisions hereof, or (iv) the Closing otherwise fails to occur by reason of Seller's failure or refusal to perform its obligations hereunder in a prompt and timely manner, Purchaser shall have the right to elect as its sole and exclusive remedy to do one of the following: (a) terminate this Agreement by written notice to Seller, promptly after which the Deposit shall be returned to Purchaser and Seller shall pay to Purchaser an amount equal to the lesser of (i) Purchaser's actual out-of-pocket expenditures incurred directly in connection with negotiating this Agreement, negotiating and documenting the agreements with Buck, Buck Management and Leo referred to in Section 7.2 hereof, and conducting due diligence activities contemplated hereunder and (ii) $250,000; or (b) provided that Seller has the legal capacity to close the Transaction, waive the condition, breach, failure or refusal and proceed to close the Transaction, or (c) seek specific performance of this Agreement by Seller; provided, however, that if, after the date hereof, Seller shall have (i) conveyed title to the Property or the VV City Interest or Project Partnership Interest to another party, or (ii) intentionally and knowingly granted or created any Title Defect not otherwise permitted by this Agreement thereby defeating the remedy of specific performance, Purchaser shall be entitled to seek actual damages from Seller. If any of the conditions set forth in Section 7.2 are neither waived in writing nor fulfilled by the Closing Date (as the same may be extended pursuant to Section 6.1), other than with respect to a condition described in clause 10.2 (i), (ii) or (iii) above, Purchaser may elect to terminate this Agreement by written notice to Seller, promptly after which the Deposit shall be returned to Purchaser and neither party shall have any further obligations or liabilities under this Agreement.

ARTICLE 11

CONDEMNATION/CASUALTY

11.1 Condemnation.

11.1.1 Right to Terminate. If, prior to the Closing Date, all or any significant portion (as hereinafter defined) of the Real Property is taken by eminent domain (or is the subject of a pending taking which has not yet been consummated), Seller shall notify Purchaser in writing of such fact promptly after obtaining knowledge thereof, either Purchaser or Seller shall have the right to terminate this Agreement by giving written notice to the other no later than ten (10) days after the giving of Seller's notice, and the Closing Date shall be extended, if necessary, to provide sufficient time for Purchaser or Seller to make such election. The failure by Purchaser and Seller to so elect in writing to terminate this Agreement within such ten (10) day period shall be deemed an election not to terminate this Agreement. For purposes hereof, a "significant portion" of the Real Property shall mean (i) such portion as shall be comprised of one-half (1/2) of one (1) acre or more of the Real Property, (ii) such a portion as shall be comprised of any of the parking area on the Real Property, unless applicable zoning and other land use laws permit such parking area to be relocated on any portion of the remainder of the Real Property that is unimproved other than by landscaping, (iii) such a portion as will result in Leo or W&S having any right to terminate its Lease or reduce the rent payable thereunder, (iv) such a portion as will result in the Property becoming a nonconforming use or having a status similar thereto under applicable zoning, or (v) such a portion as is reasonably incapable of being restored or replaced in function without material adverse effect on the use or value of the Property within six (6) months of the condemnation having occurred. If either party elects to terminate this Agreement as aforesaid, the provisions of Section 11.3 shall apply.

11.1.2 Assignment of Proceeds. If (a) neither Seller nor Purchaser elects to terminate this Agreement as aforesaid if all or any significant portion of the Real Property is taken, or if (b) a portion of the Real Property not constituting a significant portion of the Real Property is taken or becomes subject to a pending taking, by eminent domain, there shall be no abatement of the Purchase Price; provided, however, that, Purchaser shall have the right to participate in all negotiations and proceedings for compensation and otherwise and no such action or proceedings shall be settled or compromised by Seller except with the prior written consent of Purchaser, and at the Closing, Seller shall pay to Purchaser the amount of any award for or other proceeds on account of such taking which have been actually received by Seller prior to the Closing Date as a result of such taking, and, to the extent such award or proceeds have not been paid, Seller shall release and relinquish unto the Project Partnership at the Closing the rights of Seller, if any, to all awards for the taking of the Real Property or such portion thereof.

11.2 Destruction or Damage. If any of the Real Property is damaged or destroyed prior to the Closing Date, Seller shall notify Purchaser in writing of such fact promptly after obtaining knowledge thereof. If any such damage or destruction (a) would cost less than Three Million Five Hundred Dollars ($3,500,000), as reasonably estimated by Seller, and (b) would not be a loss uncovered by insurance by more than the deductible amount in the Project Partnership's insurance policy, and (c) would not result in Leo or W&S having any right to terminate its Lease or reduce the rent payable thereunder or abate same (unless business loss or rent loss insurance should be available to the Project Partnership in the full amount of such abatement or reduction) (a "Minor Casualty"), then this Agreement shall remain in full force and effect and Purchaser shall acquire the VV City Interest upon the terms and conditions set forth herein. In such event, Purchaser shall receive a credit against the Purchase Price equal to 94.5124% of the deductible amount applicable under the Project Partnership's casualty policy, and Seller shall assign to the Project Partnership all of Seller's right, title and interest in and to all proceeds of insurance on account of such damage or destruction (including Seller's right, title and interest, if any, in and to all proceeds of rent or business loss insurance for the period from and after the Closing) and at Purchaser's request shall cooperate with and assist Purchaser and the Project Partnership, at no cost to Seller, in collection of the same. If the Real Property is damaged or destroyed prior to the Closing Date as the result of a non-Minor Casualty, then, notwithstanding anything to the contrary set forth above in this section, Purchaser shall have the tight, at its election, to terminate this Agreement. Purchaser shall have thirty (30) days after Seller notifies Purchaser that a casualty has occurred and the estimated cost of repair or restoration to make such election by delivery of a written election notice (the "Election Notice") and the Closing Date shall be extended, if necessary, to provide sufficient time for Purchaser to make such election. The failure by Purchaser to deliver the Election Notice within such thirty (30) day period shall be deemed an election not to terminate this Agreement. If Purchaser elects not to terminate this Agreement as set forth above, this Agreement shall remain in full force and effect, Seller shall assign to the Project Partnership all of Seller's right, title and interest in and to any and all proceeds of insurance on account of such damage or destruction, if any, and, Purchaser shall receive a credit against the Purchase Price equal to 94.5124% of the deductible amount under the Project Partnership's casualty insurance policy.

11.3 Effect of Termination. If this Agreement is terminated pursuant to Section 11.1 or Section 11.2, the Deposit shall be refunded to Purchaser, and Seller shall so direct promptly. Upon such refund, this Agreement shall terminate and neither party to this Agreement shall have any further rights or obligations hereunder other than any arising under any section herein which expressly provides that it shall survive the termination of this Agreement.

11.4 Waiver. The provisions of this Article 11 supersede the provisions of any applicable statutory or decisional law with respect to the subject matter of this Article 11.

ARTICLE 12

ESCROW

The Deposit and any other sums which the parties agree shall be held in escrow (herein collectively called the "Escrow Deposits"), together with all interest earned thereon, shall be held by the Escrow Agent, in trust, and disposed of only in accordance with the following provisions:

(a) The Escrow Agent shall invest the Escrow Deposits in government insured interest-bearing instruments satisfactory to both Purchaser and Seller, shall not commingle the Escrow Deposits with any funds of the Escrow Agent or others, and shall promptly provide Purchaser and Seller with confirmation of the investments made.

(b) If the Closing occurs, the Escrow Agent shall deliver the Escrow Deposits to, or upon the instructions of, Seller on the Closing Date.

(c) If for any reason the Closing does not occur, the Escrow Agent shall deliver the Escrow Deposits and all interest earned thereon to Seller or Purchaser only upon receipt of a written demand therefor from such party, subject to the following provisions of this Section 12.1(c). If for any reason the Closing does not occur and either party makes a written demand upon the Escrow Agent for payment of the Escrow Deposits and the interest earned thereon, the Escrow Agent shall give written notice to the other party of such demand. If the Escrow Agent does not receive a written objection from the other party to the proposed payment within ten (10) days after the giving of such notice, the Escrow Agent is hereby authorized to make such payment. If the Escrow Agent does receive such written objection within such period, the Escrow Agent shall continue to hold such amount until otherwise directed by written instructions signed by Seller and Purchaser or a final judgment of a court.

(d) The parties acknowledge that the Escrow Agent is acting solely as a stakeholder at their request and for their convenience, that the Escrow Agent shall not be deemed to be the agent of either of the parties, and that the Escrow Agent shall not he liable to either of the parties for any action or omission on its part taken or made in good faith, and not in disregard of this Agreement, but shall be liable for its negligent acts and for any loss, cost or expense incurred by Seller or Purchaser resulting from the Escrow

Agent's mistake of law respecting the Escrow Agent's scope or nature of its duties. Seller and Purchaser shall jointly and severally indemnify and hold the Escrow Agent harmless from and against all costs, claims and expenses, including reasonable attorneys' fees, incurred in connection with the performance of the Escrow Agent's duties hereunder, except with respect to actions or omissions taken or made by the Escrow Agent in bad faith, in disregard of this Agreement or involving negligence on the part of the Escrow Agent.

(e) Purchaser shall pay any income taxes on any interest earned on the Deposit. Purchaser represents and warrants to the Escrow Agent that its taxpayer identification number is 58-2368838.

(f) The Escrow Agent has executed this Agreement in the place indicated on the signature page hereof in order to confirm that the Escrow Agent has received and shall hold the Escrow Deposits and the interest earned thereon, in escrow, and shall disburse the Escrow Deposits, and the interest earned thereon, pursuant to the provisions of this Article 12.

(g) The escrow fee, if any, charged by the Escrow Agent shall be shared equally by Seller and Purchaser.

ARTICLE 13

INDEMNIFICATION

13.1 Indemnification. Subject to Section 13.2, Seller hereby agrees to indemnify, protect, defend, save and hold harmless Purchaser and its successors and assigns from and against any and all debts, duties, obligations, liabilities, suits, claims (including any claim for damage to property or injury to or death of any persons), demands, liens, encumbrances, causes of action, damages, losses, fees and expenses (including, without limitation, attorneys' fees and expenses and court costs) (all of the foregoing, collectively, "Claims") in any way relating to, or in connection with or arising out of:

(a) any breach by Seller of any of its representations, warranties or covenants contained in this Agreement or any document, certificate or instrument to be delivered at Closing;

(b) any act or omission of Seller, the Project Partnership, or the Investor Partnership occurring prior to the Closing which constitutes a violation of any laws, statutes, ordinances, rules, regulations, orders, decrees or injunctions of any governmental or judicial authority, but excluding under this subsection (b) any Claims that the Real Property is in violation of any applicable fire, health, building, use, occupancy or zoning laws or any claims relating to any work allegedly required to be done upon or in connection with the Real Property;

(c) any personal or bodily injury or death or property damage occurring prior to Closing at or in respect of the Property, or any portion thereof;

(d) any tortious act or omission of Seller, the Project Partnership, or the Investor Partnership occurring prior to the Closing;

(e) any "Transfer Indemnification Amounts" that may be owed by the Project Partnership or the Investor Partnership to Leo (or any shareholder of Leo) pursuant to Section 25 of the Project Partnership Agreement (or the corresponding provision of the Restated Project Partnership Agreement, as the case may be) arising as a result of (i) the transactions contemplated in that certain Purchase and Sale Agreement, dated April 14, 2000, by and between SOFI IV Arizona Trust, as seller therein, and Seller, as purchaser therein, ("Seller's Acquisition Contract"), (ii) any transactions occurring prior to the closing of the transaction contemplated in Seller's Acquisition Contract, (iii) any transactions occurring from and after the closing of the transaction contemplated in the Seller's Acquisition Contract and before the Closing (the "Seller's Ownership Period"), and (iv) the "Simple Transfer Aspect" (as that term is hereafter defined); any "Conversion Indemnification Amount" that may be owed by the Project Partnership or the Investor Partnership to Leo (or any shareholder of Leo) pursuant to Section 25 of the Project Partnership Agreement (or the corresponding provision of the Restated Project Partnership Agreement, as the case may be) whenever arising; the term "Simple Transfer Aspect" shall mean only the assignment of the VV City Interest by Seller to Purchaser and not any other aspect or component of the Transaction, such as the modifications to the Project Partnership Agreement and Lease with Leo, to the Investor Partnership Agreement with Buck and to the Loan with the Lenders as contemplated in this Agreement so that, if Leo asserts any Claim based upon other aspects or components of this Transaction that are not the Simple Transfer Aspect, Seller shall not be responsible to Purchaser under this Section 13.1 with respect to that Claim;

(f) any breach of the "Debt Maintenance Requirement" under Section 24 of the Project Partnership Agreement, the filing of amended income tax returns and other filings described in Section 9.1.15 or Exhibit Y hereto, or the circumstances giving rise to the need to file such amended tax returns, in each case in connection with or arising from transactions, acts or omissions occurring during the period between April 27, 2000 and the day preceding the Closing Date; and/or

(g) any Claim based upon a claim under Section 9.2 of the Seller's Acquisition Contract made by SOFI IV Arizona Trust, or its permitted successor or assignee, based on facts and circumstances first occurring during Seller's Ownership Period.

13.2 Indemnification Limitations.

(a) The following limitations shall apply to Seller's Indemnification Obligations under Section 13.1:

(i) With respect to any Claims under Section 13.1(a) as to Seller's Property Representation only, Purchaser must have notified Seller, in writing, of any such Claim within twelve (12) months of the Closing Date or the indemnification obligation shall have lapsed with respect to that Claim, and the aggregate liability of Seller for all such Claims timely raised shall not exceed Seven Million Five Hundred Thousand Dollars ($7,500,000).

(ii) With respect to any Claims under Section 13.1(a) as to Seller's Entity Representations only (excluding from this cause (ii) the Seller's Entity Representations set forth in Section 8.2.7 and Section 8.2.14 which are separately addressed in clauses (iii) and (iv), respectively, below), Purchaser must have notified Seller, in writing, of any such Claim within three (3) years following the Closing Date or the indemnification obligation shall have lapsed with respect to that Claim and the aggregate liability of Seller for all such timely raised Claims, plus the aggregate liability for all timely raised Claims under clause (iv) below, shall not exceed Thirty-Five Million Dollars ($35,000,000).

(iii) With respect to any Claims under Section 13.1(a) (but only as to the Seller's Entity Representation set forth in Section 8.2.7), under Section 13.1(b), under Section 13.1(c), under Section 13.1(d), under Section 13.1(e), under Section 13.1(f), and under Section 13.1(g), there shall be no time limitation for asserting any such Claim except the applicable statute of limitations and Seller's liability shall not be subject to any dollar limitation.

(iv) With respect to any Claims under section 13.1(a) as to the Seller's Entity Representations set forth in Section 8.2.14, Purchaser must have notified Seller, in writing, of any such Claim prior to the expiration of the applicable statute of limitation (after giving effect to any waiver or extension thereof) or the indemnification obligation shall have lapsed with respect to that Claim and the aggregate liability of Seller for all such timely raised Claims, plus the aggregate liability for all timely raised Claims under clause (ii) above, shall not exceed Thirty Five Million Dollars ($35,000,000), provided that any Claims under subsections 8.2.14(e), (f) or (i) shall not be subject to any dollar limitation.

(b) For a period of three (3) years from and after Closing, Seller covenants to maintain "Partner's Equity" (calculated and defined in the manner shown on its most recent financial statement provided to Purchaser prior to the date of this Agreement) of not less than Seventy Million Dollars ($70,000,000). During such three (3) year period, Seller agrees to furnish to Purchaser copies of its annual, audited financial statements prepared and certified by KPMG (or other nationally recognized accounting firm) promptly after the receipt thereof by Seller. During such three (3) year period, Seller also agrees to provide to Purchaser a letter within sixty (60) days after the end of each calendar quarter (except the last calendar quarter) certifying to Purchaser the Partner's Equity at the end of the preceding calendar quarter. If at any time during such three (3) year period any such audited financial statement or quarterly letter from Seller shall report Partner's Equity less than $70,000,000, or the Partner's Equity shall otherwise fall below $70,000,000 for any reason whatsoever, Seller shall give prompt written notice thereof to Purchaser, and within sixty (60) days after the date the Partner's Equity shall fall below $70,000,000 (or prior to the date the Partner's Equity shall fall below $70,000,000 if the Partner's Equity will be reduced below $70,000,000 as a result of any principal payment on a Shareholder Loan as provided in Section 13.2.(c) below), Seller shall deliver to Purchaser a standby, irrevocable letter of credit, in the form set forth on Exhibit W attached hereto, having an expiry date not earlier than such three (3) year period, plus thirty (30) days, issued by a national banking association reasonably acceptable to Purchaser, for the difference between $70,000,000 and the amount of Seller's then current Partner's Equity (or the Partner's Equity that will result from the principal payment on a Shareholder Loan, as the case may be), to secure Seller's indemnification obligations under this Article 13. Seller further agrees that if Seller shall fail to timely deliver to Purchaser its annual, audited financial statement within the ten (10) days after receipt thereof by Seller or if Seller shall fail to provide to Purchaser the quarterly letter from Seller certifying to Purchaser the Partner's Equity within sixty (60) days after the end of the preceding calendar quarter as provided above, and if in either such case the failure shall continue for ten (10) days after notice of such failure is given to Seller, Seller will immediately deliver to Purchaser a standby, irrevocable letter of credit, in the form set forth on Exhibit W attached hereto, having an expiry date not earlier than such three (3) year period, plus thirty (30) days, issued by a national banking association reasonably acceptable to Purchaser, in the amount of the greater of (i) $5,000,000, or (ii) the difference between $70,000,000 and the amount of Seller's then current Partner's Equity, to secure Seller's indemnification obligations under this Article 13. If at any time following the delivery to Purchaser of an irrevocable letter of credit as provided in this Section 13.2(b), (A) the Partner's Equity shall be reinstated to an amount equal to or greater than $70,000,000 (as evidenced by a written certification by Seller to Purchaser to such effect accompanied by current balance sheet of Seller, certified by Seller to be true and correct in all material respects, reflecting the requisite Partner's Equity), and (B) Seller is then current with respect to its obligation to deliver the financial statements and letter certifications required to be provided by Seller under this Section 13.2(b), Purchaser shall return to Seller any then outstanding letter of credit held by Purchaser.

(c) Reference is made to the Shareholder Loans described in Note (5) of the Consolidated Financial Statements of Seller and its Subsidiaries as of December 31, 2002 and December 31, 2001 (a copy of which has been delivered to Purchaser) (each and any future shareholder loan, a "Shareholder Loan" and, collectively, the "Shareholder Loans"). On or before Closing, Seller agrees to cause the maturity dates of each of the Shareholder Loans to be extended by the holder to a date not earlier than January 31, 2007 (one of the Shareholder Loans has a maturity date of December 31, 2008 and no extension shall be required for that Shareholder Loan). At least three (3) business days before Closing, Seller shall furnish to Purchaser letters from the holders of such Shareholder Loans confirming such extensions. Provided that Seller shall be current with respect to its obligation to deliver the financial statements and letter certifications required to be provided by Seller to Purchaser under Section 13.2(b), Seller may take any action with respect to the Shareholder Loans, including, without limitation, prepayment in whole or in part, or amendment to the terms, and Seller may make additional shareholder loans, so long as Seller maintains a Partner's Equity of at least $70,000,000 as required under Section 13.2(b) hereof. Prior to Seller making any principal payment on a Shareholder Loan the effect of which payment would reduce Partner's Equity below $70,000,000, Seller agrees to give Purchaser prompt written notice thereof and to deliver to Purchaser the letter of credit required under Section 13.2(b).

(d) Notwithstanding any provision of this Agreement to the contrary, Purchaser's recourse to the General Partner of Seller for any liability that the General Partner may have to Purchaser solely by virtue of its capacity as the general partner of Seller, shall be limited to only its general partnership interest in Seller and to the amount of the distributions made or to be made to or for the benefit of such General Partner therefrom. Purchaser agrees not seek recourse to any other assets of the General Partner.

(e) In the event that Purchaser is holding a letter of credit pursuant to any of the foregoing provisions, Purchaser only shall be entitled to draw against the letter of credit under the following circumstances: (i) pursuant to the provisions of this Article 13 it shall have been determined by Purchaser, in the exercise of its commercially reasonable judgment, that funds are due and payable to Purchaser for a Claim; (ii) Purchaser shall have made written demand to Seller for payment of such Claim and Seller shall have failed to make such payment within thirty (30) days after such written demand; and (iii) as part of the draw procedure under the letter of credit, Purchaser shall deliver to the issuer of the letter of credit a written certification that it is entitled under this Article 13 to draw against the letter of credit for the amount of the Claim.

13.3 General Provisions Regarding Indemnities. All of the indemnification obligations under this Agreement shall be subject to the following provisions:

(a) Should the indemnitor fail to discharge or undertake to defend the indemnitee against such Claim (with counsel approved by the indemnitee), within ten (10) days after the indemnitee gives the indemnitor written notice of the same, then the indemnitee may settle such Claim, and the indemnitor's liability to the indemnitee shall be conclusively established by such settlement, the amount of such liability to include both the settlement consideration and the reasonable costs and expenses, including attorneys' fees, incurred by the indemnitee in effecting such settlement.

(b) The indemnitor's indemnification obligations under this Agreement shall cover the costs and expenses of the indemnitee, including reasonable attorneys' fees, related to any actions, suits or judgments incident to any of the matters covered by such indemnities.

(c) The indemnitor's indemnification obligations under this Agreement shall also extend to any present or future advisor, trustee, director, member, officer, partner, employee, beneficiary, shareholder, participant or agent of or in the indemnitee or any entity now or hereafter having a direct or indirect ownership interest in the indemnitee.

(d) This Article 13 shall survive Closing.

ARTICLE 14

MISCELLANEOUS

14.1 Assignment. Neither party shall assign this Agreement or its rights hereunder to any Person without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that no such consent shall be required with respect to Purchaser's assignment to Wells Real Estate Investment Trust, Inc. or any affiliate of Purchaser or Wells Real Estate Investment Trust, Inc. For purposes hereof, an "affiliate" shall mean an entity controlled by, controlling or under common control with Wells Real Estate Investment Trust, Inc. or Purchaser. Subject to the foregoing, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

14.2 Designation Agreement. Section 6045(e) of the United States Internal Revenue Code and the regulations promulgated thereunder (herein collectively called the "Reporting Requirements") require an information return to be made to the United States Internal Revenue Service, and a statement to be furnished to Seller, in connection with the Transaction. Title Company ("Agent") is either (i) the person responsible for closing the Transaction (as described in the Reporting Requirements) or (ii) the disbursing title or escrow company that is most significant in terms of gross proceeds disbursed in connection with the Transaction (as described in the Reporting Requirements). Accordingly:

(a) Agent is hereby designated as the "Reporting Person" (as defined in the Reporting Requirements) for the Transaction. Agent shall perform all duties that are required by the Reporting Requirements to be performed by the Reporting Person for the Transaction.

(b) Seller and Purchaser shall furnish to Agent, in a timely manner, any information requested by Agent and necessary for Agent to perform its duties as Reporting Person for the Transaction.

(c) Agent hereby requests Seller to furnish to Agent Seller's correct taxpayer identification number. Seller acknowledges that any failure by Seller to provide Agent with Seller's correct taxpayer identification number may subject Seller to civil or criminal penalties imposed by law. Accordingly, Seller hereby certifies to Agent, under penalties of perjury, that Seller's correct taxpayer identification number is 52-2175771.

(d) Each of the parties hereto shall retain this Agreement for a period of four (4) years following the calendar year during which Closing occurs.

14.3 Integration; Waiver. This Agreement, together with the Schedules and Exhibits hereto, embodies and constitutes the entire understanding between the parties with respect to the Transaction and all prior agreements, understandings, representations and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision hereof may be waived, modified, amended, discharged or terminated except by an instrument signed by the party against whom the enforcement of such waiver is sought.

14.4 Amendment. Any amendment to this Agreement shall not be binding on Seller or Purchaser unless such amendment is in writing and executed by Seller and Purchaser.

14.5 Governing Law. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of Illinois without giving effect to any choice or conflict of law provision or rule (whether of the State of Illinois or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Illinois.

14.6 Consent to Jurisdiction. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby may be brought in the United States District Court for the Northern District of Illinois located in Chicago, Illinois, and each of the parties hereby consents to the jurisdiction of such court (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party to its address as provided in Section 14.9 shall be deemed effective service of process on such party.

14.7 Third Party Beneficiaries. This Agreement is for the sole and exclusive use of Seller and Purchaser and may not be enforced, nor relied upon, by any person or entity other than Seller and Purchaser.

14.8 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of the Agreement.

14.9 Notices. Wherever any notice or other communication is required or permitted hereunder, such notice or other communication shall be in writing and shall be delivered by overnight courier, hand delivery, or confirmed facsimile transmission (with a confirming copy mailed on the same date) or sent by U.S. registered or certified mail, return receipt requested, postage prepaid, to the addresses or facsimile numbers set forth below or at such other addresses as are specified by written notice delivered in accordance herewith:

(ii) [illegible]

(c) Subject to Section 10(d), Section 10(h) and Section 10(c) hereof, all losses of the Partnership, if any, shall be allocated for each Taxable Year to the Partners in accordance with their Partnership Interests.

(e) Notwithstanding Section 10(b), but subject to Section 10(h) and Section 10(j), the profits or losses of the Partnership for the taxable year of liquidation of the Partnership shall be allocated prior to the final liquidating distributions of the Partnership and shall be allocated first to eliminate all negative balances in any Partner’s Capital Account and then, to the extent possible, in a manner such that the Capital Accounts of the Partners immediately prior to such final liquidating distribution are equal to the amount which would have been distributable to the Partners under Section 9 if such distributions were to be governed by Section 9.

(f) Special Allocation. Notwithstanding anything to the contrary in this Section 10, if and to the extent LBC receives any indemnification payments pursuant to Section 25, LBC shall be specially allocated gross profits of the Partnership in such Taxable Year (and, if necessary, subsequent Taxable Years) in an amount equal to such indemnification payments. (g) Change in Partnership Interests. If there is a change in any Partner's Partnership Interest during any year, allocations among the Partners shall be made in accordance with their Partnership Interests in the Partnership from time to time during such year in accordance with Section 706 of the Code using the closing-of-the-books method, except that depreciation, amortization and similar items shall be deemed to accrue ratably on a daily basis over the entire year during which the corresponding asset is owned by the Partnership for the entire year, and over the portion of a year after such asset is placed in service by the Partnership if such asset is placed in service during the year.

(h) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6) of the Treasury Regulations, and after giving effect to the allocations required under Sections 10(a) and 10(d) hereof, such Partner has a Capital Account Deficit (after taking into account the adjustments described in the definition of "Excess Loss"), items of income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate to the extent required by the Treasury Regulations, its Capital Account deficit (as so adjusted) created by such adjustments, allocations or distributions as quickly as possible.

(i) Special Rules.

(i) If any Partnership asset has a book value different from its adjusted tax basis to the Partnership for federal income tax purposes (whether by reason of the contribution of such property to the Partnership, the revaluation of such property hereunder or otherwise), allocations of income, gain, loss, deduction, credit and tax preference under this Section 10 with respect to such asset shall take account of any variation between the adjusted tax basis of such asset for federal income tax purposes and its book value in the manner prescribed by Section 704(c) of the Code or the principles set forth in Section 1.704-l(b)(2)(iv)(g) of the Treasury Regulations, as the case may be, using the Remedial Method.

SECTION 11. Withholding. The Partnership is authorized to withhold from distributions to be made to a Partner, or with respect to allocations to a Partner, and to pay over to a federal, state or local government, any amounts required to be withheld pursuant to the Code or any provisions of any other federal, state or local law. Any amounts so withheld shall be treated as distributed to such Partner pursuant to this Section 11 for all purposes of this Agreement and shall be offset against the net amounts otherwise distributable to such Partner. Except as provided in Sections 17-403(b) and (d) of the Act, the debts, obligations and liabilities of the Partnership whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Partnership, and no Limited Partner shall be obligated personally for any such debt, obligation or liability of the Partnership solely by reason of being a Limited Partner.

(c) Indemnification. Other than with respect to Excluded Matters, the Partnership shall indemnify, in accordance with and to the full extent now or hereafter permitted by law, any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, an action by or in the right of the Partnership) by reason of the fact that such Person is or was a Limited Partner, General Partner or officer of the Partnership or an Affiliate thereof (and the Partnership may so indemnify a Person by reason of the fact that such Person is or was an employee or agent of the Partnership, or is or was serving at the request of the Partnership as a director, trustee, member, manager, officer, employee or agent of another limited liability company, corporation, partnership, joint venture, trust or other enterprise), against any liabilities, expenses (including, without limitation, attorneys' fees and expenses and any other costs and expenses incurred in connection with defending such action, suit or proceeding), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Person in connection with such action, suitor proceeding if such Person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Partnership, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contenders or its equivalent, shall not, of itself, create a presumption (a) that the Person did not act in good faith or [illegible] reasonably believed to be opposed to the best interests of the Partnership, or (b) with respect to any criminal action or proceeding, that the Person had reasonable cause to believe that his or her conduct was unlawful. "Other enterprise" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a Person with respect to an employee benefit plan; and references to serving at the request of the Partnership shall include, without limitation, any service as a member, manager, officer, employee or agent of the Partnership or any other entities in which it has an ownership interest which imposes duties on, or involves services by, such member, manager, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries.

(d) Expenses. Reasonable expenses, (including, without limitation, attorneys' fees and expenses) incurred by a Limited Partner, General Partner or officer of the Partnership in defending a civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Partnership in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Limited Partner, General Partner or officer to repay such amount if it shall ultimately be determined that such Limited Partner, General Partner or officer is not entitled to be indemnified by the Partnership under this Section 17 or under any other contract or agreement between such Limited Partner, General Partner or officer and the Partnership. Such expenses (including attorneys' fees) incurred by employees or agents of the Partnership may be so paid upon the receipt of the aforesaid undertaking and such terms and conditions, if any, as the General Partner deems appropriate.

(e) Continuation. The indemnification and advancement of expenses provided by this Section 17 shall continue as to a Person who has ceased to be a Limited Partner, General Partner, officer, employee or agent and shall inure to the benefit of the successors, assigns, heirs, executors and administrators of such a Person.

(f) Insurance. The Partnership may purchase and maintain insurance on behalf of any Person who is or was a Limited Partner, General Partner, officer, employee or agent of the Partnership, or is or was serving at the request of the Partnership as a director, trustee, member, manager, officer, employee or agent of another limited liability company, corporation, partnership, joint venture, or other enterprise against any liability asserted against such Person and incurred by such Person in any such capacity, or arising out of such Person's status as such, whether or not such Person would be entitled to indemnity against such liability under the provisions of this Section 17.

SECTION 18. Sale of Partnership Interests and New Partners.

(a) Assignment. Except as otherwise permitted in Section 18(g) herein, any Sale of a Partnership Interest in whole or in part, including, without limitation, pursuant to Section 18(b), shall be permitted only upon compliance with the provisions of Section 18(c) and (d) and, to the extent applicable, upon compliance with the provisions of Section 18(b), (f) and (g). A Sale of a Partnership Interest shall not entitle the assignee to become or to exercise any rights or powers of a Partner until such assignee is admitted as a Partner in accordance with this Agreement. As a condition to any Sale of a Partnership Interest, the Partner must notify the assignee and the Partnership in writing of all obligations of such Partner for liabilities relating to the Partnership and this Agreement, including any obligations to make contributions to the Partnership. Any attempted Sale in contravention of this Section 18 shall be void and of no force or effect except that such Sale shall entitle the transferee only to receive such distributions, to share in such profits and to receive such allocations of income, gain, loss, deduction, credit, tax preference and similar items to which the transferor was entitled to the extent assigned. The transferee of any Partnership Interest shall be treated as having made all of the Capital Contributions made by, and received all of the distributions from the Partnership received by, the transferor of such Partnership Interest with respect to such Partnership Interest.

(b) Tag-Along/Drag Along Rights.

(i) Tag-Along. If VV City-Buck (the "Selling Partner" proposes to effect a Sale to a Person other than (i) a Partner or (ii) a Sale for no consideration to an Affiliate of the Selling Partner, of all or less than all Partnership Interests held by such Selling Partner, such Selling Partner shall offer each and every other Partner the opportunity to sell (the "Tag-Along Purchase Offer") to such Person (the "Purchaser") the Tag-Along Portion of such Partner's Partnership Interest for the consideration per percentage of Partnership Interest set forth hereinbelow as the "Tag-Along Price" and otherwise on the same terms and conditions upon which the Selling Partner(s) sell(s) its Partnership Interest. The Tag-Along Portion shall be the portion of a Partner's Partnership Interest which is equal to (x) the total Partnership Interest of such Partner as of the date that the Tag-Along Notice is provided in accordance with clause (ii) below multiplied by (y) a fraction the numerator of which is the Partnership Interest that the Selling Partner proposes to sell as set forth in such Tag-Along Notice and the denominator of which is the total Partnership Interest of the Selling Partner held by such Partner as of such date (the "Tag-Along Portion"). The consideration per percentage Partnership Interest payable to a Tag-Along Partner will be equal to the amount which would be distributed to such Tag-Along Partner per percentage Partnership Interest assuming the Partnership sold all of its assets for a price which would result in the Selling Partner receiving the consideration offered in the Purchase Offer to the Selling Partner upon a liquidation of the Partnership.

(ii) Drag-Along. If VV City-Buck proposes to effect a Sale to a Purchaser of all of its Partnership Interests, other than (i) to a Partner or (ii) a Sale for no consideration to an Affiliate of VV City-Buck (the "Drag-Along Purchase Offer"; a Tag-Along Purchase Offer and a Drag-Along Purchase Offer may each be referred to herein as a "Purchase Offer"). VV City-Buck may require each and every other Partner to sell to the Purchaser all Partnership Interests held by such Partners for the same consideration per percentage of Partnership Interest and otherwise on the same terms and conditions upon which VV City-Buck sells its Partnership Interests.

(iii) Exercise of Right. In the Event of a Purchase Offer, the Selling Partner shall cause the Purchase Offer described in clause (i) or (ii) above, as applicable, to be reduced to writing and shall provide a written notice (the "Tag-Along/Drag-Along Notice") of the Purchase Offer to the other Partners. The Tag-Along/Drag-Along Notice shall contain written notice, as applicable, of (A) the exercise by VV City-Buck of VV City-Buck's drag-along rights pursuant to this Section 18(b)(ii) or (B) the Tag-Along rights of the other Partners to sell the Tag-Along Portion of their Partnership Interest pursuant to Section 18(b)(i), as the case may be, and shall set forth the consideration per percentage of Partnership

Interest to be paid by the Purchaser and the other terms and conditions of the Purchase Offer. No later than 20 days (subject to the expiration of any waiting period under the Hart Scott Rodino Antitrust Improvements Act of 1976) after receipt of Tag-Along/Drag-Along Notice or in a subsequent notice from the Selling Partner (A) in the event of a Drag-Along Purchase Offer, each of such other Partners shall, or (B) in the event of a Tag-Along Purchase Offer, each of the other Partners who elects to participate in such Sale shall, deliver into escrow with the Selling Partner all documents reasonably required to be executed in connection with such Purchase Offer, to be held for delivery to the Purchaser upon delivery to such Partner of the consideration therefor. In the event that a Partner receives a Tag-Along/Drag-Along Notice pursuant to this Section 18(b), such Partner agrees to use its best efforts, in good faith and in a timely manner, to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable, under applicable laws and regulations (including, without limitation, to ensure that all appropriate legal and other requirements are met and all consents of third Persons are obtained), to consummate the proposed transactions contemplated by this Section 18(b). Notwithstanding any other provisions of this Section 18(b), in the event of a Drag Along Sale, no Partner other than the Partner initiating the Drag Along Sale shall be required to make any representation or warranty or incur any liability with respect to such Sale other than with respect to (1) such Partner's title to its Partnership Interest; (2) power and authority to complete such sale; and (3) customary accredited investor representations and warranties if securities are issued in connection with the Sale.

(iv) Return of Documents. If, for any reason, the Selling Partner determines that it cannot complete the Sale of the Partnership Interests, the Selling Partner shall cause to be returned to each Partner all documents delivered into escrow pursuant hereto by such Partners, and all the restrictions on Sale or other disposition contained in this Agreement with respect to Partnership Interests shall again be in effect.

(v) Remittance of Consideration. At the closing of the Sale of Partnership Interest pursuant to this Section 18(b) the consideration with respect to the Partnership Interests of any Partner sold pursuant hereto shall be paid directly to each Partner pursuant to written instructions of such Partner.

(vi) No Liability. Notwithstanding anything contained in this Section 18(b), there shall be no liability on the part of the Selling Partner to any Partner in the event that the Sale of Partnership Interests pursuant to this Section 18(b) is not consummated for whatever reason. Whether to effect a Sale of Partnership interests held by the Selling Partner (together with the Partnership Interests of the other Partners pursuant to this Section 18(b)) shall be in the sole and absolute discretion of the Selling Partner.

(c) Limitations on Assignment. No Partner may Sell any Partnership Interest (or any portion thereof or interest therein) to any Person, including without limitation any Sale pursuant to Section 18(b), and no Person shall become a Partner, unless in the opinion of counsel selected by or acceptable to the General Partner, such action will not: (i) subject the Partnership to federal income taxation as an association taxable as a corporation; (ii) or, violate applicable state or federal securities laws (such requirements, the "Assignment Conditions"). Further, during the Restrictive Period, VV City-Buck shall not Sell its Partnership Interest or any part thereof, unless it shall have first provided to LBC an opinion of Mayer Brown & Platt or other counsel reasonably acceptable to LBC, to the effect that such Sale will not cause LBC to incur any negative income tax effect, including, without limitation, the recognition of any Code §704(c) gain as a result of such Sale, for which LBC is not being paid by VV City-Buck (the "Tax Assurances").

(d) New Partners. Except as provided in Paragraph (f) below, a Person, including, without limitation, an assignee of a Partnership Interest, shall be admitted as a Partner only upon: (i) the written consent of the General Partner, which consent may be granted or withheld in the sole and absolute discretion of the General Partner; unless such Person is (1) an assignee of all or a portion of the Partnership Interest of a Partner and (2) an Affiliate of the Partner assigning such Partnership Interest, an assignee of JBC, or an assignee of LBC (subject to the limitation of Paragraph (f) below), in which event such consent shall be given unless the assignment giving rise to the admission of such Person was made in violation of the Assignment Conditions or Section 18(f); (ii) the execution by such Person of this Agreement or a joinder to this Agreement; and (iii) during the Restrictive Period, receipt by LBC of the Tax Assurances. Until the assignee of a Partnership Interest is admitted as a Partner, the assignor, subject to the last sentence of Section 18(a), shall continue to be a Partner.

(e) Redemption. If requested by a Partner, the Partnership may redeem, but is not obligated to redeem, the Partnership Interest of any such Partner upon the approval of the General Partner.

(f) Restrictions on LBC Transfer or Redemption. If LBC desires to sell its Partnership Interest to any party other than an Affiliate of LBC, LBC shall provide written notice thereof to the Partnership, and the Partnership shall have the right to cause LBC's Partnership Interest to be redeemed for an amount equal to the then fair market value of the 35 W. Wacker Property, less all liabilities of the Partnership, as reasonably agreed upon by LBC and VV City-Buck, multiplied by the percentage corresponding to LBC's Partnership Interest. The Partnership shall have forty-five (45) days following receipt of such notice from LBC to (i) indicate whether or not it desires to redeem LBC's Partnership Interest and (ii) if it elects to redeem LBC's Partnership Interest, the proposed fair market value of the 35 W. Wacker Property for purposes of such redemption. If LBC objects to such fair market value, it shall notify VV City-Buck thereof in writing specifying in reasonable detail the nature of its objection and the parties shall in good faith attempt to resolve such disagreement. If the parties are unable to resolve such agreement within thirty (30) days after LBC's notice, the matter shall be settled by arbitration in a manner consistent with the procedure specified in Section 30(g) of the LBC Lease with appropriate modification to take into account the differing nature of the valuation to be performed. If the Partnership elects not to redeem the LBC Partnership Interest, then LBC shall be permitted to sell its Partnership Interest during the six (6) month period thereafter provided that the purchaser of such Partnership Interest shall be subject to the approval of the General Partner, which approval shall not be unreasonably withheld.

(g) Pledge or Encumbrance Permitted. Without the consent of any other Partner, from time to time, VV City-Buck may pledge its Partnership Interest to a lending institution to secure a loan, so long as a purpose of such loan is to acquire funds to make VV City-Buck's Capital Contribution (or refinance the amount outstanding on any such loan) and so long as such loan is from, and such pledge is to, an institutional lender.

SECTION 19. Dissolution.

The Partnership shall be dissolved and terminated upon the happening of the first to occur of any of the following events:

(a) The expiration of the term of the Partnership;

(b) Following the expiration of the Restrictive Period, the approval or written consent of a Majority Interest of the Partners for the dissolution or winding up of the Partnership;

(c) The bankruptcy (as defined in Section 17-402 of the Act) of the General Partner, unless within ninety (90) days of such occurrence the Partnership is continued by the written consent of a Majority Interest of the remaining Partners, which consent may be granted or withheld in the sole and absolute discretion of each Partner whose consent is required hereby. The Partnership shall automatically continue upon the death, retirement, withdrawal, resignation, expulsion or dissolution of the General Partner or other event which terminates the continued partnership of the General Partner, upon compliance with the requirements of Section 17-801 of the Act by the remaining Partners, until the Partnership is otherwise dissolved and terminated pursuant to the terms of this Agreement; and

(d) Judicial dissolution pursuant to the Act.

SECTION 20. Winding Up and Distribution of Assets.

(a) Winding Up. If the Partnership is dissolved, the General Partner shall wind up the affairs of the Partnership.

(b) Distribution of Assets. Upon the winding up of the Partnership, the General Partner shall pay or make reasonable provision to pay all claims and obligations of the Partnership, including all costs and expenses of the liquidation and all contingent, conditional, or unmatured claims and obligations that are known to the General Partner but for which the identity of the claimant is unknown. If there are sufficient assets, such claims and obligations shall be paid in full and any such provision shall be made in full, If there are insufficient assets, such claims and obligations shall be paid or provided for according to their priority and, among claims and obligations of equal priority, ratably to the extent of assets available therefor. Any remaining assets shall be distributed as follows:

(i) First, to creditors, including Partners in their capacities as creditors, in the order of priority as provided by law; and

(ii) Second, to Partners in accordance with Section 9 herein.

SECTION 21. Conflict of Interest. No Partner shall be required to act hereunder as its sole and exclusive business activity and any Partner may have other business interests and engage in other activities in addition to those relating to the Partnership (and whether or not competitive with that of the Partnership). Neither the Partnership nor any Partner shall have any right by virtue of this Agreement in or to any other interests or activities or to the income or proceeds derived therefrom. A Partner may transact business with the Partnership and, subject to applicable laws, has the same rights and obligations with respect thereto as any other Person. No transaction between a Partner and the Partnership shall be voidable solely because a Partner has a direct or indirect interest in the transaction if either the transaction is fair and reasonable to the Partnership or the percentage or number of disinterested Partners as required under this Agreement or applicable law, authorize, approve or ratify the transaction.

SECTION 22. Taxation.

(a) Status of the Partnership. The Partners acknowledge that this Agreement creates a partnership for federal and state income tax purposes, and hereby agree not to elect to be excluded from the application of Subchapter K of Chapter 1 of Subtitle A of the Code or any similar state statute.

(b) Tax Elections. The General Partner shall, upon the written request of any Partner benefitted thereby, cause the Partnership to file an election under Section 754 of the Code and the Treasury Regulations thereunder to adjust the basis of the Partnership assets under Section 734(b) or 743(b) of the Code and a corresponding election under the applicable sections of state and local law. The General Partner shall have the authority to make all other Partnership elections permitted under the Code, including elections of methods of depreciation.

(c) Partnership Tax Returns. The General Partner shall cause the necessary federal income and other tax returns and information returns for the Partnership to be prepared. Each Partner shall provide such information, if any, as may be needed by the Partnership for purposes of preparing such tax returns and information returns. The General Partner shall deliver to each Partner within ninety (90) days after the end of each year a copy of the federal income tax returns for the Partnership as filed with the appropriate taxing authorities, and upon the written request of any Partner, a copy of any state and local income tax return as filed.

(d) Tax Audits.

(i) VV City-Buck shall be the Partnership's tax matters Partner (the "Tax Matters Partner") with respect to federal income tax audits. If at any time the Tax Matters Partner cannot or elects not to serve as the Tax Matters Partner, is removed by the Partners as the Tax Matters Partner or ceases to be a Partner, a Majority Interest shall select another Partner to be the Tax Matters Partner. The Tax Matters Partner, as an authorized representative of the Partnership, shall direct the defense of any claims made by the IRS to the extent that such claims relate to the adjustment of Partnership items at the Partnership level. The Tax Matters Partner shall promptly deliver to each Partner a copy of any notice of beginning of administrative proceedings or any report of the reasons for a proposed adjustment received from the IRS relating to or potentially resulting in an adjustment of Partnership items. The Tax Matters Partner shall, unless a Majority Interest consents to the contrary, diligently and in good faith contest any proposed adjustment of a Partnership item that principally affects the Partners at the administrative and judicial levels, including, if appropriate or if requested by a Majority Interest, appealing any adverse judicial decision, and shall consider in good faith any suggestions made by any Partner or its counsel regarding the conduct of such administrative or judicial proceedings. The Tax Matters Partner shall keep each Partner advised of all material developments with respect to any proposed adjustment that come to its attention, including, without limitation, the scheduling of all conferences and substantive telephone calls with the IRS. Each Partner shall be entitled, at its own expense, to attend all meetings with the IRS and to review in advance any material written information (including, without limitation, any pleadings, memoranda or similar items) to be submitted to the IRS. Without first obtaining the consent of a Majority Interest, the Tax Matters Partner shall not, with respect to any proposed adjustment of a Partnership item that materially and adversely affects any Partner, (A) enter into a settlement agreement that purports to bind Partners other than the Tax Matters Partner (including, without limitation, any stipulation consenting to any entry of decision by an tax court), or (B) enter into an agreement or stipulation extending the statute of limitations. The Tax Matters Partner shall receive no compensation for serving as the Tax Matters Partner; provided, however, the Tax Matters Partner shall be reimbursed by the Partnership for any reasonable out-of-pocket expense incurred by the Tax Matters Partner on behalf of the Partnership on a monthly basis.

(ii) The Partnership shall promptly deliver to each Partner a copy of all notices, communications, reports or writings of any kind with respect to income or similar taxes received from any state or local taxing authority relating to the Partnership that might materially and adversely affect each Partner, and shall keep such Partners advised of all material developments with respect to any proposed adjustment of Partnership items that come to its attention.

(iii) Each Partner shall continue to have the rights described in this Section 22(d) with respect to tax matters relating to any period during which it was a Partner, whether or not it is a Partner at the time of the tax audit or contest.

SECTION 22. Not a Publicly Traded Partnership.

All interests in the Partnership have been or will be issued in transaction(s) that were not required to be registered under the Securities Act of 1933 (the "1933 Act"), and to the extent such offerings or sales were not required to be registered under the 1933 Act by reason of Regulation S (17 CFR 230.901 through 230.904) or any successor thereto, such offerings or sales would not have been required to be registered under the 1933 Act if the interests so offered or sold had been offered and sold within the United States.

No admission (or purported admission) of a Partner, and no transfer (or purported transfer) of all or any part of a Partner's interest in the Partnership (or any economic interest therein) in the Partnership, whether to another Partner or to a person who is not a Partner, shall be effective, and any such admission or transfer (or purported admission or transfer) shall be void ab initio and no person shall otherwise become a Partner if (i) at the time of such admission or transfer (or purported admission or transfer) any interest in the Partnership (or economic interest therein) is traded on an established securities market or readily tradeable on a secondary market or the substantial equivalent thereof or (ii) after such admission or transfer (or purported admission or transfer) the Partnership would have more than 100 Partners. For purposes of clause (i) of the preceding sentence, an established securities market is a national securities exchange that is either registered under Section 6 of the Securities Exchange Act of 1934 (the

"1934 Act" or exempt from registration because of the limited volume of transactions, a foreign securities exchange that, under the law of the jurisdiction where it is organized, satisfies regulatory requirements that are analogous to the regulatory requirements of the 1934 Act, a regional or local exchange, or an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers by electronic means or otherwise. For purposes of such clause (i), interests in the Partnership (or interests therein) are readily tradeable on a secondary market or the substantial equivalent thereof if (i) interests in the Partnership (or interests therein) are regularly quoted by any person, such as a broker or dealer, making a market in the interests; (ii) any person regularly makes available to the public (including customers or subscribers) bid or offer quotes with respect to interests in the Partnership (or interests therein) and stands ready to effect buy or sell transactions at the quoted prices for itself or on behalf of others; (iii) the holder of an interest in the Partnership has a readily available, regular, and ongoing opportunity to sell or exchange such interest (or interests therein) through a public means of obtaining or providing information of offers to buy, sell, or exchange such interests; or (iv) prospective buyers and sellers otherwise have the opportunity to buy, sell, or exchange interests in the Partnership (or interests therein) in a time frame and with the regularity and continuity that is comparable to that described in clauses (i), (ii) and (iii) of this sentence. For purposes of determining whether the Partnership will have more than 100 Partners,, each person indirectly owning an interest in the Partnership through a partnership (including any entity treated as a partnership for federal income tax purposes), a grantor trust or an S corporation (each such entity a "flow-through entity") shall be treated as a Partner unless the General Partner determines in its sole and absolute discretion that less than substantially all of the value of the beneficial owner's interest in the flow-through entity is attributable to the flow-through entity's interest (direct or indirect) in the Partnership. For purposes of the immediately preceding sentence, the General Partner hereby acknowledges that less than substantially all of the value of the beneficial owners' interests in LBC is attributable to LBC's Partnership Interest.

SECTION 23. Debt Maintenance, Transfer Prohibition. Notwithstanding any other provision of this Agreement, at all times during the Restrictive Period, the Partnership shall maintain such level of non-recourse indebtedness secured by the 35 W. Wacker Property and cause such portion of such indebtedness to be allocated to LBC under Code §752 and the regulations thereunder as is sufficient to protect LBC against recognizing gain pursuant to Code §731(a)(1) as a result of a deemed distribution of money to LBC pursuant to Code §752(b) (the "Debt Maintenance Requirement"). During the Restrictive Period, the Partnership (and any successor thereto) shall not refinance, sell, transfer, or in any other manner alter the ownership structure or ownership entity of the 35 W. Wacker Property in any manner that could cause adverse tax consequences to LBC in the reasonable opinion of LBC's tax counsel, Kirkland & Ellis (or such other counsel as may be reasonably approved by the Partnership) (the "Transfer Prohibition") In addition, upon the expiration of the Restrictive Period and until the end of the initial term of the Lease, LBC shall have the option, to the extent of indebtedness available for such purpose, of guarantying on a "bottom dollar basis," an amount of indebtedness of the Partnership or any successor thereto, sufficient to provide an allocation of debt to LBC equal to the amount of debt then required to be allocated to LBC to enable LBC to avoid recognizing gain pursuant to Code §731(a)(1) as a result of a deemed distribution of money to LBC pursuant to Code §752(b). Such rights shall terminate if the 35 W. Wacker Property is sold following the expiration of the Restrictive Period to a party that is not an Affiliate of any of the Partners, or any Affiliate of any

Partner. Notwithstanding the foregoing provisions of this Section 24, the Debt Maintenance Requirement and Transfer Prohibition shall cease to apply, and the Restrictive Period shall terminate, if LBC has voluntarily and independently recognized its taxable gain resulting from the transfer of the 35 W. Wacker Property to the Partnership or has defaulted in the payment of rent or other material economic obligations under the LBC Lease and such default has remained uncured for a period of sixty (60) days following written demand therefor.

SECTION 24. Tax Indemnity. The Partnership hereby agrees to indemnify, defend, and hold harmless LBC and its shareholders (the "LBC Indemnitees") on an after-tax basis, against the adverse tax impact to the LBC Indemnitees of the Partnership's use of the Remedial Method during the Restrictive Period. The amount of such indemnification with respect to use of the Remedial Method, which shall be calculated and adjusted annually, shall have a present value equal to the excess of (i) the sum of the present values of (x) the income taxes actually paid by the LBC Indemnitees with respect to LBC's interest in the Partnership during the Restrictive Period, plus (y) the taxes that would have been paid by the LBC Indemnitees if the 35 W. Wacker Property were sold at the end of the Restrictive Period, plus (z) the income taxes actually paid by the LBC Indemnitees as a result of the receipt of indemnification payments (with any reduction in LBC's tax basis in its Partnership Interest in the Partnership as a result of its receipt of such indemnification payments being deemed to result in gain at the end of the Restrictive Period) over (ii) the present value of the income taxes that the LBC Indemnitees would have paid during the Restrictive Period if the traditional allocation method under Code Section 704(c) (without curative allocations) had been used, the 35 W. Wacker Property were sold at the end of the Restrictive Period, and throughout the Restrictive Period, LBC had been allocated an amount of non-recourse debt at least equal to its negative basis in the 35 W. Wacker Property (the amount of such excess, the "Remedial Indemnification Amount"). In addition, in the event that the Partnership shall fail to comply with the Transfer Prohibition, the Partnership hereby further agrees to indemnify, defend and hold harmless the LBC Indemnitees from and against the after-tax present value of the detriment incurred by the LBC Indemnitees as a result of such failure, taking into account the timing and character of taxable income recognized by the LBC Indemnitees as a result of such failure (the "Transfer Indemnification Amount"). Notwithstanding the letter dated July 21, 1999 attached hereto as Exhibit D-3, the Remedial Indemnification Amount shall be payable on an annual basis by the Partnership to LBC not later than January 14th of the year following the year in question, subject to adjustment for audit or other amendments of the tax return for the Partnership for the year in question. The annual amount payable in respect thereof shall be calculated as provided above assuming that no income tax impact will occur in subsequent years of the Restrictive Period under the Remedial Method relative to the traditional method. At the election of VV City-Buck, the Remedial Indemnification Amount (as estimated from time to time) can be prepaid at any time during the Restrictive Period, subject to later adjustment. LBC and VV City-Buck's predecessor in interest (JBC and SOFI IV) have entered into the following letter agreements that describe the way in which the Remedial Indemnification Amount and Transfer Indemnification Amount are calculated: (i) letter dated March 2, 1999 attached hereto as Exhibit D-1; (ii) letter dated July 21, 1999 attached hereto as Exhibit D-2; and (iii) letter dated July 22, 1999 attached hereto as Exhibit D-3 (collectively, the "Letter Agreements"). LBC and VV City-Buck hereby ratify and confirm the validity of the foregoing Letter Agreements, and VV City-Buck, as the successor of JBC and SOFI IV, and LBC agree to be bound the terms of those letter agreements. Finally, VV City-Buck agrees to indemnify, defend and hold harmless the LBC Indemnitees, on an after-tax basis, against the adverse tax impact to the LBC Indemnitees, if any, of the conversion of the Original Company from a limited liability company to a limited partnership and the admission of VV City-Buck as the General Partner of the Partnership (the "Conversion Indemnification Amount") Notwithstanding the foregoing provisions of this Section 25, all of the foregoing tax indemnities shall terminate, if and when LBC has voluntarily and independently recognized its taxable gain resulting from the transfer of the 35 W. Wacker Property to the Partnership or has defaulted in the payment of rent or other material economic obligations under the LBC Lease and such default has remained uncured for a period of sixty (60) days following written demand therefor.

SECTION 26. LBC Tax Basis. Attached hereto as Schedule II is a statement acceptable to the Partners of (i) LBC's adjusted tax basis in the 35 W. Wacker Property and the various components thereof; (ii) the 35 W. Wacker Property's remaining depreciable life for federal income tax purposes and (iv) the initial recovery period and depreciation methods applicable to the various components of the 35 W. Wacker Property.

SECTION 27. Securities Matters. Each Partner hereby represents and warrants to the Partnership and each other Partner, as follows: (i) such Partner is receiving the Partnership Interest to be received pursuant hereto for its own account with the present intention of holding such Partnership Interest for purposes of investment, such Partner will not sell its Partnership Interest in a distribution in violation of the federal securities laws or any applicable state securities laws; (ii) such Partner is an accredited investor as defined in Rule 501 of the Securities Act (an "Accredited Investor") and has sufficient knowledge and experience in financial and business matters and investing in entities similar to the Partnership so as to be able to evaluate the risks and merits of its investment in the Partnership and such Partner has had an opportunity to discuss the business, management and financial affairs of the Partnership with the management of the Partnership; (iii) such Partner understands that the Partnership Interests have not been registered under the Securities Act by reason of their issuance in a transaction exempt from the registration requirements of the Securities Act pursuant to Section 4(2) thereof or Rule 505 or 506 promulgated under the Securities Act, and that its Partnership Interest must be held indefinitely unless a subsequent disposition thereof is registered under the Securities Act and applicable state securities laws or is exempt from such registration, and (iv) such Partner has the ability to bear the economic risk of acquiring Partnership Interests.

SECTION 28. Representations and Warranties of Partners.

(a) Representations and Warranties of VV City - Buck. VV City - Buck represents and warrants to LBC as follows:

(1) It is duly organized, validly existing and in good standing under the laws of the state of its formation, and is duly qualified to transact business in the State of Illinois.

(2) It has the legal right, power and authority (y) to enter into this Agreement and (z) to consummate the transactions contemplated hereby.

(3) The execution of this Agreement and the consummation of the transactions contemplated herein will not result in a breach of any of the

(a) If during the Restrictive Period the Partnership does not maintain an amount of non-recourse indebtedness secured by the 35 W. Wacker Property and cause such portion of such indebtedness to be allocated to LBC under Code §752 and the regulations thereunder that is sufficient to protect LBC against recognizing gain pursuant to Code § 731(a)(1) as a result of a deemed distribution of money to LBC pursuant to Code § 752(b) (the "Debt Maintenance Requirement"), then the Partnership shall indemnify LBC in the manner provided in Section 25(b) herein. As of the Amendment Effective Date the Debt Maintenance Requirement is equal to the amount set forth on Schedule IV hereto, as the same may be amended from time to time with the consent of LBC which shall not be unreasonably withheld. The Debt Maintenance Requirement shall terminate (and, as such, shall be zero) as of the end of the Restrictive Period.

(b) If during the Restrictive Period the Partnership (or any successor thereto) refinances, sells, transfers, or in any other manner alters the ownership structure or ownership entity of the 35 W. (c) Notwithstanding the foregoing provisions of this Section 24, the Debt Maintenance Requirement and Transfer Indemnity shall cease to apply, and the Restrictive Period shall terminate, if LBC has voluntarily and independently recognized its taxable gain resulting from the transfer of the 35 W. Wacker Property to the Partnership or has defaulted in the payment of rent or other material economic obligations under the LBC Lease and such default has remained uncured for a period of sixty (60) days following written demand therefor."

(m) Section 25 of the Partnership Agreement is hereby amended and restated in its entirety as follows:

"SECTION 25. Tax Indemnity.

(a) The Partnership hereby agrees to indemnify, defend, and hold harmless LBC and its parent companies (the "LBC Indemnitees"), on a net after-tax basis, against the adverse U.S. Federal income tax impact to the LBC Indemnitees of the Partnership's use of the Remedial Method during the tax years ending December 31, 2003 and December 31, 2004, the "Remedial Indemnification Amount". The Partners agree that the Remedial Indemnification Amount for the Taxable Year ending December 31, 2003, payable on January 14, 2004, shall be $363,490.00 and for the Taxable Year ending December 31, 2004, payable on January 14, 2005, shall be $334,264. There shall be no Remedial Indemnification Amount payable for any tax year ending after December 31, 2004.

(b) (i) In the event that during the Restrictive Period, (1) the Partnership does not satisfy the Debt Maintenance Requirement, (2) the Transfer Indemnity is applicable or (3) Wells exercises its Drag-Along rights pursuant to Section 18(b) herein (each such action, an "Event"), the Partnership hereby agrees to pay LBC a one-time indemnity payment as a result of the LBC Indemnitees having to pay the U.S. Federal and Illinois state income tax attributable to the taxable gain recognized by (or allocated to) LBC resulting solely from an Event occurring prior to the end of the Restrictive Period (regardless of when such determination of recognition or allocation occurs) in the applicable amount set forth on Schedule III attached hereto (the "Transfer And Debt Maintenance Indemnity Amount") for the Taxable Year in which the Event actually occurred; provided, however, if on or before the date for the filing of the Partnership's U.S. Federal income tax return for the Taxable Year during which the Event occurs, the Partnership obtains an opinion of counsel (reasonably acceptable to LBC) or a ruling from the United States Internal Revenue Service (the "IRS"), to the effect that LBC should not recognize any taxable income or gain under Code § 704(c), Code § 731(a) or Code § 1001(a) (or any successor statutes or under such other Code Sections designated by LBC tax counsel and identified to Wells within ten (10) Business Days of the notice to LBC required by Section 24(b)) resulting solely from such Event, then there shall be no Transfer And Debt Maintenance Indemnity Amount payable by the Partnership to LBC with respect thereto, subject to the provisions of (b) (ii) below. LBC agrees to cooperate with Partnership tax counsel, with all reasonable out-of-pocket costs at the expense of the Partnership, in connection with obtaining any such ruling or opinion.

(ii) The Partnership will furnish LBC with a copy of any such opinion of counsel or ruling described in Section 25(b)(i) above promptly upon the Partnership's receipt thereof, and in any case with ten (10) Business Days prior to the time the LBC Indemnitees are required to pay U.S. corporate estimated Federal income taxes in respect of the Event, as contemplated in Section 25(b)(iii) below, or, if earlier, the time they are required to file any returns recognizing the income or gain from the Event. If the Partnership obtains an opinion of counsel described in Section 25(b)(i) above each LBC Indemnitee agrees that it will not take any position on its returns, on audit or otherwise in connection with its tax liability for U.S. Federal or state tax purposes that is inconsistent with such opinion. If any LBC Indemnitee receives a notice of a claim or if at the conclusion of an audit by the IRS or other state taxing authority, there is a proposed adjustment in any item of income or gain, which if agreed to or accepted by any LBC Indemnitee would result in an indemnity obligation pursuant to Section 25(b)(i) hereof, then LBC shall promptly after receipt of such notice or promptly upon conclusion of such audit, notify the Partnership thereof in writing. If requested by the Partnership, LBC shall in good faith contest, or permit the Partnership to contest, the validity, applicability or amount of any proposed adjustment that would give rise to the payment of all or a portion of the Transfer And Debt Maintenance Indemnity Amount by (1) not making payment thereof for at least 30 days after providing the Partnership the notice required by this Section 25(b)(ii), unless otherwise required by applicable law or regulations, (2) not paying same except under protest, if protest is necessary and proper, or (3) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings. LBC shall not be required to contest the proposed adjustment unless and until the Partnership has agreed to pay all reasonable out-of-pocket costs and expenses which LBC incurs in connection with contesting such adjustment. If LBC controls such contest, LBC agrees to consult with the Partnership and will consider in good faith any suggestions made by the Partnership with respect to the most favorable forum for and the conduct of such contest and will enable the Partnership's representative to participate in any proceeding. If requested by the Partnership, LBC agrees to appeal any adverse determination but LBC shall not be required to appeal any adverse determination to the United States Supreme Court. LBC shall not have the right to settle or compromise a contest without the Partnership's consent, which consent shall not be unreasonably withheld, unless LBC agrees to forego its right to an indemnity hereunder. If any LBC Indemnitee receives a refund of all or part of any U.S Federal or state income taxes paid solely in respect of an Event for which any Transfer And Debt Maintenance Indemnity Amount is paid by the Partnership (or if any LBC Indemnitee would have received a refund but for other adjustments or offsets not related to the Event), LBC shall pay to the Partnership an amount equal to the product of (a) the Transfer And Debt Maintenance Indemnity Amount paid by the Partnership with respect to such Event multiplied by (y) a fraction the numerator of which is the sum of such refund (or the amount such refund would have been but for such other adjustments or offsets), plus any interest received on such refund, net of any U.S. Federal or state income taxes imposed on the LBC Indemnitees as a result of such refund, and the denominator of which is the total amount of U.S. Federal or state income taxes paid or payable by the LBC Indemnitee related to such Event. LBC may at any time decline to take further action with respect to a proposed adjustment by notifying the Partnership in writing that it has waived its right to an indemnity payment that would otherwise be payable by the Partnership pursuant to this Section 25(b). Likewise, the Partnership may at any time request that LBC decline to take any further action by agreeing in writing to pay the Transfer And Debt Maintenance Indemnity Amount, provided that in such event LBC may still pursue such action at its own expense and without further applicability of the provisions of this Section 25(b)(ii). Any failure of LBC to comply with the requirements of this Section 25(b)(ii) shall relieve the Partnership of any obligation to pay the Transfer And Debt Maintenance Indemnity Amount to the extent that the ability to contest a claim pursuant to the provisions of this Section 25(b)(ii) is adversely affected in any material respect.

(iii) The Transfer And Debt Maintenance Indemnity Amount, if any, shall be due and payable by the Partnership as of the corporate estimated tax payment date following the Event giving rise to an indemnity obligation hereunder. Notwithstanding the foregoing, if the Partnership has provided LBC an opinion pursuant to Section 25(b)(i) hereof, any Transfer And Debt Maintenance Indemnity Amount, if any, shall be due and payable by the Partnership within 30 days after receipt of a written demand therefor from LBC; provided, however, the Partnership shall not be required to make such payment earlier than (1) in the case of a Transfer And Debt Maintenance Indemnity Amount that is not being contested pursuant to Section 25(b)(ii) hereof, five (5) Business Days prior to the date that the LBC Indemnitees are required to pay such estimated tax, or (2) in the case of a Transfer And Debt Maintenance Indemnity Amount that is being contested pursuant to Section 25(b)(ii) hereof, 30 days after the date of the Final Determination of such contest.

A “Final Determination” shall mean (i) a decision, judgment, decree or other order by any court of competent jurisdiction, which decision, judgment, decree or other order has become final after all allowable appeals by either party to the action have been exhausted or the time for filing such appeals has expired, (ii) a closing agreement entered into under section 7121 of the Code or any other settlement agreement entered into in connection with an administrative or judicial proceeding and with the consent of the Partnership hereof, (iii) the expiration of the time for instituting suit with respect to the claimed deficiency or (iv) the expiration of the time for instituting a claim for refund, or if such a claim was filed, the expiration of the time for instituting suit with respect thereto.

(c) The Partnership agrees to indemnify, defend and hold harmless the LBC Indemnitees, on a net after-tax basis, against the adverse tax impact to the LBC Indemnitees, if any, of the conversion of the Original Company from a limited liability company to a limited partnership and the admission of VV City-Buck as the General Partner of the Partnership (the “Conversion Indemnification Amount”). The Conversion Indemnification Amount shall be computed based on the assumption that LBC is a U.S. corporation paying U.S. and Illinois state income taxes at the maximum marginal rates, but adjusted to reflect a full deduction for state income taxes without limitation.

(d) Notwithstanding the foregoing provisions of this Section 25, all of the foregoing tax indemnification obligations shall terminate, if and when LBC has voluntarily and independently recognized its taxable gain resulting from the transfer of the 35 W. Wacker Property to the Partnership or has defaulted in the payment of rent or other material economic obligations under the LBC Lease and such default has remained uncured for a period of sixty (60) days following written demand therefor. The payment of indemnification under this Section 25 and the Guaranty shall be the sole remedy available to LBC in respect of the Partnership’s election to use the Remedial Method, the Partnership’s failure to satisfy the Debt Maintenance Requirement, the occurrence of an Event described in Section 25(b) and/or if the Conversion Indemnification Amount becomes payable.

(e) Notwithstanding anything herein to the contrary, no Transfer And Debt Maintenance Indemnity Amount shall be payable to LBC as a result of (i) the transfer of the general partner interest in the Investor Partnership by VV USA to Wells and the admission of Wells as the general partner of the Investor Partnership, (ii) the Sale of all or any part of LBC’s Partnership Interest pursuant to any exercise by LBC (or its successor) of the “tag along” right under Section 18(b) herein, (iii) any exercise of the “put” by LBC (or its successor) or any exercise of the “call” by Wells (or its successor) under the Put And Call Agreement, or (iv) the entering into of the First Amendment to the Second Amended and Restated Limited Partnership Agreement of 35 W. Wacker Venture, L.P. No Transfer And Debt Maintenance Indemnity Amount shall be payable to any assignee of LBC’s Partnership Interest under Section 18(d) other than an Affiliate of LBC.”

(n) The Schedules and Exhibits to the Partnership Agreement are amended as follows:

(i) New Schedule I-A attached hereto amends and replaces Schedule I-A to the Agreement;

(ii) New Schedule III (Transfer Indemnity Amounts) attached hereto is added to the Agreement;

(iii) New Schedule IV (Debt Maintenance Requirement) attached hereto is added to the Agreement;

(iv) Exhibit C-1 (form of Wells OP Guaranty) is added to the Partnership Agreement in the form attached hereto;

(v) Each of Exhibit D-1, Exhibit D-2 and Exhibit D-3 are deleted;

(vi) New Exhibit D (form of Put And Call Agreement) attached hereto is added to the Agreement;

(vii) New Exhibit E (form of Amendment to the Property Management Agreement) attached hereto is added to the Agreement; and

(viii) New Exhibit F (form of Amendment to Leasing Agreement) attached hereto is added to the Agreement.

3. Consent and Waiver.

LBC (a) consents to the transfer and assignment from VV USA to Wells of the general partner interest in the Investor Partnership and the admission of Wells as the general partner of the Investor Partnership, (b) waives any rights to notice of tag along rights in connection with such transfer and assignment and any rights to sell its interest in the Partnership pursuant to the "tag along" provisions of Section 18(b) of the Partnership Agreement in connection with such transfer and assignment, and (c) waives any requirement for a "Tax Assurances" opinion under Section 18 (c) of the Partnership Agreement (as in effect prior to the Amendment Effective Date) in connection with such transfer and assignment. LBC also acknowledges and agrees that such transfer to Wells of the general partner interest in the Investor Partnership from VV USA and admission of Wells as the general partner of the Investor Partnership shall not give rise to, and LBC shall not make, and hereby waives, any claim for indemnification or payment of any Transfer Indemnification Amount and any claim of breach of any Transfer Prohibition under the Partnership Agreement (prior to or as amended by this Amendment) with respect thereto.

4. Representations and Warranties of Partners.

(a) Representations and Warranties of Wells-Buck. Wells-Buck represents and warrants to LBC as follows:

(4) To LBC's knowledge, no Partner is in default in the performance of its respective obligations under the Partnership Agreement (other than any such obligation being released under a separate Closing Agreement dated the date hereof among the parties hereto and VV USA).

(5) All Remedial Indemnity Amounts due and payable to LBC on or before the date of this Amendment have been paid in full.

(6) The Partnership Agreement, as amended by this Amendment, inclusive of all exhibits and schedules thereto and hereto, constitutes all of the agreements, written or oral, that exist with respect to the Partnership and with regard to the obligations and rights of LBC as a Partner of the Partnership (other than the separate Closing Agreement referred to above).

[Form of Wells OP Guaranty]

GUARANTY OF PAYMENT

This Guaranty of Payment ("Guaranty"), made as of the __ day of _______, 2003, by Wells Operating Partnership, L.P., a Delaware limited partnership ("Guarantor"), to and for the benefit of Leo Burnett USA, Inc. (f/k/a Leo Burnett Company, Inc.) ("LBC").

RECITALS:

A. LBC and Wells-Buck Venture, L.P. ("Wells-Buck") have entered into that certain Second Amended and Restated Limited Partnership Agreement of 35 W. Wacker Venture, L.P. dated as of April 27, 2000 (the "2000 LPA"), as amended by that certain First Amendment to the Second Amended and Restated Limited Partnership Agreement of 35 W. Wacker Venture, L.P. (the "First Amendment"; said 2000 LPA, as so amended by the First Amendment, being herein referred to as the "Partnership Agreement").

B. The Partnership Agreement requires that 35 W. Wacker Venture, L.P. (the "Partnership") indemnify LBC for certain tax liabilities as set forth therein.

C. The Partnership Agreement also requires that such indemnification shall be guaranteed by Guarantor.

D. Capitalized terms used herein and not expressly defined herein shall have the meaning given them in the Partnership Agreement.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Guarantor agrees as follows:

1. **Guaranty**. Guarantor absolutely, unconditionally and irrevocably guarantees to LBC:

(a) the full and prompt payment when due, upon acceleration or otherwise, and at all times thereafter, of any and all debts, liabilities and obligations of the Partnership and Wells-Buck under Section 25 of the Partnership Agreement (the Transfer And Debt Maintenance Indemnity Amount, the Remedial Indemnification Amount and the Conversion Indemnification Amount collectively referred to as the "Indemnity Obligations"), however created, arising or evidenced, whether direct or indirect, absolute or contingent, now or hereafter existing, due or to become due, known or unknown to Guarantor at the time of the execution of this Guaranty; and

(b) the payment of all Enforcement Costs (as hereinafter defined).

All amounts due, debts, liabilities and payment obligations described in subparagraphs (a) and (b) of this Paragraph 1 are collectively referred to herein as the "Indebtedness."

2. **LBC's Remedies**. In the event the Partnership or Wells-Buck fails to timely pay to LBC the amounts due pursuant to the Indemnity Obligations, Guarantor agrees, on demand by LBC but subject to the conditions set forth in Section 25 of the Partnership Agreement, to pay all

remaining sums guaranteed or due hereunder regardless of any other defense, right of set-off or claims which the Partnership, Wells-Buck or Guarantor may have against LBC except under such Section 25 of the Partnership Agreement or under Paragraph 3 of the First Amendment. Subject to the foregoing, this is an absolute, irrevocable, present and continuing guaranty of payment and not of collection, and in any action to enforce this Guaranty, LBC, at its election, may proceed against Guarantor, with or without: (i) joining the Partnership or Wells-Buck in any such action; or (ii) commencing any action against or obtaining any judgment against the Partnership or Wells-Buck.

3. **Extension and Reinstatement of Guaranty.** This Guaranty shall continue to be effective, or be reinstated, as the case may be, if at any time any whole or partial payment of the Indebtedness is or is sought to be rescinded or must otherwise be restored or returned by LBC upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Partnership, Wells-Buck or Guarantor or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for the Partnership, Wells-Buck or Guarantor, all as though such payments had not been made. Without limiting the generality of the foregoing, this Guaranty shall remain in full force and effect, until the earlier to occur of: one (1) year after the date upon which LBC shall have received full payment of all Indemnity Obligations and all other sums due and owing under this Guaranty and for so long thereafter as there is pending against the Partnership, Wells-Buck or Guarantor a proceeding under any federal or state bankruptcy or insolvency laws, and (ii) termination of the Indemnity Obligations in accordance with the terms of Section 25 of the Partnership Agreement. This Guaranty shall not be affected in any way by the transfer or other disposition of the Property whether by deed, operation of law or otherwise.

4. **No Discharge**. Subject to the provisions of Section 25 of the Partnership Agreement, Guarantor agrees that the obligations, covenants and agreements of Guarantor under this Guaranty shall not be affected or impaired by any act of LBC, or any event or condition except payment in full of the Indebtedness and any other sums due hereunder.

5. **Waiver**. Guarantor expressly waives: (i) notice of the acceptance by LBC of this Guaranty; (ii) notice of the existence, creation, payment or nonpayment of the Indebtedness; (iii) presentment, demand, notice of dishonor, protest, and all other notices whatsoever; and (iv) the right to trial by jury in any action to enforce this Guaranty. No modifications or waiver of any of the provisions of this Guaranty will be binding upon LBC except as expressly set forth in a writing duly signed and delivered on behalf of LBC.

6. **Enforcement Costs:** If due to breach or failure to pay or perform by Guarantor hereunder: (i) this Guaranty is placed in the hands of one or more attorneys for collection or is collected through any legal proceeding; (ii) one or more attorneys is retained to represent LBC in any bankruptcy, reorganization, receivership or other proceedings affecting creditors' rights and involving a claim under this Guaranty; or (iii) one or more attorneys is retained to represent LBC in any other proceedings whatsoever in connection with this Guaranty, then Guarantor shall pay to LBC upon demand all attorneys' fees, costs and expenses, including, without limitation, court costs, filing fees and all other costs and expenses incurred in connection therewith (all of which are referred to herein as "Enforcement Costs"), in addition to all other amounts due hereunder.

7. **Governing Law; Interpretation.** This Guaranty has been negotiated, executed and delivered in Chicago, Illinois, and shall be governed by the laws of the State of Illinois without reference to the conflicts of law principles of that State. The headings of sections and paragraphs in this Guaranty are for convenience only and shall not be construed in any way to limit or define the content, scope or intent of the provisions hereof. As used in this Guaranty, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable, where the context so requires. If any provision of this Guaranty, or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstances, is adjudicated by a court of competent jurisdiction to be invalid, the validity of the remainder of this Guaranty shall be construed as if such invalid part were never included herein. Time is of the essence in this Guaranty. All payments to be made hereunder shall be made in currency and coin of the United States of America which is legal tender for public and private debts at the time of payment.

8. **Entire Agreement.** The provisions of the Partnership Agreement pertaining to the Indemnity Obligations and this Guaranty thereof constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior such agreements and understandings, both written and oral. This Guaranty may not be modified or amended except by a written instrument signed by LBC and Guarantor. If this Guaranty is executed in several counterparts, each of those counterparts shall be deemed an original, and all of them together shall constitute one and the same instrument.

9. **Prohibitions on Loans or Advances.** Guarantor hereby represents and warrants to LBC that neither Guarantor nor Wells 35 W. Wacker, LLC has made any loans or other advances to the Partnership or Wells-Buck which have not been previously paid in full, and Guarantor agrees not to make, or permit Wells 35 W. Wacker, LLC to make, any loan or advance to the Partnership for so long as this Guaranty remains in effect unless such loan is subordinated in right of payment to any obligation owing under this Guaranty. Nothing in the foregoing sentence, however, is intended or shall be deemed to preclude a contribution to capital, equity investment in common stock or other infusion of at risk funds in the Partnership.

10. **Payment of Indemnity Obligations.** LBC agrees that the obligations of Guarantor under this Guaranty shall terminate, subject to the provisions of Paragraph 3 hereof, upon the earlier to occur of: (i) one (1) year after the date upon which LBC shall have received full payment of all Indemnity Obligations and all other sums due and owing under this Guaranty; and (ii) termination of the Indemnity Obligations in accordance with the terms of Section 25 of the Partnership Agreement.

11. **Waiver of Indemnification and Other Rights.** Guarantor hereby unconditionally and irrevocably agrees that (i) Guarantor will not assert at any time against the Partnership or Wells-Buck (or the estate of the Partnership or Wells-Buck if the Partnership or Wells-Buck becomes bankrupt or becomes the subject of any case or proceeding under the bankruptcy laws of the United States of America) any right or claim to indemnification, reimbursement, contribution or payment for or with respect to any and all amounts and liabilities which Guarantor may pay or perform or be obligated to pay to or perform on account of the Indebtedness under or with respect to this Guaranty; provided that any payment made by Guarantor to LBC hereunder shall be treated as a Capital Contribution to the Partnership

pursuant to Section 8(b) thereof; and (ii) subject to the foregoing, Guarantor waives and releases all such rights and claims to indemnification, reimbursement, contribution or payment which Guarantor may have now or at any time against the Partnership or Wells-Buck (or the estate of the Partnership or Wells-Buck if the Partnership or Wells-Buck becomes bankrupt or becomes the subject of any case or proceeding under the bankruptcy laws of the United States of America). Guarantor further unconditionally and irrevocably agrees that it shall have no right of subrogation with respect to, and hereby waives any right to enforce, any remedy which LBC now has or may hereafter have against the Partnership or Wells-Buck, or any security now or hereafter held by LBC. Subject to Paragraph 2 of this Guaranty, Guarantor also waives any defense based upon an election of remedies by LBC which destroys or otherwise impairs any subrogation rights of Guarantor or the right of Guarantor to proceed against the Partnership or Wells-Buck for reimbursement, or both. All laws exempting real or personal property from execution are hereby waived, and no benefit of exemption will be claimed under or by virtue of any exemption law now in force or which hereafter may be passed.

12. **Additional Representations and Warranties.** In addition to and independent of any other obligation or liability under this Guaranty, Guarantor hereby represents and warrants to LBC as follows:

(a) Guarantor has an indirect economic investment or interest in the Partnership, an indirect economic investment or interest in Wells-Buck and an interest in the success of the Partnership, Wells-Buck and Wells 35 W. Wacker, LLC;

(b) Any and all balance sheets, net worth statements and other financial data with respect to Guarantor which have heretofore been given to LBC by or on behalf of Guarantor fairly and accurately present the financial condition of Guarantor as of the respective dates thereof and, since the respective dates thereof, there has been no material adverse change in the financial condition of Guarantor;

(c) The execution, delivery and performance by Guarantor of this Guaranty do not and will not contravene or conflict with (i) any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court having jurisdiction over Guarantor, or (ii) any contractual restriction binding on or affecting Guarantor or any of Guarantor’s property or assets unless appropriate consents have been obtained prior to execution hereof;

(d) This Guaranty creates legal, valid and binding obligations of Guarantor enforceable against Guarantor in accordance with its terms subject to bankruptcy, creditors’ rights, and insolvency;

(e) There is no action, proceeding or investigation pending or, to the knowledge of Guarantor, threatened, affecting Guarantor, which may adversely affect the ability of Guarantor to pay the Indemnity Obligations in full and to fulfill and perform the other undertakings under this Guaranty; and

(f) No representation or warranty by Guarantor contained herein, nor any schedule, certificate or other document furnished by Guarantor to LBC in connection with this Guaranty contains any material misstatement of fact or omits to state a material fact or any fact necessary to make the statements contained therein not misleading.

(g) Guarantor hereby indemnifies LBC and agrees to defend and hold harmless LBC from and against: (a) any loss, cost, damage or expense occurring by reason of a breach of the foregoing representations and warranties; and (b) the loss, mitigation, subordination or other consequences adverse to LBC by reason of this Guaranty being challenged as a preference or suffering any other subjugation under any bankruptcy or other law, whether state or federal, affecting debtors, creditors and/or the relationship between and among them, provided that in any event Guarantor's maximum obligation under this Guaranty at any time shall not exceed the amount of the Indebtedness which Guarantor may have under Paragraph 1.

13. **Successors and Assigns; Joint and Several Liability.** This Guaranty shall bind Guarantor and the heirs, assigns, successors, executors, administrators and legal and personal representatives of Guarantor; provided that Guarantor shall not be entitled to transfer or assign its obligations hereunder without the prior written consent of LBC. If this Guaranty is executed by more than one person, it shall be the joint and several undertaking of each of the undersigned. Regardless of whether this Guaranty is executed by more than one person, it is agreed that the undersigned's liability hereunder is several and independent of any other guarantees or other obligations at any time in effect with respect to the Indemnity Obligations or any part thereof and that Guarantor's liability hereunder may be enforced regardless of the existence, validity, enforcement or non-enforcement of any such other guarantees or other obligations. LBC shall have the right to assign its rights under this Guaranty to any Affiliate to which LBC transfers its interest in the Partnership pursuant to the Partnership Agreement.

14. **Agent for Service of Process.** Guarantor hereby submits to personal jurisdiction in the State of Illinois for the enforcement of this Guaranty and waives any and all personal rights to object to such jurisdiction for the purposes of litigation to enforce this Guaranty. In the event such litigation is commenced at any time when Guarantor is not permanently domiciled in the State of Illinois, Guarantor agrees that service of process may be made and personal jurisdiction over Guarantor obtained, by service of a copy of the summons, complaint and other pleadings required to commence such litigation upon the appointed agent for service of process in the State of Illinois, which agent Guarantor hereby designates to be:

CT Corporation System
208 S. LaSalle Street, Suite 814
Chicago, Illinois 60604

Guarantor agrees that this appointment of an agent for service of process is made for the mutual benefit of Guarantor and LBC and may not be revoked without LBC's consent. Guarantor hereby agrees and consents that any such service of process upon such agent shall be taken and held to be valid personal service upon Guarantor, whether or not Guarantor shall be then physically present, residing within, or doing business within the State of Illinois, and that any such service of process shall be of the same force and validity as if service were made upon Guarantor when physically present, residing within, or doing business in the State of Illinois. Guarantor waives all claim of error by reason of any such service. Guarantor hereby consents to the jurisdiction of either the Circuit Court of Cook County, Illinois, or the United States District Court for the Northern District of Illinois, in any action, suit or proceeding which LBC may wish to file at any time in connection with this Guaranty or any related matter. Guarantor hereby agrees that an action, suit or proceeding to enforce this Guaranty may be brought in any state or federal court in the State of Illinois and hereby waives any objection which Guarantor may have to the laying of the venue of any such action, suit or proceeding in any such court; provided, however, that the provisions of this Paragraph shall not be deemed to preclude LBC from filing any such action, suit or proceeding in any other appropriate forum.

15. **Notices.** All notices, demands, requests, or other communications which may be or are required to be given, served, or sent by any party to any other party pursuant to this Agreement shall be in writing and shall be hand delivered, sent by overnight courier or mailed by first-class, registered or certified mail, return receipt requested, postage prepaid, or transmitted by facsimile, telegram, telecopy or telex, addressed as follows:

(b) Voting. A Partner may vote either in person or by written proxy or consent signed by the Partner or by his duly authorized attorney in fact.

SECTION 17. Exculpation, Limitation of Liability and Indemnification.

(a) Exculpation. Notwithstanding anything to the contrary set forth in this Agreement, neither the General Partner nor any Limited Partner shall be liable to the Partnership or to any other Partner for monetary damages for any losses, claims, damages or liabilities arising from any act or omission of such General Partner or Limited Partner arising out of or in connection with this Agreement or the Partnership's business or affairs, except to the extent that such act or omission (1) is attributable to such General Partner's or Limited Partners fraud, bad faith, willful misconduct or gross negligence or (2) was clearly outside the scope of authority granted to such General Partner or Limited Partner under this Agreement (such acts or omissions being hereinafter referred to as "Excluded Matters").

(b) Limitation of Liability. Except as provided in Sections 17-403(b) and (d) of the Act, the debts, obligations and liabilities of the Partnership, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Partnership and the General Partner, and no Limited Partner shall be obligated personally for any such debt, obligation or liability of the Partnership solely by reason of being a Limited Partner.

(c) Indemnification. Other than with respect to Excluded Matters, the Partnership shall indemnify, in accordance with and to the full extent now or hereafter permitted by law, any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, an action by or in the right of the Partnership) by reason of the fact that such Person is or was a Limited Partner, General Partner or officer of the Partnership or an Affiliate thereof (and the Partnership may so indemnify a Person by reason of the fact that such Person is or was an employee or agent of the Partnership, or is or was serving at the request of the Partnership as a director, trustee, member, manager, partner officer, employee or agent of another limited liability company, corporation, partnership, joint venture, trust or other enterprise), against any liabilities, expenses (including, without limitation, attorneys' fees and expenses and any other costs and expenses incurred in connection with defending such action, suit or proceeding), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Person in connection with such action, suit or proceeding if such Person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Partnership, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contenders or its equivalent, shall not, of itself, create a presumption (a) that the Person did not act in good faith or in a manner which he or she reasonably believed to be opposed to the best interests of the Partnership, or (b) with respect to any criminal action or proceeding, that the Person had reasonable cause to believe that his or her conduct was unlawful. "Other enterprise" shall include employee benefit plans; references to "fines" shall include any excise taxes assessed on a Person with respect to an employee benefit plan; and references to serving at the request of the Partnership shall include, without limitation, any service as a member, manager, officer, employee or agent of the Partnership or any other entities in which it has an ownership interest which imposes duties on, or invoices services by, such member, manager, partner, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries.

(d) Expenses. Reasonable expenses, (including, without limitation, attorneys' fees and expenses) incurred by a Limited Partner, General Partner or officer of the Partnership in defending a civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Partnership in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Limited Partner, General Partner or officer to repay such amount if it shall ultimately be determined that such Limited Partner, General Partner or officer is not entitled to be indemnified by the Partnership under this Section 17 or under any other contract or agreement between such Limited Partner, General Partner or officer and the Partnership. Such expenses (including attorneys' fees) incurred by employees or agents of the Partnership may be so paid upon the receipt of the aforesaid undertaking and such terms and conditions, if any, as the General Partner deems appropriate.

(e) Continuation. The indemnification and advancement of expenses provided by this Section 17 shall continue as to a Person who has ceased to be a Limited Partner, General Partner, officer, employee or agent and shall insure to the benefit of the successors, assigns, heirs, executors and administrators of such a Person.

SECTION 18. Sale of Partnership Interests and New Partners.

(a) Assignment. Except as otherwise permitted in Sections 18(c) and 18(g) herein, any Sale of a Partnership Interest in whole or in part, including, without limitation, pursuant to Section 18(b) shall be permitted only upon compliance with the provisions of Section 18(d) and (e) and, to the extent applicable, upon compliance with the provisions of Section 18(b) and (g). A Sale of a Partnership Interest shall not entitle the assignee to become or to exercise any rights or powers of a Partner until such assignee is admitted as a Partner in accordance with this Agreement. As a condition to any Sale of a Partnership Interest, the Partner must notify the assignee and the Partnership in writing of all obligations of such Partner for liabilities relating to the Partnership and this Agreement, including any obligations to make contributions to the Partnership. Any attempted Sale in contravention of this Section 18 shall be void and of no force or effect except that such Sale shall entitle the transferee only to receive such distributions, to share in such profits and to receive such allocations of income, gain, loss, deduction, credit, tax preference and similar items to which the transferor was entitled to the extent assigned.

(b) Tag-Along And Drag-Along Rights.

(i) Tag-Along. If Wells proposes to effect a Sale to a Person other than: (A) JBC or (B) a Sale to an Affiliate of Wells of less than fifty percent (50%) of the Partnership Interests held by Wells as of the date hereof, Wells shall offer each and every other Partner the opportunity to sell (the "Tag-Along Purchase Offer") to such Person (the "Purchaser") the Tag-Along Portion of such Partner's Partnership Interest for the consideration per percentage of Partnership Interest set forth hereinbelow as the "Tag-Along Price" and otherwise in all material respects on the same terms and conditions upon which Wells sells such portion or all of its Partnership Interest. The Tag-Along Portion shall be the portion of a Partner's Partnership Interest which is equal to (x) the total Partnership Interest of such Partner as of the date that the Tag-Along Notice is provided in accordance with clause (iii) below multiplied by (y) a fraction the numerator of which is the Partnership Interest that Wells proposes to sell as set forth in such Tag-Along Notice and the denominator of which is the total Partnership Interest of Wells as of such date (such portion, the "Tag-Along Portion"). The consideration per percentage Partnership Interest payable to a Partner selling its Tag-Along Portion will be equal to the amount which would be distributed to such Partner per percentage Partnership Interest assuming the Partnership sold all of its assets for a price which would result in Wells receiving the consideration offered to Wells in the proposed Sale upon a liquidation of the Partnership.

(ii) Drag-Along. If Wells proposes to effect a Sale to a Purchaser of all its Partnership Interests, other than: (A) to a Partner or (B) a Sale to an Affiliate of Wells of less than fifty percent (50%) of the Partnership Interests held by Wells as of the date hereof (the "Drag-Along Purchase Offer"; a Tag-Along Purchase Offer and Drag-Along Purchase Offer may each be referred to herein as a "Purchase Offer"), Wells may require each and every other Partner to sell to the Purchaser all Partnership Interests held by such

Partners for the same consideration per percentage of Partnership Interest and otherwise on substantially the same terms and conditions upon which Wells sells its Partnership Interests.

(iii) Exercise of Right. In the event of a Purchase Offer, Wells shall cause the Purchase Offer described in clause (i) or (ii) above, as applicable, to be reduced to writing and shall provide a written notice (the “Tag-Along/Drag-Along Notice”) of the Purchase Offer to the other Partners. The Tag-Along/Drag-Along Notice shall contain written notice, as applicable, of (A) the exercise by Wells of Wells’ drag-along rights pursuant to Section 18(b)(ii), or (B) the Tag-Along rights of the other Partners to sell the Tag-Along Portion of their Partnership Interests pursuant to Section 18(b)(i), as the case may be, and shall set forth the consideration per percentage of Partnership Interest to be paid by the Purchaser and the other terms and conditions of the Purchase Offer. No later than 20 days (subject to the expiration of any applicable waiting period under the Hart Scott Rodino Antitrust Improvements Act of 1976) after receipt of a Tag-Along Notice/Drag Along Notice or in a subsequent notice from Wells (A) in the event of a Drag-Along Purchase Offer, each of the other Partners shall, or (B) in the event of a Tag-Along Purchase Offer, each of the other Partners who elects to participate in such Sale shall, deliver into escrow with Wells all documents reasonably required to be executed in connection with such Purchase Offer to be held for delivery to the Purchaser upon delivery to such Partner of the consideration therefor. In the event that a Partner receives a Tag-Along/Drag-Along Notice pursuant to this Section 18(b), such Partner agrees to use commercially reasonable efforts, in good faith and in a timely manner, to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable, under applicable laws and regulations (including, without limitation, to ensure that all appropriate legal and other requirements are met and all consents of third Persons are obtained), to consummate the proposed transactions contemplated by this Section 18(b). Notwithstanding any other provisions of this Section 18(b), in the event of a Drag-Along Sale, no Partner other than the Partner initiating the Drag-Along Sale shall be required to make any representation or warranty or incur any liability with respect to such Sale other than with respect to (1) such Partner’s clear title to its Partnership Interest; (2) such Partner’s power and authority to complete such sale; and (3) customary accredited investor and related representations and warranties from such Partner if securities are issued by the Purchaser in connection with the Sale. Each other Partner hereby grants to Wells an irrevocable (to the extent permitted by law) power of attorney coupled with an interest to execute and deliver any and all documents and instruments on behalf of such other Partner as Wells may deem necessary or appropriate in order to effectuate a Sale pursuant to the provisions of this Section 18(b).

(iv) Return of Documents. If, for any reason, Wells determines that it cannot complete the Sale of the Partnership Interests, Wells shall cause to be returned to the Partners all documents delivered into escrow pursuant hereto by the Partners, and all the restrictions on Sale or other disposition contained in this Agreement with respect to Partnership Interests shall again be in effect.

(v) Remittance of Consideration. At the closing of the Sale of Partnership Interest pursuant to this Section 18(b), the consideration with respect to the Partnership Interests of any Partner sold pursuant hereto shall be paid directly to each Partner pursuant to written instructions of such Partner.

(vi) No Liability. Notwithstanding anything contained in this Section 18(b), there shall be no liability on the part of Wells to any Partner if the Sale of Partnership Interests pursuant to this Section 18(b) is not consummated for whatever reason. Whether to effect a Sale of Partnership Interests held by the Wells (together with the Partnership Interests of the other Partners pursuant to this Section 18(b)) shall be in the sole and absolute discretion of Wells.

(c) Put of JBC Limited Partner Interests.

(i) In the event that (A) the Partnership acquires any material asset other than as required for the continued operation of the Partnership, 35 West Wacker Venture or the 35 W. Wacker Property without the consent of JBC, or (B) this Agreement or the 35 W. Wacker Venture Agreement is amended without the consent of JBC in the case where such consent is required, as provided in Section 26(i) below, or (C) if the Partnership elects to use the "remedial method" under Section 1.704-3(d) of the Treasury Regulations following Wells' acquisition of the GP Interest, then Wells hereby grants JBC the right and option to require Wells to acquire the entire Partnership Interest of JBC for a purchase price equal to the "Fair Market Value" thereof (such right and option being herein called the "Put"). The Put may be exercised only with respect to all, and not less than all, of the JBC Partnership Interest, and shall be exercisable within thirty (30) days of JBC receiving written notice from Wells that an event permitting the exercise of the Put as described in clause (A) or (B) or (C) above has occurred, by the giving of written notice of exercise to Wells. Notwithstanding the foregoing, if JBC gives notice on or prior to May 31, 2004 that it is exercising the Put, then the purchase price for JBC's Partnership Interest shall be a pro rata amount per percentage of the JBC Partnership Interest based upon the price Wells paid to VV City for the GP Interest under the Purchase Agreement, as adjusted for adjustments made under or pursuant to the Purchase Agreement.

(ii) From and after the giving of notice of exercise of the Put by JBC, this Agreement shall be deemed for all purposes a legally enforceable contract between Wells, on the one hand, and JBC, on the other, for the sale by JBC of its entire Partnership Interest, and the purchase by Wells of such Partnership Interest, subject to and on the terms set forth herein.

(iii) The "Fair Market Value" of the JBC Partnership Interest shall be determined for purposes of the Put in the same manner as the redemption price for the JBC Partnership Interest would be determined in a redemption under Section 18(g) below.

(iv) The "Closing" of the transfer pursuant to the Put shall be held at the office where the principal place of business of the Partnership, at 10:00 a.m. on the 60th day after the election by Wells (or, if such 60th day is not a Business Day, on the next succeeding Business Day), time being of the essence of this Put; provided if the Fair

Market Value has not been determined by such 60th day, the Closing shall occur on the 10th Business Day after such determination is made. On the Business Day immediately prior to Closing, there shall be a preliminary closing at which JBC and Wells shall act diligently and in good faith to agree upon the form and substance of all documents necessary to effectuate the Closing.

(v) At the Closing, JBC shall deliver an assignment and, if requested by Wells, a bill of sale (both with covenants against grantor's acts, covenants of further assurances, and covenants or representations as to authorization, execution and delivery, and binding effect, but with no other covenants unless mutually agreed) from the seller to the purchaser together with such other instruments and documents as may be reasonably necessary to effectuate the sale and transfer to the purchaser, legally sufficient to convey all of the Partnership Interest of JBC to the purchaser, free and clear of all liens, claims, security interests and encumbrances created by JBC or any Affiliate thereof. The purchase price shall be paid at the Closing to JBC, by cash or federal wire transfer of immediately available funds to an account designated by JBC. In the event there are any conveyance, transfer or similar taxes payable as an incident to the conveyances at the Closing, such taxes shall be expenses of JBC.

(vi) Wells shall have the right, in its sole and absolute discretion, to cause its nominee(s) or designee(s) to acquire the JBC Partnership Interest at the Closing but nothing herein shall relieve Wells of its obligations under this Section 18(c).

(d) Limitations on Assignment. No Partner may Sell any Partnership Interest (or any portion thereof or interest therein) to any Person, including without limitation any Sale pursuant to Section 18(b), and no Person shall become a Partner, unless in the opinion of counsel selected by or acceptable to the General Partner, such action will not: (i) subject the Partnership to federal income taxation as an association taxable as a corporation (including, without limitation, causing the Partnership to be classified as a "publicly traded partnership" under Section 7704 of the Code); (ii) or, violate applicable state or federal securities laws (such requirements, the "Assignment Conditions").

(e) New Partners. A Person, including without limitation, an assignee of a Partnership Interest, shall be admitted as a Partner only upon the written consent of the General Partner, which consent may be granted or withheld in the sole and absolute discretion of the General Partner. In the case of an assignment, unless and until the assignee of a Partnership Interest is admitted as a Partner, the assignor, subject to the last sentence of Section 18(a), shall continue to be a Partner, and the assignee shall be a mere assignee under the Act.

(f) Redemption. If requested by a Partner, the Partnership may redeem, but is not obligated to redeem, the Partnership Interest of any such Partner upon the approval of the General Partner.

(g) Restrictions on Transfer or Redemption. If a Limited Partner desires to Sell its Partnership Interest to any party, other than an Affiliate of such Partner, it shall provide written notice thereof to the Partnership, and the Partnership shall have the right to cause such Partner's Partnership Interest to be redeemed for an amount equal to the amount that such Partner would receive if the 35 W. Wacker Property, and any all other assets, if any, owned by the 35 W. Wacker Venture, were sold for their fair market value less all liabilities of 35 W. Wacker Venture and the Partnership, as reasonably agreed upon by such Partner and the General Partner (and including without limitation the payment of all indemnification amounts that would then be owed to Leo Burnett USA, Inc.) and both 35 W. Wacker Venture and the Partnership dissolved and distributed all of their respective assets after payment (or provision for payment) of all their respective liabilities. The Partnership shall have thirty (30) days following receipt of such notice from a Limited Partner to (i) indicate whether or not it desires to redeem such Limited Partner's Partnership Interest and (ii) if it elects to redeem such Limited Partner's Partnership Interest, the proposed fair market value of the foregoing described property, the foregoing liabilities and calculation of the amount payable to such Partner for purposes of such redemption. If the Limited Partner objects to such fair market value, it shall notify the General Partner thereof in writing specifying in reasonable detail the nature of its objection and the parties shall in good faith attempt to resolve such disagreement. If the parties are unable to resolve such disagreement within thirty (30) days after notice, the matter shall be settled by arbitration pursuant to Section 19. If the Partnership elects not to redeem the Partnership Interest, then such Limited Partner shall be permitted to sell and assign its Partnership Interest during the twelve (12) month period thereafter.

SECTION 19. ARBITRATION PROCEDURE.

If the Partners are unable to mutually agree upon the fair market value of the Partnership Interest within the thirty (30) day periods of Section 18(c)(iii) or Section 18(g), as applicable, such value shall be settled at the request of any Partner by arbitration in Chicago, Illinois in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitration shall be conducted by a single arbitrator who shall be mutually selected by JBC and Wells (in the case of a proceeding pursuant to Section 18(c)(iii) or by the Limited Partner and the General Partner (in the case of a proceeding pursuant to Section 18(g) and who shall be an MIA appraiser who shall have at least ten (10) years of commercial real estate experience in the Chicago central business district. Each of the Partners participating in the proceeding shall be required as part of the arbitration of fair market value of the Partnership Interest to present its proposed fair market value of the Partnership Interest to the arbitrator. The arbitrator, in making his decision, shall be required to select that proposal which is the closest to the arbitrator's view of fair market value of the Partnership Interest. If the parties are unable to agree upon an arbitrator within 30 days of notice by either party to the other, then at the written request of either the Selling Partner or the General Partner, each shall select one arbitrator meeting the above qualifications within 30 days of receipt of such request, and the two arbitrators so selected shall appoint the arbitrator meeting the above qualifications to make the determination under this Section. In the event a Partner fails to appoint its arbitrator in accordance with the preceding sentence, the arbitrator appointed by the other Partner shall be the arbitrator for purposes of settling the dispute which is the subject of such arbitration. The determination by the arbitrator shall be final and binding on the Partners and may be entered in any court having jurisdiction thereof. The fees and expenses of the arbitrator and all other expenses of the arbitration shall be paid one-half by the General Partner and one-half by the Partner whose interest is to be sold.

Section 5.5. Inspection of the Property. Subject to the rights of tenants under the Leases, Lender has the right to enter and inspect the Property on reasonable prior notice, except during the existence of an Event of Default, when no prior notice is necessary. As long as there has not been an Event of Default, and as long as no one inspection requires additional inspections, such right shall be exercised no more often than once per year. Lender has the right to engage an independent expert to review and report on Borrower's compliance with Borrower's obligations under this Mortgage to maintain the Property, comply with Law and refrain from waste, impairment or deterioration of the Property and the alteration, demolition or removal of any of the Property except as may be permitted by the provisions of this Mortgage. If the independent expert's report discloses material failure to comply with such obligations or if Lender engages the independent expert after the occurrence of an Event of Default, then the reasonable cost associated with the performance of such independent expert's review and report will be at Borrower's expense, payable promptly following receipt of written demand therefor.

Section 5.6. Leases-and Rents.

(a) Borrower assigns the Leases and the Rents to Lender absolutely and unconditionally and not merely as additional collateral or security for the payment and performance of the Obligations, but subject to a license back to Borrower of the right to collect the Rents unless and until an Event of Default occurs at which time the license will terminate automatically, all as more particularly set forth in the Assignment, the provisions of which are incorporated in this Mortgage by reference; provided, however, that upon the cure of the Event of Default, Borrower's license shall be automatically reinstated.

(b) Borrower appoints Lender as Borrower's attorney-in-fact to execute unilaterally and record, at Lender's election, a document subordinating this Mortgage to the Leases, provided that the subordination will not affect (i) the priority of Lender's entitlement to Insurance Proceeds or Condemnation Awards or (ii) the priority of this Mortgage over intervening liens or liens arising under or with respect to the Leases.

Section 5.8. Separate Tax Lot. The Land and Improvements are and will remain assessed for real estate tax purposes as one or more wholly independent tax lots, separate from any property that is not part of the Property.

Section 5.9. Changes in Zoning or Restrictive Covenants. Borrower will not (i) initiate, join in or consent to any change in any Laws pertaining to zoning, any restrictive covenant or other restriction which would restrict the Permitted Uses for the Property; (ii) permit the Property to be used to fulfill any requirements of Law for the construction or maintenance of any improvements on property that is not part of the Property; (iii) permit the Property to be used for any purpose not included in the Permitted Use; or (iv) impair the integrity of the Property as a single, legally subdivided zoning lot separate from all other property.

Section 5.10. Lender's Right to Appear. Lender has the right to appear in and defend any Proceeding brought regarding the Property and to bring any Proceeding, in the name and on behalf of Borrower, only following Borrower's failure to do so on its own behalf, or at any time in Lender's name, which Lender, in its sole discretion, determines should be brought to protect Lender's interest in the Property.

ARTICLE VI

IMPOSITIONS AND ACCUMULATIONS

Section 6.1. Impositions.

(a) Borrower will pay each Imposition at least 15 days before the date (the "**Imposition Penalty Date**" that is the earlier of (i) the date on which the Imposition becomes delinquent and (ii) the date on which any penalty, interest or charge for non-payment of the Imposition accrues.

(b) Promptly following its payment of Taxes, Assessments or insurance premiums, Borrower will deliver to Lender a receipted bill or other evidence of payment.

(c) Borrower, at its own expense, may contest any Taxes or Assessments, provided that the following conditions are met:

(i) not less than 30 days prior to the Imposition Penalty Date, Borrower delivers to Lender notice of the proposed contest;

(ii) the contest is by a Proceeding promptly initiated and conducted diligently and in good faith;

(iii) there is no Event of Default;

(iv) the Proceeding is permitted under and is conducted in accordance with the Leases and the Property Documents;

(v) the Proceeding precludes imposition of criminal or civil penalties and sale or forfeiture of the Property and Lender will not be subject to any civil suit; and

(vi) Borrower pays all of the contested Taxes or Assessments under protest in any event in accordance with the Laws of Illinois.

(d) Installment Payments. If any Assessment is payable in installments in accordance with its terms, Borrower may pay such Assessment in installments. If the Assessment is only payable in installments following Borrower or a representative of Borrower successfully petitioning to pay the Assessments in installments, then notwithstanding such right, Borrower will nevertheless pay the Assessment in its entirety on the day the first installment becomes due and payable or a lien, unless Lender, in its sole discretion, approves payment of the Assessment in installments.

Section 6.2. Accumulations.

(a) Borrower made an initial deposit with either Lender or a mortgage servicer or financial institution designated or approved by Lender from time to time to receive, hold and disburse the Accumulations in accordance with this Section (the "**Accumulations Depositary**"). On the first day of each calendar month during the Term Borrower will deposit with the Accumulations Depositary an amount equal to one-twelfth (1/12) of the annual Taxes and Assessments as determined by Lender or its designee based upon the last ascertainable tax bill, unless otherwise provided in an agreement among Borrower, Lender and Accumulations Depository. At least 20 days before each Imposition Penalty Date, Borrower will deliver to the Accumulations Depositary any bills and other documents that are necessary to pay the Taxes and Assessments.

(b) The Accumulations will be applied to the payment of Taxes and Assessments. Any excess Accumulations after payment of Taxes and Assessments will be returned to Borrower or credited against future payments of the Accumulations, at Lender's election or as required by Law. If the Accumulations are not sufficient to pay Taxes and Assessments, Borrower will pay the deficiency to the Accumulations Depositary within 5 days of demand. At any time after an Event of Default occurs, Lender may apply the Accumulations as a credit against any portion of the Debt selected by Lender in its sole discretion.

(c) The Accumulations Depositary will hold the Accumulations as security for the Obligations until applied in accordance with the provisions of this Mortgage. If Lender is not the Accumulations Depositary, the Accumulations Depositary will deliver the Accumulations to Lender upon Lender's demand at any time after an Event of Default.

(d) If the Property is sold or conveyed other than by foreclosure or transfer in lieu of foreclosure, all right, title and interest of Borrower to the Accumulations will automatically, and without necessity of further assignment, be held for the account of the new owner, subject to the provisions of this Section and Borrower will have no further interest in the Accumulations.

(e) The Accumulations Depositary has deposited the initial deposit and will deposit the monthly deposits into a separate interest bearing account with Leader denominated as secured party, all in accordance with an agreement among Borrower, Lender and the Accumulations Depositary dated the date of this Mortgage.

(f) Lender has the right to pay, or to direct the Accumulations Depositary to pay, any Taxes or Assessments unless Borrower is contesting the Taxes or Assessments in accordance with the provisions of this Mortgage, in which event any payment of the contested Taxes or Assessments will be made under protest in the manner prescribed by Law or, at Lender's election, will be withheld.

(g) If Lender assigns this Mortgage. Lender will pay, or cause the Accumulations Depositary to pay, the unapplied balance of the Accumulations to or at the direction of the assignee. Simultaneously with the payment, Lender and the Accumulations Depositary will be released from all liability with respect to the Accumulations and Borrower will look solely to the assignee with respect to the Accumulations. When the Obligations have been fully satisfied, any unapplied balance of the Accumulations will be returned to Borrower.

Section 6.3. Changes in Tax Laws. If a Law requires the deduction of the Debt from the value of the Property for the purpose of taxation or imposes a tax, either directly or indirectly, on the Debt, any Loan Document or Lender's interest in the Property, Borrower will pay the tax with interest and penalties, if any. If Lender determines that Borrower's payment of the tax may be unlawful, unenforceable, usurious or taxable to Lender, the Debt will become immediately due and payable on 60 days' prior notice unless the tax must be paid within the 60-day period, in which case, the Debt will be due and payable within the lesser period.

Section 6.4. Reserves. Borrower made an initial deposit of Nine Million Two Hundred Thousand and no/100 Dollars ($9,200,000.00) into an account established as security for the payment and performance of certain indemnification obligations from Borrower to Lender, to be held and disbursed solely in accordance with a Reserve and Security Agreement dated the date of this Mortgage among Borrower, Lender and an escrow holder. Such deposit shall provide cash collateral to protect Lender from any potential liability arising out of Borrower's certain indemnification for taxes pursuant to that certain lease between Borrower and The Leo Burnett Company, Inc., dated December 15, 1997 (the "**Burnett Lease**"). The deposited amount may be reduced from time to time in accordance with the Reserve and Security Agreement referenced above.

ARTICLE VII

INSURANCE, CASUALTY. CONDEMNATION AND RESTORATION

Section 7.1. Insurance Coverages.

(a) Borrower will maintain such insurance coverages and endorsements in form and substance and in amounts as Lender may require in its sole discretion, from time to time. Until Lender notifies Borrower of changes in Lender's requirements, Borrower will maintain not less than the insurance coverages and endorsements Lender required for closing of the Loan.

(b) The insurance, including renewals, required under this Section will be issued on valid and enforceable policies and endorsements satisfactory to Lender (the "**Policies**"). Each Policy will contain a standard waiver of subrogation and a replacement cost endorsement and will provide that Lender will receive not less than 30 days' prior written notice of any cancellation, termination or non-renewal of a Policy or any material change other than an increase in coverage and that Lender will be named under a standard mortgage endorsement as loss payee.

(c) The insurance companies issuing the Policies (the "**Insurers**") must be authorized to do business in the State or Commonwealth where the Property is located, must have been in business for at least 5 years, must carry an A.M. Best Company, Inc. policy holder rating of A or better and an A.M. Best Company, Inc. financial category rating of Class X or better and must be otherwise satisfactory to Lender. Lender may select an alternative credit rating agency and may impose different credit rating standards for the Insurers. Notwithstanding Lender's right to approve the Insurers and to establish credit rating standards for the Insurers, Lender will not be responsible for the solvency of any Insurer.

(d) Notwithstanding Lender's rights under this Article, Lender will not be liable for any loss, damage or injury resulting from the inadequacy or lack of any insurance coverage.

(e) Borrower will comply with the provisions of the Policies and with the requirements, notices and demands imposed by the Insurers and applicable to Borrower or the Property.

(f) Borrower will pay the Insurance Premiums for each Policy no later than the expiration date of the Policy being replaced or renewed and will deliver to Lender an original or, if a blanket policy, a certified copy of each Policy marked "Paid" no later than 30 days following the inception date of the new Policy.

(g) Borrower will not carry separate insurance concurrent in kind or form or contributing in the event of loss with any other insurance carried by Borrower.

(h) Borrower will not carry any of the insurance required under this Section on a blanket or umbrella policy without in each instance Lender's prior approval which may be withheld in Lender's sole discretion. If Lender approves, Borrower will deliver to Lender a certified copy of the blanket policy which will allocate to the Property the amount of coverage required under this Section and otherwise will provide the same coverage and protection as would a separate policy insuring only the Property.

(i) Borrower will give the Insurers prompt notice of any change in ownership or occupancy of the Property. This subsection does not abrogate the prohibitions on transfers set forth in this Mortgage.

Section 7.2 Casualty and Condemnation.

(a) Borrower will give Lender notice of any Casualty immediately after it occurs and will give Lender notice of any Condemnation Proceeding immediately after Borrower receives notice of commencement or notice that such a Condemnation Proceeding will be commencing.

Borrower immediately will deliver to Lender copies of all documents Borrower delivers or receives relating to the Casualty or the Condemnation Proceeding, as the case may be.

(b) Borrower authorizes Lender, at Lender's option, to act on Borrower's behalf to collect, adjust and compromise any claims for loss, damage or destruction under the Policies on such terms as Lender determines in Lender's sole discretion. Borrower authorizes Lender to act, at Lender's option, on Borrower's behalf in connection with any Condemnation Proceeding. Borrower will execute and deliver to Lender all documents requested by Lender and all documents as may be required by Law to confirm such authorizations. Nothing in this Section will be construed to limit or prevent Lender from joining with Borrower either as a co-defendant or as a co-plaintiff in any Condemnation Proceeding.

(c) If Lender elects not to act on Borrower's behalf as provided in this Section, then Borrower promptly will file and prosecute all claims (including Lender's claims) relating to the Casualty and will prosecute or defend (including defense of Lender's interest) any Condemnation Proceeding. Borrower will have the authority to settle or compromise the claims or Condemnation Proceeding, as the case may be, provided that Lender has approved in Lender's sole discretion any compromise or settlement that exceeds $750,000.00. Any check for Insurance Proceeds or Condemnation Awards, as the case may be (the "**Proceeds**") will be made payable to Lender and Borrower. Borrower will endorse the check to Lender immediately upon Lender presenting the check to Borrower for endorsement or if Borrower receives the check first, will endorse the check immediately upon receipt and forward it to Lender. If any Proceeds are paid to Borrower, Borrower immediately will deposit the Proceeds with Lender, to be applied or disbursed in accordance with the provisions of this Mortgage. Lender will be responsible for only the Proceeds actually received by Lender.

Section 7.3. Application of Proceeds. After deducting the costs incurred by Lender in collecting the Proceeds, Lender may, in its sole discretion, (i) apply the Proceeds as a credit against any portion of the Debt selected by Lender in its sole discretion which shall be applied without obligation by Borrower to pay any prepayment premium; (ii) apply the Proceeds to restore the Improvements, provided that Lender will not be obligated to see to the proper application of the Proceeds and provided further that any amounts released for Restoration will not be deemed a payment on the Debt; or (iii) deliver the Proceeds to Borrower.

Section 7.4. Conditions to Availability of Proceeds for Restoration. Notwithstanding the preceding Section, after a Casualty or a Condemnation (a "**Destruction Event**"), Lender will make the Proceeds (less any reasonable out of pocket costs incurred by Lender in collecting the Proceeds) available for Restoration in accordance with the conditions for disbursements set forth in the Section entitled "Restoration", provided that the following conditions are met:

(i) 35 W. Wacker Venture L.L.C., a Delaware limited liability company or the transferee under a Permitted Transfer, if any, continues to be Borrower at the time of the Destruction Event and at all times thereafter until the Proceeds have been fully disbursed;

(ii) No Event of Default under the Loan Documents exists at the time of the Destruction Event and no Event of Default has occurred during the 12 months prior to the Destruction Event;

(iii) all Leases in effect immediately prior to the Destruction Event and all Property Documents in effect immediately prior to the Destruction Event that are essential to the use and operation of the Property continue in full force and effect notwithstanding the Destruction Event;

(iv) if the Destruction Event is a Condemnation, Borrower delivers to Lender evidence satisfactory to Lender that the Improvements can be restored to an economically and architecturally viable unit;

(v) Borrower delivers to Lender evidence satisfactory to Lender that the Proceeds are sufficient to complete Restoration or if the Proceeds are insufficient to complete Restoration, Borrower first deposits with Lender funds ("**Additional Funds**") that when added to the Proceeds will be sufficient to complete Restoration;

(vi) if the Destruction Event is a Casualty, Borrower delivers to Lender evidence satisfactory to Lender that the Insurer under each affected Policy has not denied liability under the Policy as to Borrower or the insured under the Policy;

(vii) Lender is satisfied that the proceeds of any business interruption insurance in effect together with other available gross revenues from the Property are sufficient to pay Debt Service Payments after paying the Impositions, Insurance Premiums, reasonable and customary operating expenses and capital expenditures until Restoration is complete;

(viii) Lender is satisfied that Restoration will be completed on or before the date (the "**Restoration Completion Date**") that is the earliest of (A) 12 months prior to the Maturity Date; (B) 18 months after the Destruction Event; (C) the earliest date required for completion of Restoration under any Lease or any Property Document; or (D) any date required by Law; and

(ix) the annual Rents (excluding security deposits) under Leases in effect on the date of the Destruction Event are providing debt service coverage for the annual Debt Service Payments of 1.35 after payment of annual Insurance Premiums, Impositions and operating expenses of the Property (including ground rent, if any), provided that, if the Rents do not provide such debt service coverage, then Borrower expressly authorizes and directs Lender to apply an amount from the Proceeds to reduction of Principal in order to reduce the annual Debt Service Payments sufficiently for such debt service coverage to be achieved. The reduced debt service payments will be calculated using the Fixed Interest Rate and an amortization schedule that will achieve the same proportionate amortization of the reduced Principal over the then remaining Term as would have been achieved if the Principal and the originally scheduled Debt Service Payments had not been reduced. Borrower will execute any documentation that Lender deems reasonably necessary to evidence the reduced Principal and debt service payments.

Section 7.5. Restoration.

(a) If the total Proceeds for any Destruction Event are $750,000.00 or less and Lender elects or is obligated by Law or under this Article to make the Proceeds available for Restoration, Lender will disburse to Borrower the entire amount received by Lender and Borrower will commence Restoration promptly after the Destruction Event and complete Restoration not later than the Restoration Completion Date.

(b) If the Proceeds for any Destruction Event exceed $750,000.00 and Lender elects or is obligated by Law or under this Article to make the Proceeds available for Restoration, Lender will disburse the Proceeds and any Additional funds (the "**Restoration Funds**") upon Borrower's request as Restoration progresses, generally in accordance with normal construction lending practices for disbursing funds for construction costs, provided that the following conditions are met:

(i) Borrower commences Restoration promptly after the Destruction Event and completes Restoration on or before the Restoration Completion Date;

(ii) if Lender requests, Borrower delivers to Lender prior to commencing Restoration, for Lender's approval, plans and specifications and a detailed budget for the Restoration;

(iii) Borrower delivers to Lender satisfactory evidence of the costs of Restoration incurred prior to the date of the request, and such other documents as Lender may request including mechanics' lien waivers and title insurance endorsements;

(iv) Borrower pays all costs of Restoration whether or not the Restoration Funds are sufficient and, if at any time during Restoration, Lender determines that the undisbursed balance of the Restoration Funds is insufficient to complete Restoration, Borrower deposits with Lender, as part of the Restoration Funds, an amount equal to the deficiency within 30 days of receiving notice of the deficiency from Lender, and

(v) there is no default under the Loan Documents at the time Borrower requests funds or at the time Lender disburses funds.

(c) If an Event of Default occurs at any time after the Destruction Event, then Lender will have no further obligation to make any remaining Proceeds available for Restoration and may apply any remaining Proceeds without any prepayment premium as a credit against any portion of the Debt selected by Lender in its sole discretion.

(d) Lender may elect at any time prior to commencement of Restoration or while work is in progress to retain, at Borrower's expense, an independent engineer or other consultant to review the plans and specifications, to inspect the work as it progresses and to provide reports. If any matter included in a report by the engineer or consultant is unsatisfactory to Lender, Lender may suspend disbursement of the Restoration Funds until the unsatisfactory matters contained in the report are resolved to Lender's satisfaction.

(e) If Borrower fails to commence and complete Restoration in accordance with the terms of this Article, then in addition to the Remedies, Lender may elect to restore the Improvements on Borrower's behalf and reimburse itself out of the Restoration Funds for costs and expenses incurred by Lender in restoring the Improvements, or Lender may apply the Restoration Funds as a credit against any portion of the Debt selected by Lender in its sole discretion.

(f) Lender may commingle the Restoration Funds with its general assets and will not be liable to pay any interest or other return on the Restoration Funds unless otherwise required by Law. Lender will not hold any Restoration Funds in trust. If the Restoration Funds are equal to or greater than Five Million Dollars ($5,000,000), Lender will deposit the Restoration Funds with a depositary satisfactory to Lender under a disbursement and security agreement satisfactory to Lender which shall provide that interest will accrue on such deposit.

(g) Borrower will pay all of Lender's expenses incurred in connection with a Destruction Event or Restoration. If Borrower fails to do so, then in addition to the Remedies, Lender may from time to time reimburse itself out of the Restoration Funds.

(h) If any excess Proceeds remains after Restoration, Lender may elect, in its sole discretion either to apply the excess as a credit against any portion of the Debt as selected by Lender in its sole discretion or to deliver the excess to Borrower.

ARTICLE VIII

COMPLIANCE WITH LAW AND AGREEMENTS

Section 8.1. Compliance with Law. Borrower, the Property and the use of the Property comply in all material respects and will continue to comply in all material respects with Law and with all agreements and conditions necessary to preserve and extend all rights, licenses, permits, privileges, franchises and concessions (including zoning variances, special exceptions and nonconforming uses) relating to the Property or Borrower. Borrower will notify Lender of the commencement of any investigation or Proceeding relating to a possible violation of Law immediately after Borrower receives notice thereof and will deliver promptly to Lender copies of all documents Borrower receives or delivers in connection with the investigation or Proceeding. Borrower will not alter the Property in any manner that would materially increase Borrower's responsibilities for compliance with Law except to the extent necessary to so comply with Law.

Section 8.2. Compliance with Agreements. There are no defaults, events of defaults or events which, with the passage of time or the giving of notice, would constitute an event of default under the Property Documents. Borrower will pay and perform all of its obligations under the Property Documents as and when required by the Property Documents. Borrower will cause all other parties to the Property Documents to pay and perform their obligations under the Property Documents as and when required by the Property Documents. Borrower will not amend or waive any provisions of the Property Documents; exercise any options under the Property Documents; give any approval required or permitted under the Property Documents that would adversely affect the Property or Lender's rights and interests under the Loan Documents; cancel or surrender any of the Property Documents; or release or discharge or permit the release or discharge of any party to or entity bound by any of the Property Documents, without, in each instance, Lender's prior approval (excepting therefrom all service contracts or other agreements entered into in the normal course of business that are cancelable upon not more than 30 days notice). Borrower promptly will deliver to Lender copies of any notices of default or of termination that Borrower receives or delivers relating to any Property Document.

Section 8.3. ERISA Compliance.

(a) Neither Borrower nor any member of Borrower is or will be an "employee benefit plan" as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974 ("**ERISA**") that is subject to Title I of ERISA or a "plan" as defined in Section 4975(e)(1) of the Code that is subject to Section 4975 of the Code, and neither the assets of Borrower or of Borrower's members are or will constitute "plan assets" of one or more such plans for purposes of Title I of ERISA or Section 4975 of the Code.

(b) Borrower is not and will continue not to be a "**governmental plan**" within the meaning of Section 3(32) of ERISA and transactions by or with Borrower are not and will not be subject to any Laws regulating investments of and fiduciary obligations with respect to governmental plans.

(c) Borrower will not engage in any transaction which would cause any obligation or any action under the Loan Documents, including Lender's exercise of the Remedies, to be a non-exempt prohibited transaction under ERISA.

Section 8.4. Section 6045(e) Filing. Borrower will supply or cause to be supplied to Lender either (i) a copy of a completed Form 1099-B, Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Proceeds prepared by Borrower's attorney or other person responsible for the preparation of the form, together with a certificate from the person who prepared the form to the effect that the form has, to the best of the preparer's knowledge, been accurately prepared and that the preparer will timely file the form; or (ii) a certification from Borrower that the Loan is a refinancing of the Property or is otherwise not required to be reported to the Internal Revenue Service pursuant to Section 6045(e) of the Code. Under no circumstances will Lender or Lender's counsel be obligated to file the reports or returns.

ARTICLE IX

ENVIRONMENTAL

Section 9.1. Environmental Representations and Warranties.

Except as disclosed in the Environmental Report and to Borrower's knowledge as of the date of this Mortgage:

(i) no Environmental Activity has occurred or is occurring on the Property other than the use, storage, and disposal of Hazardous Materials which (A) is in the ordinary course of business consistent with the Permitted Use; (B) is in compliance with all Environmental Laws and (C) has not resulted in Material Environmental Contamination of the Property; and

(ii) no Environmental Activity has occurred or is occurring on any property in the vicinity of the Property which has resulted in Material Environmental Contamination of the Property.

Section 9.2. Environmental Covenants.

(a) Borrower will not cause or permit any Material Environmental Contamination of the Property.

(b) No Environmental Activity will occur on the Property other than the use, storage and disposal of Hazardous Materials which (A) is in the ordinary course of business consistent with the Permitted Use; (B) is in compliance with all Environmental Laws; and (C) does not create a risk of Material Environmental Contamination of the Property.

(c) Borrower will notify Lender immediately upon Borrower becoming aware of (i) any Material Environmental Contamination of the Property or (ii) any Environmental Activity with respect to the Property that is not in accordance with the preceding subsection (b). Borrower promptly will deliver to Lender copies of all documents delivered to or received by Borrower regarding the matters set forth in this subsection, including notices of Proceedings or investigations concerning any Material Environmental Contamination of the Property or Environmental Activity or concerning Borrower's status as a potentially responsible party (as defined in the Environmental Laws). Borrower's notification of Lender in accordance with the provisions of this subsection will not be deemed to excuse any default under the Loan Documents resulting from the violation of Environmental Laws or the Material Environmental Contamination of the Property or Environmental Activity that is the subject of the notice. If Borrower receives notice of a suspected violation of Environmental Laws in the vicinity of the Property that poses a risk of Material Environmental Contamination of the Property, Borrower will give Lender notice and copies of any documents received relating to such suspected violation.

(d) From time to time at Lender's request, Borrower will deliver to Lender any information known and documents available to Borrower relating to the environmental condition of the Property.

(e) Lender may perform or engage an independent consultant to perform an assessment of the environmental condition of the Property and of Borrower's compliance with this Section on an annual basis or at any time for reasonable cause or after an Event of Default. In connection with the assessment: (i) Lender or consultant may enter and inspect the Property and perform tests of the air, soil, ground water and building materials; (ii) Borrower will cooperate and use diligent, good faith efforts to cause tenants and other occupants of the Property to cooperate with Lender or consultant; (iii) Borrower will receive a copy of any final report prepared after the assessment, to be delivered to Borrower not more than 10 days after Borrower requests a copy and executes Lender's standard confidentiality and waiver of liability letter, (iv) Borrower will accept custody of and arrange for lawful disposal of any Hazardous Materials required to be disposed of as a result of the tests; (v) Lender will not have liability to Borrower with respect to the results of the assessment; and (vi) Lender will not be responsible for any damage to the Property resulting from the tests described in this subsection and Borrower will look solely to the consultants to reimburse Borrower for any such damage. The consultant's assessment and reports will be at Borrower's expense (i) if the reports disclose any material adverse change in the environmental condition of the Property from that disclosed in the Environmental Report; (ii) if Lender engaged the consultant when Lender had reasonable cause to believe Borrower was not in compliance with the terms of this Article and, after written notice from Lender, Borrower failed to provide promptly reasonable evidence that Borrower is in compliance; or (iii) if Lender engaged the consultant after the occurrence of an Event of Default. Lender will make diligent, good faith efforts to cause the consultant to retain (and not be released from) any liability related to the property, but in no event shall failure to achieve such result in liability for the Lender.

(f) If Lender has reasonable cause to believe that there is Environmental Activity at the Property, Lender may elect in its sole discretion to release from the lien of this Mortgage any portion of the Property affected by the Environmental Activity and Borrower will accept the release.

ARTICLE X

FINANCIAL REPORTING

Section 10.1. Financial Reporting.

(a) Borrower will deliver to Lender within 120 days after the close of each Fiscal Year an annual financial statement (the "**Annual Financial Statement**") for the Property for the Fiscal Year, which will include a comparative balance sheet, a cash flow statement, an income and expense statement, a detailed breakdown of all receipts and expenses and all supporting schedules. The Annual Financial Statement will be:

(i) audited by a CPA;

(ii) accompanied by an opinion of the CPA that, in all material respects, the Annual Financial Statement fairly presents the financial position of the Property; and

(iii) separate and distinct from any consolidated statement or report for Borrower or any other entity or any other property.

(b) Borrower will keep full and accurate Financial Books and Records for each Fiscal Year. Borrower will permit Lender or Lender's accountants or auditors to inspect or audit the Financial Books and Records from time to time upon no less than twenty-four (24) hours notice. Borrower will maintain the Financial Books and Records for each Fiscal Year for not less than 3 years after the date Borrower delivers to Lender the Annual Financial Statement and the other financial certificates, statements and information to be delivered to Lender for the Fiscal Year. Financial Books and Records will be maintained at Borrower's address set forth in the section entitled "**Notices**", at the building office located at the Property or at any other location as may be approved by Lender.

Section 10.2. Annual Budget. Not less than 45 days prior to the end of each Fiscal Year, Borrower will deliver to Lender a detailed comparative budget (the "**Budget**") for the Property for the next succeeding Fiscal Year showing anticipated operating expenses, Insurance Premiums, Impositions, leasing commissions, capital improvement costs, tenant improvement costs and any other information Lender requests. Unless Lender notifies Borrower within 45 days after Lender receives the Budget that Lender disputes information in the Budget, the Budget as submitted will constitute the Budget for the next succeeding Fiscal Year. If Borrower concludes in good faith that a Budget needs revision, Borrower will submit a revised Budget to Lender, together with a detailed explanation of the revisions. Unless Lender notifies Borrower within 45 days after Lender receives the revised Budget that Lender disputes information in the revised Budget, the revised Budget as submitted will constitute the Budget for the remainder of the then Fiscal Year. Borrower and Lender will use reasonable efforts to resolve promptly any differences over a Budget or revised Budget. If Borrower and Lender fail to agree on a Budget or revised Budget, Borrower will continue to manage and operate the Property under the last undisputed Budget approved by Lender, allowing for line item increases of up to 5% as compared to the last Budget. Borrower waives any defense or right of offset to the Obligations, and any claim or counterclaim against Lender, arising out of any discussions between Borrower and Lender regarding any Budget or revised Budget delivered to Lender or the resolution of any disagreements relating to a Budget or revised Budget, including any defense, right of offset, claim or counterclaim alleging in substance, that by virtue of such delivery, discussions or resolution, Lender has interfered with, influenced or controlled Borrower or the operations at the Property.

ARTICLE XI

EXPENSES AND DUTY TO DEFEND

Section 11.1. Payment of Expenses.

(a) Subject to any other provision of this Agreement to the contrary, Borrower is obligated to pay all reasonable out of pocket fees and expenses (the "**Expenses**") incurred by Lender or that are otherwise payable in connection with the Loan, the Property or Borrower, including attorneys' fees and expenses and any fees and expenses relating to (i) the preparation, execution, acknowledgement, delivery and recording or filing of the Loan Documents; (ii) any Proceeding or other claim asserted against Lender; (iii) any inspection, assessment, survey and test permitted under the Loan Documents; (iv) any Destruction Event; (v) the preservation of Lender's security and the exercise of any rights or remedies available at Law, in equity or otherwise, following the occurrence of an Event of Default and (vi) the Leases and the Property Documents.

(b) Borrower will pay the Expenses promptly following receipt of written demand, together with any applicable interest, premiums or penalties provided herein. If Lender pays any of the Expenses, Borrower will reimburse Lender the amount paid by Lender immediately upon demand, together with interest on such amount at the Default Interest Rate from the date Lender makes such demand to Borrower through and including the date Borrower reimburses Lender. The Expenses together with any applicable interest, premiums or penalties constitute a portion of the Debt secured by this Mortgage.

Section 11.2. Duty to Defend. If Lender or any of its trustees, officers, participants, employees or affiliates is a party in any Proceeding relating to the Property, Borrower or the Loan, Borrower will indemnify and hold harmless the party and will defend the party with attorneys and other professionals retained by Borrower and approved by Lender. Lender may elect to engage its own attorneys and other professionals, at Borrower's expense, to defend or to assist in the defense of the party. In all events, case strategy will be determined by Lender if Lender so elects and no Proceeding will be settled without Lender's prior approval which may be withheld in its sole discretion.

ARTICLE XII

TRANSFERS, LIENS AND ENCUMBRANCES

Section 12.1. Prohibitions on Transfers, Liens and Encumbrances.

(a) Borrower acknowledges that in making the Loan, Lender is relying to a material extent on the business expertise and net worth of Borrower and Borrower's members and on the continuing interest that each of them has, directly or indirectly, in the Property. Accordingly, except as specifically set forth in this Mortgage, Borrower (i) will not, and will not permit its members to, effect a Transfer without Lender's prior approval, which may be withheld in Lender's sole discretion and (ii) will keep the Property free from all liens and encumbrances other than the lien of this Mortgage and the Permitted Exceptions. A "**Transfer**" is defined as any sale, grant, lease (other than bona fide third-party space leases with tenants), conveyance, assignment or other transfer of or any encumbrance or pledge against, the Property, any interest in the Property, any interest of Borrower's members in the Property, or any change in Borrower's composition, in each instance whether voluntary or involuntary, direct or indirect, by operation of law or otherwise and including the grant of an option or the execution of an agreement relating to any of the foregoing matters.

(b) Borrower represents, warrants and covenants that:

(i) Borrower is a Delaware limited liability company whose managing member is SOFI IV Arizona, Trust, a Maryland real estate investment trust owning 86.78% of the of the interests in Borrower and whose remaining members own 13.22% of the interests in Borrower as follows:

Buck 35 Wacker L.L.C., a Delaware limited liability company - [9.64%] and The Leo Burnett Company, Inc., a Delaware corporation - [3.58%]

The managing member and the other members are referred to as the "**Existing Members**".

(ii) If Borrower's members are in turn partnerships, corporations or limited liability companies, the general partners, principal or members thereof are as follows:

(x) SOFI IV Arizona Trust., a Maryland real estate investment trust whose stock is entirely owned by SOFI IV Arizona, Inc., a Maryland corporation, over ninety percent (90%) of whose stock is owned by Starwood Opportunity Fund IV, L.P.;

(y) Buck 35 Wacker L.L.C., a Delaware limited liability company whose day to day operations are directly controlled and managed by John A. Buck II and/or John Q. O'Donnell either as managers or as managing members; and

(z) The Leo Burnett Company, Inc., a Delaware corporation, which is privately held.

Section 12.2. Permitted Transfers.

(a) Notwithstanding the prohibitions regarding Transfers, a Permitted Transfer may occur without Lender's prior consent, provided that the following conditions are met:

(i) at least 20 days prior to the proposed Permitted Transfer, Borrower delivers to Lender a notice that is sufficiently detailed to enable Lender to determine that the proposed Permitted Transfer complies with the terms of this Section;

(ii) there is no default under the Loan Documents either when Lender receives the notice or when the proposed Permitted Transfer occurs;

(iii) the proposed Permitted Transfer will not result in a violation of any of the covenants contained in the Section entitled, "**ERISA Compliance**" and Borrower will deliver to Lender such documentation of compliance as Lender requests.

(iv) when Lender receives the notice and when the proposed Permitted Transfer occurs, the transferee has never been an adverse party to Lender in any litigation to which Lender was a party; the transferee has never defaulted on a loan from Lender or on any contract or other agreement with Lender, and the transferee has never threatened litigation against Lender (for purposes of this subsection, **"transferee**" includes the transferee's constituent entities at all levels and "Lender" includes Lender's subsidiaries);

(v) Borrower pays all of Lender's expenses relating to the Transfer, including Lender's attorneys' fees; and

(vi) Lender is satisfied that the Property will continue to be managed by a property manager satisfactory to Lender.

(b) Upon compliance with the conditions set forth in the preceding subsection, the following Transfers (the "**Permitted Transfers**") may occur without Lender's prior consent:

(i) Transfers of membership interests in Borrower among the Existing Members, provided that subsequent to the Transfer either SOFI IV Arizona Trust or Buck 35 Wacker L.L.C., remains as managing member of Borrower,

(ii) Transfers by the shareholders/members of SOFI IV Arizona Trust and Buck 35 Wacker L.L.C. respectively, provided that subsequent to such Transfer, SOFI IV Arizona Trust, continues to be controlled directly or indirectly by Starwood Opportunity Fund IV L.P., and Buck 35 Wacker L.L.C.'s day to day operations continue to be directly controlled and managed by John A. Buck II and/or John Q. O'Donnell either as managers or as managing members. It is expressly recognized that, as of the date hereof, one hundred percent of the stock of SOFI IV Arizona Trust is owned by SOFI IV Arizona, Inc. The Lender approves the merger of SOFI IV Arizona Trust and SOFI IV Arizona, Inc., after which over 90% of SOFI IV Arizona Trust stock shall be owned by Starwood Opportunity Fund IV, L.P.;

(iii) Transfers by the shareholders of The Leo Burnett Company, Inc., provided that subsequent to such Transfer either SOFI IV Arizona Trust, or Buck 35 Wacker, L.L.C. is the managing member of Borrower,

(iv) Intentionally Omitted; and

(v) a one-time direct or indirect sale of the Property to an unaffiliated bona fide purchaser, provided that the following conditions are met:

(A) Prior to the Transfer the transferee and its affiliates have a net worth of at least $60,000,000.00;

(B) the transferee is an Institutional Investor or a developer or manager of first-class commercial office real estate comparable to the Property and having a reputation in good standing in the industry as an owner and operator/manager of not less than 5 million square feet of first class office properties of similar quality as the Property;

(C) the transferee has expressly assumed the obligations of Borrower under the Property Documents and under the Loan Documents;

(D) subsequent to the Transfer, the Property is managed by a property manager satisfactory to Lender,

(E) Borrower delivers to Lender a substitute for the environmental indemnity delivered to Lender in connection with the Loan and, if applicable, a substitute guaranty or surety instrument, satisfactory to Lender, executed by a substitute indemnitor, guarantor or surety, as the case may be, satisfactory to Lender in its sole discretion; and

(F) Borrower pays to Lender a transfer fee of not less than 1/2 of one percent (0.5%) of the then-outstanding Principal, such payment in addition to any other costs and expenses to be paid to Lender in accordance with this Article 12.

Upon the occurrence of each of (A) through (F), Borrower shall be released from any obligations under the Loan Documents arising after such occurrence.

Section 12.3. Right to Contest Liens. Borrower, at its own expense, may contest the amount, validity or application, in whole or in part, of any mechanic's, materialmen's or environmental liens in which event Lender will refrain from exercising any of the Remedies, provided that the following conditions are met:

(i) Borrower delivers to Lender notice of the proposed contest not more than 30 days after the lien is filed;

(ii) the contest is by a Proceeding promptly initiated and conducted in good faith and with due diligence;

(iii) here is no Event of Default other than the Event of Default arising from the filing of the lien;

(iv) the Proceeding suspends enforcement of collection of the lien, imposition of criminal or civil penalties and sale or forfeiture of the Property and Lender will not be subject to any civil suit;

(v) the Proceeding does not violate the terms and provisions of any of the Leases or the Property Documents;

(vi) Borrower sets aside reserves or furnishes a bond or other security satisfactory to Lender, in either case in an amount sufficient to pay the claim giving rise to the lien, together with all interest and penalties, or Borrower pays the contested lien under protest; and

(vii) with respect to an environmental lien, Borrower is using diligent, good faith efforts to mitigate or prevent any deterioration of the Property resulting from the alleged violation of any Environmental Laws or the alleged Environmental Activity.

ARTICLE XIII

ADDITIONAL REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 13.1. Further Assurances.

(a) Borrower will execute, acknowledge and deliver to Lender, or to any other entity Lender designates, any additional or replacement documents and perform any additional actions that Lender determines are reasonably necessary to evidence, perfect or protect Lender's first lien on and prior security interest in the Property or to carry out the intent or facilitate the performance of the provisions of the Loan Documents.

(b) Borrower appoints Lender as Borrower's attorney-in-fact to perform, at Lender's election, any actions and to execute and record any of the additional or replacement documents referred to in this Section, in each instance only at Lender's election and only to the extent Borrower has failed to comply with the terms of this Section.

Section 13.2. Estoppel Certificates.

(a) Within 10 days of Lender's request, Borrower will deliver to Lender, or to any entity Lender designates, a certificate certifying (i) the original principal amount of the Note; (ii) the unpaid principal amount of the Note; (iii) the Fixed Interest Rate; (iv) the amount of the then current Debt Service Payments; (v) the Maturity Date; (vi) the date a Debt Service Payment was last made; (vii) that, except as may be disclosed in the statement, to Borrower's knowledge, there are no defaults or events which, with the passage of time or the giving of notice, would constitute an Event of Default; and (viii) there are no offsets or defenses against any portion of the Obligations except as may be disclosed in the statement.

(b) If Lender requests, Borrower will use diligent, good faith efforts to promptly deliver to Lender or to any entity Lender designates a certificate from each party to any Property Document, certifying that to such party's knowledge the Property Document is in full force and effect with no defaults or events which, with the passage of time or the giving of notice, would constitute an event of default under the Property Document and that there are no defenses or offsets against the performance of its obligations under the Property Document.

(c) If Lender requests, Borrower promptly will deliver to Lender, or to any entity Lender designates, a certificate from each tenant under a Lease then affecting the Property, certifying to any facts regarding the Lease as Lender may require, including that to such tenant's knowledge the Lease is in full force and effect with no defaults or events which, with the passage of time or the giving of notice, would constitute an event of default under the Lease by any party, that the rent has not been paid more than one month in advance and that the tenant claims no defense or offset against the performance of its obligations under the Lease.

ARTICLE XIV

DEFAULTS AND REMEDIES

Section 14.1. Events of Default. The term "**Event of Default**" means the occurrence of any of the following events:

(i) if Borrower fails to pay any amount due, as and when required, under any Loan Document and the failure continues for a period of 5 days;

(3) Should the proceeds of the Note or any part thereof, or any amount paid out or advanced hereunder by Lender, be used directly or indirectly to pay off, discharge or satisfy, in whole or in part, any senior mortgage (as described in Subsection (i) of Section 15-1505 of the Act) or any other lien or encumbrance upon the Property or any part thereof on a parity with or prior or superior to the lien hereof "**Prior Encumbrance**", then as additional security hereunder, the Lender shall be subrogated to any and all rights, equal or superior titles, liens and equities, owned or claimed by any owner or holder of said outstanding liens, charges and indebtedness, however remote, regardless of whether said liens, charges and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

provisions to be contained therein, shall be binding upon Borrower and all persons whose interests in the Property are subject to the lien hereof and upon the purchaser or purchasers at any foreclosure sale, notwithstanding any redemption, discharge of the mortgage indebtedness, satisfaction of any foreclosure judgment, or issuance of any certificate of sale or deed to any purchaser, and (b) all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Property during the whole of the period of receivership. (7) In any case in which under the provisions of this Mortgage Lender has a right to institute foreclosure proceedings, whether before or after the whole principal sum secured hereby is declared to be immediately due as aforesaid, or whether before or after the institution of legal proceedings to foreclose the lien hereof or before or after judgment thereunder, and at all times until confirmation of sale, Borrower shall forthwith, upon demand of Lender, surrender to Lender and Lender shall be entitled to take and upon Lender's request to the court to be placed in actual possession of, Lender shall be placed in possession of the Property or any part thereof; personally, or by its agent or attorneys as provided in Subsections (b)(2) and (c) of Section 1701 of the Act. ARTICLE XV

LIMITATION OF LIABILITY

Notwithstanding the foregoing, the Borrower shall not be personally liable for damages arising from such actions of Borrower's member if such member was The Leo Burnett Company, Inc. and if Borrower provides evidence to the satisfaction of Lender, in its sole discretion, that the actions giving rise to such losses, liabilities and expenses taken by The Leo Burnett Company, Inc. were solely in its capacity as tenant under the Burnett Lease and not in its capacity as a member of Borrower,

(ii) all Rents derived from the Property after a default under the Loan Documents which default is a basis of a Proceeding by Lender to enforce collection of both the Debt and all moneys that, on the date such a default occurs, are on deposit in one or more accounts used by or on behalf of Borrower relating to the operation of the Property, except to the extent properly applied to payment of Debt Service Payments, Impositions, Insurance Premiums and any reasonable and customary expenses incurred by Borrower in the operation, maintenance and leasing of the Property or delivered to Lender,

(iii) the cost of remediation of any Environmental Activity affecting the Property, any diminution in the value of the Property arising from any Environmental Activity affecting the Property and any other losses suffered and liabilities and expenses incurred by Lender relating to a default under the Article entitled "**Environmental**";

(v) the replacement cost of any Fixtures or Personal Property removed from the Property after a default occurs;

(vii) all protective advances and other payments made by Lender pursuant to express provisions of the Loan Documents to protect Lender's security interest in the Property or to protect the assignment of the property described in and effected by the Assignment, but only to the extent that the Rents would have been sufficient to permit Borrower to make the payment prior to Lender making such protective advance or other payment and Borrower failed to make such payment after request from Lender,

(viii) all mechanics' or similar liens relating to work performed on or materials delivered to the Property prior to Lender exercising its Remedies, but only to the extent Lender had advanced funds to pay for the work or materials after Borrower either has failed to pay for such work or materials or has failed to provide adequate security to Lender in accordance with the provisions of this Mortgage;

(ix) all Proceeds that are not applied in accordance with this Mortgage or not paid to Lender as required under this Mortgage;

(x) all losses suffered and liabilities and expenses incurred by Lender relating to a Transfer that is not permitted under the Section entitled "**Permitted Transfers**".

(xi) all losses suffered and liabilities and expenses incurred by Lender relating to forfeiture or threatened forfeiture of the Property to the Government due to intentional acts of Borrower, and

(xii) all losses suffered and liabilities and expenses incurred by Lender relating to any default by Borrower under any of the provisions of this Mortgage relating to ERISA, including the prohibition on any Transfer that results in a violation of ERISA.

All Notices given in accordance with the provisions of this Section will be deemed to have been received on the earliest of (i) actual receipt; (ii) Borrower's rejection of delivery; or (iii) 3 Business Days after having been deposited in any mail depository regularly maintained by the United States postal service, if sent by certified mail, or 1 Business Day after having been deposited with a nationally recognized overnight delivery service, if sent by overnight delivery or on the date of personal service, if served by a process server.

Section 17.2. Change in Borrower's Name or Place of Business. Borrower will immediately notify Lender in writing of any change in Borrower's name or the place of business set forth in the beginning of this Mortgage.

Section 17.3. Reliance on TIAA. All acts of and communications relating to the loan secured hereby by TIAA shall be deemed to be made as agent for Lender, and shall be legally conclusive and binding; and Borrower or any third party (including any court) may and shall rely only on any and all communications or acts of TIAA with respect to the exercise of any rights or the granting of any consent, waiver or approval on behalf of Lender in all circumstances where an action by Lender is required or permitted pursuant to this Agreement or the provisions of any other Loan Document or by applicable Law without the right or necessity of making any inquiry of NYL as to the authority of TIAA with respect to such matter. In no event shall any of the foregoing limit the rights or obligations of TIAA or NYL with respect to each other pursuant to this Agreement or any other agreement between TIAA and NYL.

ARTICLE XVIII

MISCELLANEOUS

Section 18.1. Applicable Law. The Loan Documents are governed by and will be construed in accordance with the Laws of the State of Illinois without regard to conflict of law provisions.

Section 18.2. Usury Limitations. Borrower and Lender intend to comply with all Laws with respect to the charging and receiving of interest. Any amounts charged or received by Lender for the use or forbearance of the Principal to the extent permitted by Law, will be amortized and spread throughout the Term until payment in full so that the rate or amount of interest charged or received by Lender on account of the Principal does not exceed the Maximum Interest Rate. If any amount charged or received under the Loan Documents that is deemed to be interest is determined to be in excess of the amount permitted to be charged or received at the Maximum Interest Rate, the excess will be deemed to be a prepayment of Principal when paid, without premium, and any portion of the excess not capable of being so applied will be refunded to Borrower. If during the Term the Maximum Interest Rate, if any, is eliminated, then for the purposes of the Loan, there will be no Maximum Interest Rate.

Section 183. Lender's Discretion. Wherever under the Loan Documents any matter is required to be satisfactory to Lender, Lender has the right to approve or determine any matter or Lender has an election, Lender's approval, determination or election will be made in Lender's reasonable discretion unless expressly provided to the contrary.

Section 18.4. Unenforceable Provisions. If any provision in the Loan Documents is found to be illegal or unenforceable or would operate to invalidate any of the Loan Documents, then the provision will be deemed expunged and the Loan Documents will be construed as though the provision was not contained in the Loan Documents and the remainder of the Loan Documents will remain in full force and effect.

Section 18.5. Survival of Borrower's Obligations. Borrower's representations, warranties and covenants contained in the Loan Documents will continue in full force and effect and survive (i) satisfaction of the Obligations; (ii) release of the lien of this Mortgage; (iii) assignment or other transfer of all or any portion of Lender's interest in the Loan Documents or the Property; (iv) Lender's exercise of any of the Remedies or any of Lender's other rights under the Loan Documents; (v) a Transfer; (vi) amendments to the Loan Documents; and (vii) any other act or omission that might otherwise be construed as a release or discharge of Borrower, provided that in the case of (i) or (ii) above, such representations, warranties and covenants shall not survive longer than 18 months after such satisfaction or release.

Section 18.6. Relationship Between Borrower and Lender: No Third Party Beneficiaries.

(a) Lender is not a partner of or joint venturer with Borrower or any other entity as a result of the Loan or Lender's rights under the Loan Documents; the relationship between Lender and Borrower is strictly that of creditor and debtor. Each Loan Document is an agreement between the parties to that Loan Document for the mutual benefit of the parties and no entities other than the parties to that Loan Document will be a third party beneficiary or will have any claim against Lender or Borrower by virtue of the Loan Document. As between Lender and Borrower, any actions taken by Lender under the Loan Documents will be taken for Lender's protection only, and Lender has not and will not be deemed to have assumed any responsibility to Borrower or to any other entity by virtue of Lender's actions.

(b) All conditions to Lender's performance of its obligations under the Loan Documents are imposed solely for the benefit of Lender. No entity other than Lender will have standing to require satisfaction of the conditions in accordance with their provisions or will be entitled to assume that Lender will refuse to perform its obligations in the absence of strict compliance with any of the conditions.

Section 18.7. Partial Releases: Extensions: Waivers. Lender may: (i) release any part of the Property or any entity obligated for any of the Obligations; (ii) extend the time for payment or performance of any of the Obligations or otherwise amend the provisions for payment or performance by agreement with any entity that is obligated for the Obligations or that has an interest in the Property; (iii) accept additional security for the payment and performance of the Obligations; and (iv) waive any entity's performance of an Obligation, release any entity or individual now or in the future liable for the performance of the Obligation or waive the exercise of any Remedy or option. Lender may exercise any of the foregoing rights without notice, without regard to the amount of any consideration given, without affecting the priority of the Loan Documents, without releasing any entity not specifically released from its obligations under the Loan Documents, without releasing any guarantor(s) or surety(ies) of any of the Obligations, without effecting a novation of the Loan Documents and, with respect to a waiver, without waiving future performance of the Obligation or exercise of the Remedy waived.

Section 18.8. Service of Process. Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, return receipt requested, to Borrower at its address set forth in the Article entitled "**Notices**".

Section 18.9. Entire Agreement. Oral agreements or commitments between Borrower and Lender to lend money, to extend credit or to forbear from enforcing repayment of a debt, including promises to extend or renew the debt, are not enforceable. Any agreements between Borrower and Lender relating to the Loan are contained in the Loan Documents, which contain the complete and exclusive statement of the agreements between Borrower and Lender, except as Borrower and Lender may later agree in writing to amend the Loan Documents. The language of each Loan Document will be construed as a whole according to its fair meaning and will not be construed against the draftsman.

Section 18.10. No Oral Amendment. The Loan Documents may not be amended, waived or terminated orally or by any act or omission made individually by Borrower or Lender but may be amended, waived or terminated only by a written document signed by the party against which enforcement of the amendment, waiver or termination is sought.

Section 18.11. Severability. The invalidity, illegality or unenforceability of any provision of any of the Loan Documents will not affect any other provisions of the Loan Documents, which will be construed as if the invalid, illegal or unenforceable provision never had been included.

Section 18.12. Covenants Run with the Land. Subject to the restrictions on transfer contained in the Article entitled "**TRANSFERS, LIENS AND ENCUMBRANCES**", all of the covenants of this Mortgage and the Assignment run with the Land, will bind all parties hereto and all tenants and subtenants of the Land or the Improvements and their respective heirs, executors, administrators, successors and assigns, and all occupants and subsequent owners of the Property, and will inure to the benefit of Lender and all subsequent holders of the Note and this Mortgage.

Section 18.13. Time of the Essence. Time is of the essence with respect to Borrower's payment and performance of the Obligations.

Section 18.14. Subrogation. If the Principal or any other amount advanced by Lender is used directly or indirectly to pay off, discharge or satisfy all or any part of an encumbrance affecting the Property, then Lender is subrogated to the encumbrance and to any security held by the holder of the encumbrance, all of which will continue in full force and effect in favor of Lender as additional security for the Obligations.

Section 18.15. Joint and Several Liability. If Borrower consists of more than one person or entity, the obligations and liabilities of each such person or entity under this Mortgage are joint and several.

Section 18.16. Successors and Assign. The Loan Documents bind the parties to the Loan Documents and their respective successors, assigns, heirs, administrators, executors, agents and representatives and inure to the benefit of Lender and its successors, assigns, heirs, administrators, executors, agents and representatives.

Section 18.17. Duplicates and Counterparts. Duplicate counterparts of any Loan Documents, other than the Note, may be executed and together will constitute a single original document.

Section 18.18. Exculpation. It is agreed that SOFI IV Arizona Trust is a Maryland real estate investment trust and that the name "SOFI IV Arizona Trust" is a designation of SOFI IV Arizona Trust and its trustees, as trustees and not personally, under SOFI IV Arizona Trust's Declaration of Trust, and all persons dealing with SOFI IV Arizona Trust shall look solely to SOFI IV Arizona Trust's assets for the enforcement of any claims against SOFI IV Arizona Trust. The trustees, officers, agents and security holders of SOFI IV Arizona Trust assume no personal liability for obligations entered into on behalf of SOFI IV Arizona Trust, and their respective individual assets shall not be subject to the claims of any person.

IN WITNESS WHEREOF, Borrower has executed and delivered this Mortgage as of the date first set forth above.

Wacker Drive, Chicago, Illinois;

WHEREAS, pursuant to a certain Agreement Regarding Acquisition of Limited Liability Company Interest dated as of October 3, 1997 (the “Contribution Agreement”), Tenant has agreed to cause Trustee to convey unto Landlord, all of Trustee’s right, title and interest in and to the Land and Building (the “Contribution”);

WHEREAS, the Contribution Agreement provides for the termination of the Existing Lease upon the closing of the Contribution, and the entering into by Landlord and Tenant of this Lease pursuant to which Landlord will lease to Tenant, and Tenant will lease from Landlord, the Premises for a term beginning on the closing date of the Contribution and ending on the date(s) set forth herein;

NOW, THEREFORE, in consideration of these premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. TERMINATION OF LEASE. The Existing Lease shall terminate as of 11:59 p.m. on December 14, 1997 (the “Existing Lease Termination Date”), which is the day immediately preceding the Commencement Date (hereinafter defined) of this Tease as if such Existing Lease Termination Date were set forth in the Existing Lease as the expiration date of the term of the Existing Lease; except that Tenant and Landlord shall remain liable for all obligations of such party accruing under the Existing Lease prior to such Existing Lease Termination Date.

2. LEASING AGREEMENT. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the premises described in Paragraph 2.A. of this Lease (the “Premises”) in the building commonly known as 35 West Wacker Drive, Chicago, Illinois (the “Building”) located on the land, legally described in Exhibit A hereto, on the west one half of the block bounded by State Street, Wacker Drive, Dearborn Street and Lake Street, all in the City of Chicago, Cook County, Illinois (together with all present and future easements and other rights appurtenant thereto, the “Land”), subject to the covenants, terms, provisions and conditions of

this Lease. The Building is comprised of a fifty (50) story office tower (the “Office Tower”) and a three (3) story retail bustle (the “Retail Space”). Tenant accepts the Premises in its “as is” condition as of the date hereof. During the Term of this Lease, Tenant shall have the right to use the one Building docking office (and adjoining storage area) on lower Wacker Drive used by Tenant as of the date hereof for the continued use of Tenant’s loading dock personnel in the same manner as used by Tenant as of the date hereof for shipping and receiving of materials. No agreement of Landlord to alter, remodel, decorate, clean or improve the Premises or Building (or to provide Tenant with any credit or allowance for the same), and no representation regarding the condition of the Premises or Building, have been made by or on behalf of Landlord or relied upon by Tenant, except as may be expressly stated herein.

Except as otherwise provided herein, Landlord specifically excepts and reserves to itself the use of any roof decks, the exterior portions of the Premises, and such areas within the Premises required for installation of utility lines and other installations required to service other occupants of the Building and to maintain and repair same, and no rights are conferred upon Tenant, and Landlord specifically excepts and reserves to itself, unless otherwise specifically provided, all rights to the land and improvements below the lowest floor level of the Premises, to the improvements and air rights above the Premises and to the land and improvements located outside the demising walls of the Premises.

A. The “Premises” means and includes the Office Tower Premises and the Retail Space Premises (both, as hereinafter defined). The “Office Tower Premises” means and includes: (i) floors two through twenty-nine, inclusive, in the Office Tower which the parties hereto acknowledge and agree contain 608,656 RSF; (ii) Suite 3401 in the Office Tower which the parties hereto acknowledge and agree contains 25,000 RSF; and (iii) Suite 3740 in the Office Tower, which the parties hereto acknowledge and agree Contains 1,278 RSP. B. “RSF” shall mean, as the context requires, one square foot or a number of square feet of Rentable Area in any given space.

C. “Rentable Area” shall be computed by measuring to the inside finished surface of the dominant portion (50% or more of the vertical floor-to-ceiling dimension) of the permanent outer building wall (including windows or glass panels; if the windows are thermal pane windows, the inside finished surface shall be deemed to be the center line of the air space between such thermal panes) without deduction for any columns or projections necessary to the Building and shall include all areas within such inside finished surface other than public stairs (stairs shall be deemed public if they constitute part of the Building’s public stair system even if used by Tenant for access between floors of the Premises to the extent permitted by law and barred to other tenants except in cases of emergency), interior balconies, if any, elevator shafts, flues, stacks, pipe shafts and other major vertical penetrations of the floor,

Rentable Area shall include:

(1) With respect to each single tenancy floor, toilets, air conditioning rooms, fan rooms, janitor closets, lobbi elevator lobbies, electrical closets and telephone and other telecommunication closets within and serving only such floor (or only floors occupied by the same tenant); and

The tenant spaces on a multiple tenancy floor shall share 100% of the Rentable Area of that full floor. The share of each tenant's space shall be based upon the usable area contained in that tenant's space (which shall be measured to the center of partitions that separate such space from other tenant spaces or public areas) compared to the total usable area on that full floor.

(3) With respect to each single or multiple tenancy floor, such floor's proportionate share (based on such floor's Rentable Area without such added factor compared to the Building's Rentable Area without such added factor) of the public lobby area in the Building; provided, however, that, as of the Commencement Date, the ratio of Tenant's Rentable Area with such added factor to Tenant's usable area (such usable area to be measured on the basis of standards established by BOMA) shall not exceed 1.12 to 1.00.

The parties hereto acknowledge and agree that, as of the date hereof: (1) the Rentable Area of the Building contains 1,117,978 RSF with the Office Tower cont 1,075,876 RSF and the Retail Space containing 42,102 RSP; and (ii) the aggregate Rentable Area of the Premises contains 643,823 RSF. Landlord shall not increase Tenant's Proportionate Share Taxes - Office Tower, Tenant's Proportionate Share Taxes - Retail Space, Tenant's Proportionate Share Operating Expenses - Office Tower or Tenant's Proportionate Share Operating Expenses - Retail Space (all, as hereinafter defined) except for additions to the RSF of the Premises due to expansions of the Premises by Tenant pursuant to Paragraphs 30 and 32 hereof. If the Rentable Area of either the Premises or the Building (or any above described portion thereof) changes in any Calendar Year during the Term of this Lease, or any renewal thereof, such Rentable Area shall be recomputed as aforesaid by Architect (as hereinafter defined) and all applicable adjustments hereunder shall be made as of the date of each such change. In the event of any dispute over Rentable Areas, Tenant shall make payments based on the Rentable Areas determined by Landlord until resolution of such dispute at which time any necessary adjustments shall be made and any amounts due to Landlord or Tenant as a result shall be paid within thirty (30) days after demand together with interest on such adjusted amount at 2% over the Prime Rate.

3. TERM. The term of this Lease (the "Term") shall begin on December 15, 1997 (the "Commencement Date"). Unless sooner terminated as provided herein, the Term shall end with the last day of the one hundred eightieth (180th) full calendar month subsequent to the Commencement Date (for example, December 31, 2012, if the Commencement Date were to be December 18, 1997), as such date may be extended by the exercise of any one or more of the options conferred upon Tenant under this Lease (the "Termination Date"). Notwithstanding the foregoing, the Termination Date for Suite 3401 of the Premises shall be December 31, 2004.

4. BASE RENT. Tenant shall pay to Landlord or Landlord's agent at the office of Landlord's agent at 35 W. Wacker Drive, Suite 3860, Chicago, Illinois 60606, or at such other place as Landlord may from time to time designate in writing, in coin or currency which, at the time of payment, is legal tender for private or public debts in the United States of America, "Base Rent" at annual rate which is e to the number of RSF within the Premises (excluding, however, the 1,278 RSF of Suite 3740, for which Base Rent shall at no time accrue or be payable during the Term of this Lease or any Extension Term) times $14.55, net of Operating Expenses and Taxes. Such annual rate shall be paid in monthly installments of one-twelfth of the then-current annual rate in advance on or before the first day of each and every month during the Term, without any set-off, abatement, counterclaim or deduction whatsoever, except as otherwise provided herein. If the Term commences other than on the fist day of a month, the Base Rent for such month shall be prorated. The prorated Base Rent for the portion of the month in which the Term commences shall be paid on the first day of the Term. The Base Rent for the initial Space and any other space added to the Premises pursuant to Paragraph 30 hereof, shall be increased on each anniversary of the Commencement Date by multiplying the then applicable Base Rent by the decimal equivalent of 2.5 % (i.e. .025). A schedule of Base Rent for the Premises for the initial Term of this lease is attached herewith as Exhibit B.

5. ADDITIONAL RENT. In addition to paying the Base Rent specified in Paragraph 4 hereof, Tenant shall pay as "Additional Rent" for the Term an amount equal to "Tenant's Expense Participation Amount" determined from time to time during the Term pursuant to this Paragraph 5. The Base Rent and the Additional Rent are sometimes herein collectively referred to as the "Rent." Tenant's obligation to pay rent is an independent covenant and is a separate obligation, except as otherwise set forth herein. Except as otherwise provided in this Paragraph 5, all amounts due under this Paragraph 5 as Additional Rent shall be payable for the same periods and to the same party and at the same place as the Base Rent. Without limitation on other obligations of Tenant which shall survive the expiration of the Term, the obligations of Tenant to pay the Additional Rent provided for in this Paragraph S with respect to periods during the Term shall survive the expiration of the Term. For any partial Calendar Year, Tenant shall be obligated to pay only a pro rata share of the Additional Rent, based on the number of the days of the Term falling within such Calendar Year.

A. Definitions As used in this Paragraph 5, the terms:

(1) "Calendar Year" shall mean each calendar year in which any part of the Term falls.

(2) “Tenant’s Proportionate Share” at any time during the Term shall mean the percentage calculated by dividing the number of RSF contained in the Premises by the number of RSF contained in the Building.

If the foregoing is the case, then the calculation of RSF in the Building shall exclude the retail space. If they do participate in paying for such costs and expenses, then only that portion of such costs and expenses that reflects a higher cost and expense due to greater usage by retail tenants shall be excluded from Operating Expenses;

B. Payment of Additional Rent. Landlord shall furnish Tenant, at least thirty (30) days prior to the commencement of each Calendar Year and from time to time (but not more than twice) during each such Calendar Year, written statements setting forth Landlord's then-current reasonable estimate of Tenant's Expense Participation Amount for such Calendar Year. Tenant shall pay to Landlord as Additional Rent on the first thy of each month during each Calendar Year, together with the payment of Base Rent, if any, an amount equal to one-twelfth (1/12th) of Landlord's then-current reasonable estimate of Tenant's Proportionate Share Operating Expenses - Office Tower of Operating Expenses for the Office Tower for such Calendar Year and one-twelfth (1/12th) of Landlord's then-current reasonable estimate of Tenant's Proportionate Share Operating Expenses - Retail Space of Operating Expenses for the Retail Space for such Calendar Year, plus any amounts that would have been paid for months prior to the current month if Landlord's current estimate had been in effect during those months. Tenant shall pay to Landlord not later than fifteen (15) days prior to the date on which Taxes are required to be paid by Landlord, Tenant's Proportionate Share Taxes - Office Tower of Taxes payable for the Office Tower and Tenant's Proportionate Share Taxes - Retail Space of Taxes payable for the Retail Space for each Calendar Year. Landlord shall provide Tenant with a copy of the most recent Tax bills for the Office Tower and Retail Space and a statement indicating Tenant's Proportionate Share Taxes - Office Tower of Taxes for the Office Tower and Tenant's Proportionate Share Taxes - Retail Space of Taxes for the Retail Space at least forty (40) days prior to the date such Taxes are due. In addition to the foregoing, for the first twelve (12) months of the Term, on the first day of each such month, Tenant shall pay to Landlord an amount equal to the sum of (1) one twenty-fourth (1/24th) of Tenant's Proportionate Share Taxes - Office Tower of Taxes for the Office Tower which were paid for Calendar Year 1996 and (ii) one-twenty fourth (1124th) of Tenant's Proportionate Share Taxes - Retail Space of Taxes for the Retail Space which were paid for Calendar Year 1996 (said sum, the "Tax Escrow"). Landlord shall place the Tax Escrow in a separate account, invest such payments in reasonable and liquid securities at the direction of Tenant and at Tenant's expense. Following the final payment of Taxes payable for the Calendar Year 1997 and each subsequent Calendar Year, Landlord shall notify Tenant of any Increases in Taxes from the prior Calendar Year and shall apply for Tenant's benefit any interest earned on the amount held in the Tax Escrow during the prior Calendar Year, and shall remit any excess interest to Tenant, or request Tenant to fund any shortfall into the Tax Escrow, so that at all times the Tax Escrow shall contain at lease one half of the amount of Tenant's Proportionate Share Taxes - Office Tower of Taxes for the Office Tower and Tenant's Proportionate Share Taxes - Retail Space of Taxes for the Retail Space paid for the then most recent Calendar Year. Tenant shall deposit into the Tax Escrow any such shortfall amount within thirty (30) days of Landlord's request. If Tenant fails to pay to Landlord Tenant's Proportionate Share - Office Tower of Taxes for the Office Tower and Tenant's Proportionate Share Taxes - Retail Space of Taxes for the Retail Space for the Calendar Year when due as provided herein, Landlord may apply the Tax Escrow to the amount of Taxes owed by Tenant. If any portion of the Tax Escrow is applied to the payment of Taxes, Tenant shall, within thirty (30) days after the written request of Landlord, pay to l an amount sufficient to replenish the Tax Escrow to its original level. On the Termination Date, Tenant shall pay into the Tax Escrow an amount necessary to increase the Tax Escrow to the amount of Tenant's Proportionate Share Taxes - Office Tower of Taxes for the Office Tower and Tenant's

Proportionate Share Taxes - Retail Space of Taxes for the Retail Space for Taxes which have accrued in the Calendar Year in which the Termination Date occurs through the Termination Date. Landlord shall use the Tax Escrow for the payment of Tenant's share of Taxes for the final Calendar Year of the Term and shall pay any excess remaining in the Tax Escrow (and any interest earned thereon) to Tenant within thirty (30) days. If Tenant's share of Taxes for the final Calendar Year of the Term exceeds the amount held in the Tax Escrow, Tenant shall, within thirty (30) days after the written request of landlord, pay such excess to Landlord. Notwithstanding anything to the contrary contained herein, Tenant shall pay Tenant's Proportionate Share Taxes - Office Tower of 1997 Taxes for the Office Tower and Tenant's Proportionate Share Taxes - Retail Space of 1997 Taxes for the Retail Space for the entire Calendar Year 1997, regardless of when the Commencement Date of this Lease actually occurs. Tenant also agrees that it shall remain responsible for Tenant's Proportionate Share Taxes - Office Tower and Tenant's Proportionate Share Taxes - Retail Space for any Contraction Space with respect to which Tenant has exercised its option under Section 31 for the Calendar Year in which such Contraction Space is vacated by Tenant through the applicable Contraction Date, although payable in the subsequent Calendar Year.

Landlord agrees to keep true and accurate records of all Operating Expenses. Prior to May 1 of each Calendar Year, Landlord shall submit to Tenant a detailed statement certified by a certified public accountant (the TM Statement") setting faith (A) the actual amount of Operating Expenses and Taxes for the previous Calendar Year, (B) the amount of Tenant's Expense Participation Amount on account of such previous Calendar Year and (C) the payments made by Tenant on account thereof. If the installments made on account of such previous Calendar Year exceed Tenant's Expense Participation Amount due on account of such Calendar Year, as shown on the Operating Statement, such excess shall be credited by Landlord against the next succeeding installment(s) of Tenant's Expense Participation Amount; provided if Tenant is not in default under this Lease, Landlord shall at Tenant's request refund such excess to Tenant within thirty (30) days of such request. If, however, said installment(s) are less than Tenant's Expense Participant Amount due on account of such Calendar Year, as shown on the Operating Statement, then Tenant agrees to pay to Landlord the amount necessary to make up any deficiency within thirty (30) days after the delivery of the Operating Statement to Tenant.

C. Miscellaneous re Additional Rent. If the date the Term commences is not the first day of a Calendar Year, or if the date of expiration or termination of this Lease is not the last day of a Calendar Year, the Tenant's Expense Participation Amount shall be prorated based upon the number of days of the applicable partial Calendar Year within the Term.

Every Operating Statement given by Landlord pursuant to Paragraph 5.B shall be conclusive and binding upon Tenant unless (i) Tenant shall notify Landlord that it disputes the correctness of the then current Operating Statement or Operating Statements from the previous two (2) years, specifying the particular respects in which the Operating Statement is claimed to be incorrect, and (ii) if such dispute shall not have been settled by agreement, it shall be settled by submission of such dispute to a national public accounting firm acceptable to Landlord and Tenant, at the expense of Tenant, except as hereinafter provided, for a final and binding determination. Pending the determination of such dispute, Tenant shall within thirty (30) days after receipt of such Operating Statement, pay any deficiency in Tenant's Expense Participation Amount payment if due in accordance with the Operating Statement, and such payment shall be without prejudice to Tenant's position. If the dispute shall be determined in Tenant's favor, Landlord shall, on demand, pay Tenant the amount of Tenant's overpayment of Tenant's Expense Participation Amount, if any, resulting from compliance with the Operating Statement. If the discrepancy was greater than two percent (2%) of the correct Operating Statement, Landlord shall pay to Tenant interest on such overpayment at the rate of two percent (2%) per annum over the Prime Rate. Landlord agrees to grant Tenant reasonable access to Landlord's books and records, during normal business hours, at Landlord's office, for the purpose of verifying Operating Expenses incurred by Landlord, and to make copies of any and all bills and vouchers relating thereto, subject to reimbursement by Tenant for the cost of such copies.

In the event that a review of landlord's books and records pursuant to this Paragraph 5 reveals that Landlord his overstated its Operating Expenses for the applicable Calendar Year by 3% or more of the actual Operating Expenses incurred for such Calendar Year, Landlord shall also reimburse Tenant for the reasonable expenses incurred by Tenant in conducting such review of Landlord's books and records and for the amounts paid to the public accounting firm. In the event that there is an error of less than 3% in Landlord's statement of the Operating Expenses, then Tenant shall pay the cost of the public accounting firm.

Tenant shall pay, in addition to Tenant's Expense Participation Amount, all actual and reasonable expenses, costs and disbursements incurred by Landlord and not included in Operating Expenses and which solely are attributable to the operation and maintenance of equipment installed in the Premises at Tenant's request for the exclusive use of Tenant, and which is not generally available to other tenants of the Building.

6. USE OF THE PREMISES. The Premises may be used and occupied for any lawful purpose consistent with the operation of a first-class office building in Chicago, Illinois, provided that any such use and occupancy complies with all applicable building and zoning laws, codes and ordinances and such use is not dangerous to person or property, does not invalidate or increase Landlord's insurance premiums, does not create a nuisance or unreasonably disturb any other tenant of the Building and does not injure the reputation of the Building. Tenant may, if Tenant so elects, install and operate vending machines for the exclusive use of Tenant's employees and invitees to dispense hot and cold beverages, ice cream, candy, food and cigarettes, provided that such machines shall be maintained in a neat and sanitary condition and shall comply with all applicable laws and ordinances. In addition, Tenant may, if Tenant so elects, install, equip and operate one or more cafeterias or dining rooms in the Premises and serve alcoholic beverages therein for the exclusive use of Tenant's employees and invitees, subject to compliance with all applicable codes and ordinances and provided (a) Tenant has delivered to Landlord certificates evidencing satisfactory insurance against any liability of Landlord arising from such serving of alcoholic beverages in the Premises; and (b) Tenant has made all appropriate utility modifications at its expense and subject to Landlord's reasonable approval and implemented appropriate pest control measures.

Subject to Landlord's reasonable approval, Tenant shall have the right from time to time to the use of the Building lobby for Tenant sponsored presentations (a "Presentation") for up to a total of ten (10) days during each Calendar Year. Tenant shall provide Landlord with at least fourteen (14) days prior notice of a Presentation (the "Presentation Notice"). Landlord shall be deemed to have approved a Presentation if Landlord does not object in writing to Tenant within seven (7) days after receipt of a Presentation Notice.

7. SERVICES.

A. List of Services. Landlord shall provide the following services at all times during the Term, subject to the following:

(1) Heating, ventilating and air-conditioning on all business days in accordance with the performance condition standards set forth in Exhibit C hereto. The term "business day" means Monday through Friday during the period from 8 am, to 6 p.m. and on Saturday during the period from 8 a.m. to 1 p.m., legal holidays excluded. The term legal holiday" means New Year's Day, Memorial Day, the 4th of July, Labor Day, Thanksgiving Day and Christmas Day. If Tenant shall require heating, ventilating or air conditioning service at any other time ("after-hours"), Landlord shall furnish such after-hours service upon advance notice from Tenant given prior to 5:00 p.m. on any business day (noon on Saturdays) and on the previous business day with respect to after-hours service on Sunday or any legal holiday. Tenant shall pay for such after-hours service at Landlord's reasonable actual cost (including overhead but not profit) of furnishing same. In the event the after-hours service is requested and shared by other tenants on the same floor, Tenant's share of such costs shall be appropriately reduced.

Use of the Premises, or any part thereof, in a manner exceeding the performance conditions (including occupancy and connected electrical load) specified in Exhibit C or rearrangement of partitioning which interferes with normal operation of the heating, ventilation and air-conditioning in the Premises, may require change in the heating, ventilation and air-conditioning system servicing the Premises. Such changes, so occasioned, shall be made if feasible by Landlord at Tenant's expense upon Landlord's or Tenant's request therefor.

(2) Subject to the Building performance standards specified in Exhibit C, sufficient electrical capacity to operate typewriters, calculating machines, photocopying machines, data processing equipment, personal computers, laptop computers, and other equipment and accessories customarily used by means of standard floor, ceiling or wall outlets within the Premises. If any electrical equipment requires air-conditioning in excess of Building standard, the same shall be installed at Tenant's expense and Tenant shall pay all operating costs relating thereto.

If Tenant's requirements for electricity are in excess of those set forth in this clause (2) the Landlord reserves the right to require Tenant to pay the cost of installation, operation and maintenance of the conduit, wiring and other equipment necessary to supply electricity for such excess use requirements at the Tenant's expense by arrangement with Commonwealth Edison Company or another approved local utility.

Tenant shall bear the responsibility of replacement of all lamps and tubes for lighting fixtures, which Tenant may purchase from its own suppliers and install by its own maintenance persons. The brand and type of such lamps and tubes shall be reasonably approved by Landlord, such approval to be based solely upon Landlord's desire to maintain a substantially uniform color and intensity of the interior lighting in the Building.

(3) Adequate hot and cold City water from the regular Building outlets for drinking, lavatory and toilet purposes. The water pressure must be a minimum of 35 to 40 pounds per square inch and the hot water temperature must be 100°. Tenant shall pay the cost of installation, maintenance and replacement of any additional water requirements and equipment for any kitchen purposes in connection with the permitted dining rooms or cafeterias.

(4) Janitorial services as specified in Exhibit D attached hereto and identified as "Janitorial Services." Landlord will supply all necessary janitorial products in its performance of Janitorial Services. Subject to Landlord's reasonable approval and for so long as it does not cause any problems or disputes with any unions representing other workers in the Building, Tenant may contract with its own janitor to provide supplementary janitorial services to the Premises. Landlord shall have no liability whatsoever for any losses or damages resulting from the acts or omissions of Tenant's own janitor and Tenant hereby indemnities and holds Landlord harmless from any such losses or damages. In contracting with such janitor, Tenant will not knowingly take any action which will directly result in picketing of the Building or the conceited withholding of services by any employees of Landlord or Landlord's beneficiary and should any such action occur Tenant will take any reasonable steps available to bring such action to an end.

(5) Window washing for the inside and outside of windows in the Building's perimeter walls as may be situated in the Premises at intervals to be determined by Landlord, but not less than four times per year.

(6) Adequate automatic passenger elevator service available 24 hours a day, seven days a week.

(7) Freight elevator services subject to reasonable scheduling by Landlord and appropriate charges for night and weekend use.

(9) Landlord agrees to furnish such other services as are customarily furnished by landlords of other first-class office buildings in the City of Chicago, to the extent such service can be provided without additional capital improvements and provided the cost of such services can be included in the Operating Expenses. Notwithstanding the foregoing, Landlord shall not decrease the level of quality of services provided to Tenant as of the date hereof.

B. Billing for Electricity. Tenant shall pay for the use of all electrical service to the Premises. Provided that Landlord can make satisfactory arrangements with the utility company supplying electricity to the Premises for separate metering and billing, Tenant shall be billed directly by such utility company. In the event that for any reason the Premises are metered, but Tenant cannot be billed directly, Landlord shall forward each bill received by it with respect to the Premises to Tenant and Tenant shall pay it promptly in accordance with its terms.

Landlord has advised Tenant that presently Commonwealth Edison (the "Electric Service Provider") provides electricity service to the Building. Notwithstanding the foregoing, if permitted by law, Landlord shall have the right at any time and from time to time during the Term of this Lease to either contract for electricity service from a different company or companies providing electricity service (each such company, an "Alternate Service Provider") or continue to contract for electricity service from the Electric Service Provider; provided, however, that all Alternate Service Providers selected by Landlord shall provide electricity service to the Building and Premises at a level which is identical or better than the electricity service provided by the Electric Service Provider and such new electricity service will not increase Tenant's electricity costs.

C. Interruption of Services. Unless repairs, renewals or improvements for services can be made during business hours without material interference with Tenant's business operations, Landlord shall make such repairs, alterations, or replacements during nonbusiness hours except in the event of an emergency. Landlord further agrees, where practical, to notify Tenant in advance prior to the cessation of such service, and to estimate the duration of such cessation. Tenant also agrees to notify Landlord of any interruption of services that Tenant discovers.

If the Landlord ceases to furnish any of the services referred to in this Paragraph 7 and if (i) as a result of such cessation, the Premises, or any floor within the Premises, is rendered untenantable (meaning Tenant's inability to use any or all of the floor(s) (or any part thereof) within the Premises in the normal course of its business) and (II) such cessation continues for a period of three (3) business days, then, the Rent payable hereunder shall be equitably abated based upon the percentage of the space in the Premises so rendered untenantable and not then being used by Tenant in the ordinary course of Its business operations. The foregoing abatement shall become effective as of the first business day following the day the affected floor(s) become(s) untenantable. Landlord agrees to use all commercially reasonable efforts to cure the cessation of service(s) as promptly as reasonably practicable. Tenant agrees to cooperate with Landlord in abiding by all reasonable rules and regulations that Landlord prescribes for proper functioning of utilities and Building services. Tenant agrees not to tamper or adjust any utilities or associated equipment unless authorized in writing by Landlord.

D. Charges for Services. Except as otherwise provided in this Paragraph 7 or in Paragraph 5, all services shall be provided by Landlord and the cost of providing such services shall be included in Operating Expenses. Charges for any service for which Tenant is required to pay directly, rather than by Tenant's Expense Participation Amount, shall be due and payable at the same time as the installment of Rent with which they are billed, or if billed separately, shall be due and payable within thirty (30) days after such billing.

E. Energy Conservation. Notwithstanding anything to the contrary in this Paragraph 7 or elsewhere in this Lease, if the federal government, the State of Illinois or the City of Chicago requires that temperature conditions be maintained other than as set forth in Exhibit C, then landlord shall be deemed to be performing its obligation to furnish heating, ventilating and cooling pursuant to the requirements of this Lease if it furnishes such heating, ventilating and cooling as so required. Landlord shall give Tenant notice of such requirements as soon as reasonably possible after Landlord’s receipt of notice of such requirements.

8. REPAIRS. Except to the extent that Landlord has the obligation to rebuild pursuant to Paragraph 12 hereof, Tenant will, subject to Paragraph 11.A., at Tenant’s own expense, perform any maintenance, repairs and replacements of the Premises that are (i) caused by the neglect or misuse of Tenant, its employees, contractors, agents, invitees or licensees, or (ii) required to keep the floors, ceilings, walls, partitions, and other interior portions of the Premises which are not a part of the Building’s shared systems in good repair and tenantable condition, reasonable wear and tear excepted. If the Tenant does not commence any such required maintenance, repair or replacement within ten (10) days of the request of Landlord to do so, or if after such commencement, Tenant does not thereafter diligently pursue same to completion, Landlord may, but need not, make such repairs and replacements, and Tenant shall pay Landlord the cost thereof.

Landlord, as an Operating Expense (except as otherwise provided in Paragraph 5), shall keep and maintain the Building and its fixtures, appurtenances, systems and facilities serving the Premises, in good working order, condition and repair and shall make all repairs, structural and otherwise, interior and exterior, as and when needed in or about the Building and the Premises, except for those repairs for which Tenant is responsible pursuant to any other provisions of this Lease. Nothing contained in this Paragraph 8 shall require Landlord to paint or decorate the Premises. If the Landlord does not commence any required maintenance, repair or replacement within thirty (30) days of the request of Tenant to do so (or in cases of emergency within twenty-four (24) hours after notice), or if after such commencement, Landlord does not thereafter diligently pursue same to completion, Tenant may, but need not, make such repairs and replacements, and Landlord shall pay Tenant the cost thereof within ten (10) days after notice given from Tenant to Landlord specifying such costs.

Except as expressly otherwise provided in this Lease, Landlord shall have no liability to Tenant by reason of any inconvenience, annoyance, interruption or injury to business arising from Landlord’s making any repairs or changes which Landlord is required or permitted by this Lease, or required by law, to make in or to any portion of the Building or the Premises, or in or to the fixtures, equipment or appurtenances of the Building or the Premises, provided that Landlord shall use due diligence with respect thereto. In case of repairs or changes which are made within the Premises, unless such repairs, renewals or improvements can be made during business hours without material interference with Tenant’s business operations, Landlord shall make such repairs, alterations, or replacements during non-business hours, except in the event of an emergency.

9. ADDITIONS AND ALTERATIONS.

A. (i) Tenant may, at its discretion and its expense, carpet and decorate (i.e., paint, carpet, cover walls or ceilings, change furnishings, change or move non-demising walls provided same does not affect any building systems) and, if and as permitted by law, install an alarm and public address system (provided such public address system does not create excessive noise affecting other tenants and it is in compliance with all applicable codes) in such portion of the "public stairways" as run between the floors comprising the Premises and a door or other device barring access to such floors from lower floors except in emergency. Tenant may from time to time during the Term, at its expense, make other alterations, additions, inst substitutions, and improvements (herein collectively called TM in and to the Premises, excluding Structural Changes (as hereinafter defined), subject to the provisions of this Paragraph 9. If any changes performed by Tenant pursuant to this Paragraph 9 require that a City of Chicago Building Permit be issued and that drawings of such changes must be submitted to the City of Chicago for the issuance of the Building Permit, Tenant will provide Landlord with notice of such changes and supply Landlord with a copy of the drawings for such changes and the Building Permit. Notwithstanding anything to the contrary contained herein, Landlord's approval is not required for any changes pursuant to this Paragraph 9A(i).

(ii) If the change involves any work which: (1) involves a penetration or other alteration of the structural components of the Building, including, but not limited to, floor slabs (other than electrical outlets), load bearing walls or columns or demising walls, or (2) alters a primary Building system which serves other premises within the Building (collectively, "Structural Changes"), then Tenant shall, at least thirty (30) days prior to commencing any Structural Changes, notify Landlord of the nature and extent of such change and shall also submit reasonably detailed plans and specifications with such notice showing all the planned changes. Tenant shall not make any Structural Change without Landlord's prior consent, which consent shall not be unreasonably withheld, and Landlord may Impose reasonable conditions with respect to Structural Changes, including, without limit requiring Tenant to furnish Landlord with an itemization and security for the payment of all costs to be incurred with such changes, insurance against liabilities which may arise out of such Structural Changes, plans and specifications plus permits necessary for such changes and Landlord may require that all contractors and subcontractors be approved in advance by Landlord, which approval shall not be unreasonably withheld. The work necessary to make any Structural Changes shall be done at Tenant's expense by Tenant's contractors. Tenant shall reimburse Landlord for Landlord's reasonable and actual costs in reviewing and approving work done by Tenant's contractors. Upon completion of such work Tenant shall deliver to Landlord, if payment is made directly to contractors, evidence of payment, contractors' affidavits and full and final waivers of all liens for labor, services or materials all in form reasonably satisfactory to Landlord. Tenant shall defend and bold Landlord and the Land and Building harmless from all costs, damages, liens and expenses related to changes made by Tenant or its contractors, and relating to non-payment by Tenant of the cost of such changes. All work done by Tenant or its contractors pursuant to Paragraphs 8 or 9 shall be done in a first-class workmanlike manner using only good grades of materials and shall comply with all insurance requirements and all applicable laws and ordinances and rules and regulations of governmental departments or agencies. In luring such contractors, Tenant will not knowingly take any action which will directly result in picketing of the Building or the concerted withholding of services by any employees of Landlord or Landlord's beneficiary and should any such action occur Tenant will take any reasonable steps available to bring such action to an end.

B. All changes, whether temporary (to the extent then existing) or permanent in character, made or paid for by Landlord or Tenant, shall without compensation to Tenant become Landlord's property at the termination of this Lease by lapse of time or otherwise. Tenant shall remove any Structural Changes and restore the Premises to their condition existing prior to such Structural Changes on or before the termination of this Lease if Landlord notified Tenant at the time Landlord approved the making of such Structural Changes that Landlord required such removal. Except for the aforementioned limited obligation of Tenant to remove certain Structural Changes, upon termination of this Lease, Tenant shall have no obligation to remove any changes and to restore the Premises to their condition prior to such changes.

10. COVENANT AGAINST LIENS. Tenant has no authority or power to cause or permit any lien or encumbrance of any kind whatsoever, whether Created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Land, Building or Premises, and any and all liens and encumbrances created by Tenant shall attach to Tenant's interest only. Tenant covenants and agrees not to suffer or permit any lien of mechanics or materialmen or others to be placed against the Land, Building or the Premises with respect to work or services claimed to have been performed for or materials claimed to have been furnished to Tenant or to the Premises by contractors retained by Tenant, and, in case of any such lien attaching, or claim thereof being asserted, Tenant covenants and agrees within thirty (30) days of learning thereof to cause it to be released and removed of record or to be bonded over by a title insurer or surety reasonably satisfactory to Landlord. In the event that any such lien is not so released and removed or bonded over, landlord, at its sole option, may take all action necessary, and to investigate the validity thereof, to release and remove such lien, and Tenant shall promptly, upon notice, reimburse Landlord for all reasonable sums, costs and expenses (including reasonable attorneys' fees) incurred by Landlord in connection with the release and removal of such lien.

11. INSURANCE.

A. Waiver of Subrogation. Subject to the limitations set forth below in this Paragraph 1l.A., Landlord and Tenant each hereby waive any and every claim for recovery from the other for any and ali loss or damage to the Building or Premises or to the contents thereof, which loss or damage is covered by the provisions of any insurance policy carried, or insurance evidencing the coverages required in (BXL) and (B)(2) hereof in form reasonably satisfactory to Landlord, which certificates shall in each case state that such insurance may not be canceled without at least thirty (30) days' prior written notice to Landlord.

D. Workmen's Compensation Coverage. Both Landlord and Tenant shall carry Workmen's Compensation coverage at such times and in such amounts as may be required by applicable statutes, and at the request of the other party, shall supply a certificate evidencing such coverage.

E. Avoid Action Increasing Rates. Tenant shall comply with all applicable laws and ordinances, all orders and decrees of court and all requirements of other governmental authorities, and shall not, directly or indirectly, make any use of the Premises which may thereby be prohibited or be dangerous to person or property or which may jeopardize any insurance coverage or may increase the cost of insurance or require additional insurance coverage. If by reason of the failure of Tenant to comply with the provisions of this Paragraph 11 .B., any insurance coverage is jeopardized or insurance premiums are increased, Landlord shall have the option, if the insurance coverage is jeopardized, to enjoin the use which jeopardizes the coverage, and if the insurance premium is increased, to require Tenant to make immediate payment of the increase.

12. FIRE OR CASUALTY.

If the Building or the Premises shall be partially or totally damaged or destroyed or rendered untenantable by fire or other cause at airy time during the first ten (10) Calendar Years of the Term, Landlord shall be obligated and shall proceed with reasonable diligence to repair the damage and restore and rebuild the Building and the Premises at its expense as promptly as reasonably practicable; provided, however, that Landlord shall not be required to repair or replace any property required to be insured by Tenant pursuant to Paragraph 11 B.(2).

In the event Landlord is obligated pursuant hereto to restore and rebuild the Premises, or any portion thereof, as a result of a fire or other cause, Landlord shall be obligated to restore or rebuild those portions of the improvements in the Premises or the affected portion thereof, which would be L property upon termination of the Lease to the condition they were in immediately prior to such d or destruction, except that the replacement items shall be new rather than used.

If the Premises, or any portion thereof, shall be rendered untenantable as a result of fire or other cause, all Rents payable hereunder shall be equitably abated to the extent that the Premises shall have been rendered untenantable, such abatement to be for the period from the date of such damage or destruction to the Premises to the date the Premises are no longer untenantable.

If, at any lime after the first ten (10) years Calendar Years of the Term, less than 50% of the Building shall be rendered untenantable by fire or other casualty, Landlord shall be obligated and shall proceed with reasonable diligence to repair the damage and restore and rebuild the Building and the Premises at its expense; provided, however, that Landlord shall not be required to repair or replace any property required to be insured by Tenant pursuant to Paragraph 11 .B.(2).

If, at any time after the first ten (10) Calendar Years of the Term, 50% or more of the Premises or the Building shall be rendered untenantable or inaccessible by fire or other casualty, Landlord shall notify Tenant within one hundred twenty (120) days after the date of such fire or other casualty of Landlord's reasonable estimate for the amount of time from the date of such fire or other casualty necessary to make the required repairs and tender the Premises to Tenant (the "Rebuild Notice"). Provided Tenant is not in default hereunder (beyond any applicable cure period), Tenant may, upon notice to Landlord within thirty (30) days after Tenant's receipt of the Rebuild Notice, obligate Landlord to repair the damage and restore the Premises at Landlord's e (the "Obligation Notice") as promptly as reasonably practicable; provided, however, that Tenant's Obligation Notice shall be effective only if at the time of service of such notice, the following conditions (the Rebuild Conditions") shall be satisfied:

A. Tenant shall exercise its option on the first Extension Term as provided in Paragraph 34 of this Lease; provided, however, that the term of such first Extension Term shall be increased to the extent necessary to extend the Term of this Lease so that there shall be a total of ten (10) years remaining in the Term of the Lease (measured from the date Landlord delivers the restored Premises to Tenant); and

B. Tenant shall waive its contraction options under Paragraph 31 of this Lease. Provided the Obligation Notice is effective, Landlord shall be obligated and shall proceed with reasonable diligence to repair the damage and restore and rebuild the Building and the Premises at Landlord's expense; provided, however, that Landlord shall not be required to repair or replace any property required to be insured by Tenant pursuant to Paragraph l1.B.(2). If Tenant does not provide Landlord with the Obligation Notice within thirty (30) days of Tenant's receipt of the Rebuild Notice, Landlord shall have no obligation to rebuild the Premises, and Landlord may, at its option, terminate this Lease by giving written notice thereof to Tenant. In the event that such notice of termination shall be given, this Lease shall terminate as of the date provided in such notice of termination with the same effect as if that date were the expiration date of the Term.

Any dispute which may arise between the parties with respect to the meaning or application of any of the provisions of this Paragraph 12 shall be determined by a partner at an architectural firm acceptable to Landlord and Tenant whose fees and expenses shall be borne equally by Landlord and Tenant ("Architect"). If Landlord and Tenant cannot agree on an Architect, then each shall select an architect and the two architects shall select a third architect whose decision shall be binding on the parties.

13. WAIVER OF CLAIMS. Neither Landlord nor Landlord's beneficiaries, nor the agents, officers, directors, shareholders, partners or principals (disclosed or undisclosed) of either of them shall be liable to Tenant or Tenant's shareholders, agents, employees, invitees, licensees or other occupants of the Premises, for any injury or damage to, or loss (by theft or otherwise) of any of Tenant's property or of the property of any other person, irrespective of the cause of such injury, damage or loss (including the acts or negligence of any tenant or of any owners or occupants of adjacent or neighboring property or caused by operations in construction of any private, public or quasi-public work) unless due to the negligence of Landlord, or Landlord's beneficiaries or the agents, officers, directors, partners, principals (disclosed or undisclosed) or employees of either of them as to matters required to be insured by Landlord under this Lease, or due to the negligence of Landlord, or Landlord's beneficiaries or the agents, officers, directors, partners, principals (disclosed or undisclosed) or employees of either of them as to all other matters. Neither Tenant, nor Tenant's shareholders, agents, employees, invitees, licensees or other occupants of the Premises shall be liable to Landlord, Landlord's beneficiaries, or the agents, officers, directors, shareholders, partners or principals (disclosed or undisclosed) of either of them for injury or damage to, or loss (by theft or otherwise) of any of the property of any other person, irrespective of the cause of such injury, damage or loss (including the acts of negligence of any tenant or any owners or occupants of the adjacent or neighboring property or caused by operations in construction of any private, public or quasi-public work) unless due to the negligence of Tenant or Tenant's shareholders, agents or employees, as to matters required to be insured by Tenant or due to the negligence of Tenant or Tenant's shareholders or agents, as to all other matters. Landlord, Landlord's beneficiaries, and the agents, officers, directors, partners or

principals (disclosed or undisclosed) of either of them shall not be liable, to the extent of Tenant's recovery under any insurance carried by it, whether or not required to be carried by the terms of this Lease, for any loss or damage to any person or property even if due to the negligence of Landlord, Landlord's beneficiaries or the agents, officers, directors, partners or principals (disclosed or undisclosed) of either of them. Similarly, Tenant and Tenant's shareholders, agents, employees, invitees, licensees or other occupants of the Premises shall not be liable to Landlord, or Landlord's beneficiaries to the extent of Landlord's or Landlord's beneficiaries' recovery under any insurance carried by it, whether or not required to be carried by the terms of this Lease, for any loss or damage to any person or property even if due to the negligence of Tenant or Tenant's shareholders, agents, employees, invitees, licensees or other occupants of the premises. Landlord and Tenant shall each make all reasonable efforts to recover from its insurers any claim which may provide a recovery to the other.

14. NONWAIVER. No waiver of any provision of this Lease shall be implied by any failure of Landlord or Tenant to enforce any remedy on account of the violation of such provision, even if such violation be continued or repeated subsequently, and no express waiver shall affect any provision other than the one specified in such waiver and that one only for the time and in the manner specifically stated. No receipt of monies by Landlord from Tenant after the termination of this Lease shall in any way alter the length of the Term or of Tenant's right of possession hereunder or after giving of notice shall reinstate, continue or extend the Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit or after final judgment for possession of the Premises, Landlord may receive and collect any Rent due, and the payment of such Rent shall not waiver or affect such notice, suit or judgment.

15. CONDEMNATION. If all or substantially all of the Land and the Building (herein in this Paragraph 15 sometimes collectively called the "Project") is taken by condemnation permanently, or for a period in excess of one (1) year, this Lease shall terminate automatically.

If the taking is of less than substantially all of the Projector is for a period of less than the aforesaid year, and if this Lease is for any reason not terminated pursuant to the following grammatical paragraph, Landlord shall as soon as possible (but in no event longer than one (1) year) restore the Project as nearly as can practicably be clone (including the Premises) using all of the award received by Landlord (but not in excess thereof) so as to provide to the extent reasonably possible comparable space and amenities to those enjoyed by Tenant under this Lease prior to the taking (or Tenant's Proportionate Share thereof in case of the application of subparagraph B below); in such event this Lease shall continue in force at the square foot rental rates and adjustment herein provided for the Premises applied to the RSF of the Premises existing in the Project as restored (or Tenant's Proportionate Share thereof in case of the application of subparagraph B below), but rent shall abate as to periods when the Premises is not available for normal use by Tenant as a result of such taking and work of restoration.

If the taking is of less than substantially all of the Project or is for a period of less than the aforesaid year, then notwithstanding the foregoing grammatical paragraph, Landlord and Tenant shall have the right to terminate this lease in the following circumstances:

A. Landlord may terminate if in Landlord's reasonable business judgment restoration of the Project to substantially the same size and quality is not economically justified;

B. Tenant may terminate if (1) more than twenty-five percent (25%) of the Premises is so taken by eminent domain and (2) within sixty (60) days after such taking Landlord has not been able to provide other comparable space in the Building to temporarily add to the Premises to restore the size of the Premises to at least eighty-five percent (85%) of its Rentable Area prior to such taking and Landlord will not, based on Landlord's estimate of the Rentable Area of the restored Building (such estimate to be delivered to Tenant not more than forty-five (45) days after such taking), be able to restore the Premises to 100% of their Rentable Area prior to such taking by a date not more than one year after the date of such taking. Landlord shall not be bound to offer Tenant more than Tenant's Proportionate Share (based on the Premises compared to the Building prior to such taking) of the restored Building, and if Tenant fails to terminate this Lease as provided herein, the size of the Premises and the Rent shall be reduced to such share of the restored Building;

C. Either Landlord or Tenant may terminate if the taking occurs within twenty-four (24) months prior to the then effective termination date of the Term, as it may have been extended.

In any of the above termination cases, such termination notice must be given not more than sixty (60) days after the taking (the taking for purposes of this Paragraph shall be the date when the taking authority requires possession) and termination must be effective for the portion not taken not less than thirty (30) or more than ninety (90) days after such notice is given. For the portion taken, the termination shall be effective as of the date of the taking. No money or other consideration shall be payable by the Landlord to the Tenant in the case of termination under any of the above provisions, and Tenant shall have no right to share in the condemnation award except that Tenant shall have the right to recover out of the award all costs and expense incurred by Tenant in moving to other space and the amount of the unamortized cost of all improvements and additions located in the Premises (not including the Allowance contributed by Landlord).

16. ASSIGNMENT AND SUBLETTING.

A. Except as provided below, Tenant shall not, without the prior written approval of landlord, which approval shall not be unreasonably withheld, (i) assign, convey or mortgage this Lease or any interest hereunder, ii) permit to occur or permit to exist any assignment of this Lease or (unless bonded or insured over as provided in Paragraph 10 hereof) any lien upon Tenant's interest, voluntarily or by operation of law; (iii) sublet space in the Premises; or (iv) except in the case of (iii) above, permit the use of the Premises by any parties other than (a) Tenant and any Affiliate (as hereinafter defined) of Tenant, and (b) shareholders, employees and invitees of any of the foregoing. There shall be no partial assignment of Tenant's interest in this Lease. Any assignment of 100% thereof shall be governed by Paragraph 16.E. Except as provided in Paragraph 16.B., the word "assignment" in this Paragraph shall mean a 100% assignment. The term "sublease" and all words derived therefrom, as used in this Paragraph 16, shall include any subsequent sublease or assignment under such sublease. Notwithstanding anything to the contrary contained herein, Landlord's approval of any sublease by Tenant pursuant to (iii) above shall be limited to Landlord’s reasonable approval of the identity of the proposed subtenant, and the approval conditions listed in the final sentence of the following paragraph.

Landlord’s election to accept any assignee or subtenant as the tenant hereunder and to collect rent from such assignee or subtenant shall not release Tenant or any subsequent tenant from any covenant or obligation under this Lease except as may be expressly provided in Landlord’s written consent Landlord’s consent to any assignment, subletting or transfer shall not constitute a waiver of Landlord’s right to withhold its consent to any future assignment, subletting or transfer, including assignment, subletting or transfer by any subtenant. Landlord may condition its consent upon execution by the subtenant or assignee of an instrument confirming such restrictions on further subleasing or assignment and joining in the waivers and indemnities made by Tenant hereunder. To obtain the consent of Landlord to an assignment or subletting, Tenant shall submit to Landlord at least thirty (30) days prior to the proposed effective date of the assignment or sublease a written notice thereof. Landlord shall not be deemed to have unreasonably withheld its consent to a proposed sublease or assignment if its consent is withheld because: (1) Tenant is then in default hereunder (beyond any applicable cure period); (2) any notice of termination of this Lease or termination of Tenant’s possession shall have been given pursuant hereto and the matter or occurrence giving rise to such notice has not been cured; (3) the proposed sublease or assignment will, as proposed, violate any city, stare or federal law, ordinance or regulation; (4) the proposed use of the Premises by the subtenant or assignee does not conform to the use set forth in Paragraph 6 hereof; or (5) the proposed subtenant or assignee is engaged in a business that would be deleterious to the reputation of the Building.

B. Landlord shall be deemed to approve of any assignment or sublease (however Tenant shall notify Landlord of such assignment or sublease) to: (1) any party resulting from a merger or consolidation with Tenant so long as Tenant or any Affiliate (as hereinafter defined) is the surviving dominant party after such merger (ii) any party succeeding to the business and assets of Tenant; or (iii) any Affiliate of Tenant. For purposes of this Lease, an "Affiliate" shall mean any firm, person, corporation or entity now or hereafter controlling, controlled by or under common control with Tenant and such control is exercised via the ability to direct or cause the direction of, the management and policies of the other, whether through the ownership of voting securities, common directors or officers, or otherwise. At any time during the Term of this tease if Tenant transfers all or a part of Tenant's United States business operations as of October 1, 1997 (the "U.S. Business") to an Affiliate or any other firm, person, corporation or entity (collectively, a "Successor Entity"), such Successor Entity shall be made a party to this Lease and shall be jointly responsible with Tenant for all obligations under this Lease. The previous sentence shall apply to any transferee of any such Successor Entity, unless Tenant or any Successor Entity provides Landlord with reasonably acceptable credit documentation evidencing Tenant's and any Successor Entity's financial capacity to perform their obligations under this Lease.

C. If at any time Tenant subleases (each sublease, a "Tenant Sublease") to a total of 200,000 square feet of space in the Premises, "Sublease Profits" (as defined in Paragraph 16.1).) shall be allocated in the following manner:

(i) If there is 150,000 or more RSP then available for lease in the Building at the time of execution of a Tenant Sublease, Landlord and Tenant shall divide Sublease Profits between them equally.

(ii) If there is less than 150,000 RSF then available for lease in the Building at the time of execution of a Tenant Sublease, Tenant shall retain 100% of all Sublease Profits.

Notwithstanding the foregoing, if Tenant subleases more than 200,000 square feet of space in the Premises, the Sublease Profits for the portion of such space above 200,000 square feet shall be equally divided between Landlord and Tenant, regardless of the amount of vacant space in the Building at the time of the sublease. Calculations of Sublease Profits and sublease RSF percentage limitations shall be made on a monthly basis throughout the Term.

D. "Sublease Profits" shall mean the entire excess, after deduction of all reasonable costs of subletting (including, without limitation, marketing costs, rent concessions, reasonable attorneys' fees, commissions and tenant improvement allowances), of revenues generated by the subleasing of the Premises or portions thereof over the Rent applicable thereto. All such revenues shall be applied first to reimbursement of such costs of subletting until they are paid in full. Not more than thirty (30) days after the commencement date of a sublease which will produce Sublease Profits and annually thereafter, Tenant shall furnish Landlord with a sworn statement setting forth in detail the computation of the Sublease Profits on such sublease (which computation shall be based upon generally accepted accounting principles).

Every such statement shall be conclusive and binding upon Landlord as to the Sublease Profits paid prior to the date of such statement unless within thirty (30) days after the receipt of such statement, Landlord shall notify Tenant that it disputes the correctness of the statement, specifying the particular respects in which the statement is claimed to be incorrect. If such dispute shall not have been settled by agreement within thirty (30) days after delivery of Landlord's dispute notice, it shall be settled by submission of such dispute to a national public accounting firm acceptable to Landlord and Tenant, at the expense of Landlord, except as hereinafter provided, for a final and binding determination. Upon determination of auth dispute, such Sublease Profits shall be recalculated and any overpayment shall be returned, or underpayment promptly made, on demand plus interest on such overpayment or underpayment at the rate of two percent (2%) per annum over the Prime Rate. Tenant agrees to grant Landlord reasonable access to Tenant's office for the purpose of verifying Sublease Profits and to make copies of any and all bills, vouchers and other documents relating thereto, subject to reimbursement by Landlord for the cost of such copies. In the event that a review of Tenant's books and records pursuant to this Paragraph reveals that Tenant has understated Sublease Profits by in excess of five percent (5%) of the actual Sublease Profits payable to Landlord, Tenant shall also reimburse Landlord for the reasonable expenses incurred by Landlord in conducting such review of Tenant's books and records and the accounting firm costs. If a part of the consideration for any subletting shall be payable other than in cash, the payment to Landlord shall be payable in cash based on the cash value of the other non cash considerations. Tenant shall pay Landlord its share of the Sublease Profits promptly upon Tenant's receipt from time to time of periodic payments from a subtenant or at such other time as Tenant shall realize the Sublease Profits from such sublease. Landlord shall not be responsible for any deficiency in amounts received for a sublease in relation to the Rent due hereunder.

E. In case Tenant proposes to Landlord an assignment of 100% of its interest in this Lease by the notice described in Paragraph 16.A hereof, Landlord shall have the option to terminate this Lease, If Landlord wishes to exercise its option to terminate, Landlord shall, within fifteen (15) days after Landlord's receipt of the notice from Tenant described in Paragraph 16.A., send to Tenant a notice of termination. The date on which such termination will be effective shall be the proposed commencement date of the assignment. Tenant shall automatically be released from all obligations under this Lease to be performed after the effective date of such termination. Landlord shall have no option to terminate this Lease for assignments or sublets pursuant to Paragraph 16.B hereof.

If Landlord approves such assignment but does not so terminate this Lease, Tenant may proceed with the proposed assignment. Landlord and Tenant shall share in the ratio of 50% to 50% the profits from said assignment calculated and verified in the same fashion as described in Paragraph 16.D. above.

17. SURRENDER OF POSSESSION. On the last day of the Term, or upon any earlier termination of this Lease, or upon any re-entry by Landlord upon the Premises, Tenant shall quit and surrender the Premises to Landlord. Tenant shall remove all of Tenant's trade fixtures, furniture and other personal property therefrom, shall restore the Premises wherever such removal results in damage thereto and shall otherwise generally leave the Premises in a reasonably tenantable condition. Any interest of Tenant in the alterations, improvements and additions to the Premises shall, without compensation to Tenant, become Landlord's property at the termination of this lease by lapse of time or otherwise and such alterations, improvements and additions shall be relinquished to Landlord. Tenant shall remove alterations, additions and improvements and make such restorations to the Premises as are required pursuant to Paragraph 9.B herein.

If Tenant shall fail or refuse to remove any of Tenant's property from the Premises, Tenant shall be conclusively presumed to have abandoned the same, and title thereto shall thereupon pass to Landlord without any cost either by setoff, credit, allowance or otherwise.

18. HOLDING OVER. Tenant shall pay to Landlord Rent at an annual rate equal to the greater of (1) Current Market Rate for the Premises, determined, if necessary, in accordance with Paragraph 30.G. hereof, or (ii) one hundred fifty percent (150%) of then current Base Rent for the Premises, plus one hundred fifty percent (150%) of the Additional Rent paid by Tenant during the previous Calendar Year herein provided, payable in monthly installments on the first day of each month or portion thereof for which Tenant shall retain possession of the Premises or any part thereof after the expiration or termination of the Term or of Tenant's right of possession, whether by lapse of time or otherwise. Tenant shall also pay all damages sustained by Landlord by reason of such retention if such retention shall continue for thirty (30) or more days.

19. ESTOPPEL CERTIFICATE. Landlord and Tenant each agree, from time to time upon not less than tea (10) days' prior request by the other party, to execute, acknowledge and deliver to the other party a statement in writing certifying (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, a description of such modifications and that the Lease as modified is in full force and effect); (ii) whether the Term has commenced and the dates to which Rent and other charges have been paid; (iii) that the other party is not in default under any provision of this Lease, to the knowledge of the party furnishing the certificate, or i in default, the nature thereof in detail (and in case of certificates requested of Tenant, that, to the best knowledge of Tenant, Tenant has no existing defenses, set-offs, or claims hereunder, or, if any, specifying same); and (iv) such further matters as reasonably may be requested, it being intended that any such statement may be relied upon by any prospective assignee or sublessee of any tenant (including Tenant) of the Building, any mortgagees or prospective mortgagees thereof, any lender to Tenant, or any prospective and/or subsequent purchaser or transferee of all or part of Landlord's interest in the Land and/or Building or of Tenant's interest in the Premises.

20. SUBORDINATION. This Lease shall be prior to any mortgage or ground or underlying lease; provided, however, Tenant agrees to subordinate its rights hereunder at all times to (i) the lien of any mortgage or mortgages designated by Landlord and to all advances made or thereafter made upon the security thereof, and (ii) to all future ground leases or underlying leases of the Land and the Building designated by Landlord and to execute any such reasonable agreements evidencing such subordination as may be reasonably required by the mortgagee, trustee or ground or underlying lessor, as the case may be, and to attorn to and to recognize, as Landlord, the purchaser at a foreclosure sale or the mortgagee, trustee or its nominee in the event the mortgagee, trustee or such nominee accepts a deed in lieu of foreclosure, or the ground or underlying lessor in the event of the termination of such underlying or ground lease in return for and upon delivery to Tenant by such mortgagee, trustee or ground or underlying lessor, as the case may be (each being referred to as a "Lender"), of an agreement in a form reasonably satisfactory to Lender and Tenant providing that in the event of a foreclosure of

such mortgage or the giving of a deed in lieu of foreclosure or termination of such ground or underlying lease, this Lease shall not be terminated and Tenant may remain in possession of the Premises pursuant to the terms of this Lease and retain all of the rights, options and privileges granted to it hereunder as long as Tenant continues to perform its obligations hereunder and further providing that the purchaser at a foreclosure sale or transferee in the case of a deed in lieu of foreclosure or ground or underlying lessor, as the case may be, will assume all of the obligations of Landlord in such case; provided, however, that the holder of any mortgage, or purchaser at any foreclosure sale, as the case may be, shall not be bound by any prepayment of Base Rent or Additional Rent which Tenant may have paid in excess of the amounts then due for the current month (the "SNDA"). Tenant agrees to enter into an SNDA with any future Lender whose terms are no less favorable to Lender than those contained in the SNDA entered into between Tenant and Citicorp Real Estate, Inc. concurrently herewith.

Tenant also agrees to give any holder of any first mortgage, by registered or certified mail, a copy of any notice or claim of default served upon the Landlord by Tenant, provided that prior to such notice Tenant has been notified in writing (by way of service on Tenant of a copy of an assignment of Landlord's interests in leases, or otherwise) of the address of such first mortgage holder.

21. CERTAIN RIGHTS RESERVED BY LANDLORD.

A. Landlord shall have the following rights without liability to Tenant for damage or injury to property, person or business on account of the exercise thereof, and the exercise of any such rights shall not be deemed to constitute an eviction or disturbance of Tenant's use or possession of the Premises and shall not give rise to any claim for set off or abatement of rent or any other claims:

(1) To install, affix and maintain any and all signs on the exterior and on the interior of the Building; except that there shall be no signs for retail or commercial tenants in the lobby of the office portion of the Building and, other than for a tenant then having 400,000 RSF or more under lease ("Large Tenant"), there shall be no sign on the exterior of the Building indicating the occupancy of any tenant in the Building without the approval of Tenant which it may reasonably withhold. If there shall be a sign proposed for a Large Tenant, Tenant shall have the right to approve: (i) the installation of the sign and (ii) the text, location, size and style of such sign, such approvals not to be unreasonably withheld or delayed, and Tenant shall also have the right to equivalent signage. All Tenant's tights to approve under this subparagraph shall exist only so long as Tenant (including any Affiliate or Successor Entity) is not in default hereunder (beyond any applicable cure period) and occupies at least 400,000 RSF in the Building. Landlord hereby approves all Tenant signage existing as of the date hereof. Landlord shall have the right to approve (which approval not to be unreasonably withheld) all additional lobby or exterior signage proposed by Tenant and not existing as of the date hereof.

(2) To decorate or to make repairs, alterations, additions, or improvements, whether structural or otherwise, in and about the Building, or any part thereof, and for such purposes to enter upon the Premises, and during the continuance of any of such

work, to temporarily close doors, entryways, public space and corridors in the Building and to interrupt or temporarily suspend services or use of facilities, all without affecting any of Tenant's obligations hereunder, so long as the Premises are accessible and usable and provided that Landlord shall use due diligence with respect thereto. Unless such repairs, renewals or improvements can be made during business hours without material interference with Tenant's business operations and, except in the case of an emergency, Landlord shall make such repairs, alterations, or replacements during non-business hours;

(3) To furnish door keys or magnetic cards for the entry door(s) in the Premises at the commencement of the Lease and to retain at all times, and to use in appropriate instances, keys or magnetic cards to all doors within and into the Premises; provided that such system will permit the Landlord upon request of Tenant to cancel the effectiveness of the card held by any shareholder or employee or invitee of Tenant upon such person's departure from Tenant or for any other reason. Tenant agrees to purchase only from Landlord additional duplicate keys or magnetic cards as required (at Landlord's actual cost for such keys or magnetic cards), to change no locks or magnetic card readers, and not to affix locks or magnetic card readers on doors without the prior written consent of the Landlord not to be unreasonably withheld; provided that Landlord shall respond to Tenant's request for such consent with reasonable promptness. Upon the expiration of the Term or Tenant's right to possession, Tenant shall return all keys or magnetic cards to Landlord and shall disclose to Landlord the combination of any safes, cabinets or vaults left in the Premises;

(4) To designate a building standard window covering for exclusive use throughout the Building;

(5) To approve the weight, size and location of safes, vaults, library shelving, file storage e and other heavy equipment and articles in and about the Premises and the Building so as not to exceed the legal live load per square foot designated by the structural engineers for the Building, and to require all such items and furniture and similar items to be moved into or out of the Building and Premises only at such times and in such manner as Landlord shall reasonably direct in writing. Tenant shall not install or operate machinery or any mechanical devices of a nature not directly related to Tenant's ordinary use of the Premises without the prior written consent of Landlord, not to be unreasonably withheld;

(6) To establish reasonable controls for the purpose of regulating all property and packages, both personal and otherwise, to be moved into or out of the Building and Premises and all persons using the Building after normal office hours;

(7) To reasonably regulate delivery and service of supplies and the usage of the loading docks, receiving areas and freight elevators;

(8) To show the Premises to prospective tenants within the final twelve (12) months of the Term (as the same may be extended), at reasonable times, and in a manner not to interfere with Tenant's use and enjoyment of the Premises and, if vacated or abandoned, to show the Premises at any time and to prepare the Premises for reoccupancy;

(9) To erect, use and maintain pipes, ducts, wiring and conduits, and appurtenances thereto, in and through the Premises at reasonable locations that do not unreasonably interfere with Tenant's business;

(10) To enter the Premises at any reasonable time upon reasonable prior notice (except no notice shall be required in the case of emergency) to inspect the Premises;

(11) Only Landlord or one or more persons approved by Landlord will be permitted to furnish bootblacking and barbering. Landlord may fix the hours during which, and the regulations under which, such supplies and services are to be furnished. Landlord expressly reserves the right to act as, or to designate, at any time and from time to time, an exclusive supplier of all or any one or more of said supplies and services, provided all such supplies and services shall be furnished on a basis which is reasonably competitive to that which would otherwise be directly available to Tenant; and Landlord furthermore expressly reserves the right to exclude from the Building any person attempting to furnish any of said supplies or services but not so designated by Landlord. Notwithstanding the foregoing, Tenant shall have the right to specify the vendors for other supplies and services for the Premises, subject to Landlord's approval, which approval shall not be unreasonably withheld or delayed;

(12) To close the Building after hours and on any day which is not a business day, subject, however, to Tenant's right to admittance to the Premises at any time under such reasonable regulations as Landlord may prescribe from time to time, which may include but shall not be limited to, a requirement that persons entering or leaving the Building identify themselves to a watchman by registration or otherwise and establish their right to enter or leave the Building.

22. RULES AND REGULATIONS. Tenant agrees to observe the Rules and Regulations for Tenant attached hereto as Exhibit B and made a part hereof. L shall have the right from time to time to prescribe additional rules and regulations which, in its reasonable judgment, may be desirable for the use, entry, operation and management of the Premises and Building, each of which rules and regulations and any amendments thereto shall become a part of this Lease. Tenant shall comply with all such ivies and regulations, provided such ivies and regulations are uniformly enforced against all Building tenants and except to the extent that such rules and regulations unreasonably contradict or abrogate any right or privilege herein expressly granted to Tenant. Landlord will provide Tenant with a written copy of any modifications to the Rules and Regulations.

23. REMEDIES. If default shall be made in the payment of the Rent or any installment thereof or in the payment of any other sum required to be paid by Tenant under this Lease and such default shall continue for ten (10) days after written notice to Tenant; or if default shall be made in the observance or performance of any of the other covenants or conditions in this Lease which Tenant is required to observe and perform and such default shall continue for thirty (30) days after written notice to Tenant, unless with respect to any non

B. Communication System. Tenant shall have the right to maintain any satellite, microwave, or other communication systems, if any, belonging to Tenant and installed upon the Building’s roof as of the Commencement Date hereof. In addition, Tenant shall have the right at any time during the Term (or any extension thereof) to lease from Landlord up to 400 contiguous square feet of additional space on the roof of the Building at no cost to Tenant for a satellite, microwave or other communications system, so long as such system does not impair the use by other tenants of their space in the Building or other satellite, microwave or other communication systems then installed, or in Landlord's reasonable judgment, compromise the aesthetics of the Building. Once Tenant installs any of the foregoing systems, Landlord shall not enter into any new agreements with any other tenants for the installation of a satellite, microwave or other communications system which impairs the use by Tenant of: (1) its space in the Building, or (II) any satellite, microwave or other communication systems then installed by Tenant. Tenant shall submit plans for such system and the names of the contractors who will be installing such system, all of which shall be subject to Landlord's reasonable approval. Tenant shall secure all zoning and regulatory approvals necessary for the system, at its expense.

C. Right of First Refusal for Roof Space. In addition to the above rights to rent space on the roof, Landlord hereby grants Tenant a right of first refusal for any proposed leasing of space on the roof of the Building to any other party. Tenant shall have ten (10) business days from the receipt of such notice to notify Landlord in writing that Tenant elects to lease said space on the same terms and condition as contained in Landlord's notice, and in such case, Landlord and Tenant shall then enter into a lease of said space. If Tenant exercises this right, Tenant shall in fact use said roof apace for satellite, microwave or communications purposes. In the event Tenant does not exercise such election within said ten (1.0) day period, then Tenant shall be deemed to have waived this right of first refusal for the proposed lease, but such waiver shall be only for the lease proposed in Landlord's notice and not for any subsequent proposed lease of space on the roof. If the proposed lease does not become effective within ninety (90) days after Landlord's notice, then Tenant shall again have this right of first refusal with respect to that proposed lease.

In no event shall Landlord allow any roof space to be used in a manner that unreasonably interferes with Tenant's satellite, microwave or other communications system on the roof.

D. Landlord's Alterations After Construction. Other than as is specifically allowed under the paragraphs of this Lease, so long as Tenant (including any Affiliate or Successor Entity) occupies at least 400,000 RSF of the Building and is not in default hereunder (beyond any applicable cure period), then the Landlord shall not, without in each case obtaining the prior written consent of Tenant, construct, install or make any major alteration to, or change in, the exterior or facade of the Building, elevator lobby design or signage, elevator cab upgrades, bathroom upgrades or corework, unless such major alterations or changes are approved by Tenant, such approval not to be unreasonably withheld or delayed.

30. TENANT'S EXPANSION.

A. Tenant shall have and is hereby granted the options to add the Expansion Space (hereinafter described in the following table), for the remaining Term of this Lease and any extensions thereof upon the same terms, covenants and conditions contained in this Lease, except for the payment of Base Rent (which shall be payable in the amounts described below) and except as otherwise specifically provided in this Paragraph 30. Tenant's obligation to pay Tenant's Expense Participation Amount, Base Rent and any other Rent or Additional Rent for any particular Expansion Space shall commence on the date such space is actually made available to Tenant to be added to the Premises. In the event that Tenant exercises its expansion option(s) pursuant to this Paragraph 30, the Expansion Space thereby added to the Premises shall become a part of the Premises for all purposes of this Lease, and any reference to the term "Premises" shall be deemed to refer to and include any such Expansion Space, except as otherwise expressly provided otherwise in this Lease.

(i) **Space** **Called**	**(ii)** **Floor**	**(iii)** **Period, based on anniversaries of Commencement Date within which Space becomes part of the Premises**	**(iv)** **Base Rent When such Space Becomes Part of the Premises**
"First Expansion Space"	32nd floor 25,000 square feet	Six months before to Six months after 5th [2002] anniversary	95% of "Market Rate"

(i) **Space** **Called**	**(ii)** **Floor**	**(iii)** **Period, based on anniversaries of Commencement Date within which Space becomes part of the Premises**	**(iv)** **Base Rent When such Space Becomes Part of the Premises**
"Second Expansion Space"	38th floor 25,000 square feet	Six months before to Six months after 5th [2007] anniversary	95% of "Market Rate"

B. Tenant's options to expand shall be exercised as follows: On each occasion, Landlord shall give Tenant notice of each particular Expansion Space, the dates on which such spaces will be tendered to Tenant (the "Specification Notice"), and the rent for such Expansion Space, not less than fifteen (15) months prior to the earliest date stated in the Specification Notice for delivery of any such Expansion Space (the "Availability Date"). Tenant shall deliver a non-binding written notice to Landlord of its intent to exercise its option to expand not less than thirteen (13) months prior to the Availability Date of the Expansion Space (the "Option Notice"). If Tenant does not agree to the rent specified in the Specification Notice, Tenant shall state in its Option Notice that is desires the Market Rate to be calculated pursuant to Paragraph 30.G. Thereafter, the Market Rate for the particular Expansion Space will be so calculated. Such calculation shall reflect the Market Rate that would be payable per annum for a term commencing on the first day of the term for the particular Expansion Space with respect to which the calculation is being made, provided that such calculations shall be final and shall not be recalculated at the actual commencement of such Expansion Space term (if any). If Tenant fails to give its non-binding written notice of its intent to exercise its option to expand when due as hereinabove provided, Tenant will be deemed to have waived such option to expand.

If Tenant exercises its expansion option, Landlord shall deliver possession of each particular Expansion Space to Tenant within a period extending six (6) months prior to, until six (6) months after, the Availability Date contained in the Specification Notice (the "Delivery Window"). Landlord shall use reasonable efforts to deliver the Expansion Space to Tenant within the Delivery Window and Landlord shall take all commercially reasonable actions to remove holdover tenants from the Expansion Space. Landlord acknowledges that remedies at law will not be adequate for the damages Tenant will incur for a failure by Landlord to deliver the Expansion Space within the Delivery Window. Therefore, if Landlord fails to deliver the Expansion Space within the Delivery Window, Tenant may pursue an action for specific performance. In addition, Landlord shall have the right, by notice to Tenant from time to time at least six (6) months prior to the then current Availability Date for any floor of any Expansion Space, to change the location of such floor, provided that If the floor or floors being replaced were to be contiguous to the Premises when added to the Premises, the replacement floor or floors so designated must also be contiguous to the Premises when added to the Premises. Tenant's right to add floors pursuant to these subparagraphs 30.A. and 30.B. shall be exercised in full floor increments.

C. Each Expansion Space (or part thereof) shall become part of the Premises and, except as provided in Paragraph 30.8., Tenant's rental obligation for such Expansion Space (or part thereof) shall commence upon its delivery to Tenant in accordance with Paragraphs 30.A. and 30.B.

D. Notwithstanding anything to the contrary contained herein, (i) if Tenant exercises its first Contraction Option set forth in Paragraph 31 (i.e. year 2000), Landlord may designate the Contraction Space set forth in the 2000 Contraction Option as the First Optional Expansion Space; and (ii) if Tenant exercises its second Contraction Option set forth in Paragraph 31 (i.e. year 2005), Landlord may designate the Contraction Space set forth in such 2005 Contraction Option as the Second Optional Expansion Space. Landlord shall not lease space of less than 3,000 RSF on any floor which is subject to any of Tenant's expansion options without the prior written consent of Tenant, which consent may be withheld in Tenant's sole discretion.

E. Tenant's notice of exercise of an option for Optional Expansion Space or notice of exercise of any other rights or options granted pursuant to Paragraphs 31, 32, 34 and 35 of this Lease shall be effective only if at the time of service of such notice of exercise the following conditions (the "Expansion Conditions") shall be satisfied:

(1) Landlord shall not have notified Tenant that Tenant is in default in the performance of any of the monetary or material non-monetary terms, covenants, and conditions contained in this Lease which default has not been cured;

(2) This Lease shall not have been terminated and shall be in full force and effect; and

(3) There shall not have been any assignment of Tenant's interest in this Lease except as provided in Paragraph 30.H.

F. The Base Rent for the First Expansion Space and Second Expansion Space (as the case may be) shall be at a rate equal to 95% of the Market Rate (defined hereinafter) for such space. For purposes of this Paragraph 30, "Rate shall mean the fair net rental per annum (which shall be net of all Taxes and Operating Expenses) for a lease (but not a sublease) by a new tenant for "comparable space" (hereinafter defined) for a period commencing when the fair net rental being determined would first be payable, assuming no rent abatements of any kind per rentable square foot, for a term equal to the number of years remaining in the Term (including any Extension Term, with respect to winch Tenant has delivered its final binding written notice pursuant to Paragraph 34). The calculation of Market Rate shall be calculated on a net present value basis and shall take into account (and the fair net rental shall be decreased by the present value of any then market brokers' commission and of any then market tenant improvement, free rent other concession which would be available to a new tenant, and shall also take into account (and the fair net rental shall be increased by) the present value of the cost of any actual brokers' commission or actual tenant improvement, free rent or other concession, if any, agreed by the Landlord and Tenant to be payable or to be granted to Tenant in connection with the particular expansion option with respect to which Tenant has given its non binding notice. The calculation of Market Rate shall also be based on the assumption that there will be no financial escalation of Rent or stepping of Rent or similar increases over time other than the 2.5% annual increase to Base Rent provided for in Paragraph 4. The calculation of Market Rate shall also take into account that Tenant pays Tenant's Proportionate Share of the Operating Costs and Taxes in each fiscal year. As used herein, the term "comparable space" means similar space in office buildings in the central business district of Chicago where the Building is located, which are comparable to the Building in reputation, quality, age, size, location, and level and quality of services provided, and which have similar occupancy of the Building, but excluding those leases where tenants have an equity interest in the building.

G. For purposes of Paragraphs 30 and 34 of this Lease 'Market Rate" shall be determined as follows:

(1) (1) On or before five (5) days after the time at which Tenant must provide the Landlord with its non-binding written notice under this Lease of its intent to exercise any of its rights to: (i) expand the Premises under this Paragraph 30 or, (ii) extend the Term of this Lease under Paragraph 34, Landlord and Tenant shall commence negotiations to agree upon the Market Rate (to be multiplied by the RSF in the Premises) applicable thereto. If the Landlord and Tenant are unable to reach agreement on the Market Rate within twenty-one (21) days after the date negotiations commenced, then the Market Rate shall be determined in accordance with Paragraph 30.G.(2) below.

(2) If the Landlord and Tenant are unable to reach agreement on the Market Rate within said twenty-one (21) day period, then within seven (7) days, the Landlord and Tenant shall each simultaneously submit to each other in a sealed envelope its good

faith estimate of the Market Rate (each, a 'Good Faith Estimate'). If the higher of such estimates is not more than one hundred five percent (105%) of the lower of such estimates then the Market l shall be the average of the two estimates and shall be final and binding on Landlord and Tenant and Tenant's Option Notice shall become binding upon Tenant. Otherwise, within five (5) days after the expiration of such seven (7) day period Tenant may submit the question to arbitration in accordance with Paragraph 30.G.(3) below.

(3) If the Landlord and Tenant are unable to agree upon the Market Rate by exchange of Good Faith Estimates, then Tenant may, by written notice to Landlord within five (5) days after the exchange of Good Faith Estimates pursuant to Paragraph 30.G.(2) above, request to resolve the dispute by arbitration, whereupon Tenant's Option Notice shall become binding upon Tenant. If Tenant does not provide such notice within the aforementioned five (5) days, Tenant will be deemed to have waived its option to expand under this Paragraph 30 or its option to extend the Term of this Lease under Paragraph 34, as applicable. Within seven (7) days after the receipt of such request, the parties shall select, as an arbitrator, a mutually acceptable independent MAI appraiser with experience in real estate activities, including at least five (5) years experience in appraising office space in the central business district of the City of Chicago (a "Qualified Appraiser"). If the parties cannot agree on a Qualified Appraiser, then within a second period of seven (7) days, each shall elect a Qualified Appraiser and within ten (10) days thereafter the two appointed Qualified Appraisers shall select a third Qualified Appraiser and the third Qualified Appraiser shall be the arbitrator and shall determine the Market Rate. If one party shall fail to make such appointment within said second seven (7) day period, then the Qualified Appraiser chosen by the other party shall be the sole arbitrator.

(4) Once the arbitrator has been selected as provided in Paragraph 30.G.(3) above, then, as soon thereafter as practicable but in any case within twenty-one (21) days, the arbitrator shall select one of the two Good Faith Estimates of Market Rate previously submitted by the Landlord and Tenant in accordance with 30.G.(2) above, which shall be the one that is closer to the fair market net rental value as determined by the arbitrator. The value so selected shall be the Market 1 The decision of the arbitrator as to the Market Rate shall be submitted in writing to, and be final and binding on, the Landlord and Tenant. If the arbitrator believes that expert advice would materially assist him, he may retain one or more qualified persons, including but not limited to, legal counsel, brokers, architects or engineers, to provide such expert advice. The party whose estimate is not chosen by the arbitrator shall pay the costs of the arbitrator and of any experts retained by the arbitrator. Any fees of any counsel or expert engaged directly by the Landlord or Tenant, however, shall be borne by the party obtaining such counsel or expert.

H. The provisions of this Paragraph 30 and Paragraphs 31, 32 and 34, and 35 shall apply only to Tenant, and shall not inure to the benefit of any assignee of Tenant other than (i) any party resulting from a merger or consolidation with Tenant so long as Tenant or an Affiliate is the dominant and controlling party after such merger, (ii) any party succeeding to the business and assets of Tenant, or (iii) any Affiliate of Tenant.

I. Any space added to the Premises pursuant to this Paragraph 30 shall be delivered by Landlord to Tenant in broom clean condition, but otherwise as is, and Landlord shall have no obligation to contribute to the cost of any construction or remodeling by Tenant.

J. Promptly after Tenant's exercise of any expansion option, Landlord shall prepare an amendment to the Lease, in a form reasonably satisfactory to Landlord and Tenant, to reflect the increase to the size of the Premises and Tenant's Proportionate Share and any other appropriate terms, due to the exercise of such expansion option. Tenant shall execute and return such an amendment to the Lease within fifteen (15) days after its submission to Tenant.

31. CONTRACTION OPTION. Tenant shall, provided that all the Expansion Conditions are then satisfied, have the option (the "Contraction Option") to exclude from the Premises an area of one full floor of Premises designated by Tenant as hereinafter provided, which contraction will be effective as of February 28, 2000, 2005, and 2010 (the "Contraction Date"). Space designated by Tenant to be excluded from the Premises (the "Contraction Space") must be at a non-contiguous floor or the upper [or lower] end of the largest contiguous 2 block pace then leased by Tenant. The Contraction Option shall be exercised, of the essence, by notice given by tenant to Landlord, on or before twelve (12) months prior to any such Contraction Date identifying the Contraction Space (the "Contraction Notice"). Each time Tenant fails to timely deliver its Contraction Notice, Tenant will be deemed to have waived such Contraction Option for the applicable Lease year. If Tenant timely delivers its Contraction Notice, then as of the relevant Contraction Date: (1) Tenant shall vacate the Contraction Space and surrender possession thereof to Landlord in accordance with the requirements of this Lease; (ii) the Rentable Area of the Premises shall be reduced by the Rentable Area of the Contraction Space so surrendered; and (iii) Tenant's Proportionate Share shall be reduced by a percentage derived by dividing the Rentable Area of the Contraction Space surrendered by the I Area of the Office Portion of the Building. If Tenant fails to completely vacate the Contraction Space and surrender possession thereof to Landlord in accordance with Paragraph 17 of the Lease on or before the Contraction Date, such failure shall be treated as a holding over by Tenant, and Landlord shall be entitled to all of its remedies thereof pursuant to Paragraph 18 of this Lease. Notwithstanding any such vacation and surrender, Tenant shall remain liable for the payment to Landlord of' all rent and other sums due or accrued, and for the performance and keeping of all the covenants, agreements and obligations under this Lease to be performed, paid and kept by Tenant with respect to the Contraction Space prior to the Contraction Date. Promptly after Tenant's exercise of its Contraction Option, Landlord shall prepare an amendment to the Lease in a form reasonably satisfactory to Landlord and Tenant to reflect the reduction to the size of the Premises and Tenant's Proportionate Share and any other appropriate terms, due to the return of the Contraction Space. Tenant shall execute and return such an amendment to the Lease within fifteen (15) days after its submission to Tenant.

32. RIGHT OP FIRST REFUSAL. Provided Tenant (including any Affiliate or Successor Entity) occupies at least 400,000 RSF in the Building and is not in default hereunder (beyond any applicable cure period), subject to Paragraph 32.B. below, and subject to any expansion, renewal, first offer, and first refusal options of any current tenant(s) in the Building (individually, the ("Prior Tenant") during the Term of this Lease, Tenant shall, provided all Expansion Conditions are then satisfied, have and is hereby granted a right of first refusal on any space in the Building of 5,000 RSF or more, that is not originally demised to Tenant under this lease (collectively, the "Refusal Space") which right shall be exercised in accordance with the procedures set forth in Paragraph 32.A. below.

A. If at any time during the Term of this Lease any Refusal Space becomes available for lease to anyone other than a Prior Tenant, Landlord shall give written notice thereof to Tenant ("Landlord's Refusal Notice"). Landlord's Refusal Notice must be given not less than six (6) months nor more than twelve (12) months in advance of such availability and shall contain a summary of the terms upon which landlord intends to offer the Refusal Space for lease to the market (the "Third Party Lease"). Landlord's Refusal Notice shall specifically indicate the monthly payment stream (the "Monthly Payment"). The Monthly Payment is a level monthly payment over the term of the Third Party Lease which, when discounted at a monthly equivalent rate equal to a ten percent (10%) annual rate, for the term of the Third Party Lease, equals the same net present value as the economic terms (including, but not limited to, the net rental rate, free rent period, tenant improvement allowances and leasing commissions) of the Third Party Lease. Such Monthly Payment shall be the monthly rental rate for the Refusal Space. Tenant shall notify Landlord in writing within fifteen (15) days of receipt of Landlord's Refusal Notice whether it desires to lease the Refusal Space on the terms set forth in Landlord's Refusal Notice; and failure to notify Landlord within said fifteen (15) day period shall be deemed a refusal by Tenant. After any such refusal or deemed refusal, Tenant shall have no further tights to such Refusal Space and Landlord shall be free to lease such space to any person or entity for any term, subject to Tenant's other options set forth in this Lease and subject to the following conditions:

(i) The net present value as of the proposed commencement date of the Third Party Lease expressed as a single dollar figure, discounted using a rate of ten percent (10%) per annum, of all rent (other than such tenant's proportionate share of operating expenses and taxes) of whatever nature or however denomirl2ted for the term of the Third Party Lease less such net present value of all other proposed economic terms of the Third Party Lease shall not be less than ninety-five percent (95%) of the comparable amount determined by using the economic terms set forth in the Landlord's Refusal Notice for the space in question;

(ii) The Third Party Lease must be executed within six (6) months after the date of the Landlord's Refusal Notice; and

(iii) If a Third Party Lease does not meet the foregoing conditions, then Landlord shall not enter into the Third Party Lease until Landlord again complies with the provisions of this Paragraph 32 by delivering a new landlord's Refusal Notice to Tenant and Tenant does not exercise its right of first refusal to lease such space on the terms and conditions set forth in the second Landlord's Refusal Notice within the applicable time periods.

Upon the expiration of the Third Party Lease, Tenant shall again have a right of first refusal on the terms set forth in this Paragraph 32 with respect to the space covered thereby.

B. If Tenant exercises its right of first refusal with respect to such Refusal Space, such space shall be added to the Premises subject to the following:

(i) If Tenant exercises its right of first refusal for a Refusal Space within the first ten (10) Calendar Years of the Term of the Lease, such Refusal Space shall be added to the Premises for the remaining Term of the Lease (including any exercised Extension Term(s)) on (1) all of the terms, covenants and conditions specified in Landlord's Refusal Notice (including, but not limited to, the Monthly Payment), and (ii) the terms, covenants and conditions of this Lease to the extent that such terms, covenants and conditions of this Lease do not conflict with landlord's Refusal Notice;

(ii) If Tenant exercises its right of first refusal for a Refusal Space after the first ten (10) Calendar Years of the Term of the Lease, and such Refusal Space is less than 50,000 RSF, then such Refusal Space shall be added to the Premises for the remaining Term of the Lease (including any exercised Extension Term(s)) on (1) all of the terms, covenants and conditions specified in Landlord's Refusal Notice (including, but not limited to, the Monthly Payment), and (ii) the terms, covenants and conditions of this Lease to the extent that such terms, covenants and conditions of this Lease do not conflict with landlord's Refusal Notice;

(iii) If Tenant exercises its right of first refusal for a Refusal Space after the first ten (10) Calendar Years of the Term of the Lease, and such Refusal Space is greater than 50,000 RSF, then such Refusal Space shall be added to the Premises for the term indicated in the Landlord's Refusal Notice, up to a maximum term of ten (10) years, on (i) all of the terms, covenants and conditions specified in Landlord's Refusal Notice (including, but not limited to, the Monthly Payment), and (ii) the terms, covenants and conditions of this Lease to the extent that such terms, covenants and conditions of this Lease do not conflict with Landlord's Refusal Notice.

provided, however, that notwithstanding anything contained herein to the contrary, during the Extension Terms, if any, rent and all other economic terms applicable to any Refusal Space shall be adjusted in the manner provided in Paragraph 34 hereof, and the rent and other economic terms described in Landlord's Refusal Notice shall not apply in any Extension Term. Any Refusal Space added to the Premises pursuant to this Paragraph 32.B. shall become a part of the Premises for all purposes of this Lease, and any reference in this Lease to the term "Premises" shall be deemed to refer to and include such portion of the Refusal Space, except as expressly provided otherwise in this Lease.

C. Promptly after Tenant's exercise of its right of first refusal pursuant to this Paragraph 32., Landlord shall prepare an amendment to the Lease, in a form reasonably satisfactory to Landlord and Tenant, to reflect changes in the size of the Premises, Base Rent, Tenant's Proportionate Share and any other appropriate terms, due to the addition of the Refusal Space. Tenant shall execute and return such an amendment to the Lease within fifteen (15) days after its submission to Tenant.

33. LIMITATIONS ON LIABILITY: CONFIDENTIALITY.

It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements are made or intended as personal covenants, undertakings or agreements by• Landlord, or its beneficiaries, and any liability for damage or breach or nonperformance by Landlord shall be collectible only out of Landlord's interest in the Building and Land, if any, and no personal liability is assumed by, nor at any time may be assailed against Landlord, its beneficiaries or any of their heirs, legal representatives, successors and assigns, all such liabilities, if any, being expressly waived and released by Tenant.

Landlord further agrees, subject to the terms and provisions below, and except as specifically set forth herein, to keep confidential any non-public financial information of Tenant or its shareholders disclosed to Landlord under the provisions of this Lease; provided, however, that nothing herein shall restrict or prohibit disclosure of any such information: (a) that was or becomes generally available to the public other than as a result of disclosure by Landlord; (b) that was or becomes available on a non-confidential basis from a source other than Tenant (provided that such source was not bound by a confidentiality agreement with Tenant known to Landlord after reasonable inquiries, if any, which a reasonable person under the circumstances would have made); (c) to the extent required by statute, rule, regulation, law, governmental authority or judicial process; (d) to any of the following: (:1) any entity which controls, is controlled by or is under common control with Landlord; (ii) any successor of Landlord; and/or (iii) any actual or potential purchaser, assignee or transferee of all or any portion of the Building; (e) in connection with Landlord's administration of the Lease, to any of its examiners, accountants, attorneys, consultants, appraisers, auditors or agents, to the extent reasonably required; or (1) to any other person or entity to the extent reasonably required in connection with any litigation, or proceeding to enforce remedies under this Lease. Landlord shall require that those persons and entities to whom disclosure is made pursuant to Paragraph 33(d and e), agree to be bound by the provisions of this Paragraph 33 in the event disclosure is required to be made pursuant to Paragraph 33(c), Landlord shall give Tenant notice thereof as promptly as practicable under the circumstances and Tenant shall have the right to seek an appropriate protective order (the "Confidentiality Requirements"). The provisions of this Paragraph 33 shall supersede in their entirety all prior agreements and understandings concerning confidentiality or disclosure of information entered into by Landlord and Tenant (or a parent, subsidiary of a of either or both of the foregoing) with respect to the matters set forth herein.

34. TENANT'S OPTIONS TO EXTEND. Tenant shall, provided that all of the Expansion Conditions are then satisfied, have the right to extend the term of this Lease for four additional periods of five (5) years each (each such period is called an "Extension Term"). Each Extension Term shall be upon the same terms, covenants and conditions contained in this Lease, except the amount of the annual Ease Rent payable during any Extension Term, and any

reference in the Lease to the “Term” of the Lease shall be deemed to include any Extension Term and apply thereto, unless it is expressly provided otherwise. Tenant shall have no extension option beyond the aforesaid four consecutive five year extension options. Any termination of this Lease during the initial Term of this Lease shall terminate all rights under this Paragraph 34.

A. The Base Rent during an Extension Term for any space then constituting a portion of the Premises (including, without limitation, any Expansion Space) shall be at a rate equal to 95% of the “Market Rate”. For purposes of this Paragraph 34, “Market Rate” shall mean the fair net rental per annum (which shall be net of all Taxes and Operating Expenses) for a period commencing when the fair net rental being determined would first be payable, assuming no rent abatements of any kind, per rentable square foot for an existing tenant entering into any renewal lease for “comparable space” (hereinafter defined), for a term equal to the Extension Term, but excluding any renewal by an existing tenant at a rent agreed to at an earlier date pursuant to a tenant’s renewal option. The calculation of Market Rate shall be calculated on a net present value basis and shall take into account (and the fair net rental shall be increased by) the present value of the cost of any actual brokers’ commission or actual tenant improvement, free rent or other concession, if any, agreed by the Landlord and Tenant to be payable or to be granted to Tenant in connection with the particular extension option with respect to which Tenant has given its non-binding notice). The calculation of Market Rate shall also be based on the assumption that there will be no financial escalation of Rent or stepping of Rent or inii1 increases over time. The calculation of Market Rate shall also take into account that Tenant pays Tenant’s Proportionate Share of the Operating Costs and Taxes in each fiscal year. M used herein, the term “comparable space” means similar size space in office buildings in the central business district of Chicago where the Building is located, which are comparable to the Building in reputation, quality, age, size, location, and level and quality of services provided, and which have similar occupancy of the Building, but excluding those leases where tenants have an equity interest in the building.

B. Each option to extend shall be exercised by Tenant giving non-binding notice to Landlord not later than eighteen (18) months prior to the end of the initial Term (or 18 months prior to the end of the first, second, or third extensions thereof, as the case may be), to extend the Term of this Lease (the “Extension Notice”). Thereafter, the Market Rate for the particular Extension Term shall be calculated pursuant to Paragraph 30.G. Such calculation shall reflect the Market Rate that would be payable per annum for a term commencing on the first day of the particular Extension Term with respect to which the calculation is being made, provided that such recalculation shall be final and shall not be recalculated at the actual commencement of such Extension Term. If Tenant fails to timely give the Extension Notice, Tenant will be deemed to have waived such option to extend. If Tenant fails to exercise any particular option to extend set forth herein, then all subsequent options to extend the Term shall expire.

35. RIGHT OP FIRST OFF PURCHASE.

A. Right of First Offer. Subject to and upon the terms and conditions hereinafter set forth, Landlord hereby grants to Tenant the right of first offer (herein sometimes called the (“Right of First Offer”) during the Term (including any Extension Term) to purchase the Building and Land, or any portion thereof or interest therein (herein referred to as the

“Offered Property”) in the event Landlord elects, at any time daring the Lease Term, to offer the Offered Property for sale. If, during the Lease Term, Landlord elects to offer the Offered Property for Sale, Landlord shall give written notice (“Notice of Offer”) to Tenant setting forth the cash price at which Landlord intends to offer the Offered Property for sale, together with the other material terms and conditions of such offer (herein called the Offer’). Tenant shall have the right, at its option, exercisable as hereinafter provided, to purchase the Offered Property for the price and on the same terms and conditions set forth In the Offer.

B. Exercise. Provided that all the Expansion Conditions are then satisfied, the Right of First Offer shall be exercised, if at all, by Tenant giving written notice of exercise thereof (a “First Offer Notice”) to Landlord within 30 calendar days (the “First Offer Notice Period”) after receipt by Tenant of the Notice of Offer and pursuant to Paragraph 35.A. If Tenant provides Landlord with a First Offer Notice, Tenant shall have three (3) months to close under the terms of the Offer. If Tenant fails to close within such period, then Tenant’s Right of First Offer shall terminate.

C. Non-Exercise. In the event Tenant does not timely exercise its Right of First Offer with respect to any Notice of Offer, Landlord shall have six (6) months to market the Offered Property covered by the subject Offer to any third party who is willing to purchase the Offered Property in accordance with such Offer. If no contract is executed within said six (6) month period, Tenant’s Right of First Offer with respect to the Offered Property shall be reinstated. Should Landlord materially change the economic or financial terms of the Offer presented to Tenant, or enter into a contract or contract amendment which materially changes the economic or financial terms of the Offer presented to Tenant, then such modified or amended Offer or contract, as the case may be, shall constitute a new Offer hereunder and Tenant’s Right of First Offer shall apply thereto, obligating Landlord to present such new Offer to Tenant and entitling Tenant the right to exercise the Right of First Offer as to such new Offer in the manner hereinbefore provided. For the purposes of this Paragraph 35.C., a “material” change in the economic terms of the Offer shall mean a change in the total economic terms of the Offer of greater than or equal to 3%. In the event of any sale to a third party in accordance with the requirements of this Paragraph 35, upon the closing of such purchase this Right of First Offer shall be deemed to automatically expire with respect to the Offered Property and Tenant, at Landlord’s request, shall promptly execute and deliver to Landlord an instrument releasing and quitclaiming any and all interest Tenant would otherwise have under this Paragraph 35 to the purchaser of the Offered Property.

D. Third Party Offers. Any offer made by a third party to Landlord for the purchase of the Offered Property, other than in lieu of condemnation, shall give Tenant the same rights under this Paragraph 35 as if such offer were an offer made by Landlord for the sale of the Offered Property.

E. Exceptions to Right of First Offer. Tenant’s Right of First Offer shall not apply to: (a) any Offered Property acquired by a third party in a condemnation proceeding or a conveyance in lieu of condemnation; (b) any conveyance resulting from the foreclosure of a mortgage or other instrument encumbering the Offered Property, or any deed (or transfer or other form of conveyance or assignment) given or made in lieu of such foreclosure; (c) any transfer by a partnership to any of its partners; (d) any transfer between or among partners; (e) any transfer to an affiliate of Landlord. As used herein the term “affiliate” means any equity holder of the transferring entity, any corporation or entity owned or controlled, directly or indirectly by the transferring entity.

36. CONSENTS. Whenever under any terms or provisions of this Lease either party’s consent or approval is required or requested or performance by either party of any act or other matter or thing is to be to the satisfaction of or acceptable to the other party, such consent or approval shall not be unreasonably withheld or delayed and such party shall not be unreasonable in withholding its satisfaction or acceptance, always excepting any instance where it is provided that such party may act arbitrarily or at its discretion and any instance in which specific standards for consent or approval are provided In this Lease.

37. TAX CONSEQUENCE OFFSET. Pursuant to the Contribution Agreement and the terms of that certain Amended and Restated Limited Liability Company Agreement for 35 W. Wacker Venture L.L.C. (the “Venture Agreement”), dated of even date hereof, Landlord has agreed to comply with the Transfer Prohibition (as defined in the Venture Agreement) and to maintain a level of non-recourse debt against the Building and the Land sufficient to avoid any adverse tax consequences to Tenant throughout the Restrictive Period (as defined in the Venture Agreement). Pursuant to Section 25 of the Venture Agreement, Landlord has agreed to indemnify Tenant against (I) any violations of the Transfer Prohibition and (ii) Landlord’s failure to comply with the aforementioned debt maintenance requirement. In order to secure Landlord’s indemnity obligations under Section 25 of the Venture Agreement, Landlord and Tenant hereby acknowledge and agree that Tenant shall be permitted to offset against Rent accruing under this Lease if Landlord fails to make any payments in respect of amounts due under the indemnification provisions of Section 25 of the Venture Agreement, an amount equal to the indemnification payments to have been made under said Section 25. Such offset shall be made against Rent next becoming due under this Lease until the offset is fully exhausted. Notwithstanding the foregoing, such offset shall be limited to a maximum of $9,200,000.00.

38. FINANCIAL FORMATION. During each Calendar Year of the Term of this Lease, upon not less than thirty (30) nor more than sixty (60) days written notice from Landlord to Tenant, Landlord and Landlord’s lender may review Tenant’s audited financial statements for the then most recent Calendar Year (to the extent available) at the Premises and under Tenant’s supervision (the ‘Financial Review”). Except as provided below, Landlord and Landlord’s lender shall not perform a Financial Review more than once per Calendar Year (the “Annual Financial Review”) during the Term hereof and Landlord and Landlord’s lender shall not be entitled to copies of such audited financial statements or any supporting documentation. Each Annual Financial Review shall be subject to the Confidentiality Requirements set forth in Paragraph 33 herein. In addition to the Annual Financial Review, Landlord shall have a one time right to conduct a Financial Review, subject to the Confidentiality Requirements, under each of the following circumstances: (I) with the lead underwriter who is managing the underwriting of securities to be offered in connection with the transfer of the ownership interests in the Landlord or the Property to a real estate investment trust or partnership controlled by a real estate investment trust pursuant to the terms of the Venture Agreement; and (ii) following the expiration of the Restrictive Period, with the purchaser or a representative of the purchaser in connection with the sale of the Building after the Restrictive Period. If Landlord foregoes its Annual Financial Review for any Calendar Year, Landlord shall, also have the one time right in that Calendar Year to conduct a Financial Review, subject to the Confidentiality Requirements, under either circumstance (i) or circumstance (ii) above.

IN WITNESS WHEREOF, the parties hereto have executed this Lease as of the date first above written.

AGREEMENT OF LEASE made as of this 25th day of January, 1988 (hereinafter referred to as the "Lease") between HARRIS TRUST AND SAVINGS BANK, not individually but as trustee under a trust agreement dated September 24, 1986 and known as Trust No. 43700 ("Trustee") and LEO BURNETT COMPANY, INC., a Delaware corporation and the sole beneficiary of Trustee ("Burnett") (Trustee and Burnett being hereinafter collectively referred to as "Landlord"), and WINSTON & STRAWN, an Illinois general partnership, whose present address is One First National Plaza, Chicago, Illinois 60603 (hereinafter referred to as "Tenant");

WITNESSETH:

Landlord hereby agrees to lease to Tenant, and Tenant hereby agrees to accept, the premises (hereinafter referred to as the "Premises") on Floors 48 through 40 inclusive as designated on the plans attached hereto as Exhibit A in the building to be known as 35 West Wacker Drive (hereinafter referred to as the "Building") to be located on a parcel of land at the southeast corner of Wacker Drive and Dearborn Street, in the City of Chicago, Cook County, Illinois and more particularly described in Exhibit B attached hereto and made a part hereof (hereinafter referred to, together with all present and future easements, additions, improvements and other rights appurtenant thereto, as the "Land"), subject to the terms and conditions of this Lease.

In consideration thereof, Landlord and Tenant covenant and agree as follows:

1. TERM AND PREMISES.

A. Term. The term of this Lease (hereinafter referred to as the "Term") shall commence on the date (hereinafter referred to as the "Commencement Date") which is the later of the Full Delivery Date (as defined below) or April 1, 1989. Unless sooner terminated as provided herein, the Term shall end on the thirty-first day of December 2009, as such date may be extended pursuant to Paragraph 1.D. below or by the exercise of the option conferred upon Tenant under this Lease (hereinafter referred to as the "Termination Date").

B. Premises. The Premises include the highest floor in the Building, other than any area occupied by mechanical equipment, and eight (8) contiguous full floors and contain 207725 RSF (as defined in Paragraph 2 hereof).

C. Delivery. Landlord shall use its best efforts to achieve substantial completion of the Building and Premises pursuant to the Building Plans (as defined in Paragraph 4.A. hereof) and pursuant to the Plans (as defined in Paragraph 4.F. hereof) and to deliver the Premises for Tenant's occupancy by April 1, 1989 which date shall be extended as a result of Tenant Delays (as defined in Paragraph 4.J. (hereof) and Unavoidable Delays for a period equal to any and all such Delays. The date on which the full Premises are so substantially completed and delivered to tenant for occupancy is hereinafter referred to as the "Full Delivery Date." Notwithstanding the foregoing, in no event shall the Full Delivery Date occur until (i) Tenant shall have had access to the Premises for the purpose of any construction and installation to be performed by Tenant, for a period of thirty (30) days and (ii) Landlord shall have given Tenant thirty (30) days' prior notice as to the date of the Full Delivery Date. "Unavoidable Delays" shall man delays or interruptions caused by strikes, lockouts, failure of power, restrictive governmental laws or regulations, condemnations, riots, insurrections, war, fire, or other casualty, acts of God, or other reasons not within the control of the party delayed in performing work or doing acts required under the terms of this Lease. It shall be a condition of the right to claim an extension of time as a result of an Unavoidable Delay that the party seeking such extension shall notify the other party (i) within thirty (30) days after such party has knowledge of the existence of the Unavoidable Delay(s) specifying the nature and estimated length thereof, and (ii) within thirty (30) days after the termination of such Unavoidable Delay.

D. Delays.

(i) If the Full Delivery Date has not occurred prior to February 1, 1990, which date shall be extended (a) as a result of Tenant Delays for a period equal to any and all such Tenant Delays and (b) as a result of Unavoidable Delays for a period equal to any and all such Unavoidable Delays, but not more than six (6) months as a result of Unavoidable Delays, Tenant shall have the right to terminate this Lease. Such termination shall only be effective if Tenant gives written notice of termination to Landlord not later than thirty (30) days after such date. This Lease shall terminate upon such notice without further liability of Landlord or Tenant, except that on such termination Landlord shall reimburse Tenant for Tenant's Hold-over Costs as provided in Paragraph 1.D.(iii) following. Tenant shall have a period of thirty (30) days after its notice of termination to remove its trade fixtures and its furniture and other personal property as permitted under Paragraph 17 hereof. Neither Landlord nor Tenant shall be responsible to make any reimbursement to the other for any costs incurred or items delivered pursuant to this Lease, other than the Hold-over Costs. All improvements to the Premises other than the items which Tenant may remove under Paragraph 17 hereof shall be and remain the property of Landlord.

(ii) Unless Tenant gives notice to terminate this Lease pursuant to Paragraph 1.D.(i) above, this Lease shall continue in full force and effect.

(iii) Landlord shall reimburse Tenant for "Hold-over Costs" (as hereinafter defined) incurred by Tenant, as and when the Hold-over Costs are incurred and promptly after notice thereof by Tenant, because the Commencement Date has not occurred on or before April 30, 1989, which date shall be extended as a result of and for a period equal to any and all Tenant Delays to the extent such date is not met by reason of such Tenant Delays (the "Hold-over Date"). For purposes of this part (iii) of Paragraph 1.D., (a) Tenant Delays shall be calculated on a floor-by-floor basis, and (b) Tenant Delays which delay substantial completion of only some floor or floors of the full Premises shall extend the date of April 30, 1989, only with respect to such portion of the full Premises. As used herein, the term "Hold-over Costs" shall mean and include only (a) extra moving and storage expenses and other relocation expenses (if a double move or longer storage is made necessary), (b) rental costs (which term includes, without limitation, operating expenses and taxes) in excess of the Rent that would be payable hereunder (without regard to any abatement provided for herein) for space which Tenant occupies because the Commencement Date has not occurred by the Hold-over Date except that such rental costs prior to January 1, 1990 plus a period equal to any Tenant

Delays shall not include rental costs attributable to Tenant's current space at One First national Plaza, (c) any increase in the costs of labor or material for Tenant's improvements to the Premises because the Commencement Date has not occurred by the Hold-over Date, (d) any reasonable additional fees for Tenant's Space Planner for performing additional fees for Tenant's Space Planner for performing additional or out-of-sequence services because the Commencement Date has not occurred by the Hold-over Date, and (e) any other reasonable out-of-pocket costs paid by Tenant as a result of such delay.

(iv) Except for the termination right and "Hold-over Costs" expressly provided in this Paragraph 1, and the extension of the Term, Base Rent abatement and Additional Rent Limitation provided for below, Landlord shall have no liability to Tenant as the result of a delay in the Commencement Date if the Commencement Date occurs after April 1, 1989.

(v) In the event that the Full Delivery Date is delayed beyond January 1, 1990 and to the extent that such delay is not caused by reason of Tenant Delays and the Lease is not terminated pursuant to Paragraph 1.D.(i) above, the Termination date shall be extended for a period equal to any and all such delays other than Tenant Delays.

(vi) To the extent that the Full Delivery Date is delayed due to Tenant Delays, the Full Delivery Date for the purpose of Tenant's rental obligations shall be deemed to have occurred on the date it would have occurred but for such Tenant Delays and Tenant's rental obligations shall commence on the basis of such date, but Base Rent shall not in any event commence before the Base Rent Commencement Date (as defined in Paragraph 2 below).

E. Memorandum. Within sixty (60) days after the Full Delivery Date, if it is deemed necessary by either party, Landlord and Tenant agree to enter into a Lease amendment for the purpose of memorializing the Commencement Date, the Full Delivery Date and the Termination Date, and clarifying and evidencing such other matters as Landlord or Tenant may reasonably request.

2. BASE RENT.

Tenant shall pay to Landlord or Landlord's agent at 35 West Wacker Drive, Chicago, Illinois, or at such other place as Landlord may from time to time designate in writing, in currency which, at the time of payment, is legal tender for private or public debts in the United States of America, "Base Rent" at an annual rate which is equal to the number of RSF within the Premises times the particular BR/RSF (as hereinafter defined) in effect at such time for the RSF within the Premises. Such annual rate shall be paid in monthly installments of one-twelfth of the then-current annual rate in advance on or before the first day of each and every month during the Term without demand and without any set-off or deduction whatsoever, except as expressly provided herein, and except that all Base Rent for an space leased hereunder shall be abated until the later of (i) January 1, 1990, or (ii) the date which is nine (9) months after the Full Delivery Date (but such nine (9) month period shall be reduced by a period equal to delay in occurrence of the Full Delivery Date caused by Tenant Delays) (the "Base Rent Commencement Date"). Any Base Rent payable for the partial month in which the Base Rent Commencement Date occurs shall be paid on the first day of the following month.

"BR/RSF" shall mean the amounts determined in accordance with the schedule attached hereto as Exhibit C.

"RSF" shall mean, as the context requires, one square foot or a number of square feet of Rentable Area in any given space. Landlord's architect shall certify the number of RSF in the Building and the Premises to Tenant prior to the Commencement Date. In the event of a change in the RSF of the Building or the Premises after such certification, Landlord's architect shall certify such change to Tenant and Tenant's Proportionate Share (defined below) and such other calculations provided for herein which are affected by the RSF of the Building and the Premises shall be adjusted in proportion therewith.

"Rentable Area" shall be computed by measuring to the inside finished surface of the glass line (including windows or glass panels) without deduction for any columns or projections necessary to the Building and shall include all areas within such inside finished surface, other than retail areas (as used herein, retail areas shall include areas used for any commercial use), public stairs, elevator shafts, flues, stacks, pipe shafts and other major vertical penetrations of the floor. Rentable Area shall include:

(i) With respect to each single tenancy floor, toilets, air-conditioning rooms, fan rooms, janitor closets, lobbies, elevator lobbies, electrical closets and telephone and other telecommunication closets within and serving only such floor (or only floors occupied by the same tenant); and

(ii) With respect to each multiple tenancy floor, for each particular premises on that floor, its share of the areas described in the preceding clause (i) together with the particular premises' share of all public corridors and other public areas on such floor, as they may be adjusted from time to time. The tenant spaces on a multiple tenancy floor shall share 100% of the Rentable Area of that full floor. The share of each tenant's space shall be based upon the usable area contained in that tenant's space (which shall be measured to the center of partitions that separate such space from other tenant spaces or public areas) compared to the total usable area on that full floor.

The Rentable Area of the Building shall not include the lobby of the Building or portions of the Building mezzanine, first floor or basement or any other portions of the Building which are leased for or designed to be used for retail or parking or storage purposes.,

3. ADDITIONAL RENT.

In addition to paying the Base Rent specified in Paragraph 2 hereof, Tenant shall pay as "Additional Rent" the amounts described in this Paragraph 3. The Base Rent and the Additional Rent are sometimes herein collectively referred to as the "Rent." All additional Rent shall be payable for the same periods and in the same manner, time and place as the Base Rent, except that Additional Rent shall commence on the Commencement Date, without any initial abatement. Without limitation on other obligations of Tenant which shall survive the expiration of the Term, the obligations of Tenant to pay additional Rent accrued prior to the Termination Date shall survive the expiration of the Term. For any partial Calendar Year, Tenant shall be obligated to pay only a pro rata share of the Additional Rent for such Calendar Year, based on the number of days of the Term falling within such Calendar year. Notwithstanding anything to the contrary contained herein, for Calendar Years 1989, 1990, 1991 and 1992 only (subject to the following sentence), Tenant shall pay as Additional Rent for the applicable Calendar Year, the lesser of (i) Additional Rent as calculated herein, or (ii) $0.833 per RSF per month for that portion of the Term falling within 1989 and 1990, $0.958 per RSF per month for that portion of the Term falling within 1991, and $1.125 per RSF per month for that portion of the Term falling within 1992 as the case may be (the "Additional Rent Limitations"). In the event that the Commencement Date is delayed beyond January 1, 1990, then, to the extent that such delay is not the result of a Tenant Delay, the starting and ending dates of the Additional Rent Limitation for 1992 shall be extended into 1993 for a period of time equal to the amount of time the Commencement Date is so delayed beyond January 1, 1990 by delays other than Tenant Delays.

A. Definitions. As used in this Paragraph 3, the terms:

(i) "Calendar Year" shall mean each calendar year in which any part of the Term falls, through and including the year in which the Term expires.

(ii) "Tenant's Proportionate Share" shall mean the percentage calculated by dividing the number of RSF contained in the Premises by the number of RSF contained in the Building. If at any time there has been delivered to Tenant for occupancy less than all of the Premises, and Tenant has accepted such delivery for occupancy by Tenant, Tenant's Proportionate Share during such period shall be based on the RSF contained in the portion of the Premises as has been delivered to Tenant from time to time. Wherever Tenant is required to pay Tenant's Proportionate Share of an item of Taxes or Operating Expenses pursuant to this Paragraph 3, the cost to Tenant for such item (on a per RSF basis) shall never be more than the lowest cost (on a per RSF basis) allocated to and paid for on account of such item for any other portions of the Rentable Area of the Building.

(iii) "Taxes" shall mean taxes levied, assessed or imposed against Landlord in connection with the Land, the Rentable Area of the Building, the operation thereof or any rights or responsibilities related thereto. "Taxes" shall mean in any Calendar Year: (a) real estate taxes and assessments, special or otherwise, levied or assessed upon the Land or the Rentable Area of the Building; (b0 ad valorem taxes for any personal property owned or leased by Landlord and used exclusively in connection with the Rentable Area of the Building; (c) any tax, assessment, charge or fee which is imposed in substitution for, or in lieu of an increase in, such real estate taxes or ad valorem personal property taxes; (d) ANY INCOME OR FRANCHISE TAX BASED ON Landlord's income from the Land and the Rentable Area of the Building which taxes such income in a different manner than income from sources other than the ownership and operation of income-producing real estate and which taxes such income solely because it is from the ownership and operation of income-producing real estate; and (e) a tax on rents or leases. Taxes shall also include, in the year paid, all reasonable fees for consultants and attorneys and all other costs incurred by Landlord in seeking to obtain a reduction of, or a limit on the increase in, any Taxes, regardless of whether any reduction or limitation is obtained. Taxes shall not include any inheritance, estate, succession, transfer, gift, franchise, or capital stock tax or any income taxes other than those described above. With respect to any Taxes which include assessments against income or property not related to the Land or the Rentable Area of the building, Taxes shall include only that portion of such Taxes which would be payable if the Land and the Rentable Area of the Building and all rights related thereto were the only assets of Landlord.

(iv) "Operating Expenses" shall mean all expenses, costs and disbursements of every kind and nature (determined for the applicable Calendar Year on an accrual basis) paid by Landlord in connection with the management, operation, maintenance and repair of the Land and the Rentable Area of the Building, except the following:

a. Costs of capital improvements, renovations or decorating for any tenant's premises;

b. Principal or interest payments on loans secured by mortgages or trust deeds on the Building or Land or rent payable on any ground lease of the Land;

c. Costs of capital improvements to the Land or Rentable Area of the Building, except that Operating Expenses shall include (a) the cost of any capital improvement completed after full completion of the Building to Base Building Condition which is initially projected in good faith by Landlord to reduce any component of Operating Expenses, provided that the cost of the capital improvement does not exceed $50,000, or if such cost does exceed $50,000, then (i) such cost must be evenly amortized over the useful life of each such capital improvement with interest on the unamortized amount at the rate which is the lower of (x) 1% per annum above the alternate base rate II rate of interest announced from time to time by Citibank, N.A. ("Citibank") or the prime rate announced from time to time by any other bank designated by Landlord if Citibank is not at any time announcing its alternate base rate II (but in no event at a rate which is more than the highest lawful rate allowable in the State of Illinois) ("Prime Rate"), or (y) the rate of interest paid by Landlord to obtain the funds for such improvement (ii) such amortized costs (including interest as aforesaid) shall only be included in Operating Expenses under this Lease for that portion of the useful life of the capital improvement which falls within the Term, (iii) that portion of the annual amortized costs (including interest as aforesaid) to be included in Operating Expenses shall be the lesser of such annual costs or the reasonably projected annual reduction in Operating Expenses for that portion of the useful life of the capital improvement which falls within the Term, as reasonably estimated by Landlord in detail by expense category prior to making such capital improvement, (iv) all elements of such projection shall be completed in accordance with generally accepted accounting principles and practices in effect at the time the capital improvement is proposed to be made, and (v) a copy of such projection and the underlying calculations shall be furnished to Tenant upon request by Tenant prior to Landlord's including the cost of any such capital improvement in Operating Expenses; and (b) provided that conditions (a)(i) and (a)(ii) above are satisfied, the cost of any capital improvement which is made by Landlord to keep the Land or Rentable Area of the Building in compliance with all governmental rules and regulations applicable from time to time thereto, except those enacted prior to the Full Delivery Date, provided that the maximum amount payable by Tenant in any Calendar Year through and including the year 2009 as a result of the amortized compliance costs permitted to be included in Operating Expenses under this clause (b) of Paragraph 3.A.(iv)(c) shall not exceed the product of One Dollar ($1.00) and the RSF then contained in the Premises;

d. All expenses for which Landlord is entitled to receive any reimbursement to the extent of such entitlement, other than indirect reimbursement by the payment by any tenant of base rent or its share of Operating Expenses;

e. Depreciation;

f. The cost of correcting defects in the construction of the Building or in the Building equipment provided that this shall not exclude the cost of normal repair, maintenance and replacement (other than capital improvements) expected with the construction materials and equipment installed in the Building in light of their specifications;

g. Any penalty charges incurred by Landlord due to the violation of any law;

h. Costs for sculptures, paintings and other objects of art located within the Building, except only for the costs of maintaining and protecting such objects in the public areas of the Building;

i. Attorneys' fees, costs and other expenses incurred in connection with obtaining or servicing any loans related to the Land or Building;

j. Attorneys' fees, costs and disbursements and other expenses incurred in connection with tenant leases, including, without limitation, negotiations with prospective tenants or disputes with any tenant, but Operating Expenses shall include any expenses incurred in the performance of any of Landlord's obligations under such tenant leases which are reimbursed by tenants' payment of Operating Expenses;

k. Expenses for repairs or other work occasioned by a casualty, except that Operating Expenses shall include the cost of repairs or other work occasioned by a casualty to the extent that such cost is not covered by Landlord's insurance described in Paragraph 12.C. hereof because of the deductible amount permitted in Paragraph 12.C.;

l. Taxes;

m. Real estate brokers' commissions or compensation and other expenses (including, without limitation, architectural, space planning or engineering services) incurred in leasing or procuring tenants;

n. The cost of any repair made by Landlord pursuant to or as a result of condemnation;

o. The cost of installing, operating and maintaining any specialty facility, such as an observatory, broadcasting facilities, luncheon club, athletic or recreational club, cafeteria or dining facility;

p. Executive salaries above the grade of Building Manager;

q. Expenses incurred in connection with services or other benefits of a type or quantity which are not provided to Tenant but which are provided to another tenant or occupant of the Building (including, without limitation, increased insurance costs by reason of a special or additional risk related to another tenant);

r. Any fees and expenses paid to an agent which is related to Landlord or Beneficiary to the extent such fees or expenses are in excess of the customary market amounts which would be paid in the absence of such relationship;

s. Any compensation paid to clerks, attendants or other persons in commercial concessions operated by Landlord; and

t. Expenses incurred by Landlord, if any, in connection with the operation, cleaning, repair, safety, management, security, maintenance or other services of any kind provided to any portions of the Building which are leased, or designed to be used for, retail garage or storage purposes.

B. Allocation of Operating Expenses. If at any time during the Term less than ninety-five percent (95%) of the then current Rentable Area of the Building is occupied by tenants, at Landlord's option those components of Operating Expenses which vary with occupancy shall be removed from general Operating Expenses and allocated to the portion of the Building which is actually occupied by tenants and generating such components of Operating Expenses. Such special allocation shall be made on a pro rata basis over the occupied Rentable area in the Building, based on both the comparative Rentable Areas of the occupied premises and the portion of such Calendar Year during which such premises were occupied. Notwithstanding the foregoing, Tenant shall not be obligated to pay more for any such allocated expense than Tenant would pay if the then current Rentable Area of the Building was ninety-five percent (95%) occupied by tenants. Operating Expenses which do not vary with occupancy, such as public liability insurance and lobby maintenance, will continue to be allocated on a pro rata basis over the Rentable Area of the Building whether or not occupied and Tenant shall only be responsible for its Proportionate Share of such Operating Expenses.

C. Expense Adjustment. Tenant shall pay to Landlord or Landlord's agent as Additional Rent, an amount ("Expense Adjustment Amount") equal to Tenant's Proportionate Share of the amount of Operating Expenses incurred with respect to each Calendar Year plus Tenant's pro rata share of the special allocation of Operating Expenses to occupied premises if Paragraph 3.B. is applicable for such Calendar Year. The Expense Adjustment Amount with respect to each Calendar Year shall be paid in monthly installments during such Calendar year in an amount reasonably estimated by Landlord and communicated by written notice to Tenant. The monthly estimated installments shall not be changed more than twice in any Calendar Year. Such estimates shall be computed in a reasonable manner and shall take into account actual increases in Operating Expenses for the preceding Calendar Year. In no event shall such estimates exceed the maximum Additional Rent that could be payable by Tenant as a result of the operation of the applicable Additional Rent Limitation, if any, for such Calendar Year. Landlord shall cause to be kept books and records showing Operating Expenses in accordance with an appropriate system of accounts and accounting practices consistently maintained. Following the close of each Calendar Year, Landlord shall cause the amount of the Expense Adjustment Amount for such Calendar Year to be computed based on Operating Expenses for such Calendar Year and shall deliver to Tenant a statement of such amount plus a statement of all estimated installments paid by Tenant with respect to such Calendar Year. Such statement shall be prepared and certified by a certified public accountant, setting forth in detail the computation of the Expense Adjustment Amount. Tenant shall pay to Landlord any deficiency shown by such statement within thirty (30) days after receipt of such statement. If the installments paid exceed the amount due, Landlord shall either credit the excess against payments next due to Landlord from Tenant hereunder or, if such credit is in excess of payments due within thirty (30) days thereafter and if Tenant is not then in default hereunder, refund the excess to Tenant within fifteen (15) days thereafter. The obligation of Landlord to refund excess amounts shall survive expiration of the Term. Delay in computation of the Expense Adjustment Amount shall not be deemed a default hereunder or a waiver of Landlord's right to collect the Expense Adjustment Amount; however, in the event of such a delay which extends more than ninety (90) days after Landlord has received all bills and invoices necessary to so compute the Expense Adjustment Amount, Landlord shall pay or credit to Tenant interest at the rate of one percent (1%) plus Prime Rate on any excess amount which Landlord is obligated to credit or refund to Tenant calculated from such 90th day until the amount is so credited or refunded to Tenant.

D. Tax Adjustment. Tenant shall pay to Landlord or Landlord's agent as Additional Rent, an amount ("Tax Adjustment Amount") equal to Tenant's Proportionate Share of the amount of Taxes due and payable during each Calendar Year. The Tax Adjustment Amount shall be paid in monthly installments during the Term in an amount reasonably estimated from time to time by Landlord and communicated by written notice to Tenant if such taxes are required to be paid or deposited by Landlord in monthly installments. If such taxes are not required to be so paid or deposited by Landlord, the Tax Adjustment Amount shall be paid not later than thirty (30) days prior to the date on which such Taxes are required to be paid by Landlord. If Tenant's Proportionate Share of any installment of Taxes which is payable at any time during the Term exceeds the amount of such installments then held by Landlord, Tenant shall, within thirty (30) days after the written request of Landlord, pay such excess to Landlord. Following the final payment of Taxes for each Calendar Year, Landlord shall cause the amount of the Tax Adjustment Amount for such Calendar Year to be computed and deliver to Tenant a statement of such amount plus a statement of all estimated installments paid by Tenant applied to such Taxes and any balance then held by Landlord. Landlord shall credit to Tenant interest on any monthly installments at the rate of 1% per annum above the Prime Rate. If the installments then held by Landlord exceed the amount reasonably necessary, when aggregated with subsequent monthly installments, to pay the next installment of Taxes, Landlord shall either credit the excess against payments next due to Landlord from tenant hereunder or, if such credit is in excess of payments due within thirty (30) days thereafter and if Tenant is not then in default hereunder, refund the excess to Tenant within fifteen (15) days thereafter. The obligation of Landlord to refund any such excess shall survive the expiration of the Term. The amount of any refund of Taxes received by Landlord shall be credited against Taxes for the year in which such refund is received. In determining the amount of Taxes for any year, the amount of special assessments to be included shall be limited to the amount of the installment (plus any interest payable thereon) of such special assessment required to be paid during such year as if the Landlord had elected to have such special assessment paid over the maximum period of time permitted by law. All references to Taxes "for" a particular year shall be deemed to refer to Taxes payable during such year without regard to when such Taxes are levied or assessed. Delay in computation of the Tax Adjustment Amount shall not be deemed a default hereunder or a waiver of Landlord's right to collect the Tax Adjustment Amount.

E. Books and Records. Landlord agrees to keep true and accurate records of all Operating Expenses and Taxes. Landlord agrees to grant Tenant and Tenant's agents reasonable access to Landlord's books and records during normal business hours at Landlord's office for the purpose of verifying Operating Expenses and Taxes incurred by Landlord and to make copies of any and all bills and vouchers relating thereto, subject to reimbursement by Tenant for the cost of such copies. Tenant shall keep all such information confidential. In the event that a review of Landlord's books and records pursuant to this Paragraph 3.E. reveals that Landlord has overstated its Operating Expenses or Taxes for the applicable Calendar Year, Landlord shall refund the amount of such overstatement, with interest thereon at 1% per annum above the Prime Rate, and if such overstatement is in excess of three percent (3%) of the actual Operating Expenses or Taxes incurred fore such Calendar Year, Landlord shall also reimburse Tenant for the reasonable expenses incurred by Tenant in conducting such review of Landlord's books and records and for the amounts paid to any public accounting firm reasonably acceptable to Landlord and Tenant.

4. DESIGN AND CONSTRUCTION OF THE PREMISES.

A. Base Building Construction. Landlord will diligently proceed, at Landlord's cost and expense, to construct the Building and the Premises to "Base Building Condition" as described in Exhibit D attached hereto and made a part hereof, and in accordance with the plans and specifications identified on Exhibit K as such plans and specifications may be amended from time to time, provided that such amendments do not materially and adversely affect the quality or appearance of the Building or the size or configuration of the floors in the Building (the "Building Plans"). The Building is being designed by Kevin Roche John Dinkeloo and Associates, in association with Shaw and Associates (collectively, the "Architect").

B. Additional Work. Landlord will perform, at Tenant's request, and upon submission by Tenant of the necessary plans and specifications in accordance with

Paragraph 4.F. hereof, additional work in the Premises (the "Additional Work") over and above that specified in Paragraph 4.A above, subject to the terms and conditions of this Paragraph 4.B. and Paragraphs 4.C., 4.D. and 4.E. hereof. If included in Tenant's plans and specifications, Landlord will supply and install the items described on Exhibit E attached hereto and made a part hereof (the "Building Standard Work") in the Premises in Landlord's standard manner. Landlord agrees that the unit prices for all items of Building Standard Work shall not exceed Landlord's actual costs therefor, which costs shall be those charged to Landlord by its contractors.

C. Tenant's Work. The term "Tenant's Work" shall mean items installed in the Premises by either Landlord or Tenant and that are not permanently affixed to the Building or which may be removed without causing substantial damage to the Building, including, but not limited to, all items of personal property, furnishing, equipment and trade fixtures and any items which are expected to require replacement during the Term. That portion of the Additional Work which constitutes Tenant's Work shall be at Tenant's sole expense. The cost of such work shall be due and payable by the Tenant to the Landlord on the Commencement Date, except as provided in Paragraphs 4.E. and 4.H. hereof. The Tenant shall take legal title to all items comprising the Tenant's Work.

D. Landlord's Work. That portion of the Additional Work done pursuant to this Paragraph which consists of items which are permanently affixed to the Building and which may not be removed without causing substantial damage to the Building ("Landlord's Work") shall be at the Landlord's expenses, up to the amount of the "Allowance" as provided in Paragraph 4.E. hereof. Landlord will take title to all items comprising the Landlord's Work and all such items shall remain as part of the premises upon termination of the Lease.

E. The Loan and the Allowance. The Landlord shall lend to the Tenant on the Commencement Date (the 'Loan") the amount by which the sum of (i) Sixty Dollars ($60.00) per RSF for the Premises as determined pursuant to paragraph 1 hereof as of January 1, 1988 plus (ii) Two Hundred Thousand Dollars ($200,000.00) plus (iii) an amount equivalent to Seven and 26/100 Dollars ($7.26), times the RSF of the Premises on April 1, 1988 ("Rent-based Allowance"), plus (iv) an additional amount equal to 4.5% per annum on the Rent-based Allowance from the date of execution hereof to the Commencement Date (collectively, the "Allowance") exceeds the cost of Landlord's Work. The proceeds of the Loan shall be disbursed to Tenant, and Tenant shall use such proceeds, solely for purposes of reimbursing Tenant for Tenant's Work and paying costs of moving, furnishing, the acquisition and installation of telephone, data and word processing equipment, space planning, architectural fees and acquisition of assets comprising Tenant's Work for inclusion in the Premises. The amount of the proceeds of the Loan outstanding from time to time shall be amortized based on a twelve (12) percent per annum rate of interest over the period from the Base Rent Commencement Date through the Termination Date for the initial Term. The Loan shall be payable by the Tenant in equal monthly installments of principal and interest at the same time and in the same manner specified for payment of the Base Rent in Paragraph 2 hereof. Prepayment of the Loan will be prohibited. On or before the Commencement Date, Landlord and Tenant shall agree in writing on the amount of the Loan and the monthly installments payable thereon and Tenant shall execute and deliver to Landlord a promissory note therefor in the form attached hereto as Exhibit L and made a part hereof. The monthly Base Rent payable during each such month of the initial Term shall be reduced by the monthly amount of principal and interest actually paid by Tenant on the Loan for such month.

F. Plans.

(i) Tenant has delivered to Landlord definitive single-line space plans prepared by ISD and dated November 16, 1987 regarding the location of its library, central filing, other heavy storage, heavy equipment areas and internal stairways. Tenant agrees to deliver to Landlord complete single-line space plans by January 30, 1988.

(ii) Landlord promptly, after receipt of such single-line space plans, shall direct its mechanical and electrical engineers to consult with Tenant to prepare mechanical and electrical drawings for such portions of the Premises. Tenant shall cooperate with Landlord's engineers and provide all information necessary for the completion of the mechanical and electrical drawings by April 15, 1988. Landlord shall pay the fees for the engineers to prepare Tenant's mechanical and electrical plans up to a maximum amount of $0.35 per RSF of the Premises and any excess of such fees over such maximum amount shall be paid by Tenant either directly or out of the proceeds of the Loan.

(iii) Landlord shall deliver to Tenant, as soon as reasonably practical (based on the detail and complexity of the plans and specifications) and, by May 1, 1988, preliminary pricing based on the single-line space plans and such outline specifications as Tenant may provide. Such preliminary pricing shall be based on the Landlord's best estimates for Tenant's budgeting and planning purposes, but shall not constitute any commitment by Landlord regarding the actual cost of construction Landlord and Tenant shall meet as required to discuss, revise and approve the single-line space plans and preliminary pricing by May 15, 1988.

(iv) On or before May 30, 1988, Tenant shall deliver to Landlord architectural construction drawings (including (1) to the extent necessary, furniture plans showing details of space occupancy, (2) sprinkler locations, (3) reflected ceiling plans, (4) partition and door location plans, (5) electrical and telephone plans noting any special requirements, (6) fire safety systems, (7) detail plans and (8) finish plans and schedules) and specifications for the work to be performed in such portions of the Premises which are acceptable to Tenant and sufficient in all respects for issuance of a building permit. Tenant shall also, on or before May 30, 1988, approve early release for construction of elevators, electrical work, sprinklers and duct work. Such plans shall be subject to Landlord's reasonable approval, and if Landlord does not approve the same, Landlord shall within ten (10) days after delivery of such plans to Landlord advise Tenant of the changes required in such plans, drawings and specifications so that they will meet Landlord's reasonable approval. Tenant shall deliver to Landlord within ten (10) days after Tenant's receipt of such advice, revised architectural drawings and specifications incorporating such changes (the "Plans"). Landlord's advice shall not in any way constitute a representation or warranty of Landlord as to the adequacy of the Plans for Tenant's purposes, but shall only mean that Landlord deems the Plans compatible with the Building's systems and structure. Tenant agrees that the Plans must be released and issued for pricing on or before June 15, 1988. Notwithstanding anything to the contrary in this Lease, the Plans must be completed and released for commencement of construction no later than July 30, 1988. Landlord will use its best efforts to commence construction of the Additional Work by August 1, 1988. Tenant may exclude certain portions of the premises from the Plans for improvement at a future date. Later construction of such excluded portions shall be made in accordance with the time periods for plan preparation, review and pricing then required by Landlord for similarly sized projects.

G. Landlord's Construction Cost Estimate. Within thirty (30) days after submission by Tenant to Landlord of the Plans, Landlord shall provide Tenant a price for the performance of such work by Landlord's contractors, with a detailed breakdown of such price. It is understood that such price will include a construction coordination fee and overhead payable to Landlord in the aggregate amount of the lesser of $1.00 per RSF of the Premises or two percent (2%) of the total construction costs. It is also understood that Tenant shall be subject to no additional markups, profit or general conditions in connection with construction, other than such markups, profit or general conditions as Landlord negotiates with its contractors on landlord's (and Burnett's) own behalf and that, in any event, Landlord's general contractor's (or construction manager's) overhead, fee (including profit) and general conditions for such work shall not exceed fifteen percent (15%) of the total construction costs. Such overhead, profit and general conditions shall not include any profits payable to Landlord. Landlord shall be reimbursed by such general contractor or construction manager of Landlord for out-of-pocket payments made or actual expenses incurred by Landlord in connection with such construction, such as utility and hoisting costs during construction, solely out of the general conditions payable to such general contractor or construction manager. By written notice not later than ten (10) days following receipt of Landlord's price, Tenant shall have the right to require Landlord to submit such work for competitive bids as provided in Paragraph 4.I. hereof, and Tenant shall receive a copy of all bids as received by Landlord. The prices agreed to pursuant to this Paragraph 4.G or Paragraph 4.I. shall be confirmed in writing by Landlord and Tenant prior to the commencement of construction of such work.

H. Payment and Application of Allowance. To the extent the cost of all the Additional Work exceeds the Allowance, Tenant shall pay to Landlord such excess as provided in this Paragraph 4.H. For payment purposes only, such excess shall be estimated based upon the Landlord's reasonable estimate of the total cost of all work to be performed pursuant to Paragraphs 4.B., 4.C. and 4.D. for the amounts stated in Paragraph 4.G. If such estimated excess is greater than or equal to ten percent (10%) of the Allowance , such estimated excess shall be paid by Tenant from time to time during construction (after Landlord has expended $16.50 per RSF of the Premises on Additional Work) base don the percentage of completion of the work within ten (10) days after Tenant's receipt of invoices, contractors' sworn statements and lien waivers therefor but no sooner than five (5) days prior to Landlord's payment date for such invoices. If such estimated excess is less than ten percent (10%) of the Allowance, the actual excess shall be paid by Tenant after the Full Delivery Date within fifteen (15) days after Tenant's receipt of invoices, contractor's sworn statements and lien waivers for the work to be performed pursuant to paragraph 4.B. Tenant shall be entitled to apply to such excess any credit due Tenant in accordance with Exhibit D. If required by Landlord's mortgage lender, Tenant's obligation to pay such excess shall be confirmed in writing by Tenant and Tenant shall provide such reasonable evidence of available funds to pay for such excess as Landlord's lender may reasonably request. Landlord shall submit all invoices, contractors' sworn statement and lien waivers to Tenant when submitted to the Architect and at least twenty (20) days prior to the scheduled payment date for such invoices. Tenant will be permitted to withhold that portion of the final payment which, in Tenant's reasonable estimate is necessary to pay for the completion of "punch list" items existing as of the date of the final invoice.

I. Tenant's Right to Require Competitive Bids. By written notice not later than (x) five (5) days after Tenant's receipt of Landlord's preliminary cost estimate for the work, as provided in Paragraph 4.F. (iii) hereof or (y) not later than five (5) days after Tenant's receipt of Landlord's construction cost pricing as provided in Paragraph 4. G., Tenant shall have the right to require Landlord's general contractor or construction manager for tenant improvements to solicit bids from up to two (2) additional contractors for any subcontracted work. Such additional subcontractors will be selected from a pre-approved list prepared by Tenant and Landlord when Tenant notifies Landlord that it will require such additional bids. If either or both of such additional bids are lower than the original subcontractor's bid, Tenant ay, by written notice to Landlord not more than five (5) business days after receipt of such bids, select one of the lower bids and Landlord shall cause such subcontractor to be retained to perform the subcontracted work. The prices agreed to pursuant to this Paragraph 4.I. or pursuant to Paragraph 4.,G. shall be confirmed in writing by Landlord and Tenant prior to commencement of the construction of the work.

J. Tenant Delays. The term "Tenant Delay" shall mean that portion of a delay which (i) is not an Unavoidable Delay, and (ii) is caused by Tenant's act or omission, including without limitation:

(a) Tenant's failure to furnish information or drawings, plans and specifications as specified in this Paragraph 4;

(b) Tenant's failure to make any required decision within the time period required for such decision in this Paragraph 4;

(c) Tenant's request for materials, finishes or installations other than or in excess of Landlord's Building Standard Work which have delivery or installation dates which will not permit completion by April 1, 1989, provided that, prior to approving such request, Landlord notifies Tenant that such request will not permit completion by April , 1989;

(d) Tenant's changes in any drawings, plans and specifications after Landlord's approval thereof, to the extent not caused by errors or omissions of Landlord; and

(e) The performance of any other work in the Premises by any person, firm or corporation employed by or on behalf of Tenant (other than Landlord, its agents or contractors or such subcontractors as are retained pursuant to Paragraph 4.I. above).

It shall be a condition of the right to claim a tenant Delay that Landlord notify Tenant within ten (10) days after Landlord or an officer of Landlord's beneficiary or such beneficiary's construction supervisor learns of a delay which is a Tenant Delay. "Tenant Delay" shall not include (i) the time taken by subcontractors to submit additional bids, if so requested by Tenant in accordance with Paragraph 4.I., or (ii) any delay period which would in any event (if the Tenant Delay had not occurred) have resulted from an Unavoidable Delay or from any other cause, unless the Tenant Delay is the primary cause of such other cause and shall be reduced by an amount of time equal to any actual time saved by Tenant in meeting subsequent deadlines earlier than required.

K. Original Premises Only. This Paragraph 4 shall apply only to the Premises as determined pursuant to paragraph 1 hereof and shall not be applicable to any space subsequently added to the Premises, whether by option or right of first refusal under this Lease or otherwise, or to any portion of the Premises upon a renewal or extension of the Term of this Lease, whether by option under this Lease or otherwise, except that any unused portion of the Loan and any unused portion of the credit to Tenant pursuant to Exhibit D shall be available to Tenant for space subsequently added to the Premises.

L. Standard of Care. Landlord shall proceed diligently to commence and construct the Premises in accordance with this Paragraph 4. Landlord warrants to Tenant that all improvements constructed by Landlord on each floor of the Premises pursuant to this Paragraph 4 shall be free from defects in material and workmanship for the longer of (a) one (1) year following the delivery of such floor of the Premises, and (b) the warranty period granted Landlord by any manufacturer., supplier, contractor, subcontractor, or similar party with respect to such material and workmanship. Landlord’s liability for such construction, whether under this Lease or otherwise shall be limited to replacement of improvements which Tenant claims to be defective by written notice to Landlord given not later than the end of such one (1) year period or thirty (30) days before the end of such other warranty period, as the case may be. Under no circumstances shall Landlord be liable for consequential or incidental damages, nor shall Landlord be liable for damages caused by Tenant’s unreasonable use of or damage to the improvements.

5. USE OF THE PREMISES.

A. Reserved Areas. This Lease does not give Tenant any right to use, and Landlord hereby excludes and reserves for its sole and exclusive use, the following areas in and about the Premises: janitor closets, stairways and stairwells, fan, mechanical, electrical, telephone and similar rooms (other than those installed for Tenant’s exclusive use); elevator, pipe and other vertical shafts, flues and ducts; all areas above the acoustical ceiling and below the finished floor covering installed in the Premises (other than as required for construction and operation of the Premises and the operation of the Premises and the operation of Tenant’s business in the Premises); all other structural or mechanical elements serving other areas of the Building; and, subject to the terms of Paragraph 27.G. hereof, all subterranean, mineral, air, light and view rights. Landlord shall use such reserved areas at reasonable times and shall use its best efforts not to interfere materially with Tenant’s use and enjoyment of the Premises. Notwithstanding the foregoing reservation by Landlord, Tenant shall be permitted the reasonable use of such areas of the Building as are necessary for the connection and operation of the communications services and equipment for the Premises, and shall be permitted to use the emergency access stairways between the floors of the Premises for access between such floors, to the extent such use is lawful. Tenant shall have the right to use and enjoy the access areas and common areas of the Land and building to the same extent as other tenants.

B. Permitted Use. Tenant shall use and occupy the Premises as law offices and any other lawful purposes consistent with first-class office buildings.

C. Compliance with Laws.

(i) Tenant shall not use or permit the use of any part of the Premises for any purpose prohibited by law. Tenant shall, at its sole expense, and subject to Landlord's compliance with subparagraph (ii) below, comply with and conform to all of the requirements of all governmental authorities having jurisdiction over the Building which relate in any way to the particular improvements, use and occupancy of the Premises by Tenant throughout the entire Term of this Lease.

(ii) Landlord shall not use or permit the use of any part of the Premises, Building or Land for any purpose prohibited by law. Landlord represents and Burnett warrants to Tenant that upon completion of the Building and Premises in accordance with the Building Plans, the Premises and Building will be in compliance with all applicable laws, ordinances and regulations.

6. POSSESSION.

A. Possession of the Premises shall be tendered to Tenant by Landlord when Landlord has substantially completed its express obligations hereunder to improve the Premises and the Building.

B. For purposes hereof, Landlord's obligations to substantially complete the Premises shall be deemed to be met when the Premises are completed as specified in the Building Plans and in the Plans (except for any work such as telephones and shelves which the Landlord does not install), notwithstanding the fact that minor or insubstantial details of construction or mechanical adjustment remain to be performed, provided that the noncompletion of such items does not materially interfere with Tenant's use of or access to the Premises or the ability of tenant to prepare the Premises for Tenant's occupancy. The joint determination of Landlord's Architect for the Building and ISD, or such other architect space planner or other building design professional as Tenant shall appoint and Landlord shall reasonably approve ("Tenant's Space Planner"), shall be final and conclusive on the parties as to whether such obligations have been substantially completed; Tenant shall have access to the Premises for a period of thirty (30) days prior to the Commencement Date for purposes of installing equipment and furnishings, and such access shall be given when the Building and Premises are sufficiently complete to permit such work to be done in an orderly manner and to protect such work.

C. The Tenant's taking possession of any portion of the Premises shall be conclusive evidence that such portion of the Premises was in good order and satisfactory condition when the tenant took possession, except as to latent defects and defects contained on a punch list to be prepared and signed by Landlord and Tenant based on an inspection made prior to the date on which Tenant takes possession of such portion of the Premises. Tenant may reserve objections by including such items on the punch list, even if Landlord does not agree with such objections. Such taking possession and delivery of a punch list shall not limit or affect Landlord's warranty set forth in Paragraph 4.I. hereof. Landlord shall proceed with due diligence to complete all agreed punch list items and to correct latent defects promptly after discovery thereof. No promise of the Landlord to construct, alter, remodel or improve the Premises or the Building and no representation by Landlord or its agents respecting the Condition of the Premises or the Building have been made to Tenant or relied upon by Tenant other than as may be contained in this Lease.

7. SERVICES.

A. List of Services. Landlord shall provide the following services on all days during the term, unless otherwise stated:

(i) Heating and air conditioning, including circulation of conditioned air, when necessary for normal comfort in the Premises, from Monday through Friday, during the period from 8 a.m. to 6 p.m. and on Saturday during the period from 8 a.m. to 1 p.m., excepting legal holidays. The term "legal holidays" for the purposes of this Lease means New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Landlord's obligations with respect to heating and air conditioning are subject to all governmental rules, regulations and mandatory guidelines applicable thereto and Landlord shall not reduce the hours or standard of heating air conditioning or ventilating services unless required to do so by applicable governmental rules, regulations, laws or ordinances. If Tenant shall require heating, ventilating or air conditioning at any time other than as set forth in this Paragraph 7.A.(i) ("after-hours), Landlord shall furnish such after-hours service upon at least one (1) hour advance notice from any employee authorized by Tenant to furnish such notice. Tenant shall pay for such after-hours service at Landlord's reasonable actual cost of furnishing same. In the event the after-hours service is requested and shared by other tenants, Tenant's share of such costs shall be appropriately reduced. Landlord estimates, without guaranteeing or promising the same, that the cost of after-hours air conditioning will be between $55.00 and $75.00 per hour for one floor in 1986 dollars and that the cost for additional floors shall be less than the cost for the initial floor.

(ii) Adequate electrical wiring and facilities for equipment and fixtures installed in accordance with the Building Plans and Plans and for Tenant's incidental uses. Tenant shall bear the cost of replacement of all lamps, tubes, ballasts and starters for lighting fixtures at competitive prices. With respect to such incidental uses, adequate electrical wiring and facilities will be furnished in the Premises by Landlord, provided that (a) the connected electrical load of the incidental use equipment does not exceed an average of three (3) watts per square foot of the Premises; (b) the electricity so furnished for incidental uses will be at a nominal 120/208 volts and no electrical circuit for the supply of such incidental use will have a current capacity exceeding 20 amperes; and (c) such electricity will be used only for equipment and accessories normal to office usage. The maximum capacity of the total electrical service to the Premises to be supplied by Landlord shall be five (5) watts per RSF. If Tenant's requirements for electricity for incidental uses or for maximum capacity are in excess of those set forth in the preceding sentences, the Landlord reserves the right to require Tenant to install the conduit, wiring and other equipment necessary to supply electricity for such excess incidental use requirements at the Tenant's expense by arrangement with Commonwealth Edison Company or another approved local utility.

(iii) Heated and unheated city water from the regular Building outlets for drinking, lavatory (including showers, if installed) and toilet purposes.

(iv) Janitorial services as specified in Exhibit F attached hereto and made a part hereof.

(v) Window washing of the inside and outside of those windows in the Building's perimeter walls which are situated in the Premises at intervals to be determined by Landlord, but not less than four (4) times per year.

(vi) Adequate automatic passenger elevator service at all times (and such adequate service shall mean and include (i) at all times at least two (2) passenger elevators shall be available for call to the Premises, (ii) during business hours all passenger elevators in the high rise elevator bank shall be available for call to the Premises (subject to normal maintenance and repairs), (iii) Floor 35 shall be the lowest floor in the high rise elevator bank, and (iv) if elected by Tenant, the provision of the elevator service described in Paragraph 28.D. hereof).

(vii) Freight elevator service for normal office deliveries during regular business hours, subject to scheduling by Landlord. If Tenant shall request after-hours use of the freight elevator, Tenant shall pay for such after-hours service at Landlord's actual cost of furnishing same.

(viii) Building directory with one line for Tenant for every 400 RSF in the Premises from time to time, but not to exceed 1000 lines.

(ix) Security services as are customarily furnished by other landlords of other first-class office buildings in the City of Chicago.

(x) Maintenance of interior and exterior common areas of the Building consistent with maintenance of other first-class office buildings in the City of Chicago.

B. Billing for Electricity.

(i) Separate Metering. Tenant shall pay for the use of all electrical service to the Premises (other than the electrical service necessary for Landlord to fulfill its obligation to provide heating and air conditioning as provided in Subparagraph 7A(i) hereof) provided that Landlord can make satisfactory arrangements with the utility company supplying electricity to the Premises for separate metering and billing. Tenant shall be billed directly by such utility company and Tenant agrees to pay each bill promptly in accordance with its terms. In the event that for any reason Tenant cannot be billed directly, Landlord shall forward each bill received by it with respect to the Premises to Tenant and Tenant shall pay it promptly in accordance with its terms.

(ii) Lack of Separate Metering. If the Premises cannot be separately metered for any reason, Tenant shall pay Landlord as Additional Rent, in monthly installments at the time prescribed for monthly installments of Rent, an amount, as reasonably estimated by Landlord from time to time, and based upon evaluations made by an engineer selected by Landlord and approved by Tenant, which Tenant would pay for such electricity if the same were separately metered to the Premises by the local electric utility company and billed to Tenant at such utility company's then current rates, but, in any event, without markup or profit to Landlord.

C. Interruption of Services.

Except for the limited abatement of Rent upon a fire or casualty described in Paragraph 12, and except as provided in the succeeding provisions of this Paragraph 7.C., Tenant agrees that Landlord shall not be liable in damages, by abatement of Rent or otherwise, for failure to furnish or delay in furnishing any service, or for any diminution in the quality or quantity thereof, when such failure or delay or diminution is occasioned, in whole or in part, by repairs, renewals, or improvements, by any strike, lockout or other labor trouble, by inability to secure electricity, gas or other fuel, or water, at the Building after reasonable effort so to do, by any accident or casualty whatsoever, by act or default of Tenant or other parties, or by any cause beyond Landlord's reasonable control. Except as hereinafter stated, such failures or delays or diminution shall never be deemed to constitute an eviction or disturbance of Tenant's use and possession of the Premises or relieve Tenant from paying Rent or performing any of its obligations under this lease. Unless such repairs, renewals or improvements can be made during business hours without material interference with Tenant's business operations, Landlord shall make such repairs, alterations, or replacements during non-business hours. Landlord further agrees, where practical, to notify Tenant in advance prior to the cessation of such service, and to estimate the duration of such cessation.

If Landlord ceases to furnish any of the services referred to in this Paragraph 7 and if (i) Landlord does not cure such failure within five (5) days after written notice from tenant to Landlord that Tenant intends to procure such services and (ii) tenant does not interfere with the use and enjoyment of the Building by other tenants, Tenant may procure such services from another source until such time as Landlord furnishes such service to Tenant and Landlord shall pay on demand the reasonable amount by which the cost of such service exceeds what such cost would have been to Tenant if Landlord had provided such service.

If Landlord ceases to furnish any of the services referred to in this Paragraph 7 or such services are interrupted, and if (i) such cessation does not arise as a result of an act or omission of Tenant (ii) such cessation does not arise as a result of a matter or condition affecting two or more city blocks, such as a city-wide power outage, (iii) as a result of such cessation, the Premises, or any floor within the Premises, is rendered untenantable (meaning a lack of elevator access or the inability to use any or all of the floor(s) within the Premises in the normal course of its business) and Tenant in fact so ceases to use such floor(s) for the normal conduct of its business, and (iv) such cessation continues for a period of seventy-two (72) consecutive hours, then, in addition to any other remedies that may be available to Tenant, the Rent payable hereunder shall be equitably abated based upon the percentage of the space in the Premises so rendered untenantable and not being used by Tenant. If such cessation was caused by Landlord's negligence or willful misconduct or was susceptible of being cured by reasonable and prompt action by Landlord and Landlord failed to cure such cessation within such 72-hour period or such longer period as may be reasonably required, Landlord shall reimburse Tenant on demand for all direct damages, such as the cost of relocating or obtaining temporary telephone or other office services, but not consequential damages, incurred by Tenant as a result thereof. The foregoing abatement of Rent shall become effective as of the first business day following the day the affected floors) become(s) untenantable and Tenant ceases to use such floors) for the normal conduct of its business.

D. Charges for Services. Except as otherwise provided herein, the cost of providing all services required to be provided by Landlord shall be included in Operating Expenses. Charges for any service for which Tenant is required to pay directly, from time to time hereunder, including but not limited to hoisting services after-hours or during construction of the Premises or after-hours heating or air conditioning shall be due and payable ten (10) days after billing. There shall be no charge for freight elevator service in connection with Tenant's move-in of its furniture and personal property, but the cost of elevator and hoisting service in connection with the construction of Tenant's improvements will be payable by Tenant.

E. Energy Conservation. Notwithstanding anything to the contrary in this Paragraph 7 or elsewhere in this Lease, Landlord shall have the right to institute such policies, programs and measures on a Building-wide basis (i) with Tenant's reasonable consent, as may be necessary or desirable, in Landlord's reasonable judgment, for the conservation and/or preservation of energy or energy related services, or (ii) as may be required to comply with any applicable codes, rules and regulations.

8. REPAIRS.

(i) Tenant will, at Tenant's own expense, and subject to Landlord's compliance with its obligations in subparagraph (iii) below, keep the Premises in good order, repair and condition at all times during the Term, and Tenant shall promptly and adequately repair all damage to the Premises and replace or repair all damaged or broken fixtures and appurtenances, under the supervision and subject to the approval of the Landlord, and within any reasonable period of time specified by the Landlord. If Tenant does not do so, Landlord may, upon five (5) days' notice to Tenant or without notice in the case of emergencies, but need not, make such repairs and replacements, and Tenant shall pay Landlord the reasonable cost thereof, forthwith upon being billed for same.

(ii) Landlord may, but shall not be required to, enter the Premises at all reasonable times to make such repairs, alterations, improvements and additions to the Premises or to the Building or to any equipment located in the Building as Landlord shall desire or deem necessary or as Landlord may be required to do by governmental authority or court order or decree; provided, however, that Landlord shall make such repairs, alterations, improvements and additions with minimal interference with Tenant's use of the Premises and Landlord shall leave the portion of the Premises affected by such work in broom-clean condition upon the completion of such work. To the extent possible, Landlord will cause any unusually disruptive activities to be conducted outside of normal business hours.

(iii) Landlord will, at Landlord's expense, keep the Land, Building and Building systems in good order, repair and condition at all times during the Term, and Landlord shall promptly and adequately repair all damaged or broken fixtures upon thirty (30) days' notice to Landlord or without notice in case of emergencies and without unreasonable interference to the use of the Building and other tenants, Tenant may, but need not make such repairs and replacements, and, in addition to any other remedies Tenant may have hereunder, Landlord shall reimburse Tenant for the reasonable cost thereof, forthwith upon being billed for same.

9. ADDITIONS AND ALTERATIONS.

A. Tenant shall not, without the prior written consent of Landlord, make any alterations, improvements (except normal decorating) or additions to the Premises. Landlord's consent shall not be unreasonably withheld so long as such alterations, improvements and additions are consistent with the permitted uses of the Premises set forth in Paragraph 5.B. hereof and do not adversely affect the mechanical, electrical or structural components or common systems of the Building. If Landlord consents to said alterations, improvements or additions, Landlord may impose such reasonable conditions with respect thereto as Landlord deems appropriate, including, without limitation, requiring Tenant to furnish Landlord with insurance against liabilities which may arise out of such work, plans and specifications plus permits necessary for such work and "as-built" drawings or an accurately marked record set of drawings showing the actual location of said alterations, improvements and additions. The work necessary to make any alterations, improvements or additions to the Premises, whether prior to or subsequent to the Commencement Date, shall be done at Tenant's expense by contractors which are reasonably acceptable to Landlord. Tenant shall promptly pay when due, the cost of all such work and of all decorating required by reason thereof. Tenant shall pay to Landlord all reasonable actual costs incurred by Landlord by reason of Landlord's involvement with such work, including without limitation, costs and expenses incurred by Landlord to have such work inspected. All work done pursuant to Paragraph 8 or 9 shall be done in a first-class workmanlike manner using only good grades of materials and shall comply with all insurance requirements and all applicable laws and ordinances and rules and regulations of governmental departments or agencies.

B. All alterations, improvements and additions to the Premises, except Tenant's Work that is actually removed by Tenant, whether temporary or permanent in character, made or paid for by Landlord or Tenant, shall without compensation to Tenant become Landlord's property at the termination of this Lease by lapse of time or otherwise and shall be relinquished to Landlord in good condition, ordinary wear and tear and casualty damage referred to in Paragraph 12 excepted. Tenant shall remove certain alterations, improvements and additions on or before the termination of this Lease if (i) Landlord requests their removal, (ii) such items are not standard demising walls or other typical office improvements and (iii) Landlord notified Tenant at the time Landlord approved the installation of such items that Landlord reserved the right to require such removal (in which case Tenant shall remove the same as provided in Paragraph 17).

10. COVENANT AGAINST LIENS.

Tenant has no authority or power to cause or permit any lien or encumbrance of any kind whatsoever, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Land, Building or Premises, and any and all liens and encumbrances created by Tenant shall attach to Tenant's interest only. Except for work or services performed, or materials furnished, by Landlord or its contractors with respect to which Tenant has paid any amounts due to Landlord hereunder, Tenant covenants and agrees not to suffer or permit any lien of mechanics or materialmen or others to be placed against the Land, Building or the Premises with respect to work or services claimed to have been performed for or materials claimed to have been furnished to Tenant or the Premises, and, in case of any such lien attaching, or claim thereof being asserted, Tenant covenants and agrees within ten (10) business days of learning thereof to cause it to be released and removed of record or to be bonded over by a title insurer or surety reasonably satisfactory to Landlord; provided however, that Tenant shall have the right to contest in good faith and with reasonable diligence the validity of any such lien or claim upon furnishing Landlord with such security with respect to such lien or claim as may be acceptable to Landlord in its reasonable discretion. In the event that such lien is not immediately released and removed, or bonded over, or having commenced to contest the same and having given such security, if Tenant shall fail to prosecute such contest with due diligence or fail to maintain such security, Landlord, at its sole option, may take all action necessary to release and remove such lien (without any duty to investigate the validity thereof) and Tenant shall promptly upon notice reimburse Landlord for all sums, costs and expenses (including reasonable attorney's fees) incurred by Landlord in connection with such lien.

11. INSURANCE.

A. Waiver of Subrogation. Landlord and Tenant each hereby waive any and every claim for recovery from the other for any and all loss of or damage to the Building or Premises or to the contents thereof, which loss or damage is insurable by insurance policies generally available from time to time during the Term. Inasmuch as this mutual waiver will preclude the assignment of any such claim by subrogation (or otherwise) to an insurance company (or any other person), Landlord and Tenant each agree to give to each insurance company which has issued, or in the future may issue, to it policies of physical damage insurance, written notice of the terms of this mutual waiver, and to have said insurance policies properly endorsed, if necessary, to prevent the invalidation of said insurance coverage by reason of said waiver. In the event either party's insurer shall refuse to permit such waiver or agreement even with an additional charge, then, so long as the addition of the other party as an additional named insured is permitted and does not reduce the amount recoverable under the terms of the policy by the insuring party or otherwise adversely affect the insurance coverage, the insuring party shall add the other party as an additional insured. If either party's insurer shall refuse both to permit such waiver or agreement even with an additional charge and to name the other party as an additional insured without adversely affecting the insurance coverage, then, in order to permit the other party to obtain alternative insurance, the mutual waivers contained in the first sentence of this Paragraph 11.A. will continue to be effective for a period of ten (10) days after the other party has been provided with written notice of the insurer's refusal.

B. Tenant's Coverage. Tenant shall purchase and maintain insurance during the entire Term for the benefit of Tenant and Landlord (as their interest may appear) with terms, coverages and in companies satisfactory to Landlord, and with such increases in limits as Landlord may from time to time reasonably request,, but initially Tenant shall maintain the following coverages in the following amounts:

(i) Comprehensive General Liability Insurance naming Tenant, Landlord, Landlord's beneficiary and Landlord's management agent covering any liability for bodily injury, personal injury and property damage arising out of Tenant's operations, assumed liabilities or use of the Premises, for limits of liability not less than:

Combined Single Limit	$3,000,000 each occurrence
Bodily Injury and	$3,000,000 annual aggregate
Property Damage Liability	
Personal Injury Liability	$3,000,000 annual aggregate

(ii) Physical Damage Insurance covering all office furniture, trade fixtures, office equipment, merchandise and all other items of Tenant's property on the Premises. Such insurance shall be written on an "all risks" of physical loss or damage basis, for the full replacement cost value of the covered items subject to a reasonable deductible and in amounts that meet any coinsurance clause of the policies of insurance.

(iii) "Dram-shop" Insurance naming Tenant, Landlord, Landlord's beneficiary and Landlord's management agent covering any liability that might arise from the provision or use of alcoholic beverages by Tenant on the Premises in an amount reasonably satisfactory to Landlord from time to time in light of statutory limits.

Tenant shall, prior to the commencement of the Term, furnish to Landlord certificates evidencing such coverage, which certificates shall state that such insurance coverage may not be changed or cancelled without at least ten (10) days' prior written notice to Landlord and Tenant.

C. Landlord's Coverage. Landlord hereby agrees to insure the Building and all portions of the Premises not required to be insured by Tenant during the Term on an "all risks" of physical loss or damage basis, in an amount that meets any coinsurance clauses of the policy and is equal to one hundred per cent (100%) of the full replacement cost of the Building (including all tenant improvements which will become the property of the Landlord upon termination of Tenant's lease but excluding the cost of foundation, excavation and footings below the lowest basement floor) subject to a reasonable deductible. Landlord shall deliver to Tenant, certificates of such insurance in form reasonably satisfactory to Tenant, which certificates shall in each case state that such insurance may not be cancelled without at least ten (10) days' prior written notice to tenant.

D. Avoid Action Increasing Rates. Tenant shall comply with all applicable laws and ordinances, all orders and decrees of court and all requirements of other governmental authorities, and shall not, directly or indirectly, make any use of the Premises which may thereby be prohibited or be dangerous to person or property or which may jeopardize any insurance coverage or may increase the cost of insurance or require additional insurance coverage. If by reason of the failure of Tenant to comply with the provisions of this Paragraph 11.D., any insurance premiums are increased, Tenant shall make immediate payment of the increased insurance premium.

E. Unobtainability. In the event that either Landlord or Tenant is unable, after reasonable effort, to obtain or maintain the types and amounts of insurance required under this Paragraph 11, such party shall obtain and maintain at least such insurance as is commonly maintained by similarly situated tenants or landlords, as the case may be, in first-class office buildings in the City of Chicago and shall promptly notify the other party of such reduced coverage.

12. FIRE OR CASUALTY.

A. Paragraph 8 hereof notwithstanding, if the Premises or the building (including machinery or equipment used in its operation) shall be damaged by fire or other casualty, and if this Lease is not terminated by Landlord or Tenant as described in this Paragraph as a result thereof, Landlord shall repair and restore the same with reasonable promptness, subject to reasonable delays for insurance adjustments and delays caused by matters beyond Landlord's reasonable control, but if Landlord had in force at the time of loss insurance in full compliance with Paragraph 11.C. hereof, then Landlord shall not be obligated to expend therefor an amount in excess of the proceeds of insurance recovered with respect thereto plus the deductible amount then carried by Landlord. Landlord shall give Tenant, within forty-five (45) days of any such damage, Landlord's reasonable estimate of the time necessary to make the required repairs. If at any time after December 31, 2009 any such damage renders all or a substantial portion of the Building untenantable and Landlord reasonably estimates the time required for repair and restoration to be in excess of one year from the date of such fire or other casualty, and Landlord elects not to repair or restore the Building to its prior condition and configuration, Landlord shall have the right to terminate this Lease as of the date of such damage (with appropriate prorations of Rent being made for Tenant's possession subsequent to the date of such damage of those tenantable portions of the Premises) upon giving written notice to Tenant at any time within forty-five (45) days after the date of such damage. Rent shall abate on those portions of the Premises as are, from time to time, untenantable as a result of damage by fire or other casualty and Landlord shall notify Tenant thirty (30) days prior to the date when such abatement period shall end and the Premises shall no longer be untenantable. For the purposes of this Lease, a portion of the Premises shall be deemed to be untenantable if such portion cannot reasonably be used for the normal conduct of Tenant's business or if adequate elevator access thereto is not available.

B. If a material part of the Premises or a material part of any portion of the Building which serves the Premises (for example, common areas or Building systems) shall be rendered untenantable by fire or other casualty, and this Lease shall not have been terminated by Landlord as provided in Paragraph 12.A. Landlord shall notify Tenant within forty-five (45) days after the date of such fire or other casualty of its reasonable estimate of the amount of time necessary to make the required repairs and tender the Premises to Tenant from the date of such fire or other casualty. If Landlord's estimate is in excess of one year from the date of such fire or other casualty, or, if the fire or casualty occurs within two (2) years of the end of the Term and Landlord's estimate is in excess of ninety (90) days from the date of such fire or other casualty, then Tenant, within sixty (60) days after the date of such fire or other casualty may serve notice on Landlord of its intention to terminate this Lease. If Tenant delivers such election to terminate, this Lease shall terminate on the date of delivery of such notice as if such termination date were the expiration of the Term.

C. Landlord shall repair and restore only those alterations, additions or improvements in the Premises or the decorations thereto which were provided by Landlord at the beginning of the Term or consented to by Landlord thereafter pursuant to Paragraph 9 hereof. If Tenant desires any other repairs or restoration which would constitute upgrading of the Premises and if Landlord consents thereto, the same shall be done at Tenant's sole cost and expense subject to all of the provisions of Paragraphs 8 and 9 hereof. Tenant acknowledges that Landlord shall be entitled to the full proceeds of any insurance coverage carried by Landlord for damage to alterations, additions, improvements or decorations which would become Landlord's property upon the termination of this Lease.

13. WAIVER OF CLAIMS.

A. To the extent not prohibited by law, and except for the wrongful or negligent act or omission of any of them, Trustee and Burnett, and their respective partners, affiliates, officers, agents and employees shall not be liable for any damage either to person, property or business or resulting from the loss of use thereof sustained by Tenant or by other persons due to the Building or any part thereof or any appurtenances thereof becoming out of repair, or due to the happening or any accident or event in or about the Building, including the Premises, or due to any act or neglect of any tenant or occupant of the Building. Tenant further agrees that all personal property upon the Premises, or upon loading docks, receiving and holding areas, storage areas or freight elevators of the Building, shall be at the risk of Tenant only, and that, except for the wrongful or negligent acts or omissions of Trustee or Burnett, or their respective partners, affiliates, officers, agents or employees, Landlord shall not be liable for any loss or damage thereto or theft thereof. The waiver set forth in this paragraphs is intended to cover situations and occurrences not specifically addressed by this Lease, and is not intended to relieve Landlord of responsibility for the performance of Landlord's obligations under this Lease, including, without limitation the obligations of Paragraph 28.C. hereof.

B. To the extent not prohibited by law, Tenant and Tenant's partners, affiliates, officers, agents and employees shall not be liable for any damage either to person, property or business or resulting from the loss of use thereof sustained by Landlord or by other persons due to the Premises or any part thereof or any appurtenances thereto becoming out of repair, or due to the happening or any accident or event in or about the Premises, or due to any act or neglect of any other tenant or occupant of the Building.

14. NONWAIVER.

No waiver of any provision of this Lease shall be implied by any failure of Landlord or Tenant to enforce any remedy on account of the violation of such provisions, even if such violation be continued or repeated and subsequently, and no express waiver shall affect any provision other than the one specified in such waiver and that one only for the time and in the manner specifically stated. No receipt of monies by Landlord from Tenant after the termination of this Lease shall in any way alter the length of the Term or of Tenant's right of possession hereunder or after the giving of any notice shall reinstate, continue or extend the Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit or after final judgment for possession of the Premises, Landlord may receive and collect any Rent due, and the payment of said Rent shall not waive or affect said notice, suit or judgment.

15. CONDEMNATION.

A. If all or substantially all of the Land and the Building (herein in this Paragraph 15 sometimes collectively called the "Project") is taken by condemnation permanently, or for a period in excess of five (5) years, then, at the election of either party, upon notice to the other party within thirty (30) days after the party giving such notice has knowledge of the existence and extent of the taking, this Lease shall terminate as of the date of such taking.

B. If the taking is of less than substantially all of the Project or is for a period of less than the aforesaid years, and if this lease is for any reason not terminated pursuant to Paragraph 15.C. below, Landlord shall as soon as possible restore the Project as nearly as can practicably be done (including the Premises) using all of the award received by Landlord (but not in excess thereof) so as to provide to the extent reasonably possible comparable space and amenities to those enjoyed by Tenant under this Lease prior to the taking (or Tenant's Proportionate Share of the Project in case of the application of subparagraph C.(ii) below); in such event this Lease shall continue in force at the square foot rental rates and adjustment herein provided for the Premises applied to the rentable square feet of the Premises existing in the Project as restored (or Tenant's Proportionate Share of the Project in case of the application of subparagraph C.(ii) below), but rent shall abate as to periods when the Premises is untenantable as a result of such taking and work of restoration.

C. If the taking is of less than substantially all of the Project or is for a period of less than the aforesaid years, then notwithstanding Paragraph 15.B. above, Landlord and Tenant shall have the right to terminate this lease in the following circumstances:

(i) Landlord may terminate if (1) in Landlord's reasonable business judgment restoration of the Project to substantially the same size and quality is not economically justified and (2) more than ten percent (10%) of the gross area of the Building is so taken by eminent domain;

(ii) Tenant may terminate if (1) any portion of the Premises is so taken by eminent domain and (2) within sixty (60) days after such taking Landlord has not been able to provide other comparable space in the Building to temporarily add to the Premises to restore the size of the Premises to its Rentable Area prior to such taking and Landlord will not, based on landlord's estimate of the Rentable Area of the restored Building (such estimate to be delivered to Tenant not more than forty-five (45) days after such taking), be able to restore the Premises to 100% of their Rentable Area prior to such taking by a date not more than one year after the date of such taking. Landlord shall not be bound to offer Tenant more than Tenant's Proportionate Share (based on the Premises compared to the Building prior to such taking) of the restored Building and if Tenant fails to terminate this Lease as provided herein the size of the Premises and the Rent shall be reduced to such share of the restored building;

(iii) Either Landlord or Tenant may terminate this lease if the taking occurs within twelve (12) months prior to the then effective Termination Date of the Term, as it may have been extended.

D. In any of the above termination cases, such termination notice must be given not more than sixty (60) days after the taking (the taking for purposes of this Paragraph shall be the date when the taking authority requires possession) and termination must be effective for the portion not taken not less than thirty (30) or more than ninety (90) days after such notice is given. For the portion taken, the termination shall be effective as of the date of the taking. The amount of damages resulting to Landlord and Tenant respectively, and to their respective interests in and to the Building and in, to and in connection with this Lease, by reason of such exercise of the power of eminent domain, shall be separately determined and computed by the court having jurisdiction and separate awards and judgments with respect to such damages to Landlord and Tenant, respectively, and to each of their respective interests, shall be made and metered. In the event that such court shall make a single award without separately determining the respective interests of Landlord and Tenant, and if Landlord and Tenant shall not agree in writing as to their respective portions of such award within twenty (20) days after the date of the final determination by such court of the amount thereof, Landlord and Tenant agree to submit the matter to such court on stipulation for the purpose of a judgment determinative of their respective shares. Tenant shall have the right to seek a separate award, if available, for loss or damage of its business or personal property in the premises or relocation costs. Any provisions of this Lease which provide for termination of the this Lease upon a taking shall not cause Tenant's rights to any award to be less than would exist in the absence of such provisions. Notwithstanding any of the foregoing provisions of this Paragraph 15 to the contrary, Tenant's rights to receive any award (other than separate awards for business or personal property losses or relocation costs) shall be subject and subordinate to the rights of any future ground lessors and the holders of nay mortgages or trust deeds now or hereinafter in force against the Land and building with respect to such award.

16. ASSIGNMENT AND SUBLETTING.

A. Subject to any provisions of this Paragraph 16 to the contrary, Tenant shall not, without the prior written consent of Landlord, (i) assign, convey or mortgage this Lease or any interest hereunder; (ii) permit to occur or permit to exist any assignment of this Lease, or any lien upon Tenant's interest, voluntarily or by operation of law; (iii) sublet the Premises or any part thereof; or (iv) permit the use of the Premises by any parties other than Tenant and its employees and clients. Any such action on the part of Tenant shall be void and of no effect. There shall be no partial assignment of Tenant's interest in this Leases. The term "sublease" and all words derived therefrom, as used in this Paragraph 16, shall include any subsequent sublease or assignment of such sublease and any other interest arising under such sublease. Except as provided herein, Landlord's consent to any assignment, subletting or transfer or landlord's election to accept any assignee, subtenant or transferee as the tenant hereunder and to collect rent from such assignee, subtenant or transferee shall not release Tenant or any subsequent tenant from any covenant or obligation under this Lease. Landlord's consent to any assignment, subletting or transfer shall not constitute a waiver of Landlord's right to withhold its consent to any future assignment, subletting, or transfer,. Landlord may condition its consent upon execution by the subtenant or assignee of an instrument confirming such restrictions on further subleasing or assignment and joining in the waivers and indemnities made by Tenant hereunder.

B. Notwithstanding the foregoing, Tenant shall have the right to assign this Lease or any interest herein, or to sublet the Premises or any part thereof (such assignment or subletting is hereinafter referred to as a "Permitted Transfer") to (i) any successor entity of Tenant resulting from a merger or consolidation with Tenant and engaged primarily in the provision of legal services, (ii) any entity (other than an entity described in subparagraph (i)) succeeding to the legal business of Tenant, or (iii) any affiliate of Tenant which is involved in the delivery or support of legal services; provided however that any such successor or affiliated entity descried in subparagraph (ii) or (iii) shall (a) have, in the reasonable judgment of Landlord, a financial condition at least equal to Tenant, (b) not violate any of the conditions set forth in Paragraph 16.D. and (c) expressly assume all of Tenant's obligations and liabilities hereunder. Landlord's first offer rights under Paragraph 16.E. and termination rights set forth in Paragraph 16.F. hereof shall not be exercisable with respect to any Permitted Transfer.

C. If Tenant desires the consent of Landlord to an assignment or subletting, Tenant shall submit to Landlord at least thirty (30) days prior to the proposed effective date of the assignment or sublease a written notice (the "Sublease Notice") which includes:

1. All documentation then available related to the proposed sublease or assignment (copies of final executed documentation to be supplied on or before the effective date); and

2. Sufficient information to permit Landlord to determine the identity and character of the proposed subtenant or assignee and the financial condition of the proposed assignee.

D. If Landlord does not exercise its right of first offer pursuant to Paragraph 16.E. or terminate this Lease, in whole or in part, pursuant to Paragraph 16.F., it shall only withhold its consent to a proposed assignment or subletting if:

1. In the reasonable judgment of Landlord the subtenant or assignee is of a character or engaged in a business which is not in keeping with the standards maintained by Landlord in the Building;

2. In the reasonable judgment of Landlord the subtenant or assignee does not have a financial condition comparable to tenant at the time of the execution of this Lease.

3. In the reasonable judgment of Landlord the purpose for which the subtenant or assignee intends to use the subleased space is in violation of the terms of this Lease.

If Landlord consents to such an assignment, or if the assignment is a Permitted Transfer, the assigning Tenant shall be released from its obligations hereunder arising after the effective date of such assignment so long as Landlord has received an assumption agreement, in form reasonably satisfactory to Landlord, executed by such assignee assuming all of Tenant's obligations hereunder.

E. Landlord shall have a right of first offer with respect to any sublease (other than a Permitted Transfer) which Tenant proposes to make at any time during the Term. Such right shall be assigned by Landlord to Burnett. Prior to entering into a sublease of any portion of the Premises (other than a Permitted Transfer) Tenant shall give landlord written notice ("First Offer Notice") of the terms upon which Tenant is willing to make such a sublease to Landlord. Landlord shall advise Tenant in writing of Landlord's election to make such a sublease no later than fifteen (15 days after Tenant has submitted to Landlord a First Offer Notice with respect to such sublease. If Landlord fails to so exercise its right of first offer within such 15 day period, Landlord shall be deemed to have waived such right as to the proposed sublease described in such First Offer Notice, but not as to any future subleases of the same space or other space in the Premises. If Landlord waives such right, Tenant shall have the right to make a sublease with another party, but such sublease must in all material respects be on terms that are substantially identical with the terms set forth in the First Offer Notice. If Landlord does exercise such right, Tenant will promptly enter into a sublease with Burnett on the terms contained in such First Offer Notice. Tenant acknowledges that the execution and delivery of such a sublease with Burnett shall not in any way diminish or affect Tenant's obligations under this and shall not be deemed a merger which would terminate this Lease as to such space or affect the Rent payable under this lease.

F. Landlord shall have the right to terminate this Lease ("Recapture Right") in the event of a proposed assignment by Tenant of its interest in this Lease or a proposed sublease of substantially all of the Premises for all or substantially all of the remaining Term (including the 10 year renewal term) to any party other than pursuant to a Permitted Transfer, provided that landlord shall exercise such Recapture Right only if Burnett then projects that it will need to occupy all or substantially all of the Premises during the Term, including the 10 year renewal term, whether or not such renewal has then been exercised. Such Recapture Right must be exercised by Landlord, if at all, by giving written notice to Tenant of such election within thirty (30) days after landlord's receipt of the Sublease Notice proposing such assignment or sublease. If Landlord fails to so exercise its Recapture Right within such thirty (30) day period, Landlord shall be deemed to have waived its Recapture Right as to the proposed assignment or sublease described in such Sublease notice, but not as to any future proposed assignments or subleases. If Landlord does elect to exercise its Recapture Right, this Lease shall be terminated on the date proposed in the Sublease Notice for occupancy of all or substantially all of the Premises by the assignee or subtenant, as if such date were the Termination Date of this Lease.

G. If (i) Landlord has elected not to exercise the Recapture right under Paragraph 16.F., (ii) the proposed assignment will become effective prior to the end of the original twenty (20) year Term and (iii) Tenant so requests in writing as a part of the Sublease Notice for such assignment, Landlord will permit the proposed assignee to exercise Tenant's rights to extend the Term under Paragraph 32 but unless such assignment is a Permitted Transfer, such assignee may only extend the Term for a period equal to ten (10) years minus the period of time between the effective date of such assignment and the end of the original twenty (20) year Term.

H. In the event of any Permitted Transfer or in the event that Landlord consents to any assignment or sublease of any portion of the Premises, Tenant shall pay to Landlord any reasonable attorneys' fees and out-of-pocket expenses actually incurred by Landlord in connection with such assignment or sublease plus, in the case of assignments or subleases which do not constitute Permitted Transfers, fifty percent (50%) of all "Sublease Profits" (defined below) derived by Tenant from such assignment or sublease. Notwithstanding the foregoing, Landlord shall not be entitled to any Sublease Profits in the event of a sublease or assignment in connection with a Permitted transfer pursuant to Paragraph 16.B. hereof. "Sublease Profits" shall mean the entire excess, after deduction of all reasonable costs of subletting (including costs allocable to such space which were paid under this Lease for any period during which such space was vacant prior to the commencement of rental payments under such assignment or sublease), of revenues generated by the subleasing of the Premises or portions thereof over the Rent applicable thereto. All such revenues shall be applied first to reimbursement of such costs of subletting until they are paid in full. Not more than thirty (30) days after the commencement date of a sublease which will produce Sublease Profits and annually thereafter, Tenant shall furnish Landlord with a sworn statement, certified by an independent certified public accountant, setting forth in detail the computation of Sublease Profits (which computation shall be based upon generally accepted accounting principles), and Landlord, or its representatives, shall have access to the books, records and papers of Tenant in relation thereto, and to make copies thereof. Any rent net of reasonable expenses in excess of that paid by Tenant hereunder realized by reason of such assignment shall be deemed an item of such Sublease Profits. If a part of the consideration for such assignment shall be payable other than in cash, the payment to landlord shall be payable in accordance with the foregoing percentage of the cash and other non-cash considerations in such form as is satisfactory to landlord and Tenant. Such percentage of Sublease Profits shall be paid to Landlord promptly by Tenant upon Tenant's receipt from time to time of periodic payments from such assignee or subtenant or at such other time as Tenant shall realize Sublease Profits from such assignment or sublease. If such sublease or assignment is part of a larger transaction in which other assets of Tenant are being transferred, the consideration for the assignment or sublease shall be the fair market value of such assignment or sublease.

17. SURRENDER OF POSSESSION.

Upon the expiration of the Term or upon the termination of Tenant's right of possession, whether by lapse of time or at the option of Landlord as herein provided, Tenant shall forthwith surrender the Premises to Landlord in good order, repair and condition, ordinary wear and tear and casualty damage referred to in Paragraph 12 hereof excepted. Except for items which Tenant may remove, and does in fact remove, prior to the termination of this Lease, any interest of Tenant in the alterations, improvements and additions to the Premises made or paid for by Landlord or Tenant shall, without compensation to Tenant, become Landlord's property at the termination of this Lease by lapse of time or otherwise and such alterations, improvements and additions shall be relinquished to Landlord. Prior to the termination of the Term or of Tenant's right of possession, Tenant may remove Tenant's Work from the Premises. Tenant shall not have any obligation to remove, unless and to the extent required under Section 9.B., any alterations, improvements or additions, which shall include built-in furniture or shelves and all other attached items. Tenant shall pay to Landlord upon demand the cost of repairing any damage to the Premises and to the Building caused by any such removal. If Tenant shall fail or refuse to remove any property from the Premises, Tenant shall be conclusively presumed to have abandoned the same, and title thereto shall thereupon pass to Landlord without any cost either by setoff, credit, allowance or otherwise, and Landlord may at its option accept the title to such property or at Tenant's expense may (i) remove the same or any part in any manner that landlord shall choose, repairing any damage to the Premises caused by such removal, and (ii) store, destroy or otherwise dispose of the same without incurring liability to tenant or any other person.

18. HOLDING OVER.

Tenant shall pay to Landlord an amount as Rent equal to 150% of one-twelfth of the Base Rent, and 100% of one-twelfth of the Additional Rent paid by Tenant during the previous Calendar Year herein provided during each month or portion thereof for which Tenant shall retain possession of the Premises on a per diem basis or any part thereof after the expiration or termination of the Term or of Tenant's right of possession, whether by lapse of time or otherwise, and also, provided that Landlord shall have given sixty (60) days' notice to Tenant of Landlord's projected use of the Premises, Tenant shall pay all damages sustained by Landlord, whether direct or consequential, on account thereof. Notwithstanding the foregoing, in the event Tenant's holdover is caused by an event which affects the Building generally, Tenant shall not be obligated to pay the amounts set forth in this Paragraph 18 during such period, but Tenant shall be obligated to pay Rent at the rate set forth herein for the Calendar Year immediately preceding such period. The provisions of this Paragraph 18 shall not be deemed to limit or constitute a waiver of any other rights or remedies of Landlord provided herein or at law.

19. ESTOPPEL CERTIFICATE.

Landlord and Tenant each agree that, from time to time upon not less than fifteen (15) business days' prior request by the other party, to execute, acknowledge and deliver to the other party a statement in writing certifying (i) that this Lease is unmodified and in full force and effect (or if there have been modifications, a description of such modifications and that the Lease as modified is in full force and effect); (ii) whether the Term had commenced and the dates to which Rent and other charges have been paid; (iii) that the other party is not in default under any provision of this Lease, or, if in default, the nature thereof in detail; (iv) in case of certificates requested of Tenant, such further matters as are set forth on the form of estoppel certificate attached hereto as Exhibit G and made a part hereof, to the extent then true; and (v) such further matters as reasonably may be requested, it being intended that any such statement may be relied upon by any prospective assignee or sublessee of any tenant (including Tenant) of the Building, any mortgagees or prospective mortgagees thereof, any lender to Tenant, or any prospective and/or subsequent purchaser or transferee of all or a part of Landlord's interest in the Land and/or Building or of Tenant's interest in the Premises. Landlord and Tenant agree that any non-public information disclosed in any estoppel certificates delivered pursuant to this Paragraph 19 shall only be disclosed to parties having a legitimate business interest in the Building or Land.

20. OBLIGATIONS TO MORTGAGEES.

A. Subordination. This Lease is subject and subordinate to all present and future ground or underlying leases of the Land and to the lien of any mortgages or trust deeds now and hereafter in force against the Land or Building and to all renewals, extensions, modifications, consolidation and replacements thereof, and to all advances made or hereafter to be made upon the security thereof; provided, however, that such subordination is subject to delivery by Landlord of a Non-Disturbance Agreement (defined below) executed by any such mortgagee or ground or underlying lessor. At Landlord's request (and after consent from any prior mortgagee or lessor if Tenant has agreed not to so subordinate without such consent), Tenant shall execute such further instruments or assurances as Landlord may deem necessary to evidence, confirm or effectuate such subordination of this Lease thereto or, if requested, to make Tenant's interest in this Lease superior thereto. If any mortgage shall be foreclosed or property encumbered thereby is transferred in lieu of foreclosure, or if any ground or underlying lease be terminated, (i) the liability of the mortgagee or trustee hereunder or purchaser at such foreclosure sale or the liability of a subsequent owner designated as Landlord under this Lease shall exist only with respect to the period during which such trustee, mortgagee, purchaser or owner is the owner of the Land or Building and such liability shall not exist with respect to the period after further transfer of ownership and in no event shall any such party have any liability whatsoever for the acts of the Landlord prior to any such transfer or any liability for any deposits made by Tenant hereunder unless such deposits have been transferred to such party; provided however, that such party shall have liability to perform all of the Landlord's continuing obligations, if any, that have not been performed as of the date of transfer; and (ii) in return for and upon delivery to Tenant by any such mortgagee, trustee, purchaser or owner of an agreement (a "Non-Disturbance Agreement") agreeing that in the event of a foreclosure of such mortgage or the giving of a deed in lieu of foreclosure or termination of any such ground or underlying lease, this Lease shall not be terminated and Tenant may remain in possession of the Premises pursuant to the terms of this Lease and retain all of the rights, options and privileges granted to it hereunder as long as Tenant continues to perform its obligations hereunder and further agreeing that the purchaser at a foreclosure sale or transferee in the case of a deed in lieu of foreclosure or ground or underlying lessor or trustee, as the case may be, will assume all of the obligations of Landlord in such case, Tenant will agree to attorn to and recognize as Landlord, the purchaser at any foreclosure sale under any mortgage or any transferee in the case of a deed in lieu of foreclosure or any ground lessor or trustee, by executing such instruments as may be required by the mortgagee, trustee, transferee or ground lessor. Tenant shall also, as a condition to its execution of this Lease receive a Non-Disturbance Agreement from the current mortgagee of the Land and Building.

B. Notice to Landlord and Mortgagee. In the event of any act or omission by Landlord which would give Tenant the right to damages from Landlord or the right to terminate this Lease, Tenant will not sue for such damages or exercise any such right to terminate until (i) it shall have given written notice of the act or omission to Landlord and to the holder(s) of the indebtedness or other obligations secured by any mortgage or deed of trust affecting the Premises or of any ground or underlying lease, if the name and address of such holder(s) have been furnished to Tenant, and (ii) (x) in the case of monetary defaults, fifteen (15) days shall have elapsed after the passing of any cure period for such defaults as Landlord may be entitled to and such mortgagee or ground or underlying lessor shall fail to cure such default, or (y) in the case of non-monetary defaults, thirty (30) days shall have elapsed after the passing of any cure period for such defaults as Landlord may be entitled to and such mortgagee or ground or underlying lessor shall fail to cure such default; provided, however that if such default cannot be cured within such time, and if such default does not involve a condition which renders all or a material part of the Premises untenantable, and such mortgagee or ground or underlying lessor is diligently pursuing such cure, then such mortgagee or ground or underlying lessor shall have such additional time as is reasonably necessary to cure such default but not to exceed one hundred twenty (120) days.

21. CERTAIN RIGHTS RESERVED BY LANDLORD.

Landlord shall have the following rights, each of which Landlord may exercise without notice to Tenant (except that Landlord shall give reasonable notice prior to exercising such rights if it is reasonably possible for Landlord to give such notice and if Tenant’s use of the Premises would be materially adversely affected by the failure to give such notice) and without liability to Tenant for damagee, or injury to property, person or business on account of the exercise thereof, and the exercise of any such rights shall not be deemed to constitute an eviction or disturbance of Tenant’s use or possession of the Premises and except as otherwise provided for in this Lease shall not give rise to any claim for set-off or abatement of rent or any other claim:

(i) Subject to Tenant’s approval, which shall not be unreasonably withheld, to change the name or street address of the Building to any name other than 35 West Wacker Drive or the Leo Burnett Building. It shall not be unreasonable for Tenant to withhold its approval to any name which would publicize the name of another tenant providing legal services or would materially adversely affect Tenant’s image or business. In the event that Landlord changes the name of the Building after the date of this Lease, Landlord shall reimburse Tenant for all reasonable out-of-pocket expenses incurred by Tenant in connection with such change.

(ii) To install, affix and maintain any and all signs on the exterior or interior of the Building, subject to the following conditions: (w) there shall be no illuminated signs on the top of the Building, (x) except for Burnett, no other tenant’s name shall be more prominently , displayed than Tenant's name, and no other tenant (other than tenants occupying the retail portion of the Building) shall have its name displayed on the exterior of the Building without Tenant's consent (y) no exterior signs shall be affixed in any manner which materially interferes with Tenant's view from the Premises and all exterior signage shall be consistent with that displayed in other first-class, institutional quality buildings similar to the Building, and (z) Tenant shall retain the right to affix signage to the walls of elevator lobbies on the full floors within the Premises, subject to Landlord's reasonable approval of the design and installation of such signage.

(iii) To decorate or to make repairs, alterations, additions, or improvements, whether structural or otherwise, in and about the Building, or any part thereof, and for such purposes to enter upon the Premises, and during the continuance of any of said work, to temporarily close doors, entryways, public space and corridors in the Building and to interrupt or temporarily suspend services or use of facilities, all without affecting any of Tenant's obligations hereunder, so long as the Premises are reasonably accessible and usable and provided that Landlord shall use due diligence with respect thereto. Unless such repairs or improvements can be made during business hours without material interference with Tenant's business operations, Landlord shall make such repair's or improvements after-hours.

(iv) To furnish door keys or magnetic cards for the entry door(s) in the Premises at the commencement of the Lease and to retain at all times, and to use in appropriate instances, keys to all doors within and into the Premises. Tenant agrees to purchase only from Landlord additional duplicate keys as required, to change no locks, and not to affix locks on doors without the prior written consent of the Landlord. Notwithstanding the provisions for Landlord's access to Premises, and except for wrongful or negligent acts or omissions of, or attributable to, Trustee or Burnett (including, without limitation, breaches of any obligations hereunder), Tenant relieves and releases the Landlord of all responsibility arising out of theft, robbery, pilferage and personal assault. Upon the expiration of the Term or Tenant's right to possession, Tenant shall return all keys to Landlord and shall disclose to Landlord the combination of any safes, cabinets or vaults left in the Premises.

(v) To designate and approve all window coverings used in the Building; provided that Landlord shall not change the type of window coverings permitted in the Premises from the type required prior to the Commencement Date without the approval of Tenant, which approval shall not be unreasonably withheld if Landlord shall pay any costs incurred by Tenant by reason of such change.

(vi) To approve the weight, size and location of safes, vaults, vertical files and other heavy equipment and articles in and about the Premises and the Building so as not to exceed the legal live load per square foot designated by the structural engineers for the Building, which legal live load shall be no less than fifty (50) pounds per square foot plus twenty (20) pounds per square foot for partitions, and to require all such items and furniture and similar items to be moved into or out of the Building and Premises only at such times and in such manner as Landlord shall direct in writing. Tenant shall not install or operate machinery or any mechanical devices of a nature not directly related to Tenant's ordinary use of the Premises without the prior written consent of Landlord. Movements of Tenant's property into or out of the Building or Premises and within the Building are entirely at the risk and responsibility of Tenant, and Landlord reserves the right to require permits before allowing any property to be moved into or out of the Building or Premises.

(vii) To establish controls for the purpose of regulating all property and packages, both personal and otherwise, to be moved into or out of the Building and Premises and all persons using the Building after normal office hours.

(viii) To regulate delivery and service of supplies and the usage of the loading docks, receiving areas and freight elevators.

(ix) To show the Premises to prospective tenants at reasonable times during the last twelve (12) months of the Term and, if vacated or abandoned, to show the Premises at any time and to prepare the Premises for re-occupancy.

(x) Upon reasonable notice to Tenant, to enter the Premises at any reasonable time to inspect the Premises.

(xi) To grant to any person or to reserve unto itself the exclusive right to conduct any business or render any service in the Building. If Landlord elects to make available to tenants in the Building any services or supplies, or arranges a master contract therefor, Tenant agrees to obtain its requirements, if any, therefor from Landlord or under any such contract, provided that the charges therefor are reasonable, the quality of such services or supplies is acceptable to Tenant and the services or supplies relate to the operation of the Building rather than to the operation of Tenant's business in the Building. Further, the foregoing right shall not give Landlord the right to control the computer or communication systems to be used by Tenant, or to require Tenant to participate in any shared use of a computer or communication system.

22. RULES AND REGULATIONS.

Tenant agrees to observe the rules and regulations for the Building attached hereto as Exhibit H and made a part hereof. Landlord shall have the right from time to time to prescribe additional rules and regulations which, in its judgment, may be desirable for the use, entry (provided that entry shall be permitted on a 24 hour per day, 7 days per week basis), operation and management of the Premises and Building, each of which rules and regulations and any amendments thereto shall become a part of this Lease; provided, however, that Landlord shall not prescribe or enforce such rules and regulations in a discriminatory manner as between Tenant and the other tenants in the Building. Tenant shall comply with all such rules and regulations; provided, however, that such rules and regulations shall not conflict with the terms of this Lease.

23. LANDLORD'S REMEDIES.

If default shall be made in the payment of the Rent or any installment thereof or in the payment of any other sum required to be paid by Tenant under this Lease (including the Loan) or under the terms of any other agreement between Landlord and Tenant and such default shall continue for ten (10) days after written notice to Tenant, or if default shall be made in the observance or performance of any of the other covenants or conditions in this Lease which Tenant is required to observe and perform and such default shall continue for thirty (30) days after written notice to Tenant, unless with respect to any default which cannot be cured within thirty (30) days, Tenant, in good faith, promptly after receipt of such notice shall have commenced and thereafter shall continue diligently to prosecute all action necessary to cure such default and shall complete such cure, in any event, not more than one hundred twenty (120) days after such notice; or if a default involves a hazardous condition and is not cured by Tenant as promptly as is reasonably possible upon written notice to Tenant, or if the interest of Tenant in this Lease shall be levied on under execution or other legal process, or if any voluntary petition in bankruptcy or for corporate reorganization or any similar relief shall be filed by Tenant, or if any involuntary petition in bankruptcy shall be filed against Tenant under any federal or state bankruptcy or insolvency act and shall not have been dismissed within ninety (90) days from the filing thereof, or if a receiver shall be appointed for Tenant or any of the property of Tenant by any court and. such receiver shall not have been dismissed within ninety (90) days from the date of his appointment, or if Tenant shall make an assignment for the benefit of creditors, or if Tenant shall admit in writing Tenant's inability to meet Tenant's debts as they mature, then Landlord may treat the occurrence of any one or more of the foregoing events as a breach of this Lease, and thereupon at its option may, upon notice to Tenant, have any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein:

(i) Landlord may terminate this Lease and the Term created hereby, in which event Landlord may forthwith repossess the Premises and be entitled to recover forthwith, in addition to any other sums or damages for which Tenant may be liable to Landlord (including the then-remaining principal balance of the Loan), as damages a sum of money equal to the excess of the "present value" of the Rent provided to be paid by Tenant for the balance of the Term over the "present value" of the fair market rent for the Premises for the balance of the Term, after deduction of all anticipated expenses of reletting, -for such period. As used herein, "present value" shall be calculated using a discount rate equal to the then current yield of United States Treasury obligations having a maturity date closest to the Termination Date. Should the "present value" of the fair market rent for the Premises, after deduction of all anticipated expenses of reletting, for the balance of the Term exceed the "present' value" of the Rent provided for in this Lease for the balance of the Term, Landlord shall have no obligation to pay to Tenant the excess or any part thereof or to credit such excess or any part thereof against any other sums or damages for which Tenant may be liable to Landlord; and

(ii) Landlord may terminate Tenant's right of possession and may repossess the Premises by forcible entry and detainer suit, by taking peaceful possession or otherwise, without terminating this Lease, in which event Landlord may, but shall be under no obligation to, relet the same for the account of Tenant, for such rent and upon such terms as shall be satisfactory to Landlord in Landlord's reasonable judgment. For the purpose of such reletting, Landlord is authorized to decorate, repair, remodel or alter the Premises, to the extent reasonably necessary to permit reletting on terms similar to the terms of this Lease. If Landlord shall fail after reasonable efforts to relet the Premises or otherwise to mitigate damages, Tenant shall pay to Landlord as damages a sum equal to the amount of the Rent reserved in this Lease for the balance of the Term payable in such amounts and at such times as Rent would otherwise be payable under the terms of this Lease. If the premises are relet and a sufficient sum shall not be realized from such reletting after paying all of the costs and expenses of all decoration, repairs, remodeling, alterations and additions and the expenses of such reletting and of the collection of the rent accruing therefrom to satisfy the Rent provided for in this Lease, Tenant shall satisfy and pay the same at such times as Rent would otherwise be payable under the terms of this Lease. Tenant shall not be entitled to any rents received by Landlord from the reletting of the Premises in excess of the Rent provided for in this Lease, except that any such excess received prior to the judicial determination of Landlord's damages shall be taken into account in determining such damages. Tenant agrees that Landlord may file suit to recover any sums falling due under the terms of this Paragraph 23 from time to time and that no suit or recovery of any portion due Landlord hereunder shall be any defense to any subsequent action brought for any amount not theretofore reduced to judgment in favor of Landlord.

24. EXPENSES OF ENFORCEMENT.

A. Tenant shall pay upon demand all Landlord's costs, charges and expenses including the fees and out-of-pocket expenses of counsel, agents and others retained by Landlord incurred in successfully enforcing. Tenant's obligations hereunder.

B. Landlord shall pay upon demand all Tenant's costs, charges and expenses including the fees and out-of-pocket expenses of counsel, agents and others retained by Tenant incurred in successfully enforcing Landlord's obligations hereunder.

25. COVENANT OF QUIET ENJOYMENT.

Landlord covenants that Tenant, on paying the Rent, charges for services and other payments herein reserved and on keeping, observing and performing all the other terms, covenants, conditions, provisions and agreements herein contained on the part of Tenant to be kept, observed and performed, shall, during the Term, peaceably and quietly have, hold and enjoy the Premises subject to the terms, covenants, conditions, provisions and agreements hereof. Landlord represents and Burnett warrants that Trustee holds clear title to the Land and Building subject only to the "Permitted Exceptions" listed on Exhibit B. Tenant shall have the right, at Tenant's option and expense, to seek to obtain a policy of leasehold title insurance insuring the leasehold estate created hereby, in such commercially reasonable amount as Tenant shall elect and subject to no exceptions other than the "Permitted Exceptions." If Tenant seeks to obtain such a policy and is unable to do so because of a matter relating to Landlord's title, or other matter not relating specifically to Tenant's identity or to a matter caused by Tenant, Tenant may terminate this Lease by written notice to Landlord, but only if Tenant gives notice of such termination within forty-five (45) days of recordation of the memorandum described in Paragraph 27.J.

26. REAL ESTATE BROKER.

Tenant represents that Tenant has dealt with (and only with) The John Buck Company ("JBC") and U.S. Equities Realty, Inc. ("U.S. Equities") as brokers in connection with this Lease, and that insofar as Tenant knows, no other broker negotiated this Lease or is entitled to any commission in connection therewith. Landlord represents that Landlord has dealt with (and only with) JBC and U.S. Equities as brokers in connection with this Lease and that insofar as Landlord knows, no other broker negotiated this Lease or is entitled to any commission in connection therewith. Landlord shall pay any commission owed to JBC in connection with this Lease and Tenant shall pay any commission owed to U.S. Equities in connection with this Lease. Tenant agrees to indemnify, defend and hold Landlord and its partners, employees, agents, their officers and partners, harmless from and against any claims made by any broker or finder including U.S. Equities based on an agreement with Tenant for a commission or fee in connection with this Lease, provided that Landlord has not in fact retained such broker or finder. Landlord agrees to indemnify, defend and hold Tenant and its partners, employees, agents, their officers and partners, harmless from and against any claims made by any broker or finder including JBC based on an agreement with Landlord for a commission or fee in connection with this Lease, provided that Tenant has not in fact retained such broker or finder.

27. MISCELLANEOUS.

A. Rights Cumulative. All rights All rights and remedies of Landlord and Tenant under this Lease shall be cumulative and none shall exclude any other rights and remedies allowed by law.

B. Interest. All payments becoming due under this Lease and remaining unpaid when due shall bear interest until paid at one percent (1%) per annum plus the Prime Rate (but in no event at a rate which is more than the highest rate which is at the time lawful in the State of Illinois).

C. Terms. The necessary grammatical changes required to make the provisions hereof apply either to corporations or partnerships or individuals, men or women, as the case may require, shall in all cases be assumed as though in each case fully expressed.

D. Binding Effect. Each of the provisions of this Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of Landlord and of Tenant, but also of their respective successors or assigns, provided this clause shall not permit any assignment by Tenant contrary to the provisions of Paragraph 16 hereof.

E. Lease Contains All Terms. All of the representations and obligations of Landlord and Tenant are contained herein and in the Exhibits attached hereto, and no modification, waiver or amendment of this Lease or of any of its conditions or provisions shall be binding upon the Landlord or Tenant unless in writing signed by Landlord or Tenant, as the case may be, or by a duly authorized agent of Landlord or Tenant, as the case may be, empowered by a written authority signed by Landlord or Tenant, as the case may be.

F. Delivery for Examination. Submission of the Lease for examination shall not bind Landlord or Tenant in any manner, and no Lease or obligations of the Landlord or Tenant shall arise until this instrument is signed by both Landlord and Tenant and delivery is made to each.

G. No Air Rights. Except as expressly provided in this Lease, no rights to any view or to light or air over any property, whether belonging to Landlord or any other person, are granted to Tenant by this Lease. Notwithstanding the foregoing, Landlord agrees that it will not, without the prior written consent of Winston & Strawn or its "Qualified Successor" for so long as Winston & Strawn or such "Qualified Successor" occupies at least 150,000 RSF of the Building under this Lease, develop or permit the development of the land legally described in Exhibit I attached hereto (the "Hotel Site") to a height (including towers, elevator penthouses and antennae) which surpasses the ceiling of the thirty-fourth (34th) floor of the Building (the "Height Restriction"). As used herein, the term "Qualified Successor" shall mean, through December 31, 2009, Tenant and any assignee or subtenant of Tenant and shall mean, at all times on and after January l, 2010, only Winston & Strawn or any successor entity of Winston & Strawn resulting from a merger or consolidation with Winston & Strawn or any entity succeeding to the business or assets of Winston & Strawn. Landlord further agrees that any conveyance of the Hotel Site by Landlord will be subject to the Height Restriction, other than a conveyance required by the City of Chicago under that certain Redevelopment Agreement, dated as of March 11, 1986 between the City of Chicago and Buck-Wexler Associates ("Redevelopment Agreement"). Tenant acknowledges that Landlord is not presently able to record the Height Restriction against the Hotel Site due to the rights of the City of Chicago under the Redevelopment Agreement. However, Landlord represents and warrants to Tenant that, pursuant to the rights of Landlord under the Redevelopment Agreement, Landlord has the ability to prevent development of a building on the Hotel Site which would exceed the Height Restriction. Landlord agrees that if the City or any other party should propose to develop a building on the Hotel Site that would exceed the Height Restriction, Landlord will, at its expense, take all legal steps to prevent construction of any portion of such building which would exceed the Height Restriction. Landlord will promptly record the Height Restriction against the Hotel Site after the rights of the City of Chicago under the Redevelopment Agreement to cause a conveyance of the Hotel Site have expired or been terminated, which recording shall effectively prohibit any owner, tenant or other party which has, or may in the future have, an interest in the Hotel Site from exceeding the Height Restriction. If the Height Restriction against the Hotel Site has not been so recorded and if the Height Restriction has been exceeded, regardless of whether or not Landlord has performed its obligations hereunder and without limiting Landlord's liability for any breach of such obligations, Tenant shall receive an annual Base Rent abatement, during the period of time in which the Height Restriction is exceeded equal to the product of (x) Five Dollars ($5.00) and (y) fifty percent (50%) of the RSF of every floor of the Premises above the 34th Floor that is lower than the highest point of the improvements on the Hotel Site.

H. Transfer of Landlord's Interest. Tenant acknowledges that Landlord has the right to transfer its interest in the Land and Building and in this Lease. Tenant agrees that in the event of any such transfer, if such transferee assumes all of Landlord's obligations hereunder, Landlord shall automatically be released from all liability under this Lease arising on or after the date of such transfer and Tenant shall look solely to such transferee for the performance of Landlord's obligations arising hereunder on or after such date. Notwithstanding any such transfer, Burnett shall continue to be personally liable for the specific obligations described in the last sentence of Paragraph 31.B. hereof. Tenant further acknowledges that Landlord may assign its interest in this Lease to a mortgage lender as additional security and agrees that such assignment shall not release Landlord from its obligations hereunder and that Tenant shall continue to look to Landlord for the performance of its obligations hereunder. Tenant further agrees that if any such lender shall so require, Tenant shall execute and deliver estoppel certificates in form and substance as set forth in Exhibit G attached hereto, to the extent the matters described therein are true.

I. Landlord's Title. Subject to the terms of this Lease and Tenant's rights hereunder, Landlord's title is and always shall be paramount to the title of Tenant and nothing herein contained shall empower Tenant to commit or engage in any act which can, shall or may encumber the title of Landlord.

J. Prohibition Against Recording. This Lease shall not be recorded by Tenant or by anyone acting through, under or on behalf of Tenant, and the recording thereof in violation of this provision shall make this Lease null and void at Landlord's election, but the parties shall execute and record a memorandum hereof in the form attached hereto as Exhibit J and made a part hereof.

K. Captions. The captions of Paragraphs and subparagraphs are for convenience only and shall not be deemed to limit, construe, affect or alter the meaning of such paragraphs or subparagraphs.

L. Only Landlord/Tenant Relationship. Nothing contained in this lease shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent, partnership, joint venturer or any association between Landlord and Tenant, it being expressly understood and agreed that neither the method of computation of Rent nor any act of the parties hereto shall be deemed to create any relationship between Landlord and Tenant other than the relationship of landlord and tenant.

M. Application of Payments. In the event of a default by Tenant hereunder, Landlord shall have the right to apply payments received from Tenant pursuant to this Lease (regardless of Tenant's designation of such payments) to satisfy any obligations of Tenant hereunder, in such order and amounts, as Landlord in its sole discretion, may elect.

N. Definition of Landlord and Tenant. All indemnities, covenants and agreements of Landlord and Tenant contained herein which inure to the benefit of the other party shall be construed to also inure to the benefit of the other party's beneficiaries and their officers, partners, agents and employees.

O. Time of Essence. Time is of the essence of this Lease and each of its provisions.

P. Governing Law. Interpretation of this lease shall be governed by the laws of the State of Illinois.

Q. Partial Invalidity. If any term, provision or condition contained in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease (or the application of such term, provision or condition to persons or circumstances other than those in respect to which it is invalid or unenforceable) shall not be affected thereby, and each and every other term, provision and condition of this Lease shall be valid and enforceable to the fullest extent possible permitted by law.

28. LANDLORD'S SPECIAL AGREEMENTS.

Landlord covenants and agrees with Tenant that:

A. Parking. Tenant shall have the right to lease for the full Term its pro rata share of the remaining parking spaces in the Building made available to tenants after allocation to Burnett, at the "market rate". from time to time for parking spaces in the Building. Such pro rata share shall be a fraction, the numerator of which is the RSF of the Premises from time to time and the denominator of which is the RSF of the Building less the RSF of the premises occupied by Burnett from time to time. Notwithstanding any allocation to Burnett, Tenant shall in all events have the right to lease spaces at the rate of one (1) space per 10,000 RSF for the first 200,000 RSF of the Premises. As used in this Paragraph 28.A., "market rate" shall mean the rate at which parking spaces are available in similarly situated first-class office buildings in Chicago. Tenant may release its parking spaces, or any thereof, so leased at any time(s) on not less than thirty (30) days' notice to Landlord and shall not have any rights for the number of spaces so released at any time thereafter.

B. Telecommunication Dish. Tenant shall have the right at any time during the Term, at Tenant's expense, but without payment of Rent therefor to Landlord, to locate on the roof of the Building a telecommunication dish not to exceed eight (8) feet in diameter. (When used herein, references to the telecommunications dish shall also be deemed to include reference to other types of communication equipment which is not harmful to the Building structure or operation and which does not have a more adverse effect on the appearance of the Building than the described telecommunication dish.) The location of such dish shall be subject to the rights of any tenant who may have previously placed a telecommunication dish on the roof if Tenant's installation would interfere with the rights of such prior tenant. but Landlord shall not grant any other tenant (including Burnett) rights which would preclude Tenant's location of a telecommunication dish without first giving Tenant thirty (30) days in which to elect the location of its own dish. Tenant shall submit plans for such dish and the names of the contractors who will be installing such dish, all of which shall be subject to Landlord's reasonable approval. Tenant shall pay all costs related to the installation, operation and maintenance of such dish, including without limitation, the cost (including overhead) of any structural modifications to the Building made by Landlord and necessary, in the opinion of Landlord's structural engineer, to accommodate the dish. Tenant shall maintain the dish and shall and hereby does indemnify and defend Landlord from and against all loss, cost, liability and expense arising out of or in connection with the installation, operation, maintenance or removal of any such dish. Tenant shall, at Landlord's option, remove the dish at the expiration of the Term. Tenant shall secure all zoning and regulatory approvals necessary for the dish, at its expense. Tenant's installation of a telecommunication dish shall be subject to such rules and regulations of general applicability, which rules shall not unreasonably preclude the installation or maintenance of a telecommunication dish, as Landlord may promulgate with respect to roof top installations.

C. Building Quality. Landlord covenants and agrees that throughout the Term, the aesthetic and functional quality of the Building shall be maintained in a manner consistent with the ownership of the Building by an institutional-type owner which occupies a major portion of the Building as its headquarters office. Such quality assurance shall include maintenance performed in accordance with the guidelines as to frequency and cleaning and service standards described on Exhibit F attached hereto and made a part hereof. In all places in this Lease in which reference is made to a "first class" or similar standard as applicable to the Building or its operation, a reference to the standard described in this paragraph shall be deemed to be included therein. Landlord acknowledges that the making and performance of Landlord's covenant and agreement in this paragraph is a material inducement to Tenant in entering into this Lease.

D. Elevators. Tenant shall have the right to use in common with all tenants of Floors 35 through 47 only and their invitees, at least six (6) elevator cabs, which 6 cabs, together with the additional exclusive or common use elevator cab described in the following sentence, shall comprise all of the elevator cabs within the high rise elevator bank in the Building. In the event Tenant initially occupies at least 150,000 RSF of the Building and so long as Tenant or a subtenant of Tenant occupies such amount of space, Landlord shall, at Tenant's option, provide Tenant with either an additional common elevator or the exclusive use of one elevator cab in the high-rise portion of the Building, which exclusive elevator may be programmed, at Tenant's expense, to serve whichever of Floors 35 through 47, in whatever order, as Tenant may from time to time desire. If Tenant elects to have such exclusive elevator service, Landlord shall, at Landlord's expense, provide basic programming for such elevator so that it serves only the floors initially included in the Premises and the lobby: (Additional provisions regarding service appear in Paragraph 7.A.(vi) hereof.)

E. Storage Space. In the event Landlord makes storage space available in the Building to any tenant other than Burnett, Tenant shall have the right to lease a pro rata portion of such storage space equal to a fraction, the numerator of which is the RSF of the Premises from time to time, and the denominator of which is the RSF of the Building less the RSF of the premises occupied by Burnett from time to time. The rent for such storage space shall be at the market rate as determined from time to time by Landlord.

F. Mezzanine. Tenant shall have the right, at its sole cost and expense at any time during the Term, to construct and install a mezzanine floor above the 48th Floor, subject to the terms and conditions of Paragraph 9 of this Lease. Tenant acknowledges that installation of such a mezzanine floor may require additional elevator service beyond that which Landlord is obliged to provide under this Lease. if Tenant adds such mezzanine floor, no additional Base Rent or Additional Rent shall be payable on account of such floor, but Tenant shall pay any additional Operating Expenses and Taxes that are actually incurred because of such floor.

30. TENANT'S EXPANSION.

A. The areas referred to in the following table as the "Short-Term Growth Space," the "Five Year Space," the "Ten Year Space" and the "Fifteen Year Space" (sometimes collectively referred to as the "Expansion Space") shall in accordance with such table be added to the Premises at Tenant's Option for the remaining term of the Lease upon the same terms, covenants and conditions contained in this Lease, except as otherwise specifically provided in this Paragraph 30:

(i) Space Called	(ii) Amount of Space	(iii) Date on which Space May become part Of the Premises (subject to Paragraph 30C)	(iv) Base Rent when such space becomes part of The Premises

Ten Year Space	up to 50,000 RSF of contiguous space	First floor: January 1, 2000 – September 30, 2000 Second floor: January 1, 2000 – December 31, 2000	Current Market Rate
Fifteen Year Space	Up to 25,000 RSF of contiguous Space	January 1, 2005 – December 31, 2005	Current Market Rate

B. Landlord shall contribute $25.00 per RSF for initial construction of the Short-Term Growth Space in addition to providing the Base Building Construction provided for in Paragraph 4.A. hereof. Tenant shall accept possession of the Five Year Space in an “as-is” condition, unless such space has not been previously improved to the then current building standard specification, in which event Landlord shall, promptly after delivery of such Space, install, at Landlord's expense and pursuant to Tenant's plans, Building Standard Tenant Improvements in such Space in quantities and of the types described in Exhibit E. Except as specifically provided herein, any space added to the Premises pursuant to this Paragraph 30 shall be improved to Base Building condition and shall be delivered by Landlord to Tenant in broom clean condition, but otherwise as is, and Landlord shall have no obligation to contribute to the cost of any construction or remodeling by Tenant nor shall any work allowance be applicable to any such space.

C. With respect to each Expansion Space, Tenant must exercise its option to add all or a part of such Expansion Space by written notice to Landlord not later than October 1, 1988 with respect to the Short-Term Growth Space and, with respect to all other Expansion Space, not later than eighteen (18) months prior to the first date for delivery of any part of such floor as specified in Landlord's "Specification Notice" (as defined below), which delivery date shall be consistent with the time period set forth in Paragraph 30.A.(iii) hereof ("Tenant's Option Notice"). Tenant's Option Notice shall specify the amount of rentable area of the Expansion Space, up to the maximum applicable amount that Tenant shall add to the Premises. Except with respect to the Short-Term Growth Space, promptly after leasing such space for an appropriate term, Landlord shall give Tenant notice of the locations of all spaces that will comprise each particular Expansion Space and the dates on which such spaces will be tendered to Tenant within the period specified above (the "Specification Notice"). Each such Expansion Space initially specified shall be comprised of a full, contiguous floor or floors except to the extent otherwise required by reason of the fact that the original Premises (including any portion of the Short-Term Growth Space) was not comprised solely of full floors. In the case of all Ten Year Space and Fifteen Year Space, Landlord shall deliver to Tenant no earlier than six (6) months before the latest date for delivery of Tenant's Option Notice with respect to such Space and within thirty (30) days after Tenant's request therefor, Landlord's written estimate of the current Market Rate, as defined in Paragraph 30.H. hereof, for the Space which could be the subject of such Option Notice. If Tenant fails to request such an estimate, Landlord shall deliver such estimate not later than thirty (30) days after delivery of Tenant's Option Notice for such Space. Subject to any revision by agreement with Tenant or by arbitration pursuant to Paragraph 34, such estimate shall establish the Base Rent for the Ten Year and Fifteen Year Space. The Specification Notice may provide for delivery of Expansion Space on a partial floor basis provided (i) any portion of the Five Year Space or of the first floor of the Ten Year Space to be delivered to Tenant shall contain at least 7,500 RSF and shall constitute (itself, and with all portions of such Expansion Space previously delivered to Tenant) one undivided space except to the extent that such Expansion Space must be located on more than one floor due to the configuration of the original Premises, (ii) any portion of the second floor of the Ten Year Space or of the Fifteen Year Space to be delivered to Tenant shall contain at least 10,000 RSF and shall constitute (itself, and with all portions of such Expansion Space previously delivered to Tenant) one undivided space except to the extent that such Expansion Space must be located on more than one floor due to the configuration of the original Premises, (iii) all space to be delivered to Tenant to comprise the second floor of the Ten Year Space or the Fifteen Year Space shall be delivered within a six (6) month period after delivery of the initial portion of such Expansion Space, but not later than the outside date for delivery of such Expansion Space (or floor thereof) specified in Section 30.A.(iii) above, (iv) there may be no strip of space, used for a multitenant corridor or other tenant’s space, at any point separating the portion of the floor to be delivered to Tenant from the Building core or the outer wall on that floor and (v) with respect to the Five Year Space and the first floor of the Ten Year Space, in each such case, if (x) Tenant has elected to lease 10,000 RSF or more of such Expansion Space, (y) the initial portion of such Expansion Space delivered to Tenant contains less than 10,000 RSF, and (z) an additional portion sufficient to cause the aggregate delivered amount to exceed 10,000 RSF is not scheduled to be delivered, or if so scheduled is not actually delivered, by a date four (4) months after the date of delivery of such initial portion, then and in such event Rent previously paid and subsequently payable by Tenant with respect to such delivered portion shall be abated by fifty percent (50%) for the full period from the date of delivery of such initial portion through the date on which 10,000 RSF or more, in the aggregate, has been delivered to Tenant out of such Expansion Space. Each Expansion Space (taken as a whole) must constitute one undivided space, except as otherwise provided above, and must be contiguous (as hereinafter defined). If Tenant elects not to exercise its option to add all or any part of the Five Year Space to the Premises, such unleased portion of the Five Year Space may, if and only if Tenant advises Landlord in writing no later than the latest date for delivery of Tenant’s-Option Notice with respect to the Five Year Space that Tenant wishes to do so, become a part of the Fifteen Year Space to be delivered within the time period set forth in Paragraph 30.A.(iii) hereof for the Fifteen Year Space. Tenant acknowledges that, if the preceding sentence applies, the Fifteen Year Space will be located on at least two non-contiguous, partial floors.

D. Each Expansion Space (or part thereof) shall become part of the Premises and, except as provided in the table in Paragraph 30.A. Tenant’s rental obligation for such Expansion Space (or part thereof) shall commence upon its delivery to Tenant in accordance with Paragraph 30.B.

E. For the purposes of this Lease, a floor shall be “contiguous” with the Premises only if it is next to the floors which constitute at least half of the Premises. Wherever Landlord has an obligation herein to deliver contiguous Expansion Space, such obligation shall be conditioned upon Tenant having exercised all previous options for Expansion Space and upon Tenant having added the maximum amount of each such Expansion Space to the Premises.

F. Tenant’s notice of exercise of an option for Expansion Space shall be effective only if at the time of service of such notice of exercise the following conditions (the “Expansion Conditions”) shall be satisfied:

(i) Tenant shall not be in default (after expiration of any applicable cure period) in the performance of any of the material terms, covenants, and conditions contained in this Lease; and

(ii) This Lease shall not have been terminated and shall be in full force and effect.

G. If at any time during the Term of this Lease, any space becomes available for leasing on Floor 35 (or such other floor as constitutes the lowest floor in the high-rise elevator bank of the Building if such other floor is lower than Floor 35) or any floor above Floor 35 of the Building due to expiration or termination of an existing lease or tenancy, and if at such time the Expansion Conditions shall be satisfied, Landlord shall not lease such space to a third party without first giving Tenant (i) notice of the availability of such space which shall include a description thereof and the then Current Market Rate therefor, and (ii) thirty (30) days after the date of such notice in which to enter into a letter of intent to lease such space. If Tenant disputes the Current Market Rate stated by Landlord for any such space, such Current Market Rate shall be determined pursuant to Paragraph 30.H. hereof. If Tenant fails, refuses or is otherwise unable to enter into a lease for such space within 30 days following the 30-day period, Landlord shall have the right to lease the space to any third party or parties on such terms as are acceptable to Landlord, subject to Tenant's options set forth above in this Paragraph 30. Landlord shall not in any case enter into any initial lease (i.e., the first such lease after completion of the Building) for any space on Floor 35 and above of the Building to any third party for a term (including renewal terms) in excess of twenty (20) years and in no event for a total term extending beyond December 31, 2009.

If Tenant leases any portion of the Building pursuant to this Paragraph 30.G. which Landlord had designated as a portion of an Expansion Space at or before notifying Tenant of the availability of such portion (the "Discretionary Space"), such Discretionary Space shall be deemed to replace an equal amount of such Expansion Space. Base Rent for such Discretionary Space shall be adjusted to the Base Rent for that particular Expansion Space as of the earliest date that Tenant has the right to add the Expansion Space which such Discretionary Space has replaced. Notwithstanding the foregoing, in the event, that Landlord has consummated leases with third parties which are not inconsistent with Tenant's options set forth herein, then Landlord, at Tenant's request shall designate the areas subject to such leases as parts of Tenant's Expansion Space to replace the reduction in Expansion Space caused by Tenant's lease of the Discretionary Space.

H. "Current Market Rate" shall mean the prevailing market rate, including the prevailing market escalations for the portion of the Term thereafter, customary rental concessions, abatements, additional rent limitations and tenant improvement allowances, per RSF for similar space in the Building as of the first day that the Premises shall include the first portion of the space to which the Current Market Rate applies. If the parties are unable to agree upon Current Market Rate, such Rate shall be determined by arbitration pursuant to Paragraph 34 hereof. On or before the dates set forth in this Paragraph 30 for delivery of Tenant's Option Notices and in Paragraph 32 for Tenant's notice to extend, Tenant may exercise the option to which such notice applies subject to Tenant's approval of the determination of the Current Market Rate pursuant to this Paragraph 30.H. and Paragraph 34, and such option shall be deemed to be validly exercised unless Tenant cancels such option in writing within ten (10) days following the determination of such Current Market Rate.

I. Landlord and Tenant agree that, from time to time prior to and during the Term at the request of either of them, they will execute and deliver a Memorandum identifying the floors which will be the Expansion Spaces, to the extent possible at such time, subject to change based on Tenant's election not to exercise certain options or Tenant's addition of Discretionary Space.

31. LIMITATION ON LIABILITY.

A. It is expressly understood and agreed by Tenant that none of Trustee's covenants, undertakings or agreements are made or intended as personal covenants, undertakings or agreements by Trustee, and any liability for damage or breach or nonperformance by Trustee shall be collectible only out of the assets of Harris Trust and Savings Bank Trust No. 43770 and no personal liability is assumed by, nor at any time may be asserted against, Trustee or any of its officers, agents, employees, legal representatives, successors or assigns, all such liability, if any, being expressly waived and released by Tenant. Trustee represents to Tenant that Trustee has been duly directed to execute this Lease by Burnett, its sole beneficiary.

B. Any liability for damage or breach or nonperformance by Burnett except as provided in the following sentence, shall be collectible only out of Burnett's interest in the Land and Building and the land trust which holds title to the Land and Building and no personal liability is assumed by, nor at any time may be asserted against, Burnett or any of its successors or assigns, all such liability, if any, being expressly released and waived by Tenant. Notwithstanding the foregoing limitation Burnett shall be personally liable for the obligations of Landlord with respect to the initial construction of the Building and Premises as described in Paragraph 4, for the obligations of Landlord to pay the Hold-over Costs described in Paragraph 1.D.(iii) and for the obligations of Landlord under Paragraph 27.G., regarding the Height Restriction on the Hotel Site.

C. It is expressly understood and agreed by Landlord that none of Tenant's covenants, undertakings or agreements are made or intended as personal covenants, undertakings or agreements by Tenant's partners, and any liability for damage or breach or nonperformance by Tenant shall be collectible out of the assets of Tenant (or any successor entity as described in Paragraph 16.B. hereof), as opposed to the assets of the individual partners of Tenant, and no personal liability is assumed by, nor at any time may be asserted against Tenant's partners or any of its or their officers, agents, employees, legal representatives, successors or assigns, all such liability, if any, being expressly waived or released by Landlord. For the purpose. of this Lease, any obligation owed by a partner of Tenant to Tenant and any negative capital account of a partner of Tenant shall not be considered an asset of Tenant.

32. TENANT'S OPTION TO EXTEND.

Tenant shall, provided that the Expansion Conditions are then satisfied, have the right, by giving notice to Landlord not later than twenty-four (24) months prior to the end of the initial Term, to extend the Term of this Lease (which shall include, without limitation, the Premises as expanded pursuant to Paragraph 30 hereof) for one additional consecutive period of ten (10) years, upon the same terms, covenants and conditions contained in this Lease, except that Base Rent shall be an amount equal to the Current Market Rate for such period. Landlord will, at Tenant's request at any time after thirty (30) months prior to the end of the initial Term, and in any event at least twenty-three (23) months prior to the end of the initial Term if Tenant has given notice of intent to exercise its renewal option, advise Tenant of Landlord's determination of Current Market Rate. If the parties are unable to agree upon the Current Market Rate, such dispute shall be settled as described in Paragraphs 30.H. and 34 hereof.

33. CONSENTS.

Whenever under any terms or provisions of this Lease either party's consent or approval is required or requested or performance by either party of any act or other matter or thing is to be to the satisfaction of or acceptable to the other party, such consent or approval shall not be unreasonably withheld or delayed and such party shall not be unreasonable in withholding its satisfaction or acceptance always excepting any instance where it is provided that such party may act arbitrarily or at its discretion and any instance in which specific standards for consent or approval are provided in this Lease.

34. DETERMINATION BY ARBITRATION.

In the event of the failure of the parties to agree as to Current Market Rate, such dispute shall be determined by arbitration as hereinafter provided. Landlord and Tenant shall each appoint a fit and impartial person as arbitrator who shall have had at least ten (10) years' experience in the commercial real estate industry. Such appointment shall be signified in writing by each party to the other. The arbitrators so appointed shall appoint a third arbitrator within ten (10) days after the appointment of the second arbitrator. In the case of the failure of such arbitrators (or the arbitrators appointed as hereinafter provided) to agree upon a third arbitrator, such third arbitrator shall be appointed by the American Arbitration Association, or its successor, from its qualified panel of arbitrators, and shall be a person having at least ten (10) years' experience in the commercial real estate industry. In case either party shall fail to appoint an arbitrator within a period of ten (10) days after written notice from the other party to make such appointment, then the American Arbitration Association shall appoint a second arbitrator having at least ten (10) years' experience in the commercial real estate industry. The two (2) arbitrators so appointed shall appoint a third arbitrator within ten (10) days after the appointment of the second arbitrator.

The arbitrators shall proceed with all reasonable dispatch to determine the question submitted. The decision of the arbitrators shall in any event be rendered within thirty (30) days after their appointment, or within such other period as the arbitrators shall order or the parties shall agree, and such decision shall be in writing and in duplicate, one counterpart thereof to be delivered to each of the parties who appointed them. The arbitration shall be conducted in accordance with the rules of the American Arbitration Association (or its successor) and applicable Illinois law, and the decision of a majority of the arbitrators shall be binding, final and conclusive on the parties. The fees of the arbitrators and the expenses incident to the proceedings shall be borne equally between Landlord and Tenant. The fees of respective counsel engaged by the parties, and the fees of expert witnesses and other witnesses called for by the parties, shall be paid by the respective party engaging such counsel or calling or engaging such witnesses.

If Landlord and Tenant are unable to reach agreement on Current Market Rate in any situation, then prior to submitting their dispute to the arbitrators, Landlord and Tenant shall each simultaneously submit to the other its good faith estimate of Current Market Rate in such situation. If the higher estimate is not more than one hundred five percent (105%) times the lower, then the Current Market Rate shall be the average of the two estimates. If the higher estimate is more than one hundred five percent (105%) times the lower, then the arbitrators shall determine the Current Market Rate.

Notice of appointment of the arbitrators shall be given in all instances to any mortgagee who prior thereto shall have given Tenant a written notice specifying its name and address. If a dispute shall be submitted to arbitration as hereinabove provided, such mortgagee shall have the right to be present at such arbitration proceedings; provided, however, that such presence shall be in association with Landlord and shall not be deemed to entitle such mortgagee to appoint an additional arbitrator nor to enlarge Landlord's rights in such arbitration proceeding, it being the intention of the parties that such mortgagee shall have solely the right to be present at the arbitration proceeding.

(b) At the time 4250 N. Fairfax acquired the 4250 N. Fairfax Property, Seller was made aware of an allegation by Cosi, Inc., a tenant at said Property, that Qwest Communications Corporation (the "Former Owner") had violated an exclusive use provision contained in its lease (the "Cosi Allegation"). The Former Owner provided certain assurances to 4250 N. Fairfax in that regard. A true, correct and complete copy of all of the relevant sections of the contract between the Former Owner and Seller, together with a copy of the estoppel letter from Cosi, Inc., (together, with its affiliates, successors and assigns, "Cosi") is attached hereto as Exhibits S-1 and S-2 respectively (collectively, the "Cosi Allegation Documents") and a true and complete copy of said contract has been delivered to Buyer. Subject to the terms in this paragraph below, Buyer hereby agrees that if a Tenant Estoppel from Cosi in accordance with Article 7 hereof is delivered which otherwise complies with the terms of an acceptable Tenant Estoppel (from the named tenant on the Lease), but similarly raises, without additional objections or allegations, said violation as an alleged default, Buyer shall nevertheless accept said Tenant Estoppel as an acceptable Tenant Estoppel. Seller represents and warrants that other than the Cosi Allegation Documents, Seller has not received any other notice, claim, complaint or other information from Cosi or the Former Owner evidencing, supporting, restating, challenging, enhancing, explaining or modifying the Cosi Allegation. Seller further covenants that Seller shall timely and promptly provide to Buyer any information, notices, or additional claims with respect to the Cosi Allegation or Cosi Allegation Documents and for a period of one (1) year(if a claim is made during that period until settled or otherwise resolved), Seller shall protect and hold Buyer, and Buyer Responsible Party harmless from and against (and cause the Former Owner, as applicable, under the Cosi Allegation Documents to protect and hold Buyer (and the 4250 N. If Cosi, Inc. provides a Tenant Estoppel in accordance with Article 7 that does not raise a Cosi Allegation, Seller's indemnity under this paragraph shall be of no force or effect. Following such one (1) year period, Buyer shall be entitled to the benefit of the Former Owner's contribution obligations and Seller, shall pursue its rights against the Former Owner, on behalf of, and at the request of Buyer at no cost to Buyer.

Commencing on the date hereof, Buyer, and Buyer's employees, agents, consultants, advisors, attorneys, accountants, engineers and other representatives ("Buyer's Representatives") shall have the right to perform and conduct such examinations and investigations thereof as Buyer may desire, which may include, without limitation, examination of all structural and mechanical aspects of the Property, review of documentation, income and expenses, all Leases and

In connection with such examination, Seller shall deliver and make available (at reasonable times and places) for Buyer's review all of the books and records of the Company, the LLCs and Owner LLC and the MetLife Loans, the Other First Loan and including without limitation the other items set forth on Schedule 1 attached hereto to the extent not heretofore delivered.

If the expiration of the Due Diligence Period shall fall on Saturday, Sunday or holiday, the Due Diligence Period shall automatically be extended to the next business day. Notwithstanding anything herein to the contrary, nothing herein shall authorize Buyer, nor shall Buyer be permitted to conduct, any subsurface or groundwater environmental testing or other environmental samplings relating to the Property without Seller's prior written consent, which consent may be withheld or denied in Seller's sole discretion; provided that lead, radon, indoor air quality and asbestos sampling shall be permitted without Seller's prior consent and provided further that if Seller unreasonably withholds or denies consent for Phase II testing, then Buyer shall be entitled to terminate the Contract, by written notice to Seller, whereupon the Deposit shall be returned to Buyer, and Seller shall reimburse Buyer for its transaction costs and expenses, including, without limitation, all attorneys' fees, costs and expenses up to the amount of $150,000, and neither party shall thereafter have further rights or remedies hereunder, other than those expressly stated to survive termination.

The "Due Diligence Period" shall mean the period commencing on the date hereof and ending at 5:00 p.m. (EDST) on November 20, 2003. Notwithstanding anything to the contrary contained in this Contract, Seller acknowledges that Buyer shall have the right in its sole and absolute discretion, either based upon its disapproval of any of the information it receives, for any other reason whatsoever or for no reason, to terminate this Contract on or before expiration of the Due Diligence Period. Except to the extent that Buyer provides written notice to Seller on or prior to the expiration of the Due Diligence Period (as it may be extended as provided herein) that Buyer has elected to proceed to Closing in accordance with, but subject to, the terms hereof, this Contract shall ipso facto terminate and be deemed to have terminated, in which event the Deposit shall be returned to Buyer forthwith and the parties shall thereafter have no further obligations hereunder except those expressly stated to survive such termination. The failure of Buyer to provide any notice at all to Seller on or prior to expiration of the Due Diligence Period shall constitute and be deemed to be the election of Buyer to terminate this Contract in accordance with its right to do so under this Article 6.

Subject to the limitations set forth above, Seller and the Owner LLCs shall, upon reasonable notice and at reasonable times, make the Property available to Buyer and Buyer Representatives for such inspections and tests as Buyer deems appropriate, including for Buyer's engineering inspection(s), environmental compliance inspections, site evaluations, and such other inspections and tests as Buyer deems appropriate, at Buyer's sole cost and expense. Seller shall have the right to have a representative present during all or any of Buyer's such inspections and tests. Buyer, accompanied by a representative of Seller or, at Seller's election, an employee of the Property Manager, may interview tenants, such interviews to be scheduled by Seller promptly at Buyer's request; *provided that* Seller or such representative shall make themselves reasonably and promptly available if such election is made.

Without limiting the foregoing, Buyer shall have the right to contact and interview The John Akridge Company including without limitation Brian A. Cass, an Officer of The John Akridge Company or at Buyer's election any other officer, director or employee thereof, or any other member (collectively, the "Akridge Representative"); *provided that* reasonably adequate prior notice thereof shall be given by Buyer to Seller or to Seller's representative and, if requested by Seller, Buyer shall allow Seller or a representative of Seller to arrange and be present (in person or by phone) at any such meeting but only to the extent involving the discussion of the Akridge Representative as to the interests of the non-Seller affiliates as members of the Eye Street Owner. Without limiting the foregoing, Seller shall cooperate with Buyer promptly and in good faith to set up any meetings with the Akridge Representative if requested by Buyer. Subject to the forgoing, Buyer shall not in any way be prohibited from or limited in discussing any issues, matters or concerns relating to the LLC Property and/or the ownership and debt structure thereof, including without limitation, management, leasing, maintenance, construction, financing and/or operation of the Property and/or the structure, management, and/or organization of the Eye Street LLC Owners, Eye Street Equity LLCs, and/or the Eye Street Loan Documents.

Seller and Buyer acknowledge and agree that it is a condition to Buyer's obligations hereunder as provided in Article 7(a)(viii) hereunder that the Eye Street Documents Amendments (as therein defined) conforming to the terms set forth on Exhibit V attached hereto and made a part hereof and otherwise conforming to the provisions of said Article 7(a)(viii) are duly executed and delivered. It shall be a condition of Closing that the non-Seller members of the Eye Street LLC Owners (the "Akridge Members") execute and deliver the Eye Street Document Amendments, in the forms attached or as approved by Buyer, in its sole discretion, on or prior to Closing or Buyer may elect to terminate this Contract on the same terms as this Article 6.

Buyer hereby agrees to indemnify and hold Seller and the LLCs harmless from and against any and all loss, cost or damage to the Property (but not any loss, cost, expense or damages or diminution in value arising from or related to any condition discovered by Buyer or by any act of Seller, the Company, or any LLC) resulting directly from actions taken by Buyer or its agents, engineers or consultants. Prior to its entry on the Property, Buyer shall provide to Seller certificates of liability insurance insuring Buyer and Seller and the LLCs in an amount not less than Two Million Dollars ($2,000,000.00). Buyer shall promptly repair all damage to the Property resulting directly from any such inspections or tests by Buyer and shall to the extent reasonably practicable restore the Property to substantially the same condition existing immediately prior to such inspections and tests, but only to the extent such change in condition was caused by such inspections and tests, reasonable wear and tear excepted. In the event Buyer discovers any matter during the course of its investigations and tests which may be reportable under applicable law, Buyer acknowledges and agrees that it shall not undertake any such reporting, except to the extent Buyer is legally mandated to do so, but shall notify Seller promptly of any such discovery. In performing any such inspections or tests, Buyer shall not unreasonably interfere with the activities on the Property of any tenant under the Leases. The indemnification, repair and restoration obligations of Buyer under this paragraph shall survive the termination of this Contract only with respect to the period prior to the termination for a period of one (1) year after such termination.

Seller shall deliver to Buyer an existing ALTA survey of each Property and Buyer, at its option, may obtain each of the following at its own cost and expense: (i) an updated current ALTA Survey of the Property (the "Survey") certified to the Buyer and the Title Company; and (ii) a title insurance commitment (or an endorsement to the existing owner's and lender's title policies attached hereto as Exhibits J-1 - J-4 and Exhibits K-1 - K-3 respectively issued by Commonwealth Land Title Insurance Company or Chicago Title Insurance Company, as Buyer, in its sole discretion, may elect, (the "Title Company") (the "Title Commitment") containing such endorsements, affirmative coverages and reinsurance or co-insurance agreements as Buyer shall require and specifying the Title Company's requirements relating to the issuance of such title policy (the "Title Requirements"). Seller, by written notice to Buyer ("Seller's Title Notice") has notified Buyer of the Title Requirements and other title objections which Seller agrees to satisfy or cure. Except for Monetary Encumbrances and New Exceptions (as herein defined), which Seller shall be obligated to satisfy and cure whether or not notified by Buyer, if Seller does not agree to cure or satisfy any matters identified in Buyer's Title Notice, Buyer may terminate this Contract by written notice to Seller given on or before the later of the expiration of the Due Diligence Period or otherwise be deemed to have waived any matter except for Monetary Encumbrances and New Exceptions, which Seller shall be obligated to satisfy and cure, Seller has not agreed to satisfy or cure or use its reasonable efforts to cure or satisfy. If Seller does not respond to Buyer's Title Notice as provided above, Seller shall be deemed not to have agreed to satisfy or cure the matters set forth therein. Except for Monetary Encumbrances and New Exceptions, which Seller shall be obligated to satisfy and cure, Buyer shall be deemed to have accepted those matters appearing as exceptions in Buyer's Title Commitment and those matters appearing on the Survey to which Buyer has not objected in Buyer's Title Notice (or which Buyer is deemed to have waived), and each such matter not so objected to shall be deemed a "Permitted Title Exception". Buyer shall also have the right to object to, as part of Buyer's Title Notice, but nothing herein shall obligate Seller to deliver the Property to Buyer at the Closing free and clear of, the encumbrances, restrictions, easements and other matters identified on the existing owner's title insurance policy of the LLC and lender's title insurance policy in favor of the Eye Street Lending LLCs identified on Exhibits J-1 - J-4 and Exhibits K-1 - K-3 attached hereto and incorporated herein by reference other than as to Monetary Encumbrances and New Exceptions, which Monetary Encumbrances and/or New Exceptions, Seller shall be obligated to satisfy or cure (and Buyer may, at its option use the Seller's proceeds at Closing to satisfy); provided further that, as an alternative to the satisfaction or cure of a Monetary Encumbrance by payment, Seller shall have, at its option, the right to (i) bond over any such encumbrance or (ii) take such other action in order to have the encumbrance removed as an exception to title, which in either the case of (i) or (ii) shall be in a manner as may be reasonably acceptable to Buyer and the Title Company.

In the event this Contract is terminated under this Section, all obligations, liabilities and rights of the parties under this Contract shall terminate (other than those expressly stated to survive such termination), and the Deposit shall be returned to Buyer. If Seller has elected to cure any matter or to satisfy any Title Requirement or as to a Monetary Encumbrance or New Exception is required to satisfy, remove or cure any matter, such matter shall be cured, removed or satisfied by Seller at or prior to the Closing Date. In furtherance of the foregoing, Seller does not represent or warrant that any particular Lease or Service Contract will be in force or effect at Closing or that the tenants under the Leases or vendees under Service Contracts will not be in default or will have performed their obligations thereunder and, so long as Seller performs its obligations hereunder and is not in violation of any of its covenants hereunder, any change in facts underlying the representations set forth in Section 12(a)(ii) shall not be a condition to Buyer's obligations;

(ii) Seller shall have performed, observed, and complied in all material respects with all covenants and agreements required by this Contract to be performed by Seller at or prior to Closing;

(iii) Original estoppel certificates ("Tenant Estoppels") are obtained and delivered to Buyer from the following tenants; 1) at the 400 Virginia Property: Lockheed Martin Corporation, Titan Corporation, the General Services Administration of the United States of America ("GSA") with respect to the premises occupied by the Social Security Administration, Alcohol, Tobacco, and Fire Arms, Federal Highway Administration, Army Corps of Engineers and Housing and Urban Development, 2) at the 1225 Property: Biotechnology Industry Organization and International Republic Institute, 3) at the 1201 Property: Affiliated Computer Services, the GSA with respect to the premises occupied by the National Park Service, and FTI Consulting, Inc., and 4) 4250 N. Fairfax Property: Qwest Communications Corporation and NCS Pearson (collectively, "Major Tenants") plus such additional tenants which together with the Major Tenants represent seventy-five percent (75%) of the total area rented and occupied at each of the 400 Virginia Property, 1201 Property, 1225 Property and 4250 N. Fairfax Property, individually, such Tenant Estoppels to be either (i) in the form attached as Exhibit L-1 hereto; (ii) if any Lease provides for a form or content of an estoppel, in the form called for under such Lease, or (iii) with respect to any lease with the United States Government or any agency or department thereof ("Government Tenants"), Buyer shall accept, in standard form in lieu of an estoppel certificate a so-called "Statement of Lease" in the customary standard form to Government Tenants, and shall enter into a novation agreement in the form required by the Government Tenants. Without limiting the foregoing, Seller and Buyer agree to sign a Novation Agreement in standard form (or such other acknowledgement in lieu of a Novation Agreement related to the change in ownership or change in control as Buyer deems reasonably appropriate (a "Novation Equivalent") and use reasonable efforts to pursue the execution of the Novation

Agreement or Novation Equivalent by the applicable Governmental Tenant post-Closing. Seller, however, shall request Tenant Estoppels from all tenants of the Property, in the form attached as Exhibit L-1 hereto or with respect to Government Tenants, in the standard form "Statement of Lease" as aforesaid. Such Tenant Estoppel shall also (i) confirm the material terms of the applicable Lease, as contained in the copies of the Leases obtained by or delivered to Buyer , (ii) except notwithstanding any terms of any lease to the contrary (including in particular but without limitation the Quest Communications Lease), shall confirm that such Tenant has no right or option to purchase the Property or any portion thereof, which option survives the Closing or otherwise with respect to this transaction or otherwise, which option has not been expressly waived in writing in form and substance satisfactory to the Buyer and (iii) confirm the absence of any defaults under the applicable Lease as of the date thereof. In the event required Tenant Estoppels from Major Tenants are not received by the expiration of the Due Diligence Period, Seller or Buyer, by written notice to the other, may extend the Closing Date for not more than 10 days as set forth in such notice. Seller shall be obligated to provide and Buyer shall accept a Seller Estoppel Certificate in the form of Exhibit L-2 attached hereto for any tenant other than Major Tenants who does not submit a Tenant Estoppel in order to achieve the seventy-five percent (75%) threshold at each LLC Property, individually, and in the aggregate. Such Seller Estoppel Certificate shall survive Closing and not be limited as otherwise provided herein, but shall nonetheless be of no further force or effect as of the date upon which there is delivered to Buyer a Tenant Estoppel (in form and substance satisfactory to Buyer in accordance with the terms hereof) from the tenant in respect of which such Seller Estoppel Certificate was given. Seller shall prepare the Tenant Estoppels for Buyer's review and deliver the same to Buyer on or before five (5) business days after the date hereof. Buyer shall have three (3) business days after receipt of all of the draft Tenant Estoppels to review the same and Seller shall make such revisions as requested by Buyer to the extent conforming with the Leases and promptly send them within two (2) business days after receipt of approval by Buyer.

(iv) At the time of the Closing, the Company shall have no obligations or liabilities and the LLCs shall have no obligations or liabilities as determined under generally accepted accounting principles except: (a) the obligations of the Owner LLCs as landlord under the Leases of space in the Property, but only for sums and obligations not yet due or accrued or covenants and other provisions not yet required to be performed, and including in this clause (a) the obligations of the Owner LLCs as landlord under the Leases for the return of security deposits but only if and to the extent such are held by the Owner LLCs and delivered or credited to the Buyer at Closing; (b) the obligations of the Owner LLCs for real estate taxes, usual and customary operating expenses, utilities, and under the Permitted Title Exceptions, but only for sums and obligations not yet due or accrued or covenants and other provisions not yet required to be performed; (c) the obligations of 400 Virginia under the Other First Loan, but only to the extent of payment obligations which shall be wholly covered by the First Loan Credit (and other amounts remaining in the Owner LLC which are transferred to a Company account controlled by Buyer), the ESDI Loan, the TZO Loan, the TTF Loan, the 1201 MetLife Loan, the 1225 MetLife Loan, the 1201-ESDI Option, the 1225-TTF Option, and the 1201-TZO Option not yet due or accrued, (d) the obligations of the Owner LLCs as the owners of the Property under the Service Contracts (but not the Excluded Contracts), but only for sums and obligations not yet due or accrued or covenants and other provisions not yet required to be performed, (e) the obligations as a member of the respective LLCs not yet due or accrued or covenants not yet required to be performed, (f) the obligations set forth on Exhibit O, provided that Buyer receives a full credit for the amounts set forth on Exhibit "N" to the extent not previously paid (as evidenced to the reasonable satisfaction of Buyer), (g) items being prorated as provided in Article 14, and (h) any other unaccrued obligations or liabilities, contractual or otherwise but only as are disclosed to and expressly approved (or not objected to) by Buyer in writing, in its sole discretion (the above described matters in clauses (a) through (h) being herein referred to as the "Permitted Liabilities"). Without limiting the foregoing, the Company shall have no obligations or liabilities and the LLCs shall have no obligations or liabilities or in any way arising out of, related to or in any way connected with any Excluded Asset (or the distribution thereof) or any Excluded Liability, whether accrued or unaccrued or whether arising or accruing prior or after Closing including, without limitation, any Taxes arising or accruing in connection therewith.

Furthermore, without limiting the indemnities (or the scope thereof) contained herein or Seller's liability for any liability which is not a Permitted Liability, in addition, and regardless of whether known to Buyer at Closing, any liability accrued pursuant to accounting principles generally accepted in the United States ("GAAP") existing at the time of Closing which is not a Permitted Liability and (i) which is recorded by Buyer as such on the books of the Company within one (1) year after Closing and (ii) of which Buyer notifies Seller in writing within such one (1) year period, shall continue as a Surviving Obligation of Seller to Buyer until the same is no longer recorded as an accrued liability under GAAP. If Buyer pays said accrued liability, Seller shall reimburse Buyer on demand the amount of said payment. The provisions of this paragraph shall survive indefinitely and supersede any limitation of time for Surviving Obligations set forth in Article 16.

(v) MetLife shall have consented in writing to: (1) the transfer of the Shares in accordance with Section 2 hereof, (2) Buyer's insurance coverage, (3) any required changes to the Loan Documents to conform the documents to reflect Buyer succeeding to Seller's interests (and, to the extent required under the Loan Documents, any other changes to the Eye Street Loan Documents including the amendments contemplated hereby) and MetLife shall have further confirmed to Buyer: (a) the outstanding balance of the MetLife Loans consistent with the terms set forth herein, (b) the amount of any escrow balances or other amounts, if any, owing under the MetLife Loans, and (c) that to MetLife's knowledge, no default exists or has occurred with respect to the respective MetLife Loan.

(vi) Except as permitted or required by this Contract, title to the Property shall not have changed in any respect since the effective date of the Title Commitment and at Closing, if and to the extent pursued by Buyer, upon payment of the applicable premium by Buyer, the following shall be available to Buyer: ALTA Owner's Title Insurance Policies (Form 1992) to Buyer and ALTA Mortgagee's Title Insurance Policies (collectively, the "Title Policy"), issued by the Title Company in the form of the Title Commitment without exception other than the Permitted Title Exceptions (with such endorsements and affirmative coverage as accepted by Buyer prior to the expiration of the Due Diligence Period) and prior to Closing, Buyer shall have received payoff letters addressed to Buyer and the Title Company for the Other First Loan (and for the 4250 N. Fairfax Loan) in form and substance satisfactory to Buyer and the Title Company and without limitation sufficient for the Title Company to issue the Title Policy free and clear of the Other First Loan and 4250 N. Fairfax Loan upon the repayment thereof as contemplated by Section 2 above, each in their sole discretion.

(vii) No Litigation, action, proceeding or investigation or legislation or regulation shall be pending or threatened which seeks to enjoin, restrain, or prohibit Seller, the Company, or any of the LLCs or to obtain substantial damages in respect of the consummation of the transactions contemplated hereby or as to any action, proceeding or investigation related to the Property, Seller, Company or the LLCs, which would make it inadvisable to consummate the transaction contemplated by this Contract.

(viii) Originals of the amendments (collectively, the "Eye Street Document Amendments") to the Eye Street Owner organizational, formation and operating agreements and Eye Street Loan Documents and Options in accordance with Article 6 hereof duly executed by all of the Members of the Eye Street Owner LLCs and the Eye Street Lending LLCs, as applicable, effective as of Closing, to include an estoppel of each of the members as of the date of the execution by each such member, and release by the Akridge Members of Buyer and Buyer affiliates for periods prior to Closing, together with a letter dated within two (2) business days of Closing from One Franklin LLC (the holder of more than a forty-nine percent (49%) interest in such entities), certifying that there are no defaults under any of the Eye Street Owner documents by such Member or the Seller member on and as of the date of Closing (including with respect to the consummation of the transactions contemplated hereby) and confirming its interests in the 1201 Owner and 1225 Owner (with the result that Exhibits R-1 and R-2 attached hereto are accurate, true and correct).

(ix) Qwest Communications Corporation confirms in writing in form and substance acceptable to Buyer, in its reasonable discretion, that Quest's right of first offer under its Lease is of no further force and effect.

If any condition set forth herein is not fully satisfied on or before the Closing Date, Seller may elect to attempt to satisfy or cure any such condition, and if Seller so elects, Seller shall have a period not exceeding thirty (30) days after the Closing Date to satisfy such condition, and the Closing Date shall be extended accordingly; provided that if Seller extends the Closing Date to attempt to satisfy or cure any such condition as aforesaid, then it shall be a condition of Closing (herein, the "MAC Condition") during such extension, that there shall not have occurred and be continuing at Closing any material, adverse change in the physical, financial or legal conditions of the LLC Owner or the Property, from the conditions thereof as accepted by Buyer as of the expiration of the Due Diligence Period, ordinary and reasonable wear and tear excepted with respect to the physical condition of the Property and casualties and condemnation governed by Article 10, and provided that a downgrade of more than one level in rating of any of the following Major Tenants: Lockheed Martin Corporation, Titan Corporation, Qwest Communications Corporation and NCS Pearson shall be deemed a material adverse change.

(b) In the event any condition precedent to Closing is unsatisfied because of a breach by Seller (or the Company, or any LLC) of its obligations or representations and warranties set forth or contemplated in this Contract (or any representations and warranties were untrue when made) Seller shall be deemed to be in default hereunder in which event the foregoing thirty (30) day cure period shall not be applicable and the provisions of Article 8 for a Seller default shall apply.

8. Default: (a) If on the Closing Date, Seller is in default hereunder, has breached a representation or has failed to perform any of its obligations or covenants hereunder (not otherwise waived by Buyer) in each case in any material respect, Buyer's sole and exclusive remedy shall be the right to exercise either one of the following:

(i) Buyer shall have the right to terminate this Contract by notice to Seller, in which event the Deposit shall be paid to Buyer, and thereafter, and Seller shall reimburse Buyer for its out of pocket expenses not to exceed $750,000, and thereafter, all rights and obligations of the parties under this Contract shall terminate, except for those expressly stated to survive such termination; or

(ii) Buyer may specifically enforce Seller's obligations hereunder; provided that if specific enforcement is unavailable, including, without limitation, as a result of or in connection with a breach of Section 13(f) or Section 11 or other willful or intentional action of Seller taken in bad faith, then, in addition to a refund of the Deposit and any other rights of Buyer hereunder, Buyer shall also be entitled to direct (but not consequential) damages in an amount not to exceed $10,000,000.

(b) In the event of a material default by Buyer hereunder after the expiration of the Due Diligence Period, it would be extremely impracticable and difficult to estimate the damage and harm which Seller would suffer, and because a reasonable estimate of the total net detriment that Seller would suffer in the event of Buyer's failure to duly complete the acquisition hereunder is the amount of the Deposit, Seller shall be entitled to receive and retain the Deposit as and for Seller's sole and exclusive remedy arising from Buyer's failure to complete the acquisition in accordance with the terms hereof, and Seller shall have no further recourse or remedy at law or in equity for any breach by Buyer hereunder.

Notwithstanding anything herein to the contrary each party shall also have the right to enforce the specific performance of any indemnity or obligation of the other party which expressly survives the termination and to sue the other party for damages incurred as a result of such other party's failure to perform its Surviving Obligations; *provided that* Seller agrees to apply the Deposit if entitled to retain the Deposit against damages for any such surviving obligations of Buyer.

9. Entire Agreement: The parties understand and agree that their entire agreement is contained herein and that no covenants, obligations, warranties, guarantees, statements, or representations shall be valid or binding on a party unless set forth in this Contract and the Exhibits attached hereto. It is further understood and agreed that all

prior understandings and agreements heretofore had between the parties are merged in this Contract and the Exhibits attached hereto, which alone fully and completely expresses their agreement. This Contract may be changed, modified, altered or terminated only by a written agreement signed by the parties hereto.

10. Damage or Destruction; Condemnation: (a) The risk of loss, damage or destruction to the Property by fire or other casualty or the taking of all or part of the Property by condemnation or eminent domain or by an agreement in lieu thereof until the Closing is assumed by Seller. From and after the date hereof through Closing, Seller covenants to maintain (or cause the Owner LLCs to maintain) insurance coverage with 100% replacement cost and terrorism insurance with full replacement cost subject to an overall limit of $375,000,000 for all properties of Seller and affiliates of Seller.

(b) In the event of partial damage or destruction of the Property of a type which, can reasonably be expected to be restored or repaired at a cost of $2,500,000 or less as to any of the 1201 Property, 1225 Property, 4250 N. Fairfax Property or 400 Virginia Property, individually, and which may legally be restored or repaired to their former condition, does not result in a termination of any Lease with any Major Tenant and which casualty is fully insured under Seller's insurance (subject only to a deductible which is credited to Buyer) and for which rent loss insurance is still available to the applicable Owner LLC after Closing in each case, without a change of control exclusion, then, Buyer shall (unless such damage has been repaired in a good and workmanlike manner prior to Closing as approved by Buyer) accept title to the Property in its destroyed or damaged condition. Buyer shall pay the full Purchase Price without reduction (except as set forth below), and Seller shall pay over or assign to Buyer all rights to any proceeds of insurance payable (or paid) with respect to such destruction or damage, together with amounts equal to any deductibles thereunder (less amounts actually and reasonably expended by Seller or the Owner LLC (as approved by Buyer) in repairing the damage prior to the Closing Date) and Buyer shall have a credit against the Purchase Price in the amount of any deductible.

(c) In the event that the Property shall have been damaged or destroyed, the cost of repair or restoration of which would reasonably be expected to exceed the sum of $2,500,000 as to any of the 1201 Property, 1225 Property, 4250 N. Fairfax Property or 400 Virginia Property, individually, or which cannot be legally restored or repaired to their former condition or which results in a termination of any Lease with any Major Tenant or which casualty is not fully insured under Seller's insurance (subject only to a deductible which is credited to Buyer) or for which rent loss insurance is not available to the applicable Owner LLC after Closing for any reason, then Buyer may elect, unless the Owner LLCs have previously repaired or restored the Property to their former condition, either to (a) pay over or assign to Buyer at Closing all amounts recovered or recoverable on account of any insurance, together with amounts equal to any deductibles thereunder, less any amounts reasonably and actually expended by the Owner LLCs for partial restoration or collection of insurance proceeds (approved by Buyer) or (b) direct Escrow Agent to return the Deposit to Buyer and this Contract shall terminate, in which case all other obligations of the parties hereto shall cease except for those obligations expressly stated to survive such termination.

(d) If prior to the Closing Date, all or part of the Property is taken by condemnation, eminent domain or by agreement in lieu thereof, or any proceeding to acquire, take or condemn all or part of the Property is threatened or commenced, Buyer may either terminate this Contract (in which event Buyer shall be entitled to a return of the Deposit) or purchase the Shares and the 4250 N. Fairfax Interest in accordance with the terms hereof, without reduction in the Purchase Price (except as set forth below). If the Seller, the Company or any LLC has received payments from the condemning authority and if Buyer elects to purchase the Shares and the 4250 N. Fairfax Interest, the Seller, the Company or such LLC shall pay over to Buyer the amount of said payments (less the Seller's, the Company's or the LLCs' actual and reasonable out of pocket costs of collection (as approved by Buyer)) against the Purchase Price at the Closing.

11. Assets of Entities. At the Closing, the Company shall own as its sole assets, the assets of the Company as set forth in the recitals to this Contract, and the sole assets of 1201 Equity shall be the Company's interest in 1201 Owner; the sole asset of 1225 Equity shall be the Company's interest in 1225 Owner; the sole assets of TZO shall be its interest in 1215 ESDI, the 1201-TZO Option Agreement and the 1201 Second Loan; the sole assets of 1225 ESDI shall be its interest in the 1201 Third Loan and in the 1201-ESDI Option; the sole assets of TTF shall be its interest in the 1225 Second Loan and in the 1225-TTF Option; and the sole assets of 4250 N. Fairfax LLC and each other respective Owner LLCs shall be their respective Owner LLCs Property. A breach of this provision shall be a default of Seller hereunder.

It is agreed that the obligations set forth in Exhibit M shall be paid as and when due by the Owner LLCs after the Closing, (or if paid in whole or in part prior to Closing with evidence and confirmation of payment in form and substance reasonably satisfactory to Buyer), credited to Seller at Closing) and that the obligations set forth in Exhibit N to the extent not paid (or not completed) by Seller (with evidence and confirmation of payment in form and substance reasonably satisfactory to Buyer) prior to Closing shall be credited by Seller to Buyer at Closing, provided however, that with respect to any amounts set forth on Exhibit N for "Building Improvement Required by Tenant Lease", Seller shall remain liable to Buyer for any costs in excess of those set forth on Exhibit N as necessary to complete or satisfy Seller's obligations and shall remit such excess amounts to Buyer upon its request, and, if and to the extent such costs are less than the amount of the credit, Buyer shall remit the difference to Seller upon completion and full payment of the work. Furthermore, any commissions, rent concessions or tenant improvement obligations with respect to new leases or modifications, extensions, renewals or expansions of existing leases entered into in accordance with Article 13(c) shall be borne by the Owner LLCs after Closing (or if paid in whole or in part prior to Closing, credited to Seller at Closing (with evidence and confirmation of payment in form and substance reasonably satisfactory to Buyer)).

12. Representations and Warranties of Seller: (a) In order to induce Buyer to enter into this Contract and to consummate the purchase of the Shares, Seller hereby represents and warrants to Buyer as of the date of this Contract and as of the Closing Date as follows:

(i) Authority. Seller is a limited partnership duly and validly organized and existing and in good standing under the laws of the State of Delaware. Seller has the full power, authority and capacity necessary to execute, deliver and perform its obligations under this Contract and any of the agreements or other documents to be executed by it hereunder (the "Ancillary Agreements"). This Contract and the Ancillary Agreements have been duly and validly authorized, executed and delivered by Seller.

(ii) Consents and Approvals. This Contract and the Ancillary Agreements are, or at the Closing will be, legal, valid and binding obligations of Seller, enforceable in accordance with their terms. Except for the MetLife Consents, no other Governmental Approvals or other Consents by any third party or Governmental Entity (as herein defined) are required in connection with the execution, delivery and performance by Seller of this Contract and the Ancillary Agreements or the consummation by Seller, the Company or the LLCs of the transactions contemplated herein or therein. Neither the execution and delivery, nor the performance of this Contract or the Ancillary Agreements by Seller, nor the consummation of the transactions contemplated hereby and thereby will (a) violate, breach or conflict with any provision of the organizational documents of Seller; the Company or any LLC; (b) subject to receipt of the MetLife Consent expressly referred to herein, and, except with respect to the payoff of the Other First Loan immediately after Closing in accordance with the structure of this transaction, and to the extent such is a violation, the same will be cured upon such payoff, result in a termination, violation, breach of, default under or result in the loss of benefits under, or acceleration of benefits or obligations under any term, condition or provision of any agreement, including, but not limited to, Loan Document, any note, bond, mortgage, indenture, license or contract, to which Seller, the Company or any LLC is a party or bound or to which the Company's or LLCs' assets or the Shares or the 4250 N. Fairfax Interest are subject; (c) result in a violation by Seller, the Company or any LLC of any Applicable Law, or judgment; or (d) result in the creation of a Lien on the assets or properties of the Company, the LLCs, the Shares or the 4250 N. Fairfax Interest. Neither the Company nor any of the LLCs is subject to any judicial or administrative decree, writ, judgment or order.

(iii) Leases. Exhibit C attached hereto is, in all material respects, a true, complete and correct list of all Leases currently in effect and any amendments or modifications thereto or, to Seller's knowledge, assignments or sublets thereof with respect to the Property, and identification of all security deposits required to be held by the Owner LLCs under the Leases, and whether held in cash, letter of credit or otherwise and delinquencies or, to Seller's knowledge, other defaults, if any. Seller has delivered to Buyer true, complete and correct copies of all Leases currently in effect and any amendments or modifications thereto with respect to the Property. No person or entity other than the rights of the non-Seller affiliated members in each of the Eye Street Equity LLC's pursuant to Section 10.7 of the Eye Street Owner LLC Operating Agreement for each said entity, and other than Qwest Communications Corporation with respect to 4250 N. Fairfax, has any purchase option, right of refusal or offer or any other rights of any nature whatsoever to purchase all or any portion of the Property. To Seller's knowledge, except as set forth on Exhibit O, (x) the Owner LLCs have paid in full all concessions, relocation payments, tenant allowance payments, special work and any other consideration whatsoever and completed all tenant improvement obligations thereunder, and (y) no tenant has prepaid rent for more than the current month (and will not have paid rent more than thirty (30) days in advance prior to the Closing) under its Lease.

Except as set forth on Exhibit C attached hereto or in Article 5, (w) none of the Owner LLCs has received any written notice that it currently is in default under any of the Leases, and (x) no tenant is in monetary or, to Seller's knowledge, other material default thereunder, and (y) no tenant has asserted any defense, set-off or counterclaim in writing with respect to its tenancy or its obligation to pay rent, additional rent, or other charges pursuant to its Lease, and (z) no tenant (or former tenant in the last 2 years) has delivered notice of termination or of a bankruptcy or pending bankruptcy. To the extent a Tenant Estoppel is provided satisfying the requirements of Article 7(a)(iii), which confirms information with respect to any item as to which Seller has made a representation or warranty to Buyer, then the representation and warranty of Seller with respect to such information will thereafter be null and void and of no further force and effect and Buyer shall rely on the information in the Tenant Estoppel Certificate (unless otherwise agreed by Seller).

To Seller's knowledge, except as set forth on Exhibit O attached hereto there are no leasing or commission agreements affecting the Property and all commissions and fees and tenant improvement costs (except in the case of tenant improvement obligations upon the future exercise of expansion options set forth in the Leases) have been paid in full.

Except as set forth on Exhibit O attached hereto, the Owner LLCs have no existing obligations (that have not been satisfied) to pay tenant improvement costs or perform tenant work (except in the case of tenant improvement obligations upon the future exercise of expansion options set forth in the Leases) or leasing fees and commissions in connection with any Lease existing on the date of this Contract or at the time of Closing (whether in connection with a renewal, extension, expansion or otherwise, other than leasing commissions as listed on Exhibit O which may arise after the date of this Contract for expansions, extensions or renewals of a lease exercised prior to the termination of any such leasing agreement) unless arising in connection with a new lease entered into in accordance with this Contract.

(iv) Material Contracts. Each of the Material Contracts is in full force and effect and, to Seller's knowledge, no party thereunder is in material default and, except as specified in Exhibits D-1 to D-4 and Exhibits E-1 to E-4 as applicable, has not been amended, modified, or supplemented in any respect. Other than the Service Contracts, the Leasing Contracts, Personal Property Leases, the Other First Loan, Loan Documents and Permitted Title Exceptions (and management and leasing agreements), (or as to the Company or any LLC, other than the Company and LLC organizational documents (the "Organizational Documents"), there are no Material Contracts, oral or written, to which the Company or any LLC is a party or bound or that grant to any person or any entity whatsoever any right, title, or interest in or to all or any part of the Company or any LLC or the LLC Property or any rights relating to the use, operation, management, maintenance, renovation, or repair of all or any part of the Company's assets of LLC Property.

(v) Compliance with Law. Except as set forth on Exhibit P, neither Seller nor the Company nor any of its Subsidiaries nor 4250 N. Fairfax has received notice from any Governmental Entity having jurisdiction that the Company, its Subsidiaries, 4250 N. Fairfax, any of their assets, the LLC Property or any part thereof (as of the date hereof and as of the Closing Date) or any interested person is in violation of any Applicable Law (including without limitation the Americans with Disabilities Act) applicable to the Company and its Subsidiaries or Predecessor Subsidiaries, 4250 N. Fairfax or the LLC Property .

There is not now pending, any action, suit, investigation or proceeding for which Seller has received notice or has been served against, nor to Seller's knowledge, has there been threatened any action, suit, investigation or proceeding affecting the Company, any LLC or any Property before or by any Governmental Entity. There are no outstanding orders, judgments, decrees or injunctions, issued by any Governmental Entity against Seller, the Company or any of the LLCs. To the Seller's knowledge, no event has occurred and no condition exists that is reasonably likely to form the basis for any legal or regulatory proceeding that is reasonably likely to result in revocation, cancellation, suspension or an adverse modification of any permit or license held by the Company or its Subsidiaries or 4250 N. Fairfax which would result in a Material Adverse Effect to the Company or any LLC.

(vi) Environmental Matters. Attached hereto as Exhibit Q is a list of all site assessments, environmental studies and reports which are in Seller's or the Owner LLCs' or the property manager's possession or control (the "Environmental Reports"). Except as set forth in the Environmental Reports,

(1) Neither Seller, the Company nor the Owner LLCs have installed or removed any underground tanks at the Property (or at any of the Excluded Assets) and to Seller's knowledge, there are no underground storage tanks at, on or under the Property or any portion thereof (or at, on or under any of the Excluded Assets); and

(2) There are no pending Claims, suits, proceedings or Litigation (for which Seller has been served) or to Seller's knowledge, claims threatened in writing and received by Seller or the Owner LLCs with respect to any violation or alleged violation of any Environmental Laws, environmental order or any environmental permit in connection with the Property or any of the Excluded Assets;

(3) To Seller's knowledge, there is no asbestos or asbestos containing materials at or in the Property or any portion thereof; and

(4) There has been no release during the period of Seller's or the Company's direct or indirect ownership interest in any LLC by the LLC or to Seller's knowledge, prior thereto of a Hazardous Material at, on, under, in or about any Property or any part thereof (or at any Excluded Asset or any portion thereof) in violation of Environmental Law or that would otherwise require (or have required) any curative, corrective or remedial action for, or clean up of, the Property or any portion thereof or at any Excluded Asset (or any portion thereof).

(vii) Indebtedness. Attached as Exhibits B-1 through B-5 sets forth true, correct and complete lists of, respectively, the TZO Loan Documents, the ESDI Loan Documents, the TTF Loan Documents, the 1201 MetLife Loan Documents and the 1225 MetLife Loan Documents (collectively, the "Loan Documents"), true, correct and complete copies of which have been delivered to Buyer. Neither the Owner LLCs, the Company nor Seller has received written notice from any of the respective lenders that any Owner LLC is in default under any of the Loan Documents. Each of the 1201-TZO Option Agreement, the 1201-ESDI Option Agreement and the 1225-TTF Option Agreement is in full force and effect. Exhibits B-1 through B-5 and the documents evidencing the Other First Loan and the MetLife Loan on the 4250 N. Fairfax Property, as listed in Exhibits B-6 and B-7, set forth all indebtedness in respect of borrowed money incurred by the Company or LLCs in connection with the Owner LLCs Property. Schedules 1- 3 set forth the outstanding balance, and accrued interest of the TZO Loan Documents, the ESDI Loan Documents, and the TTF Loan Documents.

(viii) Organization. Each of the LLCs is a duly organized Delaware limited liability company, validly existing and in good standing under the laws of the State of Delaware. The Company is a duly organized Maryland corporation, validly existing and in good standing under the laws of the State of Maryland. The Company and each of the LLCs has full corporate power and authority to own, lease and operate its properties and to conduct and carry on its business as now being conducted in each jurisdiction where such business is conducted and such properties are owned, leased or operated. Exhibit W contains a complete and correct list of each jurisdiction in which the Company and each of the LLCs is required to be qualified or licensed to do business as a foreign limited liability company (other than the jurisdiction of each entity's organization) and each LLC is qualified or licensed to do business in such jurisdiction. Seller has delivered to Buyer true, complete and correct copies of the formation documents (with respect to the Eye Street Owners, in Seller's possession or control) and current operative organizational documents of each of the LLCs and the Company, each of which is in full force and effect and has not been amended, revoked or otherwise modified, except as noted therein. There are no side agreements relating to any of the organizational documents of the Company not previously disclosed in writing to Buyer.

(ix) Equity Interests. The ownership of interests in the LLCs is as set forth in the recitals to this Contract except that, to Seller's knowledge, the remaining interests in the 1201 Owner and 1225 Owner are as set forth on Exhibits R-2 and R-2. Since the date of its formation, Seller has owned all of the membership interests in 4250 N. Fairfax. Seller shall cause 1201 Owner and 1225 Owner to use any cash balances in excess of the amount so designated by Buyer to pay accrued interest on the 1201 Second Loan, the 1201 Third Loan and the 1225 Second Loan, as applicable, and TZO, 1215 ESDI and TTF shall distribute any such amount and any other cash to Seller, all on or before the Closing Date. Real estate taxes and assessments shall be prorated based upon local practice for sales of real property in the area where the Property is located. No proration shall be made in relation to delinquent rents existing, if any, as of the Closing; and an amount equal to any such amounts, if and when collected by the Owner LLCs (subject to the terms below), less all costs of collection, if any, incurred by the Owner LLCs in connection therewith (or an appropriate pro-rata portion of such costs based on the total amount collected), shall be paid by Buyer to Seller reasonably promptly after receipt of any such amounts by the LLCs. Any payments of accrued interest and any distributions by the Company or the LLCs pursuant to the above or otherwise paid after the date of this Contract shall not reduce or otherwise affect the Purchase Price. In adjusting for uncollected rents, no adjustment shall be made for rents which have accrued and are unpaid as of the Closing, but an amount equal to any such accrued and unpaid rents, as and when collected by the Owner LLCs, shall be paid by Buyer to Seller (subject to the terms of the Loan Documents, it being agreed that the Owner LLCs shall not be deemed to have collected any such arrearages attributable to the period prior to the Closing until such time as the tenant is current in the payment of all rents accruing in the month(s) of and after the Closing. Any rents collected by Seller (or Seller's property manager) or deposited in any existing lockboxes which Seller maintains as signature parties thereon from and after Closing shall be promptly remitted to the Company or the appropriate Subsidiary, as applicable, in accordance with the terms hereof. As to any such amounts that Seller is entitled to a portion thereof, then Buyer shall pay to Seller the Seller's portion (less costs of collection) thereof reasonably promptly following the receipt thereof. The Buyer agrees to cause the Owner LLCs to bill tenants of the Property for all past due rents in substantially the same manner as billed by the Owner LLCs prior to the date hereof. Billings for utilities for the period which includes the Closing will be prorated on a daily basis over the appropriate period. Buyer shall receive a credit at Closing for security deposits under the Leases. Otherwise a proration shall be made based upon the parties' reasonable good faith estimate and a readjustment made within sixty (60) days after the Closing (to the extent available). Seller and Buyer will cooperate with each other, including Seller providing the Buyer information not already furnished to Buyer, necessary to timely provide the tenants operating expense and related reconciliation statements.

If the net of the aforesaid prorations made as of the Closing is a debit to Seller, then such debit shall be credited against the Purchase Price. If the net of the aforesaid prorations is a credit to Seller, then the Buyer shall pay such net credit amount to Seller at Closing. Any post-Closing adjustment shall be considered an increase or decrease to the Purchase Price and shall be paid in cash between Seller and Buyer]. Notwithstanding the foregoing, the parties agree to make adjustments and reconciliations, as appropriate, within 365 days after Closing (except with respect to property taxes which shall be handled as set forth below).

(b) Lease Concessions and Credits. The leases with KEI Pearson, Inc. and NCS Pearson, Inc. (together the "Pearson Lease") and under the lease with Associated Builders and Contractors, Inc., (the "ABC Lease"), all at the 4250 N. Fairfax Property and identified on Exhibit C-2 attached hereto, provide for "free rent" in the case of the Pearson Lease through June 30, 2004, and in the case of the ABC Lease through November 30, 2003. The rent otherwise payable under the Pearson Lease is $224,561 per month (reduced to $189,222 per month for the period prior to said tenant's January 1, 2004 occupancy), and the rent otherwise payable under the ABC Lease is $58,052 per month. Seller shall credit Buyer at Closing the sum of $1,783,863 (assuming a Closing at 5:00 p.m. on October 31, 2003) representing the agreed upon consideration for Buyer closing during the "free rent" period, such sum to be adjusted by $7,977 per day if the Closing Date does not occur at such time. If, pursuant to the Pearson Lease, Buyer or the Owner LLC receives any sublease proceeds in any manner attributable to the period from the Closing Date through August 31, 2006, Buyer shall cause said proceeds to be paid to Seller immediately upon receipt.

(c) HQ Global Holdings, Inc. and/or certain of its affiliates, including HQ Global Workplaces, Inc. (collectively the “Debtors”), a former tenant at the 1225 Property, filed bankruptcy petitions (the “HQ Bankruptcy Case”) under Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”) on March 13, 2002 (the “Petition Date”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). The Debtors rejected the lease of the 1225 Property pursuant to an order of the United States Bankruptcy Court dated March 19, 2003.

(i) *The HQ Claim:* 1225 Owner has filed a proof of claim in the HQ Bankruptcy Case (the “HQ Claim”). Buyer acknowledges that Seller shall have the right to any and all proceeds that may be paid in connection with the HQ Bankruptcy Case, and hereby grants to Seller the right to continue to prosecute the HQ Claim in its own name and/or in the name of 1225 Owner. Buyer and 1225 Owner also hereby agree to relinquish to Seller all rights, remedies and interests in or connected to a certain deposit paid by the Debtors to the 1225 Owner (the “HQ Deposit”). In connection therewith, Seller assumes all duties or obligations to monitor the HQ Bankruptcy Case and any associated adversary proceedings, and absolves and releases Buyer and 1225 Owner of any duties or obligations to alert or notify Seller of any action in the HQ Bankruptcy Case or any associated adversary proceedings that may affect the HQ Claim or the HQ Deposit. Seller also agrees that it is solely responsible for any and all actions necessary to preserve, protect or collect the HQ Claim and the HQ Deposit. 1225 Owner, or, as applicable, Buyer, will cooperate with Seller in executing, upon the precise written direction of Seller, any and all documents in the name of the 1225 Owner that Seller reasonably requires to protect its interests in the HQ Claim, provided such cooperation does not impose any cost or liability on 1225 Owner or Buyer, including legal fees; in the event such cooperation does entail any costs, including legal fees, Seller shall immediately pay such costs or liability to 1225 Owner or Buyer, or on their behalf, at the option of 1225 Owner or Buyer.

(ii) *Liabilities Arising from the HQ Bankruptcy Case:* During the 90 days prior to the filing of the HQ Bankruptcy Case, 1225 Owner received approximately $115,863.16 in transfers (the “Transfers”) from the Debtors on account of rent or related charges owed by the Debtors. Seller recognizes that the Debtors may assert an avoidance action against 1225 Owner or an affiliate on account of the Transfers, including an action under Sections 547 and 550 of the Bankruptcy Code for an action to recover the HQ Deposit (an “Avoidance Action”). Seller shall indemnify, defend and hold harmless Buyer, 1225 Owner or any other applicable affiliate of 1225 Owner for any and all damages, costs, or other liabilities, including legal fees, arising from or incurred in connection with the Avoidance Action (the “Avoidance Action Liabilities”). Buyer shall promptly notify Seller of any notices, demands or complaints regarding the Avoidance Action Liabilities which Buyer or 1225 Owner may receive. 1225 Owner, or, as applicable, Buyer, will cooperate with Seller in executing, upon the precise written direction of Seller, any and all documents in the name of the 1225 Owner that Seller reasonably requires to (i) protect its interests in the HQ Claim, and (ii) defend the Avoidance Action provided such cooperation does not impose any cost or liability on

1225 Owner or Buyer, including legal fees; in the event such cooperation does entail any costs, including legal fees, Seller shall immediately pay such costs or liability to 1225 Owner or Buyer, or on their behalf, at the option of 1225 Owner or Buyer.

(d) Closing Costs.

(1) Buyer's Costs. Buyer shall pay (i) the fees of any counsel representing Buyer in connection with this transaction; (ii) any costs for updated Title Policy premium and endorsements in connection with the acquisition; (iii) the cost of any current updated Survey and any Environmental Report, Appraisal, or other physical reports ordered by Buyer; (iv) one half of any escrow fees charged by the Escrow Agent or Title Company; (v) one half of the "transfer of economic interests" tax attributable to the 400 Virginia Property, and (vi) its share of the Transfer Taxes as provided in Section 14(d)(3).

(2) Seller's Costs. Seller shall pay (i) the fees of any counsel representing it in connection with this transaction, (ii) fees, costs and expenses in connection with the MetLife Loan including without limitation, all costs as provided in Section 2, and all title costs, lender's counsel's fees and expenses and any counsel fees and expenses other than Buyer's counsel (iii) the Broker, (iv) one half of any escrow fees charged by the Escrow Agent or Title Company, (iv) one half of the "transfer of economic interests" tax, if any, attributable to the 400 Virginia Property, (vi) 100% of the costs and Taxes, including any "transfer of economic interests" tax, attributable to any divestiture of the Excluded Assets as provided in Section 13(k), and (vii) its share of the Transfer Taxes as provided in Section 14(d)(3).

(3) Transfer Taxes. Notwithstanding any other provision of this Contract to the contrary, including, without limitation, the representation in Section 12(a)(ii) to the extent affecting the same, the Buyer and Seller shall share 75% to Seller and 25% to Buyer of all sales, use, privilege, transfer, documentary, gains, economic interest transfer, stamp, duties, recording and similar Taxes and fees (including any interest, penalties or additions thereon) imposed upon any party hereto, the Company or any Subsidiary in connection with the transfer of the Shares (and the consequences thereof upon the direct or indirect ownership of the Company and the Subsidiaries) and the 4250 N. Fairfax Interest contemplated by this Agreement, exclusive of any transfers pursuant to Section 13(k) (collectively, the "Transfer Taxes"), and any expense incurred to procure any stock transfer stamps required by any Transfer Tax, subject, however, to Seller's indemnity to Buyer set forth in Article 16(c)(i). Seller and Buyer shall cooperate to timely and accurately file all necessary Tax Returns and other documentation with respect to any Transfer Tax.

(4) Other Closing Costs. All other closing costs and expenses incident to this transaction and the closing thereof shall be paid by the party incurring same unless otherwise provided herein or agreed to the contrary.

(e) Property Taxes. Following Closing, Buyer shall have the right to control the progress of and to make all decisions with respect to any real property and personal property taxes for the Property due and payable during all real estate and property tax fiscal years in which the Closing occurs and all prior tax years. Real estate and personal property tax refunds and credits received after Closing, with respect to the Property, shall be applied in the following order of priority: first, to pay the costs and expenses (including, without limitation, reasonable attorneys' fees, expenses and disbursements) incurred in connection with obtaining such tax refund or credit; second, to pay any amount due to any past or present tenant of the Property as a result of such refund or credit to the extent required pursuant to the terms of the Leases; and third, (i) to Seller with respect to all tax years prior to Closing and (ii) with respect to the tax year in which the Closing occurs, to be allocated in the same manner as the real estate taxes have been apportioned under this Contract at Closing. Buyer shall cooperate and cause the respective Owner LLC to cooperate with Seller in prosecuting such appeals. The provisions of this paragraph shall survive Closing indefinitely.

(f) Filing and Preparing Tax Returns; Assistance and Cooperation

(i) Seller shall prepare or cause to be prepared, at the cost and expense of Seller, on a timely basis (including any automatically available extensions), Tax Returns for the Company and the Subsidiaries (including the applicable 1099's, K-1's or similar schedules and reports which are part of or derived from any such Tax Returns) for federal and state income, unincorporated business taxable income or any similar type of net income tax applicable to any said entity for all such Tax Returns which are due prior to or for taxable or other relevant periods ending before January 1, 2004, including, without limitation, all such items which are required to be filed by, or with respect to, the Company or any of the Subsidiaries for any taxable year or other taxable period beginning before the Closing Date and ending after the Closing Date (each such period being a "Straddle Period", and collectively, the "Straddle Periods"). Buyer shall prepare or cause to be prepared, at the cost and expense of Buyer, on a timely basis (including extensions), all federal and state Tax Returns of the Company and the Subsidiaries for all Tax Returns for any Straddle Period other than those to be prepared by Seller pursuant to the immediately preceding sentence. All such Tax Returns shall in all events, be prepared in a manner consistent with the prior Tax Returns as to all continuing elections, characterizations and other matters and, to the extent applicable, the structure and intent of the relevant underlying documents and this Contract and otherwise in accordance with Applicable Law. In addition, the Company shall cause a timely election under Treasury Regulation 1.337(d)-7(c) with respect to the deemed liquidation of 2001 M Street Mortgage Holdings, Inc.

Except as provided in the immediately following paragraph, all such Tax Returns shall be provided to the other party at least forty-five (45) days prior to the date any such Tax Return is due (including any automatically available extensions), which other party shall have thirty (30) days after receipt of each Tax Return to review such Tax Return and comment thereon.

As to the 1099's for the Company for the taxable period which ends on December 31, 2003, Seller shall cause a pro-forma federal income tax return for the Company to be delivered to Buyer on or before December 31, 2003, and the Buyer shall have 10 days after receipt of such pro-forma return to review and comment on such pro-forma return, the intent of such preparation and review being solely to establish the Company's "real estate investment trust taxable income and earnings and profits" under the Code for the 2003 taxable year so as to enable 1099s for the Company to be timely prepared and sent. The preparation and review, and, if necessary, the resolution of any disagreements as to the Company's "real estate investment trust taxable income and earnings and profits" pursuant to this paragraph shall be in accordance with the standards set forth elsewhere in this Section 14(f)(i) and in accordance with the procedures of the second immediately following paragraph (other than the first sentence thereof). After the determination of the Company's "real estate investment trust taxable income and earnings and profits" under the Code for the 2003 taxable year pursuant to the preceding provisions of this paragraph, Seller shall not make a material change in such amount in the preparation of the final federal income tax Tax Return for the Company's 2003 taxable year without the consent of the Buyer, except for omissions or other changes due to information which Seller was not reasonably aware of, or should have been reasonably aware of, at the time of the preparation of the pro-forma tax return.

Each party hereto shall make available, or cause to be made available, to the other party all the relevant and necessary books and records to enable such party to prepare or review, as the case may be, all such Tax Returns subject to the standards of the preceding provisions and otherwise consistent with Section 14(f)(iii) below and the other applicable provisions of this Contract and subject to the immediately following paragraph.

If Buyer or Seller, as applicable, objects to the treatment of any item on any such Tax Return for any Straddle Period or to any amount owed by Seller or Buyer, as applicable (whether owed by Seller to a Governmental Entity or by Seller to Buyer or vice-versa pursuant to any provision of this Contract) with respect to any Taxes, the objecting party shall, within said thirty (30) days after delivery of such Tax Return, notify the other party in writing that the first party so objects, specifying with particularity any such item and stating the specific factual or legal basis for any such objection. If a notice of objection shall be duly delivered, Seller and Buyer shall negotiate in good faith to resolve their disagreement. If Seller and Buyer have not resolved their disagreement within five (5) Business Days after receipt by the relevant party of such notice of objection, the parties shall refer the matter for resolution to McKee, Nelson LLP (if such law firm is not then representing or has any other business relationship with either party, or is unwilling or unable to accept such matter for resolution, in which case the Arbitrator shall be selected by Seller and Buyer from among practitioners in the real estate investment trust practice in the national office of a "Big Four" accounting firm) (the "Arbitrator"), the decision of which shall be binding on Seller and Buyer. In resolving any such dispute Arbitrator shall first take into account the provisions of the third sentence of the first paragraph of this Section 14(f)(i) and the provisions of Section 14(f)(iii), and then, if such does not, in its opinion, resolve any such issue, then as to any such issue which it cannot resolve pursuant to the above standards, Arbitrator shall then take into account, among other matters it deems appropriate, which position, in Arbitrator's determination, has the greater weight of authority. The costs, fees and expenses of the Arbitrator shall be borne (1) by Seller if the net resolution (considering such costs) of the disputed items favors Buyer, (2) by Buyer if the net resolution (considering such costs) of the disputed items favors Seller, and (3) otherwise equally by Buyer, on the one hand, and Seller on the other.

Upon the agreement of the parties as to any Tax Return or the resolution of any disagreement as to any Tax Return pursuant to the standards and procedures set forth in this Section 14(f), the responsible party shall promptly complete the final form of Tax Return for filing and, if prepared by Seller, shall provide such form to Buyer, and Buyer shall promptly thereafter sign and file, or cause to be signed and filed, each such completed and final Tax Return.

For any Tax Return for any taxable period which ends prior to the Closing, Seller shall pay to Buyer no less than five (5) days before the applicable due date of such Tax Returns, as an adjustment to Purchase Price, a cash amount equal to all Taxes shown to be due and payable on such Tax Returns to the extent such Taxes exceed the reserve for Tax liability (rather than any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the face of the Closing Date balance sheet. For any taxes due under any Tax Return for any taxable period which includes the Closing Date, the provisions of Section 16(c)(iii) shall be applicable

(ii) Buyer shall prepare and file or cause to be prepared and filed, at the expense of Buyer on a timely basis (including all automatically available extensions) all Tax Returns of the Company and the Subsidiaries other than those provided for in paragraph 14(f)(i) above. All such Tax Returns shall be prepared in a manner consistent with the prior Tax Returns as to all continuing elections, characterizations and other matters and, to the extent applicable, the structure and intent of the relevant underlying documents and this Contract (except in any instance where there has been a change in Applicable Law or there has been a final determination by the Internal Revenue Service (not appealed) or otherwise a final, binding and unappealed or unappealable determination that any such position or characterization was not correct) and otherwise in accordance with Applicable Law. Subject to Section 16(c) (Tax Indemnities), Buyer shall pay or cause the Company and the Subsidiaries to pay all Taxes shown to be due and payable thereon.

(iii) Without limiting the foregoing, after the Closing, Seller and Buyer shall:

(1) assist (and cause their respective affiliates to assist) the other in preparing any Tax Returns which such other person is responsible for preparing and filing in accordance with this Section 14(f);

(2) cooperate fully, as and to the extent reasonably requested by the other party, in connection with the preparation of the Tax Returns pursuant to this Section 14(f) and in connection with any steps or procedures required to be undertaken in compliance with Sections 856 through 860 of the Code and the Treasury Regulations promulgated thereunder;

(3) cooperate fully in preparing for any audits of, or litigation, administrative or other proceedings and any other disputes with taxing authorities regarding, any Tax Returns with respect to the Company or the Subsidiaries or otherwise with respect to Taxes that may be imposed upon or otherwise payable by the Company or any of the Subsidiaries;

(4) make available to the other and to any Governmental Entity as reasonably requested all information, records, and documents of the Company, the Subsidiaries, and their respective affiliates, relating to Taxes;

(5) provide timely notice to the other in writing of any pending or threatened Tax audits or assessments with respect to the Company or the Subsidiaries for taxable periods for which the other may have a liability under this Section 14(f);

(6) furnish each other with copies of all correspondence received from any Governmental Entity in connection with any tax audit or information request with respect to any taxable period for which the other may have a liability under this Contract;

(7) provide the other party with timely notice of the commencement of any audit by any Governmental Entity or of any judicial proceeding involving a Governmental Entity that relates to any liability for Taxes, or any transaction or activity of the Company or any of the Subsidiaries, for which the other may have a liability under this Section 14(f); and

(8) as applicable, prepare and/or file, or caused to be prepared and/or filed, all Tax Returns, all such Tax Returns to be prepared in a manner consistent with the prior Tax Returns as to all continuing elections, characterizations and other matters and, to the extent

applicable, the structure and intent of the relevant underlying documents and this Contract (except in any instance where there has been a change in Applicable Law or there has been a final determination by the Internal Revenue Service (not appealed) or otherwise a final, binding and unappealed or unappealable determination that any such position or characterization was not correct) and otherwise in accordance with Applicable Law.

Notwithstanding anything in this clause (iii) to the contrary, all aspects of any audit, litigation or other proceeding with respect to Taxes attributable to a taxable year ending before the Closing shall be controlled by and be the sole responsibility (including all attorney's fees, court costs and disbursements) of Seller, provided that the Seller shall not enter into any settlement that would increase Taxes in any Straddle or Post Closing taxable year without consultation with Buyer, and, if any such increase would be material, without Buyer's consent. All aspects of any audit, litigation or other proceeding with respect to Taxes attributable to a taxable year commencing after the Closing shall be controlled by and be the sole responsibility (including attorney's fees, court costs and disbursements) of Buyer. All aspects of any audit, litigation, or other proceeding with respect to Taxes attributable to a Straddle Period shall be jointly controlled by and be the joint responsibility (including attorney's fees, court costs and disbursements), based on the respective ownership periods, of Seller and Buyer; provided, further, that as to any matters under this sentence neither party shall (x) settle any such audit, litigation or other proceeding, (y) toll or waive any statute of limitations, or (z) take any other action which would vitiate any of the taxpayer's substantive or procedural rights with respect to Taxes and any Governmental Entity, relating to the Straddle Period without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

(iv) Buyer covenants and agrees that from and after the Closing it will, or will cause the Company, to take all actions, or forbear from taking actions, as are necessary to ensure that the Company will be classified as, and will not take nor allow the Company or any of the Subsidiaries to take, any action which is inconsistent with the Company's qualification as, a REIT for the Company's taxable year that began January 1, 2003 and which ends on or after the Closing (which taxable year may be less than twelve (12) months), which taxable year is herein referred to as the "Company Straddle Taxable Year", including, without limitation, declaring actual or consent dividends (in addition to the distributions which Seller has covenanted would be made) for taxable year 2003 if and to the extent such are necessary to maintain the status of the Company as a REIT. Furthermore, Buyer covenants and agrees that prior to January 1, 2004, the Company shall not acquire, accept transfer of, nor hold, nor allow any Subsidiary to acquire, accept transfer of, or hold, any assets other than the Property and, as applicable, the interests in the LLCs except in the ordinary course of maintaining, operating and leasing the Property and, as applicable, holding the interests in the LLCs, as all such assets exist immediately prior to Closing. Nothing contained in this Contract or otherwise shall prevent, restrict or otherwise prohibit Buyer from liquidating the Company at any time from and after the Closing, provided that the covenant in the preceding sentences and the other provisions of this Section 14 and any other applicable provisions of the Contract (including, without limitation, the requirement to maintain the qualification of the Company as a REIT pursuant to this Section 14(f)(iv)) are complied with by Buyer. Nothing contained in this Section 14(f) shall require Buyer to take any action to remedy any breach by Seller of its representations and warranties or covenants under this Contract to have maintained the Company's classification as a REIT prior to the Closing which breach prevents or impairs the ability of the Company from qualifying as a REIT or of Buyer to maintain the qualification of the Company as a REIT and any such breach by Seller shall be fully covered by and Buyer shall be fully covered by Seller's indemnities hereunder. Buyer agrees that upon becoming aware of any breach described in the immediately preceding sentence it shall make reasonable efforts to notify Seller thereof and agrees to take, or allow Seller to take, such reasonable actions to cure such breach, all at Seller's cost and expense, provided that any such cure shall not have more than an insubstantial effect on the liability of the Company or any Subsidiary for any Straddle Period or any later taxable period.

(v) Buyer covenants and agrees with Seller that: (a) Buyer will treat the purchase of the Shares contemplated by this Contract for all income tax purposes as a purchase of shares of a corporation, (b) Buyer will not make an election pursuant to Section 338(g) of the Code with respect to the Company, (c) to the extent permitted by Applicable Law, the Company shall designate the maximum amount of the distribution of the Excluded Assets to Seller as a long-term capital gain dividend within the meaning of Section 857(b)(3) of the Code but only to the extent that such designation does not increase the amount of distributions which the Company is required to make arising from its operations and activities during the post-Closing Straddle Period, and (d) subject to Seller's compliance with Section 13(g), Buyer shall cause the Company to timely and fully pay all accrued and unpaid dividends due to the holders of the Series A Preferred Stock as for the entire 2003 calendar year]..

(vi) Notwithstanding any other provision of this Contract to the contrary, the obligations of Seller and Buyer set forth in this Section 14(f) and in Section 16(c): shall (1) be unconditional and absolute, (2) remain in full force and effect indefinitely and (3) other than as provided in Section 16(c), not be subject to any other indemnification limitations provided in this Contract; provided, that the Tax Representations shall survive the Closing until ninety (90) days following the expiration of the applicable statute of limitations ("Tax Survival Period") (taking into account all extensions thereof); and provided, further, in the event notice for indemnification under Section 16(c) hereof shall have been given within the Tax Survival Period, the Tax Representation that is the subject of such indemnification claim shall survive until such time as such claim is finally resolved.

(g) With respect to the lease at the 1201 Eye Street Property with the National Park Service as identified on Exhibit C, the tenant and 1201 Owner have not yet entered into a "Supplemental Lease Amendment" ("SLA") establishing the base dollar amount for real estate tax escalations (the "Base"). If the final agreed upon Base as set forth in the SLA is $1,652,000 or less, there shall be no adjustment to the Purchase Price. For each dollar of the Base which is above $1,652,000, Seller shall pay $6.43 to Buyer as an adjustment to the Purchase Price but in no event shall such payment exceed $450,000. Such payment shall be made within thirty (30) days of delivery by Buyer to Seller of the fully executed SLA. Prior to agreeing to the Base, Buyer shall consult with Seller but the final determination and agreement shall be in the sole discretion of Buyer.

(h) The Tenant Estoppel from NCS Pearson with respect to its lease at the 4250 N. Fairfax Property asserts that said tenant was unable to place two (2) signs on the exterior of the building because of limitations imposed by permits issued by the local governing bodies to Seller's predecessor in title. The tenant alleges that the failure to obtain the sign could constitute a default by the landlord under said lease. Seller disputes the allegation that if the tenant is unable to obtain said sign, the same would constitute a lease default. Nevertheless, Seller hereby indemnifies, defends and holds Buyer harmless from and against any loss, cost, claim or damage including, without limitation, attorneys fees, arising out of or in connection with the tenant's claim and/or failure of said tenant to obtain said signage. It is the intention of the tenant to seek a variance or other necessary approval from the public authorities and Buyer hereby agrees that Seller at no cost or expense to Buyer shall be entitled to or at Buyer's request shall participate in and assist in the seeking of said approval. Buyer further agrees that, if approved by the tenant as a substitute for exterior signage, it will provide interior signage space in appropriate locations. Furthermore, neither Seller nor Buyer shall enter into any settlement agreement with the tenant without the consent of the other, which consent shall not be unreasonably withheld or delayed, provided, however, the consent of Seller shall not be required if the cost of such settlement is $50,000 or less, or if Seller fails to respond within seven (7) business days.

(i) This Article 14 shall survive the Closing.

15. Brokers. Seller represents that, other than Morgan Stanley Realty Incorporated and Holliday Fenoglio, Fowler (together, the "Brokers"), no broker, finder or similar intermediary has acted for or on behalf of, or is entitled to any broker's, finder's or similar fee or other commission from, the Seller, the Companies, the LLCs or any affiliate of any of the foregoing in connection with this Contract or the Ancillary Agreements or the transactions contemplated hereby and thereby. Buyer represents that no broker, finder or similar intermediary has acted for or on behalf of, or is entitled to any broker's, finder's or similar fee or other commission from, Buyer in connection with this Contract or the Ancillary Agreements or the transactions contemplated hereby and thereby. Each party hereby indemnifies and agrees to save the other harmless from and against any Claims arising from the breach of such representation by the indemnifying party.

(b) Any commission or other fees or expenses due Brokers shall be paid by Seller, and Seller shall obtain and provide to Buyer a receipt and lien release therefore at Closing and Seller hereby indemnifies and saves Buyer harmless from and against any Claim by Brokers in connection with the Property, Shares, the 4250 N. Fairfax Interest or this Contract or the transactions contemplated hereby.

(c) The provisions of this Article 15 shall survive the Closing or, if applicable, the termination of this Contract.

16. Continuation and Survival of Representations and Warranties;

(a) Representations Survival.

(i) The representations and warranties set forth in this Contract, as may be modified pursuant this Article 16 or other express provisions of this Contract, are intended to be and shall remain true and correct as of the time of Closing and shall survive the execution and delivery of this Contract and the Closing for a period of one (1) year following Closing except for the representations set forth in Sections 12(a)(ii) [consents], 12(a)(vii) [indebtedness], 12(a)(xii) [insolvency], 12(a)(xiii) [undisclosed liabilities], 12(a)(xiv) [litigation] and 12(a)(xv) [Accounts], which shall survive for 2 Years and as to the representations set forth in Articles 12(a)(i), 12(a)(viii), 12(a)(ix) and 12(a)(x) (the "Corporate Representations") and Seller's Broker representation in Section 15, which shall survive for six (6) years, being the period of the statute of limitations for contract actions (each such period, with respect to the indicated representations and warranties, the "Limitations Period). No action or proceeding may be brought with respect to any of the representations or warranties contained herein unless written notice thereof, setting forth in reasonable detail the claimed breach of representation or warranty referencing this Article 16 shall have been delivered to the address set forth in Article 18 hereof prior to the end of the applicable Limitations Period. Those covenants that contemplate or involve actions to be taken or obligations to be in effect after the Closing shall survive in accordance with their terms. Notwithstanding the aforementioned, all representations, warranties and covenants related to tax matters including without limitation the Tax Representations in Section 12(b), and which matters are otherwise primarily set forth in Article 14, shall survive the Closing as described in Article 14(f)(vi).

(ii) To the extent that Buyer has actual knowledge at or prior to Closing that Seller's representations or warranties contained in this Contract, in any Seller's Estoppel Certificate or elsewhere are inaccurate, untrue or incorrect in any way, Buyer shall notify Seller in writing and provide Seller ten (10) days to cure such breach and such representations and warranties shall be deemed modified to reflect Buyer's actual knowledge to the extent set forth in such notice. Except as otherwise provided herein or as included or intended to be included in the Seller's Tax Indemnity and/or indemnity for the matters described in Section 16(b)(3), and otherwise absent fraud on the part of Seller, the Company or any LLC, Seller shall have no liability to Buyer, after Closing with respect to a breach of representation by Seller if actually known by Buyer, and in the absence of Seller's cure of such breach or agreement to cure such breach, and Buyer nonetheless closes.

(iii) Notwithstanding anything in this Contract to the contrary, after

Closing, and only with respect to breaches of covenants, representations and warranties of Seller not actually known by Buyer at Closing and first discovered by Buyer after Closing, Seller shall be liable to Buyer only if the aggregate of all actual damages incurred by Buyer or Buyer's successors and assigns exceeds $50,000 (such floor shall not be applicable to a breach of the Tax Representations or Seller's covenants made in Section 13(k)), and, if so, such liability shall include the first dollar of such damage and all amounts owed thereafter. In addition, but without limiting Seller's General Indemnity obligations under Section 16(b), the maximum aggregate liability of Seller and the maximum aggregate amount which may be awarded to and collected by Buyer or Buyer's successors and assigns (a) for all breaches of Seller's representations made in Section 12(a) other than Corporate Representations and Tax Representations shall in no event exceed Ten Million Dollars ($10,000,000); (b) with respect to breaches of Tax Representations (including any liability under the indemnity provisions of Section 16(c)) shall not exceed One Hundred Million Dollars ($100,000,000); and (c) with respect to breaches of Corporate Representations shall not exceed Two Hundred Thirty-Three Million Eight Hundred Thirty Two Thousand Five Hundred Dollars ($233,832,500) if written claim of such breach is made within six (6) months after the Closing and One Hundred Million Dollars ($100,000,000) if written claim is made thereafter.

(b) General Indemnity. As of the Closing, and without limiting any other rights or remedies of Buyer, Seller shall indemnify, defend and hold harmless Buyer (and its respective affiliates, officers, managers, directors, partners, owners, members and shareholders (including any of the above persons taxable on a flow-through or conduit basis on the income of the same) and their respective successors and assigns, and as applicable, each LLC) (collectively, "Buyer Indemnitees") from and against any and all Claims that may be imposed, suffered, incurred or incurred by Buyer or any Buyer Indemnitee as to a breach or violation of any Retained Liability (as herein defined).

"Retained Liability" shall mean and include any Excluded Liability; and the Surviving Seller Obligations; and any and all Claims relating thereto, including without limitation, the following; but provided that unless otherwise covered below (in which event if covered below, there shall be no cap or limitation on survival), the survival period and cap for a breach of representations set forth in Section 12(a) shall be governed by Section 16(a) above:

(1) under or with respect to any Lease, Service Contract, Personal Property Lease, management or leasing agreement or commission agreement or other agreement, promise or covenant, guaranty or indemnity (whether or not now in effect) or the Loan Documents (including a breach of representation, warranty or covenant thereunder) or filing with any governmental or quasi governmental authority including without limitation any income and expense filing (whether known or unknown) arising or accruing with respect to the period prior to the date of Closing and not otherwise expressly accepted by Buyer as to such period or which

would not otherwise be assumed by Buyer if Buyer was purchasing only the LLC Owner Property rather than the Shares or the 4250 N. Fairfax Interest, including, by way of example and not limitation, bankruptcy preference claims of any existing or prior tenant, vendor or supplier of the Property (or of any Excluded Assets) or any portion thereof,

(2) in connection with any pending or threatened Litigation, Claim, suit or proceeding against the Company or any LLCs relating to occurrences or matters first arising prior to Closing (whether or not initiated prior or after Closing), including without limitation the HQ Global Bankruptcy, the Cosi Allegation (subject to the limitations set forth in this Contract) and any other existing litigation, claims, suit or proceeding involving the Company or any LLC (whether known or unknown), or with respect to audits permitted under any Lease which audits are either in process or remain outstanding or prospective as of Closing but limited to liability for any period prior to the Closing;

(3) under or with respect to any Subsidiary (other than the LLCs), Excluded Liability, Excluded Contract or Excluded Asset, Other First Loan, 4250 N. Fairfax Loan (whether known or unknown) and whether arising or accruing before or after Closing including, without limitation, any litigation, claims, suits or proceedings involving any Subsidiary (other than the LLCs) or any Excluded Assets whether known or unknown and whether arising or accruing before or after Closing, but not including herein any matters for which the Buyer Indemnitees are indemnified under Section 14(c) below;

(4) any loss or Claim in connection with a breach by Seller (or Seller entities) to the non-Seller members under or with respect to the Organizational Documents of the Eye Street Owner LLCs, the Eye Street Loan Documents or the MTA Agreement arising or occurring prior to the Closing Date; and

(5) If Seller has any claim or rights to pursue claims against the other parties to the MTA Agreement, and such claim is not a Surviving Obligation of Seller, Seller, at Buyer's request, shall assert such claim on behalf of Buyer and any proceeds received in connection therewith shall be paid to Buyer. To the extent that Seller has made Buyer whole with respect to any breach by Seller of any Surviving Obligation and Seller has a surviving claim against any such parties to the MTA Agreement as to the same breach, Seller shall be entitled to seek reimbursement from the other parties to the MTA Agreement with respect to such claim and shall be entitled to retain all rights to the proceeds thereof (unless by doing so, Buyer is not made whole on other claims that would otherwise be covered by Beacon's rights under the MTA that Beacon is required to exercise on Buyer's behalf.).

(c) Tax Indemnities

(1) In addition to and without limiting any other indemnity obligations of Seller hereunder, Seller shall indemnify, defend, and hold harmless Buyer Indemnitees from and against any and all Claims asserted against, resulting to, imposed on, sustained, incurred or suffered by, or asserted against the Buyer Indemnitees, directly or indirectly, by reason of or resulting from: (a) all Taxes imposed upon the Company or any of the Subsidiaries with respect to any taxable period or portion thereof ending on or before the Closing Date ("Pre-Closing Periods"), and for any Straddle Periods, but only with respect to the portion of any such Straddle Period ending on the Closing Date and calculated in the manner provided in Section 14(f) of this Contract, (b) any breach or inaccuracy in any Tax Representation, without regard to any qualifications for knowledge of the Sellers, but only for the Tax Survival Period; provided that if such liability for a Tax Representation is otherwise separately intended to be covered such time limitation is not intended as limitation, (c) any breach or failure by Seller to perform (or cause to be performed) any of the covenants or agreements set forth in Section 14(d)(3), Section 14(f) or this Section 16(c) (including, without limitation, all the provisions hereof regarding the maintenance of the Company as a REIT), (d) any Taxes related to any Excluded Asset or the divesture of any Excluded Asset (whether known or unknown by Buyer prior to Closing) and any litigation, claims, suit or proceeding involving any Subsidiary (other than the LLCs) or any Excluded Assets whether known or unknown and whether arising or accruing before or after Closing; and (e) Tax liability under D.C. Code Annotated §42-1103 arising in connection with the transfer of the Shares because of a transfer by any person (as defined in D.C. Code Annotated §42-1101(6)) of any direct or indirect beneficial interest in either 1201 Owner or 1225 Owner prior to the Closing (including the transfer of the Shares) other than any direct or indirect transfer by or through the Company or any of its Subsidiaries occurring after the Closing. The maximum liability of Seller under this Section 16(c)(1), together with Seller's liability for breach of the Tax Representations shall not exceed One Hundred Million Dollars ($100,000,000) in the aggregate.

(ii) Buyer shall indemnify, defend, and hold harmless Seller (and its respective affiliates, officers, managers, directors, partners, owners, members and shareholders (including any of the above persons taxable on a flow-through or conduit basis on the income of same), and their respective successors and assigns) (collectively, "Seller Indemnitees") from and against any and all Losses asserted against, resulting to, imposed on, sustained, incurred or suffered by, or asserted against the Seller Indemnitees, directly or indirectly, by reason of or resulting from: (1) all Taxes imposed upon the Company or any of the Subsidiaries [other than Subsidiaries required to be divested as provided in Section 13(k)] with respect to any taxable period or portion thereof beginning after the Closing ("Post-Closing Periods"), and for any Straddle Periods, but only with respect to the portion of any such Straddle Period from and after the Closing and calculated in the manner provided in Section 14(f) of this Contract, and (2) any breach or failure by Buyer to perform (or cause to be performed) any of the covenants or agreements set forth in Section 14(f) or this Section 16(c) (including, without limitation, all the provisions hereof regarding the maintenance of the Company as a real estate investment trust from and after the Closing until the end of the Company Straddle

Taxable year), provided the maximum aggregate liability of the Buyer with respect thereto shall not exceed One Hundred Million Dollars ($100,000,000). Wells Real Estate Investment Trust, Inc. by its execution of this Contract hereby agrees that it and its successors and assigns shall be jointly and severally liable with Wells Operating Partnership, L.P. and its successors and assigns for the indemnity obligations set forth herein and Wells Operating Partnership, L.P. and its successors and assigns shall remain liable hereunder notwithstanding any assignment of this Contract pursuant to Article 20(b) or otherwise.

(iii) For purposes of this Section 16(c), in order to apportion appropriately any Taxes relating to a Straddle Period, the parties hereto shall, to the extent permitted under Applicable Law, elect with the relevant tax authority to treat for all Tax purposes the Closing Date as the last day of the taxable year or period of the Company and the Subsidiaries. In any case where Applicable Law does not permit the Company or the Subsidiaries to treat the Closing Date as the last day of the taxable year or period, the portion of any Taxes that are allocable to the portion of the Straddle Period ending on the Closing Date shall be:

(1) In the case of Taxes that are imposed on a periodic basis (such as real property taxes), deemed to be the amount of such Taxes for the entire period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period) multiplied by a fraction the numerator of which is the number of calendar days in the Straddle Period ending on (and including) the Closing Date and the denominator of which is the number of calendar days in the entire relevant Straddle Period; and

(2) In the case of Taxes not described in clause (1) above (such as Taxes that are either (x) based upon or related to income or receipts, or (y) imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible), deemed equal to the amount that would be payable if the taxable year or period ended on the Closing Date.

The provisions of this clause (iii) shall not be applicable to the payment of real estate and personal property taxes and assessments on any property owned by the LLCs, provision for which is made elsewhere in this Contract.

(iv) All amounts payable or to be paid by one party hereto to the other party hereof under this Section 16(c) (the "Tax Indemnity Payments") shall be paid in immediately available funds within ten (10) Business Days after the later of (i) receipt of a written request from an Indemnitee entitled to such Tax Indemnity Payment and (ii) the day of payment of the amount that is the subject of the Tax Indemnity Payment by an Indemnitee entitled to receive the Tax Indemnity Payment. The parties agree to treat any indemnification payment made pursuant to this Contract as an adjustment to the Purchase Price for all Tax purposes.

(d) In connection with and as support for (but not in limitation of) Seller's indemnity obligations hereunder, Seller agrees to maintain a net worth of not less than [$100,000,000.00] for a period of three (3) years after Closing; and [$30,000,000] thereafter until the expiration of the Tax Survival Period. If, however, Seller dissolves, liquidates or otherwise reorganizes or the stated term of Seller (as set forth in its organizational documents) expires (each an "Event") prior to the expiration of the Tax Survival Period, then Seller shall reserve (in a manner acceptable to Buyer) [$100,000,000] through the end of such initial three (3) year period after Closing, and [$30,000,000] thereafter until (i) the earlier of the expiration of the Tax Survival Period or until (ii) (x) the expiration of the fourth year after Closing if the Event occurs prior to the expiration of the three (3) year period or (y) one year after the Event if the Event occurs after the expiration of the three (3) year period. Seller shall provide written notice to Buyer at least ninety (90) days prior to the occurrence of an Event other than the expiration of its term and at least one (1) year written notice prior to the expiration of the term of Seller. Furthermore, in the event an unresolved Claim is outstanding at the time this net worth covenant would otherwise be reduced or terminated, Seller shall maintain a net worth or reserve of 125% of the amount of the Claim until the Claim is finally resolved. Such obligation of Seller shall expressly survive Closing and shall be in addition to all other obligations and covenants of Seller hereunder and is not intended to, and shall not in any way be deemed to, limit Seller's indemnity or other covenants or obligations hereunder in amount, time, or scope or otherwise.

(e) Indemnification Procedures

(i) Unless the parties otherwise mutually agree, a claim by any Buyer Indemnitee or Seller Indemnitee (as applicable, the "Indemnitee") for indemnification pursuant to this Article 16 (an "Indemnification Claim") shall be made by the Indemnitee by delivery of a written notice to the indemnifying party (the "Indemnitor") requesting indemnification and reasonably identifying the basis on which indemnification is sought and, if available, the amount (or estimate) of asserted damages and, in the case of a Third Party Claim, as defined below, containing (by attachment or otherwise) such other information as the Indemnitee shall have concerning such Third Party Claim. A "Third Party Claim" means any Litigation instituted against the Indemnitee that, if prosecuted successfully, would be a matter for which the Indemnitee is entitled to indemnification under this Agreement.

(ii) If the Indemnification Claim involves a Third Party Claim, the procedures set forth in Section 16(f) hereof shall be observed by the Indemnitee and Seller.

(iii) If the Indemnification Claim involves a matter other than a Third Party Claim, Indemnitor shall have thirty (30) days to object to such Indemnification Claim by delivery of a written notice of such reasonable objection to the Indemnitee specifying in reasonable detail the basis for such objection. Failure to timely so object shall constitute a final and binding acceptance of the Indemnification Claim by Indemnitor and the Indemnification Claim shall be paid in accordance with Section 16(e)(iv) hereof. If an objection is timely interposed by Seller, then the Indemnitee and Indemnitor shall negotiate in good faith for a period of up to fifteen (15) days from the date (such period is hereinafter referred to as the "Negotiation Period") the Indemnitee receives such objection. After the

Negotiation Period, if Indemnitor and Indemnitee still cannot agree on an Indemnification Claim, either Indemnitor or the Indemnitee may submit the dispute concerning such Indemnification Claim for resolution to arbitration as set forth in Section 16(h); provided, however, nothing herein shall prevent the parties from seeking equitable or injunctive relief in a court of equity with respect to such dispute.

(iv) Upon determination of the amount of an Indemnification Claim that is binding on both Indemnitor and the Indemnitee, Seller shall pay the amount of such Indemnification Claim by wire transfer of immediately available funds within ten (10) days of the date such amount is determined.

(f) Defense of Third Party Claims.

(i) In the event of a Third Party Claim, Indemnitor shall have thirty (30) days (or such lesser time as may be necessary to comply with statutory response requirements for litigation claims that are included in such Third Party Claims provided the Indemnitee has given notice of such Third Party Claim after receipt thereof; provided further that failure of Indemnitee to timely notify Indemnitor will not relieve Indemnitor of its obligations hereunder unless any delay in such notice results in the inability of Indemnitor to defend such Third Party Claim) from receipt of the Indemnification Claim (the "Notice Period") to notify the Indemnitee, (i) whether or not Indemnitor disputes its liability to the Indemnitee with respect to such claim, and (ii) notwithstanding any such dispute, whether or not Indemnitor will, at its sole cost and expense, defend the Indemnitee against such claim.

(ii) In the event that Indemnitor notifies the Indemnitee within the Notice Period that it will defend the Buyer Indemnitee against such claim then, except as hereinafter provided, Indemnitor shall have the right, or at Indemnitee's reasonable election the obligation, to defend the Indemnitee by appropriate proceedings, which proceedings shall be promptly settled or prosecuted by Indemnitor to a final conclusion, provided, Indemnitor shall not agree to any settlement which would result in Indemnitee becoming subject to liability for any other significant matter. If Buyer desires to participate in, but not control, any such defense or settlement, it may do so at its sole cost and expense.

If Buyer desires to participate in, but not control, any such defense or settlement, it may do so at its sole cost and expense. If in the reasonable opinion of the Buyer Indemnitee, any such claim or the litigation or resolution of any such claim involves an issue or matter that could have a future material adverse effect on the Buyer Indemnitee and involves a continuing relationship of Buyer with respect to the Property, Company or LLCs, including, without limitation, a dispute with a current tenant, licensee or governmental entities having jurisdiction over the Property or Company or LLCs with respect to the Property and its ongoing operation, the Buyer Indemnitee shall have the right to jointly participate in the defense or settlement of any such claim or demand and its reasonable costs and expenses shall be included as part of the indemnification obligation of Seller Indemnitor, and no settlement shall be made without the reasonable concurrence of both parties.

(iii) Except where Indemnitor disputes its liability in a timely and reasonable manner under this Section 16(f), Indemnitor shall be conclusively liable for the amount of any loss or other damage resulting from such claim or defense.

(iv) the Indemnitee and Indemnitor shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available records relating to such claim.

(g) Settlement of Third Party Claims. Any settlement of a Third Party Claim shall include an unconditional term releasing the Indemnitee from all liability in respect of such asserted liability.

(h) Arbitration.

(i) Any dispute, controversy or claim arising out of or relating to this Agreement or any related document or the performance by the parties of its or their terms shall be settled by binding arbitration held in Washington, DC. The Commercial Arbitration Rules of the American Arbitration Association are hereby incorporated by reference; provided, however, that the parties do not intend any arbitration hereunder to be administered by the American Arbitration Association. The interpretation and enforceability of this Section 16(h) shall be governed exclusively by the Federal Arbitration Act, 9 U.S.C. § 1-16.

(ii) The panel to be appointed shall consist of three neutral arbitrators. One arbitrator shall be appointed by the Buyer Indemnitee and one arbitrator shall be appointed by Seller within fifteen (15) days after the commencement of the arbitration proceeding. The third arbitrator shall be appointed by mutual agreement of the two selected arbitrators and shall be experienced in corporate contractual and real estate matters relating to transactions of the nature contemplated by this Agreement.

(iii) The arbitrators shall allow such discovery as the arbitrators determine appropriate under the circumstances and shall resolve the dispute as expeditiously as practicable. The Federal Rules of Civil Procedure (the "FRCP") are hereby incorporated by reference for purposes of the discovery process; provided that the FRCP may be waived by the parties by written agreement, or by any appointed arbitrator. The arbitrators shall give the parties written notice of the decision, with the reasons therefor set out, and shall have fifteen (15) days thereafter to reconsider and modify such decision if any party so requests within seven (7) days after the decision. Thereafter, the decision of the arbitrator(s) shall be final, binding, and conclusive with respect to all persons, including persons who have failed or refused to participate in the arbitration process.

(iv) The arbitrators shall have authority to award relief under legal or equitable principles, including interim or preliminary relief, and to allocate responsibility for the costs of the arbitration and to award recovery of attorneys' fees and expenses in such manner as is determined to be appropriate by the arbitrators.

(v) Judgment upon the award rendered by the arbitrators may be entered in any court having *in personam* and subject matter jurisdiction.

(vi) All proceedings under this Section 16(h), and all evidence given or discovered pursuant hereto, shall be maintained in confidence by all parties.

(vii) The fact that the dispute resolution procedures specified in this Section 16(h) shall have been or may be invoked shall not excuse any party from performing its obligations under this Agreement or any related agreement and during the pendency of any such procedure all parties shall continue to perform their respective obligations in good faith, subject to any rights to terminate this Agreement or any related agreement that may be available to any party.

(viii) All applicable statutes of limitation shall be tolled while the procedures specified in this Section 16(h) are pending. The parties will take such action, if any, required to effectuate such tolling.

17. Escrow Provisions. Escrow Agent shall deliver the Deposit to Seller or Buyer promptly after receiving a joint written notice from Seller and Buyer directing the disbursement of the same, such disbursement to be made in accordance with such direction. If Escrow Agent receives written notice from Buyer or Seller that the party giving such notice is entitled to the Deposit, which notice shall describe with reasonable specificity the reasons for such entitlement, then Escrow Agent shall (i) promptly give written notice to the other party of Escrow Agent's receipt of such notice and enclosing a copy of such notice and (ii) subject to the provisions of the following paragraph which shall apply if a conflict arises, on the fourteenth (14th) day after the giving of the notice referred to in clause (i) above, deliver the Deposit to the party claiming the right to receive it; provided further that if Buyer requests a refund of the Initial Deposit on or prior to the expiration of the Due Diligence Period (whether or not such request is also executed by Seller), Escrow Agent shall promptly disburse the Deposit to Buyer in accordance with that request. Buyer and Seller hereby agree to send to the other, a duplicate copy of any written notice sent to Escrow Agent and requesting any such disbursement or countermanding a request for disbursement

In the event that Escrow Agent shall be uncertain as to its duties or actions hereunder or shall receive instructions or a notice from the Buyer or Seller which are in conflict with instructions or a notice from the other party or which, in the reasonable opinion of Escrow Agent, are in conflict with any of the provisions of this Contract, it shall be entitled to take any of the following courses of action:

(i) Hold the Deposit as provided in this Contract and decline to take any further action until Escrow Agent receives a joint written direction from the Buyer and Seller or any order of a court of competent jurisdiction directing the disbursement of the Deposit, in which case Escrow Agent shall then disburse the Deposit in accordance with such direction;

(ii) In the event of litigation between the Buyer and Seller, Escrow Agent may deliver the Deposit to the clerk of any court in which such litigation is pending; or

(iii) Escrow Agent may deliver the Deposit to a court of competent jurisdiction and therein commence an action for interpleader, the cost thereof to Escrow Agent to be borne by whichever of the Buyer or Seller does not prevail in the litigation.

A. Escrow Agent shall not be liable for any action taken or omitted in good faith and believed by it to be authorized or within the rights or powers conferred upon it by this Contract and it may rely, and shall be protected in acting or refraining from acting in reliance upon an opinion of counsel and upon any directions, instructions, notice, certificate, instrument, request, paper or other documents believed by it to be genuine and to have been made, sent, signed or presented by the proper party or parties. Escrow Agent shall be under no obligation to take any legal action in connection with the Deposit or this Contract or to appear in, prosecute or defend any action or legal proceedings which would or might, in its reasonable opinion, involve it in cost, expense, loss or liability unless, in advance, and as often as reasonably required by it. Notwithstanding any other provision of this Contract, the Buyer and Seller jointly indemnify and hold harmless Escrow Agent against any loss, liability or expense incurred without bad faith or negligence on its part and arising out of or in connection with its services under the terms of this Contract, including the cost and expense of defending itself against any claim of liability other than arising out of its bad faith or negligence.

B. Escrow Agent shall not be bound by any modification of this Contract affecting Escrow Agent's duties hereunder unless the same is in writing and signed by the Buyer, Seller and Escrow Agent. From time to time on or after the date of this Contract, the Buyer and Seller shall deliver or cause to be delivered to Escrow Agent such further documents and instruments that fall due, or cause to be done such further acts as Escrow Agent may reasonably request (it being understood that the Escrow Agent shall have no obligation to make any such request) to carry out more effectively the provisions and purposes of this Contract, to evidence compliance with this Contract or to assure itself that it is protected in acting hereunder.

C. Escrow Agent shall serve hereunder without fee for its services as escrow agent, but shall be entitled to reimbursement for its reasonable actual expenses incurred hereunder, which expenses shall be paid and borne equally by the Buyer and Seller. Escrow Agent agrees that it will not seek reimbursement for the services of its employees or partners, but only for its actual and reasonably incurred out-of-pocket expenses.

D. Escrow Agent agrees not to resign unless a substitute Escrow Agent is appointed by the Buyer and Seller and any letters of credit constituting the Deposit are reissued in the name of the substitute Escrow Agent.

18. Notices. Any notice, request, demand, consent, approval and other communications under this Contract shall be in writing, and shall be deemed duly given or made at the time and on the date when received by facsimile (provided that the sender of such communication shall orally confirm receipt thereof by the appropriate parties and send a copy of such communication to the appropriate parties within one (1) business day

of such facsimile) or when personally delivered as shown on receipt therefor (which shall include delivery by a nationally recognized overnight delivery service) or three (3) business days after being mailed by prepaid registered or certified mail, return receipt requested, to the address for each party set forth below. Any party, by written notice to the other in the manner herein provided, may designate an address different from that set forth below.

Capitalized terms which are not defined in this Note shall have the meanings set forth in the Deed of Trust.

1. Payment of Principal and Interest. Principal and interest under this Note shall be payable as follows:

(a) Interest on the funded portion of the Loan Amount shall accrue from the Advance Date at the Interest Rate and shall be paid on the fast day of the first calendar month following the Advance Date;

(b) Commencing on the Interest Installment Date and on the first day of each calendar month thereafter, to and including the first day of the calendar month immediately preceding the Maturity Date, Borrower shall pay the Monthly Installment; and

(c) On the Maturity Date, a final payment in the aggregate amount of the unpaid principal sum evidenced by this Note, all accrued and unpaid interest, and all other sums evidenced by this Note or secured by the Deed of Trust and/or any other Loan Documents as well as any future loans or advances under the Deed of Trust that may be made to or on behalf of Borrower by Holder following the Advance Date (collectively, the "Secured Indebtedness"), shall become immediately payable in full.

Borrower acknowledges and agrees that the entire original Loan Amount shall be outstanding and due on the Maturity Date.

Interest shall be calculated on the basis of a thirty (30) day month and a three hundred sixty (360) day year, except that (i) if the Advance Date occurs on a date other than the first day of a calendar month, interest payable for the period commencing on the Advance Date and ending on the last day of the month in which the Advance Date occurs shall be calculated on the basis of the actual number of days elapsed over a 365-day or 366-day year, as applicable, and (ii) if the Maturity Date occurs on a date other than the last day of the month, interest payable for the period commencing on the first day of the month in which the Maturity Date occurs and ending on the Maturity Date shall be calculated on the basis of the actual number of days elapsed over a 365-day or 366-day year, as applicable.

2. Application of Payments. At the election of Holder, and to the extent permitted by law, all payments shall be applied in the order selected by Holder to any expenses, prepayment fees, late charges, escrow deposits and other sums due and payable under the Loan Documents, and to unpaid interest at the Interest Rate or at the Default Rate, as applicable. The balance .of any payments shall be applied to reduce the then unpaid Loan Amount.

3. Security. This Note is secured by the Deed of Trust and other instruments. This Note shall evidence, and the Deed of Trust shall secure, the Secured Indebtedness.

4. Late Charge. If any payment of a Monthly Installment or any payment of a required escrow deposit is not paid within seven (7) days of the due date, Holder shall have the option to charge the Borrower the Late Charge. The Late Charge is for the purpose of defraying the expenses incurred in connection with handling and processing delinquent payments and is payable in addition to any other remedy Holder may have. Unpaid Late Charges shall become part of the Secured Indebtedness and shall be added to any subsequent payments due under the Loan Documents.

5. Acceleration Upon Default. At the option of Holder, if Borrower fails to pay any sum specified in this Note within seven (7) days after the due date or if any other Event of Default occurs, the Secured Indebtedness, and all other sums evidenced and/or secured by the Loan Documents, including without limitation any applicable prepayment fees (collectively, the "Accelerated Loan Amount") shall become immediately due and payable.

6. Interest Upon Default. The Accelerated Loan Amount shall bear interest at the Default Rate which shall never exceed the maximum rate of interest permitted to be contracted for under the laws of the State. The Default Rate shall commence upon the occurrence of an Event of Default and shall continue until all defaults are cured.

7. Limitation on Interest. The agreements made by Borrower with respect to this Note and the other Loan Documents are expressly limited so that in no event shall the amount of interest received, charged or contracted for by Holder exceed the highest lawful amount of interest permissible under the laws applicable to the Loan. If at any time performance of any provision of this Note or the other Loan Documents results in the highest lawful rate of interest permissible under applicable laws being exceeded, then the amount of interest received, charged or contracted for by Holder shall automatically and without further action by any party be deemed to have been reduced to the highest lawful amount of interest then permissible under applicable laws. If Holder shall ever receive, charge or contract for, as interest, an amount which is unlawful, at Holder's election, the amount of unlawful interest shall be refunded to Borrower (if actually paid) or applied to reduce the then unpaid Loan Amount. To the fullest extent permitted by applicable laws, any amounts contracted for, charged or received under the Loan Documents included for the purpose of determining whether the Interest Rate would exceed the highest lawful rate shall be calculated by allocating and spreading such interest to and over the full stated term of this Note.

8. Prepayment. Borrower shall not have the right to prepay all or any portion of the Loan Amount at any time during the term of this Note except as expressly set forth in the Defined Terms. If Borrower provides notice of its intention to prepay (a "Prepayment Notice"), the Secured Indebtedness shall become due and payable on the date specified in the Prepayment Notice; provided, however, that during the period ending thirty (30) days after Holder receives a Prepayment Notice, Borrower may rescind such Prepayment Notice by written notice to Holder of such rescission; thereafter the Prepayment Notice shall be irrevocable.

9. Prepayment Fee.

(a) Any tender of payment by Borrower or any other person or entity of the Secured Indebtedness, other than as expressly provided in the Loan Documents, shall constitute a prohibited prepayment. If a prepayment of all or any part of the Secured Indebtedness is made (i) following an Event of Default and an acceleration of the Maturity Date, or (ii) in connection with a sale of the Property or a repayment of the Secured Indebtedness at any time before, during or after, a judicial or non judicial foreclosure or sale of the Property, then to compensate Holder for the loss of the investment, Borrower shall pay an amount equal to the Prepayment Fee (as hereinafter defined). No Prepayment Fee shall be charged with respect to the application of money to the principal of the Loan as the result of a casualty or condemnation.

(b) The "Prepayment Fee" shall be the greater of (A)(x) the present value of all remaining payments of principal and interest including the outstanding principal due on the Maturity Date, discounted at the rate which, when compounded monthly, is equivalent to the Adjusted Treasury Rate compounded semi-annually, less (y) the amount of the principal then outstanding, or (B) one percent (1%) of the amount of the principal being prepaid.

(c) The "Treasury Rate" shall be the annualized yield on securities issued by the United States Treasury having a maturity equal to the remaining stated term of this Note, as quoted in the Federal Reserve Statistical Release [H. 15 (519)] under the heading "U.S. Government Securities—Treasury Constant Maturities" for the date on which prepayment is being made. If this rate is not available as of the date of prepayment, the Treasury Rate shall be determined by interpolating between the yield on securities of the next longer and next shorter maturity. If the Treasury Rate is no longer published, Holder shall select a comparable rate.

(d) “Adjusted Treasury Rate” shall mean the Treasury Rate plus 25 basis points (one-quarter of one percentage point); provided, however, that if the prepayment occurs during the period commencing on the first day of the 49th month following the Advance Date and ending on the day which is 90 days prior to the Maturity Date, “Adjusted Treasury Rate” shall mean the Treasury Rate plus 50 basis points (one-half of one percentage point).

(e) Holder will, upon request, provide an estimate of the amount of the Prepayment Fee two (2) weeks before the date of the scheduled prepayment.

10. Waiver of Right to Prepay Note Without Prepayment Fee. Borrower acknowledges that Holder has relied upon the anticipated investment return under this Note in entering into transactions with, and in making commitments to, third parties and that the tender of any prohibited prepayment shall, to the extent permitted by law, include the- Prepayment Fee. Borrower agrees that the Prepayment Fee represents the reasonable estimate of Holder and Borrower of a fair average compensation for the loss that may be sustained by Holder as a result of a prohibited prepayment of this Note and it shall be paid without prejudice to the right of Holder to collect any other amounts provided to be paid under the Loan Documents.

BORROWER EXPRESSLY (A) WAIVES ANY RIGHTS IT MAY HAVE TO PREPAY THIS NOTE, IN WHOLE OR IN PART, WITHOUT FEE OR PENALTY, UPON ACCELERATION OF THE MATURITY DATE OF THIS NOTE, AND (B) AGREES THAT IF, FOR ANY REASON, A PREPAYMENT OF THIS NOTE IS MADE, UPON OR FOLLOWING ANY ACCELERATION OF THE MATURITY DATE OF THIS NOTE BY HOLDER ON ACCOUNT OF ANY DEFAULT BY BORROWER UNDER ANY LOAN DOCUMENT, INCLUDING BUT NOT LIMITED TO ANY TRANSFER, FURTHER ENCUMBRANCE OR DISPOSITION WHICH IS PROHIBITED OR RESTRICTED BY THE DEED OF TRUST, THEN BORROWER SHALL BE OBLIGATED TO PAY CONCURRENTLY THEREWITH THE PREPAYMENT FEE SPECIFIED IN SECTION 9.

11. Liability of Borrower. Upon the occurrence of an Event of Default, except as provided in this Section 11, Holder will look solely to the Property and the security under the Loan- Documents for the repayment of the Loan and will not enforce a deficiency judgment against Borrower. However, nothing contained in this section shall limit the rights of Holder to enforce any policies of insurance or to proceed against Borrower and the general partners of Borrower, if any, and/or the Liable Parties or any one or more of them (i) to enforce any Leases entered into by Borrower or its affiliates as tenant, guarantees, or other agreements entered into by Borrower in a capacity other than as borrower, (ii) to recover damages for fraud, material misrepresentation, material breach of warranty or waste committed by Borrower or any constituent thereof; (iii) to recover any Condemnation Proceeds or Insurance Proceeds or other similar funds which have been misapplied by Borrower or which, under the terms of the Loan Documents, should have been paid to Holder, (iv) to recover any tenant security deposits, tenant letters of credit or other deposits or refundable fees paid to Borrower that are part of the collateral for the Loan or prepaid rents for a period of more than 30 days which have not been delivered to Holder unless applied in accordance with the Leases prior to an Event of Default; (v) to recover Rents and Profits received by Borrower after the first day of the month in which an Event of Default occurs and prior to the date Holder acquires title to the Property which have not been applied to the Loan or in accordance with

the Loan Documents to operating and maintenance expenses of the Property; .(vi) to recover damages, costs and expenses arising from, or in connection with, any breach of a covenant contained in Article 6 of the Deed of Trust or the Unsecured Indemnity Agreement; (vii) to recover any amount expended by Holder in connection with a foreclosure or trustee's sale under the Deed of Trust; (viii) to recover damages arising from Borrower's failure to comply with Section 8.1 of the Deed of Trust pertaining to ERISA; and/or (ix) to recover damages, costs and expenses arising from, or in connection with, Borrower's failure to pay any Impositions or Premiums.

The limitation of liability set forth in this Section 11 shall not apply and the Loan shall be fully recourse in the event that prior to the indefeasible repayment in full of the Secured Indebtedness, (i) Borrower commences a voluntary bankruptcy or insolvency proceeding, or (ii) an involuntary bankruptcy or insolvency proceeding is commenced against Borrower, and Borrower or any related party has directly or indirectly encouraged, participated with, or colluded with the parties filing such involuntary bankruptcy or insolvency proceeding to file such proceeding. In addition, this agreement shall not waive any rights which Holder would have under any provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Secured. Indebtedness or to require that the Property shall continue to secure all of the Secured Indebtedness.

12. Waiver by Borrower. Borrower and others who may become liable for the payment of all or any part of this Note, and each of them, waive diligence, demand, presentment for payment, notice of nonpayment, protest, notice of dishonor and notice of protest, notice of intent to accelerate and notice of acceleration and specifically consent to and waive notice of any amendments, modifications, renewals or extensions of this Note, including the granting of extension of time for payment, whether made to or in favor of Borrower or any other person or persons.

13. Exercise of Rights. No single or partial exercise by Holder, or delay or omission in the exercise by Holder, of any right or remedy under the Loan Documents shall waive or limit the exercise of any such right or remedy. Holder shall at all times have the right to proceed against any portion of or interest in the Property in the manner that Holder may deem appropriate, without waiving any other rights or remedies. The release of any party under this Note shall not operate to release any other party which is liable under this Note and/or under the other Loan Documents or under the Unsecured Indemnity Agreement.

14. Fees and Expenses. If Borrower defaults under this Note, Borrower shall be personally liable for and shall pay to Holder, in addition to the sums stated above, the costs and expenses of enforcement and collection, including a reasonable sum as an attorney's fee. This obligation is not limited by Section 11.

15. No Amendments. This Note may not be modified or amended except in a writing executed by Borrower and Holder. No waivers shall be effective unless they are set forth in a writing signed by the party which is waiving a right. This Note and the other Loan Documents are the final expression of the lending relationship between Borrower and Holder and there is no unwritten agreement with respect to the subject matter of the Loan.

16. Governing Law. This Note is to be construed and enforced in accordance with the laws of the State in which the Property is located

17. Construction. The words “Borrower” and “Holder” shall be deemed to include their respective heirs, representatives, successors and assigns, and shall denote the singular and/or plural, and the masculine and/or feminine, and natural and/or artificial persons, as appropriate. The provisions of this Note shall remain in full force and effect notwithstanding any changes in the shareholders, partners or members of Borrower. If more than one party is Borrower,-the obligations of each party shall be joint and several. The captions in this Note are inserted only for convenience of reference and do not expand, limit or define the scope or intent of any section of this Note.

18. Notices. All notices, demands, requests and consents permitted or required under this Note shall be given in the manner prescribed in the Deed of Trust.

19. Time of the Essence. Time shall be of the essence with respect to all of Borrower’s obligations under this Note.

20. Severability. If any provision of this Note should be held unenforceable or void, then that provision shall be deemed separable from the remaining provisions and shall not affect the validity of this Note, except that if that provision relates to the payment of any monetary sum, then Holder may, at its option, declare the Secured Indebtedness (together with the Prepayment Fee) immediately due and payable.

IN WITNESS WHEREOF, Borrower has executed this Note as of the Execution Date..

(b) Grantor represents and warrants that it is duly organized, validly existing and is in good standing under the laws of the state of its formation and in the State, that its exact legal name, the state of its formation and the state of its chief executive office (or place of business, if it has only one place of business) are correctly stated in the Defined Terms, and that it has all necessary licenses, authorizations, registrations, permits and/or approvals to own its properties and to carry on its business as presently conducted.

(c) Grantor represents and warrants that the execution, delivery and performance of the Loan Documents and the Indemnity Agreement will not result in Grantor being in default under any provision of its organizational documents or of any deed of trust, mortgage, lease, credit or other agreement to which it is a party or which affects it or the Property.

(d) Grantor represents and warrants that the Loan Documents and the Indemnity Agreement have been duly authorized, executed and delivered by Grantor and constitute valid and binding obligations of Grantor which are enforceable in accordance with their terms.

2.3 WARRANTY OF TITLE.

(a) Grantor represents and warrants that it holds marketable and indefeasible fee simple absolute title to the Real Property, and that it has the right and is lawfully authorized to sell, convey or encumber the Property subject only to those specific exceptions to title recorded in the real estate records of the State and contained in Schedule-B of the title insurance policy or policies which have been approved by Beneficiary. (the "Permitted Exceptions"). The Property is free from all due and unpaid taxes, assessments and mechanics' and materialmen's liens.

(a) Unless otherwise paid to Beneficiary as provided in Section 2.5, Grantor shall pay all real estate and other taxes and assessments which may be payable, assessed, levied, imposed upon or become a lien on or against any portion of the Property (all of the foregoing items are collectively referred to as the "imposition(s)"). The Impositions shall be paid not later than ten (10) days before the dates on which the particular Imposition would become delinquent and Grantor shall produce to Beneficiary receipts of the imposing authority, or other evidence reasonably satisfactory to Beneficiary, evidencing the payment of the Imposition in full. If Grantor elects by appropriate legal action to contest any Imposition, Grantor shall first deposit cash with Beneficiary as a reserve in an amount which Beneficiary determines is sufficient to pay the Imposition plus all fines, interest, penalties and costs which may become due pending the determination of the contest. If Grantor deposits this sum with Beneficiary, Grantor shall not be required to pay the Imposition provided that the contest operates to prevent enforcement or collection of the Imposition, or the sale or forfeiture of, the Property, and is prosecuted with due diligence and continuity. Upon termination of any proceeding or contest, Grantor shall pay the amount of the Imposition as finally determined in the proceeding or contest Provided that there is not then an Event of Default (as defined in Section 11.1), the monies which have been deposited with Beneficiary pursuant to this Section shall be applied toward such payment and the excess, if any, shall be returned to Grantor.

Notwithstanding the preceding sentence, Beneficiary's election to accelerate the Loan shall not be effective if (1) Grantor is permitted by law (including, without limitation, applicable interest rate laws) to, and actually does, pay the Imposition or the increased portion of the Imposition and (2) Grantor agrees in writing to pay or reimburse Beneficiary in accordance with Section 11.6 for the payment of any such Imposition which becomes payable at any time when the Loan is outstanding.

2.5 ESCROW DEPOSITS. Without limiting the effect of Section 2.4 and Section 3.1, Grantor shall pay to Beneficiary monthly on the same date the monthly installment is payable under the Note, an amount equal to $^1/_{12}$th of the amounts Beneficiary reasonably estimates are necessary to pay, on an annualized basis, (1) all Impositions and (2) the premiums for the insurance policies required under this Deed of Trust (collectively the "Premiums") until such time as Grantor has deposited an amount equal to the annual charges for these items and on demand, from time to time, shall pay to Beneficiary any additional amounts necessary to pay the Premiums and Impositions. Grantor will furnish to Beneficiary bills for Impositions and Premiums thirty (30) days before Impositions become delinquent and such Premiums become due for payment. No amounts paid as Impositions or Premiums shall be deemed to be trust funds and these funds may be commingled with the general funds of Beneficiary. Beneficiary shall not be required to pay interest to Grantor on account of these funds. If an Event of Default occurs, Beneficiary shall have the right, at its election, to apply any amounts held under this Section 2.5 in reduction of the Secured Indebtedness, or in payment of the Premiums or Impositions for which the amounts were deposited. However, with respect to deposits of Premiums, Grantor shall not be required to make these deposits unless (i) at any time Grantor fails to furnish to Beneficiary, not later than thirty (30) days before the dates on which any Premiums would become delinquent, receipts for the payment of the Premiums, or (ii) Grantor fails to provide, not later than thirty (30) days prior to expiration of any policy required under the Loan Documents, appropriate proof of issuance of a new policy which continues in force the insurance coverage of the expiring policy, or (iii) there is an Event of Default, or (iv) such deposits are required in connection with a securitization or participation of the Loan, or (v) Grantor no longer owns the Property, or (vi) there has been a change in Grantor or in the general partners, shareholders or members of Grantor or in the constituent general partners or controlling shareholders or controlling members of any of the entities comprising Grantor (other than transfers permitted under Section 10.1). In the event any of these events occur, Beneficiary reserves the right to require deposits of Premiums at any time in its absolute discretion notwithstanding the fact that the default may be cured, or that the transfer or change be approved by Beneficiary. In addition, with respect to deposits of Impositions, Grantor shall not be required to make these deposits unless (i) there is an Event of Default, or (ii) such deposits are required in connection with a securitization or participation of the Loan, or (iii) Grantor no longer owns the Property, or (iv) there has been a change in Grantor or in the general partners, shareholders or members of Grantor or in the constituent general partners or controlling shareholders or controlling members of any of the entities comprising Grantor (other than transfers permitted under Section 10.1). (e) Grantor will faithfully perform each and every covenant to be performed by Grantor under any lien or encumbrance affecting the Property including, without limiting the generality hereof, mortgages, deeds of trust, leases, easements, declarations or covenants, conditions and/or restrictions and other agreements which affect the Property, in law or in equity.

Beneficiary may apply the proceeds of the additional security to the Secured Indebtedness without affecting or waiving any right to any other security, including the security under this Deed of Trust, and without waiving any breach or default of Grantor under this Deed of Trust or any other Loan Document.

2.8 SUITS AND OTHER ACTS TO PROTECT THE PROPERTY.

Grantor shall deliver evidence satisfactory to Beneficiary of payment of premiums due under the insurance policies.

(c) Certified copies of the policies, and any endorsements, shall be made available for inspection by Beneficiary upon request. (d) Grantor shall be required during the term of the Loan to continue to provide Beneficiary with original renewal policies or replacements of the insurance policies referenced in Section 3.1(a). Beneficiary may accept Certificates of Insurance evidencing insurance policies referenced in Subsections (a)(ii), (a)(iv), and (a)(vi) of this Section 3.1 instead of requiring the actual policies. Beneficiary shall be provided with renewal Certificates of Insurance, or Binders, not less than fifteen (15) days prior to each expiration. The failure of Grantor to maintain the insurance required under this Article 3 shall not constitute a waiver of Grantor's obligation to fulfill these requirements.

(e) All binders, policies, endorsements, certificates, and cancellation notices are to be sent to the Address for Insurance Notification as set forth in the Defined Terms until changed by notice from Beneficiary.

3.2 ADJUSTMENT OF CLAIMS. Grantor hereby authorizes and empowers Beneficiary to settle, adjust or compromise any claims for damage to, or loss or destruction of, all or a portion of the Property, regardless of whether there are Insurance Proceeds available or whether any such Insurance Proceeds are sufficient in amount to fully compensate for such damage, loss or destruction. Notwithstanding the foregoing, so long as no Event of Default (or any event which with notice and/or the opportunity to cure would constitute an Event of Default) has occurred and is continuing, and so long as Beneficiary's security shall not be impaired, (a) Grantor may settle any such claims involving less than $325,000.00 without the consent of Beneficiary, and (b) Grantor may negotiate for a settlement, adjustment or compromise of any such claims involving $325,000.00 or more provided that the final settlement shall be subject to the written approval of Beneficiary in its sole and absolute discretion.

3.3 ASSIGNMENT TO BENEFICIARY. In the event of the foreclosure of this Deed of Trust or other transfer of the title to the Property in extinguishment of the Secured Indebtedness, all right, title and interest of Grantor in and to any insurance policy, or premiums or payments in satisfaction of claims or any other rights under these insurance policies and any other insurance policies covering the Property shall pass to the transferee of the Property.

(a) There are no leases or occupancy agreements affecting the Property except those leases and amendments listed on Exhibit B to the Assignment of Leases and Grantor has delivered to Beneficiary true, correct and complete copies of all existing leases, including amendments (collectively, “Existing Leases”) and all guaranties and amendments of guaranties given in connection with the Existing Leases (the “Guaranties”).

(b) There are no material defaults by Grantor under the Existing Leases or Guaranties and, to the best knowledge of Grantor, except as may have been disclosed to Beneficiary in the tenant estoppel certificates delivered to Beneficiary in connection with the Loan, there are no material defaults by any tenants under the Existing Leases or any guarantors under the Guaranties. The Existing Leases and the Guaranties are in full force and effect.

(c) To the best knowledge of Grantor, none of the tenants now occupying ten percent (10%) or more of the Property or having a current lease affecting ten percent (10%) or more of the Property is the subject of any bankruptcy, reorganization or insolvency proceeding or any other debtor-creditor proceeding.

(d) Except as specifically set forth in the Existing Leases, no Existing Leases may be amended, terminated or canceled unilaterally by a tenant and no tenant may be released from its obligations, except in the event of (i) material damage to, or destruction of, the Property or (ii) condemnation.

5.2 ASSIGNMENT OF LEASES. In order to further secure payment of the Secured Indebtedness and the performance of Grantor's obligations under the Loan Documents, Grantor absolutely, presently and unconditionally grants, assigns and transfers to Beneficiary all of Grantor's right, title, interest and estate in, to and under (i) all of the Existing Leases and Guaranties affecting the Property and (ii) all of the future leases, lease amendments, guaranties and amendments of guaranties and (iii) the Rents and Profits. Grantor acknowledges that it is permitted to collect the Rents and Profits pursuant to a revocable license unless and until an Event of Default occurs. The Existing Leases and Guaranties and all future leases, lease amendments, guaranties and amendments of guaranties are collectively referred to as the "Leases."

5.3 PERFORMANCE OF OBLIGATIONS.

(a) Grantor shall perform all material obligations under any and all Leases. If any of the acts described in this Section are done without the written consent of Beneficiary, at the option of Beneficiary, they shall be of no force or effect and shall constitute a default under this Deed of Trust.

(b) Upon request of Beneficiary, Grantor agrees to furnish Beneficiary executed copies of all future Leases entered into which affect the Property.

(c) Grantor shall not, without the express written consent of Beneficiary, (i) enter into or extend any Lease unless the Lease complies with the Leasing Guidelines which are attached to this Deed of Trust as Exhibit B (provided, however, that the foregoing shall not prohibit Grantor from allowing the extension of any Leases pursuant to any extension options existing under the Existing Leases or Leases hereafter entered into in accordance with the terms hereof), or (ii) cancel or terminate any Leases or accept a surrender of any Leases except in the case of a default unless Grantor has entered into new Leases covering all of the premises of the Leases being terminated or surrendered or unless specifically permitted under any Existing Leases or Leases hereafter entered into in accordance with the terms hereof, or (iii) modify or amend any Leases in any material way or reduce the rent (unless any such Lease following such modification, amendment or reduction shall remain in compliance with the

Leasing Guidelines), or (iv) unless the tenants remain liable under the Leases, consent to an assignment of the tenant's interest or to a subletting of any of the Leases, or (v) accept payment of advance rents in an amount in excess of one month's rent under any Lease. In the event that (i) Grantor has delivered to Beneficiary a written request for Beneficiary's approval of a Lease or other leasing matter together with a summary of the business terms of such Lease or other leasing matter by a method which provides evidence of delivery, such as certified mail or a recognized national overnight delivery service, (ii) Beneficiary has failed to respond to such request within five (5) business days after Beneficiary's receipt of such request, and (iii) Grantor has delivered to Beneficiary a second copy of such request by such a method, then, if Beneficiary has failed to respond to such second request within five (5) business days after Beneficiary's receipt of such request, such request shall be deemed approved, provided that each such request included a legend prominently displayed at the top of the first page thereof in solid capital letters in bold face type of a font size not less than twelve (12) as follows: **"WARNING: PURSUANT TO SECTION 53 OF THE DEED OF TRUST, YOU WILL BE DEEMED TO HAVE APPROVED THIS REQUEST IF YOU DO NOT RESPOND WITHIN FIVE (5) BUSINESS DAYS AFTER RECEIPT."**

(d) Grantor shall not, without the express written consent of Beneficiary enter into any options to purchase the Property.

5.4 SUBORDINATE LEASES. Each Lease hereafter entered into affecting the Property shall be absolutely subordinate to the lien of this Deed of Trust and shall also contain a provision, satisfactory to Beneficiary, to the effect that (a) Beneficiary may elect to make such Lease superior to the lien of this Deed of Trust and (b) in the event of the judicial or non judicial foreclosure of the Property, at the election of the acquiring foreclosure purchaser, the particular Lease shall not be terminated and the tenant shall attorn to the purchaser subject to the terms of such Lease. If requested to do so, the tenant shall agree to enter into a new Lease for the balance of the term upon the same terms and conditions. If Beneficiary requests, Grantor shall cause a tenant or tenants to enter into subordination and attornment agreements or nondisturbance agreement with Beneficiary on forms which have been approved by Beneficiary and Beneficiary shall negotiate such forms in good faith at Grantor's cost, including payment of the reasonable fees of Beneficiary's counsel. In addition, Beneficiary agrees to provide a nondisturbance agreement to any tenant (and to negotiate such agreement in good faith at Grantor's cost, including payment of the reasonable fees of Beneficiary's counsel), provided that such tenant's Lease is approved by Beneficiary. Following the date hereof, Grantor shall request and use reasonable efforts to obtain a subordination, nondisturbance and attornment agreement on forms which have been approved by Beneficiary from each tenant under a Lease in effect on the date hereof who has not yet provided such an agreement.

5.5 MANAGEMENT FEES. Grantor covenants and agrees that all contracts and agreements relating to the Property requiring the payment of management fees or other similar compensation shall (i) provide that the obligation will not be enforceable against Beneficiary and (ii) be subordinate to the lien of this Deed of Trust. Beneficiary will be provided evidence of Grantor's compliance with this Section upon request.

6.2 REMEDIAL WORK. In the event any investigation or monitoring of site conditions or any clean-up, containment, restoration, removal or other remedial work (collectively, the “Remedial Work”) is required under any Requirements of Environmental Laws, Grantor shall perform or cause to be performed the Remedial Work in compliance with the applicable law, regulation, order or agreement. All Remedial Work shall be performed by one or more contractors, selected by Grantor and approved in advance in writing by Beneficiary, and under the supervision of a consulting engineer, selected by Grantor and approved in advance in writing by Beneficiary. Any such assessment and/or testing shall be at the sole expense of Grantor if an Event of Default has occurred and is continuing or if Beneficiary reasonably believes that Hazardous Materials are present in, on, under or from the Property. Grantor shall cooperate fully with Beneficiary and its consultants performing such assessments and tests.

6.4 UNSECURED OBLIGATIONS. No amounts which may become owing by Grantor to Beneficiary under this Article 6 or under any other provision of this Deed of Trust as a result of a breach of or violation of this Article 6 shall be secured by this Deed of Trust. The obligations shall continue in full force and effect and any breach of this Article 6 shall constitute a default under this Deed of Trust. The lien of this Deed of Trust shall not secure (1) any obligations evidenced by or arising under the Indemnity Agreement ("Unsecured Obligations"), or (ii) any other obligations to the extent that they are the same or have the same effect as any of the Unsecured Obligations. The Unsecured Obligations shall continue in full force, and any breach or default of any such obligations shall constitute a breach or default under this Deed of Trust but the proceeds of any foreclosure sale shall not be applied against Unsecured Obligations. Nothing in this Section shall in any way limit or otherwise affect the right of Beneficiary to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure, notwithstanding that the deficiency judgment may result from diminution in the value of the Property by reason of any event or occurrence pertaining to Hazardous Materials or any Requirements of Environmental Laws.

7.1 GRANTOR'S REPRESENTATIONS. Grantor represents and warrants as follows:

(a) Except as expressly approved by Beneficiary in writing, no casualty or damage to any part of the Property which would cost more than $50,000 to restore or replace has occurred which has not been fully restored or replaced.

(b) No part of the Property has been taken in condemnation or other similar proceeding or transferred in lieu of condemnation, nor has Grantor received notice of any proposed condemnation or other similar proceeding affecting the Property.

(c) There is no pending proceeding for total or partial condemnation of the Property.

7.2 RESTORATION.

(a) Grantor shall give prompt written notice of any casualty to the Property to Beneficiary whether or not required to be insured against. The notice shall describe the nature and cause of the casualty and the extent of the damage to the Property. Grantor covenants and agrees to commence and diligently pursue to completion the Restoration.

(b) Grantor assigns to Beneficiary all Insurance Proceeds which Grantor is entitled to receive in connection with a casualty whether or not such insurance is required under this Deed of Trust. In the event of any damage to or destruction of the Property, and provided (1) an Event of Default does not currently exist, and (2) Beneficiary has determined that (i) there has not been an Impairment of the Security (as defined in Section 7.2(c)), and (ii) the repair, restoration and rebuilding of any portion of the Property that has been partially damaged or destroyed (the "Restoration") can be accomplished in full compliance with all Requirements to the same condition, character and general utility as nearly as possible to that existing prior to the casualty and at least equal in value as that existing prior to the casualty, then the Net Insurance Proceeds shall be applied to the cost of Restoration in accordance with the terms of this Article. Beneficiary shall hold and disburse the Insurance Proceeds less the cost, if any, to Beneficiary of recovering the Insurance Proceeds including, without limitation, reasonable attorneys' fees and expenses, and adjusters' fees (the "Net Insurance Proceeds") to the Restoration.

(c) For the purpose of this Article, "Impairment of the Security" shall mean any or all of the following: (i) any of the Leases covering more than 20,000 square feet existing immediately prior to the damage, destruction, condemnation or casualty shall have been cancelled, or shall contain any exercisable right to cancel as a result of the damage, destruction or casualty (and the tenant thereunder shall not have waived or be deemed to have waived such right); (ii) the casualty or damage occurs during the last year of the term of the Loan; or (iii) restoration of the Property is estimated to require more than one year to complete from the date of the occurrence.

(d) If the Net Insurance Proceeds are to be used for the Restoration in accordance with this Article, Grantor shall comply with Beneficiary's Requirements For Restoration as set forth in Section 7.4 below. Upon Grantor's satisfaction and completion of the Requirements For Restoration and upon confirmation that there is no Event of Default then existing, Beneficiary shall pay any remaining Restoration Funds (as defined in Section 7.4 below) then held by Beneficiary to Grantor.

(e) In the event that the conditions for Restoration set forth in this Section have not been met, Beneficiary may, at its option, apply the Net Insurance Proceeds to the reduction of the Secured Indebtedness in such order as Beneficiary may determine and Beneficiary may declare the entire Secured Indebtedness immediately due and payable, without the payment of the Prepayment Fee, as defined in the Note. After payment in full of the Secured Indebtedness, any remaining Restoration Funds shall be paid to Grantor.

7.3 CONDEMNATION.

(a) If the Property or any part of the Property is taken by reason of any condemnation or similar eminent domain proceeding, or by a grant or conveyance in lieu of condemnation or eminent domain ("Condemnation"), Beneficiary shall be entitled to all compensation, awards, damages, proceeds and payments or relief for the Condemnation ("Condemnation Proceeds"). At its option, Beneficiary shall be entitled to commence, appear in and prosecute in its own name any action or proceeding or to make any compromise or settlement in connection with such Condemnation. Grantor hereby irrevocably constitutes and appoints Beneficiary as its attorney-in-fact, which appointment is coupled with an interest, to commence, appear in and prosecute any action or proceeding or to make any compromise or settlement in connection with any such Condemnation. Notwithstanding the foregoing, so long as no Event of Default (or any event which with notice and/or the opportunity to cure would constitute an Event of Default) has occurred and is continuing, and so long as Beneficiary's security shall not be impaired, (i) Grantor may settle any such Condemnation involving less than $325,000.00 without the consent of Beneficiary, and (ii) Grantor may negotiate for a settlement, adjustment or compromise of any such Condemnation involving $325,000.00 or more provided that the final settlement shall be subject to the written approval of Beneficiary in its sole and absolute discretion.

(b) Grantor assigns to Beneficiary all Condemnation Proceeds which Grantor is entitled to receive. In the event of any Condemnation, and provided (1) an Event of Default does not currently exist, and (2) Beneficiary has determined that (i) there has not been an Impairment of the Security, and (ii) the Restoration of any portion of the Property that has not been taken can be accomplished in full compliance with all Requirements to the same condition, character and general utility as nearly as possible to that existing prior to the taking and at least equal in value as that existing prior to the taking, then Grantor shall commence and diligently pursue to completion the Restoration. Beneficiary shall hold and disburse the Condemnation Proceeds less the cost, if any, to Beneficiary of recovering the Condemnation Proceeds including, without limitation, reasonable attorneys' fees and expenses, and adjusters' fees (the "Net Condemnation Proceeds") to the Restoration.

(c) In the event the Net Condemnation Proceeds are to be used for the Restoration, Grantor shall comply with Beneficiary's Requirements For Restoration as set forth in Section 7.4 below. Upon Grantor's satisfaction and completion of the Requirements For Restoration and upon confirmation that there is no Event of Default then existing, Beneficiary shall pay any remaining Restoration Funds (as defined in Section 7.4 below) then held by Beneficiary to Grantor.

(d) In the event that the conditions for Restoration set forth in this Section have not been met, Beneficiary may, at its option, apply the Net Condemnation Proceeds to the reduction of the Secured Indebtedness in such order as Beneficiary may determine and Beneficiary may declare the entire Secured Indebtedness immediately due and payable, without the payment of the Prepayment Fee. After payment in full of the Secured Indebtedness, any remaining Restoration Funds shall be paid to Grantor.

(i) Architect shall be in charge of the Work;

(ii) Beneficiary shall disburse the Restoration Funds directly or through escrow with a title company selected by Grantor and approved by Beneficiary, upon not less than ten (10) days' prior written notice from Grantor to Beneficiary and Grantor's delivery to Beneficiary of (A) Grantor's written request for payment (a "Request for Payment") accompanied by a certificate by Architect in a form satisfactory to Beneficiary which states that (a) all of the Work completed to that date has been completed in compliance with the Approved Plans and Specifications and in accordance with all Requirements, (b) the amount requested has been paid or is then due and payable and is properly a part of the cost of the Work and (c) when added to all sums previously paid by Beneficiary, the requested amount does not exceed the value of the Work completed to the date of such certificate; and (B) evidence satisfactory to Beneficiary that the balance of the Restoration Funds remaining after making the payments shall be sufficient to pay the balance of the cost of the Work. (iv) If (A) within sixty (60) days after the occurrence of any damage, destruction or condemnation requiring Restoration, Grantor fails to submit to Beneficiary and receive Beneficiary's approval of plans and specifications or fails to deposit with Beneficiary the additional amount necessary to accomplish the Restoration as provided in subparagraph (a) above, or (B) after such plans and specifications are approved by all such governmental authorities and Beneficiary, Grantor fails to commence promptly or diligently continue to completion the Restoration, or (C) Grantor becomes delinquent in payment to mechanics, materialmen or others for the costs incurred in connection with the Restoration, or (D) there exists an Event of Default, then, in addition to all of the rights herein set forth and after ten (10) days' written notice of the non-fulfillment of one or more of these conditions, Beneficiary may apply the Restoration Funds to reduce the Secured Indebtedness in such order as Beneficiary may determine, and at Beneficiary's option and in its sole discretion, Beneficiary may declare the Secured Indebtedness immediately due and payable together with the Prepayment Fee.

10.1 CONVEYANCE OF PROPERTY, CHANGE IN OWNERSHIP AND COMPOSITION.

(a) Grantor shall not cause or permit: (i) the Property, or any interest in the Property, to be conveyed, transferred, assigned, encumbered (except for Permitted Exceptions), sold or otherwise disposed of, or (ii) any transfer, assignment or conveyance of any interest in Grantor or in the partners, or stockholders, or members or beneficiaries of, Grantor or of any of Grantor's Constituents; or (iii) any merger, reorganization, dissolution or other change in the ownership structure of Grantor or any of the. members of Grantor, including, without limitation, any conversion of Grantor or any member of Grantor from a limited liability company to a general partnership, limited partnership, or a limited liability partnership, or vice-versa (collectively, "Transfers").

(b) The prohibitions on transfer shall not be applicable to (i) Transfers as a result of the death of a natural person; or (ii) Transfers in connection with estate planning between or among a revocable trust or a natural person to a spouse, son or daughter or descendant of either, a stepson or stepdaughter or descendant of either; or (iii) Transfers to or from a spouse in connection with the dissolution of a marriage, so long as Grantor pays to Beneficiary all costs and expenses incurred by Beneficiary in connection with any proposed Transfer pursuant to the preceding clauses (i), (ii), or (iii), if any, including without limitation title insurance premiums, documentation and recording costs, and reasonable attorneys' costs and fees.

(c) Notwithstanding the foregoing, transfers to or among the constituent members of Grantor or the constituent owners of any of Grantor's Constituents shall be permitted without the consent of Beneficiary provided that (i) there shall not then be a default or Event of Default hereunder or under any of the other Loan Documents, or the Guaranty or the Indemnity Agreement or any event which would, after the passage of time or the giving of notice, or both, constitute such a default; (ii) Beacon Capital Strategic Partners II, L.P., a Delaware limited partnership ("BCSP II") maintains at least a 48.02% ownership interest in Grantor, either directly or through intermediate entities; (iii) BCSP 11 retains the sole right and power to direct or cause the direction of the management and policies of Grantor; (iv) the entity that comprises Grantor after the completion of such transfers shall be able to and shall make the warranties set forth in Sections 8.1, 8.2 and 8.4 hereof; (v) Grantor notifies Beneficiary of any such transfer and provides any information Beneficiary may reasonably require in connection therewith (provided, however, that with respect to transfers of interests in those Grantor's Constituents that are not affiliated with BCSP II, Grantor shall notify Beneficiary of such transfer and provide such information to Beneficiary when Grantor is notified of such transfer and obtains such information), and (vi) Grantor pays to Beneficiary a $5,000.00 processing fee and any other reasonable out-of-pocket costs and expenses incurred by Beneficiary in connection with any transfer or transfers in a single transaction, including document costs, if any, and reasonable attorneys' fees. In addition, notwithstanding Subsections 10.1(a)(ii) and 10.1(a)(iii) above, the Beacon Lender (as hereafter defined), which is an affiliate of Grantor and whose ownership interests are owned (directly or indirectly) by the same entity that owns the ownership interests in 1201 Equity LLC, a Delaware limited liability company ("Beacon Sub"), may be admitted as a non-managing member of Grantor without the consent of Beneficiary provided that conditions (i) through (vi) of this Subsection 10.1(c) are satisfied and that all of the ownership interests in Beacon Lender are held (directly or indirectly) by the same entity that owns the ownership interests in Beacon Sub. In addition, notwithstanding anything to the contrary contained herein, transfers or issuance of stock in BCSP II Washington Properties, Inc., a Maryland corporation ("Washington Properties") and the sole member of Beacon Sub, shall be permitted without the consent of Beneficiary provided that conditions (ii), (iii) and (iv) of this Subsection 10.1(c) are satisfied and provided that BCSP II continues to own at least 98% of the stock of Washington Properties. Furthermore, notwithstanding Subsections 10.1(a)(ii) and 10.1(a)(iii) above, the members of Grantor and the owners of any of Grantor's Constituents that are not affiliated with BCSP II shall be permitted to transfer their direct or indirect interests in Grantor to a party or parties that are not members of Grantor or owners of any of Grantor's Constituents as of the date hereof without the consent of Beneficiary provided that: (1) conditions (i) through (vi) of this Subsection 10.1(c) are satisfied and (II) on the first date that more than twenty percent (20%) of such ownership interests (direct or indirect) in Grantor in the aggregate are transferred in one or more transactions, Grantor shall pay to Beneficiary a transfer fee equal to one one-hundredth of one percent (0.01%) of the outstanding principal balance of the Loan for each percentage point of such ownership interest (direct or indirect) in Grantor being transferred that is in excess of such aggregate twenty percent (20%) ownership interest threshold. As an example of the foregoing, if in one transaction or over several transactions, thirty percent (30%) of the direct or indirect ownership interests in Grantor that are not affiliated with BCSP II in the aggregate are transferred, then Grantor will be required to pay a transfer fee equal to ten (10) basis points (or 0.10%) of the outstanding principal balance of the Loan at the time the last such transfer occurs; if, subsequently, an additional five percent (5%) of the direct or indirect ownership interests in Grantor that are not affiliated with BCSP II are transferred, then Grantor will be required to pay an additional transfer fee equal to five (5) basis points (or 0.05%) of the outstanding principal balance of the Loan at the time such transfer occurs. Any such transfer will not relieve Grantor of its obligations under the Note or any of the other Loan Documents or the obligations of the Liable Parties under the Guaranty or the Indemnity Agreement. For purposes hereof, the term "Beacon Lender" shall mean TZO Lending LLC, a Delaware limited liability company, and/or 1215 ESDI, LLC, a Delaware limited liability company, as applicable, and their respective successors and permitted assigns.

(d) In addition, at any time on or after July 1, 2004, the original named Grantor shall have a one-time right to transfer the Property (subject to the Loan), either directly, by a transfer of all or substantially all of the ownership interests in Grantor or by a transfer of all or substantially all of the ownership interests in Grantor owned (directly or indirectly) by BCSP 11, to a third party provided that (i) there shall not then be an Event of Default hereunder; (ii) Grantor obtains Beneficiary's written approval of the proposed third party transferee, which approval shall not be unreasonably withheld, conditioned or delayed provided that the criteria set forth in this Subsection 10.1(d) are met; (iii) the third party transferee shall be experienced in the ownership, management and leasing of properties similar to the Property; (iv) the third party transferee shall. have both a controlling and managing equity interest of real estate assets with an aggregate market value of not less than Six Hundred Million Dollars ($600,000,000.00) in the normal course of business; (v) the third party transferee shall be able to and shall make the warranties set forth in Sections 8.1, 8.2 and 8.4 hereof; (vi) the unpaid principal balance of the Loan shall not exceed sixty-five percent (65%) of the value of the Property based upon a bona fide sales price; (vii) in the opinion of Beneficiary, the annual net operating income during the then upcoming 12-month period to be derived from the Property at the time of the transfer (as calculated pursuant to space leases with tenants who are in actual occupancy, pay rent on a current basis, and are not in default) shall be at least two hundred fifty percent (250%) of the aggregate amount of monthly installments due under the Note and any subordinate financing (with all accrued obligations thereunder being treated as currently due); (viii) Grantor or the transferee shall pay to Beneficiary a fee equal to one percent (1%) of the outstanding principal balance of the Loan at the time of the transfer; (ix) another party or parties acceptable to Beneficiary shall execute agreements similar to the Indemnity Agreement and the Guaranty with respect to events arising or occurring from and after the date of the transfer, in a form and manner satisfactory to Beneficiary in its sole and absolute discretion, which additional party or parties shall have in the aggregate a net worth of not less than One Hundred Million Dollars ($100,000,000.00); (x) the third party transferee shall expressly assume all obligations of Grantor under the Loan Documents and the Indemnity Agreement in a manner satisfactory to Beneficiary, in its sole and absolute discretion; (xi) if the Loan has been securitized, Beneficiary shall have received confirmation that the assumption of the Loan by the transferee will not result in an adverse change in the rating of the Securities by the Rating Agency (as such terms are defined in Section 3.1(b)); and (xii) Grantor or such transferee shall .pay all costs and expenses incurred by Beneficiary in connection with the transfer, including title insurance premiums, documentation costs and reasonable attorneys' fees. Any such transfer will not relieve Grantor of its obligations under the Note, any of the Loan Documents or the Indemnity Agreement or the obligations of the Liable Parties under the Guaranty and the Indemnity Agreement arising prior to the date of the transfer. The inclusion of a reference to subordinate financing in clause (vii) above shall not be construed as a consent by Beneficiary to any such subordinate financing, except as permitted in Section 10.2; any such consent may be granted or withheld in Beneficiary's sole and absolute discretion. In determining the loan to value ratio and the debt service coverage ratio for purposes of clauses (vi) and (vii) above, the unpaid principal balance of, and the payments required or accrued under, the Second Loan and the Third Loan (as such terms are defined in Section 10.2) shall be disregarded.

10.2 PROHIBITION ON SUBORDINATE FINANCING.

(a) Except as set forth below in this Section, Grantor shall not incur or permit the incurring of (i) any financing (other than equipment leases) in addition to the Loan that is secured by a lien, security interest or other encumbrance of any part of the Property or (ii) any pledge or encumbrance of any constituent who is a controlling member of Grantor of its interest in Grantor.

(b) Notwithstanding the foregoing, Beacon Lender shall be permitted to hold the Second Loan and Third Loan (as such terms are defined in that certain Subordination and Standstill Agreement of even date herewith (the "Standstill Agreement") by and among Grantor, Beneficiary, and Beacon Lender, which is being recorded concurrently herewith), subject to all of the terms and provisions of the Standstill Agreement.

10.3 RESTRICTIONS ON ADDITIONAL OBLIGATIONS. During the term of the Loan, Grantor shall not, without the prior written consent of Beneficiary, become liable with respect to any indebtedness or other obligation except for (i) the Loan, the Second Loan, the Third Loan and equipment leases, (ii) Leases entered into in the ordinary course of owning and operating the Property for the Use, (iii) other liabilities incurred in the ordinary course of owning and operating the Property for the Use but excluding any loans or borrowings, (iv) liabilities or indebtedness disclosed in writing to and approved by Beneficiary on or before the Execution Date, and (v) any other single item of indebtedness or liability which does not exceed $65,000.00 or, when aggregated with other items of indebtedness or liability, does not exceed $325,000.00.

10.4 STATEMENTS REGARDING OWNERSHIP. Grantor agrees to submit or cause to be submitted to Beneficiary within thirty (30) days after December 31st of each calendar year during the term of this Deed of Trust and ten (10) days after any written request by Beneficiary, a sworn, notarized certificate, signed by an authorized (i) individual who is Grantor or one of the individuals comprising Grantor, (ii).member of Grantor, (iii) partner of Grantor or (iv) officer of Grantor, as the case may be, stating since the date hereof or the last statement given hereunder (as the case may be) whether (x) any part of the Property, or any interest in the Property, has been conveyed, transferred, assigned, encumbered (other than Permitted Exceptions), or sold, and if so, to whom; (y) any conveyance, transfer, pledge or encumbrance of any interest in Grantor has been made by Grantor and if so, to whom; or (z) there has been any change in the individual(s) comprising Grantor or in the partners, members, stockholders or beneficiaries of Grantor from those on the Execution Date, and if so; a description of such change or changes.

(b) The failure of Grantor to perform or observe any other term, provision, covenant, condition or agreement under any Loan Document for a period of more than thirty (30) days after receipt of notice of such failure or such longer period as is necessary to cure such failure in the exercise of due diligence, but in no event longer than ninety (90) days from the receipt of notice of such failure, provided Grantor commences the cure within the initial thirty (30) day period and continuously pursues such cure to completion;

(c) The filing by Grantor or one of the Liable Parties (an "Insolvent Entity") of a voluntary petition or application for relief in bankruptcy, the filing against an Insolvent Entity of an involuntary petition or application for relief in bankruptcy which is not dismissed within ninety (90) days, or an Insolvent Entity's adjudication as a bankrupt or insolvent, or the filing by an Insolvent Entity of any petition, application for relief or answer seeking or acquiescing in any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future federal, state or other statute, law, code or regulation relating to bankruptcy, insolvency or other relief for debtors, or an Insolvent Entity's seeking or consenting to or acquiescing in the appointment of any trustee, custodian, conservator, receiver or liquidator of an Insolvent Entity or of all or any substantial part of the Property or of any or all of the Rents and Profits, or the making by an Insolvent Entity of any general assignment for the benefit of creditors, or the admission in writing by an Insolvent Entity of its inability to pay its debts generally as they become due;

(e) If Grantor shall suffer or permit the Property, or any part of the Property, to be used in a manner that might (1) impair Grantor's title to the Property; (2) create rights of adverse use or possession, or (3) constitute an implied dedication of any part of the Property;

(f) If Liable Parties shall default under the Guaranty;

(g) If Grantor or Liable Parties shall default under the Indemnity Agreement beyond any applicable periods of notice and/or grace set forth therein; or

(h) If Grantor or Beacon Lender shall default under the Standstill Agreement beyond any applicable periods of notice and/or grace set forth therein.

11.2 REMEDIES UPON DEFAULT. Upon the happening of an Event of Default the Secured Indebtedness shall, at the option of Beneficiary, become immediately due and payable, without further notice or demand, and Beneficiary may undertake any one or more of the following remedies:

(a) Foreclosure. Institute a foreclosure action in accordance with the law of the State, or take any other action as may be allowed, at law or in equity, for the enforcement of the Loan Documents and realization on the Property or any other security afforded by the Loan Documents. In the case of a judicial proceeding, Beneficiary may proceed to final judgment and execution for the amount of the Secured Indebtedness owed as of the date of the judgment, together with all costs of suit, reasonable attorneys' fees and interest on the judgment at the maximum rate permitted by law from the date of the judgment until paid. If Beneficiary is the purchaser at the foreclosure sale of the Property, the foreclosure sale price shall be applied against the total amount due Beneficiary. At any foreclosure sale, such portion of the Property as is offered for sale may, at Beneficiary's option, be offered for sale for one total price, and the proceeds of such sale accounted for in one account without distinction between the items of security or without assigning to them any proportion of such proceeds, Grantor hereby waiving the application of any doctrine of marshaling. If less than all of the Property is sold at foreclosure and any of the Secured Indebtedness remains outstanding after the sale proceeds are applied thereto, this Deed of Trust shall continue as a lien on the Property remaining unsold, and Beneficiary may at any time thereafter direct Trustee to sell the same as provided above; and/or

(b) Power of Sale. Institute a non judicial foreclosure proceeding in compliance with applicable law in effect on the date foreclosure is commenced for Trustee to sell the Property either as a whole or in separate parcels as Beneficiary may determine at public sale or sales to the highest bidder for cash, in order to pay the Secured Indebtedness. If the Property is sold as separate parcels, Beneficiary may direct the order in which the parcels are sold. Trustee shall deliver to the purchaser a trustee's deed or deeds without covenant or warranty, express or implied. Trustee may postpone the sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time may further postpone the sale by public announcement in accordance with applicable law; and/or

(c) Entry. Enter into possession of the Property, lease the Improvements, collect all Rents and Profits and, after deducting all costs of collection and administration expenses, apply the remaining Rents and Profits in such order and amounts as Beneficiary, in Beneficiary's sole discretion, may elect to the payment of Impositions, operating costs, costs of maintenance, restoration and repairs, Premiums and other charges, including, but not limited to, costs of leasing the Property and fees and costs of counsel and receivers and in reduction of the Secured Indebtedness; and/or

(d) Receivership. Have a receiver appointed to enter into possession of the Property, lease the Property, collect the Rents and Profits and apply them as the appropriate court may direct. Beneficiary shall be entitled to the appointment of a receiver without the necessity of proving either the inadequacy of the security or the insolvency of Grantor or any of the Liable Parties. Grantor and Liable Parties shall be deemed to have consented to the appointment of the receiver. The collection or receipt of any the Rents and Profits by Beneficiary or any receiver shall not affect or cure any Event of Default Beneficiary's rights hereunder include all rights and powers permitted under the laws of the State.

11.3 APPLICATION OF PROCEEDS OF SALE. In the event of a sale of the Property pursuant to Section 11.2 of this Deed of Trust, to the extent permitted by law, Beneficiary shall determine in its sole discretion the order in which the proceeds from the sale shall be applied to the payment of the Secured Indebtedness, including without limitation, the expenses of the sale and of all proceedings in connection with the sale, including reasonable attorneys' fees and expenses; Impositions, Premiums, liens, and other charges and expenses; the outstanding principal balance of the Secured Indebtedness; any accrued interest; any Prepayment Fee; and any other amounts owed under any of the Loan Documents.

11.4 WAIVER OF JURY TRIAL. To the fullest extent permitted by law, Grantor and Beneficiary HEREBY WAIVE THEIR RESPECTIVE RIGHT TO TRIAL BY JURY in any action, proceeding and/or hearing on any matter whatsoever arising out of, or in any way connected with, the Note, this Deed of Trust or any of the Loan Documents, or the enforcement of any remedy under any law, statute, or regulation. Neither party will seek to consolidate any such action in which a jury has been waived, with any other action in which a jury trial cannot or has not been waived. Each party has received the advice of counsel with respect to this waiver.

11.5 BENEFICIARY'S RIGHT TO PERFORM GRANTOR'S OBLIGATIONS. Grantor agrees that, if Grantor fails to perform any act or to pay any money which Grantor is required to perform or pay under the Loan Documents, Beneficiary may make the payment or perform the act at the cost and expense of Grantor and in Grantor's name or in its own name. Any money paid by Beneficiary under this Section 11.5 shall be reimbursed to Beneficiary in accordance with Section 11.6.

11.6 BENEFICIARY REIMBURSEMENT. All payments made, or funds expended or advanced by Beneficiary pursuant to the provisions of any Loan Document, shall (1) become a part of the Secured Indebtedness, (2) bear interest at the Interest Rate (as defined in the Note) from the date such payments are made or funds expended or advanced, (3) become due and payable by Grantor upon demand by Beneficiary, and (4) bear interest at the Default Rate (as defined in the Note) from the date of such demand. Grantor shall reimburse Beneficiary within ten (10) days after receipt of written demand for such amounts.

11.7 FEES AND EXPENSES. If Beneficiary becomes a party (by intervention or otherwise) to any action or proceeding affecting, directly or indirectly, Grantor, the Property or the title thereto or Beneficiary's interest under this Deed of Trust, or employs an attorney to collect any of the Secured Indebtedness or to enforce performance of the obligations, covenants and agreements of the Loan Documents, Grantor shall reimburse Beneficiary in accordance with Section 11.6 for all expenses, costs, charges and legal fees incurred by Beneficiary (including, without limitation, the fees and expenses of experts and consultants), whether or not suit is commenced. Notwithstanding the foregoing, Grantor shall not be required to reimburse Beneficiary for such expenses to the extent Grantor is the prevailing party in any action or other proceeding commenced by Grantor against Beneficiary.

11.8 WAIVER OF CONSEQUENTIAL DAMAGES. Grantor covenants and agrees that in no event shall Beneficiary be liable for consequential damages, and to the fullest extent permitted by law, Grantor expressly waives all existing and future claims that it may have against Beneficiary for consequential damages.

11.9 INDEMNIFICATION OF TRUSTEE. Except for gross negligence and willful misconduct, Trustee shall not be liable for any act or omission or error of judgment. Trustee may rely on any document believed by it in good faith to be genuine. All money received by Trustee shall be held in trust, but need not be segregated (except to the extent required by law), until used or applied as provided in this Deed of Trust. Trustee shall not be liable for interest on the money. Grantor shall protect, indemnify and hold harmless Trustee against all liability and expenses which Trustee may incur in the performance of its duties.

11.10 ACTIONS BY TRUSTEE. At any time, upon written request of Beneficiary and presentation of this Deed of Trust and the Note for endorsement, and without affecting the personal liability of any entity or the Liable Parties for payment of the Secured Indebtedness or the effect of this Deed of Trust upon the remainder of the Property, Trustee may take such actions as Beneficiary may request which are permitted by this Deed of Trust or by applicable law.

11.11 SUBSTITUTION OF TRUSTEE. Beneficiary has the power and shall be entitled, at any time and from time to time, to remove Trustee or any successor trustee and to appoint another trustee in the place of Trustee or any successor trustee, by an instrument recorded in the land records of the State. The recorded instrument shall be conclusive proof of the proper substitution and appointment of the successor Trustee without the necessity of any conveyance from- the predecessor Trustee.

11.12 NO REINSTATEMENT. Except as otherwise provided by applicable law, if an Event of Default shall have occurred and Beneficiary or Trustee shall have commenced to exercise any of the remedies permitted hereunder, then a tender of payment by Grantor or by anyone on behalf of Grantor of the amount necessary to satisfy all sums due hereunder, or the acceptance by Beneficiary of any such payment so tendered, shall not, without the prior consent of Beneficiary, constitute a reinstatement of the Note or this Deed of Trust.

11.13 WAIVER RELATING TO REMEDIES. Grantor (i) waives, to the full extent provided by law, any requirement that Beneficiary or Trustee present evidence or otherwise proceed before any court, clerk or other judicial or quasi judicial body before exercising the power of sale contained in this Deed of Trust and (ii) agrees that upon the occurrence of an Event of Default, neither Grantor nor anyone claiming through or under Grantor will seek to take advantage of any moratorium, reinstatement, forbearance, appraisement, valuation, stay, extension, homestead exemption or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of the provisions of this Deed of Trust and hereby waives to the full extent that it may lawfully so do, the benefit of all such laws.

If Grantor does not furnish an estoppel certificate within the 10-day period, Grantor appoints Beneficiary as its attorney-in-fact to execute and deliver the certificate on its behalf, which power of attorney shall be coupled with an interest and shall be irrevocable.

Capitalized terms which are not defined in this Note shall have the meanings set forth in the Deed of Trust.

1. Payment of Principal and Interest. Principal and interest under this Note shall be payable as follows:

(a) Interest on the funded portion of the Loan Amount shall accrue from the Advance Date at the Interest Rate and shall be paid on the first day of the first calendar month following the Advance Date;

(b) Commencing on the Interest Installment Date and on the first day of each calendar month thereafter, to and including the first day of the calendar month immediately preceding the Maturity Date, Borrower shall *pay* the Monthly Installment; and

(c) On the Maturity Date, a final payment in the aggregate amount of the unpaid principal sum evidenced by this Note, all accrued and unpaid interest, and all other sums evidenced by this Note or secured by the Deed of Trust and/or any other Loan Documents as well as any future loans or advances under the Deed of Trust that may be made to or on behalf of Borrower by Holder following the Advance Date (collectively, the "Secured Indebtedness"), shall become immediately payable in full.

Borrower acknowledges and agrees that the entire original Loan Amount shall be outstanding and due on the Maturity Date.

Interest shall be calculated on the basis of a thirty (30) day month and a three hundred sixty (360) day year, except that (i) if the Advance Date occurs on a date other than the first day of a calendar month, interest payable for the period commencing on the Advance Date and ending on the last day of the month in which the Advance Date occurs shall be calculated on the basis of the actual number of days elapsed over a 365-day or 366-day year, as applicable, and (ii) if the Maturity Date occurs on a date other than the last day of the month, interest payable for the period commencing on the first day of the month in which the Maturity Date occurs and ending on the Maturity Date shall be calculated on the basis of the actual number of days elapsed over a 365-day or 366-day year, as applicable.

2. Application of Payments. At the election of Holder, and to the extent permitted by law, all payments shall be applied in the order selected by Holder to any expenses, prepayment fees, late charges, escrow deposits and other sums due and payable under the Loan Documents, and to unpaid interest at the Interest Rate or at the Default Rate, as applicable. The balance of any payments shall be applied to reduce the then unpaid Loan Amount.

3. Security. This Note is secured by the Deed of Trust and other instruments. This Note shall evidence, and the Deed of Trust shall secure, the Secured Indebtedness.

4. Late Charge. If any payment of a Monthly Installment or any payment of a required escrow deposit is not paid within seven (7) days of the due date, Holder shall have the option to charge the Borrower the Late Charge. The Late Charge is for the purpose of defraying the expenses incurred in connection with handling and processing delinquent payments and is payable in addition to any other remedy Holder may have. Unpaid Late Charges shall become part of the Secured Indebtedness and shall be added to any subsequent payments due under the Loan Documents.

5. Acceleration Upon Default At the option of Holder, if Borrower fails to pay any sum specified in this Note within seven (7) days after the due date or if any other Event of Default occurs, the Secured Indebtedness, and all other sums evidenced and/or secured by the Loan Documents, including without limitation any applicable prepayment fees (collectively, the “Accelerated Loan Amount”) shall become immediately due and payable.

6. Interest Upon Default. The Accelerated Loan Amount shall bear interest at the Default Rate which shall never exceed the maximum rate of interest permitted to be contracted for under the laws of the State. The Default Rate shall commence upon the occurrence of an Event of Default and shall continue until all defaults are cured

7. Limitation on Interest. The agreements made by Borrower with respect to this Note and the other Loan Documents are expressly limited so that in no event shall the amount of interest received, charged or contracted for by Holder exceed the highest lawful amount of interest permissible under the laws applicable to the Loan. If at any time performance of any provision of this Note or the other Loan Documents results in the highest lawful rate of interest permissible under applicable laws being exceeded, then the amount of interest received, charged or contracted for by Holder shall automatically and without further action by any party be deemed to have been reduced to the highest lawful amount of interest then permissible under applicable laws. If Holder shall ever receive, charge or contract for, as interest, an amount which is unlawful, at Holder’s election, the amount of unlawful interest shall be refunded to Borrower (if actually paid) or applied to reduce the then unpaid Loan Amount To the fullest extent permitted by applicable laws, any amounts contracted for, charged-or received under the Loan Documents included for the purpose of determining whether the Interest Rate would exceed the highest lawful rate shall be calculated by allocating and spreading such interest to and over the full stated term of this Note.

8. Prepayment. Borrower shall not have the right to prepay all or any portion of the Loan

Amount at any time during the term of this Note except as expressly set forth in the Defined Terms. If Borrower provides notice of its intention to prepay (a "Prepayment Notice"), the Secured Indebtedness shall become due and payable on the date specified in the Prepayment Notice; provided, however, that during the period ending thirty (30) days after Holder receives a Prepayment Notice, Borrower may rescind such Prepayment Notice by written notice to Holder of such rescission; thereafter the Prepayment Notice shall be irrevocable.

9. Prepayment Fee.

(a) Any tender of payment by Borrower or any other person or entity of the Secured Indebtedness, other than as expressly provided in the Loan Documents, shall constitute a prohibited prepayment. If a prepayment of all or any part of the Secured Indebtedness is made (i) following an Event of Default and an acceleration of the Maturity Date, or (ii) in connection with a sale of the Property or a repayment of the Secured Indebtedness at any time before, during or after, a judicial or non judicial foreclosure or sale of the Property, then to compensate Holder for the loss of the investment, Borrower shall pay an amount equal to the Prepayment Fee (as hereinafter defined). No Prepayment fee shall be charged with respect to the application of money to the principal of the Loan as the result of a casualty or condemnation.

(b) The "Prepayment Fee" shall be the greater of (A)(x) the present value of all remaining payments of principal and interest including the outstanding principal due on the Maturity Date, discounted at the rate which, when compounded monthly, is equivalent to the Adjusted Treasury Rate compounded semi-annually, less (y) the amount of the principal then outstanding, or (B) one percent (1%) of the amount of the principal being prepaid.

(c) The "Treasury Rate" shall be the annualized yield on securities issued by the United States Treasury having a maturity equal to the remaining stated term of this Note, as quoted in the Federal Reserve Statistical Release [H. 15 (519)] under the heading "U.S. Government Securities - Treasury Constant Maturities" for the date on which prepayment is being made. If this rate is not available as of the. date of prepayment, the Treasury Rate shall be determined by interpolating between the yield on securities of the next longer and next shorter maturity. If the Treasury Rate is no longer published, Holder shall select a comparable rate.

(d) "Adjusted Treasury Rate" shall mean the Treasury Rate plus 25 basis points (one-quarter of one percentage point); provided, however, that if the prepayment occurs during the period commencing on the first day of the 49th month following the Advance Date and ending on the day which is 90 days prior to the Maturity Date, "Adjusted Treasury Rate" shall mean the Treasury Rate plus 50 basis points (one-half of one percentage point).

(e) Holder will, upon request, provide an estimate of the amount of the Prepayment Fee two (2) weeks before the date of the scheduled prepayment.

10. Waiver of Right to Prepay Note Without Prepayment Fee. Borrower acknowledges that Holder has relied upon the anticipated investment return under this Note in entering into transactions with, and in making commitments to, third parties and that the tender of any prohibited prepayment shall, to the extent permitted by law, include the Prepayment Fee. Borrower agrees that the Prepayment Fee represents the reasonable estimate, of Holder and Borrower of a fair average compensation for the loss that may be sustained by Holder as a result of a prohibited prepayment of this Note and it shall be paid without prejudice to the right of Holder to collect any other amounts provided to be paid under the Loan Documents.

BORROWER EXPRESSLY (A) WAIVES ANY RIGHTS IT MAY HAVE TO PREPAY THIS NOTE, IN WHOLE OR IN PART, WITHOUT FEE OR PENALTY, UPON ACCELERATION OF THE MATURITY DATE OF THIS NOTE, AND (B) AGREES THAT IF, FOR ANY REASON, A PREPAYMENT OF THIS NOTE IS MADE, UPON OR FOLLOWING ANY ACCELERATION OF THE MATURITY DATE OF THIS NOTE BY HOLDER ON ACCOUNT OF ANY DEFAULT BY BORROWER UNDER ANY LOAN DOCUMENT, INCLUDING BUT NOT LIMITED TO ANY TRANSFER, FURTHER ENCUMBRANCE OR DISPOSITION WHICH IS PROHIBITED OR RESTRICTED BY THE DEED OF TRUST, THEN BORROWER SHALL BE OBLIGATED TO PAY CONCURRENTLY THEREWITH THE PREPAYMENT FEE SPECIFIED IN SECTION 9.

11. Liability of Borrower. Upon the occurrence of an Event of Default, except as provided in this Section 11, Holder will look solely to the Property and the security under the Loan Documents, for the repayment of the Loan and will not enforce **a** deficiency judgment against Borrower. However, nothing contained in this section shall limit the rights of Holder to enforce any policies of insurance or to proceed against Borrower and the general partners of Borrower, if any, and/or the Liable Parties or any one or more of them (i) to enforce any Leases entered into by Borrower or its affiliates as tenant, guarantees, **or** other agreements entered into by Borrower in a capacity other than as borrower; (ii) to recover damages for fraud, material misrepresentation, material breach of warranty or waste committed by Borrower or any constituent thereof; (iii) to recover any Condemnation Proceeds or Insurance Proceeds or other similar funds which have been misapplied by Borrower or which,. under the terms of the Loan Documents, should have been paid to Holder-, (iv) to recover any tenant security deposits, tenant letters of credit or other deposits or refundable fees paid to Borrower that are part of the collateral for the Loan or prepaid rents for a period of more than 30 days which have not been delivered to Holder unless applied in accordance with the Leases prior to an Event of Default; (v) to recover Rents and Profits received by Borrower after the first day of the month in which an Event of Default occurs and prior to the date Holder acquires title to the Property which have not been applied to the Loan or in accordance with the Loan Documents to operating and maintenance expenses of the Property; (vi) to recover damages, costs and expenses arising from, or in connection with, any breach of **a** covenant contained in Article 6 of the Deed of Trust or the Unsecured Indemnity Agreement; (vii) to recover any amount expended by Holder in connection with a foreclosure or trustee's sale under the Deed of Trust; (viii) to recover damages arising from Borrower's failure to comply with Section 8.1 of the Deed of Trust pertaining to ERISA; and/or (ix) to recover damages, costs and expenses arising from, or in connection with, Borrower's failure to pay any Impositions or Premiums.

The limitation of liability set forth in this Section 11 shall not apply and the Loan shall be fully recourse in the event that prior to the indefeasible repayment in full of the Secured Indebtedness, (i) Borrower commences **a** voluntary bankruptcy or insolvency proceeding, or (ii) an involuntary bankruptcy or insolvency proceeding is commenced against Borrower, and Borrower or any related party has directly or indirectly encouraged, participated with, or colluded with the parties filing such involuntary bankruptcy or insolvency proceeding to file such proceeding. In addition, this agreement shall not waive any rights which Holder would have under any provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Secured Indebtedness or to require that the Property shall continue to secure all of the Secured Indebtedness.

12. Waiver by Borrower. Borrower and others who may become liable for the payment of all or any part of this Note, and each of them, waive diligence, demand, presentment for payment, notice of nonpayment, protest, notice of dishonor and notice of protest, notice of intent to accelerate and notice of acceleration and specifically consent to and waive notice of any amendments, modifications, renewals or extensions of this Note, including the granting of extension of time for payment, whether made to or in favor of Borrower or any other person or persons.

13. Exercise of Rights. No single or partial exercise by Holder, or delay or omission in the exercise by Holder, of any right or remedy under the Loan Documents shall waive or limit the exercise of any such right or remedy. Holder shall at all times have the right to proceed against any portion of or interest in the Property in the manner that Holder may deem appropriate, without waiving any other rights or remedies. The release of any party under this Note shall not operate to release any other party which is liable under this Note and/or under the other Loan Documents or under the Unsecured Indemnity Agreement.

14. Fees and Expenses. If Borrower defaults under this Note, Borrower shall be personally liable for and shall pay to Holder, in addition to the sums stated above, the costs and expenses of enforcement and collection, including a reasonable sum as an attorney's fee. This obligation is not limited by Section 11.

15. No Amendments. This Note may not be modified or amended except in a writing executed by Borrower and Holder. No waivers shall be effective unless they are set forth in a writing signed by the party which is waiving a right This Note and the other Loan Documents are the final expression of the lending relationship between Borrower and Holder and there is no unwritten agreement with respect to the subject matter of the Loan.

16. Governing Law. This Note is to be construed and enforced in accordance with the laws of the State in which the Property is located.

17. Construction. The words "Borrower" and "Holder" shall be deemed to include their respective heirs, representatives, successors and assigns, and shall denote the singular and/or plural, and the masculine and/or feminine, and natural and/or artificial persons, as appropriate. The provisions of this Note shall remain in full force and effect notwithstanding any changes in the shareholders, partners or members of Borrower. If more than one party is Borrower, the obligations of each party shall be joint and several. The captions in this Note are inserted only for convenience of reference and do not expand, limit or define the scope or intent of any section of this Note.

18. Notices. All notices, demands, requests and consents permitted or required under this Note shall be given in the manner prescribed in the Deed of Trust.

19. Time of the Essence. Time shall be of the essence with respect to all of Borrower's obligations under this Note.

20. Severability. If any provision of this Note should be held unenforceable or void, then that provision shall be deemed separable from the remaining provisions and shall not affect the validity of this Note, except that if that provision relates to the payment of any monetary sum, then Holder may, at its option, declare the Secured Indebtedness (together with the Prepayment Fee) immediately due and payable.

IN WITNESS WHEREOF, Borrower has executed this Note as of the Execution Date.

Beneficiary shall hold and disburse the Condemnation Proceeds less the cost, if any, to Beneficiary of recovering the Condemnation Proceeds including, without limitation, reasonable attorneys' fees and expenses, and adjusters' fees (the "Net Condemnation Proceeds") to the Restoration.

(c) In the event the Net Condemnation Proceeds are to be used for the Restoration, Grantor shall comply with Beneficiary's Requirements For Restoration as set forth in Section 7.4 below. (b) The prohibitions on transfer shall not be applicable to (i) Transfers as a result of the death of a natural person; or (ii) Transfers in connection with estate planning between or among a revocable trust or a natural person to a spouse, son or daughter or descendant of either, a stepson or stepdaughter or descendant of either, or (iii) Transfers to or from a spouse in connection with the dissolution of a marriage, so long as Grantor pays to Beneficiary all costs and expenses incurred by Beneficiary in connection with any proposed Transfer pursuant to the preceding clauses (i), (ii), or (iii), if any, including without limitation title insurance premiums, documentation and recording costs, and reasonable attorneys' costs and fees.

(c) Notwithstanding the foregoing, transfers to or among the constituent members of Grantor or the constituent owners of any of Grantor's Constituents shall be permitted without the consent of Beneficiary provided that (i) there shall not then be a default or Event of Default hereunder or under any of the other Loan Documents, or the Guaranty or the Indemnity Agreement or any event which would, after the passage of time or the giving of notice, or both, constitute such a default; (ii) Beacon Capital Strategic Partners II, L.P., a Delaware limited partnership ("BCSP II") maintains at least a 48.02% ownership interest in Grantor, either directly or through intermediate entities; (iii) BCSP II retains the sole right and power to direct or cause the direction of the management and policies of Grantor, (iv) the entity that comprises Grantor after the completion of such transfers shall be able to and shall make the warranties set forth in Sections 8.1, 8.2 and 8.4 hereof; (v) Grantor notifies Beneficiary of any such transfer and provides any information Beneficiary may reasonably require in connection therewith (provided, however, that with respect to transfers of interests in those Grantor's Constituents that are not affiliated with BCSP II, Grantor shall notify Beneficiary of such transfer and provide such information to Beneficiary when Grantor is notified of such transfer and obtains such information), and (vi) Grantor pays to Beneficiary a $5,000.00 processing fee and any other reasonable out-of-pocket costs and expenses incurred by Beneficiary in connection with any transfer or transfers in a single transaction, including document costs, if any, and reasonable attorneys' fees. In addition, notwithstanding Subsections 10.1(a)(ii) and 10.1(a)(iii) above, the Beacon Lender (as hereafter defined), which is an affiliate of Grantor and whose ownership interests are owned (directly or indirectly) by the same entity that owns the ownership interests in 1225 Equity LLC, a Delaware limited liability company ("Beacon Sub"), may be admitted as a non-managing member of Grantor without the consent of Beneficiary provided that conditions (i) through (vi) of this Subsection 10.1(c) are satisfied and that all of the ownership interests in Beacon Lender are held (directly or indirectly) by the same entity that owns the ownership interests in Beacon Sub. In addition, notwithstanding anything to the contrary contained herein, transfers or issuance of stock in BCSP II Washington Properties, Inc., a Maryland corporation ("Washington Properties") and the sole member of Beacon Sub, shall be permitted without the consent of Beneficiary provided that conditions (ii), (iii) and (iv) of this Subsection 10.1(c) are satisfied and provided that BCSP II continues to own at least 98% of the stock of Washington Properties. As an example of the foregoing, if in one transaction or over several transactions, thirty percent (30%) of the direct or indirect ownership interests in Grantor that are not affiliated with BCSP II in the aggregate are transferred, then Grantor will be required to pay a transfer fee equal to ten (10) basis points (or 0.10%) of the outstanding principal balance of the Loan at the time the last such transfer occurs; if, subsequently, an additional five percent (5%) of the direct or indirect ownership interests in Grantor that are not affiliated with BCSP II are transferred, then Grantor will be required to pay an additional transfer fee equal to five (5) basis points (or 0.05%) of the outstanding principal balance of the Loan at the time such transfer occurs. Any such transfer will not relieve Grantor of its obligations under the Note or any of the other Loan Documents or the obligations of the Liable Parties under the Guaranty or the Indemnity Agreement. For purposes hereof, the term "Beacon Lender" shall mean TTF Lending LLC, a Delaware limited liability company, and its successors and permitted assigns.

Any such transfer will not relieve Grantor of its obligations under the Note, any of the Loan Documents or the Indemnity Agreement or the obligations of the Liable Parties under the Guaranty and the Indemnity Agreement arising prior to the date of the transfer. The inclusion of a reference to subordinate financing in clause (vii) above shall not be construed as a consent by Beneficiary to any such subordinate financing, except as permitted in Section 10.2; any such consent may be granted or withheld in Beneficiary's sole and absolute discretion. In determining the loan to value ratio and the debt service coverage ratio for purposes of clauses (vi) and (vii) above, the unpaid principal balance of, and the payments required or accrued under, the Subordinate Loan (as such term is defined in Section 10.2) shall be disregarded.

Effective upon the consummation of the Merger, the respective Percentage Interests of the Members will be as set forth in Exhibit A attached hereto. The Capital Accounts of the Members in the Partnership were restated based upon the Property having an agreed gross fair market value of $96,515,000, with the total (debt and equity) capitalization of the Partnership and the Company, including, however, additional costs and expenditures incurred in connection with the MTA transactions, all as further provided for in the Master Transaction Agreement. The restated Capital Accounts of the Original Partners on the Closing Date, totaling an aggregate amount of $615,000 after taking into account the making of Special Distribution, are herein referred to as the "Subordinate Capital Contributions" and the amount thereof of each Original Partner is set forth in Exhibit A.

No other Capital Contributions have previously been made by the Members, either in their capacities as Members or as partners in the Partnership, which have either not been previously returned or are not part of the determination of the initial Capital Accounts of the Members in the Company.

Section 2.3 Additional Funding Needs.

A. (i) If at any time the Company requires additional funds (any such requirement, a "Shortfall") (x) for the operating, capital or other financial needs of the Company for actions or other matters which are reasonably consistent with the purposes of the Company (all as determined by the Manager, including funds for the leasing, releasing, redevelopment or reconstruction of any portion of the Property, all as determined solely by the Manager), or (y) to meet the then current obligations, liabilities, expenditures or other needs of the Company (i.e., due within sixty (60) days) for any actions or other matters which are reasonably consistent with the purposes of the Company, or (z) if any Member or any Affiliate of any Member has made or is then currently obligated to make any payments on account of any obligation of the Company which any such Person has Guaranteed in furtherance of the purposes of the Company, whether or not such Member has provided the notification required under Section 2.3B (but without duplication of such amount if already included in either of the preceding clause (x) or (y)), the Manager shall request that the Members make additional Capital Contributions ("Additional Capital Contributions") in the amount of such Shortfall.

Notwithstanding the above, each of the Members other than TZO acknowledges that it does not currently intend to make any Additional Capital Contributions and therefore it is agreed that in the event the Manager is to make a capital call it need provide notice thereof only to the Beacon Members. However, if in the future a Member desires to make Additional Capital Contributions it may provide notice thereof to the Manager and in such event the Manager shall thereafter include any such Member as a Member who is to receive notice of future capital calls, provided, however, that if at any time thereafter such Member does not contribute its full share of any capital call for Additional Capital Contributions, the Manager shall thereafter no longer be required to provide notice to such Member of any capital calls. In the event the Manager fails to notify a Member of a capital call when the Manager is obligated pursuant to the above to provide such notice, the sole remedy of any such Member entitled to receive notice of capital calls shall be to contribute its share of any such capital call as to which it did not receive notice and as to which such Member was entitled to receive notice, such right to be exercisable only if exercised within thirty (30) days after such Member receives a quarterly, annual or other report which shows that during such period Additional Capital Contributions were made as to which such Member did not receive notice when it was entitled to such notice pursuant to the above.

(ii) Except as to a Shortfall (including, without limitation, debt service on any indebtedness of the Company and payments made by a Member or any Affiliate of a Member on account of any Guaranty) or as provided in Section 2.3.A (iii), no Member shall be required to make any Additional Capital Contribution without its consent nor shall any Member be permitted to make an Additional Capital Contribution other than for a Shortfall, unless as to any such matter the Manager has authorized either the making of such Additional Capital Contributions or has previously authorized the action or other matter which gave rise to the Shortfall or any other need for Additional Capital Contributions. The Manager shall also make a capital call upon request of a Member pursuant to Section 2.3.B

If requested by the Manager pursuant to the provisions of this Section 2.3.A to make an Additional Capital Contribution, each Member shall, within five (5) Business Days after such request or such other, later date as the Manager may have set in its notice (the relevant due date being the "Financial Needs Date"), contribute to the Company its pro rata share (in proportion to the Percentage Interests of the Members at the time of such request from the Manager) of the amount of the applicable Shortfall.

(iii) In addition to the above provisions of this Section 2.3.A, and notwithstanding anything in this Agreement to the contrary, if the Manager elects, on behalf of the Company, to exercise the Borrower's Special Prepayment Right under, and as such term is defined in each of the notes evidencing the two Subordinate Loans, TZO shall be obligated to make Capital Contributions to the Company in sufficient amounts so as to enable the Company to repay the amount of the Subordinate Loan elected by the Company to be so prepaid.

B. If a Member or an Affiliate of a Member has an outstanding Guaranty and demand is made on such Person for any amounts claimed due under any such Guaranty, such Member shall reasonably promptly after any such event notify the Manager of such event and of the amounts claimed due, and if it has not already made a capital call therefor, the Manager shall then make a capital call for the amount it reasonably believes is due.

Section 2.4 Additional Capital Contributions.

A. On or before the Financial Needs Date, each Member shall contribute to the Company, as an Additional Capital Contribution, an amount equal to the total amount specified in the capital call notice from the Manager multiplied by such Member's then Percentage Interest.

B. If any Member (a "Non-Contributing Member") fails to make all or any part of its Additional Capital Contributions under this Agreement by the Financial Needs Date therefor (such unfunded amount, a "Cash Deficiency"), each of the remaining Members (each a "Contributing Member"), in addition to funding such Contributing Member's own share, shall be entitled (but not required) to fund the Non-Contributing Member's share as an additional Capital Contribution by any such Contributing Member. If Contributing Members contribute, in the aggregate, more than the aggregate Cash Deficiencies, then the Contributing Members will be deemed to have contributed an amount equal to each such Contributing Member's Percentage Interest multiplied by the aggregate Cash Deficiencies, and any amounts contributed by a Contributing Member in excess of the amount so deemed to have been contributed shall be returned to each such Contributing Member.

The rights of the Contributing Members (or any of them) pursuant to the preceding paragraph (and the consequent effect on the Percentage Interests of the Members, as provided in Section 2.4.C) shall be the sole and exclusive remedy of the Members or the Company in the event of a failure by a Non-Contributing Member to make any Capital Contribution required under this Agreement.

C. Upon the making of any Capital Contributions pursuant to this Section 2.4 or pursuant to Section 2.3.A(iii), each Member's Percentage Interest shall thereafter be the ratio, expressed as a percentage, equal to such Member's total Capital Contributions over the aggregate Capital Contributions made by all Members to the Company.

The resulting reduction in the Percentage Interest of any Non-Contributing Member(s) and the simultaneous increase of the Percentage Interests of the Contributing Member(s) shall not effect any change in the Capital Accounts, Unrecovered Capital Contributions, Unrecovered Subordinate Capital Contributions, etc. of the Members, except as to the amount of the Capital Contributions made by the Contributing Member(s) pursuant to the above provisions of this Section 2.4 or pursuant to Section 2.3.A(iii).

Any adjustments in Percentage Interest pursuant to this Section 2.4.C. shall be automatic and without the necessity of any action beyond the making of a Capital Contribution by a Contributing Member. Notwithstanding the foregoing, however, the Members hereby agree to execute such documents and take such additional actions as may be necessary to effectuate or evidence any such adjustments to the Members' Percentage Interests. The failure to execute any such documents shall in no way affect the making of any adjustments in the Percentage Interests pursuant to the above provisions.

If the Percentage Interest of a Member is adjusted during a Fiscal Year pursuant to the above, the Profits and Losses from Operations shall be prorated on such basis as the Manager shall determine in its sole discretion which is a permitted method under the Code or the Treasury Regulations. For the period ending on the date of adjustment, Operating Cash Flow shall be distributed pursuant to the provisions of Article 5 according to the Percentage Interests in effect prior to the date of such adjustment, and Operating Cash Flow for the balance of such Fiscal Year shall be distributed pursuant to the provisions of said Article 5 according to the Percentage Interests of such Members as so adjusted. Any allocations and distributions due to a Capital Transaction shall be made based upon the date upon which such Capital Transaction actually occurs. However, any requirement under the Code or the Treasury Regulations which requires a different method of allocation of Profits and Losses shall control.

Section 2.5 Return of Capital; No Withdrawal. Except to the extent of distributions made pursuant to this Agreement, no Member shall be entitled to resign or withdraw from the Company or to the withdrawal or return of its Capital Contribution or any other distribution from the Company as a result of any such resignation or withdrawal (including, without limitation, pursuant to Section 18-604 of the LLC Act), and no Member shall have the right to demand a return of all or any part of its Capital Contributions or to demand and receive property of the Company in exchange for all or any portion of its Capital Contribution or Capital Account, or otherwise as to its Interest as a Member, nor may any Member otherwise have any right to demand or receive the return of its Capital Contributions to, or Capital Account in, the Company. Any return of the Capital Contributions of any Member shall be made solely from the assets of the Company and only in accordance with the terms of this Agreement, and no Manager or Member shall be liable for the return of any portion of the Capital Contribution of any (other) Member, and the return, if any, of any Member's Capital Contributions shall be made solely from Company assets.

Except as otherwise expressly provided in this Agreement, including any amendments hereto in accordance with the provisions hereof, no Member shall have priority over any other Member, either as to the return of Capital Contributions or as to profits, losses or distributions, nor shall any preferred return or interest accrue or be paid to any Member with respect to its Capital Contributions.

Section 2.6 No Other Contributions. Except as expressly required by this Article 2 or 6 or by the LLC Act, no Member shall have any obligation to make any Capital Contribution to the Company or to advance or loan any funds to the Company. No loan made to the Company by a Member shall constitute a Capital Contribution to the Company for any purpose.

Section 2.7 Liability of Members; No Management of Company.

A. No Member, in its capacity as a Member and/or as a Manager, shall have any liability to restore any negative balance in its Capital Account or to contribute to, or in respect of, the liabilities or the obligations of the Company, or to restore any amounts distributed from the Company, except as may be required under the LLC Act. In no event shall any Member, in its capacity as and by reason of being a Member and/or as a Manager, be personally liable for any liabilities or obligations of the Company, except as to any such liability of the Company a which Member, in its individual capacity, has separately guaranteed in such separate, individual capacity.

B. No Member which is not a Manager (and even then only in its capacity as a Manager) shall take part in the management or control of the business or other affairs of the Company or transact any business in the name of or on behalf of the Company.

Section 2.8 No Third Party Beneficiaries. The provisions of this Article 2 are not intended to be for the benefit of any creditor or other Person (other than a Member in its capacity as a Member) to whom any debts, liabilities or obligations are owed by (or who otherwise has any claim against) the Company or any of the Members. Moreover, notwithstanding anything contained in this Agreement, including specifically, but without limitation, this Article 2, no such creditor or other Person shall be entitled to rely upon or entitled to enforce the obligations of the Members under this Article 2 or obtain any other rights under this Agreement or shall, by reason of this Agreement, make any claim in respect of any debt, liability or obligation (or otherwise) against the Company or any Member.

ARTICLE 3
MANAGEMENT AND OPERATIONS OF BUSINESS

Section 3.1 Management; Successor Manager.

A. The management of the business and affairs of, and the conduct of all of the business of, the Company are and shall be exclusively vested in the Manager, and no Member which is not the Manager shall have any right to vote upon or otherwise participate in or exercise control or management power over the business and affairs of the Company. In addition to the powers granted to or permitted to be exercised by a "manager" under the LLC Act, the Manager shall be entitled to exercise the broadest of powers and rights which may be exercised as a "manager" under the LLC Act or which are granted to the Manager under any other provision of this Agreement. The Manager shall have full power and authority to do all things deemed necessary or desirable by it, to conduct the business of the Company and to exercise, without the vote or participation of any of the Members, all powers which the Company may legally possess to effectuate the purposes set forth in Section 1.4 hereof, including, without limitation:

(1) the making of any expenditures, and the incurring of any obligations necessary or desirable in connection with the Company's business and activities;

(2) the use of the assets of the Company (including, without limitation, cash on hand) for any purpose consistent with the general purposes of the Company;

(3) the making, negotiation, execution, and performance of any contracts, leases, waivers, releases, agreements or other instruments in writing as necessary or appropriate that the Manager considers useful or necessary to the conduct of the Company's operations or the implementation of the Manager's powers under this Agreement, including, without limitation, contracting with contractors, developers, consultants, accountants, legal counsel, other professional advisors and other agents and the payment of their expenses and compensation out of the Company's assets;

(4) subject to compliance with Section 10.7, the sale, conveyance, assignment, exchange or other disposition of any part of the Property or any other real estate, personal property or other assets of the Company;

(5) borrowing money and issuing evidences of indebtedness (including, without limitation, borrowing from a Member or an Affiliate of a Member) in furtherance of any or all of the purposes of the Company and to secure the same by deed of trust, mortgage or other lien on the Property or any other assets of the Company;

(6) entering into covenants, easements, rights or way, utility, or other agreements necessary or desirable (i) for the redevelopment, operation or use of the Property (or any portion thereof) or (ii) to permit access over, through, and across the Property or any portion thereof (to serve adjoining properties, for vehicular and pedestrian access, utility installations maintenance, or for any other purposes);

(7) prepaying, in whole or in part, refinancing, recasting, increasing, reducing, modifying, or extending any promissory note, loan agreement, deed of trust or mortgage affecting any asset of the Company or any other indebtedness of the Company, including, without limitation, all such matters as to either of the Subordinate Loans or, subject to the first paragraph of Section 3.5, with any other Affiliate of the Manager, and in connection with any of the above, to execute any extensions, renewals, or modifications of such other indebtedness, notes, loan agreements, deeds of trust, and/or mortgages, provided, however, that any change in the interest rate or participation features of, or a shortening of the stated maturity date of, either Subordinate Loan shall require the consent of the Akridge Representative;

(8) holding reserves and other cash balances and investing such sums in interest bearing accounts and investments and other similar forms of investments, without, however, being in the business of lending money;

(9) the exercise of the Company’s interest in any matters affecting the rights and obligations of the Company, including the settlement, compromise, submission to arbitration or any other form of dispute resolution, or abandonment of, any claim, cause of action, liability, debt or damages, due or owing to or from the Company, the commencement or defense of suits, legal proceedings, administrative proceedings, arbitration or other forms of dispute

resolution, and the representation of the Company in all suits or legal proceedings, administrative proceedings, arbitrations or other forms of dispute resolution, the incurring of legal expense, and the indemnification of any Person against liabilities and contingencies to the extent permitted by law;

(10) the opening and closing of bank accounts, and the distribution of Company cash or other Company assets in accordance with this Agreement;

(11) holding, managing, investing and reinvesting cash and other assets of the Company;

(12) the collection and receipt of revenues and income of the Company;

(13) the establishment of one or more divisions of the Company, the selection and dismissal of employees of the Company (including, without limitation, employees having titles such as "president," "vice president," "secretary" and "treasurer" of the Company), and agents, outside attorneys, accountants, consultants and contractors of the Company, and the determination of their compensation and other terms of employment or hiring;

(14) the maintenance of such insurance for the benefit of the Company and the Manager and Members and other Persons as the Manager deems necessary or appropriate; and

(15) taking or causing to be taken all actions or to causing to be performed all functions necessary, desirable or otherwise appropriate to promote the business of the Company or to realize and carry out its purposes.

Nothing herein shall be deemed to allow the Company to enter into any contract or agreement which would be recourse to or impose liability on any Member, in said Member's capacity as a Member in the Company, for any liabilities or obligations of the Company, except such as are specifically consented to or entered into in writing by any such Member.

In connection with any potential Taxable Disposition, the Manager agrees to reasonably cooperate with the Original Partners to attempt to structure, if possible, a tax deferral in lieu of what would otherwise be a Taxable Disposition, provided, however, that any such cooperation and any such attempt to structure a tax deferral shall not be required if and to the extent such cooperation or attempt to structure a tax deferral inhibits or otherwise in any manner affects the potential

Taxable Disposition in any manner (including, without limitation, the timing for entering into an agreement for, or the closing of, such transaction, the price and/or terms of payment, additional representations and warranties and/or indemnities, additional closing conditions or requirements, additional transactional costs, etc.), all as determined by the Manager, in its sole discretion. If a tax deferral structure proposed by the Original Partners is not acceptable to the Manager solely due to a monetary deficiency in the amount of money it and other Beacon Members would receive under such alternative structure, but has no other adverse impacts, as determined by the Manager in its sole discretion, the Original Partners shall be entitled to proceed to attempt to close such alternative structure (within such time as the Manager shall designate consistent with the timing for the closing of a potential sale of the Property) provided that (i) the Beacon Members receive any such deficiency in addition to all other amounts they would have received so that in the aggregate the Beacon Members receive not less than the amount they would have received had the Property been sold, with the form of consideration being all cash unless any prospective transaction for the sale of the Property then being considered by the Manager would provide for other than cash consideration, and in such event amounts and type of consideration consistent with any such other prospective transaction, and (ii) the type of income under the Code which the Beacon Members would receive is the same type of income they would have received had the Property been sold by the Company. In determining the amounts pursuant to clause (i) of the preceding sentence, it shall be assumed that no amount would be payable by the Company upon a sale of the Property on account of the D.C. Franchise Tax if none would have been payable upon a sale based on the Company liquidating at the time of a sale of the Property by the Company (and thus the gain being passed out to the Members of the Company, if such is then permissible or required under applicable law), and after deducting one-half of the then applicable real estate transfer tax if none is incurred in the actual transaction or if and to the extent the Beacon Members do not bear such tax. The failure or inability by the Original Partners to structure or otherwise obtain a tax deferral for themselves pursuant to the preceding sentence shall in no way limit the Manager's rights as the Manager of the Company to cause the Company to engage in a Taxable Disposition, subject only to Section 10.7.

In connection with the refinancing of any indebtedness of the Company which for purposes of the Code and the Treasury Regulations is "non-recourse indebtedness" of the Company, the Manager agrees to use commercially reasonable efforts to obtain replacement indebtedness that is the lesser of such amount as would not reduce the amount of non-recourse indebtedness outstanding at the time of any such refinancing, or financing that is not greater than a 65% loan to value ratio, as determined by a prospective lender(s), or, if there is to be a reduction, to use commercially reasonable efforts to obtain for the Original Partners the right to provide to the relevant prospective lender(s) so-called “bottom-up” guarantees. However, notwithstanding the preceding sentence, in all events, the Original Partners acknowledge and agree that the amount and all other terms of any financing obtained by the Manager on behalf of the Company (including, without limitation, the obtaining of the right to provide “bottom-up” guarantees) shall be determined in the sole discretion of the Manager (including, without limitation, obtaining financing from Affiliates of the Manager where the Manager deems such to be necessary or appropriate) and that nothing in this paragraph shall in any way limit the Manager’s rights as to any financings or refinancings of the Company.

Nothing in the two immediately preceding paragraphs shall (i) impose any liability of any nature or create any legal or equitable rights in the Original Partners unless the Manager acts in bad faith in carrying out the provisions of said two paragraphs, or (ii) in any way limit the Manager’s rights, as the Manager of the Company, to cause the Company to sell or refinance the Property in the Manager’s sole discretion (subject, in the event of a sale of the Property, only to Section 10.7), nor otherwise limit, restrict or otherwise affect any of the other provisions of this Agreement.

B. The Manager shall devote, and shall cause its partners, members, officers, directors and employees, if any, to devote such time to the affairs of the Company as the Manager, in its sole discretion, determines is necessary for performance by the Manager of its duties hereunder. It is understood that neither the Manager nor any of the aforesaid Persons shall be required to devote full time to the business and affairs of the Company and that all such Persons are engaged in, and intend in the future to engage in, other activities.

C. The Manager is authorized to execute, deliver and perform any and all agreements, filings, arrangements, transactions and other activities on behalf of the Company without any act, approval or vote of any of the Members. The execution, delivery or performance by the Manager or the Company of any agreement or activity authorized or permitted under this Agreement shall not constitute a breach by the Manager of any duty that the Manager may owe the Company or the Members or any other Persons under this Agreement or of any duty stated or implied by law or equity.

D. No Member who is not also a Manager, and then only in such Member’s capacity as a Manager, shall be allowed to take part in the management or control of the Company’s business (excluding the exercise of any power granted to such Member by this Agreement or which is mandated by the LLC Act and which cannot be waived or modified by agreement among the Members) or to sign for or bind the Company, such power being vested solely and exclusively in the Manager, all as further provided in this Article 3.

E. TZO or any of its permitted successors shall have the right to designate any Affiliate of TZO or, as the case may be, any Affiliate of its then permitted successor, as a replacement and successor Manager to the then Manager. Any such replacement or successor Manager need not be a Member. In the event of any change in the Manager, the prior or successor Manager shall notify the Akridge Representative of such change, which notice shall include the name of the new Manager and its mailing address.

Any successor Manager may be removed and/or replaced by TZO at any time and for any, or for no reason, all as it shall decide in its sole discretion. Any Manager designated by TZO shall file a written acceptance of such designation with the Company. A Manager need not join in this Agreement but in all events shall be entitled to the rights and protections provided for in this Agreement for a Manager and, by the filing with the Company of its acceptance of designation as a Manager, shall be deemed to have accepted the role and responsibilities of a Manager under this Agreement.

Section 3.2 Binding the Company.

Any action taken by, or the execution of any agreement, contract document or other written instrument by, the Manager, as the Manager of the Company, shall, as against third parties, bind the Company, and shall be the valid and binding action of the Company. Third parties transacting business with the Company may rely on the actions of the Manager as being on behalf of the Company as being in all situations the valid action of the Company, and the execution of any documents or the taking of any action by the Manager shall be conclusive evidence of the authority of such Manager and the Company with respect thereto, and no third party need look to any other evidence or require joinder or consent of any other Manager, if there is at any time more than one, or any other Member.

Each Member hereby waives for itself and for the Company any and all defenses or other remedies which may be available against such third party Person to contest, negate or disaffirm any action of the Manager in connection with any such dealing. In no event shall any Person dealing with the Manager or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the Manager or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company by the Manager or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect; (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company; and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company.

Section 3.3 Officers and Agents; Reliance.

A. The Manager shall have the power to appoint agents to act for the Company with such titles as the Manager deems appropriate and to delegate to such agents such of the powers as are granted to the Manager hereunder, including the power to execute documents on behalf of the Company, all as the Manager may in its sole discretion determine, provided any such appointment shall be in writing; provided further, however, that no such delegation by the Manager shall cause the Manager to cease to be the Manager of the Company within the meaning of the LLC Act nor expand the powers of the Manager. The agents so appointed may include persons holding titles such as Chairperson, Chief Executive Officer, President, Vice President, Chief Operating Officer, Chief Financial Officer, Treasurer or Controller. Unless the authority of the agent designated as the officer in question is limited in the document appointing such officer, any officer so appointed shall have the same authority to act for the Company, subject to the terms of this Agreement, as a corresponding officer of a Delaware corporation would have to act for a Delaware corporation; provided, however, that unless such power is specifically delegated in writing by the Manager to the officer in question either for a specific transaction or generally, no such officer shall have the power to lease or acquire real property, to borrow money, to issue notes, debentures, securities, equity or other interests of or in the Company, to make investments in (other than the investment of surplus cash in the ordinary course of business) or to acquire securities of any Person, to give guarantees or indemnities, to merge, liquidate or dissolve the Company or to sell or lease all or any substantial portion of the assets of the Company. The Manager, in its sole discretion, but subject to the other terms of this Agreement may by its written act, ratify any act previously taken by any agent acting on behalf of the Company.

B. Any Person dealing with the Company or the (or a) Manager may rely on a certificate signed by the (or a) Company's Manager:

(i) as to the existence or nonexistence of any fact or facts which constitute conditions precedent to acts by the Manager or are in any other manner germane to the affairs of the Company;

(ii) as to who is authorized to execute and deliver any instrument or document on behalf of the Company, and as to whether any approval, consent, or other action is necessary under this Agreement and/or as to whether any such action or consent has been obtained;

(iii) as to the authenticity of any copy of the Certificate, and as to the status of this Agreement and amendments hereto; or

(iv) as to any act or failure to act by the Company or as to any other matter whatsoever involving the Company or any Member.

Section 3.4 Compensation of Manager and Members. No payment shall be made by the Company to any Manager or Member for such Manager's or Member's services as a Manager or Member. The Manager, and each of them, if more than one, shall be entitled to reimbursement from the Company for all third-party expenses incurred by such Manager in managing and conducting the business and affairs of the Company. The Manager shall determine which expenses, if any, are allocable to the Company in a manner which is fair and reasonable to the Manager and the Company and customary in comparable arrangements, and if such allocation is made in good faith, it shall be conclusive in the absence of manifest error.

The Manager and its Affiliates shall be reimbursed on a monthly basis, or such other basis as the Manager may determine in good faith and in its reasonable discretion, for all expenses and expenditures that the Manager or any Affiliate of Manager incurs relating to the operation of, or for the benefit of, the Company.

Section 3.5 Contracts with Members or Affiliates. Notwithstanding anything in this Agreement to the contrary, the Manager and any of its Affiliates may engage in transactions with the Company, directly or indirectly, pursuant to any arrangements and on such terms thereof as are determined by the Manager to be comparable to the terms of any such arrangement had such arrangement been entered into by an unaffiliated third party.

Each Member acknowledges that the holders of the Subordinate Loans are Affiliates of TZO. Each Member hereby acknowledges and agrees that notwithstanding anything this Agreement or at law or equity to the contrary, each said Affiliate and/or its successor shall at all times have the right to exercise any and all of the rights and remedies of the holder of the relevant Subordinate Loan without any limitation thereon, including, without limitation, any limitation in any way related to the fact that any of such Persons who are holders of a Subordinate Loan may be Affiliated in any manner whatsoever to TZO or to any other Member.

Section 3.6 Indemnification.

A. To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless the Manager, each Member, including the Tax Matters Member, each Representative, each such Person's direct and indirect members, managers, officers, directors, partners, shareholders, employees, and agents, and the employees, officers, and agents of the Company and any other Person serving at the request of, or on behalf of, the Company (all indemnified persons being referred to as "Indemnified Persons") from and against any and all losses, claims, obligations, damages, liabilities, joint or several, costs, expenses and disbursements (including, without limitation, reasonable attorneys fees and other legal fees and expenses and disbursements), judgments, fines, penalties, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, arising from or by reason of any act performed or omitted to be performed by the Indemnified Person in connection with the business of the Company and from liabilities or obligations of the Company imposed on such Person by virtue of such Person's position with the Company, or that relate to the operations of the Company as set forth in this Agreement, in which such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise; provided, however, that indemnification shall not be paid hereunder with respect to any matter as to which any Indemnitee shall have been finally adjudicated in any such action, suit or other proceeding, or otherwise by a court of competent jurisdiction, to have committed willful malfeasance, bad faith, dishonesty or fraud in the conduct of its or their office.

The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 3.6.A. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the Indemnitee acted in a manner contrary to that specified in this Section 3.6.A. with respect to the subject matter of such proceeding.

Any Person who is within the definition of "Indemnified Person" at the time of any action or inaction in connection with the business of the Company shall be entitled to the benefits of this Section 3.6 as an "Indemnified Person" with respect thereto, regardless of whether such Person continues to be within the definition of "Indemnified Person" at the time of its claim for indemnification or exculpation hereunder.

Any indemnification pursuant to this Section 3.6 shall be made only out of the assets of the Company and any insurance proceeds from any insurance policies covering any Indemnitee and/or the Company, and no Member shall have any obligation to contribute to the capital of the Company, or otherwise provide funds, to enable the Company to meet its obligations under this Section 3.6.

B. The right to indemnification conferred by this Section 3.6 shall include the right to be paid or reimbursed by the Company for the reasonable expenses incurred in advance of the final disposition of a proceeding and without any determination as to the Person’s ultimate entitlement to indemnification; provided, however, that the payment of such expenses incurred in advance of the final disposition of a proceeding shall be made only upon delivery to the Company of a written affirmation by such Person of its good faith belief that it has met the standard of conduct necessary for indemnification under this Section 3.6 and a written undertaking, by or on behalf of such Person, to repay all amounts so advanced if it shall ultimately be determined that such Person is not entitled to be indemnified under Section 3.6 or otherwise.

C. The indemnification provided by this Section 3.6 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled to, or as a matter of law or equity or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity unless otherwise provided in a written agreement pursuant to which such Indemnitee is indemnified.

D. The Company may, but shall not be obligated to, purchase and maintain insurance, at its expense and in an amount determined by the Manager, on behalf of the Indemnitee and such other Persons as the Manager shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Company’s activities, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. The provisions of this Section 3.6 are for the benefit of each Indemnitee, its successors and assigns, and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 3.6 or any provision hereof shall be prospective only and shall not in any way affect the Company’s liability to any Indemnitee under this Section 3.6, as in effect immediately prior to such amendment, modification, or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

F. If any paragraph of this Section 3.6 or any portion thereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Manager or any other Indemnitee as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Section 3.6 that shall not have been invalidated.

G. An Indemnitee shall not be denied indemnification in whole or in part under this Section 3.6 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

Section 3.7 Other Matters Concerning the Manager.

A. Notwithstanding anything to the contrary set forth in this Agreement, the Manager and its Affiliates shall not be liable for monetary or other damages to the Company or any Member for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission, provided that any such Person shall not have committed willful malfeasance, bad faith, dishonesty or fraud in performing its duties under this Agreement.

Whenever in this Agreement the Manager, a Member or an Indemnitee is permitted or required to make a decision or otherwise to take an action (including inaction) in good faith or in its discretion or sole discretion or under another express standard as to any such decision or other matter, such Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement, the LLC Act or any other applicable law or in equity. Notwithstanding anything at law or equity to the contrary, the Manager's sole duty to the Members in making decisions or otherwise taking actions on behalf of the Company and otherwise in managing the business and affairs of the Company is to not commit willful malfeasance, dishonesty or fraud, to not act in bad faith, and to not treat the Members differently from each other under this Agreement, except where such differential treatment is provided for under this Agreement, and in making any decisions or otherwise in managing the business and affairs of the Company, the Manager need not consider the separate interests of any Member. The Members hereby acknowledge the above and hereby waive any rights at law, equity or otherwise which they might otherwise have which would impose different duties of any nature whatsoever.

The Manager shall not have any obligations hereunder except to the extent that Company funds are reasonably available to it for the performance of such duties, and nothing herein contained shall be deemed to require the Manager, in its capacity as such or as it is a Member, to expend its individual funds for payment of, or to undertake any individual liability or obligation on behalf of the Company.

The Members expressly acknowledge that the Manager and each Member is acting for the benefit of the Company, the Members and, as to the Manager and any Member which is an Entity, such Person's members, partners, shareholders and other direct and indirect equity owners, (collectively "Upper Tier Equity Owners") and that neither the Manager nor any Member is under any obligation to give priority to the separate interests of the Members or to any Member's Upper Tier Equity Owners (including, without limitation, the tax consequences to Members or any Member's Upper Tier Equity Owners) in deciding whether to cause the Company to take (or decline to take) any actions, and neither the Manager nor any Member shall be liable to the Company or to any Member for monetary or any other damages for losses sustained, liabilities incurred, or benefits not derived by any other Member or any of any such Member's Upper Tier Equity Owners in connection with such decisions, unless such Manager or Member, as the case may be, has acted in bad faith or has acted outside the scope of such Person's rights or authority under this Agreement.

The Members further acknowledge that (i) the Manager and/or an Affiliate of the Manager may be liable for some of the indebtedness of the Company for which such Person would not otherwise be liable for if certain actions are taken by the Company or if the Company fails to take certain actions, and that in making a determination as to any such matter, the Members agree that the Manager, in its sole determination, may determine to take or may determine not to take actions so that said Manager or its Affiliates will not have any potential liability for any such indebtedness of the Company, even if the opposite from the action or non-action taken by the Manager would or might be more advantageous to the Company and/or some or all of the Members, and the Manager shall have no duty or liability to the Company or the Members arising from the consequences of any such decisions made by the Manager, and (ii) in determining to sell, refinance or otherwise take any actions under this Agreement, the Manager need not take into account the disparate tax or any other effect that such actions may have on some of the Members, including itself and its Affiliates, versus other Members, any other such disparate effect being hereby waived by each Member.

Except as provided in Article 8, a Member's, the Manager's and a Representative's duty of care in the discharge of, as the case may be, such Member's, Manager's or Representative's duties to the Company is limited to refraining from engaging in fraud, intentional misconduct, malfeasance or misfeasance. In discharging its duties, every Member, Manager, Representative or other Indemnified Person shall be fully protected in relying in good faith upon the records required to be maintained under this Agreement and upon such information, opinions, reports, or statements by any of its agents, or by any other Person, as to matters such Member or Manager, Representatives or other Indemnified Person, as the case may be, reasonably believes are within such other Person's professional or expert competence and who have been selected with reasonable care by or on behalf of the Company, including information, opinions, reports, or statements as to the value and amount of the assets, liabilities, profits, or losses of the Company or any other facts pertinent to the existence and amount of assets from which distributions to the Member might properly be paid.

Notwithstanding anything to the contrary set forth in this Agreement, neither any Member, the Manager, any Representative, nor any equity owners, managers, partners (general or limited), officers, directors, employees or agents, in any such Person's capacity so described above, shall be liable for any damages suffered by the Company for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission of any such Person if such Person acted in good faith or otherwise acted in accordance with, or as otherwise specifically permitted by, this Agreement, except that this Section 3.7 shall not eliminate or limit the liability of any Person described above to the extent such Person is found liable for an act or omission not in good faith or not otherwise in accordance with, or not otherwise specifically permitted by, this Agreement and that constitutes a material breach of duty of such Person or an act or omission that involves fraud, intentional misconduct of a knowing violation of the law.

B. The Manager may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, architects, engineers, environmental consultants and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters which such Manager reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. Subject to its obligations and duties as Manager set forth herein, and as otherwise provided in this Agreement regarding arrangements with Affiliates, the Manager may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, including Affiliates of the Manager. The Manager shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the Manager so long as the Manager acted in good faith and was not grossly negligent in making any such appointment.

D. Any amendment, modification or repeal of this Section 3.7 or any provision hereof shall be prospective only and shall not in any way affect the limitations on any Indemnified Person's liability to the Company and the Members under this Section 3.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted. In addition to the circumstances in which a Person is not liable as set forth in the preceding provisions of this Section 3.7, any such Person shall not be liable to the fullest extent permitted by any provision of the statutes and other laws of Delaware hereafter enacted that further limits the liability of a Person serving in the capacity stated.

E. Notwithstanding the above or any other provisions of this Agreement or the LLC Act, the Company shall not take any action which, in the sole judgment of the Manager (1) so long as BCSP qualifies as a REIT, and without limiting the right of BCSP, in its sole discretion, to cease qualifying as a REIT, (a) would cause any income or receipts of the Company to be other than rents from real property, as defined in Section 856 of the Code and the Treasury Regulations thereunder, or other miscellaneous income or receipts which would not qualify under Section 856(c) of the Code and the Treasury Regulations thereunder, (b) could, in the judgment of the Manager, otherwise adversely affect the ability of BCSP to continue to qualify as a REIT, or (c) could, in the judgment of the Manager, subject BCSP to any additional taxes under Section 857 or Section 4981 of the Code, or (2) if and so long as any direct or indirect holders of interests in the Manager are subject to the provisions of Section 511, et seq (the "UBTI Provisions") of the Code, could, in the Manager's judgment, cause the Company to incur any income which would give rise to unrelated business taxable income ("UBTI") under the UBTI Provisions as if the Company were subject thereto, or (3) could, in the Manager's judgment, violate any law or regulation of any governmental body or agency having jurisdiction over its, BCSP's or Beacon's securities. The Members acknowledge that the Company shall not take any action prohibited by the preceding sentence even if the taking of any such action might otherwise be advantageous to the Company or to some of the Members unless the Manager specifically determines to take, or otherwise consents to the taking of, any such action, in its sole discretion. The provisions of this paragraph are solely for the benefit of the Beacon Members and no other Person shall have the right to enforce, or be the beneficiary of, the provisions of this paragraph.

Any action of the Manager on behalf of the Company or any decision of the Manager to refrain from acting on behalf of the Company undertaken in the good faith belief that such action or omission is necessary or advisable in order to comply with the provisions of the preceding paragraph and/or to minimize the receipt of income so as to allow BCSP to avoid incurring any liability for taxes under Section 857 or Section 4981 of the Code, or to avoid or minimize the receipt of revenues or income which would give rise to UBTI if the Company or any direct or indirect owner of the Company were subject to the UBTI Provisions is expressly authorized under this Agreement, even if taking such action or omission was not otherwise in the best interests of the Company or any of its Members, so long as, in any such event, the Manager acted in good faith and such action or omission was reasonably believed by the Manager to be within the scope of the purposes of the Company.

ARTICLE 4
FISCAL MATTERS

Section 4.1 Records and Accounting. The Manager shall keep or cause to be kept at the principal office of the Company those records and documents required to be maintained by the LLC Act and such other books and records deemed by the Manager to be appropriate with respect to the Company's business, including, without limitation, all books and records necessary to provide to the Members any information, lists and copies of documents required to be provided pursuant to Section 4.3 hereof. Any records maintained by or on behalf of the Company in the regular course of its business may be kept on, or be in the form of, punch cards, magnetic tape, photographs, micrographics or any other information storage device. The books of the Company shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles, or such other basis as the Manager determines to be necessary or appropriate. Any Member shall have the right, for any purpose reasonably related to the Member's interest as a Member in the Company, during normal business hours and upon reasonable notice, to examine and copy (at such Member's own expense) the books and records of the Company. Such examination shall be held, at the Manager's determination, at the principal office of the Company or of the Manager or at the Property or at such other location in the greater Washington, D.C. metropolitan area where the relevant information is held. Nothing in this Section 4.1 shall be deemed to limit the provisions of Section 4.4. The Manager shall have the right to withhold any requested information to the extent permitted by Section 18-305(c) of the LLC Act.

Section 4.2 Fiscal Year. The fiscal year (a "Fiscal Year") of the Company shall be the calendar year.

Section 4.3 Reports. As soon as practicable, and using all reasonable efforts to cause such to be provided within ninety (90) days after the close of each Fiscal Year, the Manager shall cause to be provided to each Member as of the close of the Fiscal Year, annual financial statements of the Company for such Fiscal Year, prepared in accordance with generally accepted accounting principles, consistently applied, and audited by the Accountants.

Section 4.4 Confidentiality. The Members acknowledge that, from time to time, they may receive information from or regarding the Company in the nature of financial statements and information, marketing strategies, trade secrets or other information which is confidential or not generally available to the public, the release of which may be damaging to the Company, the Manager or its Affiliates or Persons with which the Company does business. Each Member agrees that, except with the consent of the Manager, all non-public information furnished to it or received by it pursuant to this Agreement will be kept confidential and will not be disclosed by such Member, or by any of its agents, representatives, or employees, in any manner whatsoever, in whole or in part (but not including herein information that a Member has also received from a source independent of the Company or its representatives), except that (i) each Member (and its equity holders) shall be permitted to disclose such information to those of its agents, representatives, and employees who need to be familiar with such information in connection with such Member's (or such equity holder's indirect) investment in the Company or such Member's tax returns or as required by securities laws or other legal obligations, (ii) each Member that is an Entity shall be permitted to disclose such non-public information of the Company as is reasonably necessary for the intended purpose of such disclosure to its partners, members, stockholders and other holders of equity interests and to any potential buyer of a Member's Interest or of the Company's assets or any potential lender to any Member, so long as any such Person agrees to keep such information confidential on the terms set forth herein, (iii) each Member that has entered into this Agreement as a nominee for another Person may disclose such information to such other Person so long as such other Person agrees to keep such information confidential on the terms set forth herein, (iv) each Member shall be permitted to disclose information to the extent required either (x) as part of any filings, reports or similar matters which it is obligated to file, or (y) otherwise by law or by order or requirement of any court, administrative or other judicial or quasi-judicial entity, provided that as to any matter under clause (y) such Member shall make reasonable attempts to first afford the Company with a reasonable opportunity to contest the necessity of disclosing such information, and (v) each Member shall be permitted to disclose information to the extent necessary for the enforcement of any right of such Member arising under this Agreement. The Members acknowledge that breach of the provisions of this Section 4.4 may cause irreparable injury to the Company for which monetary damages are inadequate, difficult to compute, or both. Accordingly, the Members agree that the provisions of this Section 4.4 may be enforced by specific performance without posting bond.

Section 4.5 Bank Accounts; Company Funds. Bank accounts and/or other accounts of the Company shall be kept separate and apart from the books and records and accounts of any other Person, and shall be maintained in such banking and/or other financial institution(s) as shall be selected by the Manager, and withdrawals shall be made and other activity conducted on such signature or signatures as the Manager may from time to time determine.

Section 4.6 Additional Information. In addition to the other rights specifically set forth in this Agreement, each Member is entitled to all information to which that Member is required to have access pursuant to a non-waivable provision of the LLC Act, under the circumstances and subject to the conditions therein stated.

ARTICLE 5
DISTRIBUTIONS

Section 5.1 Requirement and Characterization of Distributions.

A. Prior to making any distributions to the Members pursuant to the following provisions of this Section 5.1, the Company shall first pay to any Member entitled thereto any then accrued and unpaid Guaranteed Payments, and as among Members entitled to any such payments in proportion to the aggregate amounts owed each such Member.

B. Operating Cash Flow shall be distributed to the Members at such times and with such frequency as the Manager shall determine, in its reasonable discretion. Capital Transaction Proceeds from other than a Terminating Capital Transaction shall be distributed by the Manager as soon as reasonably possible after the Capital Transaction giving rise thereto as the Manager, in its sole discretion, shall determine is appropriate. All Operating Cash Flow and all Capital Transaction Proceeds other than those from a Terminating Capital Transaction shall be distributed to the Members as follows:

(i) First: To the Beacon Members until their respective Unrecovered Capital Contributions are reduced to zero.

(ii) Second: To the Original Partners in proportion to their respective Percentage Interests, until each such Original Partner has received a cumulative, compounded return of fifteen percent (15%) per annum, compounded quarterly, on the Unrecovered Capital Contributions of each such Original Partner.

(iii) Third: To each Original Partner until each Original Partner's Unrecovered Subordinate Capital Contribution is reduced to zero.

(iv) Fourth: Any remaining amount to all the Members in proportion to their respective Percentage Interests.

C. Capital Transactions Proceeds from a Terminating Capital Transaction and amounts available upon dissolution, and after payment of, or adequate provisions for, the debts and obligations of the Company, and after liquidation of any remaining assets of the Company, shall be distributed and applied in the following priority:

(i) First, to fund reserves for liabilities not then due and owing and for contingent or unforeseen liabilities and obligations to the extent deemed appropriate by the Manager; and

(ii) Second, to the Members, an amount sufficient to reduce each Member's Capital Account to zero, in proportion to the positive balances in such Capital Accounts (after reflecting in such Capital Accounts all adjustments thereto necessitated by (A) all other Company transactions (distributions and allocations of Profits and Losses and items of income, gain, deduction, and loss) and (B) such Terminating Capital Transaction).

Upon the expiration of such period of time as the Manager shall deem advisable, the balance of any reserves established under clause (i) which are remaining after payment of any contingencies shall be distributed in the manner and in the priorities set forth above in Clause Second of this Section 5.1.C.

D. All Guaranteed Payments shall be "guaranteed payments" under and pursuant to Section 707(c) of the Code.

E. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member if such distribution would violate the applicable provisions of the LLC Act or other applicable law.

F. If any assets of the Company shall be distributed in kind pursuant to this Article 5, such assets shall be distributed to the Members entitled thereto in the same proportion as the Members would have been entitled to cash distributions. The amount by which the fair market value of any property to be distributed in kind to the Members exceeds or is less than the adjusted book basis of such property shall, to the extent not otherwise recognized by the Company, be taken into account in determining Profits and Losses and determining the Capital Accounts of the Members as if such property had been sold at its fair market value.

G. Notwithstanding anything in this Agreement to the contrary, if any amounts are owed by an Original Partner to the Company under the Indemnity Agreement or under the Master Transaction Agreement, the Company shall have the right to apply any distributions or other payments otherwise to be made to a Member under this Agreement to any such amounts owed to the Company. If any such application is so made, it shall be treated for all purposes as if the distribution had been made to such Member and such Member had made a payment to the Company under the applicable agreement.

H. As contemplated by the Master Transaction Agreement, upon the occurrence of the Closing, certain loan proceeds, in an amount determined pursuant to the Master Transaction Agreement (the "Special Distribution Amount"), are to be retained by the Company and distributed to the Original Members; notwithstanding anything in this Agreement to the contrary, the Company, upon receipt of such amounts, shall promptly make a distribution (the "Special Distribution") to the Original Partners in an amount equal to the Special Distribution Amount, and as among the Original Partners in such amounts as the Akridge Representative shall direct at the time of the Closing. If the Manager makes the Special Distribution among the Original Partners in accordance with the instructions of the Akridge Representative, then the Manager shall have no liability to any Original Partner in the event the Special Distribution to an Original Partner is less than such Original Partner was entitled to (or which it believes it was entitled to), and such Original Partner's sole recourse in such event shall be against the Akridge Representative.

Section 5.2 Withholding.

A. Each Member hereby authorizes the Company to withhold from, or pay on behalf of or with respect to, such Member any amount of federal, state, local, or foreign taxes that the Manager determines that the Company is required to withhold or pay with respect to any amount distributable or allocable to such Member pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Company pursuant to Sections 1441, 1442, 1445, or 1446 of the Code. Any amount paid on behalf of or with respect to a Member shall constitute an advance by the Company to such Member, which advance shall be repaid by such Member within fifteen (15) days after notice from the Manager that such payment must be made unless (i) the Company withholds such payment from a distribution which would otherwise be made to the Member; or (ii) the Manager determines that such payment may be satisfied out of the available funds of the Company which would, but for such payment, be distributed to the Member. Any amounts withheld pursuant to the foregoing clauses (i) or (ii) shall be treated as having been distributed to such Member.

B. Any amounts payable by a Member hereunder shall bear interest at the lesser of (A) the Base Rate plus five (5) percentage points (i.e., 500 basis points), or (B) the maximum lawful rate of interest on such obligation, such interest to accrue from the date such amount is due (*i.e*., fifteen (15) days after demand) until such amount is paid in full. Each Member shall take such actions as the Company or the Manager shall request in order to perfect or enforce the security interest created hereunder.

C. For purposes of this Section 5.2, the Company may assume that any Member who fails to provide the Manager satisfactory evidence of its tax status for United States federal income tax purposes is, for purposes of the Code, a foreign person.

D. All amounts withheld pursuant to the Code or any provisions of any state or local tax law and Section 5.2 hereof with respect to any allocation, payment or distribution to a Member shall be treated as amounts distributed to such Member pursuant to Section 5.1 for all purposes under this Agreement.

ARTICLE 6
ALLOCATIONS OF PROFIT AND LOSS

Section 6.1 Allocations of Profits and Losses.

A. Profits and Losses. Subject to Sections 6.1.B and C, and after giving effect to the special allocations, if any, provided in Sections 6.2.A and B, Profits and Losses, other than those attributable to a Terminating Capital Transaction, shall be allocated among the Members so as to make the Partially Adjusted Capital Account of each Partner equal to such Partner's Target Balance, to the extent possible.

In the event the amount of Profits or Losses allocable to the Members pursuant to this Section 6.1.A are insufficient to allow the Partially Adjusted Capital Account of each Member to equal each such Member's Target Balance, the Profits or Losses allocable pursuant to this Section 6.1.A shall be allocated among the Members first so as to achieve a proportion in the respective differences among (x) each Member's Target Balance and (y) such Member's Partially Adjusted Capital Account balance immediately prior to the allocation of Profits or Losses pursuant to this Section 6.1.A which is the same as the proportion of their Percentage Interests, and then in proportion to the remaining respective differences.

No Profits for any applicable period shall be allocated to a Member whose Target Balance is less than or equal to its Partially Adjusted Capital Account for such period, nor shall any Losses be allocated to a Member whose Target Balance is greater than or equal to its Partially Adjusted Capital Account for such period.

The above allocations of Profits and Losses are applicable commencing on the beginning of business on the day immediately following the Closing Date. Profits and Losses prior to and through the end of business on the Closing Date shall be allocated among the Original Partners in the manner provided for in the Predecessor Agreement.

B. Loss Limitation. Notwithstanding anything to the contrary in Section 6.1.A, no Losses shall be allocated to a Member if or to the extent such allocation would cause or increase a Member's Adjusted Capital Account Deficit. In the event any allocation of Losses would cause a Member to have an Adjusted Capital Account Deficit, then the amount of any such Losses which would cause or increase such Adjusted Capital Account Deficit of a Member shall be allocated, instead, to the other Members in proportion to the manner in which they would bear such Losses pursuant to the other provisions of this Agreement.

C. Profits and Losses From Terminating Capital Transaction. Notwithstanding anything contained in Sections 6.1.A and B hereof, after giving effect to the special allocations, if any, provided in Sections 6.2.A. and B. hereof, but in all events subject to Section 6.2.C., all items of Company Profits and Losses arising from a Terminating Capital Transaction shall be allocated among the Members so as to insure to the maximum extent possible that, after giving effect to the allocation of such Profits and Losses in the Capital Accounts of the Members, the Capital Account balance of each Member is positive in the amount of cash that such Member would receive if the Capital Transaction Proceeds from such Terminating Capital Transaction were distributed pursuant to Section 5.1.B.

Section 6.2 Required and Special Allocations.

A. Special Allocations. Except as otherwise provided in this Agreement, the following special allocations will be made in the following order and priority:

(1) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 6, if there is a net decrease in Minimum Gain during any tax year or other period for which allocations are made, the Members will be specially allocated items of Company income and gain for that period (and, if necessary, subsequent periods) in an amount equal to such Member's share of the net decrease in Minimum Gain during such tax year or other period determined in accordance with Treasury Regulations Section 1.704-2(g)(2). Allocations pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2)(i). This Section 6.2.A.(1) is intended to comply with the minimum gain chargeback requirements set forth in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith, including the exceptions to the minimum gain chargeback requirement set forth in Treasury Regulations Sections 1.704-2(f)(2) and (3).

(2) Partner Nonrecourse Debt Minimum Gain Chargeback. Notwithstanding any other provision of Section 6.1 or this Section 6.2 (other than Section 6.2.A(1), which shall be applied before this Section 6.2.B(2)), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any tax year or other period for which allocations are made, each Member with a share of

Partner Nonrecourse Debt Minimum Gain determined in accordance with Treasury Regulations Section 1.704-2(i)(5) shall be specially allocated items of Company income and gain for that period (and, if necessary, subsequent periods) in an amount equal to the Member's share of the net decrease in the Partner Nonrecourse Debt Minimum Gain determined in accordance with Treasury Regulation 1.704-2(i). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii). This Section 6.2.A(2) is intended to comply with the minimum gain chargeback requirements of Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith, including the exceptions set forth in Treasury Regulations Section 1.704-(f)(2) and (3) to the extent such exception apply to Treasury Regulations Section 1.704-2(i)(4).

(3) Qualified Income Offset. A Member who unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), respectively, will be specially allocated items of income and gain (consisting of a pro rata portion of each item of partnership income, including gross income, and gain for the relevant tax year) in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 6.2.A(3) shall be made only to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 6.2.A have been made in the first instance without regard to this Section 6.2.A(3).

(4) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year or other period shall be allocated among the Members in proportion to each Member's Percentage Interest. The items of Losses, deductions and Code Section 705(a)(2)(b) expenditures to be so allocated shall be determined in accordance with Treasury Regulation §1.704-2(j)(1)(ii).

(5) Partner Nonrecourse Deductions. Notwithstanding anything to the contrary in this Agreement, any Partner Nonrecourse Deductions for any taxable year or other period for which allocations are made will be allocated to the Member who bears the economic risk of loss with respect to the liability to which the Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i).

(6) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset under Code Section 734(b) or 743(b) is required to be taken into account in determining Capital Accounts under Treasury Regulations Section 1.704-1(b)(2) (iv)(m), the amount of the adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset), and the gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted under Treasury Regulations Section 1.704-1(b)(2)(iv)(m).

(7) Depreciation Recapture. In the event there is any recapture of Depreciation or item of tax credit, the allocation thereof shall be made among the Members in the same proportion as the deduction for such Depreciation or item of tax credit was allocated.

B. Regulatory Compliance; Curative Allocations. The allocations set forth in Sections 6.2.A(1) through (5) hereof (the "Regulatory Allocations") are intended to comply with certain requirements of Treasury Regulations Sections 1.704-1(b) and 1.704-2, and shall be interpreted in a manner consistent with such Treasury Regulations. The Regulatory Allocations may not be consistent with the manner in which the Members intend to divide Company distributions. Accordingly, the Manager is hereby authorized to further allocate Profits, Losses, and other items among the Members in a reasonable manner so as to prevent the Regulatory Allocations from distorting the manner in which Company distributions would be divided among the Members under Section 5.1 hereof, but for application of the Regulatory Allocations. In general, such reallocation will be accomplished by specially allocating other Profits, Losses and items of income, gain, loss and deduction, to the extent they exist, among the Members so that the net amount of the Regulatory Allocations and the special allocations to each Member is zero. The Manager may accomplish this result in any reasonable manner that is consistent with Code Section 704 and the related Treasury Regulations.

C. Tax Allocations - Code Section 704(c).

(1) Notwithstanding anything contained in this Agreement to the contrary, taxable income, gain, loss, and deduction with respect to any Company property that is subject to Code Section

704(c), the Treasury Regulations thereunder and/or Treasury Regulations Section 1.704-1(b)(2)(iv)(f) (the “Section 704(c) Provisions”) shall be determined and allocated among the Members in accordance with such Code Section and/or the Treasury Regulations, as the case may be, and pursuant thereto, it is agreed that allocations under the Section 704(c) Provisions as to the Property shall be made under the so-called “traditional method” with a back-end curative allocation, as permitted by Treasury Regulation Section 1.704-3(C). As to any property other than the Property that may in the future be contributed to the Company, the Manager may elect any permissible method under the Section 704(c) Provisions, with the consent of the Akridge Representative, such consent to be unreasonably withheld.

(2) In the event the Book Value of any Company asset is adjusted pursuant to the other provisions of this Agreement (not including herein the initial booking of any asset contributed to the Company), subsequent allocations of taxable income, gain, loss and deduction with respect to such asset shall be determined and allocated among the Members, and the Capital Accounts of the Members shall be determined, so as to account for any Book-Tax Disparity arising from such adjustment in the same manner as would occur as to an asset contributed to the Company under Code Section 704(c) and the Treasury Regulations thereunder.

D. Other Allocation Rules. The following rules will apply to the calculation and allocation of Profits, Losses and other items:

(1) Unless otherwise determined by the Manager, for purposes of determining the Profits, Losses or any other item allocable to any period, Profits, Losses and other items will be determined on a daily basis under Code Section 706 and the related Treasury Regulations.

(2) Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction, and other allocations not provided for in this Agreement will be divided among the Members in the same proportions as they share Profits and Losses, provided that any credits shall be allocated in accordance with Treasury Regulations Section 1.704-1(b)(4)(ii).

(3) For federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Members in

the same manner as its correlative item of "book" income, gain, loss or deduction has been allocated pursuant to the other provisions this Article 6, except as otherwise provided in Section 6.2.C.

(4) Upon the admission of a new Member or the Transfer of an Interest, the new and old Members or the transferor and transferee shall be allocated shares of Profits and Losses and other allocations from the ongoing operations of the Company based on the actual portions of the Fiscal Year that the new or transferred Interest was held by the new and old Members, or the transferor and transferee, respectively. Profits and Losses and other allocations from Capital Transactions shall be allocated between any said parties based on the holder of the relevant Interest on the date of any such Capital Transactions. For the purpose of allocating Profits and Losses and other allocations, (i) such admission or Transfer shall be deemed to have occurred on the first day of the month in which it occurs, or if such date shall not be permitted for allocation purposes under the Code or the Treasury Regulations, on the nearest date otherwise permitted under the Code or the Treasury Regulations, and (ii) if required by the Code or the Treasury Regulations, the Company shall close its books on an interim basis on the last day of the previous calendar month.

(5) If any assets are sold in transaction in which, by reason of the provisions of Section 453 of the Code or any successor thereto, gain is realized but not recognized, such gain shall be taken into account when realized in computing gain or loss of the Company for purposes of allocation of Profit or Loss under this Article 6, and, if such sale(s) shall involve substantially all the assets of the Company, the Company shall be deemed to have been dissolved and terminated for purposes of making the aforesaid allocations notwithstanding any continuation of the Company for purposes of collecting the proceeds of such sales.

E. Effect of Treasury Regulations; Liquidation. In the event the Company is "liquidated" within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to Section 5.1.C. If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations), such Member shall have no obligation to make any contribution to the capital of the Company. In the event the Company is "liquidated" within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g) but there has been no dissolution of the Company, then the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged and the Company's affairs shall not be wound up.

F. Closing of the Books; Prior Profits and Losses. As contemplated by the Master Transaction Agreement, it is agreed that the Company (as the successor to the Partnership for federal income tax purposes) will use the "interim closing of the books" method as of the end of day of the date of this Agreement, i.e., the date on which TZO was admitted to the Partnership. All profits, losses, deductions, credits and all items thereof (including, without limitation, any cancellation of indebtedness income) of the Partnership on or prior to (but including) the date of this Agreement and of the Company since its merger with the Partnership and on or prior to (but including) the date of this Agreement shall be allocated solely to the Original Partners, and among them in accordance with the Second Amended and Restated Limited Partnership Agreement. All profits, losses, deductions, credits and all items thereof of the Company commencing on the first day after the date of this Agreement shall be allocated to the Members in accordance with this Agreement.

G. Allocation of Nonrecourse Liabilities. Solely for purposes of determining each Member's proportionate share of the "excess nonrecourse liabilities" of the Company within the meaning of Treasury Regulation §1.752-3(a)(3), to the extent permissible under the Code and the applicable Treasury Regulations thereunder, such excess nonrecourse liabilities shall first be allocated among the Original Partners so as to provide adequate basis for the negative capital account (for federal tax purposes) of each such Original Partner, and thereafter in accordance with each Member's interest in the profits of the Company, and for the aforesaid purpose, each Member's interest in the Profits of the Company shall be equal to its Percentage Interest in the Company.

ARTICLE 7
RIGHTS, LIABILITIES AND OBLIGATIONS OF MEMBERS

Section 7.1 Limited Liability. No Member, in its capacity as such, shall, unless expressly agreed to in writing by such Member otherwise, be personally liable for any of the debts or other obligations or liabilities of the Company.

No Member with a negative balance in its Capital Account shall have any obligation to the Company or the other Member to restore such negative balance upon the dissolution or termination of the Company or otherwise, and any such deficit in the Capital Account of any Member shall not constitute an obligation of such Member to the Company or the other Member.

Section 7.2 Outside Activities of Members. No business or other opportunities other than those related to the Property shall be deemed to be the Property of, or belong to, the Company. Any Member, including the Manager, and any partner, member, shareholder, equity holder, officer, director, employee, agent, trustee, or Affiliate of any Member shall be entitled to and may have and own real property and other business interests and engage in business activities in addition to those relating to the Company, including real property and other business interests and activities that are contiguous, adjacent to or near the Property and/or in direct competition with the Property and/or the Company or that are directly or indirectly enhanced by the Property and/or business and activities of the Company. Neither the Company nor any Member nor any Affiliate of any Member nor any other Person shall have any rights by virtue of this Agreement or the Company relationship established hereby in any such or any other business ventures of any other Member or any of its Affiliates. No Member or such other Person shall have any obligation pursuant to this Agreement to offer any interest in any such business ventures to the Company, any Member or any such other Person, even if such opportunity is of a character which, if presented to the Company, any Member or such other Person, could be undertaken by such Person.

Each Member understands and acknowledges that the conduct of the business of the Company may involve business dealings with such other businesses or undertakings of a Member or its Affiliates. The creation of the Company and the assumption by each Member of its duties hereunder shall be without prejudice to the respective rights (or the rights of its Affiliates) to maintain such other interests and activities and to receive and enjoy profits or compensation therefrom, and each Member hereby waives any rights it might otherwise have to share or participate in such other interests or activities of any other Member or such Member's Affiliates.

Section 7.3 Duties to Other Members. The Members understand and acknowledge that each Member and the Manager may have contractual and statutory fiduciary and other duties to various direct and/or indirect investors in such Member and/or Manager, and further acknowledge and agree that the duties which the Member and the Manager have to each other are expressly subject to such other duties; provided, however, that each Member and the Manager shall at all times endeavor to conduct its affairs and make decisions in good faith and in a manner which does not treat any Member differently from any other Member except as is otherwise provided for or permitted by Article 5 of this Agreement.

ARTICLE 8
MEMBERS' SPECIAL LIABILITY

Section 8.1 Members' Special Liability.

A. Each Member agrees that it will not interfere or attempt to interfere (and will cause its Affiliates, and all Persons claiming by or through any of them, not to interfere) directly or indirectly with (x) the conduct of the business of the Company by the Manager or the right of the Manager to control and manage the Company, the Company's business and the Property, or the taking or failure to take any action by the Manager under this Agreement, (y) any action taken under or other matter as to the Subordinate Loans or under the Option Agreements which action or other matter is otherwise permitted under the terms and provisions of any said Subordinate Loan or Option Agreement.

B. The following, the "Specified Liability Provisions," are matters for which a Member shall have individual liability for, as the context requires, breach of, or liability for, but subject in any event to Section 8.2, and each Member acknowledges and agrees that it shall be such Member's fiduciary duty to all the other Members not to engage in any of the following:

(i) the commencement, institution or instigation of, or the joining in the prosecution of, or participation in, any claim, suit or legal proceeding, directly or indirectly, by a Member or any of its Affiliates as to any other business activity of and as to the Company, by the Manager or any of its Affiliates, which claim, suit or proceeding makes any claim inconsistent with the powers or rights of the Manager and its Affiliates under this Agreement;

(ii) any loss or liability arising from breach of any of its representations and warranties contained in Section 1.10;

(iii) the commencement or institution of, or the joining in the prosecution of, or participation in, any claims, suits or other legal proceedings, directly or indirectly, by a Member or any of its Affiliates (any of the above being referred to in this clause (iii) as a "Proceeding") which requests either an injunction, delay or other relief to prevent, delay or otherwise interfere with the Company from entering into or completing any financing or refinancing or the encumbrance or the sale, transfer or other disposition of any Property of the Company or of engaging in any other transaction or activity authorized by the Manager on behalf of the Company, or with any Transfer by any Beacon Member permitted by Article 10 of this Agreement (a "Delay"), or the making by a Member or any of its Affiliates of any threat or allegation to any other party to, or otherwise involved in, any such transaction to the effect that any such transaction is not permitted to be taken by the Manager on behalf of the Company under this Agreement or that such Member or Affiliate will involve any third party in litigation or in any other proceedings of any nature whatsoever because such transaction is not so permitted, except that it shall not be a breach of this clause (iii) as to the commencement or institution of a proceeding alleging the bad faith or willful malfeasance of the Manager or a Member or a breach of Section 10.7, but it shall be a breach for purposes of this clause (iii) unless the Member commencing or instituting any such a proceeding is both the prevailing party therein on any of the material matters alleged in such Proceeding and as to the material matter on which such Member prevailed the relief granted includes either an injunction, delay or other relief to prevent, delay or prohibit or modify in a material way the relevant proposed matter as to which the Proceeding was initiated or an order is entered requiring compliance with Section 10.7 of this Agreement where it had been alleged that there had been a failure to so comply and the court found that there had been such a failure to comply;

(iv) breach by a Member of the provisions of Article X or of Section 12.4;

(v) costs and expenses recoverable under Section 12.13; and

(vi) failure by a Member to make any payments required to be made to the Company pursuant to the Indemnity Agreement after notice thereof from the Company and a lapse of thirty (30) days after such notice is given.

Section 8.2 Certain Limitations on Specified Liability Provisions Liability.

A. Except as to any liability under Section 8.1.A and under clauses (i), (iii) and (vi) of Section 8.1.B, the liability of any Member under any Specified Liability Provision shall be for any direct damages suffered by any other Member or the Company as a result of the matter specified in Section 8.1, and shall in no event include, and, other than as to liability under Section 8.1.A and under clauses (i) and (iii) of Section 8.1.B, each Member hereby waives any rights to, any consequential or other damages, other than direct damages, as to any such matter included as a Specified Liability Provision.

Each Member acknowledges and agrees that in the event it breaches clause (i), (iii) or (vi) of Section 8.1.B and such breach interferes with or delays any prospective financing or refinancing by the Company or a sale of the Property or a Transfer of all or any portion of any Beacon Member's Interest and/or the Interest of any Affiliate of TZO in the Company, each other Member shall be entitled not only to direct damages but also to any consequential, special or other damages. In particular, in the event of any such prospective financing, refinancing, sale or a Transfer described immediately above affected by the breach of a Member, or by any of its Affiliates or any other Person claiming by through or under any such Member, of Section 8.1.A or under either clause (i) or (iii) of Section 8.1.B, consequential damages to which TZO and each of the Subordinate Lenders, if any such Subordinate Lender acquires Interests in the Company pursuant to its rights under an Option Agreement, and any other Beacon Member shall be entitled to include, without limitation, payment of such amounts, as consequential damages, as would allow such Person to obtain a so-called "internal rate of return" on such Person's investment which is no less than the internal rate of return which each such Person would have earned had any such proposed transaction affected by any such breach been consummated, due regard being given to the amount and timing of any later completed transaction and any tax differential treatment between any damages and the proceeds of a proposed transaction.

B. Subject to the provisions of Section 8.2.A, nothing contained above in this Article 8 or elsewhere in this Agreement shall be construed as limiting the liability of any Member with respect to obligations incurred from and after the date hereof by such Member or any liability of any such Member to the Company or any other Member: (1) under or as to any Specified Liability Provisions; or (2) for any liability or loss resulting from any act or failure to act arising out of, or in connection with fraud, willful misconduct or misappropriation of such Member.

Section 8.3 Additional Remedies. In the event of the breach or failure by (a) any Member or any of its Affiliates or any other Person claiming by through or under any such Member of either Section 8.1.A or clause (i) or (iii) of Section 8.1.B, such Member and every other Member which is an Affiliate of such breaching Member (collectively, when applicable, the "Defaulting Members"), or (b) in the event of a breach by any Member of clause (vi) of Section 8.1.B, all of the Members other than any Beacon Members (collectively, in any applicable situation, the "Defaulting Members"): (x) at the Manager's option, in its sole discretion, upon written demand from the Manager, each Defaulting Member shall escrow with the Company the amount of any such Defaulting Member's guaranty of any indebtedness of the Company (including, without limitation, any indebtedness owed to a Member or any Affiliate or a Member), and (y) each of TZO and Beacon shall have the right to purchase the Interest of any such Defaulting Member for an amount equal to the amount such Defaulting Member whose Interest is being purchased pursuant to this clause (y) would have received if the Property were sold for ninety two and one-half percent (92.5%) of its fair market value, with the agreed fair market value being equal to the net operating income of the Property for the last Full Fiscal Year prior to such breach, reduced by an amount equal to the amortization over five (5) years of the reasonably anticipated tenant improvements and leasing commissions to be incurred over the five (5) Fiscal Years following such last full Fiscal Year, with a 12% per annum return over such period of amortization, said difference then capitalized at nine percent (9%). Each of the aforesaid remedies, and any other remedies that may be available under this Agreement or at law or equity in the event of a breach by a Member of the provisions of Section 8.1, shall be non-exclusive and may be exercised consecutively and/or concurrently and in any order.

ARTICLE 9
TAX MATTERS

Section 9.1 Preparation of Tax Returns. The Manager shall arrange for the preparation and timely (including valid extensions) filing of all similar federal, state and local income tax returns and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information required to be furnished to the Members for federal, state and local income tax reporting purposes. The Manager shall use reasonable efforts prior to filing to allow the Akridge Representative ten (10) days in which to review and comment on any such income tax returns, but such right shall not include any approval thereof, and the Manager shall have no obligation to make any changes or other modifications that may be requested by the Akridge Representative other than compliance with the provisions of Article 6.

Section 9.2 Tax Elections. The Manager shall determine all elections to be made by the Company pursuant to the Code, except that the Manager shall not make any election which would adversely affect either of the Members or cause the Company to be taxed as a corporation under the Code or under any state or local income tax law, and in any event the Manager shall make the election agreed upon pursuant to the last sentence of clause (1) of Section 6.2.C. Except as otherwise provided in this Agreement, the Manager shall have the right to seek to revoke any tax election it makes (including, without limitation, the election under Section 754 of the Code) upon the Manager's determination that such revocation is in the best interests of the Members.

Section 9.3 Tax Matters Partner.

A. The Manager shall be the "Tax Matters Partner" of the Company for federal income tax purposes. Pursuant to Section 6230(e) of the Code, upon receipt of notice from the IRS of the beginning of an administrative proceeding with respect to the Company, the Tax Matters Partner shall furnish the IRS with the name, address, taxpayer identification number, and profit interest of each of the Members and the Assignees; provided, however, that such information is provided to the Company by the Members and the Assignees. Notwithstanding anything herein to the contrary, the Tax Matters Partner shall, upon receipt of notice from the IRS, give notice of an administrative proceeding with respect to the Company to all Members in accordance with, and as if such Members were each a "notice partner" pursuant to, Section 6231(a)(8) of the Code.

B. The Tax Matters Member shall represent the Company, at the Company's expense, in connection with all examinations of the Company's affairs by tax authorities including any resulting administrative or judicial proceedings. Without limiting the generality of the foregoing, the Tax Matters Member is authorized, but not required:

(1) to enter into any settlement with the IRS with respect to any administrative or judicial proceedings for the adjustment of Company items required to be taken into account by a Member for income tax purposes (such administrative proceedings being referred to as a "tax audit" and such judicial proceedings being referred to as "judicial review"), and in the settlement agreement the tax matters partner may expressly state that such agreement shall bind all Members, except that such settlement agreement shall not bind any Member (i) who (within the time prescribed pursuant to the Code and Treasury Regulations) files a statement with the IRS providing that the Tax Matters Member shall not have the authority to enter into a settlement agreement on behalf of such Member; or (ii) who is a "notice partner" (as defined in Section 6231(a)(8) of the Code) or a member of a "notice group" (as defined in Section 6223(b)(2) of the Code);

(2) in the event that a notice of a final administrative adjustment at the Company level of any item required to be taken into account by a Member for tax purposes (a "Final Adjustment") is mailed to the tax matters partner, to seek judicial review of such final adjustment, including the filing of a petition for readjustment with the Tax Court or the filing of a complaint for refund with the United States Claims Court or the District Court of the United States for the district in which the Company's principal place of business is located;

(3) to intervene in any action brought by any other Member for judicial review of a final adjustment;

(4) to file a request for an administrative adjustment with the IRS and, if any part of such request is not allowed by the IRS, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(5) to enter into an agreement with the IRS to extend the period for assessing any tax which is attributable to any item required to be taken account of by a Member for tax purposes, or an item affected by such item; and

(6) to take any other action on behalf of the Members or the Company in connection with any tax audit or judicial review proceeding to the extent permitted by applicable law or regulations.

The Tax Matters Member shall be entitled to incur such expenses as are reasonably necessary in fulfilling its role as Tax Matters Member. The provisions relating to indemnification of the Manager set forth in Section 3.6 of this Agreement shall be fully applicable to the Tax Matters Member in its capacity as such.

C. The Tax Matters Member shall receive no compensation for its services. The Company shall indemnify and reimburse the Tax Matters Member for all third party costs and expenses (including legal and accounting fees) reasonably incurred as Tax Matters Member in performing its duties pursuant to this Article 9 and in connection with any administrative or judicial proceeding with respect to any matter which is a "partnership tax item" under the Code. The payment of all such expenses shall be made before any distributions are made to the Members. Nothing herein shall be construed to restrict the Company from engaging an accounting, legal and/or other firm to assist the Tax Matters Member in discharging its duties hereunder, so long as the compensation paid by the Company for such services is reasonable.

D. The Tax Matters Member shall use its best efforts to keep each Member informed of any administrative and judicial proceedings for the adjustment at the Company level of any item required to be taken into account by a Member for income tax purposes or any extension of the period of limitations for making assessments of any tax against a Member with respect to any Company item, or of any agreement with the Internal Revenue Service that would result in any material change either in income or loss as previously reported.

E. Any Member that receives a notice of an administrative proceeding under Code Section 6233 relating to the Company shall promptly notify the Tax Matters Member of the treatment of any Company item on such Member's federal income tax return that is or may be inconsistent with the treatment of that item on the Company's return. Any Member that enters into a settlement agreement with the Secretary of the Treasury with respect to any Company item shall notify the Tax Matters Member of such agreement and its terms within 60 days after its date.

ARTICLE 10
TRANSFERS AND WITHDRAWALS; RIGHT OF FIRST OFFER

Section 10.1 Transfer.

A. The term “Transfer,” when used in this Agreement with respect to any Interest in the Company, shall mean (i) a transaction in which a Member assigns, absolutely, conditionally, as security or otherwise, all or any part of its Interest (legal and/or beneficial) to another Person, and includes any sale, assignment, gift, pledge, mortgage, exchange, hypothecation, encumbrance or other disposition, including any such matter occurring by operation of law (such as, but not limited to, a statutory merger) or otherwise, and (ii) any of the transactions described in clause (i) above as to any interest in any upper tier Entity which, directly or indirectly, holds an equity interest in a Member.

B. No Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions of this Agreement. Any Transfer or purported Transfer of an Interest not made in accordance with this Article 10 shall be null and void.

Section 10.2 Members’ Rights to Transfer.

A. Subject to the provisions of Section 10.2.E and Section 10.3, a Member may not Transfer all or any part of its Interest without the consent of the Manager except as follows:

(i) a Transfer to an Entity which directly or indirectly wholly owns and controls such Member (a “Member Parent”) or which directly or indirectly is wholly owned and controlled by such Member;

(ii) as part of a merger, consolidation or similar transaction involving a substantial portion of the assets owned by a Member Parent, or Transfers of or the issuance of interests or shares in a Member Parent;

(iii) Transfers of interests in a Member which is an Entity so long as there is no change in control of the Entity and so long as Persons presently holding, directly or indirectly, 51% of the interests in such Entity continue to own at least 51%.

(iv) to the transferee’s Immediate Family or to a trust or other gift or estate planning vehicle whose sole beneficiaries are the Member and such Member’s Immediate Family; or

(v) upon the death of a person, but only to the estate of such person.

B. Subject to the provisions of Section 10.2.E and Section 10.3, in addition to the provisions of Section 10.2.A, any Beacon Member may Transfer all or any part of its Interest without the consent of the Members as follows:

(i) to an Entity which is directly or indirectly wholly owned and controlled by TZO or Beacon, or

(ii) to any Person provided that such Person has sufficient net worth to reasonably support the obligations of the transferring Beacon Member under this Agreement.

In addition, any Beacon Member may Transfer all or any part of its Interest to any Person with the consent of the holders of a majority of the Percentage Interests in the Company not held by the Beacon Members. Furthermore, notwithstanding anything in this Article 10 to the contrary, the provisions of this Article 10, and the term Transfer, shall not include the transfers of or issuance of membership interests in a Beacon Member, limited partner interests in Beacon or in Beacon Capital Strategic Partners II, L.P., or shares in BCSP.

C. The Manager may prohibit any Transfer of an Interest by a Member if, in the opinion of legal counsel to the Company, such transfer would require filing of a registration statement under the Securities Act or would otherwise violate any federal or state securities laws or regulations applicable to the Company, or would cause a breach or default under any agreement or other instrument which the Company is a party to or which the Company or any of the Property is subject to.

D. No Transfer of any Interest may be made to a lender to the Company or any Person who is related (within the meaning of Section 1.752-4(b) of the Treasury Regulations) to any lender to the Company whose loan constitutes a Nonrecourse Liability, without in any such instance the written approval of the Manager made with the actual knowledge of the Manager that such relationship exists.

E. Except for Transfers permitted by Section 10.2.B, notwithstanding anything in this Agreement to the contrary, including, without limitation, Transfers otherwise permitted by Section’s 10.2.A, no Transfer of any direct or indirect Interest or of any direct or indirect interest in a Member which is an Entity may be made if (i) such Transfer would be included in making calculations of transfers under the District of Columbia Economic Interests Reporting Act, and (ii) if such Transfer occurs or would occur prior to twelve months and one day after the later to occur of the rights of either of the Subordinate Lenders under either of the Option Agreements having expired unexercised or the closing of the exercise of the last of such rights which can be exercised by the Subordinate Lenders. If any Transfer is made of a direct or indirect Interest or of any direct or indirect interest in a Member in violation of the provisions of this Section 10.2E and as a result thereof, after taking into account any Transfers resulting from the exercise of the rights of the Subordinate Lenders under the Option Agreements and any Capital Contributions made pursuant thereto and pursuant to Section 2.3.A(iii), whether made before or after any such initially described Transfer, a transfer tax is payable pursuant to the District of Columbia Economic Interests Reporting Act, then the Member which made any such prohibited Transfer or which had a direct or indirect interest in it Transferred in violation of the provisions of this Section 10.2E shall be liable for any transfer tax payable as a consequence thereof.

Section 10.3 General Restrictions on and Conditions to All Transfers.

A. Every Transfer of an Interest permitted by this Article 10 and every Transfer of an interest in any Entity which directly or indirectly holds an Interest in the Company which is permitted by this Article 10, shall nevertheless be subject to the following:

(i) No Transfer of any Interest may be made if such Transfer would cause or result in a breach of any agreement binding upon the Company or to which any of its property is subject, or of any then applicable rules and regulations of any governmental authority having jurisdiction over the Company or such Transfer;

(ii) Other than a Transfer pursuant to a merger or other statutory scheme under which, by operation of law, the surviving Entity succeeds to, and is deemed to have assumed, the obligations of the other Entity involved in such a Transaction, in the event of any Transfer of an Interest there shall be filed with the Company a duly executed and acknowledged counterpart of the instrument effecting such Transfer. In addition, in the event of any such Transfer, the transferee shall enter into a valid and binding agreement with the

Company and each of its Members the effect of which will be that the Interest so Transferred shall continue to remain subject to the provisions of this Agreement with the same force and effect as if such transferee had originally been a party hereto as to the interest so Transferred. Each transferee shall also execute such additional instruments as shall be reasonably required by the Manager. The Company need not recognize any Transfer for any purpose unless, and until, the foregoing provisions of this clause (iii) have been fully satisfied; and the Company shall have no obligation to admit a transferee as substitute Member except as expressly required by this Agreement;

(iii) No Transfer of an Interest (by conveyance, operation of law or otherwise) shall be effective to convey the subject matter thereof until the transferee executes all necessary certificates or other documents and performs all acts required in accordance with the laws of the State of Delaware and any other states in which the Company is then doing business and executes any and all documents as shall be required from time to time by the rules and regulations of any regulatory body or commission having jurisdiction over the Company or its properties, to the full extent that the same may be necessary to constitute such transferee a substitute Member;

(iv) Notwithstanding and in addition to all other provisions of this Agreement, including this Article 10, no Transfer of an Interest will be or remain a permitted Transfer, or be permitted pursuant to this Article 10, unless all of the following additional conditions are satisfied: (i) the Transferee is a single, legally existing Person owning the entire Interest transferred, or (ii) in the case of any Transferee that is an Entity, there will always be one or more officers, partners or trustees who are each designated by the owner of such Member's Interest as the parties who can each, at all times, legally and validly act on behalf of and legally bind the Entity which owns such Interest who are expressly so designated and so authorized to act on all matters under this Agreement or otherwise on behalf of said Entity which owns such Interest;

(v) Notwithstanding anything contained herein to the contrary, no Interest as a Member of the Company shall be transferred if, by reason of such Transfer, the classification of the Company as a partnership for federal income tax purposes would be adversely affected or jeopardized, or if such Transfer would have any other substantial adverse effect for federal income tax purposes, all as determined by the Manager; provided, however, if a Transfer is precluded by this clause (v) all or portions of such Transfer shall be permitted at the earliest possible time that such Transfer will not result in any such adverse federal income tax effect; and

(vi) Notwithstanding any provisions hereof to the contrary, no Transfer shall be made pursuant to this Article 10 to any foreign Person unless and until the transferee agrees in writing in advance of the Transfer that (a) the transferee and the Company shall comply with all applicable Federal, state and local laws pertaining to the acquisition, ownership or disposition of United States real property (or of directly or indirectly held interests therein) by any foreign Person and with all Federal, state and local laws of similar import pertaining to foreign Persons; (b) the Company may comply with any and all income and other withholding obligations that may be imposed on the Company without regard to other provisions of this Agreement that may otherwise govern the transferee's right to its share of Company income and loss and to receive distributions from the Company; and (c) the transferee shall indemnify and hold the Company and the non-transferring Members harmless from and against any and all expense or liability that is or may be imposed on the Company or the non-transferring Members attributable to or arising out of such Transfer because of such status of the transferee. Any agreement of a transferee Member required by this clause (vi) shall be in such form and shall contain such additional provisions as the non-transferring Member, in the exercise of its reasonable discretion, shall request as a condition precedent to such Transfer.

(vii) Notwithstanding anything to the contrary contained in this Agreement, without the consent of the Manager, in no event shall any Member Transfer all or any portion of its Interest or any economic interest or other right in all or any portion of its Interest to (i) any "Qualified Organization" within the meaning of Section 514(c)(9)(C) of the Code (a "Qualified Organization") or (ii) to any entity in which a Qualified

Organization has at the time of such Transfer a direct (or, to the transferring Member's actual knowledge, indirect) beneficial interest if such entity is treated as a partnership or otherwise as a "pass-through entity" for federal income tax purposes if such Qualified Organization may receive a direct or indirect allocation that could cause the Company not to meet the requirements of Section 514(c)(9)(E) of the Code (including, without limitation, by reason of Section 514(c)(9)(D) of the Code) and the Treasury Regulations thereunder. The Manager shall have the right to request, from time to time, that the other Members confirm in writing their continued compliance with this clause (vii).

(viii) If the Company is required to pay any fee, cost or other payment to any third party lender to the Company as a result of any Transfer by a Member of all or any portion of its Interest or of any direct or indirect Interest in any such Member which is an Entity, then such Member shall reimburse the Company for any such payment.

B. A Transfer of an Interest in the Company to a Permitted Transferee under this Article 10 shall nonetheless be subject to such Transferee assuming its proportionate share of the obligations of the Member which is making such Transfer. Any Person who acquires in any manner whatsoever an Interest (or any part thereof) in the Company, whether or not such Person has accepted and assumed in writing the terms and provisions of this Agreement or been admitted into the Company as a Member as provided in Section 10.4, shall be deemed, by acceptance of the acquisition of any such Interest, to have agreed to be subject to and bound by, and shall be deemed to have assumed all of the obligations of this Agreement with respect to such Interest and shall be subject to the provisions of this Agreement with respect to any subsequent Transfer of such Interest.

C. Upon the admission or withdrawal of a Member (whether by reason of a Transfer or otherwise), this Agreement and the Certificate, to the extent required under the LLC Act, shall be amended appropriately to reflect the then existing names and addresses of the Members and other appropriate and necessary information.

D. Any Transfer in contravention of any of the provisions of this Agreement shall be null and void and ineffective to Transfer any Interest, and shall not bind, or be recognized by, or on the books of, the Company.

E. In the event any Member shall at any time Transfer an Interest in the Company in contravention of any of the provisions of this Agreement, then the Company and each other Member, in addition to the rights above and all other rights and remedies at law and equity, shall be entitled to a decree or order restraining and enjoining such transaction, and the offending Member shall not plead in defense thereto that there would be an adequate remedy at law; it being expressly hereby acknowledged and agreed that damages at law would be an inadequate remedy for a breach or threatened breach of the violation of the provisions concerning such transactions set forth in this Agreement.

F. The death, legal disability, bankruptcy or dissolution of a Member or the Transfer by any Member of all or any part of its Interest in the Company (whether or not in compliance with the terms of this Agreement) shall not dissolve the Company.

Section 10.4 Substitute Members.

A. Any Person to whom an Interest is Transferred pursuant to Section 10.2 and in compliance with Section 10.3, other than a Transfer under Section 10.2.A(iii), shall become a Substitute Member, and such substitution shall be a condition to any such otherwise permitted Transfer.

B. A transferee who has been admitted as a Substitute Member in accordance with this Article 10 shall have all the rights and powers and be subject to all the restrictions and liabilities of a Member under this Agreement.

C. Upon the admission of a Substituted Member, this Agreement shall be appropriately amended to reflect the name, address, and Percentage Interest of such Substitute Member and to eliminate or adjust, if necessary, the name, address and interest of the predecessor of such Substitute Member. Substitute Members shall be added only on the first day a fiscal quarter unless the Manager, in its sole discretion, otherwise agrees.

Section 10.5 General Provisions.

A. No Member may withdraw from the Company other than as a result of a permitted Transfer of all of such Member's Company Interest in accordance with this Article 10.

B. Any Member who shall Transfer all of its Interest in the Company pursuant to this Article 10 shall cease to be a Member upon the admission of the assignee(s) of such Interest as a Substitute Member(s).

C. If any Interest is transferred or assigned during any portion of a Fiscal Year in compliance with the provisions of this Article 10 on any day other than the first day of a Fiscal Year, then Profits and Losses, each item thereof and all other items attributable to such interest for such Fiscal Year shall be divided and allocated between the transferor Member and the transferee Member or assignee by taking into account their varying interests during the Fiscal Year on such basis as the Manager may elect, provided that all Profits and Losses and items thereof and all other allocations attributable to a Capital Transaction shall be allocated to whichever of the transferor or the transferee is entitled to any distributions from such Capital Transaction, all of the above only if and to the extent such is permitted under the Code. All distributions of Operating Cash Flow attributable to such Interest before the date of such Transfer shall be made to the transferor Member, and all distributions of Operating Cash Flow thereafter attributable to such Interest shall be made to the transferee. Any distribution of Capital Transaction Proceeds shall be made based upon who was the Member when the Capital Transaction occurred.

Section 10.6 Acquisition of Interest by Subordinate Lenders.

The Members acknowledge that each of the Subordinate Lenders has the right to acquire an Interest as a Member in the Company pursuant to certain agreements between the Company and each of the Subordinate Lenders, and it is further acknowledged that the Members shall have no rights of any nature whatsoever as would restrict, limit or might otherwise affect the rights of the Subordinate Lenders to effectuate their respective rights under the aforesaid agreements. Without limiting the provisions of clause (iii) of the second paragraph of Section 12.11, each Member agrees to execute such documents as may be reasonably requested to enable a Subordinate Lender to consummate the exercise by it of the aforesaid right and option. No other provisions of this Article 10 are applicable to, or shall limit or otherwise affect, a Subordinate Lenders' rights and options under the aforesaid agreements to become a Member in the Company.

Section 10.7 Right of First Offer.

Prior to the solicitation of third party offers or the written acceptance of an unsolicited third party offer for sale of the Property by the Company in a transaction that would be a taxable disposition under the Code, the Manager shall first notify the Akridge Representative in writing, of the price (the "Specified Selling Price") for the Property, provided that the provisions of Section 10.7 need not be complied with if at the time they would otherwise be applicable TZO and/or Beacon are exercising their rights under Section 8.3 against Members whose aggregate Percentage Interests are more than 33 $^1/_3$% of the aggregate Percentage

Interests of all of the Original Partners or if at such time there has been failure to make any payments required to be made to the Company pursuant to the Indemnity Agreement after notice thereof from the Company and there has been a lapse of thirty (30) days since such notice was given. The Original Partners (among themselves in whatever proportions as they may determine) shall then have the right to purchase the Property at the Specified Selling Price set forth in the Manager's notice or to purchase the Interests of TZO and all of (but not less than all of) the other Beacon Members in the Company (the "Beacon Interests"), such right to be exercised, if exercised at all, by written notice from the Akridge Representative to the Manager given within thirty (30) days (the "Election Period") after the notice from the Manager given pursuant to above. Any such notice shall also include an election as to whether the purchase is of the Property or of the Beacon Interests. If no such designation is made, it shall be deemed that the Original Partners have elected to purchase the Beacon Interests. If the Original Partners exercise their rights under this paragraph, then the notice of such election shall be accompanied by, and shall be valid only if accompanied by, a non-refundable $2,000,000 cash deposit paid to an escrow agent designated by the Manager; such deposit shall be held by the escrow agent in an interest bearing account. If notice is not timely given or is not accompanied by the requisite deposit, the Original Partners shall be deemed to have elected not to purchase the Property. If the Original Partners purchase the Property or the Beacon Interests, as the case may be, the $2,000,000 shall be a credit against the purchase price.

During the Election Period, the Manager shall make the books and records of the Company available to the Original Partners and shall allow access to the Property during normal business hours for customary inspections by prospective purchasers of real property, subject, however, to delivery of confidentiality agreements and indemnities as to access comparable to those contained in the Master Transaction Agreement.

Any purchase of the Property or the Beacon Interests by the Original Partners under this Section 10.7 shall be consummated within sixty (60) days after the notice from the Original Partners of their election to purchase the Property or the Beacon Interests, as the case may be, shall be for all cash and shall require the repayment of all mortgage loans on the Property, including, without limitation, the Subordinate Loans, provided, however, if any third party loan is assumable or, as the case may be, is not callable or it is not a default thereunder as a result of the consummation of the purchase of the Beacon Interests, such loan may be assumed or, as the case may be, remain outstanding if such is not callable or a default or appropriate consent is received, provided that all fees and other costs and expenses for such assumption shall be paid by the purchasing Original Partners, and TZO, any other Beacon Member, Beacon and any of their Affiliates which have provided any guarantees or indemnities in connection with any such loan shall be released therefrom.

In the event the Beacon Interests are to be purchased, the purchase price for the Beacon Interests shall be the amount the Beacon Members owning the Beacon Interests would receive (and as among the Beacon Members, in the amount each such Beacon Member would receive) if the Property were sold for the Specified Selling Price, all indebtedness of the Company were discharged, all other assets of the Company other than cash and cash equivalents were sold for their respective Book Values and the Company then liquidated. If any then existing third party indebtedness of the Company remains outstanding after a purchase of the Beacon Interests, then the principal amount thereof on the Closing of any such purchase shall be deducted in determining the aforesaid purchase price. In determining the amount pursuant to clause (i) of the first sentence of this paragraph, it shall be assumed that no amount would be payable by the Company upon a sale of the Property on account of the D.C. Franchise Tax if none would have been payable upon a sale of the Property by the Company based on the Company liquidating at the time of a sale (and thus the gain being passed out to the Members of the Company, if such is then permissible or required under applicable law), and after deducting one-half of the then applicable real estate transfer tax if none is incurred in the actual transaction or if and to the extent the Beacon Members do not bear such tax.

For purposes of determining the amount due under the Subordinate Loans under the immediately preceding two paragraphs, it shall be deemed that the Property is sold for the Specified Selling Price.

If the Original Partners do not exercise, or are deemed not to have exercised, their right of purchase pursuant to the preceding provisions of this Section 10.7, the Manager shall thereafter be entitled to cause the Company to sell the Property, provided that any such sale is closed within two hundred and seventy (270) days after the expiration of the Election Period at a price which is not less than ninety-two and one-half percent (92.5%) of the Specified Selling Price. In the event the Property is not sold to a third party within the aforesaid two hundred and seventy (270) days period for the minimum price determined pursuant to this paragraph, then if the Manager thereafter desires to sell the Property or thereafter receives an unsolicited offer for the Property, the Manager shall be required to reinstate the aforesaid provisions of this Section 10.7.

In the event the Original Partners elect to purchase the Property or the Beacon Interests but fail to complete the purchase for any reason other than the Manager’s failure to cause the Company to convey the Property or any Beacon Member’s failure to convey its Interest or the failure to give the requisite representations and warranties provided for above , the aforesaid $2,000,000 deposit shall be retained by the Beacon Members as liquidated damages (as payments between Members and not as Company revenue or expenditure) and the Manager shall thereafter be free to cause the Company to sell the Property at any time and for any price and the provisions of this Section 10.7 shall thereafter be null and void and no longer applicable as to any future potential sale of the Property. The remedies under this paragraph shall be the sole and exclusive remedies in the event the Original Partners elect to purchase the Property or to purchase the Beacon Interests but thereafter fail to close.

Any conveyance of the Property by the Company to or as directed by the purchasing Original Partners shall be by standard conveyance documents, "as is", and without any representations and warranties by the Company or the Beacon Members except that, subject to the proviso below, the Beacon Members shall make real estate representations as to rent roll, leases and operating contracts (but not any other real estate related representations) which the Beacon Members' parent customarily makes when it sells real estate and due authorization and similar entity representations of the selling Entity, except that all matters occurring or existing prior to the Closing Date under the Master Transaction Agreement shall be excluded from any such representations, provided, however, if at such time the John A. Akridge Company or any Affiliate thereof or any Affiliate of any Original Partner (an "Akridge PM Affiliate") is the property manager or the subproperty manager, then no real estate representations of any nature shall be made by the Company or the Beacon Members. Any conveyance of the Beacon Interests in the Company if there is a purchase of the Beacon Interests shall be by an Assignment of Member Interest with representations and warranties by the assigning Beacon Member of its authority to so convey and its ownership of the Interest being conveyed free and clear of all liens and other encumbrances other than those under this Agreement, as well as representations and warranties of the Beacon Members comparable to the Entity Representations contained in, and as such term is defined in, the Master Transaction Agreement for the period from the Closing Date until the closing of the purchase of the Beacon Interests. Any representations and warranties so provided shall have survival periods, floors and limits of liability and concepts of "deemed Buyer knowledge" which are the same as those set forth in the Master Transaction Agreement; as to "deemed Buyer knowledge", the relevant individuals shall be such Persons as are agreed upon as between the Akridge Representative and the Manager, each acting reasonably, provided that in all events such individuals shall include the appropriate on-site manager, if any, or the person having a comparable off-site position, and the relevant senior supervisor of the Akridge PM Affiliate, if any. In all events, all representations and warranties shall exclude any matter in existence prior to the Closing Date under the Master Transaction Agreement and shall exclude all matters which were or are caused by any act or omission of any Original Partner or any Affiliate of any Original Partner Closing costs shall be apportioned as between, and normal prorations shall be made as between, the Company, as if it were a seller of real property, and the purchasing Original Partners in the customary manner for real estate transactions in the District of Columbia.

At the request of the Manager, upon a prospective sale of the Property, at any time from the initiation of the sale process therefor until the consummation of any sale, the Akridge Representative, on its own behalf and on behalf of all the other Original Partners, shall provide an Estoppel Certificate or other similar form of certification as to the compliance and satisfaction of the provisions of this Section 10.7, or if it believes such compliance has not occurred, stating the particulars of any non-compliance. Any such certification by the Akridge Representative shall be binding on all the Original Partners. If no such certification or statement of non-compliance is received within ten (10) Business Days after request therefor, then it shall be unrebuttably presumed that Section 10.7 has been complied with and such unrebuttable presumption shall be binding on all the Members, and any Person claiming by or through any Member.

ARTICLE 11
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 11.1 Dissolution. The Company shall not be dissolved by the admission of a Substitute Member or by the permitted withdrawal or any other matter as to a Member or the admission of a successor Manager in accordance with the terms of this Agreement. The Company shall dissolve, and its affairs shall be wound up, only upon the first to occur of any of the following (each a "Liquidating Event"):

A. an election to dissolve the Company made by the Manager with the unanimous consent of Members;

B. entry of a decree of judicial dissolution of the Company pursuant to the provisions of the LLC Act;

C. the sale of all or substantially all of the assets and properties of the Company, unless in connection therewith, and within 180 days thereof, there has been an exchange for other properties or assets; or

D. the Closing not have occurred for any reason by November 30, 2002. The filing of the Certificate of Merger with the Secretary of State of the State of Delaware on or before November 30, 2002 shall be conclusive evidence that the Closing timely occurred and that this Clause D is no longer a Liquidation Event.

Section 11.2 Winding Up.

A. Upon the occurrence of a Liquidating Event, the Company shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Members. No Member shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Company's business and affairs. The Manager or, in the event there is no remaining Manager, any Person elected by Members holding a majority of the Percentage Interests in the Company (the Manager or such other Person being referred to herein as the "Liquidator"), shall be responsible for overseeing the winding up and dissolution of the Company and shall take full account of the Company's liabilities and property and the Company property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (the "Terminating Capital Transaction Proceeds") shall be applied and distributed in the following order:

(1) First, to the payment and discharge of all of the Company's debts and liabilities to creditors other than the Members (Affiliates of the Members shall not be considered "Members" for these purposes);

(2) Second, to the payment and discharge of all of the Company's debts and liabilities to the Members, pro-rata among them; and

(3) Third, but subject to Paragraph D. below, the balance, if any, to the Members in accordance with and in proportion to their positive Capital Account balances, as determined after giving effect to all contributions, distributions and allocations for all periods.

A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Company and the liquidation of its assets pursuant to the other provisions of this Section 11.2 in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between the Members during the period of liquidation.

B. Notwithstanding the provisions of Section 11.2.A hereof which require liquidation of the assets of the Company, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Company the Liquidator determines that an immediate sale of part or all of the Company's assets would be impractical or would cause undue loss to the Members, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Company (including to those Members and their Affiliates as creditors) and/or distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 11.2.A hereof, undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Members, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. In the event the Company is "liquidated" within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to this Article 11 to the Members and assignees that have positive Capital Accounts in compliance with Treasury Regulations Section 1.704-1(b)(2)(ii)(b)(2) to the extent of, and in proportion to, their positive Capital Account balances. If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any contribution to the capital of the Company with respect to such deficit, and such deficit shall not be considered a debt owed to the Company or to any other Person for any purpose whatsoever, provided that such withheld, or escrowed amount shall be distributed to the Members in the manner and order of priority set forth in Section 11.2.A. hereof as soon as practicable.

D. In the discretion of the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Members pursuant to clause (3) of Section 11.2.A. may be:

(1) distributed to a trust established for the benefit of the Manager and Members for the purposes of liquidating Company assets, collecting amounts owed to the Company, and paying any contingent or unforeseen liabilities or obligations of the Company arising out of or in connection with the Company. The assets of any such trust shall be distributed to the Members from time to time, in the reasonable discretion of the Liquidator, in the same proportions as the amount distributed to such trust by the Company would otherwise have been distributed to the Members pursuant to this Agreement; and/or

(2) withheld or escrowed to provide a reasonable reserve for Company liabilities (contingent or otherwise) or to reflect the unrealized portion of any installment obligations owed to the Company, provided that such withheld or escrowed amounts shall be distributed to the Members by the Liquidator in the manner and order of priority set forth in Section 11.2.A as soon as practicable, as determined by the Liquidator in its reasonable judgment.

Section 11.3 Notice of Dissolution. In the event a Liquidating Event occurs or an event occurs that would, but for the provisions of an election or objection by one or more Members pursuant to Section 11.1, result in a dissolution of the Company, the Manager shall, within thirty (30) days thereafter, provide written notice thereof to each of the Members.

Section 11.4 Termination of Company and Cancellation of Certificate of the Company. Upon the completion of the liquidation of the Company's assets, as provided in Section 11.2 hereof, the Company shall be terminated, a certificate of cancellation shall be filed, and all qualifications of the Company as a foreign limited liability company in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Company shall be taken.

Section 11.5 Deemed Distribution and Recontribution. Notwithstanding any other provision of this Article 11, in the event that the Company is liquidated within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), but no Liquidating Event has occurred, the Company's property shall not be liquidated, the Company's liabilities shall not be paid or discharged and the Company's affairs shall not be wound up.

Section 11.6 Liability of Liquidator. The Liquidator shall be indemnified and held harmless by the Company from and against any and all claims, liabilities, costs, damages, and causes of action of any nature whatsoever arising out of or incidental to the Liquidator's taking of any action authorized under or within the scope of this Agreement; provided, however, that the Liquidator shall not be entitled to indemnification, and shall not be held harmless, where the claim, demand, liability, cost, damage or cause of action at issue arises out of (i) a matter entirely unrelated to the Liquidator's action or conduct pursuant to the provisions of this Agreement or (ii) the willful malfeasance, bad faith, dishonesty or fraud of the Liquidator.

Notices may also be delivered by hand, in which case they shall be deemed to have been given (and to be effective) on the date of delivery.

C. By giving to the other parties at least ten (10) Business Days' prior written notice thereof, the parties hereto shall have the right from time to time and at any time during the term of this Agreement to change their respective addressees effective upon actual receipt (or tender otherwise valid and effective hereunder) by the other parties of such notice and each shall have the right to specify as its address any other address within the United States of America. A change in address of a Member shall not require an amendment of Exhibit A, and the official address of any Member shall be as shown on the books and records of the Company.

D. In computing any period of time under this Agreement, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is not a Business Day, in which event the period shall run until the next Business Day.

Section 12.2 Titles and Captions. All article or section titles or captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof. Except as specifically provided otherwise, references to "Articles" and "Sections" are to Articles and Sections of this Agreement.

Section 12.3 Pronouns and Plurals; Word Meanings. Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The words such as "herein", "hereinafter", "hereof", and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. References to a paragraph shall only be to the grammatical paragraph referred to unless there is a specific paragraph and/or Section designated. The use in this Agreement of the word "including", when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not nonlimiting language (such as "without limitation", or "but not limited to", or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter.

Section 12.4 Waiver of Partition and Certain Other Rights. Except as set forth in Article 8, no Member shall have the right to terminate this Agreement or dissolve the Company by its express will or by withdrawal without the consent of all the other Members. In addition, each Member agrees that irreparable damage would be done to the Company if any Member brought an action in court to dissolve the Company or partition or apportion the assets of the Company. Accordingly, each Member agrees that it shall not, either directly or indirectly, take any action to require dissolution, partition or appraisement of the Company or of any of the assets of the Company or attempt to withdraw from the Company, and notwithstanding any provisions of this Agreement to the contrary, each Member accepts the provisions of the Agreement as its sole entitlement as to withdrawal by a Member and as to the termination, dissolution and/or liquidation of the Company, and hereby irrevocably waives any and all right to withdraw from the Company or to maintain any action for dissolution or partition or to compel any sale or other liquidation with respect to its interest, in or with respect to, the Company or any properties of the Company; and each Member agrees that it will not petition a court for the dissolution, termination or liquidation of the Company.

Section 12.5 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 12.6 No Third Party Rights. The provisions of this Agreement are for the benefit of the Company and the Members and the Manager, and no other Person, including creditors of the Company or any other Person, shall have any right or claim against the Company, the Manager or any Member by reason of this Agreement or any provision hereof or be entitled to enforce any provision of this Agreement. Moreover, notwithstanding anything contained in this Agreement, including specifically, but without limitation, Article 2, no such creditor or other Person shall obtain any rights under this Agreement or shall, by reason of this Agreement, make any claim in respect of any debt, liability or obligation (or otherwise) against the Company, the Manager or any Member.

Section 12.7 Waivers. The failure of any Member to at any time enforce any of the provisions of this Agreement, or any agreement or instrument delivered herewith, or to give any notice of default thereunder, shall not be deemed or construed to be a waiver of any such provision, nor to in any way affect the validity of this Agreement, or any agreement or instrument delivered herewith, or any provision hereof or the right of either of the Members to thereafter enforce each and every provision of this Agreement, and each agreement and instrument delivered herewith. No waiver of any breach of any of the provisions of this Agreement, or any agreement or instrument delivered herewith, shall be effective unless set forth in a written instrument executed by the Member against which enforcement of such waiver is sought; and no waiver of any such breach shall be construed or deemed to be a waiver of any other or subsequent breach.

Section 12.8 Counterparts. This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all of the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party hereto shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 12.9 Applicable Law. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Delaware, without regard to the principles of conflicts of law. The Members hereby submit to personal jurisdiction in the State of Delaware for the enforcement of the provisions of this Agreement and waive any and all rights to object to such jurisdiction for purposes of litigation to enforce or interpret, or as to a dispute under or as to, this Agreement. The Members hereby consent to the jurisdiction of the United States District Court in for Delaware and to the Delaware Chancery Court in any action, suit, or proceeding with either or at any time wish to file in connection with this Agreement or any related matter. The Members hereby agree that any action, suit or proceeding to enforce this Agreement shall be brought in the first instance in either the federal court located in Delaware or in the Delaware Chancery Court, and hereby waive any objection which either may have to the laying of the venue of any such action, suit or proceeding in any such court; provided, however, that the provision of this paragraph shall not be deemed to preclude any party from filing any such action, suit or proceeding in any other appropriate forum if, but only if the courts above decline jurisdiction.

Section 12.10 Invalidity of Provisions. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby, except as provided in Section 1.1.A.

Section 12.11 Entire Agreement; Amendments. This Agreement, together with any agreements and instruments delivered herewith, contains all of the understandings and agreements of whatsoever kind and nature existing between the parties hereto with respect to the matters dealt with in this Agreement and the rights, interests, understandings, agreements and obligations of the respective parties pertaining to the Company. Any and all other prior agreements between the parties with respect to such subject matter are hereby superseded. Notwithstanding anything in this Section 12.11 to the contrary, the parties hereby agree to cooperate reasonably and in good faith to amend this Agreement to the extent necessary and appropriate to allow the Company to qualify as a so-called "special purpose bankruptcy remote entity" in connection with any financing or refinancing of Property; provided, however, that no such amendment shall adversely affect the economic rights, or increase the obligations, of any Member.

No amendment of this Agreement shall be valid as against any party hereto unless such amendment has been executed by such Member, provided, however, that (i) any amendment to this Agreement and/or the Certificate to evidence a Transfer permitted pursuant to Section 10.2.B shall be valid as against all the Members if executed by the Manager and the transferee, (ii) any amendment to this Agreement to evidence any other Transfer permitted by Article 10 shall be valid if executed by the transferor and the transferee Members and by the Manager, and (iii) any amendment to this Agreement to allow the admission of the holder of a Subordinate Loan, such holder's designee, to the Company as a Member in accordance with, and with such interest in the Company as determined under, the Option Agreement between the Company and any such holder shall be valid as against all Members if executed by the Manager and such holder or its designee.

Section 12.12 Additional Documents and Acts. In connection with this Agreement as well as all transactions contemplated by this Agreement, each Member agrees to from time to time, at the Manager's request, execute and deliver such additional documents and instruments, and perform such additional acts, as the Manager may deem to be reasonably necessary or desirable to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all such transactions.

Section 12.13 Prevailing Party; Attorney's Fees. A. In the event of the commencement of any judicial or other proceedings between the Manager and any of the Members or between or among any of the Members or any derivative action commenced by any Member as to the Company and/or this Agreement or the interpretation of any provision of this Agreement or as to any of the relationships, rights, duties, obligations and other matters covered by this Agreement, the prevailing party in any such proceeding shall be entitled to full and complete recovery of all legal and other fees, costs and expenses incurred by such prevailing party in and as a result of any such proceedings, and in the case of a derivative suit in which the Company is not the prevailing party, then the Member instituting such suit shall be liable as the non-prevailing party. For the purposes hereof, a party shall be the prevailing party if it obtains a judgment or other order such that it has prevailed on a substantially greater amount (as measured by claimed damages, not by the number of claims) of the material claims or denials as to the material issues in dispute compared to those as to which the other party has prevailed.

B. In addition to any other remedies available at law or in equity, any distributions under Article 5 to which a Member would otherwise be entitled to shall be first charged for any liability of such Member for any breach of any Specified Liability Provision or for any liability under this Section 12.13.

Section 12.14 Legal Counsel.

A. The Manager may select legal counsel ("Approved Member's Counsel") for a Member or any of its Affiliates (including, without limitation, counsel who represented a Member in connection with the negotiation of this Agreement) to represent the Company in connection with legal work or issues arising as part of the business of the Company (a "Matter").

B. Each Member recognizes and acknowledges that such Approved Member's Counsel will be acting as legal counsel for the Company with respect to each Matter and shall not be acting as the legal counsel of any individual Member. Each Member further recognizes and accepts that its interest with respect to any matter may be adverse to the interests of the other Members and the Company. Each Member nevertheless consents to the representation of the Company by such Approved Member's Counsel with respect to each Matter and waives for the benefit of each other Member and of such Counsel any potential or actual conflict of interest between or among such Members and between such Members and the Company.

C. Each Member understands that, in the course of the representation by such Approved Member's Counsel of the Company, such counsel may obtain access to confidential information of or concerning a Member or all Members and its or their business activities. Such Member's counsel will be instructed to take all reasonable steps to ensure that any confidential information concerning any Member shall remain strictly confidential except as to communications regarding a Matter as are necessary or appropriate to represent that Company or as required by applicable law.

D. Each Member acknowledges that in the event of any future dispute or litigation between or among the Members and/or between any of the Members and the Company, the Approved Member's Counsel may continue to represent its Member client, notwithstanding any such dispute and its prior representation of the Company.

Section 12.15 Power Of Attorney. The names, current addresses and Percentage Interests of the Members in the Company are as set forth in Exhibit A, as such may be amended or otherwise changed from time to time pursuant to the other provisions of this Agreement. A Member's change of address shall be made in the manner set forth in Section 12.1, and any such change shall be noted by the Manager in the Company's books and records, but Exhibit A shall not be amended solely to reflect any such change.

Section 1.9 Incorporation. The Definitions at the end of this Agreement and the Exhibits and Schedules attached hereto are incorporated herein and made a part hereof.

Section 1.10 Representation and Warranties. Each Member (including, without limitation, each Permitted Transferee as a condition to becoming a Member) represents and warrants to the Company, the Manager and each other Member that (i) if it is an Entity, it has all requisite power and authority to enter into and to perform its obligations under this Agreement, and this Agreement and all transactions contemplated by this Agreement to be performed by it have been duly authorized by all necessary corporate, other organizational or other necessary action, (ii) this Agreement and the performance by a Member of its covenants and obligations under this Agreement will not result in a breach or violation of, or a default under, its partnership or operating agreement, trust agreement, charter or by-laws, as the case may be, any material agreement by which such Member or any of such Member's properties, is or are bound, or any statute, regulation, order or other law to which such Member is or are subject, (iii) there are no governmental or client consents or approval necessary, or which have not already been obtained, for such Member to enter into and to perform its obligations under this Agreement, and (iv) such Member is neither a "foreign person" within the meaning of Code Section 1445(f) nor a "foreign partner" within the meaning of Code Section 1446(e). ARTICLE 2
CAPITAL ACCOUNTS; CAPITAL CONTRIBUTIONS

Section 2.1 Capital Accounts. A separate Capital Account shall be maintained for each Member, including any Member who shall hereafter acquire an Interest in the Company. Capital Account shall mean a capital account maintained and adjusted for each Member in accordance with the Code and the Treasury Regulations, including the Treasury Regulations under Sections 704(b) and (c) of the Code. The Capital Account of each Member shall be:

(i) credited with all payments made to the Company by such Member on account of Capital Contributions (and as to any property other than cash or a promissory note of the contributing Member, the Book Value of such property), and by such Member's allocable share of Profits and items in the nature of income and gain of the Company;

(ii) charged with the amount of any distributions to such Member (and as to any distributions of property other than cash or a promissory note of a Member or the Company, by the agreed fair market value of such property, net of liabilities secured by such property and/or assumed by such Member or subject to which such distributed property is taken), and by such Member's allocable share of Losses and items in the nature of losses and deductions of the Company;

(iii) adjusted simultaneously with the making of any adjustment to the Book Value of the Company's assets pursuant to the definition thereof, to reflect the aggregate net adjustments to such Book Value as if the Company recognized Profit or Loss equal to the respective amount of such aggregate net adjustments immediately before the event causing such adjustments; and

(iv) otherwise appropriately adjusted to reflect transactions of the Company and the Members.

The provisions of this Section 2.1 relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Sections 1.704-1(b) and 1.704-2, and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the Manager determines that it is necessary or prudent to modify the manner in which the Capital Accounts are maintained in order to comply with such Treasury Regulations, the Manager may make such modification, provided that, notwithstanding any other provision in this Agreement, such modification will not have a material effect on the amounts distributable to any Member without such Member's consent. The Manager also shall (i) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Members and the amount of Company capital reflected on the Company's balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b) (2)(iv)(q), and (ii) make any appropriate modifications in the event that unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulations Section 1.704-1(b) or Section 1.704-2.

Section 2.2 Initial Capital Contributions of the Members.

The Members of the Company are set forth in Exhibit A attached hereto. Until the consummation of the Merger, TTF shall own all the economic interests in the Company. Effective upon the consummation of the Merger, the Capital Account of each Member in the Company shall be its Capital Account in the Partnership on the effective date of the Merger of the Partnership into the Company, as the Capital Accounts of the Members were restated in the Partnership upon the admission of TTF to the Partnership. Effective upon the consummation of the Merger, the respective Percentage Interests of the Members will be as set forth in Exhibit A attached hereto. The Capital Accounts of the Members in the Partnership were restated based upon the Property having an agreed gross fair market value of $68,010,000, with the total (debt and equity) capitalization of the Partnership and the Company, including, however, additional costs and expenditures incurred in connection with the MTA transactions, all as further provided for in the Master Transaction Agreement. The restated Capital Accounts of the Original Partners on the Closing Date, totaling an aggregate amount of $410,000 after taking into account the making of Special Distribution, are herein referred to as the "Subordinate Capital Contributions" and the amount thereof of each Original Partner is set forth in Exhibit A.

No other Capital Contributions have previously been made by the Members, either in their capacities as Members or as partners in the Partnership, which have either not been previously returned or are not part of the determination of the initial Capital Accounts of the Members in the Company.

Section 2.3 Additional Funding Needs.

A. (i) If at any time the Company requires additional funds (any such requirement, a "Shortfall") (x) for the operating, capital or other financial needs of the Company for actions or other matters which are reasonably consistent with the purposes of the Company (all as determined by the Manager, including funds for the leasing, releasing, redevelopment or reconstruction of any portion of the Property, all as determined solely by the Manager), or (y) to meet the then current obligations, liabilities, expenditures or other needs of the Company (i.e., due within sixty (60) days) for any actions or other matters which are reasonably consistent with the purposes of the Company, or (z) if any Member or any Affiliate of any Member has made or is then currently obligated to make any payments on account of any obligation of the Company which any such Person has Guaranteed in furtherance of the purposes of the Company, whether or not such Member has provided the notification required under Section 2.3B (but without duplication of such amount if already included in either of the preceding clause (x) or (y)), the Manager shall request that the Members make additional Capital Contributions ("Additional Capital Contributions") in the amount of such Shortfall.

Notwithstanding the above, each of the Members other than TTF acknowledges that it does not currently intend to make any Additional Capital Contributions and therefore it is agreed that in the event the Manager is to make a capital call it need provide notice thereof only to the Beacon Members. However, if in the future a Member desires to make Additional Capital Contributions it may provide notice thereof to the Manager and in such event the Manager shall thereafter include any such Member as a Member who is to receive notice of future capital calls, provided, however, that if at any time thereafter such Member does not contribute its full share of any capital call for Additional Capital Contributions, the Manager shall thereafter no longer be required to provide notice to such Member of any capital calls. In the event the Manager fails to notify a Member of a capital call when the Manager is obligated pursuant to the above to provide such notice, the sole remedy of any such Member entitled to receive notice of capital calls shall be to contribute its share of any such capital call as to which it did not receive notice and as to which such Member was entitled to receive notice, such right to be exercisable only if exercised within thirty (30) days after such Member receives a quarterly, annual or other report which shows that during such period Additional Capital Contributions were made as to which such Member did not receive notice when it was entitled to such notice pursuant to the above.

(ii) Except as to a Shortfall (including, without limitation, debt service on any indebtedness of the Company and payments made by a Member or any Affiliate of a Member on account of any Guaranty) or as provided in Section 2.3.A (iii), no Member shall be required to make any Additional Capital Contribution without its consent nor shall any Member be permitted to make an Additional Capital Contribution other than for a Shortfall, unless as to any such matter the Manager has authorized either the making of such Additional Capital Contributions or has previously authorized the action or other matter which gave rise to the Shortfall or any other need for Additional Capital Contributions. The Manager shall also make a capital call upon request of a Member pursuant to Section 2.3.B

If requested by the Manager pursuant to the provisions of this Section 2.3.A to make an Additional Capital Contribution, each Member shall, within five (5) Business Days after such request or such other, later date as the Manager may have set in its notice (the relevant due date being the "Financial Needs Date"), contribute to the Company its pro rata share (in proportion to the Percentage Interests of the Members at the time of such request from the Manager) of the amount of the applicable Shortfall.

(iii) In addition to the above provisions of this Section 2.3.A, and notwithstanding anything in this Agreement to the contrary, if the Manager elects, on behalf of the Company, to exercise the Borrower's Special Prepayment Right under, and as such term is defined in the note evidencing the Subordinate Loan, TTF shall be obligated to make Capital Contributions to the Company in sufficient amounts so as to enable the Company to repay the amount of the Subordinate Loan elected by the Company to be so prepaid.

B. If a Member or an Affiliate of a Member has an outstanding Guaranty and demand is made on such Person for any amounts claimed due under any such Guaranty, such Member shall reasonably promptly after any such event notify the Manager of such event and of the amounts claimed due, and if it has not already made a capital call therefor, the Manager shall then make a capital call for the amount it reasonably believes is due.

Section 2.4 Additional Capital Contributions.

A. On or before the Financial Needs Date, each Member shall contribute to the Company, as an Additional Capital Contribution, an amount equal to the total amount specified in the capital call notice from the Manager multiplied by such Member's then Percentage Interest.

B. If any Member (a "Non-Contributing Member") fails to make all or any part of its Additional Capital Contributions under this Agreement by the Financial Needs Date therefor (such unfunded amount, a "Cash Deficiency"), each of the remaining Members (each a "Contributing Member"), in addition to funding such Contributing Member's own share, shall be entitled (but not required) to fund the Non-Contributing Member's share as an additional Capital Contribution by any such Contributing Member. If Contributing Members contribute, in the aggregate, more than the aggregate Cash Deficiencies, then the Contributing Members will be deemed to have contributed an amount equal to each such Contributing Member's Percentage Interest multiplied by the aggregate Cash Deficiencies, and any amounts contributed by a Contributing Member in excess of the amount so deemed to have been contributed shall be returned to each such Contributing Member.

The rights of the Contributing Members (or any of them) pursuant to the preceding paragraph (and the consequent effect on the Percentage Interests of the Members, as provided in Section 2.4.C) shall be the sole and exclusive remedy of the Members or the Company in the event of a failure by a Non-Contributing Member to make any Capital Contribution required under this Agreement.

C. Upon the making of any Capital Contributions pursuant to this Section 2.4 or pursuant to Section 2.3.A(iii), each Member's Percentage Interest shall thereafter be the ratio, expressed as a percentage, equal to such Member's total Capital Contributions over the aggregate Capital Contributions made by all Members to the Company.

The resulting reduction in the Percentage Interest of any Non-Contributing Member(s) and the simultaneous increase of the Percentage Interests of the Contributing Member(s) shall not effect any change in the Capital Accounts, Unrecovered Capital Contributions, Unrecovered Subordinate Capital Contributions, etc. of the Members, except as to the amount of the Capital Contributions made by the Contributing Member(s) pursuant to the above provisions of this Section 2.4 or pursuant to Section 2.3.A(iii).

Any adjustments in Percentage Interest pursuant to this Section 2.4.C. shall be automatic and without the necessity of any action beyond the making of a Capital Contribution by a Contributing Member. Notwithstanding the foregoing, however, the Members hereby agree to execute such documents and take such additional actions as may be necessary to effectuate or evidence any such adjustments to the Members' Percentage Interests. The failure to execute any such documents shall in no way affect the making of any adjustments in the Percentage Interests pursuant to the above provisions.

If the Percentage Interest of a Member is adjusted during a Fiscal Year pursuant to the above, the Profits and Losses from Operations shall be prorated on such basis as the Manager shall determine in its sole discretion which is a permitted method under the Code or the Treasury Regulations. For the period ending on the date of adjustment, Operating Cash Flow shall be distributed pursuant to the provisions of Article 5 according to the Percentage Interests in effect prior to the date of such adjustment, and Operating Cash Flow for the balance of such Fiscal Year shall be distributed pursuant to the provisions of said Article 5 according to the Percentage Interests of such Members as so adjusted. Any allocations and distributions due to a Capital Transaction shall be made based upon the date upon which such Capital Transaction actually occurs. However, any requirement under the Code or the Treasury Regulations which requires a different method of allocation of Profits and Losses shall control.

Section 2.5 Return of Capital; No Withdrawal. Except to the extent of distributions made pursuant to this Agreement, no Member shall be entitled to resign or withdraw from the Company or to the withdrawal or return of its Capital Contribution or any other distribution from the Company as a result of any such resignation or withdrawal (including, without limitation, pursuant to Section 18-604 of the LLC Act), and no Member shall have the right to demand a return of all or any part of its Capital Contributions or to demand and receive property of the Company in exchange for all or any portion of its Capital Contribution or Capital Account, or otherwise as to its Interest as a Member, nor may any Member otherwise have any right to demand or receive the return of its Capital Contributions to, or Capital Account in, the Company. Any return of the Capital Contributions of any Member shall be made solely from the assets of the Company and only in accordance with the terms of this Agreement, and no Manager or Member shall be liable for the return of any portion of the Capital Contribution of any (other) Member, and the return, if any, of any Member's Capital Contributions shall be made solely from Company assets.

Except as otherwise expressly provided in this Agreement, including any amendments hereto in accordance with the provisions hereof, no Member shall have priority over any other Member, either as to the return of Capital Contributions or as to profits, losses or distributions, nor shall any preferred return or interest accrue or be paid to any Member with respect to its Capital Contributions.

Section 2.6 No Other Contributions. Except as expressly required by this Article 2 or 6 or by the LLC Act, no Member shall have any obligation to make any Capital Contribution to the Company or to advance or loan any funds to the Company. No loan made to the Company by a Member shall constitute a Capital Contribution to the Company for any purpose.

Section 2.7 Liability of Members; No Management of Company.

A. No Member, in its capacity as a Member and/or as a Manager, shall have any liability to restore any negative balance in its Capital Account or to contribute to, or in respect of, the liabilities or the obligations of the Company, or to restore any amounts distributed from the Company, except as may be required under the LLC Act. In no event shall any Member, in its capacity as and by reason of being a Member and/or as a Manager, be personally liable for any liabilities or obligations of the Company, except as to any such liability of the Company a which Member, in its individual capacity, has separately guaranteed in such separate, individual capacity.

B. No Member which is not a Manager (and even then only in its capacity as a Manager) shall take part in the management or control of the business or other affairs of the Company or transact any business in the name of or on behalf of the Company.

Section 2.8 No Third Party Beneficiaries. The provisions of this Article 2 are not intended to be for the benefit of any creditor or other Person (other than a Member in its capacity as a Member) to whom any debts, liabilities or obligations are owed by (or who otherwise has any claim against) the Company or any of the Members. Moreover, notwithstanding anything contained in this Agreement, including specifically, but without limitation, this Article 2, no such creditor or other Person shall be entitled to rely upon or entitled to enforce the obligations of the Members under this Article 2 or obtain any other rights under this Agreement or shall, by reason of this Agreement, make any claim in respect of any debt, liability or obligation (or otherwise) against the Company or any Member.

ARTICLE 3
MANAGEMENT AND OPERATIONS OF BUSINESS

Section 3.1 Management; Successor Manager.

A. The management of the business and affairs of, and the conduct of all of the business of, the Company are and shall be exclusively vested in the Manager, and no Member which is not the Manager shall have any right to vote upon or otherwise participate in or exercise control or management power over the business and affairs of the Company. In addition to the powers granted to or permitted to be exercised by a "manager" under the LLC Act, the Manager shall be entitled to exercise the broadest of powers and rights which may be exercised as a "manager" under the LLC Act or which are granted to the Manager under any other provision of this Agreement. The Manager shall have full power and authority to do all things deemed necessary or desirable by it, to conduct the business of the Company and to exercise, without the vote or participation of any of the Members, all powers which the Company may legally possess to effectuate the purposes set forth in Section 1.4 hereof, including, without limitation:

(1) the making of any expenditures, and the incurring of any obligations necessary or desirable in connection with the Company's business and activities;

(2) the use of the assets of the Company (including, without limitation, cash on hand) for any purpose consistent with the general purposes of the Company;

(3) the making, negotiation, execution, and performance of any contracts, leases, waivers, releases, agreements or other instruments in writing as necessary or appropriate that the Manager considers useful or necessary to the conduct of the Company's operations or the implementation of the Manager's powers under this Agreement, including, without limitation, contracting with contractors, developers, consultants, accountants, legal counsel, other professional advisors and other agents and the payment of their expenses and compensation out of the Company's assets;

(4) subject to compliance with Section 10.7, the sale, conveyance, assignment, exchange or other disposition of any part of the Property or any other real estate, personal property or other assets of the Company;

(5) borrowing money and issuing evidences of indebtedness (including, without limitation, borrowing from a Member or an Affiliate of a Member) in furtherance of any or all of the purposes of the Company and to secure the same by deed of trust, mortgage or other lien on the Property or any other assets of the Company;

(6) entering into covenants, easements, rights or way, utility, or other agreements necessary or desirable (i) for the redevelopment, operation or use of the Property (or any portion thereof) or (ii) to permit access over, through, and across the Property or any portion thereof (to serve adjoining properties, for vehicular and pedestrian access, utility installations maintenance, or for any other purposes);

(7) prepaying, in whole or in part, refinancing, recasting, increasing, reducing, modifying, or extending any promissory note, loan agreement, deed of trust or mortgage affecting any asset of the Company or any other indebtedness of the Company, including, without limitation, all such matters as to the Subordinate Loan or, subject to the first paragraph of Section 3.5, with any other Affiliate of the Manager, and in connection with any of the above, to execute any extensions, renewals, or modifications of such other indebtedness, notes, loan agreements, deeds of trust, and/or mortgages, provided, however, that any change in the interest rate or participation features of, or a shortening of the stated maturity date of, the Subordinate Loan shall require the consent of the Akridge Representative;

(8) holding reserves and other cash balances and investing such sums in interest bearing accounts and investments and other similar forms of investments, without, however, being in the business of lending money;

(9) the exercise of the Company’s interest in any matters affecting the rights and obligations of the Company, including the settlement, compromise, submission to arbitration or any other form of dispute resolution, or abandonment of, any claim, cause of action, liability, debt or damages, due or owing to or from the Company, the commencement or defense of suits, legal proceedings, administrative proceedings, arbitration or other forms of dispute resolution, and the representation of the Company in all suits or legal proceedings, administrative proceedings, arbitrations or other forms of dispute

resolution, the incurring of legal expense, and the indemnification of any Person against liabilities and contingencies to the extent permitted by law;

(10) the opening and closing of bank accounts, and the distribution of Company cash or other Company assets in accordance with this Agreement;

(11) holding, managing, investing and reinvesting cash and other assets of the Company;

(12) the collection and receipt of revenues and income of the Company;

(13) the establishment of one or more divisions of the Company, the selection and dismissal of employees of the Company (including, without limitation, employees having titles such as “president,” “vice president,” “secretary” and “treasurer” of the Company), and agents, outside attorneys, accountants, consultants and contractors of the Company, and the determination of their compensation and other terms of employment or hiring;

(14) the maintenance of such insurance for the benefit of the Company and the Manager and Members and other Persons as the Manager deems necessary or appropriate; and

(15) taking or causing to be taken all actions or to causing to be performed all functions necessary, desirable or otherwise appropriate to promote the business of the Company or to realize and carry out its purposes.

Nothing herein shall be deemed to allow the Company to enter into any contract or agreement which would be recourse to or impose liability on any Member, in said Member’s capacity as a Member in the Company, for any liabilities or obligations of the Company, except such as are specifically consented to or entered into in writing by any such Member.

In connection with any potential Taxable Disposition, the Manager agrees to reasonably cooperate with the Original Partners to attempt to structure, if possible, a tax deferral in lieu of what would otherwise be a Taxable Disposition, provided, however, that any such cooperation and any such attempt to structure a tax deferral shall not be required if and to the extent such cooperation or attempt to structure a tax deferral inhibits or otherwise in any manner affects the potential

Taxable Disposition in any manner (including, without limitation, the timing for entering into an agreement for, or the closing of, such transaction, the price and/or terms of payment, additional representations and warranties and/or indemnities, additional closing conditions or requirements, additional transactional costs, etc.), all as determined by the Manager, in its sole discretion. If a tax deferral structure proposed by the Original Partners is not acceptable to the Manager solely due to a monetary deficiency in the amount of money it and other Beacon Members would receive under such alternative structure, but has no other adverse impacts, as determined by the Manager in its sole discretion, the Original Partners shall be entitled to proceed to attempt to close such alternative structure (within such time as the Manager shall designate consistent with the timing for the closing of a potential sale of the Property) provided that (i) the Beacon Members receive any such deficiency in addition to all other amounts they would have received so that in the aggregate the Beacon Members receive not less than the amount they would have received had the Property been sold, with the form of consideration being all cash unless any prospective transaction for the sale of the Property then being considered by the Manager would provide for other than cash consideration, and in such event amounts and type of consideration consistent with any such other prospective transaction, and (ii) the type of income under the Code which the Beacon Members would receive is the same type of income they would have received had the Property been sold by the Company. In determining the amounts pursuant to clause (i) of the preceding sentence, it shall be assumed that no amount would be payable by the Company upon a sale of the Property on account of the D.C. Franchise Tax if none would have been payable upon a sale based on the Company liquidating at the time of a sale of the Property by the Company (and thus the gain being passed out to the Members of the Company, if such is then permissible or required under applicable law), and after deducting one-half of the then applicable real estate transfer tax if none is incurred in the actual transaction or if and to the extent the Beacon Members do not bear such tax. The failure or inability by the Original Partners to structure or otherwise obtain a tax deferral for themselves pursuant to the preceding sentence shall in no way limit the Manager's rights as the Manager of the Company to cause the Company to engage in a Taxable Disposition, subject only to Section 10.7.

In connection with the refinancing of any indebtedness of the Company which for purposes of the Code and the Treasury Regulations is "non-recourse indebtedness" of the Company, the Manager agrees to use commercially reasonable efforts to obtain replacement indebtedness that is the lesser of such amount as would not reduce the amount of non-recourse indebtedness outstanding at the time of any such refinancing, or financing that is not greater than a 65% loan to value ratio, as determined by a prospective lender(s), or, if there is to be a reduction, to use commercially reasonable efforts to obtain for the Original Partners the right to provide to the relevant prospective lender(s) so-called “bottom-up” guarantees. However, notwithstanding the preceding sentence, in all events, the Original Partners acknowledge and agree that the amount and all other terms of any financing obtained by the Manager on behalf of the Company (including, without limitation, the obtaining of the right to provide “bottom-up” guarantees) shall be determined in the sole discretion of the Manager (including, without limitation, obtaining financing from Affiliates of the Manager where the Manager deems such to be necessary or appropriate) and that nothing in this paragraph shall in any way limit the Manager’s rights as to any financings or refinancings of the Company.

Nothing in the two immediately preceding paragraphs shall (i) impose any liability of any nature or create any legal or equitable rights in the Original Partners unless the Manager acts in bad faith in carrying out the provisions of said two paragraphs, or (ii) in any way limit the Manager’s rights, as the Manager of the Company, to cause the Company to sell or refinance the Property in the Manager’s sole discretion (subject, in the event of a sale of the Property, only to Section 10.7), nor otherwise limit, restrict or otherwise affect any of the other provisions of this Agreement.

B. The Manager shall devote, and shall cause its partners, members, officers, directors and employees, if any, to devote such time to the affairs of the Company as the Manager, in its sole discretion, determines is necessary for performance by the Manager of its duties hereunder. It is understood that neither the Manager nor any of the aforesaid Persons shall be required to devote full time to the business and affairs of the Company and that all such Persons are engaged in, and intend in the future to engage in, other activities.

C. The Manager is authorized to execute, deliver and perform any and all agreements, filings, arrangements, transactions and other activities on behalf of the Company without any act, approval or vote of any of the Members. The execution, delivery or performance by the Manager or the Company of any agreement or activity authorized or permitted under this Agreement shall not constitute a breach by the Manager of any duty that the Manager may owe the Company or the Members or any other Persons under this Agreement or of any duty stated or implied by law or equity.

D. No Member who is not also a Manager, and then only in such Member’s capacity as a Manager, shall be allowed to take part in the management or control of the Company’s business (excluding the exercise of any power granted to such Member by this Agreement or which is mandated by the LLC Act and which cannot be waived or modified by agreement among the Members) or to sign for or bind the Company, such power being vested solely and exclusively in the Manager, all as further provided in this Article 3.

E. TTF or any of its permitted successors shall have the right to designate any Affiliate of TTF or, as the case may be, any Affiliate of its then permitted successor, as a replacement and successor Manager to the then Manager. Any such replacement or successor Manager need not be a Member. In the event of any change in the Manager, the prior or successor Manager shall notify the Akridge Representative of any such change, which notice shall include the name of the new Manager and its mailing address.

Any successor Manager may be removed and/or replaced by TZO at any time and for any, or for no reason, all as it shall decide in its sole discretion. Any Manager designated by TZO shall file a written acceptance of such designation with the Company. A Manager need not join in this Agreement but in all events shall be entitled to the rights and protections provided for in this Agreement for a Manager and, by the filing with the Company of its acceptance of designation as a Manager, shall be deemed to have accepted the role and responsibilities of a Manager under this Agreement.

Section 3.2 Binding the Company.

Any action taken by, or the execution of any agreement, contract document or other written instrument by, the Manager, as the Manager of the Company, shall, as against third parties, bind the Company, and shall be the valid and binding action of the Company. Third parties transacting business with the Company may rely on the actions of the Manager as being on behalf of the Company as being in all situations the valid action of the Company, and the execution of any documents or the taking of any action by the Manager shall be conclusive evidence of the authority of such Manager and the Company with respect thereto, and no third party need look to any other evidence or require joinder or consent of any other Manager, if there is at any time more than one, or any other Member.

Each Member hereby waives for itself and for the Company any and all defenses or other remedies which may be available against such third party Person to contest, negate or disaffirm any action of the Manager in connection with any such dealing. In no event shall any Person dealing with the Manager or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the Manager or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company by the Manager or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect; (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company; and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company.

Section 3.3 Officers and Agents; Reliance.

A. The Manager shall have the power to appoint agents to act for the Company with such titles as the Manager deems appropriate and to delegate to such agents such of the powers as are granted to the Manager hereunder, including the power to execute documents on behalf of the Company, all as the Manager may in its sole discretion determine, provided any such appointment shall be in writing; provided further, however, that no such delegation by the Manager shall cause the Manager to cease to be the Manager of the Company within the meaning of the LLC Act nor expand the powers of the Manager. The agents so appointed may include persons holding titles such as Chairperson, Chief Executive Officer, President, Vice President, Chief Operating Officer, Chief Financial Officer, Treasurer or Controller. Unless the authority of the agent designated as the officer in question is limited in the document appointing such officer, any officer so appointed shall have the same authority to act for the Company, subject to the terms of this Agreement, as a corresponding officer of a Delaware corporation would have to act for a Delaware corporation; provided, however, that unless such power is specifically delegated in writing by the Manager to the officer in question either for a specific transaction or generally, no such officer shall have the power to lease or acquire real property, to borrow money, to issue notes, debentures, securities, equity or other interests of or in the Company, to make investments in (other than the investment of surplus cash in the ordinary course of business) or to acquire securities of any Person, to give guarantees or indemnities, to merge, liquidate or dissolve the Company or to sell or lease all or any substantial portion of the assets of the Company. The Manager, in its sole discretion, but subject to the other terms of this Agreement may by its written act, ratify any act previously taken by any agent acting on behalf of the Company.

B. Any Person dealing with the Company or the (or a) Manager may rely on a certificate signed by the (or a) Company's Manager:

(i) as to the existence or nonexistence of any fact or facts which constitute conditions precedent to acts by the Manager or are in any other manner germane to the affairs of the Company;

(ii) as to who is authorized to execute and deliver any instrument or document on behalf of the Company, and as to whether any approval, consent, or other action is necessary under this Agreement and/or as to whether any such action or consent has been obtained;

(iii) as to the authenticity of any copy of the Certificate, and as to the status of this Agreement and amendments hereto; or

(iv) as to any act or failure to act by the Company or as to any other matter whatsoever involving the Company or any Member.

Section 3.4 Compensation of Manager and Members. No payment shall be made by the Company to any Manager or Member for such Manager's or Member's services as a Manager or Member. The Manager, and each of them, if more than one, shall be entitled to reimbursement from the Company for all third-party expenses incurred by such Manager in managing and conducting the business and affairs of the Company. The Manager shall determine which expenses, if any, are allocable to the Company in a manner which is fair and reasonable to the Manager and the Company and customary in comparable arrangements, and if such allocation is made in good faith, it shall be conclusive in the absence of manifest error.

The Manager and its Affiliates shall be reimbursed on a monthly basis, or such other basis as the Manager may determine in good faith and in its reasonable discretion, for all expenses and expenditures that the Manager or any Affiliate of Manager incurs relating to the operation of, or for the benefit of, the Company.

Section 3.5 Contracts with Members or Affiliates. Notwithstanding anything in this Agreement to the contrary, the Manager and any of its Affiliates may engage in transactions with the Company, directly or indirectly, pursuant to any arrangements and on such terms thereof as are determined by the Manager to be comparable to the terms of any such arrangement had such arrangement been entered into by an unaffiliated third party.

Each Member acknowledges that the holder of the Subordinate Loan is an Affiliate of TTF. Each Member hereby acknowledges and agrees that notwithstanding anything this Agreement or at law or equity to the contrary, said Affiliate and/or its successor shall at all times have the right to exercise any and all of the rights and remedies of the holder of the Subordinate Loan without any limitation thereon, including, without limitation, any limitation in any way related to the fact that any of such Persons who are holders of the Subordinate Loan may be Affiliated in any manner whatsoever to TTF or to any other Member.

Section 3.6 Indemnification.

A. To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless the Manager, each Member, including the Tax Matters Member, each Representative, each such Person's direct and indirect members, managers, officers, directors, partners, shareholders, employees, and agents, and the employees, officers, and agents of the Company and any other Person serving at the request of, or on behalf of, the Company (all indemnified persons being referred to as "Indemnified Persons") from and against any and all losses, claims, obligations, damages, liabilities, joint or several, costs, expenses and disbursements (including, without limitation, reasonable attorneys fees and other legal fees and expenses and disbursements), judgments, fines, penalties, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, arising from or by reason of any act performed or omitted to be performed by the Indemnified Person in connection with the business of the Company and from liabilities or obligations of the Company imposed on such Person by virtue of such Person's position with the Company, or that relate to the operations of the Company as set forth in this Agreement, in which such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise; provided, however, that indemnification shall not be paid hereunder with respect to any matter as to which any Indemnitee shall have been finally adjudicated in any such action, suit or other proceeding, or otherwise by a court of competent jurisdiction, to have committed willful malfeasance, bad faith, dishonesty or fraud in the conduct of its or their office.

The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 3.6.A. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the Indemnitee acted in a manner contrary to that specified in this Section 3.6.A. with respect to the subject matter of such proceeding.

Any Person who is within the definition of "Indemnified Person" at the time of any action or inaction in connection with the business of the Company shall be entitled to the benefits of this Section 3.6 as an "Indemnified Person" with respect thereto, regardless of whether such Person continues to be within the definition of "Indemnified Person" at the time of its claim for indemnification or exculpation hereunder.

Any indemnification pursuant to this Section 3.6 shall be made only out of the assets of the Company and any insurance proceeds from any insurance policies covering any Indemnitee and/or the Company, and no Member shall have any obligation to contribute to the capital of the Company, or otherwise provide funds, to enable the Company to meet its obligations under this Section 3.6.

B. The right to indemnification conferred by this Section 3.6 shall include the right to be paid or reimbursed by the Company for the reasonable expenses incurred in advance of the final disposition of a proceeding and without any determination as to the Person's ultimate entitlement to indemnification; provided, however, that the payment of such expenses incurred in advance of the final disposition of a proceeding shall be made only upon delivery to the Company of a written affirmation by such Person of its good faith belief that it has met the standard of conduct necessary for indemnification under this Section 3.6 and a written undertaking, by or on behalf of such Person, to repay all amounts so advanced if it shall ultimately be determined that such Person is not entitled to be indemnified under Section 3.6 or otherwise.

C. The indemnification provided by this Section 3.6 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled to, or as a matter of law or equity or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity unless otherwise provided in a written agreement pursuant to which such Indemnitee is indemnified.

D. The Company may, but shall not be obligated to, purchase and maintain insurance, at its expense and in an amount determined by the Manager, on behalf of the Indemnitee and such other Persons as the Manager shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Company's activities, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

E. The provisions of this Section 3.6 are for the benefit of each Indemnitee, its successors and assigns, and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 3.6 or any provision hereof shall be prospective only and shall not in any way affect the Company's liability to any Indemnitee under this Section 3.6, as in effect immediately prior to such amendment, modification, or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

F. If any paragraph of this Section 3.6 or any portion thereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Manager or any other Indemnitee as to costs, charges and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative to the full extent permitted by any applicable portion of this Section 3.6 that shall not have been invalidated.

G. An Indemnitee shall not be denied indemnification in whole or in part under this Section 3.6 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

Section 3.7 Other Matters Concerning the Manager.

A. Notwithstanding anything to the contrary set forth in this Agreement, the Manager and its Affiliates shall not be liable for monetary or other damages to the Company or any Member for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission, provided that any such Person shall not have committed willful malfeasance, bad faith, dishonesty or fraud in performing its duties under this Agreement.

Whenever in this Agreement the Manager, a Member or an Indemnitee is permitted or required to make a decision or otherwise to take an action (including inaction) in good faith or in its discretion or sole discretion or under another express standard as to any such decision or other matter, such Person shall act under such express standard and shall not be subject to any other or different standard imposed by this Agreement, the LLC Act or any other applicable law or in equity. Notwithstanding anything at law or equity to the contrary, the Manager's sole duty to the Members in making decisions or otherwise taking actions on behalf of the Company and otherwise in managing the business and affairs of the Company is to not commit willful malfeasance, dishonesty or fraud, to not act in bad faith, and to not treat the Members differently from each other under this Agreement, except where such differential treatment is provided for under this Agreement, and in making any decisions or otherwise in managing the business and affairs of the Company, the Manager need not consider the separate interests of any Member. The Members hereby acknowledge the above and hereby waive any rights at law, equity or otherwise which they might otherwise have which would impose different duties of any nature whatsoever.

The Manager shall not have any obligations hereunder except to the extent that Company funds are reasonably available to it for the performance of such duties, and nothing herein contained shall be deemed to require the Manager, in its capacity as such or as it is a Member, to expend its individual funds for payment of, or to undertake any individual liability or obligation on behalf of the Company.

The Members expressly acknowledge that the Manager and each Member is acting for the benefit of the Company, the Members and, as to the Manager and any Member which is an Entity, such Person's members, partners, shareholders and other direct and indirect equity owners, (collectively "Upper Tier Equity Owners") and that neither the Manager nor any Member is under any obligation to give priority to the separate interests of the Members or to any Member's Upper Tier Equity Owners (including, without limitation, the tax consequences to Members or any Member's Upper Tier Equity Owners) in deciding whether to cause the Company to take (or decline to take) any actions, and neither the Manager nor any Member shall be liable to the Company or to any Member for monetary or any other damages for losses sustained, liabilities incurred, or benefits not derived by any other Member or any of any such Member's Upper Tier Equity Owners in connection with such decisions, unless such Manager or Member, as the case may be, has acted in bad faith or has acted outside the scope of such Person's rights or authority under this Agreement.

The Members further acknowledge that (i) the Manager and/or an Affiliate of the Manager may be liable for some of the indebtedness of the Company for which such Person would not otherwise be liable for if certain actions are taken by the Company or if the Company fails to take certain actions, and that in making a determination as to any such matter, the Members agree that the Manager, in its sole determination, may determine to take or may determine not to take actions so that said Manager or its Affiliates will not have any potential liability for any such indebtedness of the Company, even if the opposite from the action or non-action taken by the Manager would or might be more advantageous to the Company and/or some or all of the Members, and the Manager shall have no duty or liability to the Company or the Members arising from the consequences of any such decisions made by the Manager, and (ii) in determining to sell, refinance or otherwise take any actions under this Agreement, the Manager need not take into account the disparate tax or any other effect that such actions may have on some of the Members, including itself and its Affiliates, versus other Members, any other such disparate effect being hereby waived by each Member.

Except as provided in Article 8, a Member's, the Manager's and a Representative's duty of care in the discharge of, as the case may be, such Member's, Manager's or Representative's duties to the Company is limited to refraining from engaging in fraud, intentional misconduct, malfeasance or misfeasance. In discharging its duties, every Member, Manager, Representative or other Indemnified Person shall be fully protected in relying in good faith upon the records required to be maintained under this Agreement and upon such information, opinions, reports, or statements by any of its agents, or by any other Person, as to matters such Member or Manager, Representatives or other Indemnified Person, as the case may be, reasonably believes are within such other Person's professional or expert competence and who have been selected with reasonable care by or on behalf of the Company, including information, opinions, reports, or statements as to the value and amount of the assets, liabilities, profits, or losses of the Company or any other facts pertinent to the existence and amount of assets from which distributions to the Member might properly be paid.

Notwithstanding anything to the contrary set forth in this Agreement, neither any Member, the Manager, any Representative, nor any equity owners, managers, partners (general or limited), officers, directors, employees or agents, in any such Person's capacity so described above, shall be liable for any damages suffered by the Company for losses sustained or liabilities incurred as a result of errors in judgment or of any act or omission of any such Person if such Person acted in good faith or otherwise acted in accordance with, or as otherwise specifically permitted by, this Agreement, except that this Section 3.7 shall not eliminate or limit the liability of any Person described above to the extent such Person is found liable for an act or omission not in good faith or not otherwise in accordance with, or not otherwise specifically permitted by, this Agreement and that constitutes a material breach of duty of such Person or an act or omission that involves fraud, intentional misconduct of a knowing violation of the law.

B. The Manager may consult with legal counsel, accountants, appraisers, management consultants, investment bankers, architects, engineers, environmental consultants and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion of such Persons as to matters which such Manager reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. Subject to its obligations and duties as Manager set forth herein, and as otherwise provided in this Agreement regarding arrangements with Affiliates, the Manager may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, including Affiliates of the Manager. The Manager shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the Manager so long as the Manager acted in good faith and was not grossly negligent in making any such appointment.

D. Any amendment, modification or repeal of this Section 3.7 or any provision hereof shall be prospective only and shall not in any way affect the limitations on any Indemnified Person's liability to the Company and the

Members under this Section 3.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted. In addition to the circumstances in which a Person is not liable as set forth in the preceding provisions of this Section 3.7, any such Person shall not be liable to the fullest extent permitted by any provision of the statutes and other laws of Delaware hereafter enacted that further limits the liability of a Person serving in the capacity stated..

E. Notwithstanding the above or any other provisions of this Agreement or the LLC Act, the Company shall not take any action which, in the sole judgment of the Manager (1) so long as BCSP qualifies as a REIT, and without limiting the right of BCSP, in its sole discretion, to cease qualifying as a REIT, (a) would cause any income or receipts of the Company to be other than rents from real property, as defined in Section 856 of the Code and the Treasury Regulations thereunder, or other miscellaneous income or receipts which would not qualify under Section 856(c) of the Code and the Treasury Regulations thereunder, (b) could, in the judgment of the Manager, otherwise adversely affect the ability of BCSP to continue to qualify as a REIT, or (c) could, in the judgment of the Manager, subject BCSP to any additional taxes under Section 857 or Section 4981 of the Code, or (2) if and so long as any direct or indirect holders of interests in the Manager are subject to the provisions of Section 511, et seq (the "UBTI Provisions") of the Code, could, in the Manager's judgment, cause the Company to incur any income which would give rise to unrelated business taxable income ("UBTI") under the UBTI Provisions as if the Company were subject thereto, or (3) could, in the Manager's judgment, violate any law or regulation of any governmental body or agency having jurisdiction over its, BCSP's or Beacon's securities. The Members acknowledge that the Company shall not take any action prohibited by the preceding sentence even if the taking of any such action might otherwise be advantageous to the Company or to some of the Members unless the Manager specifically determines to take, or otherwise consents to the taking of, any such action, in its sole discretion. The provisions of this paragraph are solely for the benefit of the Beacon Members and no other Person shall have the right to enforce, or be the beneficiary of, the provisions of this paragraph.

Any action of the Manager on behalf of the Company or any decision of the Manager to refrain from acting on behalf of the Company undertaken in the good faith belief that such action or omission is necessary or advisable in order to comply with the provisions of the preceding paragraph and/or to minimize the receipt of income so as to allow BCSP to avoid incurring any liability for taxes under Section 857 or Section 4981 of the Code, or to avoid or minimize the receipt of revenues or income which would give rise to UBTI if the Company or any direct or indirect owner of the Company were subject to the UBTI Provisions is expressly authorized under this Agreement, even if taking such action or omission was not otherwise in the best interests of the Company or any of its Members, so long as, in any such event, the Manager acted in good faith and such action or omission was reasonably believed by the Manager to be within the scope of the purposes of the Company.

ARTICLE 4
FISCAL MATTERS

Section 4.1 Records and Accounting. The Manager shall keep or cause to be kept at the principal office of the Company those records and documents required to be maintained by the LLC Act and such other books and records deemed by the Manager to be appropriate with respect to the Company's business, including, without limitation, all books and records necessary to provide to the Members any information, lists and copies of documents required to be provided pursuant to Section 4.3 hereof. Any records maintained by or on behalf of the Company in the regular course of its business may be kept on, or be in the form of, punch cards, magnetic tape, photographs, micrographics or any other information storage device. The books of the Company shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles, or such other basis as the Manager determines to be necessary or appropriate. Any Member shall have the right, for any purpose reasonably related to the Member's interest as a Member in the Company, during normal business hours and upon reasonable notice, to examine and copy (at such Member's own expense) the books and records of the Company. Such examination shall be held, at the Manager's determination, at the principal office of the Company or of the Manager or at the Property or at such other location in the greater Washington, D.C. metropolitan area where the relevant information is held. Nothing in this Section 4.1 shall be deemed to limit the provisions of Section 4.4. The Manager shall have the right to withhold any requested information to the extent permitted by Section 18-305(c) of the LLC Act.

Section 4.2 Fiscal Year. The fiscal year (a "Fiscal Year") of the Company shall be the calendar year.

Section 4.3 Reports. As soon as practicable, and using all reasonable efforts to cause such to be provided within ninety (90) days after the close of each Fiscal Year, the Manager shall cause to be provided to each Member as of the close of the Fiscal Year, annual financial statements of the Company for such Fiscal Year, prepared in accordance with generally accepted accounting principles, consistently applied, and audited by the Accountants.

Section 4.4 Confidentiality. The Members acknowledge that, from time to time, they may receive information from or regarding the Company in the nature of financial statements and information, marketing strategies, trade secrets or other information which is confidential or not generally available to the public, the release of which may be damaging to the Company, the Manager or its Affiliates or Persons with which the Company does business. Each Member agrees that, except with the consent of the Manager, all non-public information furnished to it or received by it pursuant to this Agreement will be kept confidential and will not be disclosed by such Member, or by any of its agents, representatives, or employees, in any manner whatsoever, in whole or in part (but not including herein information that a Member has also received from a source independent of the Company or its representatives), except that (i) each Member (and its equity holders) shall be permitted to disclose such information to those of its agents, representatives, and employees who need to be familiar with such information in connection with such Member's (or such equity holder's indirect) investment in the Company or such Member's tax returns or as required by securities laws or other legal obligations, (ii) each Member that is an Entity shall be permitted to disclose such non-public information of the Company as is reasonably necessary for the intended purpose of such disclosure to its partners, members, stockholders and other holders of equity interests and to any potential buyer of a Member's Interest or of the Company's assets or any potential lender to any Member, so long as any such Person agrees to keep such information confidential on the terms set forth herein, (iii) each Member that has entered into this Agreement as a nominee for another Person may disclose such information to such other Person so long as such other Person agrees to keep such information confidential on the terms set forth herein, (iv) each Member shall be permitted to disclose information to the extent required either (x) as part of any filings, reports or similar matters which it is obligated to file, or (y) otherwise by law or by order or requirement of any court, administrative or other judicial or quasi-judicial entity, provided that as to any matter under clause (y) such Member shall make reasonable attempts to first afford the Company with a reasonable opportunity to contest the necessity of disclosing such information, and (v) each Member shall be permitted to disclose information to the extent necessary for the enforcement of any right of such Member arising under this Agreement. The Members acknowledge that breach of the provisions of this Section 4.4 may cause irreparable injury to the Company for which monetary damages are inadequate, difficult to compute, or both. Accordingly, the Members agree that the provisions of this Section 4.4 may be enforced by specific performance without posting bond.

Section 4.5 Bank Accounts; Company Funds. Bank accounts and/or other accounts of the Company shall be kept separate and apart from the books and records and accounts of any other Person, and shall be maintained in such banking and/or other financial institution(s) as shall be selected by the Manager, and withdrawals shall be made and other activity conducted on such signature or signatures as the Manager may from time to time determine.

Section 4.6 Additional Information. In addition to the other rights specifically set forth in this Agreement, each Member is entitled to all information to which that Member is required to have access pursuant to a non-waivable provision of the LLC Act, under the circumstances and subject to the conditions therein stated.

ARTICLE 5
DISTRIBUTIONS

Section 5.1 Requirement and Characterization of Distributions.

A. Prior to making any distributions to the Members pursuant to the following provisions of this Section 5.1, the Company shall first pay to any Member entitled thereto any then accrued and unpaid Guaranteed Payments, and as among Members entitled to any such payments in proportion to the aggregate amounts owed each such Member.

B. Operating Cash Flow shall be distributed to the Members at such times and with such frequency as the Manager shall determine, in its reasonable discretion. Capital Transaction Proceeds from other than a Terminating Capital Transaction shall be distributed by the Manager as soon as reasonably possible after the Capital Transaction giving rise thereto as the Manager, in its sole discretion, shall determine is appropriate. All Operating Cash Flow and all Capital Transaction Proceeds other than those from a Terminating Capital Transaction shall be distributed to the Members as follows:

(i) First: To the Beacon Members until their respective Unrecovered Capital Contributions are reduced to zero.

(ii) Second: To the Original Partners in proportion to their respective Percentage Interests, until each such Original Partner has received a cumulative, compounded return of fifteen percent (15%) per annum, compounded quarterly, on the Unrecovered Capital Contributions of each such Original Partner.

(iii) Third: To each Original Partner until each Original Partner's Unrecovered Subordinate Capital Contribution is reduced to zero.

(iv) Fourth: Any remaining amount to all the Members in proportion to their respective Percentage Interests.

C. Capital Transactions Proceeds from a Terminating Capital Transaction and amounts available upon dissolution, and after payment of, or adequate provisions for, the debts and obligations of the Company, and after liquidation of any remaining assets of the Company, shall be distributed and applied in the following priority:

(i) First, to fund reserves for liabilities not then due and owing and for contingent or unforeseen liabilities and obligations to the extent deemed appropriate by the Manager; and

(ii) Second, to the Members, an amount sufficient to reduce each Member's Capital Account to zero, in proportion to the positive balances in such Capital Accounts (after reflecting in such Capital Accounts all adjustments thereto necessitated by (A) all other Company transactions (distributions and allocations of Profits and Losses and items of income, gain, deduction, and loss) and (B) such Terminating Capital Transaction).

Upon the expiration of such period of time as the Manager shall deem advisable, the balance of any reserves established under clause (i) which are remaining after payment of any contingencies shall be distributed in the manner and in the priorities set forth above in Clause Second of this Section 5.1.C.

D. All Guaranteed Payments shall be "guaranteed payments" under and pursuant to Section 707(c) of the Code.

E. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not make a distribution to any Member if such distribution would violate the applicable provisions of the LLC Act or other applicable law.

F. If any assets of the Company shall be distributed in kind pursuant to this Article 5, such assets shall be distributed to the Members entitled thereto in the same proportion as the Members would have been entitled to cash distributions. The amount by which the fair market value of any property to be distributed in kind to the Members exceeds or is less than the adjusted book basis of such property shall, to the extent not otherwise recognized by the Company, be taken into account in determining Profits and Losses and determining the Capital Accounts of the Members as if such property had been sold at its fair market value.

G. Notwithstanding anything in this Agreement to the contrary, if any amounts are owed by an Original Partner to the Company under the Indemnity Agreement or under the Master Transaction Agreement, the Company shall have the right to apply any distributions or other payments otherwise to be made to a Member under this Agreement to any such amounts owed to the Company. If any such application is so made, it shall be treated for all purposes as if the distribution had been made to such Member and such Member had made a payment to the Company under the applicable agreement.

H. As contemplated by the Master Transaction Agreement, upon the occurrence of the Closing, certain loan proceeds, in an amount determined pursuant to the Master Transaction Agreement (the "Special Distribution Amount"), are to be retained by the Company and distributed to the Original Members; notwithstanding anything in this Agreement to the contrary, the Company, upon receipt of such amounts, shall promptly make a distribution (the "Special Distribution") to the Original Partners in an amount equal to the Special Distribution Amount, and as among the Original Partners in such amounts as the Akridge Representative shall direct at the time of the Closing. If the Manager makes the Special Distribution among the Original Partners in accordance with the instructions of the Akridge Representative, then the Manager shall have no liability to any Original Partner in the event the Special Distribution to an Original Partner is less than such Original Partner was entitled to (or which it believes it was entitled to), and such Original Partner's sole recourse in such event shall be against the Akridge Representative.

Section 5.2 Withholding.

A. Each Member hereby authorizes the Company to withhold from, or pay on behalf of or with respect to, such Member any amount of federal, state, local, or foreign taxes that the Manager determines that the Company is required to withhold or pay with respect to any amount distributable or allocable to such Member pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Company pursuant to Sections 1441, 1442, 1445, or 1446 of the Code. Any amount paid on behalf of or with respect to a Member shall constitute an advance by the Company to such Member, which advance shall be repaid by such Member within fifteen (15) days after notice from the Manager that such payment must be made unless (i) the Company withholds such payment from a distribution which would otherwise be made to the Member; or (ii) the Manager determines that such payment may be satisfied out of the available funds of the Company which would, but for such payment, be distributed to the Member. Any amounts withheld pursuant to the foregoing clauses (i) or (ii) shall be treated as having been distributed to such Member.

B. Any amounts payable by a Member hereunder shall bear interest at the lesser of (A) the Base Rate plus five (5) percentage points (i.e., 500 basis points), or (B) the maximum lawful rate of interest on such obligation, such interest to accrue from the date such amount is due (*i.e*., fifteen (15) days after demand) until such amount is paid in full. Each Member shall take such actions as the Company or the Manager shall request in order to perfect or enforce the security interest created hereunder.

C. For purposes of this Section 5.2, the Company may assume that any Member who fails to provide the Manager satisfactory evidence of its tax status for United States federal income tax purposes is, for purposes of the Code, a foreign person.

D. All amounts withheld pursuant to the Code or any provisions of any state or local tax law and Section 5.2 hereof with respect to any allocation, payment or distribution to a Member shall be treated as amounts distributed to such Member pursuant to Section 5.1 for all purposes under this Agreement.

ARTICLE 6
ALLOCATIONS OF PROFIT AND LOSS

Section 6.1 Allocations of Profits and Losses.

A. Profits and Losses. Subject to Sections 6.1.B and C, and after giving effect to the special allocations, if any, provided in Sections 6.2.A and B, Profits and Losses, other than those attributable to a Terminating Capital Transaction, shall be allocated among the Members so as to make the Partially Adjusted Capital Account of each Partner equal to such Partner's Target Balance, to the extent possible.

In the event the amount of Profits or Losses allocable to the Members pursuant to this Section 6.1.A are insufficient to allow the Partially Adjusted Capital Account of each Member to equal each such Member's Target Balance, the Profits or Losses allocable pursuant to this Section 6.1.A shall be allocated among the Members first so as to achieve a proportion in the respective differences among (x) each Member's Target Balance and (y) such Member's Partially Adjusted Capital Account balance immediately prior to the allocation of Profits or Losses pursuant to this Section 6.1.A which is the same as the proportion of their Percentage Interests, and then in proportion to the remaining respective differences.

No Profits for any applicable period shall be allocated to a Member whose Target Balance is less than or equal to its Partially Adjusted Capital Account for such period, nor shall any Losses be allocated to a Member whose Target Balance is greater than or equal to its Partially Adjusted Capital Account for such period.

Profits and Losses prior to the Closing Date shall be allocated among the Original Partners in the manner provided for in the Predecessor Agreement.

B. Loss Limitation. Notwithstanding anything to the contrary in Section 6.1.A, no Losses shall be allocated to a Member if or to the extent such allocation would cause or increase a Member's Adjusted Capital Account Deficit. In the event any allocation of Losses would cause a Member to have an Adjusted Capital Account Deficit, then the amount of any such Losses which would cause or increase such Adjusted Capital Account Deficit of a Member shall be allocated, instead, to the other Members in proportion to the manner in which they would bear such Losses pursuant to the other provisions of this Agreement.

C. Profits and Losses From Terminating Capital Transaction. Notwithstanding anything contained in Sections 6.1.A and B hereof, after giving effect to the special allocations, if any, provided in Sections 6.2.A. and B. hereof, but in all events subject to Section 6.2.C., all items of Company Profits and Losses arising from a Terminating Capital Transaction shall be allocated among the Members so as to insure to the maximum extent possible that, after giving effect to the allocation of such Profits and Losses in the Capital Accounts of the Members, the Capital Account balance of each Member is positive in the amount of cash that such Member would receive if the Capital Transaction Proceeds from such Terminating Capital Transaction were distributed pursuant to Section 5.1.B.

Section 6.2 Required and Special Allocations.

A. Special Allocations. Except as otherwise provided in this Agreement, the following special allocations will be made in the following order and priority:

(1) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 6, if there is a net decrease in Minimum Gain during any tax year or other period for which allocations are made, the Members will be specially allocated items of Company income and gain for that period (and, if necessary, subsequent periods) in an amount equal to such Member's share of the net decrease in Minimum Gain during such tax year or other period determined in accordance with Treasury Regulations Section 1.704-2(g)(2). Allocations pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(f)(6) and 1.704-2(j)(2)(i). This Section 6.2.A.(1) is intended to comply with the minimum gain chargeback requirements set forth in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith, including the exceptions to the minimum gain chargeback requirement set forth in Treasury Regulations Sections 1.704-2(f)(2) and (3).

(2) Partner Nonrecourse Debt Minimum Gain Chargeback. Notwithstanding any other provision of Section 6.1 or this Section 6.2 (other than Section 6.2.A(1), which shall be applied before this Section 6.2.B(2)), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any tax year or other period for which allocations are made, each Member with a share of Partner Nonrecourse Debt Minimum Gain determined in accordance with Treasury Regulations Section 1.704-2(i)(5) shall be specially allocated items of Company income and gain for that period (and, if

necessary, subsequent periods) in an amount equal to the Member's share of the net decrease in the Partner Nonrecourse Debt Minimum Gain determined in accordance with Treasury Regulation 1.704-2(i). The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii). This Section 6.2.A(2) is intended to comply with the minimum gain chargeback requirements of Treasury Regulations Section 1.704-2(i)(4) and shall be interpreted consistently therewith, including the exceptions set forth in Treasury Regulations Section 1.704-(f)(2) and (3) to the extent such exception apply to Treasury Regulations Section 1.704-2(i)(4).

(3) Qualified Income Offset. A Member who unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6), respectively, will be specially allocated items of income and gain (consisting of a pro rata portion of each item of partnership income, including gross income, and gain for the relevant tax year) in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Member as quickly as possible, provided that an allocation pursuant to this Section 6.2.A(3) shall be made only to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 6.2.A have been made in the first instance without regard to this Section 6.2.A(3).

(4) Nonrecourse Deductions. Nonrecourse Deductions for any Fiscal Year or other period shall be allocated among the Members in proportion to each Member's Percentage Interest. The items of Losses, deductions and Code Section 705(a)(2)(b) expenditures to be so allocated shall be determined in accordance with Treasury Regulation §1.704-2(j)(1)(ii).

(5) Partner Nonrecourse Deductions. Notwithstanding anything to the contrary in this Agreement, any Partner Nonrecourse Deductions for any taxable year or other period for which allocations are made will be allocated to the Member who bears the economic risk of loss with respect to the liability to which the Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulations Section 1.704-2(i).

(6) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset under Code Section 734(b) or 743(b) is required to be taken into account in determining Capital Accounts under Treasury Regulations Section 1.704-1(b)(2) (iv)(m), the amount of the adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases the basis of the asset), and the gain or loss will be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted under Treasury Regulations Section 1.704-1(b)(2)(iv)(m).

(7) Depreciation Recapture. In the event there is any recapture of Depreciation or item of tax credit, the allocation thereof shall be made among the Members in the same proportion as the deduction for such Depreciation or item of tax credit was allocated.

B. Regulatory Compliance; Curative Allocations. The allocations set forth in Sections 6.2.A(1) through (5) hereof (the "Regulatory Allocations") are intended to comply with certain requirements of Treasury Regulations Sections 1.704-1(b) and 1.704-2, and shall be interpreted in a manner consistent with such Treasury Regulations. The Regulatory Allocations may not be consistent with the manner in which the Members intend to divide Company distributions. Accordingly, the Manager is hereby authorized to further allocate Profits, Losses, and other items among the Members in a reasonable manner so as to prevent the Regulatory Allocations from distorting the manner in which Company distributions would be divided among the Members under Section 5.1 hereof, but for application of the Regulatory Allocations. In general, such reallocation will be accomplished by specially allocating other Profits, Losses and items of income, gain, loss and deduction, to the extent they exist, among the Members so that the net amount of the Regulatory Allocations and the special allocations to each Member is zero. The Manager may accomplish this result in any reasonable manner that is consistent with Code Section 704 and the related Treasury Regulations.

C. Tax Allocations - Code Section 704(c).

(1) Notwithstanding anything contained in this Agreement to the contrary, taxable income, gain, loss, and deduction with respect to any Company property that is subject to Code Section 704(c), the Treasury Regulations thereunder and/or Treasury Regulations Section 1.704-1(b)(2)(iv)(f) (the "Section 704(c) Provisions") shall be determined and allocated among the Members

in accordance with such Code Section and/or the Treasury Regulations, as the case may be, and pursuant thereto, it is agreed that allocations under the Section 704(c) Provisions as to the Property shall be made under the so-called “traditional method” with a back-end curative allocation, as permitted by Treasury Regulation Section 1.704-3(C). As to any property other than the Property that may in the future be contributed to the Company, the Manager may elect any permissible method under the Section 704(c) Provisions, with the consent of the Akridge Representative, such consent to be unreasonably withheld.

(2) In the event the Book Value of any Company asset is adjusted pursuant to the other provisions of this Agreement (not including herein the initial booking of any asset contributed to the Company), subsequent allocations of taxable income, gain, loss and deduction with respect to such asset shall be determined and allocated among the Members, and the Capital Accounts of the Members shall be determined, so as to account for any Book-Tax Disparity arising from such adjustment in the same manner as would occur as to an asset contributed to the Company under Code Section 704(c) and the Treasury Regulations thereunder.

D. Other Allocation Rules. The following rules will apply to the calculation and allocation of Profits, Losses and other items:

(1) Unless otherwise determined by the Manager, for purposes of determining the Profits, Losses or any other item allocable to any period, Profits, Losses and other items will be determined on a daily basis under Code Section 706 and the related Treasury Regulations.

(2) Except as otherwise provided in this Agreement, all items of Company income, gain, loss, deduction, and other allocations not provided for in this Agreement will be divided among the Members in the same proportions as they share Profits and Losses, provided that any credits shall be allocated in accordance with Treasury Regulations Section 1.704-1(b)(4)(ii).

(3) For federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Members in the same manner as its correlative item of “book” income, gain, loss or deduction has been allocated pursuant to the other provisions this Article 6, except as otherwise provided in Section 6.2.C.

(4) Upon the admission of a new Member or the Transfer of an Interest, the new and old Members or the transferor and transferee shall be allocated shares of Profits and Losses and other allocations from the ongoing operations of the Company based on the actual portions of the Fiscal Year that the new or transferred Interest was held by the new and old Members, or the transferor and transferee, respectively. Profits and Losses and other allocations from Capital Transactions shall be allocated between any said parties based on the holder of the relevant Interest on the date of any such Capital Transactions. For the purpose of allocating Profits and Losses and other allocations, (i) such admission or Transfer shall be deemed to have occurred on the first day of the month in which it occurs, or if such date shall not be permitted for allocation purposes under the Code or the Treasury Regulations, on the nearest date otherwise permitted under the Code or the Treasury Regulations, and (ii) if required by the Code or the Treasury Regulations, the Company shall close its books on an interim basis on the last day of the previous calendar month.

(5) If any assets are sold in transaction in which, by reason of the provisions of Section 453 of the Code or any successor thereto, gain is realized but not recognized, such gain shall be taken into account when realized in computing gain or loss of the Company for purposes of allocation of Profit or Loss under this Article 6, and, if such sale(s) shall involve substantially all the assets of the Company, the Company shall be deemed to have been dissolved and terminated for purposes of making the aforesaid allocations notwithstanding any continuation of the Company for purposes of collecting the proceeds of such sales.

E. Effect of Treasury Regulations; Liquidation. In the event the Company is "liquidated" within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to Section 5.1.C. If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations), such Member shall have no obligation to make any contribution to the capital of the Company. In the event the Company is "liquidated" within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g) but there has been no dissolution of the Company, then the Company assets shall not be liquidated, the Company's liabilities shall not be paid or discharged and the Company's affairs shall not be wound up.

F. Closing of the Books; Prior Profits and Losses. As contemplated by the Master Transaction Agreement, it is agreed that the Company (as the successor to the Partnership for federal income tax purposes) will use the “interim closing of the books” method as of the end of day of the date of this Agreement, i.e., the date on which TTF was admitted to the Partnership. All profits, losses, deductions, credits and all items thereof (including, without limitation, any cancellation of indebtedness income) of the Partnership on or prior to (but including) the date of this Agreement and of the Company since its merger with the Partnership and on or prior to (but including) the date of this Agreement shall be allocated solely to the Original Partners, and among them in accordance with the Second Amended and Restated Limited Partnership Agreement. All profits, losses, deductions, credits and all items thereof of the Company commencing on the first day after the date of this Agreement shall be allocated to the Members in accordance with this Agreement.

G. Allocation of Nonrecourse Liabilities. Solely for purposes of determining each Member’s proportionate share of the “excess nonrecourse liabilities” of the Company within the meaning of Treasury Regulation §1.752-3(a)(3), to the extent permissible under the Code and the applicable Treasury Regulations thereunder, such excess nonrecourse liabilities shall first be allocated among the Original Partners so as to provide adequate basis for the negative capital account (for federal tax purposes) of each such Original Partner, and thereafter in accordance with each Member’s interest in the profits of the Company, and for the aforesaid purpose, each Member’s interest in the Profits of the Company shall be equal to its Percentage Interest in the Company.

ARTICLE 7
RIGHTS, LIABILITIES AND OBLIGATIONS OF MEMBERS

Section 7.1 Limited Liability. No Member, in its capacity as such, shall, unless expressly agreed to in writing by such Member otherwise, be personally liable for any of the debts or other obligations or liabilities of the Company.

No Member with a negative balance in its Capital Account shall have any obligation to the Company or the other Member to restore such negative balance upon the dissolution or termination of the Company or otherwise, and any such deficit in the Capital Account of any Member shall not constitute an obligation of such Member to the Company or the other Member.

Section 7.2 Outside Activities of Members. No business or other opportunities other than those related to the Property shall be deemed to be the Property of, or belong to, the Company. Any Member, including the Manager, and any partner, member, shareholder, equity holder, officer, director, employee, agent, trustee, or Affiliate of any Member shall be entitled to and may have and own real property and other business interests and engage in business activities in addition to those relating to the Company, including real property and other business interests and activities that are contiguous, adjacent to or near the Property and/or in direct competition with the Property and/or the Company or that are directly or indirectly enhanced by the Property and/or business and activities of the Company. Neither the Company nor any Member nor any Affiliate of any Member nor any other Person shall have any rights by virtue of this Agreement or the Company relationship established hereby in any such or any other business ventures of any other Member or any of its Affiliates. No Member or such other Person shall have any obligation pursuant to this Agreement to offer any interest in any such business ventures to the Company, any Member or any such other Person, even if such opportunity is of a character which, if presented to the Company, any Member or such other Person, could be undertaken by such Person.

Each Member understands and acknowledges that the conduct of the business of the Company may involve business dealings with such other businesses or undertakings of a Member or its Affiliates. The creation of the Company and the assumption by each Member of its duties hereunder shall be without prejudice to the respective rights (or the rights of its Affiliates) to maintain such other interests and activities and to receive and enjoy profits or compensation therefrom, and each Member hereby waives any rights it might otherwise have to share or participate in such other interests or activities of any other Member or such Member's Affiliates.

Section 7.3 Duties to Other Members. The Members understand and acknowledge that each Member and the Manager may have contractual and statutory fiduciary and other duties to various direct and/or indirect investors in such Member and/or Manager, and further acknowledge and agree that the duties which the Member and the Manager have to each other are expressly subject to such other duties; provided, however, that each Member and the Manager shall at all times endeavor to conduct its affairs and make decisions in good faith and in a manner which does not treat any Member differently from any other Member except as is otherwise provided for or permitted by Article 5 of this Agreement.

ARTICLE 8
MEMBERS' SPECIAL LIABILITY

Section 8.1 Members' Special Liability.

A. Each Member agrees that it will not interfere or attempt to interfere (and will cause its Affiliates, and all Persons claiming by or through any of them, not to interfere) directly or indirectly with (x) the conduct of the business of the Company by the Manager or the right of the Manager to control and manage the Company, the Company's business and the Property, or the taking or failure to take any action by the Manager under this Agreement, (y) any action taken under or other matter as to the Subordinate Loan or under the Option Agreement which action or other matter is otherwise permitted under the terms and provisions of said Subordinate Loan or Option Agreement.

B. The following, the "Specified Liability Provisions," are matters for which a Member shall have individual liability for, as the context requires, breach of, or liability for, but subject in any event to Section 8.2, and each Member acknowledges and agrees that it shall be such Member's fiduciary duty to all the other Members not to engage in any of the following:

(i) the commencement, institution or instigation of, or the joining in the prosecution of, or participation in, any claim, suit or legal proceeding, directly or indirectly, by a Member or any of its Affiliates as to any other business activity of and as to the Company, by the Manager or any of its Affiliates, which claim, suit or proceeding makes any claim inconsistent with the powers or rights of the Manager and its Affiliates under this Agreement;

(ii) any loss or liability arising from breach of any of its representations and warranties contained in Section 1.10;

(iii) the commencement or institution of, or the joining in the prosecution of, or participation in, any claims, suits or other legal proceedings, directly or indirectly, by a Member or any of its Affiliates (any of the above being referred to in this clause (iii) as a "Proceeding") which requests either an injunction, delay or other relief to prevent, delay or otherwise interfere with the Company from entering into or completing any financing or refinancing or the encumbrance or the sale, transfer or other disposition of any Property of the Company or of engaging in any other transaction or activity authorized by the Manager on behalf of the Company, or with any Transfer by any Beacon Member permitted by Article 10 of this Agreement (a "Delay"), or the making by a Member or any of its Affiliates of any threat or allegation to any other party to, or otherwise involved in, any such transaction to the effect that any such transaction is not permitted to be taken by the Manager on behalf of the Company under this Agreement or that such Member or Affiliate will involve any third party in litigation or in any other proceedings of any nature whatsoever because such transaction is not so permitted, except that it shall not be a breach of this clause (iii) as to the commencement or institution of a proceeding alleging the bad faith or willful malfeasance of the Manager or a Member or a breach of Section 10.7, but it shall be a breach for purposes of this clause (iii) unless the Member commencing or instituting any such a proceeding is both the prevailing party therein on any of the material matters alleged in such Proceeding and as to the material matter on which such Member prevailed the relief granted includes either an injunction, delay or other relief to prevent, delay or prohibit or modify in a material way the relevant proposed matter as to which the Proceeding was initiated or an order is entered requiring compliance with Section 10.7 of this Agreement where it had been alleged that there had been a failure to so comply and the court found that there had been such a failure to comply;

(iv) breach by a Member of the provisions of Article X or of Section 12.4;

(v) costs and expenses recoverable under Section 12.13; and

(vi) failure by a Member to make any payments required to be made to the Company pursuant to the Indemnity Agreement after notice thereof from the Company and a lapse of thirty (30) days after such notice is given.

Section 8.2 Certain Limitations on Specified Liability Provisions Liability.

A. Except as to any liability under Section 8.1.A and under clauses (i), (iii) and (vi) of Section 8.1.B, the liability of any Member under any Specified Liability Provision shall be for any direct damages suffered by any other Member or the Company as a result of the matter specified in Section 8.1, and shall in no event include, and, other than as to liability under Section 8.1.A and under clauses (i) and (iii) of Section 8.1.B, each Member hereby waives any rights to, any consequential or other damages, other than direct damages, as to any such matter included as a Specified Liability Provision.

Each Member acknowledges and agrees that in the event it breaches clause (i), (iii) or (vi) of Section 8.1.B and such breach interferes with or delays any prospective financing or refinancing by the Company or a sale of the Property or a Transfer of all or any portion of any Beacon Member's Interest and/or the Interest of any Affiliate of TTF in the Company, each other Member shall be entitled not only to direct damages but also to any consequential, special or other damages. In particular, in the event of any such prospective financing, refinancing, sale or a Transfer described immediately above affected by the breach of a Member, or by any of its Affiliates or any other Person claiming by through or under any such Member, of Section 8.1.A or under either clause (i) or (iii) of Section 8.1.B, consequential damages to which TTF and the Subordinate Lender, if it acquires Interests in the Company pursuant to the Option Agreement, and any other Beacon Member shall be entitled to include, without limitation, payment of such amounts, as consequential damages, as would allow such Person to obtain a so-called "internal rate of return" on such Person's investment which is no less than the internal rate of return which each such Person would have earned had any such proposed transaction affected by any such breach been consummated, due regard being given to the amount and timing of any later completed transaction and any tax differential treatment between any damages and the proceeds of a proposed transaction.

B. Subject to the provisions of Section 8.2.A, nothing contained above in this Article 8 or elsewhere in this Agreement shall be construed as limiting the liability of any Member with respect to obligations incurred from and after the date hereof by such Member or any liability of any such Member to the Company or any other Member: (1) under or as to any Specified Liability Provisions; or (2) for any liability or loss resulting from any act or failure to act arising out of, or in connection with fraud, willful misconduct or misappropriation of such Member.

Section 8.3 Additional Remedies. In the event of the breach or failure by (a) any Member or any of its Affiliates or any other Person claiming by through or under any such Member of either Section 8.1.A or clause (i) or (iii) of Section 8.1.B, such Member and every other Member which is an Affiliate of such breaching Member (collectively, when applicable, the "Defaulting Members"), or (b) in the event of a breach by any Member of clause (vi) of Section 8.1.B, all of the Members other than any Beacon Members (collectively, in any applicable situation, the "Defaulting Members"): (x) at the Manager's option, in its sole discretion, upon written demand from the Manager, each Defaulting Member shall escrow with the Company the amount of any such Defaulting Member's guaranty of any indebtedness of the Company (including, without limitation, any indebtedness owed to a Member or any Affiliate or a Member), and (y) each of TTF and Beacon shall have the right to purchase the Interest of any such Defaulting Member for an amount equal to the amount such Defaulting Member whose Interest is being purchased pursuant to this clause (y) would have received if the Property were sold for ninety two and one-half percent (92.5%) of its fair market value, with the agreed fair market value being equal to the net operating income of the Property for the last Full Fiscal Year prior to such breach, reduced by an amount equal to the amortization over five (5) years of the reasonably anticipated tenant improvements and leasing commissions to be incurred over the five (5) Fiscal Years following such last full Fiscal Year, with a 12% per annum return over such period of amortization, said difference then capitalized at nine percent (9%). Each of the aforesaid remedies, and any other remedies that may be available under this Agreement or at law or equity in the event of a breach by a Member of the provisions of Section 8.1, shall be non-exclusive and may be exercised consecutively and/or concurrently and in any order.

ARTICLE 9
TAX MATTERS

Section 9.1 Preparation of Tax Returns. The Manager shall arrange for the preparation and timely (including valid extensions) filing of all similar federal, state and local income tax returns and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information required to be furnished to the Members for federal, state and local income tax reporting purposes. The Manager shall use reasonable efforts prior to filing to allow the Akridge Representative ten (10) days in which to review and comment on any such income tax returns, but such right shall not include any approval thereof, and the Manager shall have no obligation to make any changes or other modifications that may be requested by the Akridge Representative other than compliance with the provisions of Article 6.

Section 9.2 Tax Elections. The Manager shall determine all elections to be made by the Company pursuant to the Code, except that the Manager shall not make any election which would adversely affect either of the Members or cause the Company to be taxed as a corporation under the Code or under any state or local income tax law, and in any event the Manager shall make the election agreed upon pursuant to the last sentence of clause (1) of Section 6.2.C. Except as otherwise provided in this Agreement, the Manager shall have the right to seek to revoke any tax election it makes (including, without limitation, the election under Section 754 of the Code) upon the Manager's determination that such revocation is in the best interests of the Members.

Section 9.3 Tax Matters Partner.

A. The Manager shall be the "Tax Matters Partner" of the Company for federal income tax purposes. Pursuant to Section 6230(e) of the Code, upon receipt of notice from the IRS of the beginning of an administrative proceeding with respect to the Company, the Tax Matters Partner shall furnish the IRS with the name, address, taxpayer identification number, and profit interest of each of the Members and the Assignees; provided, however, that such information is provided to the Company by the Members and the Assignees. Notwithstanding anything herein to the contrary, the Tax Matters Partner shall, upon receipt of notice from the IRS, give notice of an administrative proceeding with respect to the Company to all Members in accordance with, and as if such Members were each a "notice partner" pursuant to, Section 6231(a)(8) of the Code.

B. The Tax Matters Member shall represent the Company, at the Company's expense, in connection with all examinations of the Company's affairs by tax authorities including any resulting administrative or judicial proceedings. Without limiting the generality of the foregoing, the Tax Matters Member is authorized, but not required:

(1) to enter into any settlement with the IRS with respect to any administrative or judicial proceedings for the adjustment of Company items required to be taken into account by a Member for income tax purposes (such administrative proceedings being referred to as a "tax audit" and such judicial proceedings being referred to as "judicial review"), and in the settlement agreement the tax matters partner may expressly state that such agreement shall bind all Members, except that such settlement agreement shall not bind any Member (i) who (within the time prescribed pursuant to the Code and Treasury Regulations) files a statement with the IRS providing that the Tax Matters Member shall not have the authority to enter into a settlement agreement on behalf of such Member; or (ii) who is a "notice partner" (as defined in Section 6231(a)(8) of the Code) or a member of a "notice group" (as defined in Section 6223(b)(2) of the Code);

(2) in the event that a notice of a final administrative adjustment at the Company level of any item required to be taken into account by a Member for tax purposes (a "Final Adjustment") is mailed to the tax matters partner, to seek judicial review of such final adjustment, including the filing of a petition for readjustment with the Tax Court or the filing of a complaint for refund with the United States Claims Court or the District Court of the United States for the district in which the Company's principal place of business is located;

(3) to intervene in any action brought by any other Member for judicial review of a final adjustment;

(4) to file a request for an administrative adjustment with the IRS and, if any part of such request is not allowed by the IRS, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(5) to enter into an agreement with the IRS to extend the period for assessing any tax which is attributable to any item required to be taken account of by a Member for tax purposes, or an item affected by such item; and

(6) to take any other action on behalf of the Members or the Company in connection with any tax audit or judicial review proceeding to the extent permitted by applicable law or regulations.

The Tax Matters Member shall be entitled to incur such expenses as are reasonably necessary in fulfilling its role as Tax Matters Member. The provisions relating to indemnification of the Manager set forth in Section 3.6 of this Agreement shall be fully applicable to the Tax Matters Member in its capacity as such.

C. The Tax Matters Member shall receive no compensation for its services. The Company shall indemnify and reimburse the Tax Matters Member for all third party costs and expenses (including legal and accounting fees) reasonably incurred as Tax Matters Member in performing its duties pursuant to this Article 9 and in connection with any administrative or judicial proceeding with respect to any matter which is a “partnership tax item” under the Code. The payment of all such expenses shall be made before any distributions are made to the Members. Nothing herein shall be construed to restrict the Company from engaging an accounting, legal and/or other firm to assist the Tax Matters Member in discharging its duties hereunder, so long as the compensation paid by the Company for such services is reasonable.

D. The Tax Matters Member shall use its best efforts to keep each Member informed of any administrative and judicial proceedings for the adjustment at the Company level of any item required to be taken into account by a Member for income tax purposes or any extension of the period of limitations for making assessments of any tax against a Member with respect to any Company item, or of any agreement with the Internal Revenue Service that would result in any material change either in income or loss as previously reported.

E. Any Member that receives a notice of an administrative proceeding under Code Section 6233 relating to the Company shall promptly notify the Tax Matters Member of the treatment of any Company item on such Member’s federal income tax return that is or may be inconsistent with the treatment of that item on the Company’s return. Any Member that enters into a settlement agreement with the Secretary of the Treasury with respect to any Company item shall notify the Tax Matters Member of such agreement and its terms within 60 days after its date.

ARTICLE 10
TRANSFERS AND WITHDRAWALS; RIGHT OF FIRST OFFER

Section 10.1 Transfer.

A. The term “Transfer,” when used in this Agreement with respect to any Interest in the Company, shall mean (i) a transaction in which a Member assigns, absolutely, conditionally, as security or otherwise, all or any part of its Interest (legal and/or beneficial) to another Person, and includes any sale, assignment, gift, pledge, mortgage, exchange, hypothecation, encumbrance or other disposition, including any such matter occurring by operation of law (such as, but not limited to, a statutory merger) or otherwise, and (ii) any of the transactions described in clause (i) above as to any interest in any upper tier Entity which, directly or indirectly, holds an equity interest in a Member.

B. No Interest shall be Transferred, in whole or in part, except in accordance with the terms and conditions of this Agreement. Any Transfer or purported Transfer of an Interest not made in accordance with this Article 10 shall be null and void.

Section 10.2 Members’ Rights to Transfer.

A. Subject to the provisions of Section 10.2.E and Section 10.3, a Member may not Transfer all or any part of its Interest without the consent of the Manager except as follows:

(i) a Transfer to an Entity which directly or indirectly wholly owns and controls such Member (a “Member Parent”) or which directly or indirectly is wholly owned and controlled by such Member;

(ii) as part of a merger, consolidation or similar transaction involving a substantial portion of the assets owned by a Member Parent, or Transfers of or the issuance of interests or shares in a Member Parent;

(iii) Transfers of interests in a Member which is an Entity so long as there is no change in control of the Entity and so long as Persons presently holding, directly or indirectly, 51% of the interests in such Entity continue to own at least 51%.

(iv) to the transferee's Immediate Family or to a trust or other gift or estate planning vehicle whose sole beneficiaries are the Member and such Member's Immediate Family; or

(v) upon the death of a person, but only to the estate of such person.

B. Subject to the provisions of Section 10.2.E and Section 10.3, in addition to the provisions of Section 10.2.A, any Beacon Member may Transfer all or any part of its Interest without the consent of the Members as follows:

(i) to an Entity which is directly or indirectly wholly owned and controlled by TTF or Beacon, or

(ii) to any Person provided that such Person has sufficient net worth to reasonably support the obligations of the transferring Beacon Member under this Agreement.

In addition, any Beacon Member may Transfer all or any part of its Interest to any Person with the consent of the holders of a majority of the Percentage Interests in the Company not held by the Beacon Members. Furthermore, notwithstanding anything in this Article 10 to the contrary, the provisions of this Article 10, and the term Transfer, shall not include the transfers of or issuance of membership interests in a Beacon Member, limited partner interests in Beacon or in Beacon Capital Strategic Partners II, L.P., or shares in BCSP.

C. The Manager may prohibit any Transfer of an Interest by a Member if, in the opinion of legal counsel to the Company, such transfer would require filing of a registration statement under the Securities Act or would otherwise violate any federal or state securities laws or regulations applicable to the Company, or would cause a breach or default under any agreement or other instrument which the Company is a party to or which the Company or any of the Property is subject to.

D. No Transfer of any Interest may be made to a lender to the Company or any Person who is related (within the meaning of Section 1.752-4(b) of the Treasury Regulations) to any lender to the Company whose loan constitutes a Nonrecourse Liability, without in any such instance the written approval of the Manager made with the actual knowledge of the Manager that such relationship exists.

E. Except for Transfers permitted by Section 10.2.B, notwithstanding anything in this Agreement to the contrary, including, without limitation, Transfers otherwise permitted by Section's 10.2.A, no Transfer of any direct or indirect Interest or of any direct or indirect interest in a Member which is an Entity may be made if (i) such Transfer would be included in making calculations of transfers under the District of Columbia Economic Interests Reporting Act, and (ii) if such Transfer occurs or would occur prior to twelve months and one day after the later to occur of the rights of the Subordinate Lender under the Option Agreement having expired unexercised or the closing of the exercise of the last of such rights which can be exercised by the Subordinate Lender. If any Transfer is made of a direct or indirect Interest or of any direct or indirect interest in a Member in violation of the provisions of this Section 10.2E and as a result thereof, after taking into account any Transfers resulting from the exercise of the rights of the Subordinate Lender under the Option Agreement and any Capital Contributions made pursuant thereto and pursuant to Section 2.3.A(iii), whether made before or after any such initially described Transfer, a transfer tax is payable pursuant to the District of Columbia Economic Interests Reporting Act, then the Member which made any such prohibited Transfer or which had a direct or indirect interest in it Transferred in violation of the provisions of this Section 10.2E shall be liable for any transfer tax payable as a consequence thereof.

Section 10.3 General Restrictions on and Conditions to All Transfers.

A. Every Transfer of an Interest permitted by this Article 10 and every Transfer of an interest in any Entity which directly or indirectly holds an Interest in the Company which is permitted by this Article 10, shall nevertheless be subject to the following:

(i) No Transfer of any Interest may be made if such Transfer would cause or result in a breach of any agreement binding upon the Company or to which any of its property is subject, or of any then applicable rules and regulations of any governmental authority having jurisdiction over the Company or such Transfer;

(ii) Other than a Transfer pursuant to a merger or other statutory scheme under which, by operation of law, the surviving Entity succeeds to, and is deemed to have assumed, the obligations of the other Entity involved in such a Transaction, in the event of any Transfer of an Interest there shall be filed with the Company a duly executed and acknowledged counterpart of the instrument effecting such Transfer. In addition, in the event of any such Transfer, the transferee shall enter into a valid and binding agreement with the

Company and each of its Members the effect of which will be that the Interest so Transferred shall continue to remain subject to the provisions of this Agreement with the same force and effect as if such transferee had originally been a party hereto as to the interest so Transferred. Each transferee shall also execute such additional instruments as shall be reasonably required by the Manager. The Company need not recognize any Transfer for any purpose unless, and until, the foregoing provisions of this clause (iii) have been fully satisfied; and the Company shall have no obligation to admit a transferee as substitute Member except as expressly required by this Agreement;

(iii) No Transfer of an Interest (by conveyance, operation of law or otherwise) shall be effective to convey the subject matter thereof until the transferee executes all necessary certificates or other documents and performs all acts required in accordance with the laws of the State of Delaware and any other states in which the Company is then doing business and executes any and all documents as shall be required from time to time by the rules and regulations of any regulatory body or commission having jurisdiction over the Company or its properties, to the full extent that the same may be necessary to constitute such transferee a substitute Member;

(iv) Notwithstanding and in addition to all other provisions of this Agreement, including this Article 10, no Transfer of an Interest will be or remain a permitted Transfer, or be permitted pursuant to this Article 10, unless all of the following additional conditions are satisfied: (i) the Transferee is a single, legally existing Person owning the entire Interest transferred, or (ii) in the case of any Transferee that is an Entity, there will always be one or more officers, partners or trustees who are each designated by the owner of such Member’s Interest as the parties who can each, at all times, legally and validly act on behalf of and legally bind the Entity which owns such Interest who are expressly so designated and so authorized to act on all matters under this Agreement or otherwise on behalf of said Entity which owns such Interest;

(v) Notwithstanding anything contained herein to the contrary, no Interest as a Member of the Company shall be transferred if, by reason of such Transfer, the classification of the Company as a partnership for federal income tax purposes would be adversely affected or jeopardized, or if such Transfer would have any other substantial adverse effect for federal income tax purposes, all as determined by the Manager; provided, however, if a Transfer is precluded by this clause (v) all or portions of such Transfer shall be permitted at the earliest possible time that such Transfer will not result in any such adverse federal income tax effect; and

(vi) Notwithstanding any provisions hereof to the contrary, no Transfer shall be made pursuant to this Article 10 to any foreign Person unless and until the transferee agrees in writing in advance of the Transfer that (a) the transferee and the Company shall comply with all applicable Federal, state and local laws pertaining to the acquisition, ownership or disposition of United States real property (or of directly or indirectly held interests therein) by any foreign Person and with all Federal, state and local laws of similar import pertaining to foreign Persons; (b) the Company may comply with any and all income and other withholding obligations that may be imposed on the Company without regard to other provisions of this Agreement that may otherwise govern the transferee's right to its share of Company income and loss and to receive distributions from the Company; and (c) the transferee shall indemnify and hold the Company and the non-transferring Members harmless from and against any and all expense or liability that is or may be imposed on the Company or the non-transferring Members attributable to or arising out of such Transfer because of such status of the transferee. Any agreement of a transferee Member required by this clause (vi) shall be in such form and shall contain such additional provisions as the non-transferring Member, in the exercise of its reasonable discretion, shall request as a condition precedent to such Transfer.

(vii) Notwithstanding anything to the contrary contained in this Agreement, without the consent of the Manager, in no event shall any Member Transfer all or any portion of its Interest or any economic interest or other right in all or any portion of its Interest to (i) any "Qualified Organization" within the meaning of Section 514(c)(9)(C) of the Code (a "Qualified Organization") or (ii) to any entity in which a Qualified

Organization has at the time of such Transfer a direct (or, to the transferring Member's actual knowledge, indirect) beneficial interest if such entity is treated as a partnership or otherwise as a "pass-through entity" for federal income tax purposes if such Qualified Organization may receive a direct or indirect allocation that could cause the Company not to meet the requirements of Section 514(c)(9)(E) of the Code (including, without limitation, by reason of Section 514(c)(9)(D) of the Code) and the Treasury Regulations thereunder. The Manager shall have the right to request, from time to time, that the other Members confirm in writing their continued compliance with this clause (vii).

(viii) If the Company is required to pay any fee, cost or other payment to any third party lender to the Company as a result of any Transfer by a Member of all or any portion of its Interest or of any direct or indirect Interest in any such Member which is an Entity, then such Member shall reimburse the Company for any such payment.

B. A Transfer of an Interest in the Company to a Permitted Transferee under this Article 10 shall nonetheless be subject to such Transferee assuming its proportionate share of the obligations of the Member which is making such Transfer. Any Person who acquires in any manner whatsoever an Interest (or any part thereof) in the Company, whether or not such Person has accepted and assumed in writing the terms and provisions of this Agreement or been admitted into the Company as a Member as provided in Section 10.4, shall be deemed, by acceptance of the acquisition of any such Interest, to have agreed to be subject to and bound by, and shall be deemed to have assumed all of the obligations of this Agreement with respect to such Interest and shall be subject to the provisions of this Agreement with respect to any subsequent Transfer of such Interest.

C. Upon the admission or withdrawal of a Member (whether by reason of a Transfer or otherwise), this Agreement and the Certificate, to the extent required under the LLC Act, shall be amended appropriately to reflect the then existing names and addresses of the Members and other appropriate and necessary information.

D. Any Transfer in contravention of any of the provisions of this Agreement shall be null and void and ineffective to Transfer any Interest, and shall not bind, or be recognized by, or on the books of, the Company.

E. In the event any Member shall at any time Transfer an Interest in the Company in contravention of any of the provisions of this Agreement, then the Company and each other Member, in addition to the rights above and all other rights and remedies at law and equity, shall be entitled to a decree or order restraining and enjoining such transaction, and the offending Member shall not plead in defense thereto that there would be an adequate remedy at law; it being expressly hereby acknowledged and agreed that damages at law would be an inadequate remedy for a breach or threatened breach of the violation of the provisions concerning such transactions set forth in this Agreement.

F. The death, legal disability, bankruptcy or dissolution of a Member or the Transfer by any Member of all or any part of its Interest in the Company (whether or not in compliance with the terms of this Agreement) shall not dissolve the Company.

Section 10.4 Substitute Members.

A. Any Person to whom an Interest is Transferred pursuant to Section 10.2 and in compliance with Section 10.3, other than a Transfer under Section 10.2.A(iii), shall become a Substitute Member, and such substitution shall be a condition to any such otherwise permitted Transfer.

B. A transferee who has been admitted as a Substitute Member in accordance with this Article 10 shall have all the rights and powers and be subject to all the restrictions and liabilities of a Member under this Agreement.

C. Upon the admission of a Substituted Member, this Agreement shall be appropriately amended to reflect the name, address, and Percentage Interest of such Substitute Member and to eliminate or adjust, if necessary, the name, address and interest of the predecessor of such Substitute Member. Substitute Members shall be added only on the first day a fiscal quarter unless the Manager, in its sole discretion, otherwise agrees.

Section 10.5 General Provisions.

A. No Member may withdraw from the Company other than as a result of a permitted Transfer of all of such Member's Company Interest in accordance with this Article 10.

B. Any Member who shall Transfer all of its Interest in the Company pursuant to this Article 10 shall cease to be a Member upon the admission of the assignee(s) of such Interest as a Substitute Member(s).

C. If any Interest is transferred or assigned during any portion of a Fiscal Year in compliance with the provisions of this Article 10 on any day other than the first day of a Fiscal Year, then Profits and Losses, each item thereof and all other items attributable to such interest for such Fiscal Year shall be divided and allocated between the transferor Member and the transferee Member or assignee by taking into account their varying interests during the Fiscal Year on such basis as the Manager may elect, provided that all Profits and Losses and items thereof and all other allocations attributable to a Capital Transaction shall be allocated to whichever of the transferor or the transferee is entitled to any distributions from such Capital Transaction, all of the above only if and to the extent such is permitted under the Code. All distributions of Operating Cash Flow attributable to such Interest before the date of such Transfer shall be made to the transferor Member, and all distributions of Operating Cash Flow thereafter attributable to such Interest shall be made to the transferee. Any distribution of Capital Transaction Proceeds shall be made based upon who was the Member when the Capital Transaction occurred.

Section 10.6 Acquisition of Interest by Subordinate Lender.

The Members acknowledge that the Subordinate Lender has the right to acquire an Interest as a Member in the Company pursuant to certain agreements between the Company and the Subordinate Lender, and they further acknowledge that the Members shall have no rights of any nature whatsoever as would restrict, limit or might otherwise affect the right of the Subordinate Lender to effectuate its rights under the aforesaid agreements. Without limiting the provisions of clause (iii) of the second paragraph of Section 12.11, each Member agrees to execute such documents as may be reasonably requested to enable the Subordinate Lender to consummate the exercise by it of the aforesaid right and option. No other provisions of this Article 10 are applicable to, or shall limit or otherwise affect, the Subordinate Lender's rights and option under the aforesaid agreements to become a Member in the Company.

Section 10.7 Right of First Offer.

Prior to the solicitation of third party offers or the written acceptance of an unsolicited third party offer for sale of the Property by the Company in a transaction that would be a taxable disposition under the Code, the Manager shall first notify the Akridge Representative in writing, of the price (the "Specified Selling Price") for the Property, provided that the provisions of Section 10.7 need not be complied with if at the time they would otherwise be applicable TTF and/or Beacon are exercising their rights under Section 8.3 against Members whose aggregate Percentage Interests are more than 33 $^1/_3$% of the aggregate Percentage Interests of all of the Original Partners or if at such time there has been failure to make any payments required to be made to the Company pursuant to the Indemnity Agreement after notice thereof from the Company and there has been a lapse of thirty (30) days since such notice was given. The Original Partners (among themselves in whatever proportions as they may determine) shall then have the right to purchase the Property at the Specified Selling Price set forth in the Manager's notice or to purchase the Interests of TTF and all of (but not less than all of) the other Beacon Members in the Company (the "Beacon Interests"), such right to be exercised, if exercised at all, by written notice from the Akridge Representative to the Manager given within thirty (30) days (the "Election Period") after the notice from the Manager given pursuant to above. Any such notice shall also include an election as to whether the purchase is of the Property or of the Beacon Interests. If no such designation is made, it shall be deemed that the Original Partners have elected to purchase the Beacon Interests. If the Original Partners exercise their rights under this paragraph, then the notice of such election shall be accompanied by, and shall be valid only if accompanied by, a non-refundable $2,000,000 cash deposit paid to an escrow agent designated by the Manager; such deposit shall be held by the escrow agent in an interest bearing account. If notice is not timely given or is not accompanied by the requisite deposit, the Original Partners shall be deemed to have elected not to purchase the Property. If the Original Partners purchase the Property or the Beacon Interests, as the case may be, the $2,000,000 shall be a credit against the purchase price.

During the Election Period, the Manager shall make the books and records of the Company available to the Original Partners and shall allow access to the Property during normal business hours for customary inspections by prospective purchasers of real property, subject, however, to delivery of confidentiality agreements and indemnities as to access comparable to those contained in the Master Transaction Agreement.

Any purchase of the Property or the Beacon Interests by the Original Partners under this Section 10.7 shall be consummated within sixty (60) days after the notice from the Original Partners of their election to purchase the Property or the Beacon Interests, as the case may be, shall be for all cash and shall require the repayment of all mortgage loans on the Property, including, without limitation, the Subordinate Loan, provided, however, if any third party loan is assumable or, as the case may be, is not callable or it is not a default thereunder as a result of the consummation of the purchase of the Beacon Interests, such loan may be assumed or, as the case may be, remain outstanding if such is not callable or a default or appropriate consent is received, provided that all fees and other costs and expenses for such assumption shall be paid by the purchasing Original Partners, and TTF, any other Beacon Member, Beacon and any of their Affiliates which have provided any guarantees or indemnities in connection with any such loan shall be released therefrom.

In the event the Beacon Interests are to be purchased, the purchase price for the Beacon Interests shall be the amount the Beacon Members owning the Beacon Interests would receive (and as among the Beacon Members, in the amount each such Beacon Member would receive) if the Property were sold for the Specified Selling Price, all indebtedness of the Company were discharged, all other assets of the Company other than cash and cash equivalents were sold for their respective Book Values and the Company then liquidated. If any then existing third party indebtedness of the Company remains outstanding after a purchase of the Beacon Interests, then the principal amount thereof on the Closing of any such purchase shall be deducted in determining the aforesaid purchase price. In determining the amount pursuant to clause (i) of the first sentence of this paragraph, it shall be assumed that no amount would be payable by the Company upon a sale of the Property on account of the D.C. Franchise Tax if none would have been payable upon a sale of the Property by the Company based on the Company liquidating at the time of a sale (and thus the gain being passed out to the Members of the Company, if such is then permissible or required under applicable law), and after deducting one-half of the then applicable real estate transfer tax if none is incurred in the actual transaction or if and to the extent the Beacon Members do not bear such tax.

For purposes of determining the amount due under the Subordinate Loan under the immediately preceding two paragraphs, it shall be deemed that the Property is sold for the Specified Selling Price.

If the Original Partners do not exercise, or are deemed not to have exercised, their right of purchase pursuant to the preceding provisions of this Section 10.7, the Manager shall thereafter be entitled to cause the Company to sell the Property, provided that any such sale is closed within two hundred and seventy (270) days after the expiration of the Election Period at a price which is not less than ninety-two and one-half percent (92.5%) of the Specified Selling Price. In the event the Property is not sold to a third party within the aforesaid two hundred and seventy (270) days period for the minimum price determined pursuant to this paragraph, then if the Manager thereafter desires to sell the Property or thereafter receives an unsolicited offer for the Property, the Manager shall be required to reinstate the aforesaid provisions of this Section 10.7.

In the event the Original Partners elect to purchase the Property or the Beacon Interests but fail to complete the purchase for any reason other than the Manager’s failure to cause the Company to convey the Property or any Beacon Member’s failure to convey its Interest or the failure to give the requisite representations and warranties provided for above, the aforesaid $2,000,000 deposit shall be retained by the Beacon Members as liquidated damages (as payments between Members and not as Company revenue or expenditure) and the Manager shall thereafter be free to cause the Company to sell the Property at any time and for any price and the provisions of this Section 10.7 shall thereafter be null and void and no longer applicable as to any future potential sale of the Property. The remedies under this paragraph shall be the sole and exclusive remedies in the event the Original Partners elect to purchase the Property or to purchase the Beacon Interests but thereafter fail to close.

Any conveyance of the Property by the Company to or as directed by the purchasing Original Partners shall be by standard conveyance documents, “as is”, and without any representations and warranties by the Company or the Beacon Members except that, subject to the proviso below, the Beacon Members shall make real estate representations as to rent roll, leases and operating contracts (but not any other real estate related representations) which the Beacon Members’ parent customarily makes when it sells real estate and due authorization and similar entity representations of the selling Entity, except that all matters occurring or existing prior to the Closing Date under the Master Transaction Agreement shall be excluded from any such representations, provided, however, if at such time the John A. Akridge Company or any Affiliate thereof or any Affiliate of any Original Partner (an “Akridge PM Affiliate”) is the property manager or the subproperty manager, then no real estate representations of any nature shall be made by the Company or the Beacon Members. Any conveyance of the Beacon Interests in the Company if there is a purchase of the Beacon Interests shall be by an Assignment of Member Interest with representations and warranties by the assigning Beacon Member of its authority to so convey and its ownership of the Interest being conveyed free and clear of all liens and other encumbrances other than those under this Agreement, as well as representations and warranties of the Beacon Members comparable to the Entity Representations contained in, and as such term is defined in, the Master Transaction Agreement for the period from the Closing Date until the closing of the purchase of the Beacon Interests. Any representations and warranties so provided shall have survival periods, floors and limits of liability and concepts of “deemed Buyer knowledge” which are the same as those set forth in the Master Transaction Agreement; as to “deemed Buyer knowledge”, the relevant individuals shall be such Persons as are agreed upon as between the Akridge Representative and the Manager, each acting reasonably, provided that in all events such individuals shall include the appropriate on-site manager, if any, or the person having a comparable off-site position, and the relevant senior supervisor of the Akridge PM Affiliate, if any. In all events, all representations and warranties shall exclude any matter in existence prior to the Closing Date under the Master Transaction Agreement and shall exclude all matters which were or are caused by any act or omission of any Original Partner or any Affiliate of any Original Partner Closing costs shall be apportioned as between, and normal prorations shall be made as between, the Company, as if it were a seller of real property, and the purchasing Original Partners in the customary manner for real estate transactions in the District of Columbia.

At the request of the Manager, upon a prospective sale of the Property, at any time from the initiation of the sale process therefor until the consummation of any sale, the Akridge Representative, on its own behalf and on behalf of all the other Original Partners, shall provide an Estoppel Certificate or other similar form of certification as to the compliance and satisfaction of the provisions of this Section 10.7, or if it believes such compliance has not occurred, stating the particulars of any non-compliance. Any such certification by the Akridge Representative shall be binding on all the Original Partners. If no such certification or statement of non-compliance is received within ten (10) Business Days after request therefor, then it shall be unrebuttably presumed that Section 10.7 has been complied with and such unrebuttable presumption shall be binding on all the Members, and any Person claiming by or through any Member.

ARTICLE 11
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 11.1 Dissolution. The Company shall not be dissolved by the admission of a Substitute Member or by the permitted withdrawal or any other matter as to a Member or the admission of a successor Manager in accordance with the terms of this Agreement. The Company shall dissolve, and its affairs shall be wound up, only upon the first to occur of any of the following (each a "Liquidating Event"):

A. an election to dissolve the Company made by the Manager with the unanimous consent of Members;

B. entry of a decree of judicial dissolution of the Company pursuant to the provisions of the LLC Act;

C. the sale of all or substantially all of the assets and properties of the Company, unless in connection therewith, and within 180 days thereof, there has been an exchange for other properties or assets; or

D. the Closing not have occurred for any reason by November 30, 2002. The filing of the Certificate of Merger with the Secretary of State of the State of Delaware on or before November 30, 2002 shall be conclusive evidence that the Closing timely occurred and that this Clause D is no longer a Liquidation Event.

Section 11.2 Winding Up.

A. Upon the occurrence of a Liquidating Event, the Company shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Members. No Member shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Company's business and affairs. The Manager or, in the event there is no remaining Manager, any Person elected by Members holding a majority of the Percentage Interests in the Company (the Manager or such other Person being referred to herein as the "Liquidator"), shall be responsible for overseeing the winding up and dissolution of the Company and shall take full account of the Company's liabilities and property and the Company property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (the "Terminating Capital Transaction Proceeds") shall be applied and distributed in the following order:

(1) First, to the payment and discharge of all of the Company’s debts and liabilities to creditors other than the Members (Affiliates of the Members shall not be considered “Members” for these purposes);

(2) Second, to the payment and discharge of all of the Company’s debts and liabilities to the Members, pro-rata among them; and

(3) Third, but subject to Paragraph D. below, the balance, if any, to the Members in accordance with and in proportion to their positive Capital Account balances, as determined after giving effect to all contributions, distributions and allocations for all periods.

A reasonable time shall be allowed for the orderly winding-up of the business and affairs of the Company and the liquidation of its assets pursuant to the other provisions of this Section 11.2 in order to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect between the Members during the period of liquidation.

B. Notwithstanding the provisions of Section 11.2.A hereof which require liquidation of the assets of the Company, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Company the Liquidator determines that an immediate sale of part or all of the Company’s assets would be impractical or would cause undue loss to the Members, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Company (including to those Members and their Affiliates as creditors) and/or distribute to the Members, in lieu of cash, as tenants in common and in accordance with the provisions of Section 11.2.A hereof, undivided interests in such Company assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Members, and shall be subject to such conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

C. In the event the Company is “liquidated” within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to this Article 11 to the Members and assignees that have positive Capital Accounts in compliance with Treasury Regulations Section 1.704-1(b)(2)(ii)(b)(2) to the extent of, and in proportion to, their positive Capital Account balances. If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), such Member shall have no obligation to make any contribution to the capital of the Company with respect to such deficit, and such deficit shall not be considered a debt owed to the Company or to any other Person for any purpose whatsoever, provided that such withheld, or escrowed amount shall be distributed to the Members in the manner and order of priority set forth in Section 11.2.A. hereof as soon as practicable.

D. In the discretion of the Liquidator, a pro rata portion of the distributions that would otherwise be made to the Members pursuant to clause (3) of Section 11.2.A. may be:

(1) distributed to a trust established for the benefit of the Manager and Members for the purposes of liquidating Company assets, collecting amounts owed to the Company, and paying any contingent or unforeseen liabilities or obligations of the Company arising out of or in connection with the Company. The assets of any such trust shall be distributed to the Members from time to time, in the reasonable discretion of the Liquidator, in the same proportions as the amount distributed to such trust by the Company would otherwise have been distributed to the Members pursuant to this Agreement; and/or

(2) withheld or escrowed to provide a reasonable reserve for Company liabilities (contingent or otherwise) or to reflect the unrealized portion of any installment obligations owed to the Company, provided that such withheld or escrowed amounts shall be distributed to the Members by the Liquidator in the manner and order of priority set forth in Section 11.2.A as soon as practicable, as determined by the Liquidator in its reasonable judgment.

Section 11.3 Notice of Dissolution. In the event a Liquidating Event occurs or an event occurs that would, but for the provisions of an election or objection by one or more Members pursuant to Section 11.1, result in a dissolution of the Company, the Manager shall, within thirty (30) days thereafter, provide written notice thereof to each of the Members.

Section 11.4 Termination of Company and Cancellation of Certificate of the Company. Upon the completion of the liquidation of the Company's assets, as provided in Section 11.2 hereof, the Company shall be terminated, a certificate of cancellation shall be filed, and all qualifications of the Company as a foreign limited liability company in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Company shall be taken.

Section 11.5 Deemed Distribution and Recontribution. Notwithstanding any other provision of this Article 11, in the event that the Company is liquidated within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g), but no Liquidating Event has occurred, the Company's property shall not be liquidated, the Company's liabilities shall not be paid or discharged and the Company's affairs shall not be wound up.

Section 11.6 Liability of Liquidator. The Liquidator shall be indemnified and held harmless by the Company from and against any and all claims, liabilities, costs, damages, and causes of action of any nature whatsoever arising out of or incidental to the Liquidator's taking of any action authorized under or within the scope of this Agreement; provided, however, that the Liquidator shall not be entitled to indemnification, and shall not be held harmless, where the claim, demand, liability, cost, damage or cause of action at issue arises out of (i) a matter entirely unrelated to the Liquidator's action or conduct pursuant to the provisions of this Agreement or (ii) the willful malfeasance, bad faith, dishonesty or fraud of the Liquidator.

Notices may also be delivered by hand, in which case they shall be deemed to have been given (and to be effective) on the date of delivery.

C. By giving to the other parties at least ten (10) Business Days' prior written notice thereof, the parties hereto shall have the right from time to time and at any time during the term of this Agreement to change their respective addressees effective upon actual receipt (or tender otherwise valid and effective hereunder) by the other parties of such notice and each shall have the right to specify as its address any other address within the United States of America. A change in address of a Member shall not require an amendment of Exhibit A, and the official address of any Member shall be as shown on the books and records of the Company.

D. In computing any period of time under this Agreement, the day of the act, event or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is not a Business Day, in which event the period shall run until the next Business Day.

Section 12.2 Titles and Captions. All article or section titles or captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof. Except as specifically provided otherwise, references to "Articles" and "Sections" are to Articles and Sections of this Agreement.

Section 12.3 Pronouns and Plurals; Word Meanings. Whenever the context may require, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The words such as "herein", "hereinafter", "hereof", and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. References to a paragraph shall only be to the grammatical paragraph referred to unless there is a specific paragraph and/or Section designated. The use in this Agreement of the word "including", when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not nonlimiting language (such as "without limitation", or "but not limited to", or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter.

Section 12.4 Waiver of Partition and Certain Other Rights. Except as set forth in Article 8, no Member shall have the right to terminate this Agreement or dissolve the Company by its express will or by withdrawal without the consent of all the other Members. In addition, each Member agrees that irreparable damage would be done to the Company if any Member brought an action in court to dissolve the Company or partition or apportion the assets of the Company. Accordingly, each Member agrees that it shall not, either directly or indirectly, take any action to require dissolution, partition or appraisement of the Company or of any of the assets of the Company or attempt to withdraw from the Company, and notwithstanding any provisions of this Agreement to the contrary, each Member accepts the provisions of the Agreement as its sole entitlement as to withdrawal by a Member and as to the termination, dissolution and/or liquidation of the Company, and hereby irrevocably waives any and all right to withdraw from the Company or to maintain any action for dissolution or partition or to compel any sale or other liquidation with respect to its interest, in or with respect to, the Company or any properties of the Company; and each Member agrees that it will not petition a court for the dissolution, termination or liquidation of the Company.

Section 12.5 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 12.6 No Third Party Rights. The provisions of this Agreement are for the benefit of the Company and the Members and the Manager, and no other Person, including creditors of the Company or any other Person, shall have any right or claim against the Company, the Manager or any Member by reason of this Agreement or any provision hereof or be entitled to enforce any provision of this Agreement. Moreover, notwithstanding anything contained in this Agreement, including specifically, but without limitation, Article 2, no such creditor or other Person shall obtain any rights under this Agreement or shall, by reason of this Agreement, make any claim in respect of any debt, liability or obligation (or otherwise) against the Company, the Manager or any Member.

Section 12.7 Waivers. The failure of any Member to at any time enforce any of the provisions of this Agreement, or any agreement or instrument delivered herewith, or to give any notice of default thereunder, shall not be deemed or construed to be a waiver of any such provision, nor to in any way affect the validity of this Agreement, or any agreement or instrument delivered herewith, or any provision hereof or the right of either of the Members to thereafter enforce each and every provision of this Agreement, and each agreement and instrument delivered herewith. No waiver of any breach of any of the provisions of this Agreement, or any agreement or instrument delivered herewith, shall be effective unless set forth in a written instrument executed by the Member against which enforcement of such waiver is sought; and no waiver of any such breach shall be construed or deemed to be a waiver of any other or subsequent breach.

Section 12.8 Counterparts. This Agreement may be executed in counterparts, all of which together shall constitute one agreement binding on all of the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party hereto shall become bound by this Agreement immediately upon affixing its signature hereto.

Section 12.9 Applicable Law. This Agreement shall be construed and enforced in accordance with and governed by the laws of the State of Delaware, without regard to the principles of conflicts of law. The Members hereby submit to personal jurisdiction in the State of Delaware for the enforcement of the provisions of this Agreement and waive any and all rights to object to such jurisdiction for purposes of litigation to enforce or interpret, or as to a dispute under or as to, this Agreement. The Members hereby consent to the jurisdiction of the United States District Court in for Delaware and to the Delaware Chancery Court in any action, suit, or proceeding with either or at any time wish to file in connection with this Agreement or any related matter. The Members hereby agree that any action, suit or proceeding to enforce this Agreement shall be brought in the first instance in either the federal court located in Delaware or in the Delaware Chancery Court, and hereby waive any objection which either may have to the laying of the venue of any such action, suit or proceeding in any such court; provided, however, that the provision of this paragraph shall not be deemed to preclude any party from filing any such action, suit or proceeding in any other appropriate forum if, but only if the courts above decline jurisdiction.

Section 12.10 Invalidity of Provisions. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby, except as provided in Section 1.1.A.

Section 12.11 Entire Agreement; Amendments. This Agreement, together with any agreements and instruments delivered herewith, contains all of the understandings and agreements of whatsoever kind and nature existing between the parties hereto with respect to the matters dealt with in this Agreement and the rights, interests, understandings, agreements and obligations of the respective parties pertaining to the Company. Any and all other prior agreements between the parties with respect to such subject matter are hereby superseded. Notwithstanding anything in this Section 12.11 to the contrary, the parties hereby agree to cooperate reasonably and in good faith to amend this Agreement to the extent necessary and appropriate to allow the Company to qualify as a so-called "special purpose bankruptcy remote entity" in connection with any financing or refinancing of Property; provided, however, that no such amendment shall adversely affect the economic rights, or increase the obligations, of any Member.

No amendment of this Agreement shall be valid as against any party hereto unless such amendment has been executed by such Member, provided, however, that (i) any amendment to this Agreement and/or the Certificate to evidence a Transfer permitted pursuant to Section 10.2.B shall be valid as against all the Members if executed by the Manager and the transferee, (ii) any amendment to this Agreement to evidence any other Transfer permitted by Article 10 shall be valid if executed by the transferor and the transferee Members and by the Manager, and (iii) any amendment to this Agreement to allow the admission of the holder of the Subordinate Loan, such holder's designee, to the Company as a Member in accordance with, and with such interest in the Company as determined under, the Option Agreement between the Company and such holder shall be valid as against all Members if executed by the Manager and such holder or its designee.

Section 12.12 Additional Documents and Acts. In connection with this Agreement as well as all transactions contemplated by this Agreement, each Member agrees to from time to time, at the Manager's request, execute and deliver such additional documents and instruments, and perform such additional acts, as the Manager may deem to be reasonably necessary or desirable to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement and all such transactions.

Section 12.13 Prevailing Party; Attorney's Fees. A. In the event of the commencement of any judicial or other proceedings between the Manager and any of the Members or between or among any of the Members or any derivative action commenced by any Member as to the Company and/or this Agreement or the interpretation of any provision of this Agreement or as to any of the relationships, rights, duties, obligations and other matters covered by this Agreement, the prevailing party in any such proceeding shall be entitled to full and complete recovery of all legal and other fees, costs and expenses incurred by such prevailing party in and as a result of any such proceedings, and in the case of a derivative suit in which the Company is not the prevailing party, then the Member instituting such suit shall be liable as the non-prevailing party. For the purposes hereof, a party shall be the prevailing party if it obtains a judgment or other order such that it has prevailed on a substantially greater amount (as measured by claimed damages, not by the number of claims) of the material claims or denials as to the material issues in dispute compared to those as to which the other party has prevailed.

B. In addition to any other remedies available at law or in equity, any distributions under Article 5 to which a Member would otherwise be entitled to shall be first charged for any liability of such Member for any breach of any Specified Liability Provision or for any liability under this Section 12.13.

Section 12.14 Legal Counsel.

A. The Manager may select legal counsel ("Approved Member's Counsel") for a Member or any of its Affiliates (including, without limitation, counsel who represented a Member in connection with the negotiation of this Agreement) to represent the Company in connection with legal work or issues arising as part of the business of the Company (a "Matter").

B. Each Member recognizes and acknowledges that such Approved Member's Counsel will be acting as legal counsel for the Company with respect to each Matter and shall not be acting as the legal counsel of any individual Member. Each Member further recognizes and accepts that its interest with respect to any matter may be adverse to the interests of the other Members and the Company. Each Member nevertheless consents to the representation of the Company by such Approved Member's Counsel with respect to each Matter and waives for the benefit of each other Member and of such Counsel any potential or actual conflict of interest between or among such Members and between such Members and the Company.

C. Each Member understands that, in the course of the representation by such Approved Member's Counsel of the Company, such counsel may obtain access to confidential information of or concerning a Member or all Members and its or their business activities. Such Member's counsel will be instructed to take all reasonable steps to ensure that any confidential information concerning any Member shall remain strictly confidential except as to communications regarding a Matter as are necessary or appropriate to represent that Company or as required by applicable law.

D. Each Member acknowledges that in the event of any future dispute or litigation between or among the Members and/or between any of the Members and the Company, the Approved Member's Counsel may continue to represent its Member client, notwithstanding any such dispute and its prior representation of the Company.

Section 12.15 Power Of Attorney. Each Member hereby irrevocably constitutes and appoints the Manager as its true and lawful attorney-in-fact, in its name, place and stead with full power of substitution, to consent to, make, execute, sign, acknowledge, swear to, record and file, on behalf of such Member and/or on behalf of the Company, the following:

(a) any certificate of foreign limited liability company, any certificate of doing business under an assumed name, and any other certificates or instruments which may be required to be filed by the Company or such Member under the laws of the State of Delaware or any other jurisdiction the laws of which may be applicable;

(b) a certificate of cancellation of the Certificate of Formation of the Company upon a dissolution and termination of the Company in accordance with this Agreement and such other instruments or documents as may be deemed necessary or desirable by said attorneys upon the termination of the Company;

(c) any and all amendments or restatements of the documents described in subsections (a) and (b) above, provided such amendments are either required by law, or are necessary to correct statements herein or therein, or are consistent with this Agreement (including without limitation any amendments referred to in Sections 4.1 and 4.2); and

(d) any and all such other documents as may be deemed necessary or desirable by said attorney to carry out fully the provisions of this Agreement and as are consistent with the terms hereof.

The foregoing grant of authority: (i) is a special power of attorney coupled with an interest, is irrevocable and shall survive the death or incapacity of each Member and (ii) shall survive the delivery of an assignment by a Member of the whole or any portion of its Interest in the Company.

Section 12.16 Members' Limited Liability.

Except with respect to a Member's liabilities and obligations under Article 8, the liability of any Member under this Agreement shall be limited to the Interest of such Member in the Company, and neither the Company nor the other Member shall seek to enforce any judgment or other remedy against any other asset of any other Member. No Member nor the Manager, nor any other investment or asset of any Member or of the Manager, or any partner of, or other participant in or beneficiary of any Member or of the Manager, nor any trustee, beneficiary, employee, partner, member, stockholder, officer, director of a Member or of the Manager or any such other Person, whether disclosed or undisclosed, shall have any personal liability with respect to the liabilities and obligations of any such Member or of the Manager under this Agreement, and each Member hereby agrees that, except with respect to any liabilities or obligations under Article 8 of this Agreement, such Member will not seek to obtain any deficiency or any other money judgment against any Person hereinabove named or referred to as being exculpated from personal liability or from any other Person.

Section 12.17 Survival of Certain Provisions. The Members acknowledge and agree that this Agreement contains certain terms and conditions which are intended to survive the dissolution and termination of the Company, including, but without limitation, the provisions of Sections 3.6, 3.7, 12.13, 12.14, 12.15 and 12.16, and Article 8; provided that the provisions of this sentence shall not be interpreted to mean that assets of the Company, after distribution to a Member or Members, continue to be assets of the Company for purposes of Section 3.6 or any other provision of this Agreement. The Members agree that the provisions of this Agreement which by their terms require, given their context, that they survive the dissolution and termination of the Company so as to effectuate the intended purposes and agreements of the Members shall survive notwithstanding that such provisions had not been specifically identified as surviving and notwithstanding the dissolution and termination of the Company or the execution of any document terminating this Agreement, unless such termination document specifically provides for nonsurvival by reference to this Section 12.17 and to specific nonsurviving provisions.

If the Book Value of an asset has been determined or adjusted pursuant to the preceding clauses (i), (ii) or (iii), such Book Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Profits and Losses, and the amount of the adjustment shall thereafter be taken into account as gain or loss from the distribution of such asset for purposes of computing Profits or Losses.

LESSOR /s/ Illegible GOV'T /s/ Illegible **EXCEPTION TO SF2 APPROVED GSA/IRMS 12D89**

6A. The Lessor shall furnish to the Government as part of the rental consideration, the following:

i. All services, utilities, alterations, repairs and maintenance, as well as any other rights and privileges, stipulated by this Lease and its Attachments to be a component of the rental consideration. With respect to any special equipment installed by or at the direction of the Government, including, but not limited to, dedicated/self-contained HVAC equipment, special storage systems, telecommunications equipment, emergency power systems and above SFO standard lighting, the Lessor shall submit a request for equitable adjustment for the costs to maintain, repair and replace, as well as for the cost for the utilities to operate, such special equipment. Such costs shall be added to the annual rent and operating expense base at such time and in the amount determined to be appropriate in accordance with the procedures set forth in paragraphs 32 and 33 of the General Clauses (GSA Form 3517) attached to and made a part of this Lease.

ii. A Tenant Improvement Allowance in the amount of $38.30 per USF. Such Allowance shall be made available within 45 days of lease award, but shall be held by the Lessor until directed by the Government on how the disbursement of funds shall occur. The Government shall have the sole discretion to direct disbursement of the Tenant Improvement Allowance funds in accordance with SFO Paragraph 1.10 "Tenant Improvements, and/or in SFO Paragraph 1.11 "Tenant Improvement Rental Adjustment." This Tenant Improvement Allowance is included in the rent, and has been amortized at a rate of 8% over the ten-year firm Lease Term. If a rental adjustment is selected, consistent with SFO Paragraph 1.11, the rent shall be adjusted downward using the 8% amortization rate on the unused portion of the Tenant Improvement Allowance. A mutually agreed upon Supplemental Lease Agreement (SLA) will be executed upon the Government's acceptance of the space. The SLA shall finalize the rent using the final Tenant Improvement costs as approved by the Government in accordance with the requirements of this Lease. The actual cost of the Tenant Improvements will be determined by the competition and cost proposal process as set forth in SFO Paragraph 3.17 "Delivery Schedule of Tenant Improvements", wish the understanding that bidding shall take place at the trade/subcontractor level. Therefore, the total fees in connection with the build-out of the leased space and for change orders in connection with the buildout of the leased space shall be equal to a total cumulative percentage of the cost of the tenant improvement work of 12.476%. Regulatory fees and permit costs shall be treated as a cost of the tenant improvement work. All of these fees will be paid for along with the cost of the design and construction of the tenant improvements out of the Tenant Improvement Allowance included in the rent, unless such costs exceed the Tenant Improvements Allowance of $38.30 per USF, in which case the excess will be paid lump sum by the Government.

6C. The Lessor shall be responsible for paying all brokerage commissions due in connection with the consummation of this Lease. A commission in the total amount of three percent (3%) of the gross aggregate value of the rental payments due pursuant to Paragraph 3 above under this Lease such commission amount being $2,618,496.00) shall be paid by the Lessor to Spaulding and Slye LLC ("S&S") who has acted as the Government's broker in connection with this transaction. The foregoing commission amount shall be paid 50% upon full and complete execution of the Lease and 50% upon full acceptance, occupancy and rent commencement under the Lease.

The reduction shall be effective 30 days after notice is provided to the Lessor. The adjustment will end if the contiguous vacant space is reduced below one half (^{1}/2) of one floor.

6H. Pursuant to Paragraph 3.1 "Unit Costs for Adjustments" the agreed upon unit costs are the following: (Note: Unit costs exclude architectural/engineering fees that may be necessary to complete work, which fees shall be the responsibility of the Government.)

6K. Pursuant to Paragraph 7.3 "Overtime Usage", the rate for overtime HVAC service to the premises governed by this Lease shall be $30.00 per hour per floor during the first year of the Lease term. Such rate shall escalate each year during the lease term by the year-to-year percentage change in the CPI in the same manner as increases in operating expenses in accordance with SFO Paragraph 3.5 "Operating Costs." Notwithstanding the hours of HVAC service, the Government shall have the right to occupy and use the leased premises at any time on any day throughout the lease term. Such use/occupancy may include, but shall not be limited to, full access to the premises and appurtenant areas as well as the use of business machinery within the premises.

6L. The Lessor shall include in the parking operator's agreement the obligation to make available to the Government's employees on a first come first serve basis, the continuous right throughout the Lease term upon 30 days prior written notice to lease up to 156 parking permits on a month-to-month basis in the building's parking garage. Payment for such parking spaces shall be made by the Government or its employees separately from this Lease. The Lessor agrees to work with the Government to establish reasonable security procedures for the operation of the garage recognizing that such garage is available for the use of other tenants in the building and for public parking at all times. D. There will be no public opening of offers, and all offers will be confidential until the lease has been awarded. However, the Government may release proposals outside the Government to a Government-support contractor to assist in the evaluation of offers. Such Government contractors shall be required to protect the data from unauthorized disclosure. The Offeror who desires to maximize protection of information in the offer may apply the restriction notice to the offer as described in GSA Form 3516, Solicitation Provision, 552.270-1 (d), *Restriction on Disclosure and Use of Data*.

E. IMPORTANT CLARIFICATIONS TO OFFER REQUIREMENTS:

1. Rate structure required from subparagraph B shall include the following:

a. A lease rate per ANSI/BOMA Office Area square foot for the building shell rental, fully serviced. It is the intent of the Government to lease a building shell with a Tenant Improvement Allowance. All improvements in the base building, lobbies, common areas, and core areas shall be provided by the Lessor, at the Lessor's expense. This rate shall include, but not limited to, property financing (exclusive of Tenant Improvement), insurance, taxes, management, profit, etc., for the building. The building shell rental rate shall also include all basic building systems and common area buildout, including base building lobbies, common areas, and core areas, etc., exclusive of the ANSI/BOMA Office Area space offered as required in this SFO.

b. The annual cost per ANSI/BOMA Office Area Square foot for the cost of services and utilities. This equals line 27 of GSA Form 1217, Lessor's Annual Cost Statement, divided by the space offered (shown on the top of both GSA Form 1364, Proposal to Lease Space, and Form 1217).

c. An annualized percentage interest rate to be used by the Lessor to amortize the cost of the Tenant Improvement Allowance over the firm term of the lease.

d. The annual amortized cost of the Tenant Improvement Allowance. Such amortization shall be expressed as a cost per ANSI/BOMA Office Area square foot per year. Tenant Improvements shall be all alterations for the Government-demised area above the building shell buildout. The Tenant Improvement Allowance shall be up to $40.00 per ANSI/BOMA Office Area square foot. Such alterations shall be described and identified in the drawings used to construct the Government-demised area. The Tenant Improvement Allowance shall be made available to the Government upon lease award.

e. A fully-serviced lease rate per ANSI/BOMA Office Area square foot as a summation of the amounts broken out in the subparagraphs a, b, and d above for the lease.

f. The Lessor shall submit to the Government a proposal for architectural-engineering fees for all tenant alterations. This will be negotiated and agreed upon prior to the award for the subject improvements.

1.9 BUILDING SHELL REQUIREMENTS (SEP 2000)

A. The Lessor's buildout obligations in providing a building shell (at the Lessor's expense) are the following:

1. Base structure and building enclosure components shall be complete. 12. *Telephone Rooms.* Building telecommunication rooms on each floor shall be completed, operational, and ready for Tenant Improvements. The telephone closets shall be outfitted with sufficient electrical power for Government equipment and have telephone backboards on all walls. Sufficient sized rooms shall be provided for the size of the floor plate.

13. All of the above improvements are described in more detail hereinafter in this SFO.

14. Any alterations necessary for the building shell to meet the SFO requirements shall be included in the building shell rate.

15. All architectural and engineering costs associated with the building shell requirements shall be included in the building shell rate.

1.10 TENANT IMPROVEMENTS (SEP 2000)

A. The Government, at its sole discretion, shall make all decisions as to the usage of the Tenant Improvement Allowance. All Tenant Improvements required by the Government for occupancy shall be performed by the Lessor and all improvements shall meet the quality standards and requirements of this SFO and GSA Form 3517, General Clauses.

B. The Tenant Improvement Allowance shall be used to pay for general contractor fees, subcontractor's profit and overhead costs, Offeror's profit and overhead, design fees, and other associated project fees necessary for construction of the Tenant Improvements. It is the successful Offeror's responsibility to prepare all documentation (working drawings, etc.) required to receive construction permits. **NO COSTS ASSOCIATED WITH THE BUILDING SHELL SHALL BE INCLUDED IN THE TENANT IMPROVEMENT PRICING**.

1.11 TENANT IMPROVEMENT RENTAL ADJUSTMENT (SEP 2000)

A. All Tenant Improvements shall be identified after award of the contract in accordance with the provisions established in the "Design Intent Drawings" subparagraph in the "Construction Schedule of Tenant Improvements" paragraph in the MISCELLANEOUS section of this SFO.

1. The Government, at its sole discretion, shall make all decisions as to the usage of the Tenant Improvement Allowance. The Government may use all or part of the Tenant Improvement Allowance. The Government may return to the Lessor any unused portion of the Tenant Improvement Allowance in exchange for free rent or a decrease in rent according to the amortization rate over the firm term. The method of refund shall be at the Government's discretion.

2. The Government reserves the right to make cash payments for any or all work performed by the Lessor. Prior to occupancy, the Government, at its sole discretion, may choose to pay lump sum for any or all of the Tenant Improvement Allowance. If, prior to occupancy, the Government elects to make a lump sum payment for any portion of the Tenant Improvement Allowance, the payment of the Tenant Improvement Allowance by the Government will result in a decrease in the rent. At any time after occupancy, the Government, at its sole discretion, may choose to pay lump sum for any part or all of the remaining unpaid amortized balance of the Tenant Improvement Allowance. If the Government elects to make a lump sum payment for the Tenant Improvement Allowance after occupancy, the payment of the Tenant Improvement Allowance by the Government will result in a decrease in the rent according to the amortization rate over the firm term of the lease.

3. If it is anticipated that the Government will spend more than the allowance identified above, the Government reserves the right to 1) reduce the Tenant Improvement requirements, 2) pay lump sum for the overage upon completion and acceptance of the improvements, or 3) increase the rent according to the negotiated amortization rate over the firm term of the lease provided it stays within the prospectus limitation.

4. Payment will not be made by the Government in instances where the Government accepts fixtures and/or other Tenant Improvements already in place. However, the Lessor will be reimbursed for costs to repair or improve the fixture(s) and/or any other improvements already in place.

1.12 PLANS WITH OFFER (SEP 2000)

All plans submitted for consideration shall have been generated by a Computer Aided Design (CAD) program which is compatible with the latest release of AutoCAD. The required file extension is DWG. Clean and purged files shall be submitted on 3-1/2-inch double-sided, high density diskettes, or, if approved by the Contracting Officer on CD-ROM or OIC (1/4 inch cartridge) tape. All submissions shall be accompanied with a written matrix indicating the layering standard to ensure that all information is recoverable. Plans shall include a proposed corridor pattern for typical floors and/or partial floors. All architectural features of the space shall be accurately shown.

1.13 NEGOTIATIONS (SEP 2000) INTENTIONALLY DELETED

A. Any negotiations will be conducted on behalf of the Government by the Contracting Officer (or the Contracting Officer's designated representative). The Contracting officer is named on the cover of this SFO. GSA may negotiate rental price for the initial term and any other aspect of the offer as deemed necessary.

B. The Offeror shall not enter into negotiations concerning the space leased or to be leased with representatives of federal agencies other than the Contracting Officer or designee.

C. The Contracting Officer may conduct oral or written negotiations with all Offerors that are within the competitive range. If needed, the competitive range will be established by the Contracting Officer on the basis of cost or price and other factors (if any) that are stated in the SFO and will include all of the most highly used proposals, unless the range is further reduced for purposes of efficiency

D. The Government reserves the right to make an award based on initial offers without negotiations. If the Government elects not to make an award as such, all Offerors will be provided a reasonable opportunity to submit any cost or price, technical or other revisions to their offer that may result from the negotiations. Negotiations will be closed with submission of final proposal revisions ("Best and Final" offers).

1.14. SEE PARAGRAPH 6C OF THE SF-2

1.15 PRICE EVALUATION(PRESENT VALUE) (SEP2000)

A. If annual CPI adjustments in operating expenses are included, the Offeror shall be required to submit the offer with the total "gross" annual price per ANSI/BOMA Office Area square foot and a breakout of the "base" price per ANSI/BOMA Office Area square foot for services and utilities (operating expenses) to be provided by the Lessor. The "gross" price shall include the "base" price.

B. The Offeror shall be required to submit plans and any other information to demonstrate that the rentable space yields ANSI/BOMA Office Area space within the required ANSI/BOMA Office Area range. The Government will verify the amount of ANSI/BOMA Office Area square footage and will convert the rentable prices offered to ANSI/BOMA Office Area prices, which will subsequently be used in the price evaluation.

C. If the offer includes annual adjustments in operating expenses, the base price per ANSI/BOMA Office Area square foot from which adjustments are made will be the base price for the term of the lease.

INITIALS: /s/ Illegible & /s/ Illegible

LESSOR GOV'T

D. Evaluation of offered prices will be on the basis of the annual price per ANSI/BOMA Office Area square foot. The Government will perform present value price evaluation by reducing the prices per ANSI/BOMA Office Area square foot to a composite annual ANSI/BOMA Office Area square foot price, as follows:

1. Parking and wareyard areas will be excluded from the total ANSI/BOMA Office square footage but not from the price. For different types of space, the gross annual ANSI/BOMA Office Area per square foot price will be determined by dividing the total annual rental by the total ANSI/BOMA Office Area square footage excluding parking and wareyard areas.

2. If annual adjustments in operating expenses will not be made, the gross annual per square foot price will be discounted annually at 5.4 percent to yield a gross present value cost (PVC) per square foot.

3. If annual adjustments in operating expenses will be made, the annual per square foot price, minus the base cost of operating expenses, will be discounted annually at 5.4 percent to yield a net PVC per square foot. The operating expenses will be both escalated at 2.2 percent compounded annually and discounted annually at 5.4 percent, then added to the net PVC to yield the gross PVC.

4. To the gross PVC will be added:

   a. The cost of Government-provided services or other Government incurred expenses not included in the rental escalated at 2.2 percent compounded annually and discounted annually at 5.4 percent.

   b. The annualized (over the full term) per ANSI/BOMA Office Area square foot cost of any items, which are to be reimbursed in a lump sum payment. (The cost of these items is present value; therefore, it will not be discounted.)

   c. The estimated Government-incurred costs for any relocation to new space, including telecommunications and information technology related expenses per usable square foot. (The cost of these items is present value; therefore, it will not be discounted.)

   d. The total cost of markups using the General Contractor's general conditions and GC's and Lessor's overhead and profit and fees numbers against the Tenant Improvement Allowance of up to $40.00 per ANSI/BOMA Office Area square foot projected budget and the cost of the architectural and engineering fees.

5. The sum of either (2) and (4) or (3) and (4) above, less the per ANSI/BOMA Office Area square foot amount of the proposed cooperating brokerage commission, will be the per ANSI/BOMA Office Area square foot present value cost of the offer for price evaluation purposes.

6. After initial offer evaluations are completed, the Government will establish a competitive range of the offers. Offerors will be notified if they are not within the competitive range, and offerors will be encouraged to either modify their offer so as to be within the competitive range or to withdraw from the competition.

1.16 HISTORIC PREFERENCE, GSAR 552.270-2 (VARIATION) (SEP 1999)

Preference will be given to Offerors of space in buildings in, or formally listed as eligible for inclusion in, the National Register of Historic Places, and to historically-significant buildings in historic districts listed in the National Register. Such preference will be extended to historic buildings and will result in award if:

1. The offer for space meets the terms and conditions of this SFO as well as any other offer received (it is within the discretion of the Contracting Officer to accept alternative to certain architectural characteristics and safety features defined elsewhere in this SFO to maintain the historical integrity of the building, such as high ceilings, wooden floors, etc.) and

2. The rental is no more than 10 percent higher, on a total annual square foot (ANSI/BOMA Office Area) cost to the Government, than the lowest otherwise acceptable offer.

1.17 AWARD (JAN 1997)

A. After conclusion of negotiations, the Contracting Officer will require the Offeror selected for award to execute the proposed lease prepared by GSA, which reflects the proposed agreement of the parties. The apparent successful offer will be reviewed to ensure that it qualifies as an operating lease pursuant to the Office of Management and Budget Circular A-11.

B. The proposed lease shall consist of:

1. Standard Form 2 (or GSA Form 3626) U.S. Government Lease for Real Property,

2. required clauses,

3. required certifications and representations,

4. the pertinent provisions of the offer, including floor plans of the Government leased area on sized to 8 ½" x 11" paper, and

5. the pertinent provisions of the SFO.

C. The acceptance of the offer and award of the lease by the Government occurs upon notification of unconditional acceptance of the offer or execution of the lease by the Contracting Officer and mailing or otherwise furnishing written notification or the executed lease to the successful Offeror.

1.18 LABOR STANDARDS (SEP 2000)

A. If an Offeror proposes to satisfy the requirements of this SFO through the construction of new building or the complete rehabilitation or reconstruction of an existing building, and the Government will be the sole or predominant tenant such that any other use of the building will be functionally or quantitatively incidental to the Government's use and occupancy, the following Federal Acquisition Regulation (FAR) clauses shall apply to work performed in preparation for occupancy and use of the building by the Government. 2.0 AWARD FACTORS

2.1 ACCESSIBILITY AND SEISMIC SAFETY (SEP 2000)

A. All offers received in response to this SFO will be evaluated to determine whether the offers fully meet National Institute of Standards and Technology (NIST) NISTIR 5382, Interagency Committee on Seismic Safety in Construction (ICSSC) RP 4, *Standards of Seismic Safety for Existing Federally Owned or Leased Buildings,* as modified below, and the accessibility requirements for new construction of the Americans With Disabilities Act Accessibility Guidelines (ADAAG) (Code of Federal Regulations 36 CFR Part 1191, App. A) and the Uniform Federal Accessibility Standards (UFAS) (Federal Register vol.49, No. 153, August 7, 1984, reissued as FED. STD. 795, dated April 1, 1988, and amended by Federal Property Management Regulations CFR 41, Subpart 101-19.6, Appendix A, 54 FR 12628, March 28,1989). Where standards conflict, the more stringent shall apply. If any offers are received which fully meet accessibility and seismic safety requirements, then other offers, which do not fully meet these requirements, will not be considered.

B. The following UFAS provisions are clearly more stringent than the ADAAG:

1. *Work Areas.* The UFAS requires that alt areas be accessible where there may be employment of persons with disabilities. The ADAAG requires only that people with disabilities be able to approach, enter, and exit a work area. [UFAS 4.1.4; ADAAG 4.1.1(3)]

2. *Work Surface Scoping.* The UFAS requires that 5 percent of all fixed or built-in employee work surfaces be accessible. The ADAAG does not require work surfaces in work areas to be accessible. Both the UFAS and the ADAAG require that 5 percent of fixed tables in public or common use areas be accessible. [UFAS 4.1.2(17) and 4.32; ADAAG 4.1.1(3) and 4.1.3(18)]

3. *No Elevator Exception.* The UFAS has no exception to the elevator requirement in all multi-story buildings and facilities. The ADAAG provides an exception to the elevator requirement in certain buildings that are under three stories or have less than 3,000 square feet per story. [UFAS 4.1.2(5); ADAAG 4.1.3(5) Exception 1]

4. *Entrances in Multi-Grade Buildings.* The UFAS requires at least one principle entrance at each grade floor to a building to be accessible. The ADAAG requires that 1) at least 50 percent of all public entrances be accessible and 2) the number of exits required by the applicable building/fire code be used in determining the total number of accessible entrances required in a building or facility. The UFAS requires more accessible entrances in certain multi-grade buildings. [UFAS 4.1.2.(8); ADAAG 4.1.3(8)]

INITIALS: /s/ Illegible & /s/ Illegible

LESSOR GOV'T

5. *Elevator Controls.* The UFAS requires elevator controls to be mounted no higher than 48 inches "unless there is a substantial increase in cost," in which case 54 inches is allowed. The ADAAG allows 54 inches whenever a parallel approach is provided. [UFAS 4.10.12(3); ADAAG 4.10.12(3)]

C. FULL COMPLIANCE:

1. "Fully meets" as used herein with regard to the accessibility requirements means the offer fully complies with both the ADAAG and the UFAS requirements for new construction, including but not limited to: Parking and Passenger Loading Zones, Accessible Route, Entrance and Egress, Ramps, Stairs, Handrails, Doors, Elevators, Telephones, Controls, Signage, Alarms, Drinking Fountains, Storage Facilities, Seating and Workstations, Assembly Areas, and Toilet Rooms. Where standards conflict, the more stringent shall apply.

2. "Fully meets" as used herein with regard to the seismic safety requirements means that the Offeror has provided a written certification (example available for the Contacting Officer) from a licensed structural engineer certifying that both the building design and construction are in full compliance with the life-safety performance level of NISTIR 5382, ICSSC RP 4, *Standards of Seismic Safety for Existing Federally Owned or Leased Buildings,* **AS MODIFIED HEREIN:**

a. FEMA-178, *NEHRP Handbook for the Seismic Evaluation of Existing Buildings,* shall be replaced with FEMA-310, *Handbook for the Seismic Evaluation of Buildings: A Prestandard.*

b. Section 1.3.1, Post-Benchmark Buildings (Table 1: Advisory Benchmark Years) shall be replaced with the below table.

D. SUBSTANTIAL COMPLIANCE:

1. In accordance with both the ADAAG and the UFAS, if no offer is received which fully meets accessibility requirements for new construction, but an offer(s) is received which substantially meets these requirements, then other offers which do not substantially meet these requirements will not be considered. “Substantially meets” as used herein with regard to the accessibility requirements means the offer fully complies with both the ADAAG and the UFAS requirements for Parking and Passenger Loading Zones, Accessible Route, Entrance and Egress, Doors, Drinking Fountains, Toilet Rooms.

2. “Substantially meets” as used herein with regard to the seismic safety requirements will be determined by the Government based upon the Offeror’s evaluation by a licensed structural engineer that specifically describes all exceptions to full compliance with the Model Building Seismic Design Provisions as shown in the Benchmark Buildings table above. The Offeror shall evaluate the building by using FEMA-310 and shall identify all deficiencies. Based upon the evaluation, the Contracting Officer will make an award to the Offeror which best meets both the seismic safety requirements and the other requirements of this SFO. Documentation of this evaluation shall be made available to the Government.

E. LESS THAN SUBSTANTIAL COMPLIANCE:

In accordance with both the ADAAG and the UFAS, if no offer is received which either fully or substantially meets the accessibility requirements of new construction, consideration will be given only to offers which meet the following minimum requirements.

   c. Where only one toilet room is provided in a building where the Government leases space, one unisex toilet room shall be accessible.

   d. In a qualified historic building where the Advisory Council on Historic Preservation determines that providing the above minimum accessible toilet facilities would threaten or destroy the historic integrity of the space, accessible unisex toilet room(s) shall be provided in the building.

F. If no offer is received which meets the minimum accessibility requirements described above, offers will not be considered unless a waiver of accessibility requirements is requested by the Contracting Officer and granted by the GSA Public Buildings Service Commissioner.

3.3 TAX ADJUSTMENT (SEP 2000)

A. Real estate taxes, as referred to in this paragraph, are only those taxes which are assessed against the building and/or the land upon which the building is located, without regard to benefit to the property, for the purpose of funding general Government services. Real estate taxes shall not include, without limitation, general and/or special assessments, business improvement district assessments, or any other present or future taxes or governmental charges that are imposed upon the Lessor of assessed against the building and/or the land upon which the building is located.

B. Base year taxes as referred to in this paragraph are 4) the real estate taxes for the first 12-month period coincident with full assessment.

C. The term “full assessment” as referred to in this paragraph means that the taxing jurisdiction has considered all contemplated improvements to the assessed property in the valuation of the same. Partial assessments for newly constructed projects or for projects under construction, conversion, or renovation will not be used for establishing the Government’s base year for taxes.

D. The Lessor shall furnish the Contracting Officer with copies of all notices which may affect the valuation of said land and buildings for real estate taxes thereon, as well as all notices of a tax credit, all tax bills, and all paid tax receipts, or where tax receipts are not given, other similar evidence of payment acceptable to the Contracting Officer (hereinafter, evidence of payment), and a proper invoice (as described in GSA Form 3517, General Clauses, 552.232-75, *Prompt Payment*) of the tax adjustment including the calculation thereof, for each year that real estate taxes are incurred during the lease term or any extension thereof. All such documents are due within 10 calendar days of receipt except that the proper invoice and evidence of payment shall be submitted within 60 calendar days after the date the tax payment is due from the Lessor to the taxing authority. **FAILURE TO SUBMIT THE PROPER INVOICE AND EVIDENCE OF PAYMENT WITHIN SUCH TIME FRAME SHALL BE A WAIVER OF THE RIGHT TO RECEIVE PAYMENT RESULTING FROM AN INCREASED TAX ADJUSTMENT UNDER THIS PARAGRAPH.**

E. The Government shall 1) make a single annual lump sum payment to the Lessor for its share of any increase in real estate taxes during the lease term over the amount established as the base year taxes or 2) receive a rental credit or lump sum payment for its share of any decreases in real estate taxes during the lease term below the amount established as the base year taxes. The amount of lump sum payment or rental credit shall be based upon evidence of valuation and payment submitted by the Lessor to the Contracting Officer in accordance with subparagraph D.

1. In the event of an increase in taxes over the base year, the Lessor shall submit a proper invoice of the tax adjustment including the calculation thereof together with evidence of payment to the Contracting Officer. **THE GOVERNMENT SHALL BE RESPONSIBLE FOR PAYMENT OF ANY TAX INCREASE OVER THE BASE YEAR TAXES ONLY IF THE PROPER INVOICE AND EVIDENCE OF PAYMENT IS SUBMITTED BY THE LESSOR WITHIN 60 CALENDAR DAYS AFTER THE DATE THE TAX PAYMENT IS DUE FROM THE LESSOR TO THE TAXING AUTHORITY.** The due date for making payment shall be the 30th calendar day after receipt of evidence of payment by the Contracting Officer or the 30th calendar day after the anniversary date of the lease, whichever is later. If the lease terminates before the end of a tax year, payment for the tax increase due as a result of this section for the tax year will be prorated based on the number of days that the Government occupied the space. No increase will be paid, due, or owing unless all evidence of valuation and payment has been previously submitted to the Contracting Officer. The Government’s payment for its share of real estate taxes shall not include any late charges, interest, or penalties imposed by the taxing authority as a result of the Lessor’s delinquency in paying such taxes or charges.

2. In the event of a decrease in taxes from the base year, or in the event of any refund or tax deduction, the Lessor shall notify the Contracting Officer in accordance with subparagraph D. The Government shall be entitled to, and shall receive a credit for, the prorata reduction in taxes applicable to the premises encumbered by this lease, regardless of whether the Government has made a tax payment for that year. The Government's share of the credit will be determined in accordance with subparagraph F and shall be taken as a deduction from the rent. Any credit due the Government after the expiration or earlier termination of the lease (including, but not limited to, credits resulting from a decrease in taxes pursuant to a tax credit due the Lessor; a reduction in the tax assessment; or a tax appeal proceeding for a year of the lease, or portion thereof) shall be made by a lump sum payment to the Government or as a rental credit to any succeeding lease as determined by the Contracting Officer. The Lessor shall remit any lump sum payment to the Government within 15 calendar days of payment by the taxing authority to the Lessor or the Lessor's designee. If the credit due to the Government is not paid by the due date, interest shall accrue on the late payment at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (United States Code 41 USC 611) that is in effect on the day after the due date. Such collection rights shall survive the expiration of this lease.

F. The Government shall pay its share of tax increases or shall receive its share of any tax decrease based on the ratio of the rentable square feet occupied by the Government to the total rentable square feet in the building or complex (percentage of occupancy). The block and lot/parcel or other identification numbers for the property, building(s), and parking areas(s) occupied under this lease is Square 285, Lot 48.

G. The Government may direct the Lessor upon reasonable notice to initiate a tax appeal, or the Government may decide to contest the tax assessment on behalf of the Government and the Lessor or for the Government alone. The Lessor shall furnish to the Government information necessary for appeal of the tax assessment in accordance with the filing requirements of the taxing authority. If the Government decides to contest the tax assessment on its own behalf or on behalf of the Government and the Lessor, the Lessor shall cooperate and use all reasonable efforts including, but not limited to, affirming the accuracy of the documents, executing documents required for any legal proceeding, and taking such other actions as may be required. If the Lessor initiates an appeal on behalf of the Government, the Government and the Lessor will enter into an agreement to establish a method for sharing expenses and tax savings.

3.4 BUSINESS IMPROVEMENT DISTRICTS (B.I.D.)

(a) For purposes of this solicitation:

(1) "BID" means a Business Improvement District, Special Improvement District, or other specifically defined geographical area within a taxing jurisdiction, organized and registered pursuant to enabling legislation promulgated by a State or local government, within which properties are assessed, charged or taxed solely by virtue of their location within the given area and in support of services or projects located solely within the area.

(2) "Building" means the building(s) within which space is provided to the Government under the Lease, together with the land upon which the building is located.

(3) "Lessor's BID Assessment" means charges, assessments or taxes levied against Lessor and/or a Building, expressed as a fixed sum per Building, solely by virtue of the Building being located within a BID.

(b) The Government agrees, when applicable, to make a single annual lump sum payment to the Lessor for its share of increases in Lessor's BID Assessment over the agreed upon base year. For purposes of this clause, the agreed upon base year amount of Lessor's BID Assessment is $32,275.00 (enter N/A if the Building is not located within the boundaries of a BID).

(c) The Government's share of increases in Lessor's BID Assessment shall be based upon the ratio of the BOMA Rentable square feet occupied by the Government to the total BOMA Rentable square feet of office and retail space in the Building (percentage of occupancy). Square footage related to parking will not be included in determining the Government's percentage of occupancy.

(d) The Lessor shall furnish the Government with copies of all bills reflecting Lessor's BID Assessment and evidence of payment of such Lessor's BID Assessment by the Lessor. Evidence of payment must be submitted to the Government within 60 calendar days of the date that payment is due. A. Beginning with the second year of the lease and each year thereafter, the Government shall pay adjusted rent for changes in costs for cleaning services, supplies, materials, maintenance, trash removal, landscaping, water, sewer charges, heating, electricity, and certain administrative expenses attributable to occupancy. Applicable costs listed on GSA Form 1217, Lessor's Annual Cost Statement, when negotiated and agreed upon, will be used to determine the base rate for operating costs adjustment.

B. The amount of adjustment will be determined by multiplying the base rate by the percent of change in the Cost of Living Index. The percent change will be computed by comparing the index figure published in the month of the lease commencement date with

INITIALS: /s/ Illegible & /s/ Illegible

LESSOR GOV'T

the index figure published in the month which begins each successive 12-month period. For example, a lease which commences in June of 1995 would use the index published in June of 1995, and that figure would be compared with the index published in June of 1996, June of 1997, and so on. to determine the percent change. The Cost of Living Index will be measured by the Department of Labor revised Consumer Price Index for wage earners and clerical workers. U.S, city average, all items figure, (1982 to 1984 = 100) published by the Bureau of Labor Statistics, Payment will be made with the monthly installment of fixed rent Rental adjustments will be effective on the anniversary date of the lease.

C. In the event of any decreases in the Cost of Living Index occurring during the term of the occupancy under the lease, the rental amount will be reduced accordingly. The amount of such reductions will be determined in the same manner as increases in rent provided under this paragraph.

3.6 OPERATING COSTS BASE (SEP 2000) SEE PARAGRAPH 6E OF THIS LEASE

3.7 RENTABLE SPACE (SEP 2000)

Rentable space is the area for which a tenant is charged rent. It is determined by the building owner and may vary by city or by building within the same city. The rentable space may include a share of building support/common areas such as elevator lobbies, building corridors, and floor service areas. Floor service areas typically include restrooms, janitor rooms, telephone closets, electrical closets, and mechanical rooms. B. ANSI/BOMA Office Area square feel shall be computed by measuring the area enclosed by the finished surface of the room side of corridors (corridors in place as well as those required by local codes and ordinances to provide an acceptable level of safety and/or to provide access to essential building elements) and other permanent walls, the dominant portion (refer to Z65.1) of building exterior walls, and the center of tenant-separating partitions. Where alcoves, recessed entrances, or similar deviations from the corridor are present. ANSI/BOMA Office Area square feet shall be computed as if the deviation were not present.

3.9 COMMON AREA FACTOR (SEP 2000) SEE PARAGRAPH 6F OF THIS LEASE

If applicable, the Offeror shall provide the Common Area Factor (a conversion factor(s) determined by the building owner and applied by the owner to the ANSI/BOMA Office Area square feet o determine the rentable square feet for the offered space).

The Government will control the number, kind, and locations of vending facilities and will control and receive income from all automatic vending machines. The Lessor is required to provide necessary utilities and to make related alterations. The cost of the improvements will be negotiated, and payment will be made by the Government either on a lump-sum basis or a rental increase.

Said reduction shall occur after the Government gives 30 calendar days prior notice to the Lessor and shall continue in effect until the Government occupies the premises or the lease expires or is terminated.

C. The rate is determined to be the following, based on the amount of space vacated:

A. BLOCKING AND STACKING DIAGRAM:

The Lessor shall prepare, blocking plans and a stacking diagram to meet with the Government's approval.

B. DESIGN INTENT DRAWINGS:

The Government recommends that the Lessor retain an architectural and engineering firm that is familiar with the prospective tenant's design criteria. If the Lessor retains an architectural and engineering firm that is not familiar with the prospective tenant's design criteria, the Government will require an additional 5 working days of review time at each review time period throughout the design schedule.

1. The Lessor shall prepare and provide to the Government, for the Government's approval, design intent drawings detailing the Tenant Improvements to be made by the Lessor within the Government-demised area. The Government shall use best efforts to coordinate the provision of such information and details as required by the Lessor's architect to complete such drawings in a timely manner. Design intent drawings, for the purposes of this lease, are defined as fully-dimensioned drawings of the leased space which include enough information to prepare construction drawings and shall consist of: 1) furniture locations, telephone and data outlet types and locations; 2) specifications necessary for calculation of electrical and HVAC loads; and 3) all finish/color/signage selections. Design intent drawings shall be due from the Lessor within 1 month from award.

2. *Review.* The Government retains the right to review, approve, and request modifications (if necessary) to the Lessor's design intent drawings prior to the Lessor's commencement of working/construction drawings. The Government's review and approval of the drawings is limited as to the drawings' conformance to the specific requirements of the SFO and the agency's needs as they apply to the specific leased space. The Government shall perform all reviews of design intent drawings within 5 working days of receipt of such from Lessor. Should the Government require that modifications be made to the Lessor's design intent drawings before approval can be granted, the Government shall state as such in writing to the Lessor, and the Lessor shall have 5 working days to cure all noted defects before returning the design intent drawings to the Government for a subsequent review. Upon approval of the design intent drawings, a notice to proceed shall be transmitted to the Lessor, and the Lessor shall commence working/construction drawings for the space. At the sole discretion of the Government, the Lessor may be required to submit a budget proposal, based on the Tenant Improvements and associated work as shown on the design intent drawings. This budget proposal shall be completed within 5 working days of the Government's request. Delay of receipt of such proposal shall result in a Lessor delay.

The working/construction drawings shall include but is not limited to all mechanical, electrical, plumbing, fire safety, lighting, structural, and architectural improvements scheduled for inclusion into the Government-demised area. Working/construction drawings shall also be annotated with all applicable specifications. The resulting product shall reflect requirements, which are substantially the same as that specified by the Government-approved design intent drawings and shall incorporate neither extraneous additions nor deletions of requirements. The Lessor's working/construction drawings shall be due to the Government within 15 working days of receipt of the Design Intent Drawings. Working/construction drawings shall clearly identify 1) Tenant Improvements already in place and 2) the work to be done by the Lessor or others. The Government may also require at the time of submission of working/construction drawings that the Lessor submit a written price proposal along with adequate cost and pricing data for any costs or credits to the Government, which are beyond the scope of the original SFO and its attachments. Any work shown on the working/construction drawings, which is building shell, shall be clearly identified as such.

D. REVIEW OF WORKING/CONSTRUCTION DRAWINGS:

The Government retains the right to review, and request modifications (if necessary) to, the Lessor's working/construction drawings prior to the Lessor's commencement of interior construction. The Government's review of the working/construction drawings is limited to the working/construction drawings' conformance to the specific requirements of the SFO and to the approved design intent drawings. The Government shall perform all reviews of working/construction drawings within 5 working days of receipt of such from the Lessor. Should the Government require that modifications be made to the Lessor's working/construction drawings, the Government shall state such in writing to the Lessor, and the Lessor shall have up to 5 working days to cure all noted defects before returning the working/construction drawings to the Government for a subsequent review. The Government shall have 5 working days to review modified working/construction drawings prior to approval. Upon complete Government review for conformance of the working/construction drawings to the design intent drawings, a Notice of Proceed shall be transmitted to the Lessor, and the Lessor shall commence competitive bidding of the Tenant Improvements. Notwithstanding the Government's review of the working/construction drawings, the Lessor is solely responsible and liable for the technical accuracy of the working/construction drawings in meeting all requirements and provisions of the lease and the Government-approved design intent drawings.

(c) A minimum of three qualified contractors must be invited to participate in the competitive proposal process. Each participant must compete independently in the process.

(d) Each submitted proposal must be reviewed by the Government. The Government reserves the right to determine if bids meet with the scope of work, that the price is reasonable, and that the offeror is qualified to perform the work.

(e) The Government may elect to be represented at all negotiation sessions between the Lessor and potential contractors.

(f) The Lessor must certify to the Government that best efforts have been made to obtain the most competitive prices possible, that the Lessor shall accept responsibility for all prices through direct contracts with all contractors, and that all performance specifications of the lease shall be met. A certification form, provided by the Government, shall accompany the final bid package.

(g) The Lessor shall complete the competition and the cost proposal process in 15 working days or less from the date of issuance of completed construction documents. The Lessor shall accompany the bids with a recommendation for selection and with a summary in spreadsheet formal comparing the bidders proposal and indicating the exceptions or variations proposed by the bidders.

(h) Once the Government determines that there is adequate competition, and upon the Government's acceptance of the Lessor's cost proposal based upon that competition (provided the Lessor selects the competition's lowest priced bid of a contractor qualified to perform the subject work), the Contracting Officer shall issue to the Lessor a Notice To Proceed within 10 working days for the subject work, provided the cost is within the Government's budget for subject work. The NTP may be a partial or a complete NTP, and/or in the event the Lessor's cost proposals for the tenant alteration work exceeds the Government's budget, the Government may elect to have the working drawings be value engineered by the Lessor's construction and design team to meet the Government's budget. The cost of these modifications shall be paid by the Government.

(i) The Lessor shall complete the work within the time frame requirements of the SFO.

F. CONSTRUCTION OF TENANT IMPROVEMENTS:

The Lessor shall construct all Tenant Improvements in accordance with 1) the Government reviewed working/construction drawings and 2) all terms and conditions of the SFO. The Lessor shall furnish a detailed construction schedule (such as Critical Path Method) to the Government within 5 working days of issuance of the notice to proceed. Such schedule shall also indicate the dates available for the Government contractors to install telephone/data lines or equipment. The Government reserves the right to access any space within the building during the conduct of interior construction for the purposes of performing inspections or for installing Government-furnished equipment. The Government shall coordinate with the Lessor the activity of Government contractors in order to minimize conflicts with, and disruption to, other contractors on site. Access shall not be denied to authorized Government officials including, but not limited to, Government contractors, subcontractors, or consultants acting on behalf of the Government with regard to this project. Total space shall be constructed within 20 weeks of the Lessor's receipt of the Government's Notice to Proceed

G. DELAYS:

Delays by the city or county in issuance of a building permit after Lessor has applied for a permit with all due diligence and delays by city or county inspectors in completing inspections necessary to issue the Certificate of Occupancy for the building will be considered excusable delay. Owner agrees to provide the Government a copy of the application for the permit. Delays caused by the failure of Lessor to receive long-lead items requested by the Government shall be considered excusable delay provided that the Lessor has ordered such items in a timely manner. Lessor, if requested by the Government, must provide necessary documentation related to purchase of long-lead items.

Should either the Government or the Lessor fail to discharge their responsibilities as defined herein within the time allocated under the agreed upon construction schedule, such shall constitute "delay". Delay caused by either party may be offset by the early completion of that party's other responsibilities within the schedule. The absolute value of the number of days of one party's delay minus the number of days of the remaining party's delay shall equal the total number of days of delay for a given stage of the schedule. Delay shall be attributable to the party having caused the greatest number of days of critical path delay and shall be termed either "Government Delay" or "Lessor Delay" as appropriate.

If Government delay occurs, then the rent commencement date shall be the same number of days earlier than the acceptance date as the number of days of delay. Any rental paid by the Government prior to actual occupancy shall be less the cost for services and utilities (Base Cost of Services) of the vacant premises. In any event, the Government will not be required to accept space and commence rent prior to the original date as indicated in the "Occupancy Date" paragraph of the SFO, unless otherwise agreed to by the Government. Each day of Lessor Delay will increase the amount of free rent after occupancy by the Government on a day for day basis per subparagraph (G) "Delay" of this paragraph and the "Default in Delivery" paragraph of the GSA Form 3517.

H. ACCEPTANCE OF SPACE:

Seven days prior to the completion of interior construction, the Lessor shall issue written notice to the Government to inspect the space. The Government shall have seven days to inspect and to either accept or reject the subject space.

1. Substantially completed space will be accepted by the Government subject to the completion of minor punch list items. Space which is not substantially complete will not be accepted by the Government. Should the Government reject the

Lessor's space as not substantially complete as defined herein, the Lessor shall immediately undertake remedial action and when ready shall issue a subsequent notice to inspect to the Government.

2. A copy of the building permit and a copy of the Certificate of Occupancy shall be provided to the contracting officer immediately upon Lessor's receipt.

I. RENT COMMENCEMENT:

The rent commencement date shall be the date of space acceptance for the premises made by the Government, as set forth in GSA Form 3517, unless delays occur as specified in subparagraph (G) "Delays" above.

J. LEASE COMMENCEMENT:

The Government shall issue a GSA Form 276, Supplemental Lease Agreement, to establish the lease and rent commencement date after the acceptance of all space. In any case, the lease commencement date shall not be prior to the rent commencement date.

3.18 PROGRESS REPORTS (SEP 2000)

Each report shall include information as to 1) percentage of the work completed by phase and trade; 2) a statement as to expected completion and occupancy date; 3) changes introduced into the work; 4) general remarks on such items as material shortages, strikes, weather, etc.; and 5) updated CPM including construction (with original from design schedule phase). In addition, at the Government's discretion, the Lessor shall conduct weekly meetings to brief Government personnel and/or contractors regarding the progress of design and construction of the Government-demised area. Such meetings shall be held at a location to be designated by the Government.

3.19 CONSTRUCTION INSPECTIONS

A. Construction inspections will be made periodically by the Contracting Officer and/or designated technical representatives to review compliance with the SFO requirements and the final working drawings.

B. Periodic reviews, tests, and inspections by the Government are not to be interpreted as resulting in any approval of the Lessor's apparent progress toward meeting the Government's objectives but are intended to discover any information which the Contracting Officer may be able to call to the Lessor's attention to prevent costly misdirection of effort. The Lessor shall remain completely responsible for designing, constructing, operating, and maintaining the building in full accordance with the requirements of this SFO.

4.0 GENERAL ARCHITECTURE

4.1 QUALITY AND APPEARANCE OF BUILDING EXTERIOR (SEP 2000)

B. The Offeror shall submit to the Government a proposal to dispose of or recycle construction waste. Where the small quantity of material, the extraordinarily complex nature of the waste disposal method, or prohibitive expense for recycling would represent a genuine hardship, the Government may permit alternative means of disposal. This requirement shall also apply to subsequent alterations under the lease. The Government may permit alternative means of disposal only upon review and approval of a feasibility study provided by the Lessor to the Contracting Officer for a specific term.

C. The Lessor shall recycle the following items during both the demolition and construction phases of the project, subject to economic evaluation and feasibility:

The reuse of items and materials is preferable to recycling them; however, items considered for reuse shall be in refurbishable condition and shall meet the quality standards set forth by the Government in this SFO. In the absence of definitive quality standards, the Lessor shall ensure that the quality of the item(s) in question shall meet or exceed accepted industry or trade standards for first quality commercial grade applications.

B. The Lessor shall submit a reuse plan to the Contracting Officer. The Government will not pay for existing fixtures and other Tenant Improvements accepted in place. C. All MSDS shall comply with Occupational Safety and Health Administration (OSHA) requirements. The Lessor and its agents shall comply with all recommended measures in the MSDS to protect the health and safety of personnel.

D. To the greatest extent possible, the Lessor shall sequence the installation of finish materials so that materials that are high emitters of volatile organic compounds (VOC) are installed and allowed to cure before installing interior finish materials, especially soft materials that are woven, fibrous, or porous in nature, that may adsorb contaminants and release them over time.

E. Where demolition or construction work occurs adjacent to occupied space, the Lessor shall erect appropriate barriers (noise, dust, odor, etc.) and take necessary steps to minimize interference with the occupants. This includes maintaining acceptable temperature, humidity, and ventilation in the occupied areas during window removal, window replacement, or similar types of work.

B. If an Offeror proposes to satisfy any requirement of this paragraph by providing an equivalent level of safety, the Offeror shall submit, for Government review and approval, a fire protection engineering analysis, performed by a qualified fire protection engineer, demonstrating that an equivalent level of safety for the offered building exists. The Offeror shall contact the Contracting Officer for further information regarding Government review and approval of the “equivalent level of safety” analyses. B. The Lessor shall make a reasonable attempt to apply insecticides, paints, glues, adhesives, and HVAC system cleaning compounds with highly volatile or irritating organic compounds, outside of working hours. The Lessor shall provide at least 72 hours advance notice to the Government before applying noxious chemicals in occupied spaces and shall adequately ventilate those spaces during and after application.

C. The Lessor shall promptly investigate indoor air quality (IAQ) complaints and shall implement the necessary controls to address the complaint.

4. 552.270-23 - SUBORDINATION, NONDISTURBANCE AND ATTORNMENT (SEP 1999)

(a) Lessor warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. Government agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days next following the Contracting Officer's receipt of a written demand, to execute such instruments as Lessor may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by Lessor if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.

(b) No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this lease so long as the Government is not in default under this lease. Lessor will include in any future mortgage, deed of trust or other security instrument to which this lease becomes subordinate, or in a separate nondisturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Contracting Officer promptly upon demand.

(c) In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such purchasers or transferees and the Government; provided, further, that the Contracting Officer and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.

(d) None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.

5. 552.270-24 - STATEMENT OF LEASE (AUG 1999)

(a) The Contracting Officer will, within thirty (30) days next following the Contracting Officer's receipt of a joint written request from Lessor and a prospective lender or purchaser of the building, execute and deliver to Lessor a letter stating that the same is issued subject to the conditions stated in this clause and, if such is the case, that (1) the lease is in full force and effect; (2) the date to which the rent and other charges have been paid in advance, if any; and (3) whether any notice of default has been issued.

(b) Letters issued pursuant to this clause are subject to the following conditions:

(1) That they are based solely upon a reasonably diligent review of the Contracting Officer's lease file as of the date of issuance;

(2) That the Government shall not be held liable because of any defect in or condition of the premises or building;

(3) That the Contracting Officer does not warrant or represent that the premises or building comply with applicable Federal, State and local law; and

(4) That the Lessor, and each prospective lender and purchaser are deemed to have constructive notice of such facts as would be ascertainable by reasonable prepurchase and precommitment inspection of the Premises and Building and by inquiry to appropriate Federal, State and local Government officials.

6. 552.270-25 - SUBSTITUTION OF TENANT AGENCY (SEP 1999)

The Government may, at any time and from time to time, substitute any Government agency or agencies for the Government agency or agencies, if any, named in the lease.

7. 552.270-26 - NO WAIVER (SEP 1999)

No failure by either party to insist upon the strict performance of any provision of this lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent or other performance by either party during the continuance of any such breach shall constitute a waiver of any such breach of such provision.

8. 552.270-27 - INTEGRATED AGREEMENT (SEP 1999)

This Lease, upon execution, contains the entire agreement of the parties and no prior written or oral agreement, express or implied, shall be admissible to contradict the provisions of the Lease.

9. 552.270-28 - MUTUALITY OF OBLIGATION (SEP 1999)

(a) Unless the Government elects to have the space occupied in increments, the space must be delivered ready for occupancy as a complete unit. The Government reserves the right to determine when the space is substantially complete.

(b) If the premises do not in every respect comply with the provisions of this lease the Contracting Officer may, in accordance with the Failure in Performance clause of this lease, elect to reduce the rent payments.

11. 552.270-18 - DEFAULT IN DELIVERY - TIME EXTENSIONS (SEP 1999) (VARIATION)

(a) With respect to Lessor's obligation to deliver the premises substantially complete by the delivery date, time is of the essence. If the Lessor fails to work diligently to ensure its substantial completion by the delivery date or fails to substantially complete the work by such date, the Government may by notice to the Lessor terminate this lease. Such termination is effective when received by Lessor. The Lessor and the Lessor's sureties, if any, are jointly and severally liable for any damages to the Government resulting from such termination, as provided in this clause. The Government shall be entitled to the following damages:

(1) The Government's aggregate rent and estimated real estate tax and operating cost adjustments for the firm term and all option terms of its replacement lease or leases, in excess of the aggregate rent and estimated real estate tax and operating cost adjustments for the term. If the Government procures replacement premises for a term (including all option terms) in excess of this term, the Lessor is not liable for excess Government rent or adjustments during such excess lease term.

(2) All administrative and other costs the Government incurs in procuring a replacement lease or leases.

(3) Other, additional relief provided for in this lease, at law, or in equity.

(b) Damages to which the Government is entitled to under this clause are due and payable thirty (30) days following the date Lessor receives notice from the Contracting Officer specifying such damages.

(c) Delivery by Lessor of less than the minimum ANSI/BOMA Office Area square footage required by this lease shall in no event be construed as substantial completion, except as the Contracting Officer permits.

(d) The Government shall not terminate this lease under this clause nor charge the Lessor with damages under this clause, if (1) the delay in substantially completing the work arises from excusable delays and (2) the Lessor within 10 days from the beginning of any such delay (unless extended in writing by the Contracting Officer) provides notice to the Contracting Officer of the causes of delay. The Contracting Officer shall ascertain the facts and the extent of delay. If the facts warrant, the Contracting Officer shall extend the delivery date, to the extent of such delay at no additional costs to the Government. A time extension is the sole remedy of the Lessor.

12. 552.270-19 - PROGRESSIVE OCCUPANCY (SEP 1999)

The Government shall have the right to elect to occupy the space in partial increments prior to the substantial completion of the entire leased premises, and the Lessor agrees to schedule its work so

as to deliver the space incrementally as elected by the Government. The Government shall pay rent commencing with the first business day following substantial completion of the entire leased premise unless the Government has elected to occupy the leased premises incrementally. In case of incremental occupancy, the Government shall pay rent pro rata upon the first business day following substantial completion of each incremental unit. Rental payments shall become due on the first workday of the month following the month in which an increment of space is substantially complete, except that should an increment of space be substantially completed after the fifteenth day of the month, the payment due date will be the first workday of the second month following the month in which it was substantially complete. The commencement date of the firm lease term will be a composite determined from all rent commencement dates.

13. 552.270-21 - EFFECT OF ACCEPTANCE AND OCCUPANCY (SEP 1999)

Neither the Government's acceptance of the premises for occupancy, nor the Government's occupancy thereof, shall be construed as a waiver of any requirement of or right of the Government under this Lease, or as otherwise prejudicing the Government with respect to any such requirement or right.

14. 552.270-6 - MAINTENANCE OF BUILDING AND PREMISES - RIGHT OF ENTRY (SEP 1999)

Except in case of damage arising out of the willful act or negligence of a Government employee Lessor shall maintain the premises, including the building, building systems, and all equipment fixtures, and appurtenances furnished by the lessor under this lease, in good repair and condition so that they are suitable in appearance and capable of supplying such heat, air conditioning, light, ventilation, safety systems, access and other things to the premises, without reasonably preventable or recurring disruption, as is required for the Government's access to, occupancy, possession, use and enjoyment of the premises as provided in this lease. For the purpose of so maintaining the premises, the Lessor may at reasonable times enter the premises with the approval of the authorized Government representative in charge.

15. 552.270-10 - FAILURE IN PERFORMANCE (SEP 1999)

The covenant to pay rent and the covenant to provide any service, utility, maintenance, or repair required under this lease are interdependent. In the event of any failure by the Lessor to provide any service, utility, maintenance, repair or replacement required under this lease the Government may, by contract or otherwise, perform the requirement and deduct from any payment or payments under this lease, then or thereafter due, the resulting cost to the Government, including all administrative costs. If the Government elects to perform any such requirement, the Government and each of its contractors shall be entitled to access to any and all area of the building, access to which is necessary to perform any such requirement, and the Lessor shall afford and facilitate such access. Alternatively, the Government may deduct from any payments under this lease, then or thereafter due, an amount which reflects the reduced value of the contract requirement not performed. No deduction from rent pursuant to this clause shall constitute a default by the Government under this lease. These remedies are not exclusive and are in addition to any other remedies which may be available under this lease or at law.

16. 552.270-22 - DEFAULT BY LESSOR DURING THE TERM (SEP 1999)

(a) Each of the following shall constitute a default by Lessor under this lease:

(1) Failure to maintain, repair, operate or service the premises as and when specified in this lease, or failure to perform any other requirement of this lease as and when required provided any such failure shall remain uncured for a period of thirty (30) days next following Lessor's receipt of notice thereof from the Contracting Officer or an authorized representative.

(2) Repeated and unexcused failure by Lessor to comply with one or more requirements of this lease shall constitute a default notwithstanding that one or all such failures shall have been timely cured pursuant to this clause.

(b) If a default occurs, the Government may, by notice to Lessor, terminate this lease for default and if so terminated, the Government shall be entitled to the damages specified in the Default in Delivery-Time Extensions clause.

17. 552.270-7 - FIRE AND CASUALTY DAMAGE (SEP 1999)

If the entire premises are destroyed by fire or other casualty, this lease will immediately terminate. In case of partial destruction or damage, so as to render the premises untenantable, as determined by the Government, the Government may terminate the lease by giving written notice to the Lessor within 15 calendar days of the fire or other casualty; if so terminated, no rent will accrue to the Lessor after such partial destruction or damage; and if not so terminated, the rent will be reduced proportionately by supplemental agreement hereto effective from the date of such partial destruction or damage. Nothing in this lease shall be construed as relieving Lessor from liability for

damage to or destruction of property of the United States of America caused by the willful or negligent act or omission of Lessor.

18. 552.270-8 - COMPLIANCE WITH APPLICABLE LAW (SEP 1999)

Lessor shall comply with all Federal, state and local laws applicable to the Lessor as owner or lessor, or both, of the building or premises, including, without limitation, laws applicable to the construction, ownership, alteration or operation of both or either thereof, and will obtain all necessary permits, licenses and similar items at Lessor's expense. The Government will comply with all Federal state and local laws applicable to and enforceable against it as a tenant under this lease; provided that nothing in this lease shall be construed as a waiver of any sovereign immunity of the Government. This lease shall be governed by Federal law.

19. 552.270-12 - ALTERATIONS (SEP 1999)

The Government shall have the right during the existence of this lease to make alterations, attach fixtures, and erect structures or signs in or upon the premises hereby leased, which fixtures, additions or structures so placed in, on, upon, or attached to the said premises shall be and remain the property of the Government and may be removed or otherwise disposed of by the Government. If the lease contemplates that the Government is the sole occupant of the building, for purposes of this clause, the leased premises include the land on which the building is sited and the building itself. Otherwise, the Government shall have the right to tie into or make any physical connection with any structure located on the property as is reasonably necessary for appropriate utilization of the leased space.

20. 552.270-29 - ACCEPTANCE OF SPACE (SEP 1999)

(a) When the Lessor has completed all alterations, improvements, and repairs necessary to meet the requirements of the lease, the Lessor shall notify the Contracting Officer. The Contracting Officer or designated representative shall promptly inspect the space.

(b) The Government will accept the space and the lease term will begin after determining that the space is substantially complete and contains the required ANSI/BCMA Office Area square footage as indicated in the paragraph of this solicitation entitled "Amount and Type of Space."

21. 552.270-9 - INSPECTION - RIGHT OF ENTRY (SEP 1999)

(a) At any time and from time to time after receipt of an offer (until the same has been duly withdrawn or rejected), after acceptance thereof and during the term, the agents, employees and contractors of the Government may, upon reasonable prior notice to Offeror or Lessor, enter upon the offered premises or the premises, and all other areas of the building access to which is necessary to accomplish the purposes of entry, to determine the potential or actual compliance by the Offeror or Lessor with the requirements of the solicitation or this lease, which purposes shall include, but not be limited to: (1) inspecting, sampling and analyzing of suspected asbestos-containing materials and air monitoring for asbestos fibers; (2) inspecting the heating, ventilation and air conditioning system, maintenance records, and mechanical rooms for the offered premises or the premises; (3) inspecting for any leaks, spills, or other potentially hazardous conditions which may involve tenant exposure to hazardous or toxic substances; and (4) inspecting for any current or past hazardous waste operations, to ensure that appropriate mitigative actions were taken to alleviate any environmentally unsound activities in accordance with Federal, State and local law.

(b) Nothing in this clause shall be construed to create a Government duty to inspect for toxic materials or to impose a higher standard of care on the Government than on other lessees. The purpose of this clause is to promote the ease with which the Government may inspect the building. Nothing in this clause shall act to relieve the Lessor of any duty to inspect or liability which might arise as a result of Lessor's failure to inspect for or correct a hazardous condition.

22. 552.232-75 - PROMPT PAYMENT (SEP 1999)

The Government will make payments under the terms and conditions specified in this clause. Payment shall be considered as being made on the day a check is dated or an electronic funds transfer is made. All days referred to in this clause are calendar days, unless otherwise specified.

However, if the designated billing office fails to annotate the invoice with the actual date of receipt, the invoice payment due date shall be deemed to be the 30th day after the Contractor's invoice is dated, provided a proper invoice is received and there is no disagreement over quantity, quality, or Contractor compliance with contract requirements.

(b) Invoice and inspection requirements for payments other than rent.

(1) The Contractor shall prepare and submit an invoice to the designated billing office after completion of the work. A proper invoice shall include the following items:

(2) The Government will inspect and determine the acceptability of the work performed or services delivered within 7 days after the receipt of a proper invoice or notification of completion of the work or services unless a different period is specified at the time the order is placed. If actual acceptance occurs later, for the purpose of determining the payment due date and calculation of interest, acceptance will be deemed to occurs on the last day of the 7-day inspection period. If the work or service is rejected for failure to conform to the technical requirements of the contract, the 7 days will be counted beginning with receipt of a new invoice or notification. In either case, the Contractor is not entitled to any payment or interest unless actual acceptance by the Government occurs.

(c) Interest Penalty.

(1) An interest penalty shall be paid automatically by the Government, without request from the Contractor, if payment is not made by the due date.

(2) The interest penalty shall be at the rate established by the Secretary of the Treasury under Section 12 of the Contract Disputes Act of 1978 (41 U.S.C. 611) that is in effect on the day after the due date. This rate is referred to as the "Renegotiation Board Interest Rate," and it is published in the Federal Register semiannually on or about January 1 and July 1. The interest penalty shall accrue daily on the payment amount approved by the Government and be compounded in 30-day increments inclusive from the first day after the due date through the payment date.

(3) Interest penalties will not continue to accrue after the filing of a claim for such penalties under the clause at 52.233-1, Disputes, or for more than 1 year. Interest penalties of less than $1.00 need not be paid.

(4) Interest penalties are not required on payment delays due to disagreement between the Government and Contractor over the payment amount or other issues involving contract compliance or on amounts temporarily withheld or retained in accordance with the terms of the contract. Claims involving disputes, and any interest that may be payable, will be resolved in accordance with the clause at 52.233-1, Disputes.

(c) If it is determined that the amount of ANSI/BOMA Office Area square footage actually delivered is less than the amount agreed to in the lease, the lease will be modified to reflect the amount of Usable space delivered and the annual rental will be adjusted as follows:

Usable square feet not delivered multiplied by the ANSI/BOMA Office Area square foot (USF) rate equals the reduction in annual rent. The rate per USF is determined by dividing the total annual rental by the Usable square footage set forth in the lease.

USF Not Delivered X Rate per USF = Reduction in Annual Rent.

31. 52.215-10-PRICE REDUCTION FOR DEFECTIVE COST OR PRICING DATA (OCT 1997)

(Applies when cost or pricing data are required for work or service exceeding $500,000.)

(a) If any price, including profit or fee, negotiated in connection with this contract, or any cost reimbursable under this contract, was increased by any significant amount because—

(1) The Contractor or a subcontractor furnished cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data;

(2) A subcontractor or prospective subcontractor furnished the Contractor cost or pricing data that were not complete, accurate, and current as certified in the Contractor's Certificate of Current Cost or Pricing Data; or

(3) Any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the contract shall be modified to reflect the reduction.

(b) Any reduction in the contract price under paragraph (a) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Contractor, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Contractor; *provided,* that the actual subcontract price was not itself affected by defective cost or pricing data.

(iii) The contract was based on an agreement about the total cost of the contract and there was no agreement about the cost of each item procured under the contract.

(iv) The Contractor or subcontractor did not submit a Certificate of Current Cost or Pricing Data.

(2) (i) Except as prohibited by subdivision (c)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a contract price reduction if—

(A) The Contractor certifies to the Contracting Officer that, to the best of the Contractor's knowledge and belief, the Contractor is entitled to the offset in the amount requested; and

(B) The Contractor proves that the cost or pricing data were available before the "as of" date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

(ii) An offset shall not be allowed if—

(A) The understated data were known by the Contractor to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or

34. 552.215-70-EXAMINATION OF RECORDS BY GSA (FEB 1996)

The Contractor agrees that the Administrator of General Services, or any duly authorized representative shall, until the expiration of 3 years after final payment under this contract, or of the time periods for the particular records specified in Subpart 4.7 of the Federal Acquisition Regulation (48 CFR 4.7), whichever expires earlier, have access to and the right to examine any books, documents, papers, and records of the Contractor involving transactions related to this contract or compliance with any clauses thereunder. The Contractor further agrees to include in all its subcontracts hereunder a provision to the effect that the subcontractor agrees that the Administrator of General Services, or any duly authorized representatives shall, until the expiration of 3 years after final payment under the subcontract, or of the time periods for the particular records specified in Subpart 4.7 of the Federal Acquisition Regulation (48 CFR 4.7), whichever expires earlier, have access to and the right to examine any books, documents, papers, and records of such subcontractor, involving transactions related to the subcontract or compliance with any clauses thereunder. The term "subcontract" as used in this clause excludes (a) purchase orders not exceeding $100,000 and (b) subcontracts or purchase orders for public utility services at rates established for uniform applicability to the general public.

35. 52.215-2-AUDIT AND RECORDS—NEGOTIATION (JUN 1999)

(b) Examination of costs, if this is a cost-reimbursement, incentive, time-and-materials, labor-hour, or price redeterminable contract, or any combination of these, the Contractor shall maintain and the Contracting Officer, or an authorized representative of the Contracting Officer, shall have the right to examine and audit all records and other evidence sufficient to reflect properly all costs claimed to have been incurred or anticipated to be incurred directly or indirectly in performance of this contract. This right of examination shall include inspection at all reasonable times of the Contractor's plants, or parts of them, engaged in performing the contract.

(c) Cost or pricing data. If the Contractor has been required to submit cost or pricing data in connection with any pricing action relating to this contract, the Contracting Officer, or an authorized representative of the Contracting Officer, in order to evaluate the accuracy, completeness, and currency of the cost or pricing data, shall have the right to examine and audit all of the Contractor's records, including computations and projections, related to—

(1) The proposal for the contract, subcontract, or modification;

(2) The discussions conducted on the proposal(s), including those related to negotiating;

(3) Pricing of the contract, subcontract, or modification; or

(4) Performance of the contract, subcontract or modification.

(d) Comptroller General—

(1) The Comptroller General of the United States, or an authorized representative, shall have access to and the right to examine any of the Contractor's directly pertinent records involving transactions related to this contract or a subcontract hereunder.

(2) This paragraph may not be construed to require the Contractor or subcontractor to create or maintain any record that the Contractor or subcontractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e) Reports. If the Contractor is required to furnish cost, funding, or performance reports, the Contracting Officer or an authorized representative of the Contracting Officer shall have the right to examine and audit the supporting records and materials, for the purpose of evaluating—

(1) The effectiveness of the Contractor's policies and procedures to produce data compatible with the objectives of these reports; and

(f) Availability. The Contractor shall make available at its office at all reasonable times the records, materials, and other evidence described in paragraphs (a), (b), ©, (d), and (e) of this clause, for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in Subpart 4.7, Contractor Records Retention, of the Federal Acquisition Regulation (FAR), or for any longer period required by statute or by other clauses of this contract. (3) That require the subcontractor to furnish reports as discussed in paragraph (e) of this clause.

The clause may be altered only as necessary to identify properly the contracting parties and the Contracting Officer under the Government prime contract.

36. 52.233-1-DISPUTES (DEC 1998)

(a) This contract is subject to the Contract Disputes act of 1978, as amended (41 U. S. C 601-613

(b) Except as provided in the Act, all disputes arising under or relating to this contract shall be resolved under this clause.

(c) "Claim," as used in this clause, means a written demand of written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding $100,000 is not a claim under the Act until certified as required by subparagraph (d)(2) of this clause. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

(d) (1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a written decision. A claim by the Government against the Contractor shall be subject to a written decision by the Contracting Officer.

(2) (i) The Contractor shall provide the certification specified in paragraph (d)(2)(iii) of this clause when submitting any claim exceeding $100,000.

(ii) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.

(iii) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable; and that I am duly authorized to certify the claim on behalf of the Contractor."

(3) The certification may be executed by any person duly authorized to bind the Contractor with respect to the claim.

(e) For Contractor claims of $100,000 or less, the Contracting Officer must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over $100,000, the Contracting Officer must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.

(f) The Contracting Officer's decision shall be final unless the Contractor appeals or files a suit as provided in the Act.

(g) If the claim by the Contractor is submitted to the Contracting Officer or a claim by the Government is presented to the Contractor, the parties, by mutual consent, may agree to use alternative disputes resolution (ADR). If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer.

(h) The Government shall pay interest on the amount found due and unpaid from (1) the date that the Contracting Officer receives the claim (certified if required); or (2) the date that payment otherwise would be due, if that date is later, until the date of payment. With regard to claims having defective certifications, as defined in FAR 33.201, interest shall be paid from the date that the Contracting Officer initially receives the claim. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.

(i) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting officer.

The Contractor shall permit the Government to inspect and copy any books, accounts, records (including computerized records), and other material that may be relevant to the matter under investigation and pertinent to compliance with Executive Order 11246, as amended, and rules and regulations that implement the Executive Order.

(9) If the OFCCP determines that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts, under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

(11) The Contractor shall take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing these terms and conditions, including sanctions for noncompliance; provided, that if the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of any direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

If, at contract completion or, in the case of a commercial plan, at the close of the fiscal year for which the plan is applicable, the Contractor has failed to meet its subcontracting goals and the Contracting Officer decides in accordance with paragraph (c) of this clause that the Contractor failed to make a good faith effort to comply with its subcontracting plan, established in accordance with the clause in this contract entitled "Small Business Subcontracting Plan," the Contractor shall pay the Government liquidated damages in an amount stated. The amount of probable damages attributable to the Contractor's failure to comply shall be an amount equal to the actual dollar amount by which the Contractor failed to achieve each subcontract goal.

(c) Before the Contracting Officer makes a final decision that the Contractor has failed to make such good faith effort, the Contracting Officer shall give the Contractor written notice specifying the failure and permitting the Contractor to demonstrate what good faith efforts have been made and to discuss the matter. Failure to respond to the notice may be taken as an admission that no valid explanation exists. If, after consideration of all the pertinent data, the Contracting Officer finds that the Contractor failed to make a good faith effort to comply with the subcontracting plan, the Contracting Officer shall issue a final decision to that effect and require that the Contractor pay the Government liquidated damages as provided in paragraph (b) of this clause.

(d) With respect to commercial plans, the Contracting Officer who approved the plan will perform the functions of the Contracting Officer under this clause on behalf of all agencies with contracts covered by the commercial plan.

(e) The Contractor shall have the right of appeal, under the clause in this contract entitled Disputes, from any final decision of the Contracting Officer.

(f) Liquidated damages shall be in addition to any other remedies that the Government may have.
